Stephen McDonald, Director
Medicaid Fraud Control Unit
Office of the Attorney General
820 N French Street, 5th Floor
Wilmington, Delaware 19801

Dear Mr. McDonald:

The Office of Inspector General (OIG) has reviewed the recertification package submitted by the Delaware Medicaid Fraud Control Unit (Unit), including the Unit's performance narrative and the responses to the director's questionnaire. We also reviewed the Unit's Annual Statistical Report data as well as the responses to the questionnaires that we submitted to OIG's Office of Investigations, Philadelphia Regional Office and the Delaware Department of Health and Social Services, Division of Medicaid & Medical Assistance.

We have concluded that the Delaware Unit meets the Federal requirements for operation of a Medicaid Fraud Control Unit and recertify the Unit for a one-year period beginning April 1, 2026, and ending March 31, 2027.

Should you have any questions or concerns regarding your Unit's recertification, please contact Matt DeFraga of my staff at Matt.Defraga@oig.hhs.gov.

Sincerely,
