   a. **Engagement of Independent Review Organization.** Within 90 days after the Effective Date, Healogics shall engage an entity (or entities), such as an accounting, auditing, or consulting firm (hereinafter “Independent Review Organization” or “IRO”), to perform the reviews listed in this Section III.D. The applicable requirements relating to the IRO are outlined in Appendix A to this CIA, which is incorporated by reference.

   b. **Retention of Records.** The IRO and Healogics shall retain and make available to OIG, upon request, all work papers, supporting documentation, correspondence, and draft reports (those exchanged between the IRO and Healogics) related to the reviews.

complete the reviews listed in this Section III.D and that all records furnished to the IRO are accurate and complete.

2. **Claims Review.** The IRO shall review claims submitted by Healogics for services provided by physicians employed by Healogics or Healogics-Affiliated Physician Practice Entities and reimbursed by the Medicare and/or Medicaid programs, to determine whether the items and services furnished were medically necessary and appropriately documented and whether the claims were correctly coded, submitted and reimbursed (Claims Review) and shall prepare a Claims Review Report, as outlined in Appendix B to this CIA, which is incorporated by reference.

3. **Independent Practitioners’ Review.** The IRO shall review Healogics’ systems to assess whether Healogics’ Independent Practitioner training and education accurately presents information regarding Federal health care program coverage, medical necessity and documentation standards for wound care services, and whether Healogics has implemented adequate safeguards to ensure that quality monitoring reports and information presented to Independent Practitioners and WCCs do not inappropriately influence the autonomy and clinical treatment decisions of Independent Practitioners in providing wound care services (“Independent Practitioners’ Review”) and shall prepare an Independent Practitioners’ Review Report, as outlined in Appendix C to this CIA, which is incorporated by reference.

4. **Independence and Objectivity Certification.** The IRO shall include in its report(s) to Healogics a certification that the IRO has (a) evaluated its professional independence and objectivity with respect to the reviews required under this Section III.D and (b) concluded that it is, in fact, independent and objective, in accordance with the requirements specified in Appendix A to this CIA. The IRO’s certification shall include a summary of all current and prior engagements between Healogics and the IRO.

E. **Risk Assessment and Internal Review Process**

Within 90 days after the Effective Date, Healogics shall develop and implement a centralized annual risk assessment and internal review process to identify and address risks associated with Healogics’ participation in the Federal health care programs, including but not limited to the risks associated with the submission of claims for items and services furnished to Medicare and Medicaid program beneficiaries. The risk assessment and internal review process shall require compliance, legal, and department leaders, at least annually, to: (1) identify and prioritize risks, (2) develop internal audit work plans related to the identified risk areas, (3) implement the internal audit work plans, (4) develop corrective action plans in response to the results of any internal audits.

F. Disclosure Program

Within 90 days after the Effective Date, Healogics shall establish a Disclosure Program that includes a mechanism (e.g., a toll-free compliance telephone line) to enable individuals to disclose, to the Chief Compliance Officer, the Vice President of Regional Compliance, or some other person who is not in the disclosing individual’s chain of command, any identified issues or questions associated with Healogics’ policies, conduct, practices, or procedures with respect to a Federal health care program believed by the individual to be a potential violation of criminal, civil, or administrative law. Healogics shall appropriately publicize the existence of the disclosure mechanism (e.g., via periodic e-mails to employees or by posting the information in prominent common areas).

The Disclosure Program shall emphasize a nonretribution, nonretaliation policy and shall include a reporting mechanism for anonymous communications for which appropriate confidentiality shall be maintained. The Disclosure Program also shall include a requirement that all of Healogics’ Covered Persons shall be expected to report suspected violations of any Federal health care program requirements to the Compliance Officer or other appropriate individual designated by Healogics. Upon receipt of a disclosure, the Chief Compliance Officer (or designee) shall gather all relevant information from the disclosing individual. The Chief Compliance Officer (or designee) shall make a preliminary, good faith inquiry into the allegations set forth in every disclosure to ensure that he or she has obtained all of the information necessary to determine whether a further review should be conducted. For any disclosure that is sufficiently specific so that it reasonably: (1) permits a determination of the appropriateness of the alleged improper practice; and (2) provides an opportunity for taking corrective action, Healogics shall conduct an internal review of the allegations set forth in the disclosure and ensure that proper follow-up is conducted.

