D. Review Procedures

1. General Description

   a. Engagement of Independent Review Organization. Within 90 days after the Effective Date, Hutchinson Regional shall engage an entity (or entities), such as an accounting, auditing, or consulting firm (hereinafter “Independent Review Organization” or “IRO”), to perform the reviews listed in this Section III.D. The applicable requirements relating to the IRO are outlined in Appendix A to this CIA, which is incorporated by reference.

   b. Retention of Records. The IRO and Hutchinson Regional shall retain and make available to OIG, upon request, all work papers, supporting documentation, correspondence, and draft reports (those exchanged between the IRO and Hutchinson Regional) related to the reviews.

2. Claims Review. The IRO shall review Hutchinson Regional’s coding, billing, and claims submission to the Federal health care programs and the reimbursement received (Claims Review) and shall prepare a Claims Review Report, as outlined in Appendix B to this CIA, which is incorporated by reference.

3. Unallowable Cost Review. For the first Reporting Period, the IRO shall conduct a review of Hutchinson Regional’s compliance with the unallowable cost provisions of the Settlement Agreement. The IRO shall determine whether Hutchinson Regional has complied with its obligations not to charge to, or otherwise seek payment from, federal or state payors for unallowable costs (as defined in the Settlement Agreement) and its obligation to identify to applicable federal or state payors any unallowable costs included in payments previously sought from the United States, or any state Medicaid program. This unallowable costs analysis shall include, but not be limited to, payments sought in any cost reports, cost statements, information reports, or payment requests already submitted by Hutchinson Regional or any affiliates. To the extent that such cost reports, cost statements, information reports, or payment requests, even if already settled, have been adjusted to account for the effect of the inclusion of the unallowable costs, the IRO shall determine if such adjustments were proper. In making this determination, the IRO may need to review cost reports and/or financial statements.
from the year in which the Settlement Agreement was executed, as well as from previous years.

4. **Unallowable Cost Review Report.** The IRO shall prepare a report based upon the Unallowable Cost Review performed (Unallowable Cost Review Report). The Unallowable Cost Review Report shall include the IRO’s findings and supporting rationale regarding the Unallowable Cost Review and whether Hutchinson Regional has complied with its obligation not to charge to, or otherwise seek payment from, federal or state payors for unallowable costs (as defined in the Settlement Agreement) and its obligation to identify to applicable federal or state payors any unallowable costs included in payments previously sought from such payor.

5. **Validation Review.** In the event OIG has reason to believe that: (a) Hutchinson Regional’s Claims Review or Unallowable Cost Review fails to conform to the requirements of this CIA; or (b) the IRO’s findings or Claims Review or Unallowable Cost Review results are inaccurate, OIG may, at its sole discretion, conduct its own review to determine whether the Claims Review or Unallowable Cost Review complied with the requirements of the CIA and/or the findings or Claims Review or Unallowable Cost Review results are inaccurate (Validation Review). Hutchinson Regional shall pay for the reasonable cost of any such review performed by OIG or any of its designated agents. Any Validation Review of Reports submitted as part of Hutchinson Regional’s final Annual Report shall be initiated no later than one year after Hutchinson Regional’s final submission (as described in Section II) is received by OIG.

Prior to initiating a Validation Review, OIG shall notify Hutchinson Regional of its intent to do so and provide a written explanation of why OIG believes such a review is necessary. To resolve any concerns raised by OIG, Hutchinson Regional may request a meeting with OIG to: (a) discuss the results of any Claims Review or Unallowable Cost Review submissions or findings; (b) present any additional information to clarify the results of the Claims Review or Unallowable Cost Review or to correct the inaccuracy of the Claims Review or Unallowable Cost Review; and/or (c) propose alternatives to the proposed Validation Review. Hutchinson Regional agrees to provide any additional information as may be requested by OIG under this Section III.D.5 in an expedited manner. OIG will attempt in good faith to resolve any Claims Review or Unallowable Cost Review issues with Hutchinson Regional prior to conducting a Validation Review. However, the final determination as to whether or not to proceed with a Validation Review shall be made at the sole discretion of OIG.
6. **Independence and Objectivity Certification.** The IRO shall include in its report(s) to Hutchinson Regional a certification that the IRO has (a) evaluated its professional independence and objectivity with respect to the reviews conducted under this Section III.D and (b) concluded that it is, in fact, independent and objective, in accordance with the requirements specified in Appendix A to this CIA.

E. **Disclosure Program**

Within 90 days after the Effective Date, Hutchinson Regional shall establish a Disclosure Program that includes a mechanism (e.g., a toll-free compliance telephone line) to enable individuals to disclose, to the Compliance Officer or some other person who is not in the disclosing individual’s chain of command, any identified issues or questions associated with Hutchinson Regional’s policies, conduct, practices, or procedures with respect to a Federal health care program believed by the individual to be a potential violation of criminal, civil, or administrative law. Hutchinson Regional shall appropriately publicize the existence of the disclosure mechanism (e.g., via periodic e-mails to employees or by posting the information in prominent common areas).

The Disclosure Program shall emphasize a nonretribution, nonretaliation policy, and shall include a reporting mechanism for anonymous communications for which appropriate confidentiality shall be maintained. Upon receipt of a disclosure, the Compliance Officer (or designee) shall gather all relevant information from the disclosing individual. The Compliance Officer (or designee) shall make a preliminary, good faith inquiry into the allegations set forth in every disclosure to ensure that he or she has obtained all of the information necessary to determine whether a further review should be conducted. For any disclosure that is sufficiently specific so that it reasonably: (1) permits a determination of the appropriateness of the alleged improper practice; and (2) provides an opportunity for taking corrective action, Hutchinson Regional shall conduct an internal review of the allegations set forth in the disclosure and ensure that proper follow-up is conducted.

