The Rush Organization understand that items or services furnished, ordered, or prescribed by excluded persons are not payable by Federal health care programs and that the Rush Organization may be liable for overpayments and/or criminal, civil, and administrative sanctions for employing or contracting with an excluded person regardless of whether the Rush Organization meet the requirements of Section III.G.

3. **Removal Requirement.** If the Rush Organization actual notice that a Covered Person has become an Ineligible Person, the Rush Organization shall remove such Covered Person from responsibility for, or involvement with, the Rush Organization’s business operations related to the Federal health care program(s) from which such Covered Person has been excluded and shall remove such Covered Person from any position for which the Covered Person’s compensation or the items or services furnished, ordered, or prescribed by the Covered Person are paid in whole or part, directly or indirectly, by any Federal health care program(s) from which the Covered Person has been excluded at least until such time as the Covered Person is reinstated into participation in such Federal health care program(s).

The Rush Organization is expected to fully and timely comply with all of their CIA obligations.

A. **Stipulated Penalties for Failure to Comply with Certain Obligations**

As a contractual remedy, the Rush Organization and OIG hereby agree that failure to comply with certain obligations as set forth in this CIA may lead to the imposition of the following monetary penalties (hereinafter referred to as “Stipulated Penalties”) in accordance with the following provisions.

1. A Stipulated Penalty of $2,500 (which shall begin to accrue on the day after the date the obligation became due) for each day the Rush Organization fails to establish, implement or comply with any of the following obligations as described in Section III:

   a. a Compliance Officer;

   b. a Compliance Committee;

   c. the management certification obligations;

   d. written Policies and Procedures;

   e. the development of a written training plan and the training and education of Covered Persons;

   f. a risk assessment and internal review process;

   g. a Disclosure Program;

   h. Ineligible Persons screening and removal requirements;

   i. notification of Government investigations or legal proceedings;

   j. policies and procedures regarding the repayment of Overpayments; and
k. reporting of Reportable Events.

2. A Stipulated Penalty of $2,500 (which shall begin to accrue on the day after the date the obligation became due) for each day the Rush Organization fails to engage and use an IRO, as required by Section III.D, Appendix A, or Appendix B.

3. A Stipulated Penalty of $2,500 (which shall begin to accrue on the day after the date the obligation became due) for each day the Rush Organization fails to submit a complete Implementation Report, Annual Report or any certification to OIG in accordance with the requirements of Section V by the deadlines for submission.

4. A Stipulated Penalty of $2,500 (which shall begin to accrue on the day after the date the obligation became due) for each day the Rush Organization fails to submit any Claims Review Report in accordance with the requirements of Section III.D and Appendix B or fails to repay any Overpayment identified by the IRO, as required by Appendix B.

5. A Stipulated Penalty of $1,500 for each day the Rush Organization fails to grant access as required in Section VII (This Stipulated Penalty shall begin to accrue on the date the Rush Organization fails to grant access.).

6. A Stipulated Penalty of $50,000 for each false certification submitted by or on behalf of the Rush Organization as part of the Implementation Report, any Annual Report, additional documentation to a report (as requested by OIG), or otherwise required by this CIA.

7. A Stipulated Penalty of $2,500 for each day the Rush Organization fails to grant the IRO access to all records and personnel necessary to complete the reviews listed in Section III.D, and for each day the Rush Organization fails to furnish accurate and complete records to the IRO, as required by Section III.D and Appendix A.

8. A Stipulated Penalty of $1,000 for each day the Rush Organization fails to comply fully and adequately with any obligation of this CIA. OIG shall provide notice to the Rush Organization stating the specific grounds for its determination that the Rush Organization failed to comply fully and adequately with the CIA obligation(s) at issue and steps the Rush Organization shall take to comply with the CIA. (This Stipulated Penalty shall begin to accrue 10 days after the date the Rush Organization receives this notice from OIG of the failure to comply.) A Stipulated Penalty as

described in this Subsection shall not be demanded for any violation for which OIG has sought a Stipulated Penalty under Subsections 1-7 of this Section.