The Chief Compliance Officer (or designee) shall maintain a disclosure log and shall record each disclosure in the disclosure log within two business days of receipt of the disclosure. The disclosure log shall include a summary of each disclosure received (whether anonymous or not), the status of the respective internal reviews, and any corrective action taken in response to the internal reviews.

   b. Healogics shall screen all current Covered Persons against the Exclusion List within 90 days after the Effective Date and on a monthly basis thereafter.

   c. Healogics shall implement a policy requiring all Covered Persons to disclose immediately if they become an Ineligible Person.

3. **Removal Requirement.** If Heallogics has actual notice that a Covered Person has become an Ineligible Person, Heallogics shall remove such Covered Person from responsibility for, or involvement with, Heallogics’ business operations related to the Federal health care program(s) from which such Covered Person has been excluded and shall remove such Covered Person from any position for which the Covered Person’s compensation or the items or services furnished, ordered, or prescribed by the Covered Person are paid in whole or part, directly or indirectly, by any Federal health care program(s) from which the Covered Person has been excluded at least until such time as the Covered Person is reinstated into participation in such Federal health care program(s).

4. **Pending Charges and Proposed Exclusions.** If Heallogics has actual notice that a Covered Person is charged with a criminal offense that falls within the scope of 42 U.S.C. §§ 1320a-7(a), 1320a-7(b)(1)-(3), or is proposed for exclusion during the Covered Person’s employment or contract term or during the term of a physician’s or other practitioner’s medical staff privileges, Heallogics shall take all appropriate actions to ensure that the responsibilities of that Covered Person have not and shall not adversely affect the quality of care rendered to any beneficiary or the accuracy of any claims submitted to any Federal health care program.

H. **Notification of Government Investigation or Legal Proceeding**

Within 30 days after discovery, Heallogics shall notify OIG, in writing, of any ongoing investigation or legal proceeding known to Heallogics conducted or brought by a governmental entity or its agents involving an allegation that Heallogics has committed a crime or has engaged in fraudulent activities. This notification shall include a description of the allegation, the identity of the investigating or prosecuting agency, and the status of such investigation or legal proceeding.    c. the employment of or contracting with a Covered Person who is an Ineligible Person as defined by Section III.G.1.a; or
   d. the filing of a bankruptcy petition by Healogics.

A Reportable Event may be the result of an isolated event or a series of occurrences.

2. **Reporting of Reportable Events.** If Healogics determines (after a reasonable opportunity to conduct an appropriate review or investigation of the allegations) through any means that there is a Reportable Event, Healogics shall notify OIG, in writing, within 30 days after making the determination that the Reportable Event exists.

3. **Reportable Events under Section III.J.1.a and III.J.1.b.** For Reportable Events under Section III.J.1.a and b, the report to OIG shall include:

   a. a complete description of all details relevant to the Reportable Event, including, at a minimum, the types of claims, transactions or other conduct giving rise to the Reportable Event; the period during which the conduct occurred; and the names of individuals and entities believed to be implicated, including an explanation of their roles in the Reportable Event;

   d. a description of how the Ineligible Person was identified; and

   e. a description of any corrective action implemented to prevent future employment or contracting with an Ineligible Person.
5. **Reportable Events under Section III.J.1.d.** For Reportable Events under Section III.J.1.d, the report to OIG shall include documentation of the bankruptcy filing and a description of any Federal health care program requirements implicated.

6. **Reportable Events Involving the Stark Law.** Notwithstanding the reporting requirements outlined above, any Reportable Event that involves solely a probable violation of section 1877 of the Social Security Act, 42 U.S.C. §1395nn (the Stark Law) should be submitted by Healogics to the Centers for Medicare & Medicaid Services (CMS) through the self-referral disclosure protocol (SRDP), with a copy to the OIG. If Healogics identifies a probable violation of the Stark Law and repays the applicable Overpayment directly to the CMS contractor, then Healogics is not required by this Section III.J to submit the Reportable Event to CMS through the SRDP.

**IV. SUCCESSOR LIABILITY**

In the event that, after the Effective Date, Healogics proposes to (a) sell any or all of its business, business units, or locations (whether through a sale of assets, sale of stock, or other type of transaction) relating to the furnishing of items or services that may be reimbursed by a Federal health care program, or (b) purchase or establish a new business, business unit, or location relating to the furnishing of items or services that may be reimbursed by a Federal health care program, the CIA shall be binding on the purchaser of any business, business unit, or location and any new business, business unit, or location (and all Covered Persons at each new business, business unit, or location) shall be subject to the applicable requirements of this CIA, unless otherwise determined and agreed to in writing by OIG. Healogics shall give notice of such sale or purchase to OIG within 30 days following the closing of the transaction.

