Within 60 days after the Effective Date, Arora shall post in a prominent place accessible to all patients and Covered Persons a notice that provides the HHS OIG Fraud Hotline telephone number (1-800-HHS-TIPS) as a confidential means by which suspected fraud or abuse in the Federal health care programs may be reported.

B. Training and Education.

1. *Covered Persons Training.* All Covered Persons shall receive at least three hours of training during the first Reporting Period. Training may be completed in-person or online. These training requirements may be satisfied only by the completion of training courses that are submitted to OIG, prior to registration for the training course, for review and approval.

At a minimum, the required training sessions must include the following topics:

- a. the Federal health care program billing, coding and claim submission statutes, regulations, and program requirements and directives relating to the items or services furnished by Arora;
- b. the Federal health care program medical record documentation requirements relating to items or services furnished by Arora; and

The OIG may, in its discretion, require that Arora or all Covered Persons complete additional hours of training regarding the topics identified above, or additional topics, in the second or third years of the IA. The OIG shall provide notice to Arora of such additional required training at least 180 days prior to the required completion date for such training.

2. *Training Records.* Arora shall maintain written documentation (e.g., written or electronic certificates of completion from the training provider) that all Covered Persons required to receive training have completed such training. 2. *Claims Review.* The IRO shall review Arora's fee-for-service claims submitted to and reimbursed by the Medicare program, to determine whether the items and services furnished were medically necessary and appropriately documented, and whether the claims were correctly coded, submitted, and reimbursed (Claims Review) and shall prepare a Claims Review Report, as outlined in Appendix B to this IA, which is incorporated by reference.

3. *Independence and Objectivity Certification.* The IRO shall include in its report(s) to Arora a certification that the IRO has (a) evaluated its professional independence and objectivity with respect to the reviews required under this Section III.C and (b) concluded that it is independent and objective, in accordance with the requirements specified in Appendix A to this IA. Arora shall maintain documentation demonstrating that Arora: (1) has checked the Exclusion Lists (i.e., a screen print of the search results) and determined that its Covered Persons are not Ineligible Persons and (2) has required its Covered Persons to disclose if they are an Ineligible Person.

2. *Removal Requirement.* If Arora has actual notice that a Covered Person has become an Ineligible Person, Arora shall remove such Covered Person from any position for which the Covered Person's compensation or the items or services furnished, ordered, or prescribed by the Covered Person are paid in whole or part, directly or indirectly, by any Federal health care program(s) from which the Covered Person has been excluded, at least until such time as the Covered Person is reinstated into participation in such Federal health care program(s). Items or services furnished by excluded persons are not payable by Federal health care programs and Arora may be liable for overpayments and/or criminal, civil, and administrative sanctions for employing or contracting with an excluded person regardless of whether Arora meets the requirements of Section III.D.

E. Notification of Government Investigation or Legal Proceeding. Arora shall notify OIG, in writing, of any ongoing investigation or legal proceeding by a governmental entity or its agents involving an allegation that Arora has committed a crime or has engaged in fraudulent activities, within 30 days of Arora receiving notice of such investigation or legal proceeding. This notification shall include a description of the allegation(s), the identity of the investigating or prosecuting agency, and the status of such investigation or legal proceeding. Within 30 days after resolution of the matter, Arora shall notify OIG, in writing, of the resolution of the investigation or legal proceeding.

Arora should follow the payor's policies regarding the form of notification and the repayment process for any Overpayment refunds. Any questions regarding the repayment process should be directed to the payor.

G. Reportable Events. Arora shall notify OIG, in writing, within 30 days after determining that a Reportable Event exists, as follows:

4. *Bankruptcy.* The report to OIG shall include documentation of the bankruptcy filing and a description of any Federal health care program requirements implicated.

5. *Reportable Events Involving the Stark Law.* Any Reportable Event that involves solely a probable violation of the Stark Law should be submitted by Arora to CMS through the self-referral disclosure protocol (SRDP), with a copy to OIG. However, if Arora identifies a probable violation of the Stark Law and repays the applicable Overpayment directly to the CMS contractor, then Arora is not required by this Section III.G to submit the Reportable Event to CMS through the SRDP, but shall provide OIG with a copy of the repayment documentation.

