Each one-year period, beginning with the one-year period following the Effective Date, shall be referred to as a “Reporting Period.”
B. Sections VII, X, and XI shall expire no later than 120 days after OIG’s receipt of: (1) Christian Homes’ final annual report; or (2) any additional materials submitted by Christian Homes pursuant to OIG’s request, whichever is later.

Notwithstanding the above, this term does not include part-time or per diem employees, contractors, subcontractors, agents, and other persons who are not reasonably expected to work more than 160 hours during a Reporting Period, except that any such individuals shall become “Covered Persons” at the point when they work more than 160 hours during a Reporting Period.

2. “Relevant Covered Persons” includes all Covered Persons who (1) are involved directly or indirectly in the delivery of rehabilitation therapy (2) perform assessments of residents that affect treatment decisions regarding rehabilitation therapy services or affect reimbursement for rehabilitation therapy from Federal health care programs, including but not limited to Resource Utilization Groups (RUGs) under Medicare Part A, or (3) are involved in the preparation or submission of the Minimum Data Set (MDS) or claims for reimbursement from any Federal health care program.

2. Policies and Procedures. Within 90 days after the Effective Date, Christian Homes shall develop and implement written Policies and Procedures regarding the operation of its compliance program, including the compliance program requirements outlined in this CIA and Christian Homes’ compliance with Federal health care program requirements. Throughout the term of this CIA, Christian Homes shall enforce and comply with its Policies and Procedures and shall make such compliance an element of evaluating the performance of all employees. The Policies and Procedures shall address, at a minimum:

a. the compliance program requirements outlined in this CIA; and

of the revisions shall be communicated to all affected Covered Persons and any revised or new Policies and Procedures shall be made available to all Covered Persons.

C. Training and Education

1. **Training Plan.** Within 90 days after the Effective Date, Christian Homes shall develop a written plan (Training Plan) that outlines the steps Christian Homes will take to ensure that: (a) all Covered Persons receive adequate training regarding Christian Homes’ CIA requirements and Compliance Program, including the Code of Conduct and (b) all Relevant Covered Persons receive adequate training regarding: (i) the Federal health care program requirements regarding the accurate coding and submission of claims, including, but not limited to, ensuring the accuracy of the clinical data required under the Minimum Data Set (MDS) as specified by the Resident Assessment Instrument User’s Manual, and ensuring appropriate and accurate use of the current Resource Utilization Groups (RUG) classification system; (ii) policies, procedures, and other requirements applicable to the documentation of medical records; (iii) the coordinated interdisciplinary approach to providing care and the related communications between disciplines; (iv) the personal obligation of each individual involved in resident and/or patient care to ensure that care is appropriate and meets professionally recognized standards of care; (v) examples of proper and improper care; (vi) the personal obligation of each individual involved in the claims submission process to ensure that such claims are accurate; (vii) applicable reimbursement statutes, regulations, and program requirements and directives; (viii) the legal sanctions for violations of the Federal health care program requirements; and (ix) examples of proper and improper claims submission practices.

The Training Plan shall include information regarding the training topics, the categories of Covered Persons and Relevant Covered Persons required to attend each training session, the length of the training, the schedule for training, and the format of the training. Within 30 days of the OIG’s receipt of Christian Homes’ Training Plan, OIG will notify Christian Homes of any comments or objections to the Training Plan. Absent notification by the OIG that the Training Plan is unacceptable, Christian Homes may implement its Training Plan. Christian Homes shall furnish training to its Covered Persons and Relevant Covered Persons pursuant to the Training Plan during each Reporting Period.

If Christian Homes provided training that fully satisfies all the requirements set forth in Section III.C.1 above, within 90 days prior to the Effective Date, then OIG will…
credit that training for purposes of satisfying the applicable part of either Christian Homes’ training and education obligations for the first Reporting Period of the CIA.

2. **Board Member Training.** Within 90 days after the Effective Date, Christian Homes shall provide at least two hours of training to each member of the Board of Directors. This training shall address the Christian Homes’ CIA requirements and Compliance Program (including the Code of Conduct), the corporate governance responsibilities of board members, and the responsibilities of board members with respect to review and oversight of the Compliance Program. Specifically, the training shall address the unique responsibilities of health care Board members, including the risks, oversight areas, and strategic approaches to conducting oversight of a health care entity. This training may be conducted by an outside compliance expert hired by the Board and should include a discussion of the OIG’s guidance on Board member responsibilities.

New members of the Board of Directors shall receive the Board Member Training described above within 30 days after becoming a member or within 90 days after the Effective Date, whichever is later.

3. **Certification.** Each individual who is required to attend training shall certify, in writing or in electronic form, that he or she has received the required training. The certification shall specify the type of training received and the date received. The Compliance Officer (or designee) shall retain the certifications, along with all course materials.

4. **Qualifications of Trainer.** Persons providing the training shall be knowledgeable about the subject area.

5. **Update of Training Plan.** Christian Homes shall review the Training Plan annually, and, where appropriate, update the Training Plan to reflect changes in Federal health care program requirements, any issues discovered during internal audits or the MDS Review or Therapy Systems Assessment, and any other relevant information. Any updates to the Training Plan must be reviewed and approved by the OIG prior to the implementation of the revised Training Plan. Within 30 days of OIG’s receipt of any updates or revisions to Christian Homes’ Training Plan, OIG will notify Christian Homes of any comments or objections to the revised Training Plan. Absent notification from the OIG that the revised Training Plan is unacceptable, Christian Homes may implement the revised Training Plan.
6. **Computer-based Training.** Christian Homes may provide the training required under this CIA through appropriate computer-based training approaches. If Christian Homes chooses to provide computer-based training, it shall make available appropriately qualified and knowledgeable staff or trainers to answer questions or provide additional information to the individuals receiving such training.

D. **Review Procedures**

1. **General Description**

   a. **Engagement of Independent Review Organization.** Within 90 days after the Effective Date, Christian Homes shall engage an entity (or entities), such as an accounting, auditing, or consulting firm (hereinafter “Independent Review Organization” or “IRO”), to perform the reviews listed in this Section III.D. The applicable requirements relating to the IRO are outlined in Appendix A to this CIA, which is incorporated by reference.

   b. **Retention of Records.** The IRO and Christian Homes shall retain and make available to OIG, upon request, all work papers, supporting documentation, correspondence, and draft reports (those exchanged between the IRO and Christian Homes) related to the reviews.

   c. **Selection of Facilities.** For each Reporting Period, the IRO shall randomly select three facilities to assess and review. The three facilities selected for the Reporting Period shall be known as the “Subject Facilities.”