If, in advance of a proposed sale or a proposed purchase, Healogics wishes to obtain a determination by OIG that the proposed purchaser or the proposed acquisition will not be subject to the requirements of the CIA, Healogics must notify OIG in writing of the proposed sale or purchase at least 30 days in advance. C. Certifications

1. Certifying Employees. In each Annual Report, Healogics shall include the certifications of Certifying Employees required by Section III.A.4;

D. **Designation of Information**

Healogics shall clearly identify any portions of its submissions that it believes are trade secrets, or information that is commercial or financial and privileged or confidential, and therefore potentially exempt from disclosure under the Freedom of Information Act (FOIA), 5 U.S.C. § 552. Healogics shall refrain from identifying any information as exempt from disclosure if that information does not meet the criteria for exemption from disclosure under FOIA.

VII. OIG INSPECTION, AUDIT, AND REVIEW RIGHTS

In addition to any other rights OIG may have by statute, regulation, or contract, OIG or its duly authorized representative(s) may conduct interviews, examine and/or request copies of or copy Healogics’ books, records, and other documents and supporting materials, and conduct on-site reviews of any of Healogics’ locations, for the purpose of verifying and evaluating: (a) Healogics’ compliance with the terms of this CIA and (b) Healogics’ compliance with the requirements of the Federal health care programs. The documentation described above shall be made available by Healogics to OIG or its duly authorized representative(s) at all reasonable times for inspection, audit, and/or reproduction. Furthermore, for purposes of this provision, OIG or its duly authorized representative(s) may interview any of Healogics’ owners, employees, contractors, and directors who consent to be interviewed at the individual’s place of business during normal business hours or at such other place and time as may be mutually agreed upon between the individual and OIG. Healogics shall assist OIG or its duly authorized representative(s) in contacting and arranging interviews with such individuals upon request.
OIG’s request. Healogics’ owners, employees, contractors, and directors may elect to be interviewed with or without a representative of Healogics present.

VIII. DOCUMENT AND RECORD RETENTION

Healogics shall maintain for inspection all documents and records relating to reimbursement from the Federal health care programs and to compliance with this CIA for six years (or longer if otherwise required by law) from the Effective Date.

IX. DISCLOSURES

Consistent with HHS’s FOIA procedures, set forth in 45 C.F.R. Part 5, OIG shall make a reasonable effort to notify Healogics prior to any release by OIG of information submitted by Healogics pursuant to its obligations under this CIA and identified upon submission by Healogics as trade secrets, or information that is commercial or financial and privileged or confidential, under the FOIA rules. With respect to such releases, Healogics shall have the rights set forth at 45 C.F.R. § 5.42(a).

X. BREACH AND DEFAULT PROVISIONS

Healogics is expected to fully and timely comply with all of its CIA obligations.

A. Stipulated Penalties for Failure to Comply with Certain Obligations

As a contractual remedy, Healogics and OIG hereby agree that failure to comply with certain obligations as set forth in this CIA may lead to the imposition of the following monetary penalties (hereinafter referred to as “Stipulated Penalties”) in accordance with the following provisions.

1. A Stipulated Penalty of $2,500 (which shall begin to accrue on the day after the date the obligation became due) for each day Healogics fails to establish, implement or comply with any of the following obligations as described in Section III:

   a. a Chief Compliance Officer;
   b. a Vice President of Regional Compliance;
   c. a Compliance Committee;
   d. the Board of Directors compliance obligations;
e. the management certification obligations, including the development and implementation of a written process for Certifying Employees, as required by Section III.A.4;

f. written Policies and Procedures;

g. the development of a written training plan and the training and education of Covered Persons and Board Members;

h. a risk assessment and internal review process;

i. a Disclosure Program;

j. Ineligible Persons screening and removal requirements;

k. notification of Government investigations or legal proceedings;

l. policies and procedures regarding the repayment of Overpayments; and

m. reporting of Reportable Events.

2. A Stipulated Penalty of $2,500 (which shall begin to accrue on the day after the date the obligation became due) for each day Healogics fails to engage and use an IRO, as required by Section III.D, Appendix A, Appendix B, or Appendix C.

3. A Stipulated Penalty of $2,500 (which shall begin to accrue on the day after the date the obligation became due) for each day Healogics fails to submit a complete Implementation Report, Annual Report or any certification to OIG in accordance with the requirements of Section V by the deadlines for submission.

4. A Stipulated Penalty of $2,500 (which shall begin to accrue on the day after the date the obligation became due) for each day Healogics fails to submit any Claims Review Report in accordance with the requirements of Section III.D and Appendix B, fails to repay any Overpayment identified by the IRO, as required by Appendix B, or fails to submit any Independent Practitioners’ Review Report, as required by Appendix C.

