DEPARTMENT OF HEALTH AND HUMAN SERVICES
AND
HOPE HOSPICE AND COMMUNITY SERVICES, INC.,
D/B/A HOPE HOSPICE

I. PREAMBLE

Hope Hospice and Community Services, Inc., d/b/a Hope Hospice (Hope Hospice) hereby enters into this Corporate Integrity Agreement (CIA) with the Office of Inspector General (OIG) of the United States Department of Health and Human Services (HHS) to promote compliance with the statutes, regulations, and written directives of Medicare, Medicaid, and all other Federal health care programs (as defined in 42 U.S.C. § 1320a-7b(f)) (Federal health care program requirements). Contemporaneously with this CIA, Hope Hospice is entering into a Settlement Agreement with the United States.

Hope Hospice represents that it has implemented a compliance program that includes the following elements: a compliance officer, a compliance committee, and a hotline for reporting compliance issues. Hope Hospice shall continue its Compliance Program throughout the term of this CIA and, at a minimum, it shall comply with the obligations set forth herein.

II. TERM AND SCOPE OF THE CIA

A. The period of the compliance obligations assumed by Hope Hospice under this CIA shall be five years from the effective date of this CIA. The “Effective Date” shall be the date on which the final signatory of this CIA executes this CIA. Each one-year period, beginning with the one-year period following the Effective Date, shall be referred to as a “Reporting Period.”

B. Sections VII, X, and XI shall expire no later than 120 days after OIG’s receipt of: (1) Hope Hospice’s final Annual Report or (2) any additional materials submitted by Hope Hospice pursuant to OIG’s request, whichever is later.
C. For purposes of this CIA, the term “Covered Persons” includes: (1) all owners, officers, directors, and employees of Hope Hospice; and (2) all contractors, subcontractors, agents, and other persons who furnish patient care items or services or who perform billing or coding functions on behalf of Hope Hospice, excluding vendors whose sole connection with Hope Hospice is selling or otherwise providing medical supplies or equipment to Hope Hospice. Notwithstanding the above, this term does not include part-time or per diem employees, contractors, subcontractors, agents, and other persons who are not reasonably expected to work more than 160 hours per year, except that any such individuals shall become “Covered Persons” at the point when they work more than 160 hours during the calendar year.

Any noncompliance job responsibilities of the Compliance Officer shall be limited and must not interfere with the Compliance Officer’s ability to perform the duties outlined in this CIA.

Hope Hospice shall report to OIG, in writing, any changes in the identity of the Compliance Officer, or any actions or changes that would affect the Compliance Officer’s ability to perform the duties necessary to meet the obligations in this CIA, within five business days after such a change.

2. **Compliance Committee.** Within 90 days after the Effective Date, Hope Hospice shall appoint a Compliance Committee. The Compliance Committee shall, at a minimum, include the Compliance Officer and other members of senior management necessary to meet the requirements of this CIA (e.g., senior executives of relevant departments, such as billing, clinical, human resources, audit, and operations). The Compliance Officer shall chair the Compliance Committee and the Compliance Committee shall support the Compliance Officer in fulfilling his/her responsibilities (e.g., shall assist in the analysis of Hope Hospice’s risk areas and shall oversee monitoring of internal and external audits and investigations). The Compliance Committee shall meet at least quarterly. The minutes of the Compliance Committee meetings shall be made available to OIG upon request.

a. meeting at least quarterly to review and oversee Hope Hospice’s compliance program, including but not limited to the performance of the Compliance Officer and Compliance Committee;

b. submitting to OIG a description of the documents and other materials it reviewed, as well as any additional steps taken, such as the engagement of an independent advisor or other third-party resources, in its oversight of the compliance program and in support of making the resolution below during each Reporting Period; and

c. for each Reporting Period of the CIA, adopting a resolution, signed by each member of the Board summarizing its review and oversight of Hope Hospice’s compliance with Federal health care program requirements and the obligations of this CIA.

At minimum, the resolution shall include the following language:

“The Board has made a reasonable inquiry into the operations of Hope Hospice’s Compliance Program, including the performance of the Compliance Officer and the Compliance Committee. Based on its inquiry and review, the Board has concluded that, to the best of its knowledge, Hope Hospice has implemented an effective Compliance Program to meet Federal health care program requirements and the obligations of the CIA.”

If the Board is unable to provide such a conclusion in the resolution, the Board shall include in the resolution a written explanation of the reasons why it is unable to provide the conclusion and the steps it is taking to implement an effective Compliance Program at Hope Hospice.

Hope Hospice shall report to OIG, in writing, any changes in the composition of the Board, or any actions or changes that would affect the Board’s ability to perform the duties necessary to meet the obligations in this CIA, within 15 business days after such a change.

4. Management Certifications. In addition to the responsibilities set forth in this CIA for all Covered Persons, certain Hope Hospice employees (Certifying

My job responsibilities include ensuring compliance with regard to the [insert name of department] with all applicable Federal health care program requirements, obligations of the Corporate Integrity Agreement, and Hope Hospice policies, and I have taken steps to promote such compliance. To the best of my knowledge, the [insert name of department] of Hope Hospice is in compliance with all applicable Federal health care program requirements and the obligations of the Corporate Integrity Agreement. I understand that this certification is being provided to and relied upon by the United States.”

If any Certifying Employee is unable to provide such a certification, the Certifying Employee shall provide a written explanation of the reasons why he or she is unable to provide the certification outlined above.

Within 90 days after the Effective Date, Hope Hospice shall develop and implement a written process for Certifying Employees to follow for the purpose of completing the certification required by this section (e.g., reports that must be reviewed, assessments that must be completed, sub-certifications that must be obtained, etc. prior to the Certifying Employee making the required certification).