2. **Minimum Data Set Review.** For each Reporting Period, the IRO shall review Christian Homes’ coding, billing, and claims submission to Medicare Part A and the reimbursement received (MDS Review) at the Subject Facilities and shall prepare a MDS Review Report, as outlined in Appendix B to this CIA, which is incorporated by reference.

3. **Therapy Systems Assessment.** For each Reporting Period, the IRO shall assess the effectiveness, reliability, and thoroughness of Christian Homes’ oversight...
of its therapy services at a randomly selected subset of two of the Subject Facilities, as outlined in Appendix C to this CIA, which is incorporated by reference.

4. **Validation Review.** In the event OIG has reason to believe that: (a) any MDS Review or Therapy Systems Assessment fails to conform to the requirements of this CIA; or (b) the IRO’s findings or MDS Review or Therapy Systems Assessment results are inaccurate, OIG may, at its sole discretion, conduct its own review to determine whether the MDS Review or Therapy Systems Assessment complied with the requirements of the CIA and/or the findings or MDS Review or Therapy Systems Assessment results are inaccurate (Validation Review). Christian Homes shall pay for the reasonable cost of any such review performed by OIG or any of its designated agents. Any Validation Review of an MDS Review or Therapy Systems Assessment submitted as part of Christian Homes’ final Annual Report shall be initiated no later than one year after Christian Homes’ final submission (as described in Section II) is received by OIG.

Prior to initiating a Validation Review, OIG shall notify Christian Homes in writing of its intent to do so and provide an explanation of the reasons OIG has determined a Validation Review is necessary. Christian Homes shall have 30 days following the date of the OIG’s written notice to submit a written response to OIG that includes any additional or relevant information to clarify the results of the MDS Review or Therapy Systems Assessment or to correct the inaccuracy of the MDS Review or Therapy Systems Assessment and/or propose alternatives to the proposed Validation Review. The final determination as to whether or not to proceed with a Validation Review shall be made at the sole discretion of OIG.

5. **Independence and Objectivity Certification.** The IRO shall include in its report(s) to Christian Homes a certification that the IRO has (a) evaluated its professional independence and objectivity with respect to the reviews required under this Section III.D and (b) concluded that it is, in fact, independent and objective, in accordance with the requirements specified in Appendix A to this CIA.

E. **Risk Assessment and Internal Review Process**

Within 90 days after the Effective Date, Christian Homes shall develop and implement a centralized annual risk assessment and internal review process to identify and address risks associated with the submission of claims for items and services furnished to Medicare and Medicaid program beneficiaries. The risk assessment and internal review process should require compliance, legal, and department leaders, at least annually, to: (1) identify and prioritize risks, (2) develop internal audit work plans related
to the identified risk areas, (3) implement the internal audit work plans, (4) develop corrective action plans in response to the results of any internal audits performed, and (5) track the implementation of the corrective action plans in order to assess the effectiveness of such plans. Christian Homes shall maintain the risk assessment and internal review process for the term of the CIA.

F. Disclosure Program

Within 90 days after the Effective Date, Christian Homes shall establish a Disclosure Program that includes a mechanism (e.g., a toll-free compliance telephone line) to enable individuals to disclose, to the Compliance Officer or some other person who is not in the disclosing individual’s chain of command, any identified issues or questions associated with Christian Homes’ policies, conduct, practices, or procedures with respect to a Federal health care program believed by the individual to be a potential violation of criminal, civil, or administrative law. Christian Homes shall appropriately publicize the existence of the disclosure mechanism (e.g., via periodic e-mails to employees or by posting the information in prominent common areas).

The Disclosure Program shall emphasize a nonretribution, nonretaliation policy, and shall include a reporting mechanism for anonymous communications for which appropriate confidentiality shall be maintained. Upon receipt of a disclosure, the Compliance Officer (or designee) shall gather all relevant information from the disclosing individual. The Compliance Officer (or designee) shall make a preliminary, good faith inquiry into the allegations set forth in every disclosure to ensure that he or she has obtained all of the information necessary to determine whether a further review should be conducted. For any disclosure that is sufficiently specific so that it reasonably: (1) permits a determination of the appropriateness of the alleged improper practice; and (2) provides an opportunity for taking corrective action, Christian Homes shall conduct an internal review of the allegations set forth in the disclosure and ensure that proper follow-up is conducted.

The Compliance Officer (or designee) shall maintain a disclosure log and shall record each disclosure in the disclosure log within 48 hours of receipt of the disclosure. The disclosure log shall include a summary of each disclosure received (whether anonymous or not), the status of the respective internal reviews, and any corrective action taken in response to the internal reviews.
G. **Ineligible Persons**

1. **Definitions.** For purposes of this CIA:

   a. an "Ineligible Person" shall include an individual or entity who:

      i. is currently excluded, debarred, or suspended from participation in the Federal health care programs or in Federal procurement or nonprocurement programs; or

      ii. has been convicted of a criminal offense that falls within the scope of 42 U.S.C. § 1320a-7(a), but has not yet been excluded, debarred, or suspended.

   b. "Exclusion Lists" include:

      i. the HHS/OIG List of Excluded Individuals/Entities (LEIE) (available through the Internet at http://www.oig.hhs.gov); and

      ii. the General Services Administration’s System for Award Management (SAM) (available through the Internet at http://www.sam.gov).

2. **Screening Requirements.** Christian Homes shall ensure that all prospective and current Covered Persons are not Ineligible Persons, by implementing the following screening requirements.

   a. Christian Homes shall screen all prospective Covered Persons against the Exclusion Lists prior to engaging their services and, as part of the hiring or contracting process, shall require such Covered Persons to disclose whether they are Ineligible Persons.

   b. Christian Homes shall screen all current Covered Persons against the Exclusion Lists within 90 days after the Effective Date and thereafter shall screen against the LEIE on a monthly basis and screen against SAM on an annual basis.
c. Christian Homes shall implement a policy requiring all Covered Persons to disclose immediately any debarment, exclusion, or suspension.