5. A Stipulated Penalty of $1,500 for each day Healogics fails to grant access as required in Section VII (This Stipulated Penalty shall begin to accrue on the date Healogics fails to grant access.).

6. A Stipulated Penalty of $50,000 for each false certification submitted by or on behalf of Healogics as part of its Implementation Report, any Annual Report, additional documentation to a report (as requested by OIG), or otherwise required by this CIA.

7. A Stipulated Penalty of $2,500 for each day Healogics fails to grant the IRO access to all records and personnel necessary to complete the reviews listed in Section III.D, and for each day Healogics fails to furnish accurate and complete records to the IRO, as required by Section III.D and Appendix A.

8. A Stipulated Penalty of $1,000 for each day Healogics fails to comply fully and adequately with any obligation of this CIA. OIG shall provide notice to Healogics stating the specific grounds for its determination that Healogics has failed to comply fully and adequately with the CIA obligation(s) at issue and steps Healogics shall take to comply with the CIA. (This Stipulated Penalty shall begin to accrue 10 days after the date Healogics receives this notice from OIG of the failure to comply.) A Stipulated Penalty as described in this Subsection shall not be demanded for any violation for which OIG has sought a Stipulated Penalty under Subsections 1-7 of this Section.

B. Timely Written Requests for Extensions

Healogics may, in advance of the due date, submit a timely written request for an extension of time to perform any act or file any notification or report required by this CIA. Notwithstanding any other provision in this Section, if OIG grants the timely written request with respect to an act, notification, or report, Stipulated Penalties for failure to perform the act or file the notification or report shall not begin to accrue until one day after Healogics fails to meet the revised deadline set by OIG. Notwithstanding any other provision in this Section, if OIG denies such a timely written request, Stipulated Penalties for failure to perform the act or file the notification or report shall not begin to accrue until three days after Healogics receives OIG’s written denial of such request or the original due date, whichever is later. A “timely written request” is defined as a request in writing received by OIG at least five days prior to the date by which any act is due to be performed or any notification or report is due to be filed.
C. Payment of Stipulated Penalties

1. *Demand Letter.* Upon a finding that Healogics has failed to comply with any of the obligations described in Section X.A and after determining that Stipulated Penalties are appropriate, OIG shall notify Healogics of: (a) Healogics’ failure to comply; and (b) OIG’s exercise of its contractual right to demand payment of the Stipulated Penalties. (This notification shall be referred to as the “Demand Letter.”)

2. *Response to Demand Letter.* Within 10 days after the receipt of the Demand Letter, Healogics shall either: (a) cure the breach to OIG’s satisfaction and pay the applicable Stipulated Penalties or (b) request a hearing before an HHS administrative law judge (ALJ) to dispute OIG’s determination of noncompliance, pursuant to the agreed upon provisions set forth below in Section X.E. In the event Healogics elects to request an ALJ hearing, the Stipulated Penalties shall continue to accrue until Healogics cures, to OIG’s satisfaction, the alleged breach in dispute. Failure to respond to the Demand Letter in one of these two manners within the allowed time period shall be considered a material breach of this CIA and shall be grounds for exclusion under Section X.D.

3. *Form of Payment.* Payment of the Stipulated Penalties shall be made by electronic funds transfer to an account specified by OIG in the Demand Letter.

4. *Independence from Material Breach Determination.* Except as set forth in Section X.D.1.c, these provisions for payment of Stipulated Penalties shall not affect or otherwise set a standard for OIG’s decision that Healogics has materially breached this CIA, which decision shall be made at OIG’s discretion and shall be governed by the provisions in Section X.D, below.

D. Exclusion for Material Breach of this CIA

1. *Definition of Material Breach.* A material breach of this CIA means:

   a. repeated violations or a flagrant violation of any of the obligations under this CIA, including, but not limited to, the obligations addressed in Section X.A;

   b. a failure by Healogics to report a Reportable Event, take corrective action, or make the appropriate refunds, as required in Section III.J;
2. **Notice of Material Breach and Intent to Exclude.** The parties agree that a material breach of this CIA by Healogics constitutes an independent basis for Healogics’ exclusion from participation in the Federal health care programs. The length of the exclusion shall be in the OIG’s discretion, but not more than five years per material breach. Upon a determination by OIG that Healogics has materially breached this CIA and that exclusion is the appropriate remedy, OIG shall notify Healogics of: (a) Healogics’ material breach; and (b) OIG’s intent to exercise its contractual right to impose exclusion. (This notification shall be referred to as the “Notice of Material Breach and Intent to Exclude.”)