B. Written Standards

Within 90 days after the Effective Date, Hope Hospice shall develop and implement written policies and procedures regarding the operation of its compliance program, including the compliance program requirements outlined in this CIA and Hope Hospice’s compliance with Federal health care program requirements (Policies and Procedures). The Training Plan shall include information regarding the following: training topics, categories of Covered Persons required to attend each training session, length of the training session(s), schedule for training, and format of the training. Hope Hospice shall furnish training to its Covered Persons pursuant to the Training Plan during each Reporting Period.

In addition to the training described in Section III.C.1, within 90 days after the Effective Date, each member of the Board shall receive training regarding the corporate governance responsibilities of board members and the responsibilities of board members with respect to review and oversight of the Compliance Program. Specifically, the training shall address the unique responsibilities of health care Board members, including the risks, oversight areas, and strategic approaches to conducting oversight of a health care entity. This training may be conducted by an outside compliance expert hired by the Board and should include a discussion of the OIG’s guidance on Board member responsibilities.

New members of the Board shall receive the Board training described above within 30 days after becoming a member or within 90 days after the Effective Date, whichever is later.

3. Training Records. Hope Hospice shall make available to OIG, upon request, training materials and records verifying that the training described in Sections III.C.1 and III.C.2 has been provided as required.
D. Review Procedures

1. General Description

   a. Engagement of Independent Review Organization. Within 90 days after the Effective Date, Hope Hospice shall engage an entity (or entities), such as an accounting, auditing, or consulting firm (hereinafter “Independent Review Organization” or “IRO”), to perform the reviews listed in this Section III.D. 3. Independence and Objectivity Certification. The IRO shall include in its report(s) to Hope Hospice a certification that the IRO has (a) evaluated its professional independence and objectivity with respect to the reviews required under this Section III.D and (b) concluded that it is, in fact, independent and objective, in accordance with the requirements specified in Appendix A to this CIA. E. Risk Assessment and Internal Review Process

Within 90 days after the Effective Date, Hope Hospice shall develop and implement a centralized annual risk assessment and internal review process to identify and address risks associated with Hope Hospice’s participation in the Federal health care programs, including but not limited to the risks associated with the submission of claims for items and services furnished to Medicare and Medicaid program beneficiaries. The Compliance Committee shall be responsible for implementation and oversight of the risk assessment and internal review process. The risk assessment and internal review process shall be conducted at least annually and shall require Hope Hospice to: (1) identify and prioritize risks, (2) develop internal review work plans related to the identified risk areas, (3) implement the internal review work plans, (4) develop corrective action plans in response to the results of any internal reviews performed, and (5) track the implementation of the corrective action plans in order to assess the effectiveness of such plans. Hope Hospice shall maintain the risk assessment and internal review process for the term of the CIA.

F. Disclosure Program

Within 90 days after the Effective Date, Hope Hospice shall establish a Disclosure Program that includes a mechanism (e.g., a toll-free compliance telephone line) to enable individuals to disclose, to the Compliance Officer or some other person who is not in the disclosing individual’s chain of command, any identified issues or questions associated with Hope Hospice’s policies, conduct, practices, or procedures with respect to a Federal health care program believed by the individual to be a potential violation of criminal, civil, or administrative law. Hope Hospice shall appropriately publicize the existence of the disclosure mechanism (e.g., via periodic e-mails to employees or by posting the information in prominent common areas).

The Disclosure Program shall emphasize a nonretribution, nonretaliation policy and shall include a reporting mechanism for anonymous communications for which appropriate confidentiality shall be maintained. The Disclosure Program also shall include a requirement that all of Hope Hospice’s Covered Persons shall be expected to report suspected violations of any Federal health care program requirements to the Compliance Officer or other appropriate individual designated by Hope Hospice. Upon receipt of a disclosure, the Compliance Officer (or designee) shall gather all relevant information from the disclosing individual. The Compliance Officer (or designee) shall make a preliminary, good faith inquiry into the allegations set forth in every disclosure to ensure that he or she has obtained all of the information necessary to determine whether a
further review should be conducted. For any disclosure that is sufficiently specific so that it reasonably: (1) permits a determination of the appropriateness of the alleged improper practice; and (2) provides an opportunity for taking corrective action, Hope Hospice shall conduct an internal review of the allegations set forth in the disclosure and ensure that proper follow-up is conducted.

The Compliance Officer (or designee) shall maintain a disclosure log and shall at a minimum record all disclosures, whether or not related to a potential violation of criminal, civil, or administrative law related to the Federal health care programs, in the disclosure log within two business days of receipt of the disclosure. The disclosure log shall include a summary of each disclosure received (whether anonymous or not), the individual or department responsible for reviewing the disclosure, the status of the review, and any corrective action taken in response to the review.

G. **Ineligible Persons**

1. **Definitions.** For purposes of this CIA:

   a. an “Ineligible Person” shall include an individual or entity who:

      i. is currently excluded from participation in any Federal health care program; or

      ii. has been convicted of a criminal offense that falls within the scope of 42 U.S.C. § 1320a-7(a) but has not yet been excluded.

2. **Screening Requirements.** Hope Hospice shall ensure that all prospective and current Covered Persons are not Ineligible Persons, by implementing the following screening requirements.

   a. Hope Hospice shall screen all prospective Covered Persons against the Exclusion List prior to engaging their services and, as part of the hiring or contracting process, shall require
such Covered Persons to disclose whether they are Ineligible Persons.

b. Hope Hospice shall screen all current Covered Persons against the Exclusion List within 90 days after the Effective Date and on a monthly basis thereafter.

c. Hope Hospice shall implement a policy requiring all Covered Persons to disclose immediately if they become an Ineligible Person.

Nothing in this Section III.G affects Hope Hospice’s responsibility to refrain from (and liability for) billing Federal health care programs for items or services furnished, ordered, or prescribed by an excluded person. Hope Hospice understands that items or services furnished, ordered, or prescribed by excluded persons are not payable by Federal health care programs and that Hope Hospice may be liable for overpayments and/or criminal, civil, and administrative sanctions for employing or contracting with an excluded person regardless of whether Hope Hospice meets the requirements of Section III.G.