The Compliance Officer (or designee) shall maintain a disclosure log, which shall include a record and summary of each disclosure received (whether anonymous or not), the status of the respective internal reviews, and any corrective action taken in response to the internal reviews.
F. Ineligible Persons

1. Definitions. For purposes of this CIA:

   a. an “Ineligible Person” shall include an individual or entity who:
      
      i. is currently excluded, debarred, suspended, or otherwise ineligible to participate in the Federal health care programs or in Federal procurement or nonprocurement programs; or
      
      ii. has been convicted of a criminal offense that falls within the scope of 42 U.S.C. § 1320a-7(a), but has not yet been excluded, debarred, suspended, or otherwise declared ineligible.

   b. “Exclusion Lists” include:
      
      i. the HHS/OIG List of Excluded Individuals/Entities (available through the Internet at http://www.oig.hhs.gov); and

      ii. the General Services Administration’s System for Award Management (available through the Internet at http://www.sam.gov).

2. Screening Requirements. Hutchinson Regional shall ensure that all prospective and current Covered Persons are not Ineligible Persons, by implementing the following screening requirements.

   a. Hutchinson Regional shall screen all prospective Covered Persons against the Exclusion Lists prior to engaging their services and, as part of the hiring or contracting process, shall require such Covered Persons to disclose whether they are Ineligible Persons.
b. Hutchinson Regional shall screen all Covered Persons against the Exclusion Lists within 90 days after the Effective Date and on a monthly basis thereafter.

c. Hutchinson Regional shall implement a policy requiring all Covered Persons to disclose immediately any debarment, exclusion, suspension, or other event that makes that person an Ineligible Person.

Nothing in Section III.F affects Hutchinson Regional’s responsibility to refrain from (and liability for) billing Federal health care programs for items or services furnished, ordered, or prescribed by excluded persons. Hutchinson Regional understands that items or services furnished, ordered or prescribed by excluded persons are not payable by Federal health care programs and that Hutchinson Regional may be liable for overpayments and/or criminal, civil, and administrative sanctions for employing or contracting with an excluded person regardless of whether Hutchinson Regional meets the requirements of Section III.F.

3. **Removal Requirement.** If Hutchinson Regional has actual notice that a Covered Person has become an Ineligible Person, Hutchinson Regional shall remove such Covered Person from responsibility for, or involvement with, Hutchinson Regional’s business operations related to the Federal health care programs and shall remove such Covered Person from any position for which the Covered Person’s compensation or the items or services furnished, ordered, or prescribed by the Covered Person are paid in whole or part, directly or indirectly, by Federal health care programs or otherwise with Federal funds at least until such time as the Covered Person is reinstated into participation in the Federal health care programs.

4. **Pending Charges and Proposed Exclusions.** If Hutchinson Regional has actual notice that a Covered Person is charged with a criminal offense that falls within the scope of 42 U.S.C. §§ 1320a-7(a), 1320a-7(b)(1)-(3), or is proposed for exclusion during the Covered Person’s employment or contract term or during the term of a physician’s or other practitioner’s medical staff privileges, Hutchinson Regional shall take all appropriate actions to ensure that the responsibilities of that Covered Person have not and shall not adversely affect the quality of care rendered to any beneficiary, patient, or resident, or any claims submitted to any Federal health care program.
G. Notification of Government Investigation or Legal Proceedings

Within 30 days after discovery, Hutchinson Regional shall notify OIG, in writing, of any ongoing investigation or legal proceeding known to Hutchinson Regional conducted or brought by a governmental entity or its agents involving an allegation that Hutchinson Regional has committed a crime or has engaged in fraudulent activities. This notification shall include a description of the allegation, the identity of the investigating or prosecuting agency, and the status of such investigation or legal proceeding. Hutchinson Regional shall also provide written notice to OIG within 30 days after the resolution of the matter, and shall provide OIG with a description of the findings and/or results of the investigation or proceedings, if any.

H. Repayment of Overpayments

1. Definition of Overpayments. For purposes of this CIA, an “Overpayment” shall mean the amount of money Hutchinson Regional has received in excess of the amount due and payable under any Federal health care program requirements.

2. Repayment of Overpayments

a. If, at any time, Hutchinson Regional identifies or learns of any Overpayment, Hutchinson Regional shall repay the Overpayment to the appropriate payor (e.g., Medicare fiscal intermediary or carrier) within 60 days after identification of the Overpayment and take remedial steps within 90 days after identification (or such additional time as may be agreed to by the payor) to correct the problem, including preventing the underlying problem and the Overpayment from recurring. If not yet quantified, within 60 days after identification, Hutchinson Regional shall notify the payor of its efforts to quantify the Overpayment amount along with a schedule of when such work is expected to be completed. Notification and repayment to the payor shall be done in accordance with the payor’s policies.

b. Notwithstanding the above, notification and repayment of any Overpayment amount that routinely is reconciled or adjusted
pursuant to policies and procedures established by the payor should be handled in accordance with such policies and procedures.

I. Reportable Events

1. **Definition of Reportable Event.** For purposes of this CIA, a “Reportable Event” means anything that involves:

   a. a substantial Overpayment;

   b. a matter that a reasonable person would consider a probable violation of criminal, civil, or administrative laws applicable to any Federal health care program for which penalties or exclusion may be authorized;

   c. the employment of or contracting with a Covered Person who is an Ineligible Person as defined by Section III.F.1.a; or

   d. the filing of a bankruptcy petition by Hutchinson Regional.