B. Timely Written Requests for Extensions

The Rush Organization may, in advance of the due date, submit a timely written request for an extension of time to perform any act or file any notification or report required by this CIA. Notwithstanding any other provision in this Section, if OIG grants the timely written request with respect to an act, notification, or report, Stipulated Penalties for failure to perform the act or file the notification or report shall not begin to accrue until one day after the Rush Organization fails to meet the revised deadline set by OIG. Notwithstanding any other provision in this Section, if OIG denies such a timely written request, Stipulated Penalties for failure to perform the act or file the notification or report shall not begin to accrue until three days after the Rush Organization receives OIG’s written denial of such request or the original due date, whichever is later. A “timely written request” is defined as a request in writing received by OIG at least five days prior to the date by which any act is due to be performed or any notification or report is due to be filed.

C. Payment of Stipulated Penalties

1. Demand Letter. Upon a finding that the Rush Organization has failed to comply with any of the obligations described in Section X.A and after determining that Stipulated Penalties are appropriate, OIG shall notify the Rush Organization of: (a) the Rush Organization’s failure to comply; and (b) OIG’s exercise of its contractual right to demand payment of the Stipulated Penalties. (This notification shall be referred to as the “Demand Letter.”)

2. Response to Demand Letter. Within 10 days after the receipt of the Demand Letter, the Rush Organization shall either: (a) cure the breach to OIG’s satisfaction and pay the applicable Stipulated Penalties or (b) request a hearing before an HHS administrative law judge (ALJ) to dispute OIG’s determination of noncompliance, pursuant to the agreed upon provisions set forth below in Section X.E. In the event the Rush Organization elects to request an ALJ hearing, the Stipulated Penalties shall continue to accrue until the Rush Organization cures, to OIG’s satisfaction, the alleged breach in dispute. Failure to respond to the Demand Letter in one of these two manners within the allowed time period shall be considered a material breach of this CIA and shall be grounds for exclusion under Section X.D.

The Rush Organization

3. **Form of Payment.** Payment of the Stipulated Penalties shall be made by electronic funds transfer to an account specified by OIG in the Demand Letter.

4. **Independence from Material Breach Determination.** Except as set forth in Section X.D.1.c, these provisions for payment of Stipulated Penalties shall not affect or otherwise set a standard for OIG’s decision that the Rush Organization has materially breached this CIA, which decision shall be made at OIG’s discretion and shall be governed by the provisions in Section X.D, below.

**D. Exclusion for Material Breach of this CIA**

1. **Definition of Material Breach.** A material breach of this CIA means:

   a. repeated violations or a flagrant violation of any of the obligations under this CIA, including, but not limited to, the obligations addressed in Section X.A;

   b. a failure by the Rush Organization to report a Reportable Event, take corrective action, or make the appropriate refunds, as required in Section III.J;

   c. a failure to respond to a Demand Letter concerning the payment of Stipulated Penalties in accordance with Section X.C; or

   d. a failure to engage and use an IRO in accordance with Section III.D, Appendix A, or Appendix B.

2. **Notice of Material Breach and Intent to Exclude.** The parties agree that a material breach of this CIA by the Rush Organization constitutes an independent basis for the Rush Organization’s exclusion from participation in the Federal health care programs. The length of the exclusion shall be in the OIG’s discretion, but not more than five years per material breach. Upon a determination by OIG that the Rush Organization has materially breached this CIA and that exclusion is the appropriate remedy, OIG shall notify the Rush Organization of: (a) the Rush Organization’s material breach; and (b) OIG’s intent to exercise its contractual right to impose exclusion. (This notification shall be referred to as the “Notice of Material Breach and Intent to Exclude.”)
3. **Opportunity to Cure.** The Rush Organization shall have 30 days from the date of receipt of the Notice of Material Breach and Intent to Exclude to demonstrate that:

   a. the alleged material breach has been cured; or

   b. the alleged material breach cannot be cured within the 30 day period, but that: (i) the Rush Organization has begun to take action to cure the material breach; (ii) the Rush Organization is pursuing such action with due diligence; and (iii) the Rush Organization has provided to OIG a reasonable timetable for curing the material breach.

