A. Compliance Officer, Compliance Committee, and Management Compliance Obligations

1. Compliance Officer. Within 90 days after the Effective Date, 365 Hospice shall appoint a Compliance Officer and shall maintain a Compliance Officer for the term of the CIA. The Compliance Officer shall be an employee and a member of senior management of 365 Hospice, shall report directly to the Chief Executive Officer of 365 Hospice, and shall not be or be subordinate to the General Counsel or Chief Financial Officer or have any responsibilities that involve acting in any capacity as legal counsel or supervising legal counsel functions for 365 Hospice. The Compliance Officer shall be responsible for, without limitation:

   a. developing and implementing policies, procedures, and practices designed to ensure compliance with the requirements set forth in this CIA and with Federal health care program requirements; and

   b. monitoring the day-to-day compliance activities engaged in by 365 Hospice as well as any reporting obligations created under this CIA.

Any noncompliance job responsibilities of the Compliance Officer shall be limited and must not interfere with the Compliance Officer's ability to perform the duties outlined in this CIA.

365 Hospice shall report to OIG, in writing, any changes in the identity of the Compliance Officer, or any actions or changes that would affect the Compliance Officer’s ability to perform the duties necessary to meet the obligations in this CIA, within five days after such a change.

The Compliance Committee shall, at a minimum, include the Compliance Officer and other members of senior management necessary to meet the requirements of this CIA (e.g., senior executives of relevant departments, such as billing, clinical, human resources, audit, and operations). The
Compliance Officer shall chair the Compliance Committee and the Committee shall support the Compliance Officer in fulfilling his/her responsibilities (e.g., shall assist in the analysis of 365 Hospice’s risk areas and shall oversee monitoring of internal and external audits and investigations). The Compliance Committee shall meet at least quarterly. The minutes of the Compliance Committee meetings shall be made available to OIG upon request.

365 Hospice shall report to OIG, in writing, any actions or changes that would affect the Compliance Committee’s ability to perform the duties necessary to meet the obligations in this CIA, within 15 days after such a change.

3. Management Certifications. In addition to the responsibilities set forth in this CIA for all Covered Persons, certain 365 Hospice employees (Certifying Employees) are expected to monitor and oversee activities within their areas of authority and shall annually certify that the applicable 365 Hospice department is in compliance with applicable Federal health care program requirements and the obligations of this CIA. These Certifying Employees shall include, at a minimum, the following: Chief Executive Officer, Chief Financial Officer, Billing Manager, Human Resources Manager, Regional Clinical Manager, Executive Directors, Patient Care Administrators, and Clinical Supervisors. For each Reporting Period, each Certifying Employee shall sign a certification that states:

“I have been trained on and understand the compliance requirements and responsibilities as they relate to [insert name of department], an area under my supervision. My job responsibilities include ensuring compliance with regard to the [insert name of department] with all applicable Federal health care program requirements, obligations of the Corporate Integrity Agreement, and 365 Hospice policies, and I have taken steps to promote such compliance. To the best of my knowledge, the [insert name of department] of 365 Hospice is in compliance with all applicable Federal health care program requirements and the obligations of the Corporate Integrity Agreement. I understand that this certification is being provided to and relied upon by the United States.”

If any Certifying Employee is unable to provide such a certification, the Certifying Employee shall provide a written explanation of the reasons why he or she is unable to provide the certification outlined above.
B. Written Standards

Within 90 days after the Effective Date, 365 Hospice shall develop and implement written policies and procedures regarding the operation of its compliance program, including the compliance program requirements outlined in this CIA and 365 Hospice’s compliance with Federal health care program requirements (Policies and Procedures). Throughout the term of this CIA, 365 Hospice shall enforce its Policies and Procedures and shall make compliance with its Policies and Procedures an element of evaluating the performance of all employees. The Policies and Procedures shall be made available to all Covered Persons.

At least annually (and more frequently, if appropriate), 365 Hospice shall assess and update, as necessary, the Policies and Procedures. Any new or revised Policies and Procedures shall be made available to all Covered Persons.

All Policies and Procedures shall be made available to OIG upon request.

C. Training and Education

1. Covered Persons Training. Within 90 days after the Effective Date, 365 Hospice shall develop a written plan (Training Plan) that outlines the steps 365 Hospice will take to ensure that all Covered Persons receive at least annual training regarding 365 Hospice’s CIA requirements and Compliance Program and the applicable Federal health care program requirements, including the requirements of the Anti-Kickback Statute and the Stark Law. The Training Plan shall include information regarding the following: training topics, categories of Covered Persons required to attend each training session, length of the training session(s), schedule for training, and format of the training. 365 Hospice shall furnish training to its Covered Persons pursuant to the Training Plan during each Reporting Period.

2. Training Records. 365 Hospice shall make available to OIG, upon request, training materials and records verifying that Covered Persons have timely received the training required under this section.

D. Review Procedures

1. General Description

a. Engagement of Independent Review Organization. Within 90 days after the Effective Date, 365 Hospice shall engage an
entity (or entities), such as an accounting, auditing, or consulting firm (hereinafter “Independent Review Organization” or “IRO”), to perform the reviews listed in this Section III.D. The applicable requirements relating to the IRO are outlined in Appendix A to this CIA, which is incorporated by reference.

b. *Retention of Records.* The IRO and 365 Hospice shall retain and make available to OIG, upon request, all work papers, supporting documentation, correspondence, and draft reports (those exchanged between the IRO and 365 Hospice) related to the reviews.