Nothing in this Section III.G affects Christian Homes’ responsibility to refrain from (and liability for) billing Federal health care programs for items or services furnished, ordered, or prescribed by an excluded person. Christian Homes understands that items or services furnished, ordered, or prescribed by excluded persons are not payable by Federal health care programs and that Christian Homes may be liable for overpayments and/or criminal, civil, and administrative sanctions for employing or contracting with an excluded person regardless of whether Christian Homes meets the requirements of Section III.G.

3. **Removal Requirement.** If Christian Homes has actual notice that a Covered Person has become an Ineligible Person, Christian Homes shall remove such Covered Person from responsibility for, or involvement with, Christian Homes’ business operations related to the Federal health care programs and shall remove such Covered Person from any position for which the Covered Person’s compensation or the items or services furnished, ordered, or prescribed by the Covered Person are paid in whole or part, directly or indirectly, by Federal health care programs or otherwise with Federal funds at least until such time as the Covered Person is reinstated into participation in the Federal health care programs.

4. **Pending Charges and Proposed Exclusions.** If Christian Homes has actual notice that a Covered Person is charged with a criminal offense that falls within the scope of 42 U.S.C. §§ 1320a-7(a), 1320a-7(b)(1)-(3), or is proposed for exclusion during the Covered Person’s employment or contract term or during the term of a physician’s or other practitioner’s medical staff privileges, Christian Homes shall take all appropriate actions to ensure that the responsibilities of that Covered Person have not and shall not adversely affect the quality of care rendered to any beneficiary, patient, or resident, or the accuracy of any claims submitted to any Federal health care program.

H. **Notification of Government Investigation or Legal Proceeding**

Within 30 days after discovery, Christian Homes shall notify OIG, in writing, of any ongoing investigation or legal proceeding known to Christian Homes conducted or brought by a governmental entity or its agents involving an allegation that Christian Homes has committed a crime or has engaged in fraudulent activities. This notification
shall include a description of the allegation, the identity of the investigating or prosecuting agency, and the status of such investigation or legal proceeding. Christian Homes shall also provide written notice to OIG within 30 days after the resolution of the matter, and shall provide OIG with a description of the findings and/or results of the investigation or proceeding, if any.

I. Overpayments

1. Definition of Overpayments. For purposes of this CIA, an “Overpayment” shall mean the amount of money Christian Homes has received in excess of the amount due and payable under any Federal health care program requirements.

2. Overpayment Policies and Procedures. Within 90 days after the Effective Date, Christian Homes shall develop and implement written policies and procedures regarding the identification, quantification and repayment of Overpayments received from any Federal health care program.

3. Repayment of Overpayments.

   a. If, at any time, Christian Homes identifies any Overpayment, Christian Homes shall repay the Overpayment to the appropriate payor (e.g., Medicare contractor) within 60 days after identification of the Overpayment and take remedial steps within 90 days after identification (or such additional time as may be agreed to by the payor) to correct the problem, including preventing the underlying problem and the Overpayment from recurring. If not yet quantified within 60 days after identification, Christian Homes shall notify the payor of its efforts to quantify the Overpayment amount along with a schedule of when such work is expected to be completed. Notification and repayment to the payor shall be done in accordance with the payor’s policies.

   b. Notwithstanding the above, notification and repayment of any Overpayment amount that routinely is reconciled or adjusted pursuant to policies and procedures established by the payor should be handled in accordance with such policies and procedures.
J. Reportable Events

1. Definition of Reportable Event. For purposes of this CIA, a "Reportable Event" means anything that involves:

   a. a substantial Overpayment;

   b. a matter that a reasonable person would consider a probable violation of criminal, civil, or administrative laws applicable to any Federal health care program for which penalties or exclusion may be authorized;

   c. the employment of or contracting with a Covered Person who is an Ineligible Person as defined by Section III.G.1.a; or

   d. the filing of a bankruptcy petition by Christian Homes.

A Reportable Event may be the result of an isolated event or a series of occurrences.

2. Reporting of Reportable Events. If Christian Homes determines (after a reasonable opportunity to conduct an appropriate review or investigation of the allegations) through any means that there is a Reportable Event, Christian Homes shall notify OIG, in writing, within 30 days after making the determination that the Reportable Event exists.

3. Reportable Events under Section III.J.1.a. For Reportable Events under Section III.J.1.a, the report to OIG shall be made within 30 days after making a determination that a substantial Overpayment exists and shall include:

   a. a complete description of all details relevant to the Reportable Event, including, at a minimum, the types of claims, transactions or other conduct giving rise to the Reportable Event; the period during which the conduct occurred; and the names of entities and individuals believed to be implicated, including an explanation of their roles in the Reportable Event;

   b. the Federal health care programs affected by the Reportable Event;
c. a description of the steps taken by Christian Homes to identify and quantify the Overpayment; and

d. a description of Christian Homes' actions taken to correct the Reportable Event and prevent it from recurring.

Within 60 days of identification of the Overpayment, Christian Homes shall provide OIG with a copy of the notification and repayment (if quantified) to the payor required in Section III.I.3.

4. Reportable Events under Section III.J.1.b. For Reportable Events under Section III.J.1.b, the report to OIG shall include:

a. a complete description of all details relevant to the Reportable Event, including, at a minimum, the types of claims, transactions or other conduct giving rise to the Reportable Event; the period during which the conduct occurred; and the names of entities and individuals believed to be implicated, including an explanation of their roles in the Reportable Event;

b. a statement of the Federal criminal, civil or administrative laws that are probably violated by the Reportable Event;

c. the Federal health care programs affected by the Reportable Event;

d. a description of Christian Homes' actions taken to correct the Reportable Event and prevent it from recurring; and

e. if the Reportable Event has resulted in an Overpayment, a description of the steps taken by Christian Homes to identify and quantify the Overpayment.
5. **Reportable Events under Section III.J.1.c.** For Reportable Events under Section III.J.1.c, the report to OIG shall include:

a. the identity of the Ineligible Person and the job duties performed by that individual;

b. the dates of the Ineligible Persons employment or contractual relationship;

c. a description of the Exclusion Lists screening that Christian Homes completed before and/or during the Ineligible Person’s employment or contract and any flaw or breakdown in the Ineligible Persons screening process that led to the hiring or contracting with the Ineligible Person;

d. a description of how the Reportable Event was discovered;

and

e. a description of any corrective action implemented to prevent future employment or contracting with an Ineligible Person.