3. **Opportunity to Cure.** Healogics shall have 30 days from the date of receipt of the Notice of Material Breach and Intent to Exclude to demonstrate that:
   a. the alleged material breach has been cured; or
   b. the alleged material breach cannot be cured within the 30 day period, but that: (i) Healogics has begun to take action to cure the material breach; (ii) Healogics is pursuing such action with due diligence; and (iii) Healogics has provided to OIG a reasonable timetable for curing the material breach.

4. **Exclusion Letter.** If, at the conclusion of the 30 day period, Healogics fails to satisfy the requirements of Section X.D.3, OIG may exclude Healogics from participation in the Federal health care programs. OIG shall notify Healogics in writing of its determination to exclude Healogics. (This letter shall be referred to as the “Exclusion Letter.”) Subject to the Dispute Resolution provisions in Section X.E, below, the exclusion shall go into effect 30 days after the date of Healogics’ receipt of the Exclusion Letter. The exclusion shall have national effect. Reinstatement to program participation is not automatic. At the end of the period of exclusion, Healogics may apply for reinstatement by submitting a written request for reinstatement in accordance with the provisions at 42 C.F.R. §§ 1001.3001-.3004.
E. Dispute Resolution

1. Review Rights. Upon OIG’s delivery to Healogics of its Demand Letter or of its Exclusion Letter, and as an agreed-upon contractual remedy for the resolution of disputes arising under this CIA, Healogics shall be afforded certain review rights comparable to the ones that are provided in 42 U.S.C. § 1320a-7(f) and 42 C.F.R. Part 1005 as if they applied to the Stipulated Penalties or exclusion sought pursuant to this CIA. Specifically, OIG’s determination to demand payment of Stipulated Penalties or to seek exclusion shall be subject to review by an HHS ALJ and, in the event of an appeal, the HHS Departmental Appeals Board (DAB), in a manner consistent with the provisions in 42 C.F.R. § 1005.2-1005.21. Notwithstanding the language in 42 C.F.R. § 1005.2(c), the request for a hearing involving Stipulated Penalties shall be made within 10 days after receipt of the Demand Letter and the request for a hearing involving exclusion shall be made within 25 days after receipt of the Exclusion Letter. The procedures relating to the filing of a request for a hearing can be found at http://www.hhs.gov/dab/divisions/civil/procedures/divisionprocedures.html

2. Stipulated Penalties Review. Notwithstanding any provision of Title 42 of the United States Code or Title 42 of the Code of Federal Regulations, the only issues in a proceeding for Stipulated Penalties under this CIA shall be: (a) whether Healogics was in full and timely compliance with the obligations of this CIA for which OIG demands payment; and (b) the period of noncompliance. Healogics shall have the burden of proving its full and timely compliance and the steps taken to cure the noncompliance, if any. OIG shall not have the right to appeal to the DAB an adverse ALJ decision related to Stipulated Penalties. If the ALJ agrees with OIG with regard to a finding of a breach of this CIA and orders Healogics to pay Stipulated Penalties, such Stipulated Penalties shall become due and payable 20 days after the ALJ issues such a decision unless Healogics requests review of the ALJ decision by the DAB. If the ALJ decision is properly appealed to the DAB and the DAB upholds the determination of OIG, the Stipulated Penalties shall become due and payable 20 days after the DAB issues its decision.

3. Exclusion Review. Notwithstanding any provision of Title 42 of the United States Code or Title 42 of the Code of Federal Regulations, the only issues in a proceeding for exclusion based on a material breach of this CIA shall be whether Healogics was in material breach of this CIA and, if so, whether:

   a. Healogics cured such breach within 30 days of its receipt of the Notice of Material Breach; or
b. the alleged material breach could not have been cured within the 30 day period, but that, during the 30 day period following Healogics’ receipt of the Notice of Material Breach: (i) Healogics had begun to take action to cure the material breach; (ii) Healogics pursued such action with due diligence; and (iii) Healogics provided to OIG a reasonable timetable for curing the material breach.

For purposes of the exclusion herein, exclusion shall take effect only after an ALJ decision favorable to OIG, or, if the ALJ rules for Healogics, only after a DAB decision in favor of OIG. Healogics’ election of its contractual right to appeal to the DAB shall not abrogate OIG’s authority to exclude Healogics upon the issuance of an ALJ’s decision in favor of OIG. If the ALJ sustains the determination of OIG and determines that exclusion is authorized, such exclusion shall take effect 20 days after the ALJ issues such a decision, notwithstanding that Healogics may request review of the ALJ decision by the DAB. If the DAB finds in favor of OIG after an ALJ decision adverse to OIG, the exclusion shall take effect 20 days after the DAB decision. Healogics shall waive its right to any notice of such an exclusion if a decision upholding the exclusion is rendered by the ALJ or DAB. If the DAB finds in favor of Healogics, Healogics shall be reinstated effective on the date of the original exclusion.