4. **Exclusion Letter.** If, at the conclusion of the 30 day period, the Rush Organization fails to satisfy the requirements of Section X.D.3, OIG may exclude the Rush Organization from participation in the Federal health care programs. OIG shall notify the Rush Organization in writing of its determination to exclude the Rush Organization. (This letter shall be referred to as the “Exclusion Letter.”) Subject to the Dispute Resolution provisions in Section X.E, below, the exclusion shall go into effect 30 days after the date of receipt by the Rush Organization of the Exclusion Letter. The exclusion shall have national effect. Reinstatement to program participation is not automatic. At the end of the period of exclusion, the Rush Organization may apply for reinstatement by submitting a written request for reinstatement in accordance with the provisions at 42 C.F.R. §§ 1001.3001-.3004.

E. **Dispute Resolution**

1. **Review Rights.** Upon OIG’s delivery to the Rush Organization of its Demand Letter or of its Exclusion Letter, and as an agreed-upon contractual remedy for the resolution of disputes arising under this CIA, the Rush Organization shall be afforded certain review rights comparable to the ones that are provided in 42 U.S.C. § 1320a-7(f) and 42 C.F.R. Part 1005 as if they applied to the Stipulated Penalties or exclusion sought pursuant to this CIA. Specifically, OIG’s determination to demand payment of Stipulated Penalties or to seek exclusion shall be subject to review by an HHS ALJ and, in the event of an appeal, the HHS Departmental Appeals Board (DAB), in a manner consistent with the provisions in 42 C.F.R. § 1005.2-1005.21. Notwithstanding the language in 42 C.F.R. § 1005.2(c), the request for a hearing involving Stipulated Penalties shall be made within 10 days after receipt of the Demand Letter and the request for a hearing involving exclusion shall be made within 25 days after receipt of the Exclusion Letter. The

procedures relating to the filing of a request for a hearing can be found at
http://www.hhs.gov/dab/divisions/civil/procedures/divisionprocedures.html

2. **Stipulated Penalties Review.** Notwithstanding any provision of Title 42 of the United States Code or Title 42 of the Code of Federal Regulations, the only issues in a proceeding for Stipulated Penalties under this CIA shall be: (a) whether the Rush Organization was in full and timely compliance with the obligations of this CIA for which OIG demands payment; and (b) the period of noncompliance. The Rush Organization shall have the burden of proving full and timely compliance and the steps taken to cure the noncompliance, if any. OIG shall not have the right to appeal to the DAB an adverse ALJ decision related to Stipulated Penalties. If the ALJ agrees with OIG with regard to a finding of a breach of this CIA and orders the Rush Organization to pay Stipulated Penalties, such Stipulated Penalties shall become due and payable 20 days after the ALJ issues such a decision unless the Rush Organization request review of the ALJ decision by the DAB. If the ALJ decision is properly appealed to the DAB and the DAB upholds the determination of OIG, the Stipulated Penalties shall become due and payable 20 days after the DAB issues its decision.

3. **Exclusion Review.** Notwithstanding any provision of Title 42 of the United States Code or Title 42 of the Code of Federal Regulations, the only issues in a proceeding for exclusion based on a material breach of this CIA shall be whether the Rush Organization was in material breach of this CIA and, if so, whether:

   a. the Rush Organization cured such breach within 30 days of its receipt of the Notice of Material Breach; or

   b. the alleged material breach could not have been cured within the 30 day period, but that, during the 30 day period following the Rush Organization receipt of the Notice of Material Breach: (i) the Rush Organization had begun to take action to cure the material breach; (ii) the Rush Organization pursued such action with due diligence; and (iii) the Rush Organization provided to OIG a reasonable timetable for curing the material breach.