6. **Reportable Events under Section III.J.1.d.** For Reportable Events under Section III.J.1.d, the report to the OIG shall include documentation of the bankruptcy filing and a description of any Federal health care program authorities implicated.

7. **Reportable Events Involving the Stark Law.** Notwithstanding the reporting requirements outlined above, any Reportable Event that involves solely a probable violation of section 1877 of the Social Security Act, 42 U.S.C. §1395nn (the Stark Law) should be submitted by Christian Homes to the Centers for Medicare & Medicaid Services (CMS) through the self-referral disclosure protocol (SRDP), with a copy to the OIG. The requirements of Section III.I.3 that require repayment to the payor of any identified Overpayment within 60 days shall not apply to any Overpayment that may result from a probable violation of solely the Stark Law that is disclosed to CMS pursuant to the SRDP. If Christian Homes identifies a probable violation of the Stark Law and repays the applicable Overpayment directly to the CMS contractor, then Christian Homes is not required by this Section III.J to submit the Reportable Event to CMS through the SRDP.

Christian Homes shall refrain from identifying any information as exempt from disclosure if that information does not meet the criteria for exemption from disclosure under FOIA.

With respect to such releases, Christian Homes shall have the rights set forth at 45 C.F.R. § 5.65(d).

X. BREACH AND DEFAULT PROVISIONS

Christian Homes is expected to fully and timely comply with all of its CIA obligations.

A. Stipulated Penalties for Failure to Comply with Certain Obligations

Christian Homes- Corporate Integrity Agreement

26
As a contractual remedy, Christian Homes and OIG hereby agree that failure to comply with certain obligations as set forth in this CIA may lead to the imposition of the following monetary penalties (hereinafter referred to as “Stipulated Penalties”) in accordance with the following provisions.

1. A Stipulated Penalty of $2,500 (which shall begin to accrue on the day after the date the obligation became due) for each day Christian Homes fails to establish and implement any of the following obligations as described in Sections III and IV:

   a. a Compliance Officer;
   b. a Compliance Committee;
   c. the Board of Directors compliance obligations;
   d. the management certification obligations;
   e. a written Code of Conduct;
   f. written Policies and Procedures;
   g. the development and/or implementation of a Training Plan for the training of Covered Persons, Relevant Covered Persons, and Board Members;
   h. a risk assessment and internal review process as required by Section III.E;
   i. a Disclosure Program;
   j. Ineligible Persons screening and removal requirements;
   k. notification of Government investigations or legal proceedings;
   l. policies and procedures regarding the repayment of Overpayments;
m. the repayment of Overpayments as required by Section III.I and Appendix B;

n. reporting of Reportable Events; and

o. disclosure of changes to business units or locations.

2. A Stipulated Penalty of $2,500 (which shall begin to accrue on the day after the date the obligation became due) for each day Christian Homes fails to engage and use an IRO, as required by Section III.D, Appendix A, Appendix B or Appendix C.

3. A Stipulated Penalty of $2,500 (which shall begin to accrue on the day after the date the obligation became due) for each day Christian Homes fails to submit the Implementation Report or any Annual Reports to OIG in accordance with the requirements of Section V by the deadlines for submission.

4. A Stipulated Penalty of $2,500 (which shall begin to accrue on the day after the date the obligation became due) for each day Christian Homes fails to submit any MDS Review or Therapy Systems Assessment Report in accordance with the requirements of Section III.D, Appendix B, and Appendix C.

5. A Stipulated Penalty of $1,500 for each day Christian Homes fails to grant access as required in Section VII. (This Stipulated Penalty shall begin to accrue on the date Christian Homes fails to grant access.)

6. A Stipulated Penalty of $50,000 for each false certification submitted by or on behalf of Christian Homes as part of its Implementation Report, any Annual Report, additional documentation to a report (as requested by the OIG), or otherwise required by this CIA.

7. A Stipulated Penalty of $1,000 for each day Christian Homes fails to comply fully and adequately with any obligation of this CIA. OIG shall provide notice to Christian Homes stating the specific grounds for its determination that Christian Homes has failed to comply fully and adequately with the CIA obligation(s) at issue and steps Christian Homes shall take to comply with the CIA. (This Stipulated Penalty shall begin to accrue 10 days after the date Christian Homes receives this notice from OIG of the failure to comply.) A Stipulated Penalty as described in this Subsection shall not be
demanded for any violation for which OIG has sought a Stipulated Penalty under Subsections 1-6 of this Section.

B. Timely Written Requests for Extensions

Christian Homes may, in advance of the due date, submit a timely written request for an extension of time to perform any act or file any notification or report required by this CIA. Notwithstanding any other provision in this Section, if OIG grants the timely written request with respect to an act, notification, or report, Stipulated Penalties for failure to perform the act or file the notification or report shall not begin to accrue until one day after Christian Homes fails to meet the revised deadline set by OIG. Notwithstanding any other provision in this Section, if OIG denies such a timely written request, Stipulated Penalties for failure to perform the act or file the notification or report shall not begin to accrue until three days after Christian Homes receives OIG’s written denial of such request or the original due date, whichever is later. A “timely written request” is defined as a request in writing received by OIG at least five days prior to the date by which any act is due to be performed or any notification or report is due to be filed.

C. Payment of Stipulated Penalties

1. Demand Letter. Upon a finding that Christian Homes has failed to comply with any of the obligations described in Section X.A and after determining that Stipulated Penalties are appropriate, OIG shall notify Christian Homes of: (a) Christian Homes’ failure to comply; and (b) OIG’s exercise of its contractual right to demand payment of the Stipulated Penalties. (This notification shall be referred to as the “Demand Letter.”)

2. Response to Demand Letter. Within 10 days after the receipt of the Demand Letter, Christian Homes shall either: (a) cure the breach to OIG’s satisfaction and pay the applicable Stipulated Penalties or (b) request a hearing before an HHS administrative law judge (ALJ) to dispute OIG’s determination of noncompliance, pursuant to the agreed upon provisions set forth below in Section X.E. In the event Christian Homes elects to request an ALJ hearing, the Stipulated Penalties shall continue to accrue until Christian Homes cures, to OIG’s satisfaction, the alleged breach in dispute. Failure to respond to the Demand Letter in one of these two manners within the allowed time period shall be considered a material breach of this CIA and shall be grounds for exclusion under Section X.D.
3. **Form of Payment.** Payment of the Stipulated Penalties shall be made by electronic funds transfer to an account specified by OIG in the Demand Letter.