3. **Removal Requirement.** If Hope Hospice has actual notice that a Covered Person has become an Ineligible Person, Hope Hospice shall remove such Covered Person from responsibility for, or involvement with, Hope Hospice’s business operations related to the Federal health care program(s) from which such Covered Person has been excluded and shall remove such Covered Person from any position for which the Covered Person’s compensation or the items or services furnished, ordered, or prescribed by the Covered Person are paid in whole or part, directly or indirectly, by any Federal health care program(s) from which the Covered Person has been excluded at least until such time as the Covered Person is reinstated into participation in such Federal health care program(s).

4. **Pending Charges and Proposed Exclusions.** If Hope Hospice has actual notice that a Covered Person is charged with a criminal offense that falls within the scope of 42 U.S.C. §§ 1320a-7(a), 1320a-7(b)(1)-(3), or is proposed for exclusion during the Covered Person’s employment or contract term, Hope Hospice shall take all appropriate actions to ensure that the responsibilities of that Covered Person have not and shall not adversely affect the quality of care rendered to any beneficiary or the accuracy of any claims submitted to any Federal health care program.

Hope Hospice also shall provide written notice to OIG within 30 days after the resolution of the matter and a description of the findings and/or results of the investigation or proceeding, if any.

I. Overpayments

1. Definition of Overpayment. An “Overpayment” means any funds that Hope Hospice receives or retains under any Federal health care program to which Hope Hospice, after applicable reconciliation, is not entitled under such Federal health care program.

2. Overpayment Policies and Procedures. Within 90 days after the Effective Date, Hope Hospice shall develop and implement written policies and procedures regarding the identification, quantification, and repayment of Overpayments received from any Federal health care program.

J. Reportable Events

1. Definition of Reportable Event. For purposes of this CIA, a “Reportable Event” means anything that involves:

   c. the employment of or contracting with a Covered Person who is an Ineligible Person as defined by Section III.G.1.a; or

   d. the filing of a bankruptcy petition by Hope Hospice.
A Reportable Event may be the result of an isolated event or a series of occurrences.

2. Reporting of Reportable Events. If Hope Hospice determines (after a reasonable opportunity to conduct an appropriate review or investigation of the allegations) through any means that there is a Reportable Event, Hope Hospice shall notify OIG, in writing, within 30 days after making the determination that the Reportable Event exists.

3. Reportable Events under Section III.J.1.a and III.J.1.b. For Reportable Events under Section III.J.1.a and b, the report to OIG shall include:

   a. a complete description of all details relevant to the Reportable Event, including, at a minimum, the types of claims, transactions or other conduct giving rise to the Reportable Event; the period during which the conduct occurred; and the names of individuals and entities believed to be implicated, including an explanation of their roles in the Reportable Event;

   b. a statement of the Federal criminal, civil or administrative laws that are probably violated by the Reportable Event, if any;

   c. the Federal health care programs affected by the Reportable Event;

   d. a description of the steps taken by Hope Hospice to identify and quantify any Overpayments; and

   e. a description of Hope Hospice’s actions taken to correct the Reportable Event and prevent it from recurring.

If the Reportable Event involves an Overpayment, within 60 days of identification of the Overpayment, Hope Hospice shall repay the Overpayment, in accordance with the requirements of 42 U.S.C. § 1320a-7k(d) and any applicable regulations and Centers for Medicare and Medicaid Services (CMS) guidance and provide OIG with a copy of the notification and repayment.

   d. a description of how the Ineligible Person was identified; and

   e. a description of any corrective action implemented to prevent future employment or contracting with an Ineligible Person.

5. **Reportable Events under Section III.J.1.d.** For Reportable Events under Section III.J.1.d, the report to OIG shall include documentation of the bankruptcy filing and a description of any Federal health care program requirements implicated.

6. **Reportable Events Involving the Stark Law.** Notwithstanding the reporting requirements outlined above, any Reportable Event that involves solely a probable violation of section 1877 of the Social Security Act, 42 U.S.C. §1395nn (the Stark Law) should be submitted by Hope Hospice to CMS through the self-referral disclosure protocol (SRDP), with a copy to the OIG. If Hope Hospice identifies a probable violation of the Stark Law and repays the applicable Overpayment directly to the CMS contractor, then Hope Hospice is not required by this Section III.J to submit the Reportable Event to CMS through the SRDP.

**IV. SUCCESSOR LIABILITY**

In the event that, after the Effective Date, Hope Hospice proposes to (a) sell any or all of its business, business units, or locations (whether through a sale of assets, sale of stock, or other type of transaction) relating to the furnishing of items or services that may be reimbursed by a Federal health care program; or (b) purchase or establish a new
business, business unit, or location relating to the furnishing of items or services that may be reimbursed by a Federal health care program, the CIA shall be binding on the purchaser of any business, business unit, or location and any new business, business unit, or location (and all Covered Persons at each new business, business unit, or location) shall be subject to the applicable requirements of this CIA, unless otherwise determined and agreed to in writing by OIG. Hope Hospice shall give notice of such sale or purchase to OIG within 30 days following the closing of the transaction.

Unless otherwise specified, all notifications and reports required by this CIA may be made by electronic mail, overnight mail, hand delivery, or other means, provided that
there is proof that such notification was received. Upon request by OIG, Hope Hospice may be required to provide OIG with an additional copy of each notification or report required by this CIA in OIG’s requested format (electronic or paper).