   For purposes of the exclusion herein, exclusion shall take effect only after an ALJ decision favorable to OIG, or, if the ALJ rules for the Rush Organization, only after a DAB decision in favor of OIG. The Rush Organization’s election of the contractual right to appeal to the DAB shall not abrogate OIG’s authority to exclude the Rush

25
Organization upon the issuance of an ALJ’s decision in favor of OIG. If the ALJ sustains the determination of OIG and determines that exclusion is authorized, such exclusion shall take effect 20 days after the ALJ issues such a decision, notwithstanding that the Rush Organization may request review of the ALJ decision by the DAB. If the DAB finds in favor of OIG after an ALJ decision adverse to OIG, the exclusion shall take effect 20 days after the DAB decision. The Rush Organization shall waive the right to any notice of such an exclusion if a decision upholding the exclusion is rendered by the ALJ or DAB. If the DAB finds in favor of the Rush Organization, the Rush Organization shall be reinstated effective on the date of the original exclusion.

4. **Finality of Decision.** The review by an ALJ or DAB provided for above shall not be considered to be an appeal right arising under any statutes or regulations. Consequently, the parties to this CIA agree that the DAB’s decision (or the ALJ’s decision if not appealed) shall be considered final for all purposes under this CIA.

**XI. EFFECTIVE AND BINDING AGREEMENT**

The Rush Organization and OIG agree as follows:

A. This CIA shall become final and binding on the date the final signature is obtained on the CIA.

B. This CIA constitutes the complete agreement between the parties and may not be amended except by written consent of the parties to this CIA.

C. OIG may agree to a suspension of the obligations under this CIA that apply to the Rush Organization based on a certification by the Rush Organization it is: (1) no longer providing health care items or services that will be billed to any Federal health care program; (2) do not have any ownership or control interest, as defined in 42 U.S.C. §1320a-3, in any entity that bills any Federal health care program; and (3) are no longer performing billing, coding or other functions for any entity that provides health care items or services billed to any Federal health care programs. If the Rush Organization are relieved of their CIA obligations, the Rush Organization whose CIA obligations have been suspended shall be required to notify OIG in writing at least 30 days in advance if the Rush Organization plan to resume providing health care items or services that are billed to any Federal health care program or to obtain an ownership or control interest in any entity that bills any Federal health care program. At such time, OIG shall evaluate whether the CIA will be reactivated or modified.

The Rush Organization

D. All requirements and remedies set forth in this CIA are in addition to and do not affect (1) the Rush Organization’s responsibility to follow all applicable Federal health care program requirements or (2) the government’s right to impose appropriate remedies for failure to follow applicable Federal health care program requirements.

E. The undersigned Rush Organization signatories represent and warrant that they are authorized to execute this CIA. The undersigned OIG signatories represent that they are signing this CIA in their official capacities and that they are authorized to execute this CIA.

F. This CIA may be executed in counterparts, each of which constitutes an original and all of which constitute one and the same CIA. Electronically-transmitted copies of signatures shall constitute acceptable, binding signatures for purposes of this CIA.

APPENDIX A

INDEPENDENT REVIEW ORGANIZATION

This Appendix contains the requirements relating to the Independent Review Organization (IRO) required by Section III.D of the CIA.

A. IRO Engagement

1. The Rush Organization shall engage an IRO that possesses the qualifications set forth in Paragraph B, below, to perform the responsibilities in Paragraph C, below. The IRO shall conduct the review in a professionally independent and objective fashion, as set forth in Paragraph E. Within 30 days after OIG receives the information identified in Section V.A.7 of the CIA or any additional information submitted by the Rush Organization in response to a request by OIG, whichever is later, OIG will notify the Rush Organization if the IRO is unacceptable. Absent notification from OIG that the IRO is unacceptable, the Rush Organization may continue to engage the IRO.