4. **Independence from Material Breach Determination.** Except as set forth in Section X.D.1.c, these provisions for payment of Stipulated Penalties shall not affect or otherwise set a standard for OIG's decision that Christian Homes has materially breached this CIA, which decision shall be made at OIG's discretion and shall be governed by the provisions in Section X.D, below.

D. **Exclusion for Material Breach of this CIA**

1. **Definition of Material Breach.** A material breach of this CIA means:

   a. repeated violations or a flagrant violation of any of the obligations under this CIA, including, but not limited to, the obligations addressed in Section X.A;

   b. a failure by Christian Homes to report a Reportable Event, take corrective action, or make the appropriate refunds, as required in Section III.J;

   c. a failure to respond to a Demand Letter concerning the payment of Stipulated Penalties in accordance with Section X.C; or

   d. a failure to engage and use an IRO in accordance with Section III.D, Appendix A, Appendix B, or Appendix C.

2. **Notice of Material Breach and Intent to Exclude.** The parties agree that a material breach of this CIA by Christian Homes constitutes an independent basis for Christian Homes' exclusion from participation in the Federal health care programs. The length of the exclusion shall be in the OIG's discretion, but not more than five years per material breach. Upon a determination by OIG that Christian Homes has materially breached this CIA and that exclusion is the appropriate remedy, OIG shall notify Christian Homes of: (a) Christian Homes' material breach; and (b) OIG's intent to exercise its contractual right to impose exclusion. (This notification shall be referred to as the "Notice of Material Breach and Intent to Exclude.")

*Christian Homes- Corporate Integrity Agreement*
3. **Opportunity to Cure.** Christian Homes shall have 30 days from the date of receipt of the Notice of Material Breach and Intent to Exclude to demonstrate that:

a. the alleged material breach has been cured; or

b. the alleged material breach cannot be cured within the 30 day period, but that: (i) Christian Homes has begun to take action to cure the material breach; (ii) Christian Homes is pursuing such action with due diligence; and (iii) Christian Homes has provided to OIG a reasonable timetable for curing the material breach.

4. **Exclusion Letter.** If, at the conclusion of the 30 day period, Christian Homes fails to satisfy the requirements of Section X.D.3, OIG may exclude Christian Homes from participation in the Federal health care programs. OIG shall notify Christian Homes in writing of its determination to exclude Christian Homes. (This letter shall be referred to as the “Exclusion Letter.”) Subject to the Dispute Resolution provisions in Section X.E, below, the exclusion shall go into effect 30 days after the date of Christian Homes’ receipt of the Exclusion Letter. The exclusion shall have national effect. Reinstatement to program participation is not automatic. At the end of the period of exclusion, Christian Homes may apply for reinstatement by submitting a written request for reinstatement in accordance with the provisions at 42 C.F.R. §§ 1001.3001-.3004.

E. **Dispute Resolution**

1. **Review Rights.** Upon OIG’s delivery to Christian Homes of its Demand Letter or of its Exclusion Letter, and as an agreed-upon contractual remedy for the resolution of disputes arising under this CIA, Christian Homes shall be afforded certain review rights comparable to the ones that are provided in 42 U.S.C. § 1320a-7(f) and 42 C.F.R. Part 1005 as if they applied to the Stipulated Penalties or exclusion sought pursuant to this CIA. Specifically, OIG’s determination to demand payment of Stipulated Penalties or to seek exclusion shall be subject to review by an HHS ALJ and, in the event of an appeal, the HHS Departmental Appeals Board (DAB), in a manner consistent with the provisions in 42 C.F.R. § 1005.2-1005.21. Notwithstanding the language in 42 C.F.R. § 1005.2(c), the request for a hearing involving Stipulated Penalties shall be made within 10 days after receipt of the Demand Letter and the request for a hearing involving exclusion shall be made within 25 days after receipt of the Exclusion Letter. The

*Christian Homes- Corporate Integrity Agreement*
procedures relating to the filing of a request for a hearing can be found at http://www.hhs.gov/dab/divisions/civil/procedures/divisionprocedures.html.

2. **Stipulated Penalties Review.** Notwithstanding any provision of Title 42 of the United States Code or Title 42 of the Code of Federal Regulations, the only issues in a proceeding for Stipulated Penalties under this CIA shall be: (a) whether Christian Homes was in full and timely compliance with the obligations of this CIA for which OIG demands payment; and (b) the period of noncompliance. Christian Homes shall have the burden of proving its full and timely compliance and the steps taken to cure the noncompliance, if any. OIG shall not have the right to appeal to the DAB an adverse ALJ decision related to Stipulated Penalties. If the ALJ agrees with OIG with regard to a finding of a breach of this CIA and orders Christian Homes to pay Stipulated Penalties, such Stipulated Penalties shall become due and payable 20 days after the ALJ issues such a decision unless Christian Homes requests review of the ALJ decision by the DAB. If the ALJ decision is properly appealed to the DAB and the DAB upholds the determination of OIG, the Stipulated Penalties shall become due and payable 20 days after the DAB issues its decision.

3. **Exclusion Review.** Notwithstanding any provision of Title 42 of the United States Code or Title 42 of the Code of Federal Regulations, the only issues in a proceeding for exclusion based on a material breach of this CIA shall be whether Christian Homes was in material breach of this CIA and, if so, whether:

   a. Christian Homes cured such breach within 30 days of its receipt of the Notice of Material Breach; or
   
   b. the alleged material breach could not have been cured within the 30 day period, but that, during the 30 day period following Christian Homes’ receipt of the Notice of Material Breach: (i) Christian Homes had begun to take action to cure the material breach; (ii) Christian Homes pursued such action with due diligence; and (iii) Christian Homes provided to OIG a reasonable timetable for curing the material breach.

For purposes of the exclusion herein, exclusion shall take effect only after an ALJ decision favorable to OIG, or, if the ALJ rules for Christian Homes, only after a DAB decision in favor of OIG. Christian Homes’ election of its contractual right to appeal to the DAB shall not abrogate OIG’s authority to exclude Christian Homes upon the issuance of an ALJ’s decision in favor of OIG. If the ALJ sustains the determination of
OIG and determines that exclusion is authorized, such exclusion shall take effect 20 days after the ALJ issues such a decision, notwithstanding that Christian Homes may request review of the ALJ decision by the DAB. If the DAB finds in favor of OIG after an ALJ decision adverse to OIG, the exclusion shall take effect 20 days after the DAB decision. Christian Homes shall waive its right to any notice of such an exclusion if a decision upholding the exclusion is rendered by the ALJ or DAB. If the DAB finds in favor of Christian Homes, Christian Homes shall be reinstated effective on the date of the original exclusion.