A Reportable Event may be the result of an isolated event or a series of occurrences.

2. **Reporting of Reportable Events.** If Hutchinson Regional determines (after a reasonable opportunity to conduct an appropriate review or investigation of the allegations) through any means that there is a Reportable Event, Hutchinson Regional shall notify OIG, in writing, within 30 days after making the determination that the Reportable Event exists.

3. **Reportable Events under Section III.I.1.a.** For Reportable Events under Section III.I.1.a, the report to OIG shall be made within 30 days of the identification of the Overpayment, and shall include:

Within 60 days of identification of the Overpayment, Hutchinson Regional shall provide OIG with a copy of the notification and repayment to the payor required in Section III.H.2.

4. **Reportable Events under Section III.I.1.b and c.** For Reportable Events under Section III.I.1.b and III.I.1.c, the report to OIG shall include:

   c. any further steps Hutchinson Regional plans to take to address the Reportable Event and prevent it from recurring; and

   d. if the Reportable Event has resulted in an Overpayment, a description of the steps taken by Hutchinson Regional to identify and quantify the Overpayment.

5. **Reportable Events under Section III.I.1.d.** For Reportable Events under Section III.I.1.d, the report to the OIG shall include documentation of the bankruptcy filing and a description of any Federal health care program authorities implicated.
6. **Reportable Events Involving the Stark Law.** Notwithstanding the reporting requirements outlined above, any Reportable Event that involves only a probable violation of section 1877 of the Social Security Act, 42 U.S.C. §1395nn (the Stark Law) should be submitted by Hutchinson Regional to the Centers for Medicare & Medicaid Services (CMS) through the self-referral disclosure protocol (SRDP), with a copy to the OIG. The requirements of Section III.H.2 that require repayment to the payor of any identified Overpayment within 60 days shall not apply to any Overpayment that may result from a probable violation of only the Stark Law that is disclosed to CMS pursuant to the SRDP. If Hutchinson Regional identifies a probable violation of the Stark Law and repays the applicable Overpayment directly to the CMS contractor, then Hutchinson Regional is not required by this Section III.I to submit the Reportable Event to CMS through the SRDP.

The Implementation Report and each Annual Report shall include a certification by the Compliance Officer that:

1. to the best of his or her knowledge, except as otherwise described in the report, Hutchinson Regional is in compliance with all of the requirements of this CIA;

2. he or she has reviewed the report and has made reasonable inquiry regarding its content and believes that the information in the report is accurate and truthful; and
3. to the best of his or her knowledge, Hutchinson Regional has complied with its obligations under the Settlement Agreement: (a) not to resubmit to any Federal health care program payors any previously denied claims related to the Covered Conduct addressed in the Settlement Agreement, and not to appeal any such denials of claims; (b) not to charge to or otherwise seek payment from federal or state payors for unallowable costs (as defined in the Settlement Agreement); and (c) to identify and adjust any past charges or claims for unallowable costs.

D. Designation of Information

Hutchinson Regional shall clearly identify any portions of its submissions that it believes are trade secrets, or information that is commercial or financial and privileged or confidential, and therefore potentially exempt from disclosure under the Freedom of Information Act (FOIA), 5 U.S.C. § 552. Hutchinson Regional shall refrain from identifying any information as exempt from disclosure if that information does not meet the criteria for exemption from disclosure under FOIA.

VII. OIG INSPECTION, AUDIT, AND REVIEW RIGHTS

In addition to any other rights OIG may have by statute, regulation, or contract, OIG or its duly authorized representative(s) may examine or request copies of Hutchinson Regional’s books, records, and other documents and supporting materials and/or conduct on-site reviews of any of Hutchinson Regional’s locations for the purpose of verifying and evaluating: (a) Hutchinson Regional’s compliance with the terms of this CIA; and (b) Hutchinson Regional’s compliance with the requirements of the Federal health care programs. The documentation described above shall be made available by Hutchinson Regional to OIG or its duly authorized representative(s) at all reasonable times for inspection, audit, or reproduction. Furthermore, for purposes of this provision, OIG or its duly authorized representative(s) may interview any of Hutchinson Regional’s employees, contractors, or agents who consent to be interviewed at the individual’s place of business during normal business hours or at such other place and time as may be mutually agreed upon between the individual and OIG. Hutchinson Regional shall assist OIG or its duly authorized representative(s) in contacting and arranging interviews with such individuals upon OIG’s request. Hutchinson Regional’s employees may elect to be interviewed with or without a representative of Hutchinson Regional present.

VIII. DOCUMENT AND RECORD RETENTION

Hutchinson Regional shall maintain for inspection all documents and records relating to reimbursement from the Federal health care programs and to compliance with this CIA for six years (or longer if otherwise required by law) from the Effective Date.
IX. DISCLOSURES

Consistent with HHS’s FOIA procedures, set forth in 45 C.F.R. Part 5, OIG shall make a reasonable effort to notify Hutchinson Regional prior to any release by OIG of information submitted by Hutchinson Regional pursuant to its obligations under this CIA and identified upon submission by Hutchinson Regional as trade secrets, or information that is commercial or financial and privileged or confidential, under the FOIA rules. With respect to such releases, Hutchinson Regional shall have the rights set forth at 45 C.F.R. § 5.65(d).