2. **Claims Review.** The IRO shall review claims submitted by 365 Hospice and reimbursed by the Medicare and Medicaid programs, to determine whether the items and services furnished were medically necessary and appropriately documented and whether the claims were correctly coded, submitted and reimbursed (Claims Review) and shall prepare a Claims Review Report, as outlined in Appendix B to this CIA, which is incorporated by reference.

3. **Independence and Objectivity Certification.** The IRO shall include in its report(s) to 365 Hospice a certification that the IRO has (a) evaluated its professional independence and objectivity with respect to the reviews required under this Section III.D and (b) concluded that it is, in fact, independent and objective, in accordance with the requirements specified in Appendix A to this CIA. The IRO’s certification shall include a summary of all current and prior engagements between 365 Hospice and the IRO.

E. **Risk Assessment and Internal Review Process**

Within 90 days after the Effective Date, 365 Hospice shall develop and implement a centralized annual risk assessment and internal review process to identify and address risks associated with 365 Hospice’s participation in the Federal health care programs, including but not limited to the risks associated with the submission of claims for items and services furnished to Medicare and Medicaid program beneficiaries. The risk assessment and internal review process shall require compliance, legal, and department leaders, at least annually, to: (1) identify and prioritize risks, (2) develop internal audit work plans related to the identified risk areas, (3) implement the internal audit work plans, (4) develop corrective action plans in response to the results of any internal audits performed, and (5) track the implementation of the corrective action plans in order to
assess the effectiveness of such plans. 365 Hospice shall maintain the risk assessment and internal review process for the term of the CIA.

F. Disclosure Program

Within 90 days after the Effective Date, 365 Hospice shall establish a Disclosure Program that includes a mechanism (e.g., a toll-free compliance telephone line) to enable individuals to disclose, to the Compliance Officer or some other person who is not in the disclosing individual’s chain of command, any identified issues or questions associated with 365 Hospice’s policies, conduct, practices, or procedures with respect to a Federal health care program believed by the individual to be a potential violation of criminal, civil, or administrative law. 365 Hospice shall appropriately publicize the existence of the disclosure mechanism (e.g., via periodic e-mails to employees or by posting the information in prominent common areas).

The Disclosure Program shall emphasize a nonretribution, nonretaliation policy and shall include a reporting mechanism for anonymous communications for which appropriate confidentiality shall be maintained. The Disclosure Program also shall include a requirement that all of 365 Hospice’s Covered Persons shall be expected to report suspected violations of any Federal health care program requirements to the Compliance Officer or other appropriate individual designated by 365 Hospice. Upon receipt of a disclosure, the Compliance Officer (or designee) shall gather all relevant information from the disclosing individual. The Compliance Officer (or designee) shall make a preliminary, good faith inquiry into the allegations set forth in every disclosure to ensure that he or she has obtained all of the information necessary to determine whether a further review should be conducted. For any disclosure that is sufficiently specific so that it reasonably: (1) permits a determination of the appropriateness of the alleged improper practice; and (2) provides an opportunity for taking corrective action, 365 Hospice shall conduct an internal review of the allegations set forth in the disclosure and ensure that proper follow-up is conducted.

The Compliance Officer (or designee) shall maintain a disclosure log and shall record each disclosure in the disclosure log within two business days of receipt of the disclosure. The disclosure log shall include a summary of each disclosure received (whether anonymous or not), the status of the respective internal reviews, and any corrective action taken in response to the internal reviews.

G. Ineligible Persons

1. Definitions. For purposes of this CIA:

Corporation Integrity Agreement
365 Hospice, LLC and John Rezk

6
a. an "Ineligible Person" shall include an individual or entity who:

i. is currently excluded from participation in any Federal health care program; or

ii. has been convicted of a criminal offense that falls within the scope of 42 U.S.C. § 1320a-7(a), but has not yet been excluded.

b. "Exclusion List" means the HHS/OIG List of Excluded Individuals/Entities (LEIE) (available through the Internet at [http://www.oig.hhs.gov](http://www.oig.hhs.gov)).

2. Screening Requirements. 365 Hospice shall ensure that all prospective and current Covered Persons are not Ineligible Persons, by implementing the following screening requirements.

a. 365 Hospice shall screen all prospective Covered Persons against the Exclusion List prior to engaging their services and, as part of the hiring or contracting process, shall require such Covered Persons to disclose whether they are Ineligible Persons.

b. 365 Hospice shall screen all current Covered Persons against the Exclusion List within 90 days after the Effective Date and on a monthly basis thereafter.

c. 365 Hospice shall implement a policy requiring all Covered Persons to disclose immediately if they become an Ineligible Person.

Nothing in this Section III.G affects 365 Hospice's responsibility to refrain from (and liability for) billing Federal health care programs for items or services furnished, ordered, or prescribed by an excluded person. 365 Hospice understands that items or services furnished, ordered, or prescribed by excluded persons are not payable by Federal health care programs and that 365 Hospice may be liable for overpayments and/or criminal, civil, and administrative sanctions for employing or contracting with an excluded person regardless of whether 365 Hospice meets the requirements of Section III.G.

*Corporate Integrity Agreement*
*365 Hospice, LLC and John Rezk*
3. **Removal Requirement.** If 365 Hospice has actual notice that a Covered Person has become an Ineligible Person, 365 Hospice shall remove such Covered Person from responsibility for, or involvement with, 365 Hospice’s business operations related to the Federal health care program(s) from which such Covered Person has been excluded and shall remove such Covered Person from any position for which the Covered Person’s compensation or the items or services furnished, ordered, or prescribed by the Covered Person are paid in whole or part, directly or indirectly, by any Federal health care program(s) from which the Covered Person has been excluded at least until such time as the Covered Person is reinstated into participation in such Federal health care program(s).

