written directives of Medicare, Medicaid, and all other Federal health care programs (as
defined in 42 U.S.C. § 1320a-7b(f)) (Federal health care program requirements).
Contemporaneously with this CIA, MB2 Dental is entering into a Settlement Agreement
with the United States.

MB2 represents that, prior to this CIA, MB2 voluntarily established a Compliance
Program that provides for a Compliance Officer, a compliance committee, maintenance
of various policies and procedures, and auditing and monitoring activities aimed at
ensuring MB2’s participation in the Federal health care programs conforms to all Federal
and State laws and Federal health care program requirements.

II. TERM AND SCOPE OF THE CIA

A. The period of the compliance obligations assumed by MB2 Dental under
this CIA shall be five years from the effective date of this CIA. The “Effective Date”
shall be the date on which the final signatory of this CIA executes this CIA. Each one-
year period, beginning with the one-year period following the Effective Date, shall be
referred to as a “Reporting Period.”

B. Sections VII, X, and XI shall expire no later than 120 days after OIG’s
receipt of: (1) MB2 Dental’s final Annual Report or (2) any additional materials
submitted by MB2 Dental pursuant to OIG’s request, whichever is later.
C. For purposes of this CIA, the term “Covered Persons” includes: (1) all owners, officers, and employees of MB2 Dental; (2) all MB2 Affiliates, and their owners and employees; and (3) all contractors, subcontractors, agents, and other persons who furnish patient care items or services or who perform billing or coding functions on behalf of MB2 Dental, excluding vendors whose sole connection with MB2 Dental is selling or otherwise providing medical supplies or equipment to MB2 Dental.

D. The term “MB2 Affiliate(s)” shall mean any dental clinic or other entity that is not owned or controlled by MB2 but for which MB2 furnishes practice management services, including but not limited to, coding and billing functions.

III. CORPORATE INTEGRITY OBLIGATIONS

MB2 Dental shall establish and maintain a Compliance Program that includes the following elements:

A. Compliance Officer, Compliance Committee, and Management Compliance Obligations

1. Compliance Officer. Within 90 days after the Effective Date, MB2 Dental shall appoint a Compliance Officer and shall maintain a Compliance Officer for the term of the CIA. The Compliance Officer shall be an employee and a member of senior management of MB2 Dental, shall report directly to the President of MB2 Dental, and shall not be or be subordinate to the General Counsel or Chief Financial Officer or have any responsibilities that involve acting in any capacity as legal counsel or supervising legal counsel functions for MB2 Dental. The Compliance Officer shall be responsible for, without limitation:

   a. developing and implementing policies, procedures, and practices designed to ensure compliance with the requirements set forth in this CIA and with Federal health care program requirements;

   b. making periodic (at least quarterly) reports regarding compliance matters directly to the President of MB2 Dental and shall be authorized to report on such matters to the President at any time. Written documentation of the Compliance Officer’s reports to the President shall be made available to OIG upon request; and
c. monitoring the day-to-day compliance activities engaged in by MB2 Dental as well as any reporting obligations created under this CIA.

Any noncompliance job responsibilities of the Compliance Officer shall be limited and must not interfere with the Compliance Officer’s ability to perform the duties outlined in this CIA.

MB2 Dental shall report to OIG, in writing, any changes in the identity of the Compliance Officer, or any actions or changes that would affect the Compliance Officer’s ability to perform the duties necessary to meet the obligations in this CIA, within five days after such a change.

2. **Compliance Committee.** Within 90 days after the Effective Date, MB2 Dental shall appoint a Compliance Committee. The Compliance Committee shall, at a minimum, include the Compliance Officer and other members of senior management necessary to meet the requirements of this CIA (e.g., senior executives of relevant departments, such as billing, clinical, human resources, audit, and operations). The Compliance Officer shall chair the Compliance Committee and the Committee shall support the Compliance Officer in fulfilling his/her responsibilities (e.g., shall assist in the analysis of MB2 Dental’s risk areas and shall oversee monitoring of internal and external audits and investigations). The Compliance Committee shall meet at least quarterly. The minutes of the Compliance Committee meetings shall be made available to OIG upon request.

MB2 Dental shall report to OIG, in writing, any actions or changes that would affect the Compliance Committee’s ability to perform the duties necessary to meet the obligations in this CIA, within 30 days after such a change.