VII. OIG INSPECTION, AUDIT, AND REVIEW RIGHTS

In addition to any other rights OIG may have by statute, regulation, or contract, OIG or its duly authorized representative(s) may conduct interviews, examine and/or request copies of or copy Hope Hospice’s books, records, and other documents and supporting materials, and conduct on-site reviews of any of Hope Hospice’s locations, for the purpose of verifying and evaluating: (a) Hope Hospice’s compliance with the terms of this CIA and (b) Hope Hospice’s compliance with the requirements of the Federal health care programs. The documentation described above shall be made available by Hope Hospice to OIG or its duly authorized representative(s) at all reasonable times for inspection, audit, and/or reproduction. Furthermore, for purposes of this provision, OIG or its duly authorized representative(s) may interview any of Hope Hospice’s owners, employees, contractors, and directors who consent to be interviewed at the individual’s place of business during normal business hours or at such other place and time as may be mutually agreed upon between the individual and OIG. Hope Hospice shall assist OIG or its duly authorized representative(s) in contacting and arranging interviews with such individuals upon OIG’s request. Hope Hospice’s owners, employees, contractors, and directors may elect to be interviewed with or without a representative of Hope Hospice present.

VIII. DOCUMENT AND RECORD RETENTION

Hope Hospice shall maintain for inspection all documents and records relating to reimbursement from the Federal health care programs and to compliance with this CIA for six years (or longer if otherwise required by law) from the Effective Date.

IX. DISCLOSURES

Consistent with HHS’s FOIA procedures, set forth in 45 C.F.R. Part 5, OIG shall make a reasonable effort to notify Hope Hospice prior to any release by OIG of information submitted by Hope Hospice pursuant to its obligations under this CIA and identified upon submission by Hope Hospice as trade secrets, or information that is commercial or financial and privileged or confidential, under the FOIA rules. With respect to such releases, Hope Hospice shall have the rights set forth at 45 C.F.R. § 5.42(a).
X. BREACH AND DEFAULT PROVISIONS

Hope Hospice is expected to fully and timely comply with all of its CIA obligations.

A. Stipulated Penalties for Failure to Comply with Certain Obligations

As a contractual remedy, Hope Hospice and OIG hereby agree that failure to comply with certain obligations as set forth in this CIA may lead to the imposition of the following monetary penalties (hereinafter referred to as “Stipulated Penalties”) in accordance with the following provisions.

1. A Stipulated Penalty of $2,500 (which shall begin to accrue on the day after the date the obligation became due) per obligation for each day Hope Hospice fails to establish, implement or comply with any of the following obligations as described in Section III:

a. a Compliance Officer;

b. a Compliance Committee;

c. the Board compliance obligations;

d. the management certification obligations and the development and implementation of a written process for Certifying Employees, as required by Section III.A.4;

e. written Policies and Procedures;

f. the development of a written training plan and the training and education of Covered Persons and Board members;

g. a risk assessment and internal review process;

h. a Disclosure Program;

i. Ineligible Persons screening and removal requirements;

j. notification of Government investigations or legal proceedings;
k. policies and procedures regarding the repayment of Overpayments; and

l. reporting of Reportable Events.

2. A Stipulated Penalty of $2,500 (which shall begin to accrue on the day after the date the obligation became due) for each day Hope Hospice fails to engage and use an IRO, as required by Section III.D, Appendix A, or Appendix B.

3. A Stipulated Penalty of $2,500 (which shall begin to accrue on the day after the date the obligation became due) for each day Hope Hospice fails to timely submit (a) a complete Implementation Report or Annual Report, (b) a certification to OIG in accordance with the requirements of Section V, or (c) a complete response to any request for information from OIG.

4. A Stipulated Penalty of $2,500 (which shall begin to accrue on the day after the date the obligation became due) for each day Hope Hospice fails to submit any Claims Review Report in accordance with the requirements of Section III.D and Appendix B or fails to repay any Overpayment identified by the IRO, as required by Appendix B.

5. A Stipulated Penalty of $1,500 for each day Hope Hospice fails to grant access as required in Section VII (This Stipulated Penalty shall begin to accrue on the date Hope Hospice fails to grant access.).

6. A Stipulated Penalty of $50,000 for each false certification submitted by or on behalf of Hope Hospice as part of its Implementation Report, any Annual Report, additional documentation to a report (as requested by OIG), or otherwise required by this CIA.

7. A Stipulated Penalty of $2,500 for each day Hope Hospice fails to grant the IRO access to all records and personnel necessary to complete the reviews listed in Section III.D, and for each day Hope Hospice fails to furnish accurate and complete records to the IRO, as required by Section III.D and Appendix A.

8. A Stipulated Penalty of $1,000 for each day Hope Hospice fails to comply fully and adequately with any obligation of this CIA. OIG shall provide notice to Hope Hospice stating the specific grounds for its determination that Hope Hospice has

Hope Hospice and Community Services, Inc.,

failed to comply fully and adequately with the CIA obligation(s) at issue and steps Hope Hospice shall take to comply with the CIA. (This Stipulated Penalty shall begin to accrue 10 business days after the date Hope Hospice receives this notice from OIG of the failure to comply.) A Stipulated Penalty as described in this Subsection shall not be demanded for any violation for which OIG has sought a Stipulated Penalty under Subsections 1-7 of this Section.

B. Timely Written Requests for Extensions

Hope Hospice may, in advance of the due date, submit a timely written request for an extension of time to perform any act or file any notification or report required by this CIA. Notwithstanding any other provision in this Section, if OIG grants the timely written request with respect to an act, notification, or report, Stipulated Penalties for failure to perform the act or file the notification or report shall not begin to accrue until one day after Hope Hospice fails to meet the revised deadline set by OIG. Notwithstanding any other provision in this Section, if OIG denies such a timely written request, Stipulated Penalties for failure to perform the act or file the notification or report shall not begin to accrue until three business days after Hope Hospice receives OIG’s written denial of such request or the original due date, whichever is later. A “timely written request” is defined as a request in writing received by OIG at least five business days prior to the date by which any act is due to be performed or any notification or report is due to be filed.

C. Payment of Stipulated Penalties

1. Demand Letter. Upon a finding that Hope Hospice has failed to comply with any of the obligations described in Section X.A and after determining that Stipulated Penalties are appropriate, OIG shall notify Hope Hospice of: (a) Hope Hospice’s failure to comply; and (b) OIG’s exercise of its contractual right to demand payment of the Stipulated Penalties. (This notification shall be referred to as the “Demand Letter.”)