4. **Pending Charges and Proposed Exclusions.** If 365 Hospice has actual notice that a Covered Person is charged with a criminal offense that falls within the scope of 42 U.S.C. §§ 1320a-7(a), 1320a-7(b)(1)-(3), or is proposed for exclusion during the Covered Person’s employment or contract term, 365 Hospice shall take all appropriate actions to ensure that the responsibilities of that Covered Person have not and shall not adversely affect the quality of care rendered to any beneficiary or the accuracy of any claims submitted to any Federal health care program.

**H. Notification of Government Investigation or Legal Proceeding**

Within 30 days after discovery, 365 Hospice shall notify OIG, in writing, of any ongoing investigation or legal proceeding known to 365 Hospice conducted or brought by a governmental entity or its agents involving an allegation that 365 Hospice has committed a crime or has engaged in fraudulent activities. This notification shall include a description of the allegation, the identity of the investigating or prosecuting agency, and the status of such investigation or legal proceeding. 365 Hospice also shall provide written notice to OIG within 30 days after the resolution of the matter and a description of the findings and/or results of the investigation or proceeding, if any.

**I. Overpayments**

1. **Definition of Overpayment.** An “Overpayment” means any funds that 365 Hospice receives or retains under any Federal health care program to which 365 Hospice, after applicable reconciliation, is not entitled under such Federal health care program.

2. **Overpayment Policies and Procedures.** Within 90 days after the Effective Date, 365 Hospice shall develop and implement written policies and procedures
regarding the identification, quantification, and repayment of Overpayments received from any Federal health care program.

J. **Reportable Events**

1. **Definition of Reportable Event.** For purposes of this CIA, a "Reportable Event" means anything that involves:

   a. a substantial Overpayment;

   b. a matter that a reasonable person would consider a probable violation of criminal, civil, or administrative laws applicable to any Federal health care program for which penalties or exclusion may be authorized;

   c. the employment of or contracting with a Covered Person who is an Ineligible Person as defined by Section III.G.1.a; or

   d. the filing of a bankruptcy petition by 365 Hospice.

A Reportable Event may be the result of an isolated event or a series of occurrences.

2. **Reporting of Reportable Events.** If 365 Hospice determines (after a reasonable opportunity to conduct an appropriate review or investigation of the allegations) through any means that there is a Reportable Event, 365 Hospice shall notify OIG, in writing, within 30 days after making the determination that the Reportable Event exists.

3. **Reportable Events under Section III.J.1.a and III.J.1.b.** For Reportable Events under Section III.J.1.a and b, the report to OIG shall include:

   a. a complete description of all details relevant to the Reportable Event, including, at a minimum, the types of claims, transactions or other conduct giving rise to the Reportable Event; the period during which the conduct occurred; and the names of individuals and entities believed to be implicated, including an explanation of their roles in the Reportable Event;
b. a statement of the Federal criminal, civil or administrative laws that are probably violated by the Reportable Event, if any;

d. a description of the steps taken by 365 Hospice to identify and quantify any Overpayments; and

e. a description of 365 Hospice's actions taken to correct the Reportable Event and prevent it from recurring.

If the Reportable Event involves an Overpayment, within 60 days of identification of the Overpayment, 365 Hospice shall repay the Overpayment, in accordance with the requirements of 42 U.S.C. § 1320a-7k(d) and 42 C.F.R. § 401.301-305 (and any applicable CMS guidance) and provide OIG with a copy of the notification and repayment.

4. **Reportable Events under Section III.J.1.c.** For Reportable Events under Section III.J.1.c, the report to OIG shall include:

a. the identity of the Ineligible Person and the job duties performed by that individual;

b. the dates of the Ineligible Person's employment or contractual relationship;

c. a description of the Exclusion List screening that 365 Hospice completed before and/or during the Ineligible Person's employment or contract and any flaw or breakdown in the screening process that led to the hiring or contracting with the Ineligible Person;

d. a description of how the Ineligible Person was identified; and

e. a description of any corrective action implemented to prevent future employment or contracting with an Ineligible Person.
5. **Reportable Events under Section III.J.1.d.** For Reportable Events under Section III.J.1.d, the report to OIG shall include documentation of the bankruptcy filing and a description of any Federal health care program requirements implicated.

6. **Reportable Events Involving the Stark Law.** Notwithstanding the reporting requirements outlined above, any Reportable Event that involves solely a probable violation of section 1877 of the Social Security Act, 42 U.S.C. §1395nn (the Stark Law) should be submitted by 365 Hospice to the Centers for Medicare & Medicaid Services (CMS) through the self-referral disclosure protocol (SRDP), with a copy to the OIG. If 365 Hospice identifies a probable violation of the Stark Law and repays the applicable Overpayment directly to the CMS contractor, then 365 Hospice is not required by this Section III.J to submit the Reportable Event to CMS through the SRDP.

**IV. SUCCESSOR LIABILITY**

In the event that, after the Effective Date, 365 Hospice proposes to (a) sell any or all of its business, business units, or locations (whether through a sale of assets, sale of stock, or other type of transaction) relating to the furnishing of items or services that may be reimbursed by a Federal health care program, or (b) purchase or establish a new business, business unit, or location relating to the furnishing of items or services that may be reimbursed by a Federal health care program, the CIA shall be binding on the purchaser of any business, business unit, or location and any new business, business unit, or location (and all Covered Persons at each new business, business unit, or location) shall be subject to the applicable requirements of this CIA, unless otherwise determined and agreed to in writing by OIG.

