Upon a preliminary determination by OIG that Dr. Nevels has materially breached this IA, OIG shall notify Dr. Nevels of: (a) Dr. Nevels's material breach and (b) OIG's intent to exclude Dr. Nevels. Subject to the Dispute Resolution provisions in Section X.E, below, the exclusion shall go into effect 30 days after the date of the Exclusion Letter. The effect of the exclusion shall be that no Federal health care program payment may be made for any items or services furnished, ordered, or prescribed by Dr. Nevels, including administrative and management services, except as stated in regulations found at 42 C.F.R. 1001.1901(c). The exclusion shall have national effect. Reinstatement to program participation is not automatic. At the end of the period of exclusion, Dr. Nevels may apply for reinstatement, by submitting a written request for reinstatement in accordance with the provisions at 42 C.F.R. §§ 1001.3001-.3004.

E. Dispute Resolution.

1. *Review Rights.* Upon OIG's issuing a Demand Letter or Exclusion Letter, and as an agreed-upon remedy for the resolution of disputes arising under this IA, Dr. Nevels shall be afforded certain review rights comparable to the ones that are provided in 42 U.S.C. § 1320a-7(f) and 42 C.F.R. Part 1005. Specifically, OIG's determination to demand payment of Stipulated Penalties or to seek exclusion shall be subject to review by an HHS ALJ and, in the event of an appeal, the DAB, in a manner consistent with the provisions in 42 C.F.R. § 1005.2-1005.21, but only to the extent this IA does not provide otherwise. Notwithstanding the language in 42 C.F.R. § 1005: (a) the request for a hearing involving Stipulated Penalties shall be made within 10 days after the date of the Demand Letter and the request for a hearing involving exclusion shall be made within 25 days after the date of the Exclusion Letter and (b) no discovery shall be available to the parties. The procedures relating to the filing of a request for a hearing can be found at <http://www.hhs.gov/dab/divisions/civil/procedures/divisionprocedures.html>.

2. *Stipulated Penalties Review.* Notwithstanding any provision of Title 42 of the United States Code or Title 42 of the Code of Federal Regulations, the only issues in a

proceeding for Stipulated Penalties under this IA shall be: (a) whether Dr. Nevels was in full and timely compliance with the requirements of this IA for which OIG demands payment and (b) the period of noncompliance. Dr. Nevels shall have the burden of proving its full and timely compliance. If the ALJ upholds the OIG's determination that Dr. Nevels has breached this IA and orders Dr. Nevels to pay Stipulated Penalties, Dr. Nevels must (a) come into compliance with the requirement(s) that resulted in the OIG imposing Stipulated Penalties and (b) pay the Stipulated Penalties within 20 days after the ALJ issues a decision, unless Dr. Nevels properly and timely requests review of the ALJ decision by the DAB. If the ALJ decision is properly and timely appealed to the DAB and the DAB upholds the determination of OIG, Dr. Nevels must (a) come into compliance with the requirement(s) that resulted in the OIG imposing Stipulated Penalties and (b) pay the Stipulated Penalties within 20 days after the DAB issues its decision.

3. *Exclusion Review.* Notwithstanding any provision of Title 42 of the United States Code or Title 42 of the Code of Federal Regulations, the only issues in a proceeding for exclusion based on a material breach of this IA shall be whether Dr. Nevels was in material breach of this IA. If the ALJ sustains the OIG's determination of material breach, the exclusion shall take effect 20 days after the ALJ issues the decision. If the DAB finds in favor of OIG after an ALJ decision adverse to OIG, the exclusion shall take effect 20 days after the DAB decision. Dr. Nevels shall waive [his/her] right to any notice of such exclusion if a decision upholding the exclusion is rendered by the ALJ or DAB. If the DAB finds in favor of Dr. Nevels, Dr. Nevels shall be reinstated effective on the date of the exclusion.