H. Third Party Billing. If, prior to the Effective Date or at any time during the term of this IA Arora contracts with a third party billing company to submit claims to the Federal health care programs on behalf of Arora, Arora must certify to OIG that he does not have an ownership or control interest (as defined in 42 U.S.C. § 1320a-3(a)(3)) in the third party billing company and is not employed by, and does not act as a consultant to, the third party billing company.

Arora also shall obtain (as applicable) a certification from any third party billing company that the company: (1) has a policy of not employing any person who is excluded from participation in any Federal health care program to perform any duties related directly or indirectly to the preparation or submission of claims to Federal health care programs; (2) screens its prospective and current employees against the Exclusion Lists; and (3) provides training in the applicable requirements of the Federal health care programs to those employees involved in the preparation and submission of claims to Federal health care programs.

If applicable, a copy of these certifications shall be included in Arora's Implementation Report and each Annual Report required by Section V below.

IV. SUCCESSOR LIABILITY; NEW EMPLOYMENT OR CONTRACTUAL ARRANGEMENT

A. Sales or Purchase of a Location or Business. If, after the Effective Date, Arora proposes to (1) sell any or all of its locations or businesses that are subject to this IA (whether through a sale of assets, a sale of stock, or other type of transaction); or (2) purchase or establish a new location or business related to the furnishing of items or services that may be reimbursed by any Federal health care program, the IA shall be binding on the purchaser of any such location or business and any new location or business (and all Covered Persons at each new location or business) shall be subject to the requirements of this IA, unless otherwise determined and agreed to in writing by OIG. VIII. DOCUMENT AND RECORD RETENTION

Arora shall maintain for inspection all documents and records relating to reimbursement from the Federal health care programs and to compliance with this IA for four years (or longer if otherwise required by law) from the Effective Date.

IX. DISCLOSURES

Consistent with HHS's FOIA procedures, set forth in 45 C.F.R. Part 5, OIG shall make a reasonable effort to notify Arora prior to any release by OIG of information submitted by Arora pursuant to its requirements under this IA and identified upon submission by Arora as trade secrets, or information that is commercial or financial and privileged or confidential, under the FOIA rules. With respect to such releases, Arora shall have the rights set forth at 45 C.F.R. § 5.42(a).

A. Stipulated Penalties. OIG may assess:

B. Timely Written Requests for Extensions. Arora may, in advance of the due date, submit a timely written request for an extension of time to perform any act or file any notification or report required by this IA. If OIG grants the timely written request with respect to an act, notification, or report, Stipulated Penalties for failure to perform the act or file the notification or report shall not begin to accrue until one day after Arora fails to meet the revised deadline set by OIG. If OIG denies such a timely written request, Stipulated Penalties for failure to perform the act or file the notification or report shall not begin to accrue until three business days after Arora receives OIG's written denial of such request or the original due date, whichever is later. A "timely written request" is defined as a request in writing received by OIG at least five business days prior to the date by which any act is due to be performed or any notification or report is due to be filed.

C. Payment of Stipulated Penalties.

1. *Demand Letter.* If OIG determines that a basis for Stipulated Penalties under Section X.A exists, OIG shall notify Arora of: (a) Arora's failure to comply and (b) OIG's demand for payment of Stipulated Penalties. (This notification shall be referred to as the "Demand Letter.")

2. *Response to Demand Letter.* Within 15 business days after the date of the Demand Letter, Arora shall either: (a) pay the applicable Stipulated Penalties or (b) request a hearing before an HHS administrative law judge (ALJ) to dispute OIG's determination of noncompliance, pursuant to the agreed upon provisions set forth below in Section X.E.

3. *Form of Payment.* Payment of the Stipulated Penalties shall be made by electronic funds transfer to an account specified by OIG in the Demand Letter.