4. **Finality of Decision.** The review by an ALJ or DAB provided for above shall not be considered to be an appeal right arising under any statutes or regulations. Consequently, the parties to this CIA agree that the DAB’s decision (or the ALJ’s decision if not appealed) shall be considered final for all purposes under this CIA.

**XI. EFFECTIVE AND BINDING AGREEMENT**

Christian Homes and OIG agree as follows:

A. This CIA shall become final and binding on the date the final signature is obtained on the CIA.

B. This CIA constitutes the complete agreement between the parties and may not be amended except by written consent of the parties to this CIA.

C. OIG may agree to a suspension of Christian Homes’ obligations under this CIA based on a certification by Christian Homes that it is no longer providing health care items or services that will be billed to any Federal health care program and it does not have any ownership or control interest, as defined in 42 U.S.C. § 1320a-3, in any entity that bills any Federal health care program. If Christian Homes is relieved of its CIA obligations, Christian Homes shall be required to notify OIG in writing at least 30 days in advance if Christian Homes plans to resume providing health care items or services that are billed to any Federal health care program or to obtain an ownership or control interest in any entity that bills any Federal health care program. At such time, OIG shall evaluate whether the CIA will be reactivated or modified.

D. All requirements and remedies set forth in this CIA are in addition to and do not affect (1) Christian Homes’ responsibility to follow all applicable Federal health care program requirements or (2) the government’s right to impose appropriate remedies for failure to follow applicable Federal health care program requirements.
E. The undersigned Christian Homes signatories represent and warrant that they are authorized to execute this CIA. The undersigned OIG signatories represent that they are signing this CIA in their official capacities and that they are authorized to execute this CIA.

F. This CIA may be executed in counterparts, each of which constitutes an original and all of which constitute one and the same CIA. Facsimiles of signatures shall constitute acceptable, binding signatures for purposes of this CIA.

INDEPENDENT REVIEW ORGANIZATION

This Appendix contains the requirements relating to the Independent Review Organization (IRO) required by Section III.D of the CIA.

A. IRO Engagement

1. Christian Homes shall engage an IRO that possesses the qualifications set forth in Paragraph B, below, to perform the responsibilities in Paragraph C, below. The IRO shall conduct the review in a professionally independent and objective fashion, as set forth in Paragraph D. Within 30 days after OIG receives the information identified in Section V.A.8 of the CIA or any additional information submitted by Christian Homes in response to a request by OIG, whichever is later, OIG will notify Christian Homes if the IRO is unacceptable. Absent notification from OIG that the IRO is unacceptable, Christian Homes may continue to engage the IRO.

2. If Christian Homes engages a new IRO during the term of the CIA, that IRO must also meet the requirements of this Appendix. If a new IRO is engaged, Christian Homes shall submit the information identified in Section V.A.8 of the CIA to OIG within 30 days of engagement of the IRO. Within 30 days after OIG receives this information or any additional information submitted by Christian Homes at the request of OIG, whichever is later, OIG will notify Christian Homes if the IRO is unacceptable. Absent notification from OIG that the IRO is unacceptable, Christian Homes may continue to engage the IRO.

B. IRO Qualifications

The IRO shall:

1. assign individuals to conduct the MDS Review who have expertise in the MDS requirements, Resource Utilization Group determination, claims submission, and other requirements of the Medicare Prospective Payment System for skilled nursing facilities and in the general requirements of the Federal health care program(s) from which Christian Homes seeks reimbursement;

2. assign individuals to design and select the MDS Review sample who are knowledgeable about the appropriate statistical sampling techniques;

3. assign individuals to conduct the coding review portions of the MDS Review who have a nationally recognized MDS or Resident Assessment Instrument...
certification and who have maintained this certification (e.g., completed applicable continuing education requirements);

4. assign individuals to conduct the Therapy Systems Assessment who have expertise in the Medicare requirements relating to rehabilitation therapy in skilled nursing facilities and in the general requirements of the Federal health care program(s) from which Ensign Group seeks reimbursement; and

5. have sufficient staff and resources to conduct the reviews required by the CIA on a timely basis.

C. IRO Responsibilities

The IRO shall:

1. perform each MDS Review and Therapy Systems Assessment in accordance with the specific requirements of the CIA;

2. follow all applicable Medicare rules and reimbursement guidelines in making assessments in the MDS Review;

3. request clarification from the appropriate authority (e.g., Medicare contractor), if in doubt of the application of a particular Medicare policy or regulation;

4. respond to all OIG inquires in a prompt, objective, and factual manner; and

5. prepare timely, clear, well-written reports that include all the information required by Appendix B and Appendix C to the CIA.

D. IRO Independence and Objectivity

The IRO must perform the MDS Review and Therapy Systems Assessment in a professionally independent and objective fashion, as defined in the most recent Government Auditing Standards issued by the U.S. Government Accountability Office.

E. IRO Removal/Termination

1. Christian Homes and IRO. If Christian Homes terminates its IRO or if the IRO withdraws from the engagement during the term of the CIA, Christian Homes must submit a notice explaining (a) its reasons for termination of the IRO or (b) the IRO’s reasons for its withdrawal to OIG, no later than 30 days after termination or withdrawal. Christian Homes must engage a new IRO in accordance with Paragraph A of this Appendix and within 60 days of termination or withdrawal of the IRO.
2. **OIG Removal of IRO.** In the event OIG has reason to believe the IRO does not possess the qualifications described in Paragraph B, is not independent and objective as set forth in Paragraph D, or has failed to carry out its responsibilities as described in Paragraph C, OIG shall notify Christian Homes in writing regarding OIG's basis for determining that the IRO has not met the requirements of this Appendix. Christian Homes shall have 30 days from the date of OIG's written notice to provide information regarding the IRO's qualifications, independence or performance of its responsibilities in order to resolve the concerns identified by OIG. If, following OIG's review of any information provided by Christian Homes regarding the IRO, OIG determines that the IRO has not met the requirements of this Appendix, OIG shall notify Christian Homes in writing that Christian Homes shall be required to engage a new IRO in accordance with Paragraph A of this Appendix. Christian Homes must engage a new IRO within 60 days of its receipt of OIG's written notice. The final determination as to whether or not to require Christian Homes to engage a new IRO shall be made at the sole discretion of OIG.
APPENDIX B

   c. **Population**: The Population shall be defined as all Paid Claims for the Subject Facilities during the 12-month period covered by the MDS Review.

   d. **Error Rate**: The Error Rate shall be the percentage of net Overpayments identified in the sample. The net Overpayments shall be calculated by subtracting all underpayments identified in the sample from all gross Overpayments identified in the sample. (Note: Any potential cost settlements or other supplemental payments should not be included in the net Overpayment calculation. Rather, only underpayments identified as part of the Discovery Sample shall be included as part of the net Overpayment calculation.)