2. Response to Demand Letter. Within 10 business days after the receipt of the Demand Letter, Hope Hospice shall either: (a) cure the breach to OIG’s satisfaction and pay the applicable Stipulated Penalties or (b) request a hearing before an HHS administrative law judge (ALJ) to dispute OIG’s determination of noncompliance, pursuant to the agreed upon provisions set forth below in Section X.E. In the event Hope Hospice elects to request an ALJ hearing, the Stipulated Penalties shall continue to accrue until Hope Hospice cures, to OIG’s satisfaction, the alleged breach in dispute. Failure to
respond to the Demand Letter in one of these two manners within the allowed time period shall be considered a material breach of this CIA and shall be grounds for exclusion under Section X.D.

3. **Form of Payment.** Payment of the Stipulated Penalties shall be made by electronic funds transfer to an account specified by OIG in the Demand Letter.

4. **Independence from Material Breach Determination.** Except as set forth in Section X.D.1.c, these provisions for payment of Stipulated Penalties shall not affect or otherwise set a standard for OIG’s decision that Hope Hospice has materially breached this CIA, which decision shall be made at OIG’s discretion and shall be governed by the provisions in Section X.D, below.

D. **Exclusion for Material Breach of this CIA**

1. **Definition of Material Breach.** A material breach of this CIA means:

   a. repeated violations or a flagrant violation of any of the obligations under this CIA, including, but not limited to, the obligations addressed in Section X.A;

   b. a failure by Hope Hospice to report a Reportable Event, take corrective action, or make the appropriate refunds, as required in Section III.J;

   c. a failure to respond to a Demand Letter concerning the payment of Stipulated Penalties in accordance with Section X.C; or

   d. a failure to engage and use an IRO in accordance with Section III.D, Appendix A, or Appendix B.

2. **Notice of Material Breach and Intent to Exclude.** The parties agree that a material breach of this CIA by Hope Hospice constitutes an independent basis for Hope Hospice’s exclusion from participation in the Federal health care programs. The length of the exclusion shall be in the OIG’s discretion, but not more than five years per material breach. Upon a determination by OIG that Hope Hospice has materially breached this CIA and that exclusion is the appropriate remedy, OIG shall notify Hope Hospice and Community Services, Inc., d/b/a Hope Hospice

*Corporate Integrity Agreement*
Hospice of: (a) Hope Hospice’s material breach; and (b) OIG’s intent to exercise its contractual right to impose exclusion. (This notification shall be referred to as the “Notice of Material Breach and Intent to Exclude.”)

3. **Opportunity to Cure.** Hope Hospice shall have 30 days from the date of receipt of the Notice of Material Breach and Intent to Exclude to demonstrate that:

   a. the alleged material breach has been cured; or

   b. the alleged material breach cannot be cured within the 30 day period, but that: (i) Hope Hospice has begun to take action to cure the material breach; (ii) Hope Hospice is pursuing such action with due diligence; and (iii) Hope Hospice has provided to OIG a reasonable timetable for curing the material breach.

4. **Exclusion Letter.** If, at the conclusion of the 30-day period, Hope Hospice fails to satisfy the requirements of Section X.D.3, OIG may exclude Hope Hospice from participation in the Federal health care programs. OIG shall notify Hope Hospice in writing of its determination to exclude Hope Hospice. (This letter shall be referred to as the “Exclusion Letter.”) Subject to the Dispute Resolution provisions in Section X.E, below, the exclusion shall go into effect 30 days after the date of Hope Hospice’s receipt of the Exclusion Letter. The exclusion shall have national effect. Reinstatement to program participation is not automatic. At the end of the period of exclusion, Hope Hospice may apply for reinstatement by submitting a written request for reinstatement in accordance with the provisions at 42 C.F.R. §§ 1001.3001-.3004.

E. **Dispute Resolution**

1. **Review Rights.** Upon OIG’s delivery to Hope Hospice of its Demand Letter or of its Exclusion Letter, and as an agreed-upon contractual remedy for the resolution of disputes arising under this CIA, Hope Hospice shall be afforded certain review rights comparable to the ones that are provided in 42 U.S.C. § 1320a-7(f) and 42 C.F.R. Part 1005 as if they applied to the Stipulated Penalties or exclusion sought pursuant to this CIA. Specifically, OIG’s determination to demand payment of Stipulated Penalties or to seek exclusion shall be subject to review by an HHS ALJ and, in the event of an appeal, the HHS Departmental Appeals Board (DAB), in a manner consistent with the provisions in 42 C.F.R. § 1005.2-1005.21. Notwithstanding the language in 42
C.F.R. § 1005.2(c), the request for a hearing involving Stipulated Penalties shall be made within 10 days after receipt of the Demand Letter and the request for a hearing involving exclusion shall be made within 25 days after receipt of the Exclusion Letter. The procedures relating to the filing of a request for a hearing can be found at http://www.hhs.gov/dab/divisions/civil/procedures/divisionprocedures.html

2. **Stipulated Penalties Review.** Notwithstanding any provision of Title 42 of the United States Code or Title 42 of the Code of Federal Regulations, the only issues in a proceeding for Stipulated Penalties under this CIA shall be: (a) whether Hope Hospice was in full and timely compliance with the obligations of this CIA for which OIG demands payment; and (b) the period of noncompliance. Hope Hospice shall have the burden of proving its full and timely compliance and the steps taken to cure the noncompliance, if any. OIG shall not have the right to appeal to the DAB an adverse ALJ decision related to Stipulated Penalties. If the ALJ agrees with OIG with regard to a finding of a breach of this CIA and orders Hope Hospice to pay Stipulated Penalties, such Stipulated Penalties shall become due and payable 20 days after the ALJ issues such a decision unless Hope Hospice requests review of the ALJ decision by the DAB. If the ALJ decision is properly appealed to the DAB and the DAB upholds the determination of OIG, the Stipulated Penalties shall become due and payable 20 days after the DAB issues its decision.