2. If the Rush Organization engages a new IRO during the term of the CIA, that IRO must also meet the requirements of this Appendix. If a new IRO is engaged, the Rush Organization shall submit the information identified in Section V.A.7 of the CIA to OIG within 30 days of engagement of the IRO. Within 30 days after OIG receives this information or any additional information submitted by the Rush Organization at the request of OIG, whichever is later, OIG will notify the Rush Organization if the IRO is unacceptable. Absent notification from OIG that the IRO is unacceptable, the Rush Organization may continue to engage the IRO.

B. IRO Qualifications

The IRO shall:

1. assign individuals to conduct the Claims Review who have expertise in the Medicare and state Medicaid program requirements applicable to the claims being reviewed;

2. assign individuals to design and select the Claims Review sample who are knowledgeable about the appropriate statistical sampling techniques;
3. assign individuals to conduct the coding review portions of the Claims Review who have a nationally recognized coding certification and who have maintained this certification (e.g., completed applicable continuing education requirements);

4. assign licensed nurses or physicians with relevant education, training and specialized expertise (or other licensed health care professionals acting within their scope of practice and specialized expertise) to make the medical necessity determinations required by the Claims Review; and

5. have sufficient staff and resources to conduct the reviews required by the CIA on a timely basis.

C. IRO Responsibilities

The IRO shall:

1. perform each Claims Review in accordance with the specific requirements of the CIA;

2. follow all applicable Medicare and state Medicaid program rules and reimbursement guidelines in making assessments in the Claims Review;

3. request clarification from the appropriate authority (e.g., Medicare contractor), if in doubt of the application of a particular Medicare or state Medicaid program policy or regulation;

4. respond to all OIG inquires in a prompt, objective, and factual manner; and

5. prepare timely, clear, well-written reports that include all the information required by Appendix B to the CIA.

D. The Rush Organization’s Responsibilities

The Rush Organization shall ensure that the IRO has access to all records and personnel necessary to complete the reviews listed in III.D of this CIA and that all records furnished to the IRO are accurate and complete.
E. IRO Independence and Objectivity

The IRO must perform the Claims Review in a professionally independent and objective fashion, as defined in the most recent Government Auditing Standards issued by the U.S. Government Accountability Office.

F. IRO Removal/Termination

1. The Rush Organization and IRO. If the Rush Organization terminates its IRO or if the IRO withdraws from the engagement during the term of the CIA, the Rush Organization must submit a notice explaining (a) its reasons for termination of the IRO or (b) the IRO’s reasons for its withdrawal to OIG, no later than 30 days after termination or withdrawal. The Rush Organization must engage a new IRO in accordance with Paragraph A of this Appendix and within 60 days of termination or withdrawal of the IRO.

2. OIG Removal of IRO. In the event OIG has reason to believe the IRO does not possess the qualifications described in Paragraph B, is not independent and objective as set forth in Paragraph E, or has failed to carry out its responsibilities as described in Paragraph C, OIG shall notify the Rush Organization in writing regarding OIG’s basis for determining that the IRO has not met the requirements of this Appendix. The Rush Organization shall have 30 days from the date of OIG’s written notice to provide information regarding the IRO’s qualifications, independence or performance of its responsibilities in order to resolve the concerns identified by OIG. If, following OIG’s review of any information provided by the Rush Organization regarding the IRO, OIG determines that the IRO has not met the requirements of this Appendix, OIG shall notify the Rush Organization in writing that the Rush Organization shall be required to engage a new IRO in accordance with Paragraph A of this Appendix. The Rush Organization must engage a new IRO within 60 days of its receipt of OIG’s written notice. The final determination as to whether or not to require the Rush Organization to engage a new IRO shall be made at the sole discretion of OIG.
APPENDIX B

CLAIMS REVIEW

A. Claims Review. The IRO shall perform the Claims Review annually to cover each of the five Reporting Periods. The IRO shall perform all components of each Claims Review. Each Claims Review shall consist of the following:

1. Selection of Clinics. For each Reporting Period, the IRO shall randomly select 10 Rush Clinics to assess and review, when the number of Rush Clinics is greater than 10. If, at any point, the total number of Rush Clinics is 10 or fewer, the IRO shall assess and review all of the Rush Clinics. The Rush Clinics to be assessed and reviewed for the Reporting Period shall be known as the “Selected Rush Clinics.”