X. BREACH AND DEFAULT PROVISIONS

Hutchinson Regional is expected to fully and timely comply with all of its CIA obligations.

A. Stipulated Penalties for Failure to Comply with Certain Obligations

As a contractual remedy, Hutchinson Regional and OIG hereby agree that failure to comply with certain obligations as set forth in this CIA may lead to the imposition of the following monetary penalties (hereinafter referred to as “Stipulated Penalties”) in accordance with the following provisions.

1. A Stipulated Penalty of $2,500 (which shall begin to accrue on the day after the date the obligation became due) for each day Hutchinson Regional fails to establish and implement any of the following obligations as described in Section III:

   a. a Compliance Officer;
   b. a Compliance Committee;
   c. the Board of Directors compliance obligations;
   d. a written Code of Conduct;
   e. written Policies and Procedures;
f. the training of Covered Persons, Billing Covered Persons, Clinical Covered Persons, Marketing Covered Persons, and Board Members;

g. a Disclosure Program;

h. Ineligible Persons screening and removal requirements;

i. notification of Government investigations or legal proceedings; and

j. reporting of Reportable Events.

2. A Stipulated Penalty of $2,500 (which shall begin to accrue on the day after the date the obligation became due) for each day Hutchinson Regional fails to engage and use an IRO, as required in Section III.D, Appendix A, and Appendix B.

3. A Stipulated Penalty of $2,500 (which shall begin to accrue on the day after the date the obligation became due) for each day Hutchinson Regional fails to submit the Implementation Report or any Annual Reports to OIG in accordance with the requirements of Section V by the deadlines for submission.

4. A Stipulated Penalty of $2,500 (which shall begin to accrue on the day after the date the obligation became due) for each day Hutchinson Regional fails to submit any Claims Review Report or Unallowable Cost Review in accordance with the requirements of Section III.D and Appendix B.

5. A Stipulated Penalty of $1,500 for each day Hutchinson Regional fails to grant access as required in Section VII. (This Stipulated Penalty shall begin to accrue on the date Hutchinson Regional fails to grant access.)

6. A Stipulated Penalty of $50,000 for each false certification submitted by or on behalf of Hutchinson Regional as part of its Implementation Report, Annual Report, additional documentation to a report (as requested by the OIG), or otherwise required by this CIA.

7. A Stipulated Penalty of $1,000 for each day Hutchinson Regional fails to comply fully and adequately with any obligation of this CIA. OIG shall provide
notice to Hutchinson Regional stating the specific grounds for its determination that Hutchinson Regional has failed to comply fully and adequately with the CIA obligation(s) at issue and steps Hutchinson Regional shall take to comply with the CIA. (This Stipulated Penalty shall begin to accrue 10 days after Hutchinson Regional receives this notice from OIG of the failure to comply.) A Stipulated Penalty as described in this Subsection shall not be demanded for any violation for which OIG has sought a Stipulated Penalty under Subsections 1-6 of this Section.

B. **Timely Written Requests for Extensions**

Hutchinson Regional may, in advance of the due date, submit a timely written request for an extension of time to perform any act or file any notification or report required by this CIA. Notwithstanding any other provision in this Section, if OIG grants the timely written request with respect to an act, notification, or report, Stipulated Penalties for failure to perform the act or file the notification or report shall not begin to accrue until one day after Hutchinson Regional fails to meet the revised deadline set by OIG. Notwithstanding any other provision in this Section, if OIG denies such a timely written request, Stipulated Penalties for failure to perform the act or file the notification or report shall not begin to accrue until three business days after Hutchinson Regional receives OIG’s written denial of such request or the original due date, whichever is later. A “timely written request” is defined as a request in writing received by OIG at least five business days prior to the date by which any act is due to be performed or any notification or report is due to be filed.

C. **Payment of Stipulated Penalties**

1. **Demand Letter.** Upon a finding that Hutchinson Regional has failed to comply with any of the obligations described in Section X.A and after determining that Stipulated Penalties are appropriate, OIG shall notify Hutchinson Regional of: (a) Hutchinson Regional’s failure to comply; and (b) OIG’s exercise of its contractual right to demand payment of the Stipulated Penalties. (This notification shall be referred to as the “Demand Letter.”)

2. **Response to Demand Letter.** Within 10 days after the receipt of the Demand Letter, Hutchinson Regional shall either: (a) cure the breach to OIG’s satisfaction and pay the applicable Stipulated Penalties or (b) request a hearing before an HHS administrative law judge (ALJ) to dispute OIG’s determination of noncompliance, pursuant to the agreed upon provisions set forth below in Section X.E. In the event
Hutchinson Regional elects to request an ALJ hearing, the Stipulated Penalties shall continue to accrue until Hutchinson Regional cures, to OIG’s satisfaction, the alleged breach in dispute. Failure to respond to the Demand Letter in one of these two manners within the allowed time period shall be considered a material breach of this CIA and shall be grounds for exclusion under Section X.D.

3. **Form of Payment.** Payment of the Stipulated Penalties shall be made by electronic funds transfer to an account specified by OIG in the Demand Letter.

4. **Independence from Material Breach Determination.** Except as set forth in Section X.D.1.c, these provisions for payment of Stipulated Penalties shall not affect or otherwise set a standard for OIG’s decision that Hutchinson Regional has materially breached this CIA, which decision shall be made at OIG’s discretion and shall be governed by the provisions in Section X.D, below.