4. *Finality of Decision.* The review by an ALJ or DAB provided for above shall not be considered to be an appeal right arising under any statutes or regulations. The parties to this IA agree that the DAB's decision (or the ALJ's decision if not appealed) shall be considered final for all purposes under this IA and Dr. Nevels agrees not to seek additional review of the DAB's decision (or the ALJ's decision if not appealed) in any judicial forum.

XI. EFFECTIVE AND BINDING AGREEMENT

Dr. Nevels and OIG agree as follows:

A. This IA constitutes the complete agreement between the parties and may not be amended except by written consent of the parties to this IA.

B. All requirements and remedies set forth in this IA are in addition to and do not affect: (1) Dr. Nevels's responsibility to follow all applicable Federal health care program requirements or (2) the government's right to impose appropriate remedies for failure to follow applicable Federal health care program requirements.

C. The undersigned Dr. Nevels signatory represents and warrants that [he/she] is authorized to execute this IA. The undersigned OIG signatories represent that they are signing this IA in their official capacity and that they are authorized to execute this IA.

D. This IA may be executed in counterparts, each of which constitutes an original and all of which constitute one and the same IA. Electronically transmitted copies of signatures shall constitute acceptable, binding signatures for purposes of this IA.

APPENDIX A

INDEPENDENT REVIEW ORGANIZATION

This Appendix contains the requirements relating to the Independent Review Organization (IRO) required by Section III.C of the IA.

A. IRO Engagement

1. Dr. Nevels shall engage an IRO that possesses the qualifications set forth in Paragraph B, below, to perform the responsibilities in Paragraph C, below. The IRO shall conduct the review in a professionally independent and objective fashion, as set forth in Paragraph E. Within 30 days after OIG receives the information identified in Section V.A.2 of the IA or any additional information submitted by Dr. Nevels in response to a request by OIG, whichever is later, OIG will notify Dr. Nevels if the IRO is unacceptable. Absent notification from OIG that the IRO is unacceptable, Dr. Nevels may continue to engage the IRO.

2. If Dr. Nevels engages a new IRO during the term of the IA, that IRO must also meet the requirements of this Appendix. If a new IRO is engaged, Dr. Nevels shall submit the information identified in Section V.A.2 of the IA to OIG within 30 days of engagement of the IRO. Within 30 days after OIG receives this information, or any additional information submitted by Dr. Nevels at the request of OIG, whichever is later, OIG will notify Dr. Nevels if the IRO is unacceptable. Absent notification from OIG that the IRO is unacceptable, Dr. Nevels may continue to engage the IRO.

B. IRO Qualifications

The IRO shall:

1. assign individuals to conduct the Claims Review who have expertise in the Federal health care program requirements applicable to the claims being reviewed;
2. assign individuals to design and select the Claims Review sample who are knowledgeable about the appropriate statistical sampling techniques;
3. assign individuals to conduct the coding review portions of the Claims Review who have a nationally recognized coding certification and who have maintained this certification (e.g., completed applicable continuing education requirements);
4. assign licensed nurses or physicians with relevant education, training and specialized expertise (or other licensed health care professional acting within their scope of practice and specialized expertise) to make the medical necessity determinations required by the Claims Review; and
5. have sufficient staff and resources to conduct the reviews required by the IA on a timely basis.

C. IRO Responsibilities

The IRO shall:

1. perform each Claims Review in accordance with the specific requirements of the IA;
2. follow all applicable Federal health care program rules and reimbursement guidelines in making assessments in the Claims Review;
3. request clarification from the applicable Federal health care program if in doubt of the application of a particular program policy or regulation;
4. respond to all OIG inquiries in a prompt, objective, and factual manner; and
5. prepare timely, clear, well-written reports that include all the information required by Appendix B to the IA.

D. Dr. Nevels' Responsibilities

Dr. Nevels shall ensure that the IRO has access to all records and personnel necessary to complete the reviews listed in Section III.C of this IA and that all records furnished to the IRO are accurate and complete.

E. IRO Independence and Objectivity

The IRO must perform each Claims Review in a professionally independent and objective fashion, as defined in the most recent Government Auditing Standards issued by the U.S. Government Accountability Office.