      The Error Rate is calculated by dividing the net Overpayment identified in the sample by the total dollar amount associated with the Paid Claims in the sample.

   2. **Discovery Sample.** The IRO shall randomly select and review a sample of 30 Paid Claims from each of the three Subject Facilities (Discovery Sample) and conduct the MDS Review (as defined below). The Paid Claims shall be reviewed based on the supporting documentation available at Christian Homes' office or under Christian

Christian Homes - Appendix B

Homes' control and applicable regulations and guidance to determine whether the claim was correctly coded, submitted, and reimbursed.

If the Error Rate (as defined above) for the Discovery Sample for each Subject Facility is less than 5%, no additional sampling is required, nor is the MDS Systems Review required. (Note: The guidelines listed above do not imply that this is an acceptable error rate. Accordingly, Christian Homes should, as appropriate, further analyze any errors identified in the Discovery Sample. Christian Homes recognizes that OIG or other HHS component, in its discretion and as authorized by statute, regulation, or other appropriate authority may also analyze or review Paid Claims included, or errors identified, in the Discovery Sample or any other segment of the universe.)

3. **Full Sample.** If the Discovery Sample at any Subject Facility indicates that the Error Rate is 5% or greater, the IRO shall select an additional sample of Paid Claims from that Subject Facility (Full Sample) using commonly accepted sampling methods. The Paid Claims selected for the Full Sample shall be reviewed based on supporting documentation available at Christian Homes or under Christian Homes’ control and applicable billing and coding regulations and guidance to determine whether the claim was correctly coded, submitted, and reimbursed. For purposes of calculating the size of the Full Sample, the Discovery Sample may serve as the probe sample, if statistically appropriate. Additionally, the IRO may use the Paid Claims sampled as part of the Discovery Sample, and the corresponding findings for those Paid Claims, as part of its Full Sample, if: (1) statistically appropriate and (2) the IRO selects the Full Sample Paid Claims using the seed number generated by the Discovery Sample. The findings of the Full Sample shall be used by the IRO to estimate the actual Overpayment in the Population with a 90% confidence level and with a maximum relative precision of 25% of the point estimate. OIG, in its sole discretion, may refer the findings of the Full Sample (and any related workpapers) received from Christian Homes to the appropriate Federal health care program payor (e.g., Medicare contractor), for appropriate follow-up by that payor.

4. **MDS Review.**
   a. The IRO shall obtain all appropriate medical records, billing records, and related supporting documentation.
   b. For each Paid Claim selected in the Discovery and Full Sample, the IRO shall review the MDS and the medical record documentation supporting the MDS. The review process shall consist of an evaluation of the MDS and verification that each MDS entry that affects the RUG code outcome for the MDS is supported by the medical record for the corresponding period of time consistent with the assessment reference date specified on the MDS.
c. The IRO shall perform an evaluation of the data on the Paid Claim and determine whether the variables that affect the RUG assignment outcome for the MDS are supported by the medical record for the corresponding time period consistent with the assessment reference date specified in the MDS. This shall include the following issues:

i. The accuracy of the MDS coding based on the documentation within the medical record.

ii. Verification of medical necessity in the medical record by verifying the presence of physician orders for the services reflected as necessary in the MDS.

iii. The accuracy of the associated Paid Claims. At a minimum, these shall be reviewed for the following:

A. Coverage Period;
B. Revenue Codes;
C. HIPPS codes (RUG categories and the modifiers for assessment type); and
D. Units of service.

d. In those cases where an incorrect MDS data point(s) has been identified, the IRO shall re-enter data from that MDS into the IRO’s grouper software to verify that the correct RUG code assignment was properly assigned on the Paid Claim. If an incorrect RUG code was assigned, this shall be considered an error.

e. If there is insufficient support for an MDS data point(s) that results in a downward change in RUG assignment, the IRO shall consider the dollar difference to be an overpayment.

f. If an incorrect RUG was used, but it did not result in an overpayment, it shall be noted in the MDS Audit Report.

5. **MDS Systems Review.** If Christian Homes’ Discovery Sample identifies an Error Rate of 5% or greater in any Subject Facility, Christian Homes’ IRO shall also conduct a MDS Systems Review of that Subject Facility. The MDS Systems Review shall consist of the following:

a. a review of Christian Homes’ billing and coding systems and processes relating to claims submitted to Medicare Part A
(including, but not limited to, the operation of the billing system, the process by which claims are coded, safeguards to ensure proper coding, claims submission and billing; and procedures to identify and correct inaccurate coding and billing);

b. for each claim in the Discovery Sample and Full Sample that resulted in an Overpayment, the IRO shall review the system(s) and process(es) that generated the claim and identify any problems or weaknesses that may have resulted in the identified Overpayments. The IRO shall provide its observations and recommendations on suggested improvements to the system(s) and the process(es) that generated the claim.