**D. Exclusion for Material Breach of this CIA**

1. **Definition of Material Breach.** A material breach of this CIA means:

   a. a repeated or flagrant violation of the obligations under this CIA, including, but not limited to, the obligations addressed in Section X.A;

   b. a failure by Hutchinson Regional to report a Reportable Event, take corrective action, and make the appropriate refunds, as required in Section III.I;

   c. a failure to respond to a Demand Letter concerning the payment of Stipulated Penalties in accordance with Section X.C; or

   d. a failure to engage and use an IRO in accordance with Section III.D, Appendix A, and Appendix B.

2. **Notice of Material Breach and Intent to Exclude.** The parties agree that a material breach of this CIA by Hutchinson Regional constitutes an independent basis for Hutchinson Regional’s exclusion from participation in the Federal health care
programs. Upon a determination by OIG that Hutchinson Regional has materially breached this CIA and that exclusion is the appropriate remedy, OIG shall notify Hutchinson Regional of: (a) Hutchinson Regional’s material breach; and (b) OIG’s intent to exercise its contractual right to impose exclusion. (This notification shall be referred to as the “Notice of Material Breach and Intent to Exclude.”)

3. **Opportunity to Cure.** Hutchinson Regional shall have 30 days from the date of receipt of the Notice of Material Breach and Intent to Exclude to demonstrate to OIG’s satisfaction that:

   a. Hutchinson Regional is in compliance with the obligations of the CIA cited by OIG as being the basis for the material breach;

   b. the alleged material breach has been cured; or

   c. the alleged material breach cannot be cured within the 30 day period, but that: (i) Hutchinson Regional has begun to take action to cure the material breach; (ii) Hutchinson Regional is pursuing such action with due diligence; and (iii) Hutchinson Regional has provided to OIG a reasonable timetable for curing the material breach.

4. **Exclusion Letter.** If, at the conclusion of the 30 day period, Hutchinson Regional fails to satisfy the requirements of Section X.D.3, OIG may exclude Hutchinson Regional from participation in the Federal health care programs. OIG shall notify Hutchinson Regional in writing of its determination to exclude Hutchinson Regional. (This letter shall be referred to as the “Exclusion Letter.”) Subject to the Dispute Resolution provisions in Section X.E, below, the exclusion shall go into effect 30 days after the date of Hutchinson Regional’s receipt of the Exclusion Letter. The exclusion shall have national effect. Reinstatement to program participation is not automatic. After the end of the period of exclusion, Hutchinson Regional may apply for reinstatement by submitting a written request for reinstatement in accordance with the provisions at 42 C.F.R. §§ 1001.3001-.3004.
E. Dispute Resolution

1. Review Rights. Upon OIG’s delivery to Hutchinson Regional of its Demand Letter or of its Exclusion Letter, and as an agreed-upon contractual remedy for the resolution of disputes arising under this CIA, Hutchinson Regional shall be afforded certain review rights comparable to the ones that are provided in 42 U.S.C. § 1320a-7(f) and 42 C.F.R. Part 1005 as if they applied to the Stipulated Penalties or exclusion sought pursuant to this CIA. Specifically, OIG’s determination to demand payment of Stipulated Penalties or to seek exclusion shall be subject to review by an HHS ALJ and, in the event of an appeal, the HHS Departmental Appeals Board (DAB), in a manner consistent with the provisions in 42 C.F.R. § 1005.2-1005.21. Notwithstanding the language in 42 C.F.R. § 1005.2(c), the request for a hearing involving Stipulated Penalties shall be made within 10 days after receipt of the Demand Letter and the request for a hearing involving exclusion shall be made within 25 days after receipt of the Exclusion Letter.

2. Stipulated Penalties Review. Notwithstanding any provision of Title 42 of the United States Code or Title 42 of the Code of Federal Regulations, the only issues in a proceeding for Stipulated Penalties under this CIA shall be: (a) whether Hutchinson Regional was in full and timely compliance with the obligations of this CIA for which OIG demands payment; and (b) the period of noncompliance. Hutchinson Regional shall have the burden of proving its full and timely compliance and the steps taken to cure the noncompliance, if any. OIG shall not have the right to appeal to the DAB an adverse ALJ decision related to Stipulated Penalties. If the ALJ agrees with OIG with regard to a finding of a breach of this CIA and orders Hutchinson Regional to pay Stipulated Penalties, such Stipulated Penalties shall become due and payable 20 days after the ALJ issues such a decision unless Hutchinson Regional requests review of the ALJ decision by the DAB. If the ALJ decision is properly appealed to the DAB and the DAB upholds the determination of OIG, the Stipulated Penalties shall become due and payable 20 days after the DAB issues its decision.

3. Exclusion Review. Notwithstanding any provision of Title 42 of the United States Code or Title 42 of the Code of Federal Regulations, the only issues in a proceeding for exclusion based on a material breach of this CIA shall be:

a. whether Hutchinson Regional was in material breach of this CIA;
b. whether such breach was continuing on the date of the Exclusion Letter; and

c. whether the alleged material breach could not have been cured within the 30-day period, but that: (i) Hutchinson Regional had begun to take action to cure the material breach within that period; (ii) Hutchinson Regional has pursued and is pursuing such action with due diligence; and (iii) Hutchinson Regional provided to OIG within that period a reasonable timetable for curing the material breach and Hutchinson Regional has followed the timetable.