F. IRO Removal/Termination

1. *Dr. Nevels and IRO.* If Dr. Nevels terminates its IRO or if the IRO withdraws from the engagement during the term of the IA, Dr. Nevels must submit a notice explaining (a) its reasons for termination of the IRO or (b) the IRO's reasons for its withdrawal to OIG no later than 30 days after termination or withdrawal. Dr. Nevels must engage a new IRO in accordance with Paragraph A of this Appendix and within 60 days of termination or withdrawal of the IRO.

2. *OIG Removal of IRO.* In the event OIG has reason to believe the IRO does not possess the qualifications described in Paragraph B, is not independent and objective as set forth in Paragraph E, or has failed to carry out its responsibilities as described in Paragraph C, OIG shall notify Dr. Nevels in writing regarding OIG's basis for determining that the IRO has not met the requirements of this Appendix. Dr. Nevels shall have 30 days from the date of OIG's written notice to provide information regarding the IRO's qualifications, independence or performance of its responsibilities in order to resolve the concerns identified by OIG. If, following OIG's

review of any information provided by Dr. Nevels regarding its IRO, OIG determines that the IRO has not met the requirements of this Appendix, OIG shall notify Dr. Nevels in writing that Dr. Nevels shall be required to engage a new IRO in accordance with Paragraph A of this Appendix. Dr. Nevels must engage a new IRO within 60 days of receipt of OIG's written notice. The final determination as to whether or not to require Dr. Nevels to engage a new IRO shall be made at the sole discretion of OIG.

APPENDIX B

CLAIMS REVIEW

A. Claims Review. The IRO shall perform the Claims Review for each of the three Reporting Periods.

1. *Definitions*.

- a. “Paid Claim” means a fee-for-service claim submitted by Dr. Nevels and for which Dr. Nevels has received reimbursement from the Medicare program.
- b. “Population” means all Paid Claims during the 12-month period covered by the Claims Review. In OIG’s discretion, OIG may limit the Population to one or more subset(s) of Paid Claims to be reviewed and shall notify Dr. Nevels and the IRO of its selection of the Population at least 30 days prior to the end of each Reporting Period. Dr. Nevels, or its IRO on behalf of Dr. Nevels, may submit proposals identifying suggestions for the subset(s) of Paid Claims to be reviewed at least 120 days prior to the end of each Reporting Period. In connection with limiting the Population, OIG may consider (1) proposals submitted by Dr. Nevels or its IRO, (2) information furnished to OIG regarding the results of Dr. Nevels’s internal risk assessment and internal auditing, or (3) other information obtained by OIG. The determination of whether, and in what manner, to limit the Population shall be made at the sole discretion of OIG.
- c. “Overpayment” means the amount of money Dr. Nevels has received in excess of the amount due and payable under Medicare program requirements, as determined by the IRO in connection with the Claims Review performed under this Appendix.
- d. “Error Rate” means the percentage of net Overpayments identified in the Claims Review Sample. The net Overpayment shall be calculated by subtracting all underpayments identified in the Claims Review Sample from all Overpayments identified in the Claims Review Sample. The Error Rate is calculated by dividing the net Overpayment by the total dollar amount associated with the Paid Claims in the Claims Review Sample.

2. *Claims Review Sample*. The IRO shall select a random sample of 100 Paid Claims (Claims Review Sample). The IRO shall review the Paid Claims based on Dr. Nevels’s documentation and the applicable Medicare program requirements to determine whether the items and services furnished were medically necessary and appropriately documented, and whether the claim was correctly coded, submitted, and reimbursed. If the medical record documentation associated with any Paid Claim in the Claims Review Sample indicates that Dr.

Nevels prescribed a medication for that Medicare beneficiary, the IRO shall make a determination regarding whether such prescribed medication was medically necessary.

