AND
COLUMBUS REGIONAL HEALTHCARE SYSTEM, INC., THE MEDICAL CENTER, INC. (INCLUDING JOHN B. AMOS CANCER CENTER) AND COLUMBUS AMBULATORY HEALTHCARE SERVICES, INC. (D/B/A COLUMBUS REGIONAL PHYSICIANS GROUP)

I. PREAMBLE

Columbus Regional Healthcare System, Inc., The Medical Center, Inc. (including John B. Amos Cancer Center) and Columbus Ambulatory Healthcare Services, Inc. (d/b/a Columbus Regional Physicians Group) (collectively referred to herein as “CRHS”) hereby enter into this Corporate Integrity Agreement (CIA) with the Office of Inspector General (OIG) of the United States Department of Health and Human Services (HHS) to promote compliance with the statutes, regulations, and written directives of Medicare, Medicaid, and all other Federal health care programs (as defined in 42 U.S.C. § 1320a-7b(f)) (Federal health care program requirements). Contemporaneously with this CIA, CRHS is entering into a Settlement Agreement with the United States.

CRHS represents that, prior to this CIA, CRHS voluntarily established a Compliance Program which provides for a Compliance Officer, various compliance committees, a compliance training and education program, a confidential disclosure reporting hotline, auditing and monitoring activities, and various policies and procedures aimed at ensuring that CRHS’s participation in the federal health care programs conforms to all applicable federal and state laws and Federal health care program requirements. CRHS shall continue its Compliance Program throughout the term of this CIA and shall do so in accordance with the terms set forth below. CRHS may modify its Compliance Program, as appropriate, but at a minimum, CRHS shall ensure that during the term of this CIA, it shall comply with the obligations set forth herein.

II. TERM AND SCOPE OF THE CIA

A. The period of the compliance obligations assumed by CRHS under this CIA shall be five years from the effective date of this CIA. The “Effective Date” shall be the date on which the final signatory of this CIA executes this CIA. Each one-year
period, beginning with the one-year period following the Effective Date, shall be referred to as a “Reporting Period.”

B. Sections VII, X, and XI shall expire no later than 120 days after OIG’s receipt of: (1) CRHS’s final annual report; or (2) any additional materials submitted by CRHS pursuant to OIG’s request, whichever is later.

C. The scope of this CIA shall be governed by the following definitions:

1. “Arrangements” shall mean every arrangement or transaction that:
   a. involves, directly or indirectly, the offer, payment, solicitation, or receipt of anything of value; and is between CRHS and any actual or potential source of health care business or referrals to CRHS or any actual or potential recipient of health care business or referrals from CRHS. The term “source of health care business or referrals” shall mean any individual or entity that refers, recommends, arranges for, orders, leases, or purchases any good, facility, item, or service for which payment may be made in whole or in part by a Federal health care program and the term “recipient of health care business or referrals” shall mean any individual or entity (1) to whom CRHS refers an individual for the furnishing or arranging for the furnishing of any item or service, or (2) from whom CRHS purchases, leases or orders or arranges for or recommends the purchasing, leasing, or ordering of any good, facility, item, or service for which payment may be made in whole or in part by a Federal health care program; or
   b. is between CRHS and a physician (or a physician’s immediate family member (as defined at 42 C.F.R. § 411.351)) who makes a referral (as defined at 42 U.S.C. § 1395nn(h)(5)) to CRHS for designated health services (as defined at 42 U.S.C. § 1395nn(h)(6)).

2. “Focus Arrangements” means every Arrangement that:
   a. is between CRHS and any actual source of health care business or referrals to CRHS and involves, directly or
indirectly, the offer, payment, or provision of anything of value; or

b. is between CRHS and any physician (or a physician’s immediate family member) (as defined at 42 C.F.R. § 411.351) who makes a referral (as defined at 42 U.S.C. § 1395nn(h)(5)) to CRHS for designated health services (as defined at 42 U.S.C. § 1395nn(h)(6)).

Notwithstanding the foregoing provisions of Section II.C.2, any Arrangement that satisfies the requirements of 42 C.F.R. § 411.356 (ownership or investment interests), 42 C.F.R. § 411.357(g) (remuneration unrelated to the provision of designated health services); 42 C.F.R. § 411.357(i) (payments by a physician for items and services); 42 C.F.R. § 411.357(k) (non-monetary compensation); 42 C.F.R. § 411.357(m) (medical staff incidental benefits), 42 C.F.R. § 411.357(o) (compliance training), 42 C.F.R. § 411.357(q) (referral services), 42 C.F.R. § 411.357(s) (professional courtesy), 42 C.F.R. § 357(u) (community-wide health information systems), or any exception to the prohibitions of 42 U.S.C. § 1395nn enacted following the Effective Date that does not require a written agreement shall not be considered a Focus Arrangement for purposes of this CIA.

3. “Covered Persons” includes:

a. all owners, officers, directors, and employees of CRHS; and

b. all contractors, subcontractors, agents, and other persons who furnish patient care items or services or who perform billing or coding functions on behalf of CRHS excluding vendors whose sole connection with CRHS is selling or otherwise providing medical supplies or equipment to CRHS; and

Notwithstanding the above, this term does not include part-time or per diem employees, contractors, subcontractors, agents, and other persons who are not reasonably expected to work more than 160 hours during a Reporting Period, except that any such individuals shall become “Covered Persons” at the point when they work more than 160 hours during a Reporting Period.

   b. making periodic (at least quarterly) reports regarding compliance matters directly to the Board of Directors of CRHS (or a committee of the Board), and shall be authorized to report on such matters to the Board of Directors at any time. Written documentation of the Compliance Officer’s reports to the Board of Directors shall be made available to OIG upon request; and

   c. monitoring the day-to-day compliance activities engaged in by CRHS as well as for any reporting obligations created under this CIA.

Any noncompliance job responsibilities of the Compliance Officer shall be limited and must not interfere with the Compliance Officer’s ability to perform the duties outlined in this CIA.
CRHS shall report to OIG, in writing, any changes in the identity or position description of the Compliance Officer, or any actions or changes that would affect the Compliance Officer’s ability to perform the duties necessary to meet the obligations in this CIA, within five days after such a change.

2. **Compliance Committee.** Within 90 days after the Effective Date, CRHS shall appoint a Compliance Committee. The Compliance Committee shall, at a minimum, include the Compliance Officer and other members of senior management necessary to meet the requirements of this CIA (e.g., senior executives of relevant departments, such as billing, clinical, human resources, audit, and operations). The Compliance Officer shall chair the Compliance Committee and the Committee shall support the Compliance Officer in fulfilling his/her responsibilities (e.g., shall assist in the analysis of CRHS’s risk areas and shall oversee monitoring of internal and external audits and investigations). The Compliance Committee shall meet at least quarterly. The minutes of the Compliance Committee meetings shall be made available to OIG upon request.