For purposes of the exclusion herein, exclusion shall take effect only after an ALJ decision favorable to OIG, or, if the ALJ rules for Hutchinson Regional, only after a DAB decision in favor of OIG. Hutchinson Regional’s election of its contractual right to appeal to the DAB shall not abrogate OIG’s authority to exclude Hutchinson Regional upon the issuance of an ALJ’s decision in favor of OIG. If the ALJ sustains the determination of OIG and determines that exclusion is authorized, such exclusion shall take effect 20 days after the ALJ issues such a decision, notwithstanding that Hutchinson Regional may request review of the ALJ decision by the DAB. If the DAB finds in favor of OIG after an ALJ decision adverse to OIG, the exclusion shall take effect 20 days after the DAB decision. Hutchinson Regional shall waive its right to any notice of such an exclusion if a decision upholding the exclusion is rendered by the ALJ or DAB. If the DAB finds in favor of Hutchinson Regional, Hutchinson Regional shall be reinstated effective on the date of the original exclusion.

4. **Finality of Decision.** The review by an ALJ or DAB provided for above shall not be considered to be an appeal right arising under any statutes or regulations. Consequently, the parties to this CIA agree that the DAB’s decision (or the ALJ’s decision if not appealed) shall be considered final for all purposes under this CIA.

**XI. EFFECTIVE AND BINDING AGREEMENT**

Hutchinson Regional and OIG agree as follows:

A. This CIA shall become final and binding on the date the final signature is obtained on the CIA.
B. This CIA constitutes the complete agreement between the parties and may not be amended except by written consent of the parties to this CIA.

C. OIG may agree to a suspension of Hutchinson Regional’s obligations under this CIA based on a certification by Hutchinson Regional that it is no longer providing health care items or services that will be billed to any Federal health care program and that it does not have any ownership or control interest, as defined in 42 U.S.C. §1320a-3, in any entity that bills any Federal health care program. If Hutchinson Regional is relieved of its CIA obligations, Hutchinson Regional will be required to notify OIG in writing at least 30 days in advance if Hutchinson Regional plans to resume providing health care items or services that are billed to any Federal health care program or to obtain an ownership or control interest in any entity that bills any Federal health care program. At such time, OIG shall evaluate whether the CIA will be reactivated or modified.

D. The undersigned Hutchinson Regional signatories represent and warrant that they are authorized to execute this CIA. The undersigned OIG signatories represent that they are signing this CIA in their official capacities and that they are authorized to execute this CIA.

E. This CIA may be executed in counterparts, each of which constitutes an original and all of which constitute one and the same CIA. Facsimiles of signatures shall constitute acceptable, binding signatures for purposes of this CIA.

APPENDIX A

INDEPENDENT REVIEW ORGANIZATION

This Appendix contains the requirements relating to the Independent Review Organization (IRO) required by Section III.D of the CIA.

A. IRO Engagement

1. Hutchinson Regional Medical Center (Hutchinson Regional) shall engage an IRO that possesses the qualifications set forth in Paragraph B, below, to perform the responsibilities in Paragraph C, below. The IRO shall conduct the review in a professionally independent and objective fashion, as set forth in Paragraph D. Within 30 days after OIG receives the information identified in Section V.A.9 of the CIA or any additional information submitted by Hutchinson Regional in response to a request by OIG, whichever is later, OIG will notify Hutchinson Regional if the IRO is unacceptable. Absent notification from OIG that the IRO is unacceptable, Hutchinson Regional may continue to engage the IRO.

2. If Hutchinson Regional engages a new IRO during the term of the CIA, this IRO shall also meet the requirements of this Appendix. If a new IRO is engaged, Hutchinson Regional shall submit the information identified in Section V.A.9 of the CIA to OIG within 30 days of engagement of the IRO. Within 30 days after OIG receives this information or any additional information submitted by Hutchinson Regional at the request of OIG, whichever is later, OIG will notify Hutchinson Regional if the IRO is unacceptable. Absent notification from OIG that the IRO is unacceptable, Hutchinson Regional may continue to engage the IRO.

B. IRO Qualifications

The IRO shall:

1. assign individuals to conduct the Claims Review and Unallowable Cost Review, if applicable who have expertise in the billing, coding, reporting, and other requirements of hyperbaric oxygen therapy services and in the general requirements of the Federal health care program(s) from which Hutchinson Regional seeks reimbursement;

2. assign individuals to design and select the Claims Review sample who are knowledgeable about the appropriate statistical sampling techniques;

3. assign individuals to conduct the coding review portions of the Claims Review who have a nationally recognized coding certification and who have
4. have sufficient staff and resources to conduct the reviews required by the CIA on a timely basis.

C. IRO Responsibilities

The IRO shall:

1. perform each Claims Review and Unallowable Cost review, if applicable in accordance with the specific requirements of the CIA;

2. follow all applicable Medicare, Medicaid, or other Federal health care programs rules and reimbursement guidelines in making assessments in the Claims Review;

3. if in doubt of the application of a particular Medicare Medicaid, or other Federal health care program policy or regulation, request clarification from the appropriate authority (e.g., fiscal intermediary or carrier);

4. respond to all OIG inquiries in a prompt, objective, and factual manner; and

5. prepare timely, clear, well-written reports that include all the information required by Appendix B to the CIA.

D. IRO Independence and Objectivity

The IRO must perform the Claims Review in a professionally independent and objective fashion, as defined in the most recent Government Auditing Standards issued by the United States Government Accountability Office.