3. *Other Requirements.*

- a. Supplemental Materials. The IRO shall request all documentation required for its review of the Paid Claims in the Claims Review Sample and Dr. Nevels shall furnish such documentation to the IRO prior to the IRO initiating its review of the Claims Review Sample. If the IRO accepts any supplemental documentation from Dr. Nevels after the IRO has completed its initial review of the Claims Review Sample (Supplemental Materials), the IRO shall include the following in the Claims Review Report: (i) a description of the Supplemental Materials, (ii) the date the Supplemental Materials were accepted, (iii) the IRO's reason(s) for accepting the Supplemental Materials, and (iv) the relative weight the IRO gave to the Supplemental Materials in its review.
- b. Paid Claims without Supporting Documentation. Any Paid Claim for which Dr. Nevels cannot produce documentation shall be considered an error and the total reimbursement received by Dr. Nevels for such Paid Claim shall be deemed an Overpayment. Replacement sampling for Paid Claims without documentation is not permitted.
- c. Use of First Sample Drawn. The first set of Paid Claims selected shall be used for the Claims Review Sample (i.e., it is not permissible to generate more than one list of random samples and then select one for use).

4. *Repayment of Estimated Overpayment.* The findings of the Claims Review Sample shall be used by the IRO to estimate the actual Overpayment in the Population with the point estimate and a two-sided 90% confidence interval. Within 60 days of receipt of the Claims Review Report, Dr. Nevels shall repay the lower limit of the two-sided 90% confidence interval (Estimated Overpayment) to the Centers for Medicare and Medicaid Services (CMS). Documentation of Dr. Nevels's refund of the Estimated Overpayment to CMS shall be submitted to OIG with Dr. Nevels's Annual Report. OIG, in its sole discretion, may refer the findings of the Claims Review Sample to CMS for appropriate follow up.

B. Claims Review Report. The IRO shall prepare a Claims Review Report for each Claims Review that includes the following information:

1. *Claims Review Methodology.*

- a. Claims Review Objective. A statement of the objective intended to be achieved by the Claims Review.
- b. Claims Review Population. A description of the Population subject to the Claims Review.

 - d. Review Protocol. A narrative description of how the Claims Review was conducted and what was evaluated.
 - e. Supplemental Materials. The information regarding any Supplemental Materials required by A.3.a., above.
2. *Statistical Sampling Documentation.*

 - b. A description or identification of the statistical sampling software package used by the IRO.
3. *Claims Review Findings.*
- a. Narrative Results.
 - i. A description of Dr. Nevels’s billing and coding system(s), including the identification, by position description, of the personnel involved in coding and billing.
 - ii. A description of controls in place to ensure that all items and services furnished by Dr. Nevels are correctly coded, appropriately documented, and medically necessary, including any controls in place to ensure that all medications prescribed by Dr. Nevels are medically necessary.
 - iii. A narrative explanation of the results of the IRO’s review of the Claims Review Sample, including an explanation of all errors identified by the IRO.
 - b. Quantitative Results.
 - i. Total number and percentage of instances in which the IRO determined that the coding of the Paid Claims submitted by Dr. Nevels differed from what should have been the correct coding.

- v. Total dollar amount of Paid Claims included in the Claims Review Sample and the net Overpayment associated with the Claims Review Sample.
- vi. Error Rate in the Claims Review Sample.
- vii. An estimate of the actual Overpayment in the Population with the point estimate and a two-sided 90% confidence interval.
- viii. A spreadsheet of the Claims Review results that includes the following information for each Paid Claim:
 - 1. Federal health care program billed;

 - 10. Whether the item or service was appropriately documented; and
 - 11. The dollar difference between allowed amount reimbursed by payor and the correct allowed amount.
- c. Recommendations. The IRO's report shall include any recommendations for improvements to Dr. Nevels's billing and coding system or to Dr. Nevels's controls for ensuring that all (i) items and services billed to the Medicare program by Dr. Nevels are correctly coded, appropriately documented, and medically necessary; and (ii) medications prescribed by Dr. Nevels are medically necessary, based on the findings of the Claims Review.

4. *Credentials.* The names and credentials of the individuals who: (1) designed the statistical sampling procedures and the review methodology utilized for the Claims Review and (2) performed the Claims Review.