2. Definitions. For the purposes of the Claims Review, the following definitions shall be used:
   a. Overpayment: The amount of money the Selected Rush Clinics, as defined above in Section A.1 of this Appendix, have received in excess of the amount due and payable under Medicare or any state Medicaid program requirements, as determined by the IRO in connection with the Claims Review performed under this Appendix B.
   b. Paid Claim: A claim submitted by or for the Selected Rush Clinics and for which the Selected Rush Clinics have received reimbursement from the Medicare program or a state Medicaid program.
   c. Population: The Population shall be defined as all Paid Claims during the 12-month period covered by the Claims Review.

3. Claims Review Sample. The IRO shall randomly select and review a minimum sample of 150 Paid Claims from the Rush Clinics. The 150 Paid Claims sample shall be comprised of: (a) 15 Paid Claims from each of the 10 Selected Rush Clinics, when the total number of Rush Clinics is 10 or greater; and (b) an equal number of Paid Claims from each Selected Rush Clinic, or a number of Paid Claims approved in advance by the OIG from each Selected Rush Clinic, when the total number of Rush Clinics is less than 10 (Claims Review Sample). The Paid Claims shall be reviewed based on the supporting documentation available at the Rush Organization’s office or under the Rush Organization’s control and applicable Medicare and state Medicaid program requirements to determine whether the items and services furnished were
medically necessary and appropriately documented, and whether the claim was correctly
coded, submitted, and reimbursed. For each Paid Claim in the Claims Review Sample
that results in an Overpayment, the IRO shall review the system(s) and process(es) that
generated the Paid Claim and identify any problems or weaknesses that may have
resulted in the identified Overpayments. The IRO shall provide its observations and
recommendations on suggested improvements to the system(s) and the process(es) that
generated the Paid Claim.

4. **Other Requirements.**

   a. **Supplemental Materials.** The IRO shall request all documentation
      and materials required for its review of the Paid Claims in the
      Claims Review Sample and the Rush Organization shall furnish such
documentation and materials to the IRO prior to the IRO initiating
      its review of the Claims Review Sample. If the IRO accepts any
      supplemental documentation or materials from the Rush
      Organization after the IRO has completed its initial review of the
      Claims Review Sample (Supplemental Materials), the IRO shall
      identify in the Claims Review Report the Supplemental Materials,
      the date the Supplemental Materials were accepted, and the relative
      weight the IRO gave to the Supplemental Materials in its review. In
      addition, the IRO shall include a narrative in the Claims Review
      Report describing the process by which the Supplemental Materials
      were accepted and the IRO’s reasons for accepting the Supplemental
      Materials.

   b. **Paid Claims without Supporting Documentation.** Any Paid Claim
      for which the Rush Organization cannot produce documentation
      shall be considered an error and the total reimbursement received by
      the Rush Organization for such Paid Claim shall be deemed an
      Overpayment. Replacement sampling for Paid Claims with missing
      documentation is not permitted.

   c. **Use of First Samples Drawn.** For the purposes of the Claims Review
      Sample discussed in this Appendix, the first set of Paid Claims
      selected shall be used (i.e., it is not permissible to generate more
      than one list of random samples and then select one for use with the
      Claims Review Sample).