D. Exclusion for Material Breach.

1. *Definition of Material Breach.* A material breach of this IA means:
 - a. failure to comply with any of the requirements of this IA for which OIG has previously issued a demand for Stipulated Penalties under Section X.C, unless such Stipulated Penalty was overturned by an ALJ on appeal pursuant to the procedures described in Section X.E below;
 - b. failure to comply with Section III.C;
 - d. failure to comply with Section III.G;
 - e. failure to comply with Section V;
 - f. failure to respond to a Demand Letter for Stipulated Penalties in accordance with Section X.C;
 - g. a false statement or false certification made to OIG by or on behalf of Arora under this IA;
 - h. failure to pay Stipulated Penalties within 20 days after an ALJ issues a decision ordering Arora to pay the Stipulated Penalties or within 20 days after the HHS Departmental Appeals Board (DAB) issues a decision upholding the determination of OIG; or
 - i. failure to come into compliance with a requirement for which OIG has demanded Stipulated Penalties, pursuant to the deadlines listed in Section X.E.2.

2. *Notice of Material Breach and Intent to Exclude.* The parties agree that a material breach of this IA by Arora constitutes an independent basis for Arora's exclusion from participation in the Federal health care programs. The length of the exclusion shall be in the OIG's discretion, but not more than three years for each material breach. Upon a preliminary determination by OIG that Arora has materially breached this IA, OIG shall notify Arora of: (a) Arora's material breach and (b) OIG's intent to exclude Arora. (This notification shall be referred to as the "Notice of Material Breach and Intent to Exclude.")

3. *Response to Notice.* Arora shall have 30 days from the date of the Notice of Material Breach and Intent to Exclude to submit any information and documentation for OIG to consider before it makes a final determination regarding exclusion.

4. *Exclusion Letter.* If OIG determines that exclusion is warranted, OIG shall notify Arora in writing of its determination to exclude Arora. (This letter shall be referred to as the “Exclusion Letter.”) Subject to the Dispute Resolution provisions in Section X.E, below, the exclusion shall go into effect 30 days after the date of the Exclusion Letter. The effect of the exclusion shall be that no Federal health care program payment may be made for any items or services furnished, ordered, or prescribed by Arora, including administrative and management services, except as stated in regulations found at 42 C.F.R. 1001.1901(c). The exclusion shall have national effect. Reinstatement to program participation is not automatic. At the end of the period of exclusion, Arora may apply for reinstatement, by submitting a written request for reinstatement in accordance with the provisions at 42 C.F.R. §§ 1001.3001-.3004.

E. Dispute Resolution.

1. *Review Rights.* Upon OIG’s issuing a Demand Letter or Exclusion Letter, and as an agreed-upon remedy for the resolution of disputes arising under this IA, Arora shall be afforded certain review rights comparable to the ones that are provided in 42 U.S.C. § 1320a-7(f) and 42 C.F.R. Part 1005. Specifically, OIG’s determination to demand payment of Stipulated Penalties or to seek exclusion shall be subject to review by an HHS ALJ and, in the event of an appeal, the DAB, in a manner consistent with the provisions in 42 C.F.R. § 1005.2-1005.21, but only to the extent this IA does not provide otherwise. Notwithstanding the language in 42 C.F.R. § 1005: (a) the request for a hearing involving Stipulated Penalties shall be made within 10 days after the date of the Demand Letter and the request for a hearing involving exclusion shall be made within 25 days after the date of the Exclusion Letter and (b) no discovery shall be available to the parties. The procedures relating to the filing of a request for a hearing can be found at <http://www.hhs.gov/dab/divisions/civil/procedures/divisionprocedures.html>.

2. *Stipulated Penalties Review.* Notwithstanding any provision of Title 42 of the United States Code or Title 42 of the Code of Federal Regulations, the only issues in a proceeding for Stipulated Penalties under this IA shall be: (a) whether Arora was in full and timely compliance with the requirements of this IA for which OIG demands payment and (b) the period of noncompliance. Arora shall have the burden of proving its full and timely compliance. If the ALJ upholds the OIG’s determination that Arora has breached this IA and orders Arora to pay Stipulated Penalties, Arora must (a) come into compliance with the requirement(s) that resulted in the OIG imposing Stipulated Penalties and (b) pay the Stipulated Penalties within 20 days after the ALJ issues a decision, unless Arora properly and timely requests review of the ALJ decision by the DAB. If the ALJ decision is properly and timely appealed to the DAB and the DAB upholds the determination of OIG, Arora must (a) come into compliance with the requirement(s) that resulted in the OIG imposing Stipulated Penalties and (b) pay the Stipulated Penalties within 20 days after the DAB issues its decision.