CRHS shall report to OIG, in writing, any changes in the composition of the Compliance Committee, or any actions or changes that would affect the Compliance Committee’s ability to perform the duties necessary to meet the obligations in this CIA, within 15 days after such a change.

3. **Board of Directors Compliance Obligations.** The Board of Directors (or a committee of the Board) of CRHS (Board) shall be responsible for the review and oversight of matters related to compliance with Federal health care program requirements and the obligations of this CIA. The Board must include independent (i.e., non-executive) members.

The Board (or a committee of the Board) shall, at a minimum, be responsible for the following:

a. meeting at least quarterly to review and oversee CRHS’s compliance program, including but not limited to the performance of the Compliance Officer and Compliance Committee;

b. submitting to the OIG a description of the documents and other materials it reviewed, as well as any additional steps taken, such as the engagement of an independent advisor or
other third party resources, in its oversight of the compliance program and in support of making the resolution below during each Reporting Period; and

c. for each Reporting Period of the CIA, adopting a resolution, signed by each member of the Board summarizing its review and oversight of CRHS’s compliance with Federal health care program requirements and the obligations of this CIA.

At minimum, the resolution shall include the following language:

“The Board of Directors (or a committee of the Board) has made a reasonable inquiry into the operations of CRHS’s Compliance Program including the performance of the Compliance Officer and the Compliance Committee. Based on its inquiry and review, the Board has concluded that, to the best of its knowledge, CRHS has implemented an effective Compliance Program to meet Federal health care program requirements and the obligations of the CIA.”

If the Board is unable to provide such a conclusion in the resolution, the Board shall include in the resolution a written explanation of the reasons why it is unable to provide the conclusion and the steps it is taking to implement an effective Compliance Program at CRHS.

CRHS shall report to OIG, in writing, any changes in the composition of the Board, or any actions or changes that would affect the Board’s ability to perform the duties necessary to meet the obligations in this CIA, within 15 days after such a change.

4. **Management Certifications.** In addition to the responsibilities set forth in this CIA for all Covered Persons, certain CRHS employees (Certifying Employees) are specifically expected to monitor and oversee activities within their areas of authority and shall annually certify that the applicable CRHS department is in compliance with applicable Federal health care program requirements and with the obligations of this CIA. My job responsibilities include ensuring compliance with regard to the [insert name of department] with all applicable Federal health care program requirements, obligations of the Corporate Integrity Agreement, and CRHS policies, and I have taken steps to promote such compliance. To the best of my knowledge, the [insert name of department] of CRHS is in compliance with all applicable Federal health care program requirements and the obligations of the Corporate Integrity Agreement. I understand that this certification is being provided to and relied upon by the United States.”

If any Certifying Employee is unable to provide such a certification, the Certifying Employee shall provide a written explanation of the reasons why he or she is unable to provide the certification outlined above.

B. Written Standards

1. Code of Conduct. Within 120 days after the Effective Date, CRHS shall develop, implement, and distribute a written Code of Conduct to all Covered Persons. CRHS shall make the performance of job responsibilities in a manner consistent with the Code of Conduct an element in evaluating the performance of all employees. The Code of Conduct shall, at a minimum, set forth:

   a. CRHS’s commitment to full compliance with all Federal health care program requirements;  

   b. CRHS’s requirement that all of its Covered Persons shall be expected to comply with all Federal health care program requirements and with CRHS’s own policies and procedures; 

   c. the requirement that all of CRHS’s Covered Persons shall be expected to report to the Compliance Officer, or other appropriate individual designated by CRHS, suspected
violations of any Federal health care program requirements or of CRHS’ own Policies and Procedures; and

d. the right of all individuals to use the Disclosure Program described in Section III.F, and CRHS’s commitment to nonretaliation and to maintain, as appropriate, confidentiality and anonymity with respect to such disclosures.

Within 120 days after the Effective Date, CRHS shall distribute the Code of Conduct to all Covered Persons. CRHS shall review the Code of Conduct at least annually to determine if revisions are appropriate and shall make any necessary revisions based on such review. The Code of Conduct shall be distributed at least annually to all Covered Persons.

2. Policies and Procedures. Within 120 days after the Effective Date, CRHS shall develop and implement written policies and procedures regarding the operation of its compliance program, including the compliance program requirements outlined in this CIA and CRHS’s compliance with Federal health care program requirements (Policies and Procedures). The Policies and Procedures also shall address:

a. 42 U.S.C. § 1320a-7b(b) (Anti-Kickback Statute) and 42 U.S.C. § 1395nn (Stark Law), and the regulations and other guidance documents related to these statutes, and business or financial arrangements or contracts that generate unlawful Federal health care program business in violation of the Anti-Kickback Statute or the Stark Law; and

b. the requirements set forth in Section III.D (Compliance with the Anti-Kickback Statute and Stark Law).

Within 120 days after the Effective Date, the Policies and Procedures shall be distributed to all Covered Persons. Appropriate and knowledgeable staff shall be available to explain the Policies and Procedures. Throughout the term of this CIA, CRHS shall enforce and comply with its Policies and Procedures and shall make such compliance an element of evaluating the performance of all employees.

C. Training and Education

1. Training Plan. Within 120 days after the Effective Date, CRHS shall develop a written plan (Training Plan) that outlines the steps CRHS will take to ensure that: (a) all Covered Persons receive adequate training regarding CRHS’s CIA requirements and Compliance Program, including the Code of Conduct (General Training) and (b) all Arrangements Covered Persons receive adequate training regarding: (i) Arrangements that potentially implicate the Anti-Kickback Statute or the Stark Law, as well as the regulations and other guidance documents related to these statutes; (ii) CRHS’s policies, procedures, and other requirements relating to Arrangements and Focus Arrangements, including but not limited to the Focus Arrangements Tracking System, the internal review and approval process, and the tracking of remuneration to and from sources of health care business or referrals required by Section III.D of the CIA; (iii) the personal obligation of each individual involved in the development, approval, management, or review of CRHS’s Arrangements to know the applicable legal requirements and the CRHS’s policies and procedures; (iv) the legal sanctions under the Anti-Kickback Statute and the Stark Law; and (v) examples of violations of the Anti-Kickback Statute and the Stark Law.

The Training Plan shall include information regarding the training topics, the identification of Covered Persons and Arrangements Covered Persons required to attend each training session, the length of the training, the schedule for training, and the format of the training. Within 30 days of the OIG’s receipt of CRHS’s Training Plan, OIG will notify CRHS of any comments or objections to the Training Plan. Absent notification by the OIG that the Training Plan is unacceptable, CRHS may implement its Training Plan. CRHS shall furnish training to its Covered Persons and Arrangements Covered Persons pursuant to the Training Plan during each Reporting Period.