E. IRO Removal/Termination

1. Provider and IRO. If Hutchinson Regional terminates its IRO or if the IRO withdraws from the engagement during the term of the CIA, Hutchinson Regional must submit a notice explaining its reasons for termination or the reason for withdrawal to OIG no later than 30 days after termination or withdrawal. Hutchinson Regional must engage a new IRO in accordance with Paragraph A of this Appendix and within 60 days of termination or withdrawal of the IRO.
2. **OIG Removal of IRO.** In the event OIG has reason to believe the IRO does not possess the qualifications described in Paragraph B, is not independent and objective as set forth in Paragraph D, or has failed to carry out its responsibilities as described in Paragraph C, OIG may, at its sole discretion, require Hutchinson Regional to engage a new IRO in accordance with Paragraph A of this Appendix. Hutchinson Regional must engage a new IRO within 60 days of termination of the IRO.

Prior to requiring Hutchinson Regional to engage a new IRO, OIG shall notify Hutchinson Regional of its intent to do so and provide a written explanation of why OIG believes such a step is necessary. To resolve any concerns raised by OIG, Hutchinson Regional may present additional information regarding the IRO’s qualifications, independence or performance of its responsibilities. OIG will attempt in good faith to resolve any differences regarding the IRO with Hutchinson Regional prior to requiring Hutchinson Regional to terminate the IRO. However, the final determination as to whether or not to require Hutchinson Regional to engage a new IRO shall be made at the sole discretion of OIG.
APPENDIX B

CLAIMS REVIEW

A. Claims Review. The IRO shall perform the Claims Review annually to cover each of the five Reporting Periods. The IRO shall perform all components of each Claims Review.

1. Definitions. For the purposes of the Claims Review, the following definitions shall be used:

a. Overpayment: The amount of money Hutchinson Regional Medical Center (Hutchinson Regional) has received in excess of the amount due and payable under any Federal health care program requirements.

b. Paid Claim: A claim submitted by Hutchinson Regional and for which Hutchinson Regional has received reimbursement from the Medicare program.

c. Population: The Population shall be defined as all Paid Claims during the 12-month period covered by the Claims Review.

d. Error Rate: The Error Rate shall be the percentage of net Overpayments identified in the sample. The net Overpayments shall be calculated by subtracting all underpayments identified in the sample from all gross Overpayments identified in the sample. (Note: Any potential cost settlements or other supplemental payments should not be included in the net Overpayment calculation. Rather, only underpayments identified as part of the Discovery Sample shall be included as part of the net Overpayment calculation.)

The Error Rate is calculated by dividing the net Overpayment identified in the sample by the total dollar amount associated with the Paid Claims in the sample.
2. **Discovery Sample.**

   a. **Discovery Sample I:** The IRO shall randomly select and review a sample of 50 Paid Claims relating to hyperbaric oxygen therapy services (“Discovery Sample I”).

   b. **Discovery Sample II:** The IRO shall randomly select and review a sample of 50 Paid Claims from another randomly selected hospital department (which does not provide hyperbaric oxygen therapy services) (“Discovery Sample II”).

   The Paid Claims shall be reviewed based on the supporting documentation available at Hutchinson Regional’s office or under Hutchinson Regional’s control and applicable billing and coding regulations and guidance to determine whether the claim was correctly coded, submitted, and reimbursed.

   If the Error Rate (as defined above) for either Discovery Sample is less than 5%, no additional sampling is required, nor is the Systems Review required. (Note: The guidelines listed above do not imply that this is an acceptable error rate. Accordingly, Hutchinson Regional should, as appropriate, further analyze any errors identified in the Discovery Sample. Hutchinson Regional recognizes that OIG or other HHS component, in its discretion and as authorized by statute, regulation, or other appropriate authority may also analyze or review Paid Claims included, or errors identified, in the Discovery Sample or any other segment of the universe.)

3. **Full Sample.** If a Discovery Sample indicates that the Error Rate is 5% or greater, the IRO shall select an additional sample of Paid Claims (Full Sample) using commonly accepted sampling methods. The Full Sample shall be designed to: (1) estimate the actual Overpayment in the population with a 90% confidence level and with a maximum relative precision of 25% of the point estimate; and (2) conform with the Centers for Medicare and Medicaid Services’ statistical sampling for overpayment estimation guidelines. The Paid Claims selected for the Full Sample shall be reviewed based on supporting documentation available at Hutchinson Regional or under Hutchinson Regional’s control and applicable billing and coding regulations and guidance to determine whether the claim was correctly coded, submitted, and reimbursed. For purposes of calculating the size of the Full Sample, the Discovery Sample may serve as the probe sample, if statistically appropriate. Additionally, the IRO may use the Paid Claims sampled as part of the Discovery Sample, and the corresponding findings for those Paid Claims, as part of its Full Sample, if: (1) statistically appropriate and (2) the IRO selects the Full Sample Paid Claims using the seed number generated by the Discovery Sample. OIG, in its sole discretion, may refer the findings of the Full Sample (and any related workpapers) received from Hutchinson Regional to the appropriate
Federal health care program payor, including the Medicare contractor (e.g., carrier, fiscal intermediary, or DMERC), for appropriate follow-up by that payor.

4. Systems Review. If a Discovery Sample identifies an Error Rate of 5% or greater, Hutchinson Regional’s IRO shall also conduct a Systems Review. The Systems Review shall consist of the following:

   a. a review of Hutchinson Regional’s billing and coding systems and processes relating to claims submitted to Federal health care programs (including, but not limited to, the operation of the billing system, the process by which claims are coded, safeguards to ensure proper coding, claims submission and billing; and procedures to identify and correct inaccurate coding and billing);

   b. for each claim in the Discovery Sample and Full Sample that resulted in an Overpayment, the IRO shall review the system(s) and process(es) that generated the claim and identify any problems or weaknesses that may have resulted in the identified Overpayments. The IRO shall provide its observations and recommendations on suggested improvements to the system(s) and the process(es) that generated the claim.