4. **Finality of Decision.** The review by an ALJ or DAB provided for above shall not be considered to be an appeal right arising under any statutes or regulations. Consequently, the parties to this CIA agree that the DAB’s decision (or the ALJ’s decision if not appealed) shall be considered final for all purposes under this CIA.

XI. **EFFECTIVE AND BINDING AGREEMENT**

Healogics and OIG agree as follows:

A. This CIA shall become final and binding on the date the final signature is obtained on the CIA.

B. This CIA constitutes the complete agreement between the parties and may not be amended except by written consent of the parties to this CIA.

C. OIG may agree to a suspension of Healogics’ obligations under this CIA based on a certification by Healogics that it is no longer providing health care items or services that will be billed to any Federal health care program and it does not have any ownership or control interest, as defined in 42 U.S.C. §1320a-3, in any entity that bills
any Federal health care program. If Healogics is relieved of its CIA obligations, Healogics shall be required to notify OIG in writing at least 30 days in advance if Healogics plans to resume providing health care items or services that are billed to any Federal health care program or to obtain an ownership or control interest in any entity that bills any Federal health care program. At such time, OIG shall evaluate whether the CIA will be reactivated or modified.

D. All requirements and remedies set forth in this CIA are in addition to and do not affect (1) Healogics’ responsibility to follow all applicable Federal health care program requirements or (2) the government’s right to impose appropriate remedies for failure to follow applicable Federal health care program requirements.

E. The undersigned Healogics signatories represent and warrant that they are authorized to execute this CIA. The undersigned OIG signatories represent that they are signing this CIA in their official capacities and that they are authorized to execute this CIA.

F. This CIA may be executed in counterparts, each of which constitutes an original and all of which constitute one and the same CIA. Electronically-transmitted copies of signatures shall constitute acceptable, binding signatures for purposes of this CIA.

APPENDIX A

INDEPENDENT REVIEW ORGANIZATION

This Appendix contains the requirements relating to the Independent Review Organization (IRO) required by Section III.D of the CIA.

A. IRO Engagement

1. Healogics shall engage an IRO that possesses the qualifications set forth in Paragraph B, below, to perform the responsibilities in Paragraph C, below. The IRO shall conduct the review in a professionally independent and objective fashion, as set forth in Paragraph D. Within 30 days after OIG receives the information identified in Section V.A.7 of the CIA or any additional information submitted by Healogics in response to a request by OIG, whichever is later, OIG will notify Healogics if the IRO is unacceptable. Absent notification from OIG that the IRO is unacceptable, Healogics may continue to engage the IRO.

2. If Healogics engages a new IRO during the term of the CIA, that IRO must also meet the requirements of this Appendix. If a new IRO is engaged, Healogics shall submit the information identified in Section V.A.7 of the CIA to OIG within 30 days of engagement of the IRO. Within 30 days after OIG receives this information or any additional information submitted by Healogics at the request of OIG, whichever is later, OIG will notify Healogics if the IRO is unacceptable. Absent notification from OIG that the IRO is unacceptable, Healogics may continue to engage the IRO.

B. IRO Qualifications

The IRO shall:

1. assign individuals to conduct the Claims Review who have expertise in the Medicare and state Medicaid program requirements applicable to the claims being reviewed;

2. assign individuals to design and select the Claims Review sample who are knowledgeable about the appropriate statistical sampling techniques;
3. assign individuals to conduct the coding review portions of the Claims Review who have a nationally recognized coding certification and who have maintained this certification (e.g., completed applicable continuing education requirements);

4. assign licensed nurses or physicians with relevant education, training, and specialized expertise (or other licensed health care professionals acting within their scope of practice and specialized expertise) to make the medical necessity determinations required by the Claims Review; and

5. have sufficient staff and resources to conduct the reviews required by the CIA on a timely basis.

C. IRO Responsibilities

The IRO shall:

1. perform each Claims Review and Independent Practitioners’ Review in accordance with the specific requirements of the CIA;

2. follow all applicable Medicare and state Medicaid program rules and reimbursement guidelines in making assessments in the Claims Review;

3. follow all applicable standards of practice in making assessments in the Independent Practitioners’ Review;

4. request clarification from the appropriate authority (e.g., Medicare contractor), if in doubt of the application of a particular Medicare or state Medicaid program policy or regulation;

5. respond to all OIG inquires in a prompt, objective, and factual manner; and

6. prepare timely, clear, well-written reports that include all the information required by Appendices B and C to the CIA.