5. **Repayment of Identified Overpayments.** The Rush Organization shall repay
   within 60 days the Overpayment(s) identified by the IRO in the Claims Review Sample,
in accordance with the requirements of 42 U.S.C. § 1320a-7k(d) and any applicable

Corporate Integrity Agreement

regulations and Centers for Medicare and Medicaid Services (CMS) guidance (the “CMS overpayment rule”). If the Rush Organization determines that the CMS overpayment rule requires that an extrapolated Overpayment be repaid, the Rush Organization shall repay that amount at the mean point estimate as calculated by the IRO. The Rush Organization shall make available to OIG all documentation that reflects the refund of the Overpayment(s) to the payor. OIG, in its sole discretion, may refer the findings of the Claims Review Sample (and any related work papers) received from the Rush Organization to the appropriate Medicare or state Medicaid program contractor for appropriate follow up by the payor.

B. Claims Review Report. The IRO shall prepare a Claims Review Report as described in this Appendix for each Claims Review performed. The following information shall be included in the Claims Review Report.

   b. Claims Review Objective. A clear statement of the objective intended to be achieved by the Claims Review.
   c. Source of Data. A description of (1) the process used to identify Paid Claims in the Population and (2) the specific documentation relied upon by the IRO when performing the Claims Review (e.g., medical records, physician orders, certificates of medical necessity, requisition forms, local medical review policies (including title and policy number), CMS program memoranda (including title and issuance number), Medicare carrier or intermediary manual or bulletins (including issue and date), other policies, regulations, or directives).
   d. Review Protocol. A narrative description of how the Claims Review was conducted and what was evaluated.
   e. Supplemental Materials. A description of any Supplemental Materials as required by A.4.a., above.

2. Statistical Sampling Documentation.
   a. A copy of the printout of the random numbers generated by the “Random Numbers” function of the statistical sampling software used by the IRO.
b. A description or identification of the statistical sampling software package used by the IRO.

3. **Claims Review Findings.**

   a. **Narrative Results.**

      i. A description of the Rush Organization’s billing and coding system(s), including the identification, by position description, of the personnel involved in coding and billing.

      ii. A description of controls in place at the Rush Organization to ensure that all items and services billed to Medicare or a state Medicaid program are medically necessary and appropriately documented.

      iii. A narrative explanation of the IRO’s findings and supporting rationale (including reasons for errors, patterns noted, etc.) regarding the Claims Review, including the results of the Claims Review Sample.

   b. **Quantitative Results.**

      i. Total number and percentage of instances in which the IRO determined that the coding of the Paid Claims submitted by the Rush Organization differed from what should have been the correct coding and in which such difference resulted in an Overpayment to the Rush Organization.

      ii. Total number and percentage of instances in which the IRO determined that a Paid Claim was not appropriately documented and in which such documentation errors resulted in an Overpayment to the Rush Organization.

      iii. Total number and percentage of instances in which the IRO determined that a Paid Claim was for items or services that were not medically necessary and resulted in an Overpayment to the Rush Organization.

      iv. Total dollar amount of all Overpayments in the Claims Review Sample.
v. Total dollar amount of Paid Claims included in the Claims Review Sample.

vi. Error Rate in the Claims Review Sample. The Error Rate shall be calculated by dividing the Overpayment in the Claims Review Sample by the total dollar amount associated with the Paid Claims in the Claims Review Sample.

vii. An estimate of the actual Overpayment in the Population at the mean point estimate.

viii. A spreadsheet of the Claims Review results that includes the following information for each Paid Claim: Federal health care program billed, beneficiary health insurance claim number, date of service, code submitted (e.g., DRG, CPT code, etc.), code reimbursed, allowed amount reimbursed by payor, correct code (as determined by the IRO), correct allowed amount (as determined by the IRO), dollar difference between allowed amount reimbursed by payor and the correct allowed amount.

c. Recommendations. The IRO’s report shall include any recommendations for improvements to the Rush Organization’s billing and coding system or to the Rush Organization’s controls for ensuring that all items and services billed to Medicare or a state Medicaid program are medically necessary and appropriately documented, based on the findings of the Claims Review.

4. Credentials. The names and credentials of the individuals who: (1) designed the statistical sampling procedures and the review methodology utilized for the Claims Review and (2) performed the Claims Review.