5. Other Requirements.

a. Supplemental Materials. The IRO shall request all documentation and materials required the MDS Review as part of the Discovery Sample or Full Sample (if applicable), and Christian Homes shall furnish such documentation and materials to the IRO prior to the IRO initiating its MDS review of the Discovery Sample or Full Sample (if applicable). If the IRO accepts any supplemental documentation or materials from Christian Homes after the IRO has completed its initial MDS review of the Discovery Sample or Full Sample (if applicable) (Supplemental Materials), the IRO shall identify in the MDS Review Report the Supplemental Materials, the date the Supplemental Materials were accepted, and the relative weight the IRO gave to the Supplemental Materials in its review. In addition, the IRO shall include a narrative in the MDS Review Report describing the process by which the Supplemental Materials were accepted and the IRO’s reasons for accepting the Supplemental Materials.

b. Paid Claims without Supporting Documentation. Any Paid Claim for which Christian Homes cannot produce documentation sufficient to support the Paid Claim shall be considered an error and the total reimbursement received by Christian Homes for such Paid Claim shall be deemed an Overpayment. Replacement sampling for Paid Claims with missing documentation is not permitted.

c. Use of First Samples Drawn. For the purposes of all samples (Discovery Sample(s) and Full Sample(s)) discussed in this Appendix, the Paid Claims selected in each first sample shall be used (i.e., it is not permissible to generate more than one list of
random samples and then select one for use with the Discovery Sample or Full Sample).

6. Repayment of Identified Overpayments. Christian Homes shall repay within 30 days any Overpayment(s) identified in the Discovery Sample, regardless of the Error Rate, and (if applicable) the Full Sample, including the IRO’s estimate of the actual Overpayment in the Population as determined in accordance with Section A.3 above, in accordance with payor refund policies. Christian Homes shall make available to OIG all documentation that reflects the refund of the Overpayment(s) to the payor.

B. MDS Audit Review Report. The IRO shall prepare a MDS Review Report as described in this Appendix for each MDS Review performed. The following information shall be included in the MDS Audit Review Report for each Discovery Sample and Full Sample (if applicable).

1. MDS Review Methodology.
   a. MDS Audit Population. A description of the Population subject to the MDS Review.
   b. MDS Review Objective. A clear statement of the objective intended to be achieved by the MDS Review.

b. **Quantitative Results.**

ii. Total number and percentage of instances in which the Claim Submitted differed from the Correct Claim and in which such difference resulted in an Overpayment to Christian Homes.

iii. Total dollar amount of all Overpayments in the Discovery Sample and the Full Sample (if applicable).

iv. Total dollar amount of Paid Claims included in the Discovery Sample and the Full Sample and the net Overpayment associated with the Discovery Sample and the Full Sample.

   b. the strengths and weaknesses in Christian Homes’ coding systems and processes; and

   c. possible improvements to Christian Homes’ medical record documentation, coding process, billing and coding systems and processes to address the specific problems or weaknesses that resulted in the identified Overpayments.

5. **Credentials.** The names and credentials of the individuals who: (1) designed the statistical sampling procedures and the review methodology utilized for the MDS Review and (2) performed the MDS Review.
APPENDIX C

THERAPY SYSTEMS ASSESSMENT

A. Therapy Systems Assessment.

1. For each Reporting Period, the IRO shall assess the effectiveness, reliability, and thoroughness of Christian Homes’ rehabilitative therapy systems and Christian Homes’ oversight of its rehabilitative therapy staff at the randomly selected subset of two of the Subject Facilities. The systems assessment shall include, but is not limited to, ensuring that Christian Homes:

a. provides only skilled rehabilitation therapy that is:
   i. delivered pursuant to an individualized plan of care;
   ii. consistent with the nature and severity of the resident’s and/or patient’s individual illness or injury;
   iii. in compliance with accepted standards of medical practice;
   iv. reasonable and necessary given the resident’s and/or patient’s condition and plan of care to improve his or her condition, prevent or slow deterioration of his or her condition, or restore the his or her prior levels of function; and
   v. limited to services that are inherently complex and require the skills of physical, speech, or occupational therapists, among other types of professionals;

b. complies with Medicare program requirements relating to the tracking of therapy minutes (e.g., only includes services that are inherently complex and require the skills of physical, speech, or occupational therapists, among other types of professionals; appropriately accounts for group and concurrent therapy);

c. complies with all Medicare and Christian Homes requirements relating to the documentation of medical records;

d. obtains an assessment, by a physician, of the resident’s and/or patient’s need for skilled therapy and that the skilled services will improve his or her condition, prevent or slow deterioration of his or her condition, or restore his or her prior levels of function;
e. receives appropriate and effective training that, at a minimum, includes the subject matters set forth in Section III.C.1 of the CIA; and

f. communicates and interacts effectively among the corporate, regional, and facility level employees who provide, manage, or oversee the delivery of skilled rehabilitative therapy services to Christian Homes’ residents and/or patients.

2. If, at any time during the term of the CIA, Christian Homes contracts for the provision of therapy services to its residents and/or patients or provides therapy services through an arrangement other than employment, the IRO shall assess the effectiveness, reliability, and thoroughness of Christian Homes’ oversight of those therapy services, including, but not limited to, the areas described in Section A.1 of this Appendix C.

3. In conducting the Therapy Systems Assessments, the IRO shall, at a minimum, review policies and procedures, medical records, and other therapy-related documentation, observe the provision of therapy services at Christian Homes, observe therapy-related care planning meetings, and interview key employees and contractors. Christian Homes shall take all necessary steps to ensure the IRO has access to Christian Homes’ facilities, documents, employees, and contractors to perform the activities set forth in this Section A.3 in a legally and clinically appropriate manner.

1. The IRO shall submit a written report to Christian Homes and OIG (hereinafter the “Therapy Systems Assessment Report”) that sets forth, at a minimum:

   a. A summary of the IRO’s activities in conducting the Therapy Systems Assessment;

   b. The IRO’s findings regarding the effectiveness, reliability, and thoroughness of the oversight described in Section A.1 of this Appendix C;

   c. The IRO’s recommendations to Christian Homes as to how to improve the effectiveness, reliability, and thoroughness of the oversight described in Section A.1 of this Appendix C;

   d. The IRO’s assessment of Christian Homes’ response to the IRO’s recommendations in the prior Therapy Systems Assessment Reports
(this does not need to be included in the Therapy Systems Assessment Report for the first Reporting Period); and

e. The names and credentials of the individuals who performed the Therapy Systems Assessment.

2. The IRO shall submit each Therapy Systems Assessment Report to Christian Homes and OIG no later than 60 days after the end of each Reporting Period.

C. Christian Homes’ Response to the IRO’s Therapy System Assessment Report.

Within 30 days after receipt of each IRO Therapy Systems Assessment Report, Christian Homes shall submit to OIG and the IRO a written response to each recommendation contained in the Therapy Systems Assessment Report stating what action Christian Homes took in response to each recommendation or why Christian Homes has not elected to take action based on the recommendation.