2. Board Member Training. Within 120 days after the Effective Date, CRHS shall provide at least two hours of training to each member of the Board of Directors. This training shall address the CRHS’s CIA requirements and Compliance Program (including the Code of Conduct), the corporate governance responsibilities of board members, and the responsibilities of board members with respect to review and oversight of the Compliance Program. Specifically, the training shall address the unique responsibilities of health care Board members, including the risks, oversight areas, and strategic approaches to conducting oversight of a health care entity. This training may be
conducted by an outside compliance expert hired by the Board and should include a
discussion of the OIG’s guidance on Board member responsibilities.

New members of the Board of Directors shall receive the Board Member Training
described above within 30 days after becoming a member or within 120 days after the
Effective Date, whichever is later.

3. **Certification.** Each individual who is required to attend training
shall certify, in writing or in electronic form, that he or she has received the required
training. The certification shall specify the type of training received and the date
received. The Compliance Officer (or designee) shall retain the certifications, along with
all course materials.

4. **Qualifications of Trainer.** Persons providing the training shall be
knowledgeable about the subject area.

5. **Update of Training Plan.** CRHS shall review the Training Plan
annually, and, where appropriate, update the Training Plan to reflect changes in Federal
health care program requirements, any issues discovered during internal audits or the
Arrangements Review, and any other relevant information. Any updates to the Training
Plan must be reviewed and approved by the OIG prior to the implementation of the
revised Training Plan. Within 30 days of OIG’s receipt of any updates or revisions to
CRHS’s Training Plan, OIG will notify CRHS of any comments or objections to the
revised Training Plan. Absent notification from the OIG that the revised Training Plan is
unacceptable, CRHS may implement the revised Training Plan.

6. **Computer-based Training.** CRHS may provide the training required
under this CIA through appropriate computer-based training approaches. If CRHS
chooses to provide computer-based training, it shall make available appropriately
qualified and knowledgeable staff or trainers to answer questions or provide additional
information to the individuals receiving such training.

**D. Compliance with the Anti-Kickback Statute and Stark Law**

1. **Focus Arrangements Procedures.** Within 120 days after the
Effective Date, CRHS shall create procedures reasonably designed to ensure that each
existing and new or renewed Focus Arrangement does not violate the Anti-Kickback
Statute and/or the Stark Law or the regulations, directives, and guidance related to these
statutes (Focus Arrangements Procedures). These procedures shall include the following:
a. creating and maintaining a centralized tracking system for all existing and new or renewed Focus Arrangements (Focus Arrangements Tracking System);

b. tracking remuneration to and from all parties to Focus Arrangements;

c. tracking service and activity logs to ensure that parties to the Focus Arrangement are performing the services required under the applicable Focus Arrangement(s) (if applicable);

d. monitoring the use of leased space, medical supplies, medical devices, equipment, or other patient care items to ensure that such use is consistent with the terms of the applicable Focus Arrangement(s) (if applicable);

e. establishing and implementing a written review and approval process for all Focus Arrangements, the purpose of which is to ensure that all new and existing or renewed Focus Arrangements do not violate the Anti-Kickback Statute and Stark Law, and that includes at least the following: (i) a legal review of all Focus Arrangements by counsel with expertise in the Anti-Kickback Statute and Stark Law, (ii) a process for specifying the business need or business rationale for all Focus Arrangements, and (iii) a process for determining and documenting the fair market value of the remuneration specified in the Focus Arrangement;

f. requiring the Compliance Officer to review the Focus Arrangements Tracking System, internal review and approval process, and other Focus Arrangements Procedures on at least an annual basis and to provide a report on the results of such review to the Compliance Committee; and

g. implementing effective responses when suspected violations of the Anti-Kickback Statute and Stark Law are discovered, including disclosing Reportable Events and quantifying and repaying Overpayments pursuant to Sections III.I and III.J when appropriate.
2. **New or Renewed Focus Arrangements.** Prior to entering into new Focus Arrangements or renewing existing Focus Arrangements, in addition to complying with the Focus Arrangements Procedures set forth above, CRHS shall comply with the following requirements (Focus Arrangements Requirements):

   a. Ensure that each Focus Arrangement is set forth in writing and signed by CRHS and the other parties to the Focus Arrangement;

   b. Include in the written agreement a requirement that each party to a Focus Arrangement who meets the definition of a Covered Person shall complete at least one hour of training regarding the Anti-Kickback Statute and the Stark Law and examples of arrangements that potentially implicate the Anti-Kickback Statute or the Stark Law. Additionally, CRHS shall provide each party to the Focus Arrangement with a copy of its Code of Conduct and Stark Law and Anti-Kickback Statute Policies and Procedures;

   c. Include in the written agreement a certification by the parties to the Focus Arrangement that the parties shall not violate the Anti-Kickback Statute and the Stark Law with respect to the performance of the Arrangement.

3. **Records Retention and Access.** CRHS shall retain and make available to OIG, upon request, the Focus Arrangements Tracking System and all supporting documentation of the Focus Arrangements subject to this Section and, to the extent available, all non-privileged communications related to the Focus Arrangements and the actual performance of the duties under the Focus Arrangements.

E. **Review Procedures**

1. **General Description.**

   a. *Engagement of Independent Review Organization.* Within 120 days after the Effective Date, CRHS shall engage an entity (or entities), such as an accounting, auditing, law, or consulting firm (hereinafter “Independent Review Organization” or “IRO”), to perform the reviews listed in this
Section III.E. The applicable requirements relating to the IRO are outlined in Appendix A to this CIA, which is incorporated by reference.

b. *Retention of Records.* The IRO and CRHS shall retain and make available to OIG, upon request, all work papers, supporting documentation, correspondence, and draft reports (those exchanged between the IRO and CRHS) related to the reviews.

c. *Responsibilities and Liabilities.* Nothing in this Section III.E affects CRHS’s responsibilities or liabilities under any criminal, civil, or administrative laws or regulations applicable to any Federal health care program including, but not limited to, the Anti-Kickback Statute and/or the Stark Law.

2. *Arrangements Review.* The IRO shall perform an Arrangements Review and prepare an Arrangements Review Report as outlined in Appendix B to this CIA, which is incorporated by reference.

3. *Validation Review.* In the event OIG has reason to believe that: (a) any Arrangements Review fails to conform to the requirements of this CIA; or (b) the IRO’s findings or Arrangements Review results are inaccurate, OIG may, at its sole discretion, conduct its own review to determine whether the Arrangements Review complied with the requirements of the CIA and/or the findings or Arrangements Review results are inaccurate (Validation Review). CRHS shall pay for the reasonable cost of any such review performed by OIG or any of its designated agents. Any Validation Review of an Arrangements Review submitted as part of CRHS’s final Annual Report shall be initiated no later than one year after CRHS’s final submission (as described in Section II) is received by OIG.

