45 CFR Part 61
RIN 0906–AA46
Health Care Fraud and Abuse Data Collection Program: Reporting of Final Adverse Actions; Correction
AGENCY: Office of Inspector General (OIG), HHS.
ACTION: Final rule; correction amendment.
SUMMARY: This document contains a correction to the final regulations which were published in the Federal Register
on Tuesday, October 26, 1999 (64 FR 57740). These regulations established a national health care fraud and abuse
data collection program for the reporting and disclosing of certain final adverse actions taken against health care
providers, suppliers and practitioners, and for maintaining a data base of final adverse actions taken against health care
providers, suppliers and practitioners. An inadvertent error appeared in the text of the regulations concerning when
the subject of a report, or a designated representative, may dispute the accuracy of the report. As a result, we are
making a correction to 42 CFR 61.15(a) to assure the technical correctness of these regulations.
EFFECTIVE DATE: December 20, 1999.

FOR FURTHER INFORMATION CONTACT: Joel Schaer, (202) 619–0089, OIG Regulations Officer.
SUPPLEMENTARY INFORMATION: The HHS Office of Inspector General (OIG) issued final regulations on October 26, 1999
(64 FR 57740) that established a national health care fraud and abuse data collection program—the Healthcare
Integrity and Protection Data Bank (HIPDB)—for the reporting and disclosing of certain final adverse actions taken against health care
providers, suppliers and practitioners, and for maintaining a data base of final adverse actions taken against health care
providers, suppliers and practitioners. The final rule established a new 45 CFR part 61 to implement the requirements
for reporting of specific data elements to, and procedures for obtaining information from, the HIPDB. In that
final rule, an inadvertent error appeared in § 61.15 of the regulations and is now being corrected.

In § 61.15, addressing how to dispute the accuracy of HIPDB information, the regulatory language incorrectly
indicated that the subject of a report, or his her or its designated representative, was limited to 60 calendar days from
receipt of the report to dispute the report’s accuracy. The intent of this correction is to clarify that the subject
or designated representative may amend the report at any period in time. As indicated in the preamble of the final
rule that outlined the procedures for obtaining access to a report, submitting a statement, filing a dispute and revising
disputed information, the Secretary is exempting the HIPDB from the Department’s Privacy Act regulation
requirements (45 CFR part 5b) in order to establish a more comprehensive and generous notice, access and
correction procedure. The inadvertent language did not appear in the preamble or in other provisions of the regulations
text. To be consistent with the preamble and the regulatory provisions of the final rule, we are correcting an
inadvertent error that appeared in § 61.15(a). In addition, we are also clarifying § 61.15(a) by making cross—reference
to the access rights afforded the subject of a report as set forth in § 61.12(a)(3).

List of Subjects in 45 CFR Part 61
Billing and transportation services, Durable medical equipment suppliers and manufacturers, Health care insurers,
Health maintenance organizations, Health professions, Home health care agencies, Hospitals, Penalties,
Pharmaceutical suppliers and manufacturers, Privacy, Reporting and recordkeeping requirements, Skilled
nursing facilities.

Accordingly, 45 CFR part 61 is corrected by making the following correcting amendment:

PART 61—HEALTHCARE INTEGRITY AND PROTECTION DATA BANK FOR FINAL ADVERSE INFORMATION ON
HEALTH CARE PROVIDERS, SUPPLIERS AND PRACTITIONERS

1. The authority citation for part 61 continues to read as follows:
Authority: 42 U.S.C. 1320a–7e.

2. Section 61.15 is amended by revising paragraph (a) to read as follows:
§ 61.15 How to dispute the accuracy of Healthcare Integrity and Protection Data Bank information.
(a) Who may dispute the HIPDB information. The HIPDB will routinely
mail or transmit electronically to the subject a copy of the report filed in the HIPDB. In addition, as indicated in
§ 61.12(a)(3), the subject may also request a copy of such report. The subject of the report or a designated
representative may dispute the accuracy of a report concerning himself, herself or itself as set forth in paragraph (b) of
this section.