If, in advance of a proposed sale or a proposed purchase, 365 Hospice wishes to obtain a determination by OIG that the proposed purchaser or the proposed acquisition will not be subject to the requirements of the CIA, 365 Hospice must notify OIG in writing of the proposed sale or purchase at least 30 days in advance. This notification shall include a description of the business, business unit, or location to be sold or purchased, a brief description of the terms of the transaction and, in the case of a proposed sale, the name and contact information of the prospective purchaser.

   j. policies and procedures regarding the repayment of Overpayments; and
   
   k. reporting of Reportable Events.

2. A Stipulated Penalty of $2,500 (which shall begin to accrue on the day after the date the obligation became due) for each day 365 Hospice fails to engage and use an IRO, as required by Section III.D, Appendix A, or Appendix B.

3. A Stipulated Penalty of $2,500 (which shall begin to accrue on the day after the date the obligation became due) for each day 365 Hospice fails to submit a complete Implementation Report, Annual Report or any certification to OIG in accordance with the requirements of Section V by the deadlines for submission.

4. A Stipulated Penalty of $2,500 (which shall begin to accrue on the day after the date the obligation became due) for each day 365 Hospice fails to submit any Claims Review Report in accordance with the requirements of Section III.D and
Appendix B or fails to repay any Overpayment identified by the IRO, as required by Appendix B.

5. A Stipulated Penalty of $1,500 for each day 365 Hospice fails to grant access as required in Section VII. (This Stipulated Penalty shall begin to accrue on the date 365 Hospice fails to grant access.)

6. A Stipulated Penalty of $50,000 for each false certification submitted by or on behalf of 365 Hospice as part of its Implementation Report, any Annual Report, additional documentation to a report (as requested by the OIG), or otherwise required by this CIA.

7. A Stipulated Penalty of $1,000 for each day 365 Hospice fails to comply fully and adequately with any obligation of this CIA. OIG shall provide notice to 365 Hospice stating the specific grounds for its determination that 365 Hospice has failed to comply fully and adequately with the CIA obligation(s) at issue and steps 365 Hospice shall take to comply with the CIA. (This Stipulated Penalty shall begin to accrue 10 days after the date 365 Hospice receives this notice from OIG of the failure to comply.) A Stipulated Penalty as described in this Subsection shall not be demanded for any violation for which OIG has sought a Stipulated Penalty under Subsections 1-6 of this Section.

B. Timely Written Requests for Extensions

365 Hospice may, in advance of the due date, submit a timely written request for an extension of time to perform any act or file any notification or report required by this CIA. Notwithstanding any other provision in this Section, if OIG grants the timely written request with respect to an act, notification, or report, Stipulated Penalties for failure to perform the act or file the notification or report shall not begin to accrue until one day after 365 Hospice fails to meet the revised deadline set by OIG. Notwithstanding any other provision in this Section, if OIG denies such a timely written request, Stipulated Penalties for failure to perform the act or file the notification or report shall not begin to accrue until three days after 365 Hospice receives OIG's written denial of such request or the original due date, whichever is later. A "timely written request" is defined as a request in writing received by OIG at least five days prior to the date by which any act is due to be performed or any notification or report is due to be filed.

C. Payment of Stipulated Penalties

1. Demand Letter. Upon a finding that 365 Hospice has failed to comply with any of the obligations described in Section X.A and after determining that

*Corporate Integrity Agreement*
*365 Hospice, LLC and John Rezk*
Stipulated Penalties are appropriate, OIG shall notify 365 Hospice of: (a) 365 Hospice’s failure to comply; and (b) OIG’s exercise of its contractual right to demand payment of the Stipulated Penalties. (This notification shall be referred to as the “Demand Letter.”)

2. Response to Demand Letter. Within 10 days after the receipt of the Demand Letter, 365 Hospice shall either: (a) cure the breach to OIG’s satisfaction and pay the applicable Stipulated Penalties or (b) request a hearing before an HHS administrative law judge (ALJ) to dispute OIG’s determination of noncompliance, pursuant to the agreed upon provisions set forth below in Section X.E. In the event 365 Hospice elects to request an ALJ hearing, the Stipulated Penalties shall continue to accrue until 365 Hospice cures, to OIG’s satisfaction, the alleged breach in dispute. Failure to respond to the Demand Letter in one of these two manners within the allowed time period shall be considered a material breach of this CIA and shall be grounds for exclusion under Section X.D.

3. Form of Payment. Payment of the Stipulated Penalties shall be made by electronic funds transfer to an account specified by OIG in the Demand Letter.

4. Independence from Material Breach Determination. Except as set forth in Section X.D.1.c, these provisions for payment of Stipulated Penalties shall not affect or otherwise set a standard for OIG’s decision that 365 Hospice has materially breached this CIA, which decision shall be made at OIG’s discretion and shall be governed by the provisions in Section X.D, below.

D. Exclusion for Material Breach of this CIA

1. Definition of Material Breach. A material breach of this CIA means:

   a. repeated violations or a flagrant violation of any of the obligations under this CIA, including, but not limited to, the obligations addressed in Section X.A;

   b. a failure by 365 Hospice to report a Reportable Event, take corrective action, or make the appropriate refunds, as required in Section III.J;

   c. a failure to respond to a Demand Letter concerning the payment of Stipulated Penalties in accordance with Section X.C; or
d. a failure to engage and use an IRO in accordance with Section III.D, Appendix A, or Appendix B.