D. Healogics Responsibilities

Healogics shall ensure that the IRO has access to all records and personnel necessary to complete the reviews listed in III.D of this CIA and that all records furnished to the IRO are accurate and complete.
E. IRO Independence and Objectivity

The IRO must perform the Claims Review and the Independent Practitioners’ Review in a professionally independent and objective fashion, as defined in the most recent Government Auditing Standards issued by the U.S. Government Accountability Office.

F. IRO Removal/Termination

1. **Healogics and IRO.** If Healogics terminates its IRO or if the IRO withdraws from the engagement during the term of the CIA, Healogics must submit a notice explaining (a) its reasons for termination of the IRO or (b) the IRO’s reasons for its withdrawal to OIG, no later than 30 days after termination or withdrawal. Healogics must engage a new IRO in accordance with Paragraph A of this Appendix and within 60 days of termination or withdrawal of the IRO.

2. **OIG Removal of IRO.** In the event OIG has reason to believe the IRO does not possess the qualifications described in Paragraph B, is not independent and objective as set forth in Paragraph D, or has failed to carry out its responsibilities as described in Paragraph C, OIG shall notify Healogics in writing regarding OIG’s basis for determining that the IRO has not met the requirements of this Appendix. Healogics shall have 30 days from the date of OIG’s written notice to provide information regarding the IRO’s qualifications, independence or performance of its responsibilities in order to resolve the concerns identified by OIG. If, following OIG’s review of any information provided by Healogics regarding the IRO, OIG determines that the IRO has not met the requirements of this Appendix, OIG shall notify Healogics in writing that Healogics shall be required to engage a new IRO in accordance with Paragraph A of this Appendix. Healogics must engage a new IRO within 60 days of its receipt of OIG’s written notice. The final determination as to whether or not to require Healogics to engage a new IRO shall be made at the sole discretion of OIG.
A. **Claims Review.** The IRO shall perform the Claims Review annually to cover each of the five Reporting Periods. The IRO shall perform all components of each Claims Review.

1. **Definitions.** For the purposes of the Claims Review, the following definitions shall be used:

   a. **Overpayment:** The amount of money Healogics has received in excess of the amount due and payable under Medicare or any state Medicaid program requirements, as determined by the IRO in connection with the Claims Review performed under this Appendix B.

   b. **Paid Claim:** A claim submitted by Healogics for services performed by, under the supervision of, or at the direction of, a physician employed by Healogics or a Healogics-Affiliated Physician Practice Entity and for which Healogics has received reimbursement from the Medicare program or a state Medicaid program.

   c. **Population:** The Population shall be defined as all Paid Claims during the 12-month period covered by the Claims Review. In OIG’s discretion, OIG may limit the Population to one or more subset(s) of Paid Claims to be reviewed and shall notify Healogics and the IRO of its selection of the Population at least 30 days prior to the end of each Reporting Period.

Healogics, or its IRO on behalf of Healogics, may submit proposals identifying suggestions for the subset(s) of Paid Claims to be reviewed at least 90 days prior to the end of each Reporting Period. In connection with limiting the Population, OIG may consider (1) proposals submitted by Healogics or its IRO or (2) information furnished to OIG regarding the results of Healogics’ internal risk assessment and internal auditing. The determination of whether, and in what manner, to limit the Population shall be made at the sole discretion of OIG.
In connection with limiting the Population, OIG also may select physicians employed by Healogics or a Healogics-Affiliated Physician Practice Entity that will be subject to the Claims Review in each Reporting Period. In order to facilitate OIG’s selection, at least 90 days prior to the end of the Reporting Period, Healogics shall furnish to OIG the following information for each physician employed by Healogics or a Healogics-Affiliated Physician Practice Entity for the prior calendar year: (1) Federal health care program revenues, (2) Federal health care program patient census, and (3) Federal health care program payor mix.

2. **Claims Review Sample.** The IRO shall randomly select and review a sample of 100 Paid Claims (“Claims Review Sample”). The Paid Claims shall be reviewed based on the supporting documentation available at Healogics’ office or under Healogics’ control and applicable Medicare and state Medicaid program requirements to determine whether the items and services furnished were medically necessary and appropriately documented, and whether the claim was correctly coded, submitted, and reimbursed. For each Paid Claim in the Claims Review Sample that results in an Overpayment, the IRO shall review the system(s) and process(es) that generated the Paid Claim and identify any problems or weaknesses that may have resulted in the identified Overpayments. The IRO shall provide its observations and recommendations on suggested improvements to the system(s) and the process(es) that generated the Paid Claim.