Prior to initiating a Validation Review, OIG shall notify CRHS in writing of its intent to do so and provide an explanation of the reasons OIG has determined a Validation Review is necessary. CRHS shall have 30 days following the date of the OIG’s written notice to submit a written response to OIG that includes any additional or relevant information to clarify the results of the Arrangements Review or to correct the inaccuracy of the Arrangements Review and/or propose alternatives to the proposed...
Valiation Review. The final determination as to whether or not to proceed with a Validation Review shall be made at the sole discretion of OIG.

4. Independence and Objectivity Certification. The IRO shall include in its report(s) to CRHS a certification that the IRO has (a) evaluated its professional independence and objectivity with respect to the reviews required under this Section III.E and (b) concluded that it is, in fact, independent and objective, in accordance with the requirements specified in Appendix A to this CIA.

F. Risk Assessment and Internal Review Process

Within 120 days after the Effective Date, CRHS shall develop and implement a centralized annual risk assessment and internal review process to identify and address risks associated with Arrangements (as defined in Section II.C.1 above). The risk assessment and internal review process should require compliance, legal and department leaders, at least annually, to: (1) identify and prioritize risks, (2) develop internal audit work plans related to the identified risk areas, (3) implement the internal audit work plans, (4) develop corrective action plans in response to the results of any internal audits performed, and (5) track the implementation of the corrective action plans in order to assess the effectiveness of such plans. CRHS shall maintain the risk assessment and internal review process for the term of the CIA.

G. Disclosure Program

Within 90 days after the Effective Date, CRHS shall establish a Disclosure Program that includes a mechanism (e.g., a toll-free compliance telephone line) to enable individuals to disclose, to the Compliance Officer or some other person who is not in the disclosing individual’s chain of command, any identified issues or questions associated with CRHS’s policies, conduct, practices, or procedures with respect to a Federal health care program believed by the individual to be a potential violation of criminal, civil, or administrative law. CRHS shall appropriately publicize the existence of the disclosure mechanism (e.g., via periodic e-mails to employees or by posting the information in prominent common areas).

The Disclosure Program shall emphasize a nonretribution, nonretaliation policy, and shall include a reporting mechanism for anonymous communications for which appropriate confidentiality shall be maintained. Upon receipt of a disclosure, the Compliance Officer (or designee) shall gather all relevant information from the disclosing individual. The Compliance Officer (or designee) shall make a preliminary,
good faith inquiry into the allegations set forth in every disclosure to ensure that he or she has obtained all of the information necessary to determine whether a further review should be conducted. For any disclosure that is sufficiently specific so that it reasonably:

(1) permits a determination of the appropriateness of the alleged improper practice; and
(2) provides an opportunity for taking corrective action, CRHS shall conduct an internal review of the allegations set forth in the disclosure and ensure that proper follow-up is conducted.

The Compliance Officer (or designee) shall maintain a disclosure log and shall record each disclosure in the disclosure log within two business days of receipt of the disclosure. The disclosure log shall include a summary of each disclosure received (whether anonymous or not), the status of the respective internal reviews, and any corrective action taken in response to the internal reviews.

H. Ineligible Persons

1. Definitions. For purposes of this CIA:

a. an “Ineligible Person” shall include an individual or entity who:

i. is currently excluded, debarred, suspended, or otherwise ineligible to participate in the Federal health care programs or in Federal procurement or nonprocurement programs; or

ii. has been convicted of a criminal offense that falls within the scope of 42 U.S.C. § 1320a-7(a), but has not yet been excluded, debarred, suspended, or otherwise declared ineligible.

b. “Exclusion Lists” include:

i. the HHS/OIG List of Excluded Individuals/Entities (LEIE) (available through the Internet at http://www.oig.hhs.gov); and
ii. the General Services Administration’s System for
Award Management (SAM) (available through the

2. Screening Requirements. CRHS shall ensure that all prospective and
current Covered Persons are not Ineligible Persons, by implementing the following
screening requirements.

a. CRHS shall screen all prospective Covered Persons against
the Exclusion Lists prior to engaging their services and, as
part of the hiring or contracting process, shall require such
Covered Persons to disclose whether they are Ineligible
Persons.

b. CRHS shall screen all current Covered Persons against the
Exclusion Lists within 120 days after the Effective Date and
thereafter shall screen against the LEIE on a monthly basis
and screen against SAM on an annual basis.

c. CRHS shall implement a policy requiring all Covered Persons
to disclose immediately any debarment, exclusion,
suspension, or other event that makes that person an
Ineligible Person.

Nothing in this Section III.H affects CRHS’s responsibility to refrain from (and
liability for) billing Federal health care programs for items or services furnished, ordered,
or prescribed by an excluded person. CRHS understands that items or services furnished,
ordered, or prescribed by excluded persons are not payable by Federal health care
programs and that CRHS may be liable for overpayments and/or criminal, civil, and
administrative sanctions for employing or contracting with an excluded person regardless
of whether CRHS meets the requirements of Section III.H.

3. Removal Requirement. If CRHS has actual notice that a Covered
Person has become an Ineligible Person, CRHS shall remove such Covered Person from
responsibility for, or involvement with, CRHS’s business operations related to the
Federal health care programs and shall remove such Covered Person from any position
for which the Covered Person’s compensation or the items or services furnished, ordered,
or prescribed by the Covered Person are paid in whole or part, directly or indirectly, by

Federal health care programs or otherwise with Federal funds at least until such time as the Covered Person is reinstated into participation in the Federal health care programs.

4. **Pending Charges and Proposed Exclusions.** If CRHS has actual notice that a Covered Person is charged with a criminal offense that falls within the scope of 42 U.S.C. §§ 1320a-7(a), 1320a-7(b)(1)-(3), or is proposed for exclusion during the Covered Person’s employment or contract term or during the term of a physician’s or other practitioner’s medical staff privileges, CRHS shall take all appropriate actions to ensure that the responsibilities of that Covered Person have not and shall not adversely affect the quality of care rendered to any beneficiary or the accuracy of any claims submitted to any Federal health care program.

I. **Notification of Government Investigation or Legal Proceeding**

Within 30 days after discovery, CRHS shall notify OIG, in writing, of any ongoing investigation or legal proceeding known to CRHS conducted or brought by a governmental entity or its agents involving an allegation that CRHS has committed a crime or has engaged in fraudulent activities. This notification shall include a description of the allegation, the identity of the investigating or prosecuting agency, and the status of such investigation or legal proceeding. CRHS shall also provide written notice to OIG within 30 days after the resolution of the matter, and shall provide OIG with a description of the findings and/or results of the investigation or proceeding, if any.