2. **Notice of Material Breach and Intent to Exclude.** The parties agree that a material breach of this CIA by 365 Hospice constitutes an independent basis for 365 Hospice’s exclusion from participation in the Federal health care programs. The length of the exclusion shall be in the OIG’s discretion, but not more than five years per material breach. Upon a determination by OIG that 365 Hospice has materially breached this CIA and that exclusion is the appropriate remedy, OIG shall notify 365 Hospice of: (a) 365 Hospice’s material breach; and (b) OIG’s intent to exercise its contractual right to impose exclusion. (This notification shall be referred to as the “Notice of Material Breach and Intent to Exclude.”)

3. **Opportunity to Cure.** 365 Hospice shall have 30 days from the date of receipt of the Notice of Material Breach and Intent to Exclude to demonstrate that:
   
   a. the alleged material breach has been cured; or
   
   b. the alleged material breach cannot be cured within the 30 day period, but that: (i) 365 Hospice has begun to take action to cure the material breach; (ii) 365 Hospice is pursuing such action with due diligence; and (iii) 365 Hospice has provided to OIG a reasonable timetable for curing the material breach.

4. **Exclusion Letter.** If, at the conclusion of the 30 day period, 365 Hospice fails to satisfy the requirements of Section X.D.3, OIG may exclude 365 Hospice from participation in the Federal health care programs. OIG shall notify 365 Hospice in writing of its determination to exclude 365 Hospice. (This letter shall be referred to as the “Exclusion Letter.”) Subject to the Dispute Resolution provisions in Section X.E, below, the exclusion shall go into effect 30 days after the date of 365 Hospice’s receipt of the Exclusion Letter. The exclusion shall have national effect. Reinstatement to program participation is not automatic. At the end of the period of exclusion, 365 Hospice may apply for reinstatement by submitting a written request for reinstatement in accordance with the provisions at 42 C.F.R. §§ 1001.3001–.3004.

E. **Dispute Resolution**

1. **Review Rights.** Upon OIG’s delivery to 365 Hospice of its Demand Letter or of its Exclusion Letter, and as an agreed-upon contractual remedy for the resolution of disputes arising under this CIA, 365 Hospice shall be afforded certain
review rights comparable to the ones that are provided in 42 U.S.C. § 1320a-7(f) and 42 C.F.R. Part 1005 as if they applied to the Stipulated Penalties or exclusion sought pursuant to this CIA. Specifically, OIG’s determination to demand payment of Stipulated Penalties or to seek exclusion shall be subject to review by an HHS ALJ and, in the event of an appeal, the HHS Departmental Appeals Board (DAB), in a manner consistent with the provisions in 42 C.F.R. § 1005.2-1005.21. Notwithstanding the language in 42 C.F.R. § 1005.2(c), the request for a hearing involving Stipulated Penalties shall be made within 10 days after receipt of the Demand Letter and the request for a hearing involving exclusion shall be made within 25 days after receipt of the Exclusion Letter. The procedures relating to the filing of a request for a hearing can be found at http://www.hhs.gov/dab/divisions/civil/procedures/divisionprocedures.html

2. **Stipulated Penalties Review.** Notwithstanding any provision of Title 42 of the United States Code or Title 42 of the Code of Federal Regulations, the only issues in a proceeding for Stipulated Penalties under this CIA shall be: (a) whether 365 Hospice was in full and timely compliance with the obligations of this CIA for which OIG demands payment; and (b) the period of noncompliance. 365 Hospice shall have the burden of proving its full and timely compliance and the steps taken to cure the noncompliance, if any. OIG shall not have the right to appeal to the DAB an adverse ALJ decision related to Stipulated Penalties. If the ALJ agrees with OIG with regard to a finding of a breach of this CIA and orders 365 Hospice to pay Stipulated Penalties, such Stipulated Penalties shall become due and payable 20 days after the ALJ issues such a decision unless 365 Hospice requests review of the ALJ decision by the DAB. If the ALJ decision is properly appealed to the DAB and the DAB upholds the determination of OIG, the Stipulated Penalties shall become due and payable 20 days after the DAB issues its decision.

3. **Exclusion Review.** Notwithstanding any provision of Title 42 of the United States Code or Title 42 of the Code of Federal Regulations, the only issues in a proceeding for exclusion based on a material breach of this CIA shall be whether 365 Hospice was in material breach of this CIA and, if so, whether:

a. 365 Hospice cured such breach within 30 days of its receipt of the Notice of Material Breach; or

b. the alleged material breach could not have been cured within the 30 day period, but that, during the 30 day period following 365 Hospice’s receipt of the Notice of Material Breach: (i) 365 Hospice had begun to take action to cure the

material breach; (ii) 365 Hospice pursued such action with due diligence; and (iii) 365 Hospice provided to OIG a reasonable timetable for curing the material breach.

For purposes of the exclusion herein, exclusion shall take effect only after an ALJ decision favorable to OIG, or, if the ALJ rules for 365 Hospice, only after a DAB decision in favor of OIG. 365 Hospice’s election of its contractual right to appeal to the DAB shall not abrogate OIG’s authority to exclude 365 Hospice upon the issuance of an ALJ’s decision in favor of OIG. If the ALJ sustains the determination of OIG and determines that exclusion is authorized, such exclusion shall take effect 20 days after the ALJ issues such a decision, notwithstanding that 365 Hospice may request review of the ALJ decision by the DAB. If the DAB finds in favor of OIG after an ALJ decision adverse to OIG, the exclusion shall take effect 20 days after the DAB decision. 365 Hospice shall waive its right to any notice of such an exclusion if a decision upholding the exclusion is rendered by the ALJ or DAB. If the DAB finds in favor of 365 Hospice, 365 Hospice shall be reinstated effective on the date of the original exclusion.