3. **Exclusion Review.** Notwithstanding any provision of Title 42 of the United States Code or Title 42 of the Code of Federal Regulations, the only issues in a proceeding for exclusion based on a material breach of this CIA shall be whether Hope Hospice was in material breach of this CIA and, if so, whether:

   a. Hope Hospice cured such breach within 30 days of its receipt of the Notice of Material Breach; or

   b. the alleged material breach could not have been cured within the 30 day period, but that, during the 30 day period following Hope Hospice’s receipt of the Notice of Material Breach: (i) Hope Hospice had begun to take action to cure the material breach; (ii) Hope Hospice pursued such action with due diligence; and (iii) Hope Hospice provided to OIG a reasonable timetable for curing the material breach.

For purposes of the exclusion herein, exclusion shall take effect only after an ALJ decision favorable to OIG, or, if the ALJ rules for Hope Hospice, only after a DAB decision.
decision in favor of OIG. Hope Hospice’s election of its contractual right to appeal to the DAB shall not abrogate OIG’s authority to exclude Hope Hospice upon the issuance of an ALJ’s decision in favor of OIG. If the ALJ sustains the determination of OIG and determines that exclusion is authorized, such exclusion shall take effect 20 days after the ALJ issues such a decision, notwithstanding that Hope Hospice may request review of the ALJ decision by the DAB. If the DAB finds in favor of OIG after an ALJ decision adverse to OIG, the exclusion shall take effect 20 days after the DAB decision. Hope Hospice shall waive its right to any notice of such an exclusion if a decision upholding the exclusion is rendered by the ALJ or DAB. If the DAB finds in favor of Hope Hospice, Hope Hospice shall be reinstated effective on the date of the original exclusion.

4. Finality of Decision. The review by an ALJ or DAB provided for above shall not be considered to be an appeal right arising under any statutes or regulations. Consequently, the parties to this CIA agree that the DAB’s decision (or the ALJ’s decision if not appealed) shall be considered final for all purposes under this CIA.

XI. EFFECTIVE AND BINDING AGREEMENT

Hope Hospice and OIG agree as follows:

A. This CIA shall become final and binding on the date the final signature is obtained on the CIA.

B. This CIA constitutes the complete agreement between the parties and may not be amended except by written consent of the parties to this CIA.

C. OIG may agree to a suspension of Hope Hospice’s obligations under this CIA based on a certification by Hope Hospice that it is no longer providing health care items or services that will be billed to any Federal health care program and it does not have any ownership or control interest, as defined in 42 U.S.C. §1320a-3, in any entity that bills any Federal health care program. If Hope Hospice is relieved of its CIA obligations, Hope Hospice shall be required to notify OIG in writing at least 30 days in advance if Hope Hospice plans to resume providing health care items or services that are billed to any Federal health care program or to obtain an ownership or control interest in any entity that bills any Federal health care program. At such time, OIG shall evaluate whether the CIA will be reactivated or modified.

D. All requirements and remedies set forth in this CIA are in addition to and do not affect (1) Hope Hospice’s responsibility to follow all applicable Federal health
care program requirements or (2) the government’s right to impose appropriate remedies for failure to follow applicable Federal health care program requirements.

E. The undersigned Hope Hospice signatories represent and warrant that they are authorized to execute this CIA. The undersigned OIG signatories represent that they are signing this CIA in their official capacities and that they are authorized to execute this CIA.

F. This CIA may be executed in counterparts, each of which constitutes an original and all of which constitute one and the same CIA. Electronically transmitted copies of signatures shall constitute acceptable, binding signatures for purposes of this CIA.

APPENDIX A

INDEPENDENT REVIEW ORGANIZATION

This Appendix contains the requirements relating to the Independent Review Organization (IRO) required by Section III.D of the CIA.

A. IRO Engagement

1. Hope Hospice shall engage an IRO that possesses the qualifications set forth in Paragraph B, below, to perform the responsibilities in Paragraph C, below. The IRO shall conduct the review in a professionally independent and objective fashion, as set forth in Paragraph E. Within 30 days after OIG receives the information identified in Section V.A.7 of the CIA or any additional information submitted by Hope Hospice in response to a request by OIG, whichever is later, OIG will notify Hope Hospice if the IRO is unacceptable. Absent notification from OIG that the IRO is unacceptable, Hope Hospice may continue to engage the IRO.

2. If Hope Hospice engages a new IRO during the term of the CIA, that IRO must also meet the requirements of this Appendix. If a new IRO is engaged, Hope Hospice shall submit the information identified in Section V.A.7 of the CIA to OIG within 30 days of engagement of the IRO. Within 30 days after OIG receives this information or any additional information submitted by Hope Hospice at the request of OIG, whichever is later, OIG will notify Hope Hospice if the IRO is unacceptable. Absent notification from OIG that the IRO is unacceptable, Hope Hospice may continue to engage the IRO.

B. IRO Qualifications

The IRO shall:

1. assign individuals to conduct the Claims Review who have expertise in the Medicare and state Medicaid program requirements applicable to the claims being reviewed;

2. assign individuals to design and select the Claims Review sample who are knowledgeable about the appropriate statistical sampling techniques;

3. assign individuals to conduct the coding review portions of the Claims Review who have a nationally recognized coding certification and who have maintained this certification (e.g., completed applicable continuing education requirements);
4. assign licensed nurses or physicians with relevant education, training and specialized expertise (or other licensed health care professionals acting within their scope of practice and specialized expertise) to make the medical necessity determinations required by the Claims Review; and

5. have sufficient staff and resources to conduct the reviews required by the CIA on a timely basis.