J. **Overpayments**

1. **Definition of Overpayments.** For purposes of this CIA, an “Overpayment” shall mean the amount of money CRHS has received in excess of the amount due and payable under any Federal health care program requirements.

2. **Overpayment Policies and Procedures.** Within 90 days after the Effective Date, CRHS shall develop and implement written policies and procedures regarding the identification, quantification and repayment of Overpayments received from any Federal health care program.

3. **Repayment of Overpayments.**

   a. If, at any time, CRHS identifies any Overpayment, CRHS shall repay the Overpayment to the appropriate payor (e.g., Medicare contractor) within 60 days after identification of the
Overpayment and take remedial steps within 90 days after identification (or such additional time as may be agreed to by the payor) to correct the problem, including preventing the underlying problem and the Overpayment from recurring. If not yet quantified, within 60 days after identification, CRHS shall notify the payor of its efforts to quantify the Overpayment amount along with a schedule of when such work is expected to be completed. Notification and repayment to the payor shall be done in accordance with the payor’s policies.

b. Notwithstanding the above, notification and repayment of any Overpayment amount that routinely is reconciled or adjusted pursuant to policies and procedures established by the payor should be handled in accordance with such policies and procedures.

K. Reportable Events

1. Definition of Reportable Event. For purposes of this CIA, a “Reportable Event” means anything that involves:

   a. a substantial Overpayment;

   b. a matter that a reasonable person would consider a probable violation of criminal, civil, or administrative laws applicable to any Federal health care program for which penalties or exclusion may be authorized;

   c. the employment of or contracting with a Covered Person who is an Ineligible Person as defined by Section III.H.1.a; or

   d. the filing of a bankruptcy petition by CRHS.

A Reportable Event may be the result of an isolated event or a series of occurrences.

2. Reporting of Reportable Events. If CRHS determines (after a reasonable opportunity to conduct an appropriate review or investigation of the allegations) through any means that there is a Reportable Event, CRHS shall notify OIG,
in writing, within 30 days after making the determination that the Reportable Event exists.

7. **Reportable Events Involving the Stark Law.** Notwithstanding the reporting requirements outlined above, any Reportable Event that involves solely a probable violation of section 1877 of the Social Security Act, 42 U.S.C. §1395nn (the Stark Law) should be submitted by CRHS to the Centers for Medicare & Medicaid Services (CMS) through the self-referral disclosure protocol (SRDP), with a copy to the OIG. The requirements of Section III.J.3 that require repayment to the payor of any identified Overpayment within 60 days shall not apply to any Overpayment that may result from a probable violation of solely the Stark Law that is disclosed to CMS pursuant to the SRDP. If CRHS identifies a probable violation of the Stark Law and repays the applicable Overpayment directly to the CMS contractor, then CRHS is not required by this Section III.J to submit the Reportable Event to CMS through the SRDP.

VII. OIG INSPECTION, AUDIT, AND REVIEW RIGHTS

In addition to any other rights OIG may have by statute, regulation, or contract, OIG or its duly authorized representative(s) may examine and/or request copies of CRHS’s books, records, and other documents and supporting materials and/or conduct on-site reviews of any of CRHS’s locations for the purpose of verifying and evaluating: (a) CRHS’s compliance with the terms of this CIA; and (b) CRHS’s compliance with the requirements of the Federal health care programs. CRHS’s Covered Persons may elect to be interviewed with or without a representative of CRHS present.

VIII. DOCUMENT AND RECORD RETENTION

CRHS Corporate Integrity Agreement
CRHS shall maintain for inspection all documents and records relating to reimbursement from the Federal health care programs and to compliance with this CIA for six years (or longer if otherwise required by law) from the Effective Date.

IX. DISCLOSURES

Consistent with HHS's FOIA procedures, set forth in 45 C.F.R. Part 5, OIG shall make a reasonable effort to notify CRHS prior to any release by OIG of information submitted by CRHS pursuant to its obligations under this CIA and identified upon submission by CRHS as trade secrets, or information that is commercial or financial and privileged or confidential, under the FOIA rules. With respect to such releases, CRHS shall have the rights set forth at 45 C.F.R. § 5.65(d).

X. BREACH AND DEFAULT PROVISIONS

CRHS is expected to fully and timely comply with all of its CIA obligations.

A. Stipulated Penalties for Failure to Comply with Certain Obligations

As a contractual remedy, CRHS and OIG hereby agree that failure to comply with certain obligations as set forth in this CIA may lead to the imposition of the following monetary penalties (hereinafter referred to as "Stipulated Penalties") in accordance with the following provisions.

1. A Stipulated Penalty of $2,500 (which shall begin to accrue on the day after the date the obligation became due) for each day CRHS fails to establish and implement any of the following obligations as described in Sections III and IV:
   a. a Compliance Officer;
   b. a Compliance Committee;
   c. the Board of Directors compliance obligations;
   d. the management certification obligations;
   e. a written Code of Conduct;
   f. written Policies and Procedures;
g. the development and/or implementation of a Training Plan for the training of Covered Persons, Arrangements Covered Persons, and Board Members;

h. the Focus Arrangements Procedures and/or Focus Arrangements Requirements described in Sections III.D.1 and III.D.2;

i. a risk assessment and internal review process as required by Section III.F;

j. a Disclosure Program;

k. Ineligible Persons screening and removal requirements;

l. notification of Government investigations or legal proceedings;

m. policies and procedures regarding the repayment of Overpayments;

n. the repayment of Overpayments as required by Section III.J and Appendix B;

o. reporting of Reportable Events; and

p. disclosure of changes to business units or locations.

2. A Stipulated Penalty of $2,500 (which shall begin to accrue on the day after the date the obligation became due) for each day CRHS fails to engage and use an IRO, as required by Section III.E, Appendix A, or Appendix B.

3. A Stipulated Penalty of $2,500 (which shall begin to accrue on the day after the date the obligation became due) for each day CRHS fails to submit the Implementation Report or any Annual Reports to OIG in accordance with the requirements of Section V by the deadlines for submission.

4. A Stipulated Penalty of $2,500 (which shall begin to accrue on the day after the date the obligation became due) for each day CRHS fails to submit any CRHS Corporate Integrity Agreement
Arrangements Review Report in accordance with the requirements of Section III.E and Appendix B.

5. A Stipulated Penalty of $1,500 for each day CRHS fails to grant access as required in Section VII. (This Stipulated Penalty shall begin to accrue on the date CRHS fails to grant access.)

6. A Stipulated Penalty of $50,000 for each false certification submitted by or on behalf of CRHS as part of its Implementation Report, any Annual Report, additional documentation to a report (as requested by the OIG), or otherwise required by this CIA.