5. Other Requirements

   a. Supplemental Materials. The IRO shall request all documentation and materials required for its review of the Paid Claims selected as part of the Discovery Sample or Full Sample (if applicable), and Hutchinson Regional shall furnish such documentation and materials to the IRO prior to the IRO initiating its review of the Discovery Sample or Full Sample (if applicable). If the IRO accepts any supplemental documentation or materials from Hutchinson Regional after the IRO has completed its initial review of the Discovery Sample or Full Sample (if applicable) (Supplemental Materials), the IRO shall identify in the Claims Review Report the Supplemental Materials, the date the Supplemental Materials were accepted, and the relative weight the IRO gave to the Supplemental Materials in its review. In addition, the IRO shall include a narrative in the Claims Review Report describing the process by which the Supplemental Materials
were accepted and the IRO’s reasons for accepting the Supplemental Materials.

b. **Paid Claims without Supporting Documentation.** Any Paid Claim for which Hutchinson Regional cannot produce documentation sufficient to support the Paid Claim shall be considered an error and the total reimbursement received by Hutchinson Regional for such Paid Claim shall be deemed an Overpayment. Replacement sampling for Paid Claims with missing documentation is not permitted.

c. **Use of First Samples Drawn.** For the purposes of all samples (Discovery Sample(s) and Full Sample(s)) discussed in this Appendix, the Paid Claims selected in each first sample shall be used (i.e., it is not permissible to generate more than one list of random samples and then select one for use with the Discovery Sample or Full Sample).

6. **Repayment of Identified Overpayments.** Hutchinson Regional shall repay within 30 days any Overpayment(s) identified in the Discovery Sample or the Full Sample (if applicable), regardless of the Error Rate, to the appropriate payor and in accordance with payor refund policies. Hutchinson Regional shall make available to OIG all documentation that reflects the refund of the Overpayment(s) to the payor.

B. **Claims Review Report.** The IRO shall prepare a Claims Review Report as described in this Appendix for each Claims Review performed. The following information shall be included in the Claims Review Report for each Discovery Sample and Full Sample (if applicable).

1. **Claims Review Methodology**

   a. **Claims Review Population.** A description of the Population subject to the Claims Review.

   b. **Claims Review Objective.** A clear statement of the objective intended to be achieved by the Claims Review.

   c. **Source of Data.** A description of the specific documentation relied upon by the IRO when performing the Claims Review (e.g., medical records, physician orders, certificates of medical necessity, requisition forms, local medical review policies (including title and policy number), CMS program...
memoranda (including title and issuance number), Medicare carrier or intermediary manual or bulletins (including issue and date), other policies, regulations, or directives).

d. **Review Protocol.** A narrative description of how the Claims Review was conducted and what was evaluated.

e. **Supplemental Materials.** A description of any Supplemental Materials as required by A.5.a., above.

2. **Statistical Sampling Documentation**

   a. A copy of the printout of the random numbers generated by the “Random Numbers” function of the statistical sampling software used by the IRO.

   b. A copy of the statistical software printout(s) estimating how many Paid Claims are to be included in the Full Sample, if applicable.

   c. A description or identification of the statistical sampling software package used to select the sample and determine the Full Sample size, if applicable.

3. **Claims Review Findings**

   a. **Narrative Results**

      i. A description of Hutchinson Regional’s billing and coding system(s), including the identification, by position description, of the personnel involved in coding and billing.

      ii. A narrative explanation of the IRO’s findings and supporting rationale (including reasons for errors, patterns noted, etc.) regarding the Claims Review, including the results of the Discovery Sample, and the results of the Full Sample (if any).
b. **Quantitative Results**

i. Total number and percentage of instances in which the IRO determined that the Paid Claims submitted by Hutchinson Regional (Claim Submitted) differed from what should have been the correct claim (Correct Claim), regardless of the effect on the payment.

ii. Total number and percentage of instances in which the Claim Submitted differed from the Correct Claim and in which such difference resulted in an Overpayment to Hutchinson Regional.

iii. Total dollar amount of all Overpayments in the sample.

iv. Total dollar amount of Paid Claims included in the sample and the net Overpayment associated with the sample.

v. Error Rate in the sample.

vi. A spreadsheet of the Claims Review results that includes the following information for each Paid Claim: Federal health care program billed, beneficiary health insurance claim number, date of service, code submitted (e.g., DRG, CPT code, etc.), code reimbursed, allowed amount reimbursed by payor, correct code (as determined by the IRO), correct allowed amount (as determined by the IRO), dollar difference between allowed amount reimbursed by payor and the correct allowed amount.

c. **Recommendations.** The IRO’s report shall include any recommendations for improvements to Hutchinson Regional’s billing and coding system based on the findings of the Claims Review

4. **Systems Review Findings.** The IRO shall prepare a Systems Review Report based on the Systems Review performed (if applicable) that shall include the IRO’s observations, findings, and recommendations regarding:

a. the strengths and weaknesses in Hutchinson Regional’s billing systems and processes;
b. the strengths and weaknesses in Hutchinson Regional’s coding systems and processes; and

c. possible improvements to Hutchinson Regional’s billing and coding systems and processes to address the specific problems or weaknesses that resulted in the identified Overpayments.

5. **Credentials.** The names and credentials of the individuals who: (1) designed the statistical sampling procedures and the review methodology utilized for the Claims Review and (2) performed the Claims Review.