4. Finality of Decision. The review by an ALJ or DAB provided for above shall not be considered to be an appeal right arising under any statutes or regulations. Consequently, the parties to this CIA agree that the DAB’s decision (or the ALJ’s decision if not appealed) shall be considered final for all purposes under this CIA.

XI. EFFECTIVE AND BINDING AGREEMENT

365 Hospice and OIG agree as follows:

A. This CIA shall become final and binding on the date the final signature is obtained on the CIA.

B. This CIA constitutes the complete agreement between the parties and may not be amended except by written consent of the parties to this CIA.

C. OIG may agree to a suspension of 365 Hospice’s obligations under this CIA based on a certification by 365 Hospice that it is no longer providing health care items or services that will be billed to any Federal health care program and it does not have any ownership or control interest, as defined in 42 U.S.C. §1320a-3, in any entity that bills any Federal health care program. If 365 Hospice is relieved of its CIA obligations, 365 Hospice shall be required to notify OIG in writing at least 30 days in advance if 365 Hospice plans to resume providing health care items or services that are billed to any Federal health care program or to obtain an ownership or control interest in
any entity that bills any Federal health care program. At such time, OIG shall evaluate whether the CIA will be reactivated or modified.

D. All requirements and remedies set forth in this CIA are in addition to and do not affect (1) 365 Hospice’s responsibility to follow all applicable Federal health care program requirements or (2) the government’s right to impose appropriate remedies for failure to follow applicable Federal health care program requirements.

E. The undersigned 365 Hospice signatories represent and warrant that they are authorized to execute this CIA. The undersigned OIG signatories represent that they are signing this CIA in their official capacities and that they are authorized to execute this CIA.

F. This CIA may be executed in counterparts, each of which constitutes an original and all of which constitute one and the same CIA. Electronically-transmitted copies of signatures shall constitute acceptable, binding signatures for purposes of this CIA.

APPENDIX A

INDEPENDENT REVIEW ORGANIZATION

This Appendix contains the requirements relating to the Independent Review Organization (IRO) required by Section III.D of the CIA.

A. IRO Engagement

1. 365 Hospice shall engage an IRO that possesses the qualifications set forth in Paragraph B, below, to perform the responsibilities in Paragraph C, below. The IRO shall conduct the review in a professionally independent and objective fashion, as set forth in Paragraph D. Within 30 days after OIG receives the information identified in Section V.A.6 of the CIA or any additional information submitted by 365 Hospice in response to a request by OIG, whichever is later, OIG will notify 365 Hospice if the IRO is unacceptable. Absent notification from OIG that the IRO is unacceptable, 365 Hospice may continue to engage the IRO.

2. If 365 Hospice engages a new IRO during the term of the CIA, that IRO must also meet the requirements of this Appendix. If a new IRO is engaged, 365 Hospice shall submit the information identified in Section V.A.6 of the CIA to OIG within 30 days of engagement of the IRO. Within 30 days after OIG receives this information or any additional information submitted by 365 Hospice at the request of OIG, whichever is later, OIG will notify 365 Hospice if the IRO is unacceptable. Absent notification from OIG that the IRO is unacceptable, 365 Hospice may continue to engage the IRO.

B. IRO Qualifications

The IRO shall:

1. assign individuals to conduct the Claims Review who have expertise in the Medicare and state Medicaid program requirements applicable to the claims being reviewed;

2. assign individuals to design and select the Claims Review sample who are knowledgeable about the appropriate statistical sampling techniques;

3. assign individuals to conduct the coding review portions of the Claims Review who have a nationally recognized coding certification and who have maintained this certification (e.g., completed applicable continuing education requirements);

4. assign licensed nurses or physicians with relevant education, training and specialized expertise (or other licensed health care professionals acting within their scope...
of practice and specialized expertise) to make the medical necessity determinations required by the Claims Review; and

5. have sufficient staff and resources to conduct the reviews required by the CIA on a timely basis.

C. IRO Responsibilities

The IRO shall:

1. perform each Claims Review in accordance with the specific requirements of the CIA;

2. follow all applicable Medicare and state Medicaid program rules and reimbursement guidelines in making assessments in the Claims Review;

3. request clarification from the appropriate authority (e.g., Medicare contractor), if in doubt of the application of a particular Medicare or state Medicaid program policy or regulation;

4. respond to all OIG inquiries in a prompt, objective, and factual manner; and

5. prepare timely, clear, well-written reports that include all the information required by Appendix B to the CIA.

D. IRO Independence and Objectivity

The IRO must perform the Claims Review in a professionally independent and objective fashion, as defined in the most recent Government Auditing Standards issued by the U.S. Government Accountability Office.

E. IRO Removal/Termination

1. 365 Hospice and IRO. If 365 Hospice terminates its IRO or if the IRO withdraws from the engagement during the term of the CIA, 365 Hospice must submit a notice explaining (a) its reasons for termination of the IRO or (b) the IRO’s reasons for its withdrawal to OIG, no later than 30 days after termination or withdrawal. 365 Hospice must engage a new IRO in accordance with Paragraph A of this Appendix and within 60 days of termination or withdrawal of the IRO.