7. A Stipulated Penalty of $1,000 for each day CRHS fails to comply fully and adequately with any obligation of this CIA. OIG shall provide notice to CRHS stating the specific grounds for its determination that CRHS has failed to comply fully and adequately with the CIA obligation(s) at issue and steps CRHS shall take to comply with the CIA. (This Stipulated Penalty shall begin to accrue 10 days after the date CRHS receives this notice from OIG of the failure to comply.) A Stipulated Penalty as described in this Subsection shall not be demanded for any violation for which OIG has sought a Stipulated Penalty under Subsections 1-6 of this Section.

B. Timely Written Requests for Extensions

CRHS may, in advance of the due date, submit a timely written request for an extension of time to perform any act or file any notification or report required by this CIA. Notwithstanding any other provision in this Section, if OIG grants the timely written request with respect to an act, notification, or report, Stipulated Penalties for failure to perform the act or file the notification or report shall not begin to accrue until one day after CRHS fails to meet the revised deadline set by OIG. Notwithstanding any other provision in this Section, if OIG denies such a timely written request, Stipulated Penalties for failure to perform the act or file the notification or report shall not begin to accrue until three days after CRHS receives OIG’s written denial of such request or the original due date, whichever is later. A “timely written request” is defined as a request in writing received by OIG at least five days prior to the date by which any act is due to be performed or any notification or report is due to be filed.

C. Payment of Stipulated Penalties

CRHS Corporate Integrity Agreement
1. **Demand Letter.** Upon a finding that CRHS has failed to comply with any of the obligations described in Section X.A and after determining that Stipulated Penalties are appropriate, OIG shall notify CRHS of: (a) CRHS’s failure to comply; and (b) OIG’s exercise of its contractual right to demand payment of the Stipulated Penalties. (This notification shall be referred to as the “Demand Letter.”)

2. **Response to Demand Letter.** Within 10 days after the receipt of the Demand Letter, CRHS shall either: (a) cure the breach to OIG’s satisfaction and pay the applicable Stipulated Penalties or (b) request a hearing before an HHS administrative law judge (ALJ) to dispute OIG’s determination of noncompliance, pursuant to the agreed upon provisions set forth below in Section X.E. In the event CRHS elects to request an ALJ hearing, the Stipulated Penalties shall continue to accrue until CRHS cures, to OIG’s satisfaction, the alleged breach in dispute. Failure to respond to the Demand Letter in one of these two manners within the allowed time period shall be considered a material breach of this CIA and shall be grounds for exclusion under Section X.D.

3. **Form of Payment.** Payment of the Stipulated Penalties shall be made by electronic funds transfer to an account specified by OIG in the Demand Letter.

4. **Independence from Material Breach Determination.** Except as set forth in Section X.D.1.c, these provisions for payment of Stipulated Penalties shall not affect or otherwise set a standard for OIG’s decision that CRHS has materially breached this CIA, which decision shall be made at OIG’s discretion and shall be governed by the provisions in Section X.D, below.

D. **Exclusion for Material Breach of this CIA**

1. **Definition of Material Breach.** A material breach of this CIA means:

   a. a failure by CRHS to report a Reportable Event, take corrective action, or make the appropriate refunds, as required in Section III.K;

   b. repeated violations or a flagrant violation of any of the obligations under this CIA, including, but not limited to, the obligations addressed in Section X.A;

CRHS Corporate Integrity Agreement

32
c. a failure to respond to a Demand Letter concerning the payment of Stipulated Penalties in accordance with Section X.C; or

d. a failure to engage and use an IRO in accordance with Section III.E, Appendix A, or Appendix B.

2. **Notice of Material Breach and Intent to Exclude.** The parties agree that a material breach of this CIA by CRHS constitutes an independent basis for CRHS’s exclusion from participation in the Federal health care programs. The length of the exclusion shall be in the OIG’s discretion, but not more than five years per material breach. Upon a determination by OIG that CRHS has materially breached this CIA and that exclusion is the appropriate remedy, OIG shall notify CRHS of: (a) CRHS’s material breach; and (b) OIG’s intent to exercise its contractual right to impose exclusion. (This notification shall be referred to as the “Notice of Material Breach and Intent to Exclude.”)

3. **Opportunity to Cure.** CRHS shall have 30 days from the date of receipt of the Notice of Material Breach and Intent to Exclude to demonstrate that:

a. the alleged material breach has been cured; or

b. the alleged material breach cannot be cured within the 30-day period, but that: (i) CRHS has begun to take action to cure the material breach; (ii) CRHS is pursuing such action with due diligence; and (iii) CRHS has provided to OIG a reasonable timetable for curing the material breach.

4. **Exclusion Letter.** If, at the conclusion of the 30-day period, CRHS fails to satisfy the requirements of Section X.D.3, OIG may exclude CRHS from participation in the Federal health care programs. OIG shall notify CRHS in writing of its determination to exclude CRHS. (This letter shall be referred to as the “Exclusion Letter.”) Subject to the Dispute Resolution provisions in Section X.E, below, the exclusion shall go into effect 30 days after the date of CRHS’s receipt of the Exclusion Letter. The exclusion shall have national effect. Reinstatement to program participation is not automatic. At the end of the period of exclusion, CRHS may apply for reinstatement by submitting a written request for reinstatement in accordance with the provisions at 42 C.F.R. §§ 1001.3001-.3004.

CRHS Corporate Integrity Agreement 33
E. Dispute Resolution

1. Review Rights. Upon OIG’s delivery to CRHS of its Demand Letter or of its Exclusion Letter, and as an agreed-upon contractual remedy for the resolution of disputes arising under this CIA, CRHS shall be afforded certain review rights comparable to the ones that are provided in 42 U.S.C. § 1320a-7(f) and 42 C.F.R. Part 1005 as if they applied to the Stipulated Penalties or exclusion sought pursuant to this CIA. Specifically, OIG’s determination to demand payment of Stipulated Penalties or to seek exclusion shall be subject to review by an HHS ALJ and, in the event of an appeal, the HHS Departmental Appeals Board (DAB), in a manner consistent with the provisions in 42 C.F.R. § 1005.2-1005.21. Notwithstanding the language in 42 C.F.R. § 1005.2(c), the request for a hearing involving Stipulated Penalties shall be made within 10 days after receipt of the Demand Letter and the request for a hearing involving exclusion shall be made within 25 days after receipt of the Exclusion Letter. The procedures relating to the filing of a request for a hearing can be found at http://www.hhs.gov/dab/divisions/civil/procedures/divisionprocedures.html.