C. IRO Responsibilities

The IRO shall:

1. perform each Claims Review in accordance with the specific requirements of the CIA;

2. follow all applicable Medicare and state Medicaid program rules and reimbursement guidelines in making assessments in the Claims Review;

3. request clarification from the appropriate authority (e.g., Medicare contractor), if in doubt of the application of a particular Medicare or state Medicaid program policy or regulation;

4. respond to all OIG inquires in a prompt, objective, and factual manner; and

5. prepare timely, clear, well-written reports that include all the information required by Appendix B to the CIA.

D. Hope Hospice Responsibilities

Hope Hospice shall ensure that the IRO has access to all records and personnel necessary to complete the reviews listed in III.D of this CIA and that all records furnished to the IRO are accurate and complete.

E. IRO Independence and Objectivity

The IRO must perform the Claims Review in a professionally independent and objective fashion, as defined in the most recent Government Auditing Standards issued by the U.S. Government Accountability Office.
F. IRO Removal/Termination

1. Hope Hospice and IRO. If Hope Hospice terminates its IRO or if the IRO withdraws from the engagement during the term of the CIA, Hope Hospice must submit a notice explaining (a) its reasons for termination of the IRO or (b) the IRO’s reasons for its withdrawal to OIG, no later than 30 days after termination or withdrawal. Hope Hospice must engage a new IRO in accordance with Paragraph A of this Appendix and within 60 days of termination or withdrawal of the IRO.

2. OIG Removal of IRO. In the event OIG has reason to believe the IRO does not possess the qualifications described in Paragraph B, is not independent and objective as set forth in Paragraph E, or has failed to carry out its responsibilities as described in Paragraph C, OIG shall notify Hope Hospice in writing regarding OIG’s basis for determining that the IRO has not met the requirements of this Appendix. Hope Hospice shall have 30 days from the date of OIG’s written notice to provide information regarding the IRO’s qualifications, independence or performance of its responsibilities in order to resolve the concerns identified by OIG. If, following OIG’s review of any information provided by Hope Hospice regarding the IRO, OIG determines that the IRO has not met the requirements of this Appendix, OIG shall notify Hope Hospice in writing that Hope Hospice shall be required to engage a new IRO in accordance with Paragraph A of this Appendix. Hope Hospice must engage a new IRO within 60 days of its receipt of OIG’s written notice. The final determination as to whether or not to require Hope Hospice to engage a new IRO shall be made at the sole discretion of OIG.
A. **Claims Review.** The Claims Review shall consist of two components: the Long Length of Stay Review and the Level of Services Review. The IRO shall perform the Long Length of Stay Review and the Level of Services Review annually to cover each of the five Reporting Periods.

1. **Definitions.** For the purposes of the Claims Review, the following definitions shall be used:

   a. **Overpayment:** The amount of money Hope Hospice has received in excess of the amount due and payable under Medicare and Medicaid requirements, as determined by the IRO in connection with the reviews performed under this Appendix B.

   b. **Hospice Population:** All hospices owned and/or operated by Hope Hospice at any time during the Reporting Period. For purposes of this Appendix B, each Hope Hospice provider number is to be considered a separate “Hospice.”

   c. **Long Length of Stay Review Population:** The Long Length of Stay Review Population shall be defined as all Medicare and Medicaid beneficiaries whose length of stay exceeded 240 uninterrupted days at any time during the Reporting Period and for whom Paid Claims exist.

   d. **Paid Claim:** A claim submitted by Hope Hospice and for which Hope Hospice has received reimbursement (excluding any managed care or Medicare Advantage claims or payments) from Medicare or Medicaid programs during the Reporting Period.

   e. **Claim Period:** The period of time covered by a complete election period as defined at 42 C.F.R. § 418.21, which includes a Paid Claim.
f. **Level of Services**: One of the four categories of care reimbursed under the Medicare and Medicaid hospice benefit, which consist of:

i. **Routine Home Care** – when a patient is at home and is not receiving Continuous Care services;

ii. **Continuous Care** – when a patient is at home and receives services that consist predominantly of nursing care on a continuous basis for brief periods of crisis and as necessary to maintain the terminally ill at home. See 42 C.F.R. § 418.204;

iii. **Inpatient Respite Care** – when a patient receives care at an approved facility on a short term basis for respite; and

iv. **General Inpatient Care** – when a patient receives care in an inpatient facility for pain control or acute or chronic symptom management that cannot be managed in other settings.

g. **Level of Services Review Population**: The Level of Services Review Population shall be defined as all Medicare and Medicaid beneficiaries who received Continuous Care, Inpatient Respite Care, or General Inpatient Care during a Claim Period, during the Reporting Period, for which a Paid Claim exists.

2. **Description of Reviews**.

a. **Long Length of Stay Review**. The IRO shall select a random sample of 30 Medicare and Medicaid beneficiaries from the Long Length of Stay Review Population (Long Length of Stay Review Sample). The IRO shall review medical and other applicable records for the Medicare and Medicaid, beneficiaries selected based on the supporting documentation available at Hope Hospice’s offices or under Hope Hospice’s control and applicable billing and coding regulations and applicable guidance to determine whether the Medicare or Medicaid beneficiary was eligible for hospice services during
each Claim Period during the Reporting Period.

For any beneficiary in the Long Length of Stay Sample that results in a determination by the IRO that the beneficiary was not eligible for hospice services during any Claim Period, the IRO shall perform a review of the system(s) and process(es) that resulted in Hope Hospice’s erroneous determination that the beneficiary was eligible for hospice services during that Claim Period, to identify any problems or weaknesses that may have resulted in the identified error(s). The IRO shall provide its observations and recommendations on suggested improvements to the system(s) and the process(es) for determining eligibility for hospice services.

b. **Level of Services Review.** The IRO shall select a random sample of 30 Medicare and Medicaid beneficiaries from the Level of Services Review Population (Level of Services Review Sample). The IRO shall review medical and other applicable records for the Medicare and Medicaid beneficiaries selected based on the supporting documentation available at Hope Hospice’s offices or under Hope Hospice’s control and applicable billing and coding regulations and applicable guidance to determine whether the medical record supports the appropriateness of the Level of Services provided during the Reporting Period and that the Paid Claim was properly submitted to and reimbursed by Medicare or Medicaid.