2. OIG Removal of IRO. In the event OIG has reason to believe the IRO does not possess the qualifications described in Paragraph B, is not independent and objective as set forth in Paragraph D, or has failed to carry out its responsibilities as described in
Paragraph C, OIG shall notify 365 Hospice in writing regarding OIG’s basis for determining that the IRO has not met the requirements of this Appendix. 365 Hospice shall have 30 days from the date of OIG’s written notice to provide information regarding the IRO’s qualifications, independence or performance of its responsibilities in order to resolve the concerns identified by OIG. If, following OIG’s review of any information provided by 365 Hospice regarding the IRO, OIG determines that the IRO has not met the requirements of this Appendix, OIG shall notify 365 Hospice in writing that 365 Hospice shall be required to engage a new IRO in accordance with Paragraph A of this Appendix. 365 Hospice must engage a new IRO within 60 days of its receipt of OIG’s written notice. The final determination as to whether or not to require 365 Hospice to engage a new IRO shall be made at the sole discretion of OIG.
APPENDIX B

CLAIMS REVIEW

A. Claims Review. The Claims Review shall consist of two components, the Eligibility Review and the Appropriate Level of Services Review. The IRO shall perform the Eligibility Review and the Appropriate Level of Services Review annually to cover each of the five Reporting Periods.

1. Definitions. For the purposes of the Claims Review, the following definitions shall be used:

a. Overpayment: The amount of money 365 Hospice has received in excess of the amount due and payable under Medicare requirements, as determined by the IRO in connection with the reviews performed under this Appendix B, determined in accordance with Section A.2 of this Appendix B.

b. Hospice Population: All hospices owned and/or operated by 365 Hospice at any time during the Reporting Period.

c. Beneficiary Population: The Beneficiary Population shall be defined as all Medicare beneficiaries who received uninterrupted services from 365 Hospice for 210 days or more at any time during the Reporting Period in the Hospice Population and for whom 365 Hospice submitted claims and received reimbursement.

d. Claim Period: The period of time covered by a complete election period as defined at 42 C.F.R. 418.21, for which claims were submitted to Medicare by 365 Hospice for services provided to a beneficiary.

e. Beneficiary Sample: A Beneficiary Sample shall consist of a statistically valid random sample of 12 Medicare beneficiaries drawn from the Beneficiary Population.

f. Eligibility Review Error Rate: The Eligibility Review Error Rate shall be calculated by dividing the Overpayment in the Eligibility Review by the total dollar amount associated with
hospice services reimbursed by Medicare for beneficiaries in the Beneficiary Population included in the Eligibility Review.

g. **Level of Services:** One of the four categories of care reimbursed under the Medicare hospice benefit, which consist of:

i. **Routine Home Care** – when a patient is at home and is not receiving Continuous Care services;

ii. **Continuous Care** – when a patient is at home and receives services that consist predominantly of nursing care on a continuous basis for brief periods of crisis and as necessary to maintain the terminally ill at home. See 42 C.F.R. § 418.204;

iii. **Inpatient Respite Care** – when a patient receives care at an approved facility on a short term basis for respite; and

iv. **General Inpatient Care** – when a patient receives care in an inpatient facility for pain control or acute or chronic symptom management that cannot be managed in other settings.

h. **Appropriate Level of Services Review Error Rate:** The Error Rate for the Appropriate Level of Services Review shall be calculated by dividing the Overpayment in the Appropriate Level of Services Review by the total dollar amount associated with hospice services reimbursed by Medicare for beneficiaries in the Beneficiary Population included in the Appropriate Level of Services Review.

2. **Description of Reviews.**

a. **Eligibility Review.** The IRO shall select a Beneficiary Sample. The IRO shall review the medical records of the Medicare beneficiaries in the Beneficiary Sample to determine whether the beneficiaries were eligible for hospice services for each Claim Period for which a claim was submitted since the date of admission. The IRO shall review medical records for the Medicare beneficiaries selected based
on the supporting documentation available at 365 Hospice’s offices or under 365 Hospice’s control and applicable billing and coding regulations and guidance to determine whether the Medicare beneficiary was eligible for the hospice benefit during each Claim Period.

For any beneficiary in the Beneficiary Sample that results in a determination by the IRO that the beneficiary was not eligible for the hospice benefit during the Claim Period, the IRO shall perform a review of the system(s) and process(es) that resulted in 365 Hospice’s erroneous determination that the beneficiary was eligible for the hospice benefit, to identify any problems or weaknesses that may have resulted in the identified error(s). The IRO shall provide its observations and recommendations on suggested improvements to the system(s) and the process(es) for determining eligibility for the hospice benefit.

b. Appropriate Level of Services Review. The Appropriate Level of Services Review shall consist of a review to ensure that the medical record supports the appropriateness of the Level of Services provided and that the claim was properly submitted to and reimbursed by Medicare. This review shall be completed for each beneficiary in the Beneficiary Sample who was determined to be eligible for hospice services for one or more Claim Periods. The IRO shall review medical records for the Medicare beneficiaries selected based on the supporting documentation available at 365 Hospice’s offices or under 365 Hospice’s control and applicable billing and coding regulations and guidance to determine the appropriateness of the Level of Services billed and reimbursed.

For any beneficiary in the Beneficiary Sample that results in a determination by the IRO that the Level of Services billed was not appropriate, the IRO shall perform a review of the system(s) and process(es) that resulted in 365 Hospice’s erroneous determination that medical necessity existed for the Level of Services billed, to identify any problems or weaknesses that may have resulted in the identified error(s). The IRO shall provide its observations and recommendations on suggested improvements to the system(s) and the
process(es) for determining medical necessity for the Level of Services provided.