2. Stipulated Penalties Review. Notwithstanding any provision of Title 42 of the United States Code or Title 42 of the Code of Federal Regulations, the only issues in a proceeding for Stipulated Penalties under this CIA shall be: (a) whether CRHS was in full and timely compliance with the obligations of this CIA for which OIG demands payment; and (b) the period of noncompliance. CRHS shall have the burden of proving its full and timely compliance and the steps taken to cure the noncompliance, if any. OIG shall not have the right to appeal to the DAB an adverse ALJ decision related to Stipulated Penalties. If the ALJ agrees with OIG with regard to a finding of a breach of this CIA and orders CRHS to pay Stipulated Penalties, such Stipulated Penalties shall become due and payable 20 days after the ALJ issues such a decision unless CRHS requests review of the ALJ decision by the DAB. If the ALJ decision is properly appealed to the DAB and the DAB upholds the determination of OIG, the Stipulated Penalties shall become due and payable 20 days after the DAB issues its decision.

3. Exclusion Review. Notwithstanding any provision of Title 42 of the United States Code or Title 42 of the Code of Federal Regulations, the only issues in a proceeding for exclusion based on a material breach of this CIA shall be whether CRHS was in material breach of this CIA and, if so, whether:

   a. CRHS cured such breach within 30 days of its receipt of the Notice of Material Breach; or
b. the alleged material breach could not have been cured within the 30 day period, but that, during the 30 day period following CRHS’s receipt of the Notice of Material Breach: (i) CRHS had begun to take action to cure the material breach; (ii) CRHS pursued such action with due diligence; and (iii) CRHS provided to OIG a reasonable timetable for curing the material breach.

For purposes of the exclusion herein, exclusion shall take effect only after an ALJ decision favorable to OIG, or, if the ALJ rules for CRHS, only after a DAB decision in favor of OIG. CRHS’s election of its contractual right to appeal to the DAB shall not abrogate OIG’s authority to exclude CRHS upon the issuance of an ALJ’s decision in favor of OIG. If the ALJ sustains the determination of OIG and determines that exclusion is authorized, such exclusion shall take effect 20 days after the ALJ issues such a decision, notwithstanding that CRHS may request review of the ALJ decision by the DAB. If the DAB finds in favor of OIG after an ALJ decision adverse to OIG, the exclusion shall take effect 20 days after the DAB decision. CRHS shall waive its right to any notice of such an exclusion if a decision upholding the exclusion is rendered by the ALJ or DAB. If the DAB finds in favor of CRHS, CRHS shall be reinstated effective on the date of the original exclusion.

4. Finality of Decision. The review by an ALJ or DAB provided for above shall not be considered to be an appeal right arising under any statutes or regulations. Consequently, the parties to this CIA agree that the DAB’s decision (or the ALJ’s decision if not appealed) shall be considered final for all purposes under this CIA.

XI. EFFECTIVE AND BINDING AGREEMENT

CRHS and OIG agree as follows:

A. This CIA shall become final and binding on the date the final signature is obtained on the CIA.

B. This CIA constitutes the complete agreement between the parties and may not be amended except by written consent of the parties to this CIA.

C. OIG may agree to a suspension of CRHS’s obligations under this CIA based on a certification by CRHS that it is no longer providing health care items or services that will be billed to any Federal health care program and it does not have any

CRHS Corporate Integrity Agreement
ownership or control interest, as defined in 42 U.S.C. §1320a-3, in any entity that bills any Federal health care program. If CRHS is relieved of its CIA obligations, CRHS shall be required to notify OIG in writing at least 30 days in advance if CRHS plans to resume providing health care items or services that are billed to any Federal health care program or to obtain an ownership or control interest in any entity that bills any Federal health care program. At such time, OIG shall evaluate whether the CIA will be reactivated or modified.

D. APPENDIX A
INDEPENDENT REVIEW ORGANIZATION

This Appendix contains the requirements relating to the Independent Review Organization (IRO) required by Section III.E of the CIA.

A. IRO Engagement

1. CRHS shall engage an IRO that possesses the qualifications set forth in Paragraph B, below, to perform the responsibilities in Paragraph C, below. The IRO shall conduct the review in a professionally independent and objective fashion, as set forth in Paragraph D. Within 30 days after OIG receives the information identified in Section V.A.9 of the CIA or any additional information submitted by CRHS in response to a request by OIG, whichever is later, OIG will notify CRHS if the IRO is unacceptable. Absent notification from OIG that the IRO is unacceptable, CRHS may continue to engage the IRO.

2. If CRHS engages a new IRO during the term of the CIA, that IRO must also meet the requirements of this Appendix. If a new IRO is engaged, CRHS shall submit the information identified in Section V.A.9 of the CIA to OIG within 30 days of engagement of the IRO. Within 30 days after OIG receives this information or any additional information submitted by CRHS at the request of OIG, whichever is later, OIG will notify CRHS if the IRO is unacceptable. Absent notification from OIG that the IRO is unacceptable, CRHS may continue to engage the IRO.

B. IRO Qualifications

The IRO shall:

1. assign individuals to conduct the Arrangements Review who are knowledgeable in the requirements of the Anti-Kickback Statute and the Stark Law and the regulations and other guidance documents related to these statutes; and

2. have sufficient staff and resources to conduct the reviews required by the CIA on a timely basis.

C. IRO Responsibilities

The IRO shall:

1. perform each Arrangements Review in accordance with the specific requirements of the CIA;
2. respond to all OIG inquires in a prompt, objective, and factual manner; and

3. prepare timely, clear, well-written reports that include all the information required by Appendix B to the CIA.

D. IRO Independence and Objectivity

The IRO must perform the Arrangements Review in a professionally independent and objective fashion, as defined in the most recent Government Auditing Standards issued by the U.S. Government Accountability Office.

E. IRO Removal/Termination

1. CRHS and IRO. If CRHS terminates its IRO or if the IRO withdraws from the engagement during the term of the CIA, CRHS must submit a notice explaining (a) its reasons for termination of the IRO or (b) the IRO’s reasons for its withdrawal to OIG, no later than 30 days after termination or withdrawal. CRHS must engage a new IRO in accordance with Paragraph A of this Appendix and within 60 days of termination or withdrawal of the IRO.