3. **Other Requirements.**

a. **Supplemental Materials.** The IRO shall request all documentation and materials required for its review of the Paid Claims in the Claims Review Sample and Healogics shall furnish such documentation and materials to the IRO prior to the IRO initiating its review of the Claims Review Sample. If the IRO accepts any supplemental documentation or materials from Healogics after the IRO has completed its initial review of the Claims Review Sample (Supplemental Materials), the IRO shall identify in the Claims Review Report the Supplemental Materials, the date the Supplemental Materials were accepted, and the relative weight the IRO gave to the Supplemental Materials in its review. In addition,
the IRO shall include a narrative in the Claims Review Report describing the process by which the Supplemental Materials were accepted and the IRO’s reasons for accepting the Supplemental Materials.

b. **Paid Claims without Supporting Documentation.** Any Paid Claim for which Healogics cannot produce documentation shall be considered an error and the total reimbursement received by Healogics for such Paid Claim shall be deemed an Overpayment. Replacement sampling for Paid Claims with missing documentation is not permitted.

c. **Use of First Samples Drawn.** For the purposes of the Claims Review Sample discussed in this Appendix, the first set of Paid Claims selected shall be used (i.e., it is not permissible to generate more than one list of random samples and then select one for use with the Claims Review Sample).

4. **Repayment of Identified Overpayments.** Healogics shall repay within 60 days the Overpayment(s) identified by the IRO in the Claims Review Sample, in accordance with the requirements of 42 U.S.C. § 1320a-7k(d) and 42 C.F.R. § 401.301-305 (and any applicable CMS guidance) (the “CMS overpayment rule”). If Healogics determines that the CMS overpayment rule requires that an extrapolated Overpayment be repaid, Healogics shall repay that amount at the mean point estimate as calculated by the IRO. Healogics shall make available to OIG all documentation that reflects the refund of the Overpayment(s) to the payor. OIG, in its sole discretion, may refer the findings of the Claims Review Sample (and any related work papers) received from Healogics to the appropriate Medicare or state Medicaid program contractor for appropriate follow up by the payor.

B. **Claims Review Report.** The IRO shall prepare a Claims Review Report as described in this Appendix for each Claims Review performed. The following information shall be included in the Claims Review Report.

1. **Claims Review Methodology.**

a. **Claims Review Population.** A description of the Population subject to the Claims Review.
b. **Claims Review Objective.** A clear statement of the objective intended to be achieved by the Claims Review.

c. **Source of Data.** A description of (1) the process used to identify Paid Claims in the Population and (2) the specific documentation relied upon by the IRO when performing the Claims Review (e.g., medical records, physician orders, certificates of medical necessity, requisition forms, local medical review policies (including title and policy number), CMS program memoranda (including title and issuance number), Medicare carrier or intermediary manual or bulletins (including issue and date), other policies, regulations, or directives).

d. **Review Protocol.** A narrative description of how the Claims Review was conducted and what was evaluated.

APPENDIX C

INDEPENDENT PRACTITIONERS’ REVIEW

The Independent Practitioners’ Review is a systems review. If there are no material changes to Healogics’ systems, processes, policies, and procedures relating to Independent Practitioners, the Independent Practitioner’ Review shall be performed for the first and fourth Reporting Periods. If Healogics materially changes its systems, processes, policies and procedures as they relate to Independent Practitioners, the IRO shall perform an Independent Practitioners’ Review for the Reporting Period in which such changes were made in addition to conducting the review for the first and fourth Reporting Periods.

A. Independent Practitioners’ Review. The Independent Practitioners’ Review shall be a review of Healogics’ systems, processes, policies, and procedures relating to interactions with Independent Practitioners within WCCs. Specifically, the IRO shall assess whether Healogics’ Independent Practitioner training and education accurately presents information regarding Federal health care program coverage, medical necessity and documentation standards for wound care services, and whether Healogics has implemented adequate safeguards to ensure that quality monitoring reports and information presented to Independent Practitioners and WCCs do not inappropriately influence the autonomy and clinical treatment decisions of Independent Practitioners in providing wound care service.

In conducting the Independent Practitioners’ Review, the IRO shall review:

1. Healogics training and education materials and records related to training provided to Independent Practitioners;

2. Templates of quality monitoring reports provided to Independent Practitioners and WCCs, including handbooks, policies or information provided to Independent Practitioners or WCCs concerning the quality monitoring reports;