3. Other Requirements.

a. Supplemental Materials. The IRO shall request all documentation and materials required for its review of the medical records of the Medicare beneficiaries selected as part of each Beneficiary Sample and 365 Hospice shall furnish such documentation and materials to the IRO prior to the IRO initiating its review of each Beneficiary Sample. If the IRO accepts any supplemental documentation or materials from 365 Hospice after the IRO has completed its initial review of any Beneficiary Sample (Supplemental Materials), the IRO shall identify in the Claims Review Report the Supplemental Materials, the date the Supplemental Materials were accepted, and the relative weight the IRO gave to the Supplemental Materials in its review. In addition, the IRO shall include a narrative in the Claims Review Report describing the process by which the Supplemental Materials were accepted and the IRO's reasons for accepting the Supplemental Materials.

b. Claims without Supporting Documentation. If 365 Hospice cannot produce documentation for any beneficiary selected as part of any Beneficiary Sample, then the total reimbursement received by 365 Hospice for hospice services furnished to such beneficiary shall be deemed an Overpayment. Replacement sampling for Medicare beneficiaries with missing documentation is not permitted.

c. Use of First Samples Drawn. For the purposes of all samples discussed in this Appendix, the Medicare beneficiaries selected in each first sample shall be used (i.e., it is not permissible to generate more than one list of random samples and then select one for use with a Beneficiary Sample).

4. Repayment of Identified Overpayments. 365 Hospice shall repay within 60 days any Overpayment(s) identified by the IRO in each Beneficiary Sample, in accordance with the requirements of 42 U.S.C. § 1320a-7k(d) and 42 C.F.R. § 401.301-305 (and any applicable CMS guidance) (the "CMS overpayment rule"). If 365 Hospice determines that the CMS overpayment rule requires that an extrapolated Overpayment be repaid, 365 Hospice shall repay that amount at the mean point estimate as calculated by

Corporate Integrity Agreement - Appendix B
365 Hospice, LLC and John Rezk

4
the IRO. 365 Hospice shall make available to OIG all documentation that reflects the refund of the Overpayment(s) to the payor. OIG, in its sole discretion, may refer the findings of any Beneficiary Sample (and any related work papers) received from 365 Hospice to the appropriate Federal health care program payor (e.g., Medicare contractor) for follow up by that payor.

B. **Claims Review Report.** The IRO shall prepare a Claims Review Report as described in this Appendix for each Claims Review performed. The following information shall be included in the Claims Review Report.

1. *Eligibility and Appropriate Level of Services Reviews Methodology.*
   b. **Review Objective.** A clear statement of the objective intended to be achieved by the Eligibility Review and the Appropriate Level of Services Review.
   c. **Source of Data.** A description of (1) the process used to identify the beneficiaries in each Beneficiary Population and (2) the specific documentation relied upon by the IRO when performing the Eligibility Review and the Appropriate Level of Services Review.
   d. **Review Protocol.** A narrative description of how the Eligibility Review and the Appropriate Level of Services Review were conducted and what was evaluated.
   e. **Supplemental Materials.** A description of any Supplemental Materials as required by A.4.a., above.

   a. A copy of the printout of the random numbers generated by the "Random Numbers" function of the statistical sampling software used by the IRO.
   b. A description or identification of the statistical sampling software package used to select the samples described in this Appendix.
3. **Claims Review Findings.**

a. **Narrative Results.**

i. A description of 365 Hospice's hospice eligibility certification, recertification, and determination of appropriate Level of Service processes, including the identification, by position description, of the personnel involved.

ii. A narrative explanation of the IRO's findings and supporting rationale (including reasons for errors, patterns noted, concerns relating to the eligibility for hospice or appropriateness of hospice services, etc.) regarding the Eligibility Review and the Appropriate Level of Services Review.

b. **Quantitative Results.**

i. Total number and percentage of instances in which the IRO determined that the documentation for a Medicare beneficiary did not support that the beneficiary was eligible for the Medicare hospice benefit or did not support that the beneficiary received the appropriate Level of Services based on medical necessity, regardless of the effect on the payment.

ii. Total number and percentage of instances in which the documentation for a Medicare beneficiary did not support that the beneficiary was eligible for the Medicare hospice benefit or did not support that the appropriate Level of Services was provided and in which such difference resulted in an Overpayment to 365 Hospice.

iii. Total dollar amount of all Overpayments in the Claims Review.

iv. **Error Rates for the Claims Review.**

v. An estimate of the actual Overpayment in the Beneficiary Population at the mean point estimate.
vi. A spreadsheet of the Claims Review results that includes the following information for each Medicare beneficiary: beneficiary health insurance claim number, date(s) of service, allowed amount reimbursed by payor, correct allowed amount (as determined by the IRO), dollar difference between allowed amount reimbursed by payor and the correct allowed amount.

c. **Recommendations.** The IRO’s report shall include any recommendations for (1) improvements to 365 Hospice’s systems and processes for the certification and recertification of eligibility for the Medicare hospice benefit to address the specific identified problems or weaknesses; and (2) improvements to 365 Hospice’s systems and processes for the determination of medical necessity for the Level of Services to be provided to address the specific identified problems or weaknesses.

4. **Credentials.** The names and credentials of the individuals who: (1) designed the statistical sampling procedures and the review methodology utilized for the Claims Review and (2) performed the Claims Review.