3. *Exclusion Review.* Notwithstanding any provision of Title 42 of the United States Code or Title 42 of the Code of Federal Regulations, the only issues in a proceeding for exclusion based on a material breach of this IA shall be whether Arora was in

material breach of this IA. If the ALJ sustains the OIG's determination of material breach, the exclusion shall take effect 20 days after the ALJ issues the decision. If the DAB finds in favor of OIG after an ALJ decision adverse to OIG, the exclusion shall take effect 20 days after the DAB decision. Arora shall waive his right to any notice of such exclusion if a decision upholding the exclusion is rendered by the ALJ or DAB. If the DAB finds in favor of Arora, Arora shall be reinstated effective on the date of the exclusion.

4. *Finality of Decision.* The review by an ALJ or DAB provided for above shall not be considered to be an appeal right arising under any statutes or regulations. The parties to this IA agree that the DAB's decision (or the ALJ's decision if not appealed) shall be considered final for all purposes under this IA and Arora agrees not to seek additional review of the DAB's decision (or the ALJ's decision if not appealed) in any judicial forum.

XI. EFFECTIVE AND BINDING AGREEMENT

Arora and OIG agree as follows:

A. This IA constitutes the complete agreement between the parties and may not be amended except by written consent of the parties to this IA.

B. All requirements and remedies set forth in this IA are in addition to and do not affect: (1) Arora's responsibility to follow all applicable Federal health care program requirements or (2) the government's right to impose appropriate remedies for failure to follow applicable Federal health care program requirements.

C. The undersigned Arora signatory represents and warrants that he is authorized to execute this IA. The undersigned OIG signatories represent that they are signing this IA in their official capacity and that they are authorized to execute this IA.

D. This IA may be executed in counterparts, each of which constitutes an original and all of which constitute one and the same IA. Electronically transmitted copies of signatures shall constitute acceptable, binding signatures for purposes of this IA.

APPENDIX A

INDEPENDENT REVIEW ORGANIZATION

This Appendix contains the requirements relating to the Independent Review Organization (IRO) required by Section III.C of the IA.

A. IRO Engagement

1. Arora shall engage an IRO that possesses the qualifications set forth in Paragraph B, below, to perform the responsibilities in Paragraph C, below. The IRO shall conduct the review in a professionally independent and objective fashion, as set forth in Paragraph E. Within 30 days after OIG receives the information identified in Section V.A.2 of the IA or any additional information submitted by Arora in response to a request by OIG, whichever is later, OIG will notify Arora if the IRO is unacceptable. Absent notification from OIG that the IRO is unacceptable, Arora may continue to engage the IRO.

2. If Arora engages a new IRO during the term of the IA, that IRO must also meet the requirements of this Appendix. If a new IRO is engaged, Arora shall submit the information identified in Section V.A.2 of the IA to OIG within 30 days of engagement of the IRO. Within 30 days after OIG receives this information, or any additional information submitted by Arora at the request of OIG, whichever is later, OIG will notify Arora if the IRO is unacceptable. Absent notification from OIG that the IRO is unacceptable, Arora may continue to engage the IRO.

B. IRO Qualifications

The IRO shall:

1. assign individuals to conduct the Claims Review who have expertise in the Federal health care program requirements applicable to the claims being reviewed;

2. assign individuals to design and select the Claims Review sample who are knowledgeable about the appropriate statistical sampling techniques;

3. assign individuals to conduct the coding review portions of the Claims Review who have a nationally recognized coding certification and who have maintained this certification (e.g., completed applicable continuing education requirements);

4. assign licensed nurses or physicians with relevant education, training and specialized expertise (or other licensed health care professional acting within their scope of practice and specialized expertise) to make the medical necessity determinations required by the Claims Review; and

5. have sufficient staff and resources to conduct the reviews required by the IA on a timely basis.