2. OIG Removal of IRO. In the event OIG has reason to believe that the IRO does not possess the qualifications described in Paragraph B, is not independent and objective as set forth in Paragraph D, or has failed to carry out its responsibilities as described in Paragraph C, OIG shall notify CRHS in writing regarding OIG’s basis for determining that the IRO has not met the requirements of this Appendix. CRHS shall have 30 days from the date of OIG’s written notice to provide information regarding the IRO’s qualifications, independence or performance of its responsibilities in order to resolve the concerns identified by OIG. If, following OIG’s review of any information provided by CRHS regarding the IRO, OIG determines that the IRO has not met the requirements of this Appendix, OIG shall notify CRHS in writing that CRHS shall be required to engage a new IRO in accordance with Paragraph A of this Appendix. CRHS must engage a new IRO within 60 days of its receipt of OIG’s written notice. The final determination as to whether or not to require CRHS to engage a new IRO shall be made at the sole discretion of OIG.
APPENDIX B
ARRANGEMENTS REVIEW

The Arrangements Review shall consist of two components: a systems review and a transactions review. The IRO shall perform all components of each Arrangements Review. If there are no material changes to CRHS’s systems, processes, policies, and procedures relating to Arrangements, the Arrangements Systems Review shall be performed for the first and fourth Reporting Periods. If CRHS materially changes the Arrangements systems, processes, policies and procedures, the IRO shall perform an Arrangements Systems Review for the Reporting Period in which such changes were made in addition to conducting the systems review for the first and fourth Reporting Periods. The Arrangements Transactions Review shall be performed annually and shall cover each of the five Reporting Periods.

A. Arrangements Systems Review. The Arrangements Systems Review shall be a review of CRHS’s systems, processes, policies, and procedures relating to the initiation, review, approval, and tracking of Arrangements. Specifically, the IRO shall review the following:

1. CRHS’s systems, policies, processes, and procedures with respect to creating and maintaining a centralized tracking system for all existing and new and renewed Focus Arrangements (Focus Arrangements Tracking System), including a detailed description of the information captured in the Focus Arrangements Tracking System;

2. CRHS’s systems, policies, processes, and procedures for tracking remuneration to and from all parties to Focus Arrangements;

3. CRHS’s systems, policies, processes, and procedures for tracking service and activity logs to ensure that parties to the Focus Arrangement are performing the services required under the applicable Focus Arrangement(s) (if applicable);

4. CRHS’s systems, policies, processes, and procedures for monitoring the use of leased space, medical supplies, medical devices, equipment, or other patient care items to ensure that such use is consistent with the terms of the applicable Focus Arrangement(s) (if applicable);

5. CRHS’s systems, policies, processes, and procedures for initiating Arrangements, including those policies that identify the individuals with authority to initiate an Arrangement and that specify the business need or business rationale required to initiate an Arrangement;
6. CRHS's systems, policies, processes, and procedures for the internal review and approval of all Arrangements, including those policies that identify the individuals required to approve each type or category of Arrangement entered into by CRHS, the internal controls designed to ensure that all required approvals are obtained, and the processes for ensuring that all Focus Arrangements are subject to a legal review by counsel with expertise in the Anti-Kickback Statute and Stark Law;

7. the Compliance Officer's annual review of and reporting to the Compliance Committee on the Focus Arrangements Tracking System, CRHS's internal review and approval process, and other Arrangements systems, process, policies, and procedures;

8. CRHS's systems, policies, processes, and procedures for implementing effective responses when suspected violations of the Anti-Kickback Statute and Stark Law are discovered, including disclosing Reportable Events and quantifying and repaying Overpayments when appropriate; and

9. CRHS's systems, policies, processes, and procedures for ensuring that all new and renewed Focus Arrangements comply with the Focus Arrangements Requirements set forth in Section III.D.2 of the CIA.

B. Arrangements Systems Review Report. The IRQ shall prepare a report based upon each Arrangements Systems Review performed. The Arrangements Systems Review Report shall include the following information:

1. a description of the documentation (including policies) reviewed and personnel interviewed;

2. a detailed description of CRHS's systems, policies, processes, and procedures relating to the items identified in Section A.1-9 above;

3. findings and supporting rationale regarding weaknesses in CRHS's systems, processes, policies, and procedures relating to Arrangements described in Section A.1-9 above; and

4. recommendations to improve CRHS's systems, policies, processes, or procedures relating to Arrangements described in Section A.1-9 above.

C. Arrangements Transactions Review. The Arrangements Transactions Review shall consist of a review by the IRO of 50 randomly selected Focus Arrangements that were entered into or renewed by CRHS during the Reporting Period. The IRO shall assess whether CRHS has complied with the Focus Arrangements Procedures and the Focus Arrangements Requirements described in Sections III.D.1 and III.D.2 of the CIA, with respect to the selected Focus Arrangements.
The IRO’s assessment with respect to each Focus Arrangement that is subject to review shall include:

1. verifying that the Focus Arrangement is maintained in CRHS’s centralized tracking system in a manner that permits the IRO to identify the parties to the Focus Arrangement and the relevant terms of the Focus Arrangement (i.e., the items/services/equipment/space to be provided, the amount of compensation, the effective date, the expiration date, etc.);

2. verifying that the Focus Arrangement was subject to the internal review and approval process (including both a legal and business review) and obtained the necessary approvals and that such review and approval is appropriately documented;

3. verifying that the remuneration related to the Focus Arrangement is properly tracked;

4. verifying that the service and activity logs are properly completed and reviewed (if applicable);

5. verifying that leased space, medical supplies, medical devices, and equipment, and other patient care items are properly monitored (if applicable); and

6. verifying that the Focus Arrangement satisfies the Focus Arrangements Requirements of Section III.D.2 of the CIA.

D. Arrangements Transaction Review Report. The IRO shall prepare a report based on each Arrangements Transactions Review performed. The Arrangements Transaction Review Report shall include the following information:

1. Review Methodology.
   a. Review Protocol. A detailed narrative description of the procedures performed and a description of the sampling unit and universe utilized in performing the procedures for the sample reviewed.
   b. Sources of Data. A full description of the documentation and other information, if applicable, relied upon by the IRO in performing the Arrangements Transaction Review.
   c. Supplemental Materials. The IRO shall request all documentation and materials required for its review of the Focus Arrangements selected as part of the Arrangements Transaction Review and CRHS shall furnish such documentation and materials to the IRO prior to
the IRO initiating its review of the Focus Arrangements. If the IRO accepts any supplemental documentation or materials from CRHS after the IRO has completed its initial review of the Focus Arrangements (Supplemental Materials), the IRO shall identify in the Arrangements Transaction Review Report the Supplemental Materials, the date the Supplemental Materials were accepted, and the relative weight the IRO gave to the Supplemental Materials in its review. In addition, the IRO shall include a narrative in the Arrangements Transaction Review Report describing the process by which the Supplemental Materials were accepted and the IRO's reasons for accepting the Supplemental Materials.

2. **Review Findings.** The IRO's findings with respect to whether CRHS has complied with the Focus Arrangements Procedures and Focus Arrangements Requirements with respect to each of the randomly selected Focus Arrangements reviewed by the IRO. In addition, the Arrangements Transactions Review Report shall include observations, findings and recommendations on possible improvements to CRHS's policies, procedures, and systems in place to ensure that all Focus Arrangements comply with the Focus Arrangements Procedures and Focus Arrangements Requirements.
