The IRO shall include in its report(s) to LDH a certification that the IRO has (a) evaluated its professional independence and objectivity with respect to the reviews required under this Section III.D and (b) concluded that it is, in fact, independent and objective, in accordance with the requirements specified in Appendix A to this Agreement. The IRO’s certification shall include a summary of all current and prior engagements between LDH and the IRO.

E. Risk Assessment and Internal Review Process

Within 90 days after the Effective Date, LDH shall develop and implement a centralized annual risk assessment and internal review process to identify and address risks associated with LDH’s participation in the Federal health care programs, including but not limited to the risks associated with the submission of claims for items and services furnished to Medicare and Medicaid program beneficiaries. Within 90 days after the Effective Date, LDH shall establish a Disclosure Program that includes a mechanism (e.g., a toll-free compliance telephone line) to enable individuals to disclose, to the Compliance Officer or some other person who is not in the disclosing individual’s chain of command, any identified issues or questions associated
with LDH’s policies, conduct, practices, or procedures with respect to a Federal health care program believed by the individual to be a potential violation of criminal, civil, or administrative law. LDH shall appropriately publicize the existence of the disclosure mechanism (e.g., via periodic e-mails to employees or by posting the information in prominent common areas).

The Disclosure Program shall emphasize a nonretribution, nonretaliation policy and shall include a reporting mechanism for anonymous communications for which appropriate confidentiality shall be maintained. The Disclosure Program also shall include a requirement that all of LDH’s Covered Persons shall be expected to report suspected violations of any Federal health care program requirements to the Compliance Officer or other appropriate individual designated by LDH. Upon receipt of a disclosure, the Compliance Officer (or designee) shall gather all relevant information from the disclosing individual. The Compliance Officer (or designee) shall make a preliminary, good faith inquiry into the allegations set forth in every disclosure to ensure that he or she has obtained all of the information necessary to determine whether a further review should be conducted. For any disclosure that is sufficiently specific so that it reasonably: (1) permits a determination of the appropriateness of the alleged improper practice; and (2) provides an opportunity for taking corrective action, LDH shall conduct an internal review of the allegations set forth in the disclosure and ensure that proper follow-up is conducted.

The Compliance Officer (or designee) shall maintain a disclosure log and shall record each disclosure in the disclosure log within two business days of receipt of the disclosure. The disclosure log shall include a summary of each disclosure received (whether anonymous or not), the status of the respective internal reviews, and any corrective action taken in response to the internal reviews.

Nothing in this Section III.G affects LDH’s responsibility to refrain from (and liability for) billing Federal health care programs for items or services furnished, ordered, or prescribed by an excluded person. LDH understands that items or services furnished, ordered, or prescribed by excluded persons are not payable by Federal health care programs and that LDH may be liable for overpayments and/or criminal, civil, and administrative sanctions for employing or contracting with an excluded person regardless of whether LDH meets the requirements of Section III.G.

3. **Removal Requirement.** If LDH has actual notice that a Covered Person has become an Ineligible Person, LDH shall remove such Covered Person from responsibility for, or involvement with, LDH’s business operations related to the Federal health care program(s) from which such Covered Person has been excluded and shall remove such Covered Person from any position for which the Covered Person’s compensation or the items or services furnished, ordered, or prescribed by the Covered Person are paid in whole or part, directly or indirectly, by any Federal health care
program(s) from which the Covered Person has been excluded at least until such time as the Covered Person is reinstated into participation in such Federal health care program(s).

4. **Pending Charges and Proposed Exclusions.** If LDH has actual notice that a Covered Person is charged with a criminal offense that falls within the scope of 42 U.S.C. §§ 1320a-7(a), 1320a-7(b)(1)-(3), or is proposed for exclusion during the Covered Person’s employment or contract term, LDH shall take all appropriate actions to ensure that the responsibilities of that Covered Person have not and shall not adversely affect the quality of care rendered to any beneficiary or the accuracy of any claims submitted to any Federal health care program.

H. **Notification of Government Investigation or Legal Proceeding**

Within 30 days after discovery, LDH shall notify OIG, in writing, of any ongoing investigation or legal proceeding known to LDH conducted or brought by a governmental entity or its agents involving an allegation that LDH has committed a crime or has engaged in fraudulent activities. b. a statement of the Federal criminal, civil or administrative laws that are probably violated by the Reportable Event, if any;

c. the Federal health care programs affected by the Reportable Event;

d. a description of the steps taken by LDH to identify and quantify any Overpayments; and

e. a description of LDH’s actions taken to correct the Reportable Event and prevent it from recurring.

If the Reportable Event involves an Overpayment, within 60 days of identification of the Overpayment, LDH shall repay the Overpayment, in accordance with the
requirements of 42 U.S.C. § 1320a-7k(d) and 42 C.F.R. § 401.301-305 (and any applicable CMS guidance) and provide OIG with a copy of the notification and repayment.

Absent notification from OIG that the IRO is unacceptable, LDH may continue to engage the IRO.

2. If LDH engages a new IRO during the term of the CIA, that IRO must also meet the requirements of this Appendix. If a new IRO is engaged, LDH shall submit the information identified in Section V.A.6 of the CIA to OIG within 30 days of engagement of the IRO. Within 30 days after OIG receives this information or any additional information submitted by LDH at the request of OIG, whichever is later, OIG will notify LDH if the IRO is unacceptable. LDH must engage a new IRO in accordance with Paragraph A of this Appendix and within 60 days of termination or withdrawal of the IRO.

LDH shall have 30 days from the date of OIG’s written notice to provide information regarding the IRO’s qualifications, independence or performance of its responsibilities in order to resolve the concerns identified by OIG. If, following OIG’s review of any information provided by LDH regarding the IRO, OIG determines that the IRO has not met the requirements of this Appendix, OIG shall notify LDH in writing that LDH shall be required to engage a new IRO in accordance with Paragraph A of this Appendix.