C. IRO Responsibilities

The IRO shall:

1. perform each Claims Review in accordance with the specific requirements of the IA;
2. follow all applicable Federal health care program rules and reimbursement guidelines in making assessments in the Claims Review;
3. request clarification from the applicable Federal health care program if in doubt of the application of a particular program policy or regulation;
4. respond to all OIG inquiries in a prompt, objective, and factual manner; and
5. prepare timely, clear, well-written reports that include all the information required by Appendix B to the IA.

D. Arora Responsibilities

Arora shall ensure that the IRO has access to all records and personnel necessary to complete the reviews listed in Section III.C of this IA and that all records furnished to the IRO are accurate and complete.

E. IRO Independence and Objectivity

The IRO must perform each Claims Review in a professionally independent and objective fashion, as defined in the most recent Government Auditing Standards issued by the U.S. Government Accountability Office.

F. IRO Removal/Termination

1. *Arora and IRO.* If Arora terminates its IRO or if the IRO withdraws from the engagement during the term of the IA, Arora must submit a notice explaining (a) its reasons for termination of the IRO or (b) the IRO's reasons for its withdrawal to OIG no later than 30 days after termination or withdrawal. Arora must engage a new IRO in accordance with Paragraph A of this Appendix and within 60 days of termination or withdrawal of the IRO.

2. *OIG Removal of IRO.* In the event OIG has reason to believe the IRO does not possess the qualifications described in Paragraph B, is not independent and objective as set forth in Paragraph E, or has failed to carry out its responsibilities as described in Paragraph C, OIG shall notify Arora in writing regarding OIG's basis for determining that the IRO has not met the requirements of this Appendix. Arora shall have 30 days from the date of OIG's written notice to provide information regarding the IRO's qualifications, independence or performance of its responsibilities in order to resolve the concerns identified by OIG. If, following OIG's review of any information provided by Arora regarding its IRO, OIG determines that the IRO has not met

the requirements of this Appendix, OIG shall notify Arora in writing that Arora shall be required to engage a new IRO in accordance with Paragraph A of this Appendix. Arora must engage a new IRO within 60 days of receipt of OIG's written notice. The final determination as to whether or not to require Arora to engage a new IRO shall be made at the sole discretion of OIG.

APPENDIX B

CLAIMS REVIEW

A. Claims Review. The IRO shall perform the Claims Review for each of the three Reporting Periods.

1. *Definitions*.

- a. “Paid Claim” means a fee-for-service claim submitted by Arora and for which Arora has received reimbursement from the Medicare program.
- b. “Population” means all Paid Claims during the 12-month period covered by the Claims Review. In OIG’s discretion, OIG may limit the Population to one or more subset(s) of Paid Claims to be reviewed and shall notify Arora and the IRO of its selection of the Population at least 30 days prior to the end of each Reporting Period. Arora, or its IRO on behalf of Arora, may submit proposals identifying suggestions for the subset(s) of Paid Claims to be reviewed at least 120 days prior to the end of each Reporting Period. In connection with limiting the Population, OIG may consider (1) proposals submitted by Arora or its IRO, (2) information furnished to OIG regarding the results of Arora’s internal risk assessment and internal auditing, or (3) other information obtained by OIG. The determination of whether, and in what manner, to limit the Population shall be made at the sole discretion of OIG.
- c. “Overpayment” means the amount of money Arora has received in excess of the amount due and payable under Medicare program requirements, as determined by the IRO in connection with the Claims Review performed under this Appendix.
- d. “Error Rate” means the percentage of net Overpayments identified in the Claims Review Sample. The net Overpayment shall be calculated by subtracting all underpayments identified in the Claims Review Sample from all Overpayments identified in the Claims Review Sample. The Error Rate is calculated by dividing the net Overpayment by the total dollar amount associated with the Paid Claims in the Claims Review Sample.

2. *Claims Review Sample*. The IRO shall select a random sample of 100 Paid Claims (Claims Review Sample). The IRO shall review the Paid Claims based on Arora’s documentation and the applicable Medicare program requirements to determine whether the items and services furnished were medically necessary and appropriately documented, and whether the claim was correctly coded, submitted, and reimbursed.

3. *Other Requirements*.