For any beneficiary in the Level of Services Review Sample that results in a determination by the IRO that the Level of Services billed was not appropriate, the IRO shall perform a review of the system(s) and process(es) that resulted in Hope Hospice’s erroneous determination that medical necessity existed for the Level of Services billed, to identify any problems or weaknesses that may have resulted in the identified error(s). The IRO shall provide its observations and recommendations on suggested improvements to the system(s) and the process(es) for determining medical necessity for the Level of Services provided.

3. **Other Requirements.**
a. **Supplemental Materials.** The IRO shall request all documentation and materials required for its review of the medical and other records of the Medicare and Medicaid beneficiaries selected as part of each sample described in paragraph 2 above and Hope Hospice shall furnish such documentation and materials to the IRO prior to the IRO initiating its review of each sample. If the IRO accepts any supplemental documentation or materials from Hope Hospice after the IRO has completed its initial review of any sample (Supplemental Materials), the IRO shall identify in the Claims Review Report the Supplemental Materials, the date the Supplemental Materials were accepted, and the relative weight the IRO gave to the Supplemental Materials in its review. In addition, the IRO shall include a narrative in the Claims Review Report describing the process by which the Supplemental Materials were accepted and the IRO’s reasons for accepting the Supplemental Materials.

b. **Claims without Supporting Documentation.** If Hope Hospice cannot produce documentation for any beneficiary selected as part of any of the samples described in paragraph 3 above, then the total reimbursement received by Hope Hospice for hospice services furnished to such beneficiary shall be deemed an Overpayment. Replacement sampling for Medicare and Medicaid beneficiaries with missing documentation is not permitted.

c. **Use of First Samples Drawn.** For the purposes of all samples discussed in this Appendix, the Medicare and Medicaid beneficiaries selected in each first sample shall be used (i.e., it is not permissible to generate more than one list of random samples and then select one for use).

4. **Repayment of Identified Overpayments.** Hope Hospice shall repay within 60 days any Overpayment(s) identified by the IRO in each sample described in paragraph 3 above, in accordance with the requirements of 42 U.S.C. § 1320a-7k(d) and any applicable regulations and Centers for Medicare and Medicaid Services (CMS) guidance (the “CMS overpayment rule”). If Hope Hospice determines that the CMS overpayment rule requires that an extrapolated Overpayment be repaid, Hope Hospice shall repay that amount at the mean point estimate as calculated by the IRO. Hope
Hospice shall make available to OIG all documentation that reflects the refund of the Overpayment(s) to the payor. OIG, in its sole discretion, may refer the findings of any sample (and any related work papers) received from Hope Hospice to the appropriate Federal health care program payor (e.g., Medicare contractor) for follow up by that payor.

B. Claims Review Report. The IRO shall prepare a Claims Review Report as described in this Appendix for each Claims Review performed. The following information shall be included in the Claims Review Report.

1. **Claims Review Methodology.**
   
   
   b. **Review Objective.** A clear statement of the objective intended to be achieved by the Long Length of Stay Review and the Level of Services Review.
   
   c. **Source of Data.** A description of (1) the process used to identify the beneficiaries in each population and (2) the specific documentation relied upon by the IRO when performing the Long Length of Stay Review, and the Level of Services Review.
   
   d. **Review Protocol.** A narrative description of how the Long Length of Stay Review and the Level of Services Review were conducted and what was evaluated.
   
   e. **Supplemental Materials.** A description of any Supplemental Materials as required by A.3.a., above.

2. **Statistical Sampling Documentation.**

   a. A copy of the printout of the random numbers generated by the “Random Numbers” function of the statistical sampling software used by the IRO.
3. **Claims Review Findings.**

   a. **Narrative Results.**

      i. A description of Hope Hospice’s hospice eligibility certification, recertification, and determination of Level of Service processes, including the identification, by position description, of the personnel involved.

      ii. A narrative explanation of the IRO’s findings and supporting rationale (including reasons for errors, patterns noted, concerns relating to the eligibility for hospice or appropriateness of hospice services, etc.) regarding the Long Length of Stay Review and the Level of Services Review.

   b. **Quantitative Results.**

      i. Total number and percentage of instances in which the IRO determined that the documentation for a Medicare and Medicaid beneficiary in the Long Length of Stay Population did not support eligibility for hospice services during a Claim Period and which resulted in an Overpayment to Hope Hospice.

      ii. Total number and percentage of instances in which the IRO determined that the documentation for a Medicare and Medicaid beneficiary in the Level of Services Review Population did not support eligibility for the Level of Services claimed and which resulted in an Overpayment to Hope Hospice.

      iii. Total dollar amount of all Overpayments in the Long Length of Stay Population, the error rate for the Long Length of Stay Review, and an estimate of the Overpayment in the Long Length of Stay Population at
the mean point estimate. The Long Length of Stay Review error rate shall be calculated by dividing the Overpayment in the Long Length of Stay Review by the total dollar amount associated with hospice services reimbursed by Medicare or Medicaid in the Long Length of Stay Population during the Reporting Period.

iv. Total dollar amount of all Overpayments in the Level of Services Population, the error rate for the Level of Services Review and an estimate of the actual Overpayment in the Level of Services Review Population at the mean point estimate. The Level of Services Review error rate shall be calculated by dividing the Overpayment in the Level of Services Review by the total dollar amount associated with hospice services reimbursed by Medicare or Medicaid in the Level of Services Population during the Reporting Period.

v. A spreadsheet of the Claims Review results that includes the following information for each Medicare and Medicaid beneficiary: beneficiary health insurance claim number, date(s) of service, days of hospice service billed at each level of care, allowed amount reimbursed by the respective payor, correct allowed amount (as determined by the IRO), dollar difference between allowed amount reimbursed by payor and the correct allowed amount.

c. Recommendations.