- a. Supplemental Materials. The IRO shall request all documentation required for its review of the Paid Claims in the Claims Review Sample and Arora shall furnish such documentation to the IRO prior to the IRO initiating its review of the Claims Review Sample. If the IRO accepts any supplemental documentation from Arora after the IRO has completed its initial review of the Claims Review Sample (Supplemental Materials), the IRO shall include the following in the Claims Review Report: (i) a description of the Supplemental Materials, (ii) the date the Supplemental Materials were accepted, (iii) the IRO's reason(s) for accepting the Supplemental Materials, and (iv) the relative weight the IRO gave to the Supplemental Materials in its review.
- b. Paid Claims without Supporting Documentation. Any Paid Claim for which Arora cannot produce documentation shall be considered an error and the total reimbursement received by Arora for such Paid Claim shall be deemed an Overpayment. Replacement sampling for Paid Claims without documentation is not permitted.
- c. Use of First Sample Drawn. The first set of Paid Claims selected shall be used for the Claims Review Sample (*i.e.*, it is not permissible to generate more than one list of random samples and then select one for use).

4. *Repayment of Estimated Overpayment.* The findings of the Claims Review Sample shall be used by the IRO to estimate the actual Overpayment in the Population with the point estimate and a two-sided 90% confidence interval. Within 60 days of receipt of the Claims Review Report, Arora shall repay the lower limit of the two-sided 90% confidence interval (Estimated Overpayment) to the Centers for Medicare and Medicaid Services (CMS). Documentation of Arora's refund of the Estimated Overpayment to CMS shall be submitted to OIG with Arora's Annual Report. OIG, in its sole discretion, may refer the findings of the Claims Review Sample to CMS for appropriate follow up.

B. Claims Review Report. The IRO shall prepare a Claims Review Report for each Claims Review that includes the following information:

- 1. *Claims Review Methodology.*
 - a. Claims Review Objective. A statement of the objective intended to be achieved by the Claims Review.
 - b. Claims Review Population. A description of the Population subject to the Claims Review.
 - c. Source of Data. A description of (1) the process used to identify Paid Claims in the Population and (2) the specific documentation and other information sources relied on by the IRO when performing the Claims Review (*e.g.*, medical records, physician orders, certificates of medical

necessity, requisition forms, local medical review policies (including title and policy number), CMS program memoranda (including title and issuance number), Medicare carrier or intermediary manual or bulletins (including issue and date), other policies, regulations, or directives).

- d. Review Protocol. A narrative description of how the Claims Review was conducted and what was evaluated.
- e. Supplemental Materials. The information regarding any Supplemental Materials required by A.3.a., above.

2. *Statistical Sampling Documentation.*

- a. A copy of the printout of the random numbers generated by the “Random Numbers” function of the statistical sampling software used by the IRO.
- b. A description or identification of the statistical sampling software package used by the IRO.

3. *Claims Review Findings.*

- a. Narrative Results.
 - i. A description of Arora’s billing and coding system(s), including the identification, by position description, of the personnel involved in coding and billing.
 - ii. A description of controls in place at Arora to ensure that all items and services furnished by Arora are correctly coded, appropriately documented, and medically necessary.
 - iii. A narrative explanation of the results of the IRO’s review of the Claims Review Sample, including an explanation of all errors identified by the IRO.
- b. Quantitative Results.
 - i. Total number and percentage of instances in which the IRO determined that the coding of the Paid Claims submitted by Arora differed from what should have been the correct coding.
 - ii. Total number and percentage of instances in which the IRO determined that a Paid Claim was not appropriately documented.
 - iii. Total number and percentage of instances in which the IRO determined that a Paid Claim was for items or services that were not medically necessary.

- iv. Total dollar amount of Paid Claims included in the Claims Review Sample and the net Overpayment associated with the Claims Review Sample.

and
 - 11. The dollar difference between allowed amount reimbursed by payor and the correct allowed amount.
- c. Recommendations. The IRO's report shall include any recommendations for improvements to Arora's billing and coding system or to Arora's controls for ensuring that all items and services billed to the Medicare program by Arora are correctly coded, appropriately documented, and medically necessary, based on the findings of the Claims Review.

4. *Credentials*. The names and credentials of the individuals who: (1) designed the statistical sampling procedures and the review methodology utilized for the Claims Review and (2) performed the Claims Review.