3. **Management Certifications.** In addition to the responsibilities set forth in this CIA for all Covered Persons, certain MB2 Dental employees (Certifying Employees) are expected to monitor and oversee activities within their areas of authority and shall annually certify that the applicable MB2 Dental department is in compliance with applicable Federal health care program requirements and the obligations of this CIA. These Certifying Employees shall include, at a minimum, the following: each individual named as a party to this CIA, the Chief Executive Officer, President, Chief Operating Officer, Chief Financial Officer, Chief Revenue Officer, Vice-President of Business Development, and the Director of Market Strategy. For each Reporting Period, each Certifying Employee shall sign a certification that states:

MB2 Dental Corporate Integrity Agreement

3
“I have been trained on and understand the compliance requirements and responsibilities as they relate to [insert name of department], an area under my supervision. My job responsibilities include ensuring compliance with regard to the [insert name of department] with all applicable Federal health care program requirements, obligations of the Corporate Integrity Agreement, and MB2 Dental policies, and I have taken steps to promote such compliance. To the best of my knowledge, the [insert name of department] of MB2 Dental is in compliance with all applicable Federal health care program requirements and the obligations of the Corporate Integrity Agreement. I understand that this certification is being provided to and relied upon by the United States.”

If any Certifying Employee is unable to provide such a certification, the Certifying Employee shall provide a written explanation of the reasons why he or she is unable to provide the certification outlined above.

B. Written Standards

Within 90 days after the Effective Date, MB2 Dental shall develop and implement written policies and procedures regarding the operation of its compliance program, including the compliance program requirements outlined in this CIA and MB2 Dental’s compliance with Federal health care program requirements (Policies and Procedures). Throughout the term of this CIA, MB2 Dental shall enforce its Policies and Procedures and shall make compliance with its Policies and Procedures an element of evaluating the performance of all employees. The Policies and Procedures shall be made available to all Covered Persons.

At least annually (and more frequently, if appropriate), MB2 Dental shall assess and update, as necessary, the Policies and Procedures. Any new or revised Policies and Procedures shall be made available to all Covered Persons.

All Policies and Procedures shall be made available to OIG upon request.

C. Training and Education

1. Covered Persons Training. Within 90 days after the Effective Date, MB2 Dental shall develop a written plan (Training Plan) that outlines the steps MB2 Dental will take to ensure that all Covered Persons receive at least annual training regarding MB2 Dental’s CIA requirements and Compliance Program and the applicable Federal health care program requirements, including the requirements of the Anti-

MB2 Dental Corporate Integrity Agreement
Kickback Statute, the Stark Law, and the Beneficiary Inducement Statute as well as appropriate billing and medical documentation requirements. The Training Plan shall include information regarding the following: training topics, categories of Covered Persons required to attend each training session, length of the training session(s), schedule for training, and format of the training. MB2 Dental shall furnish training to its Covered Persons pursuant to the Training Plan during each Reporting Period.

2. **Training Records.** MB2 Dental shall make available to OIG, upon request, training materials and records verifying that Covered Persons have timely received the training required under this section.

D. **Review Procedures**

1. **General Description**
   
   a. **Engagement of Independent Review Organization.** Within 90 days after the Effective Date, MB2 Dental shall engage an entity (or entities), such as an accounting, auditing, or consulting firm (hereinafter “Independent Review Organization” or “IRO”), to perform the reviews listed in this Section III.D. The applicable requirements relating to the IRO are outlined in Appendix A to this CIA, which is incorporated by reference.

   b. **Retention of Records.** The IRO and MB2 Dental shall retain and make available to OIG, upon request, all work papers, supporting documentation, correspondence, and draft reports (those exchanged between the IRO and MB2 Dental) related to the reviews.

2. **Claims Review.** The IRO shall review claims submitted by MB2 Dental and reimbursed by the Federal health care programs, to determine whether the items and services furnished were medically necessary and appropriately documented and whether the claims were correctly coded, submitted and reimbursed (Claims Review) and shall prepare a Claims Review Report, as outlined in Appendix B to this CIA, which is incorporated by reference.

3. **Independence and Objectivity Certification.** The IRO shall include in its report(s) to MB2 Dental a certification that the IRO has (a) evaluated its professional independence and objectivity with respect to the reviews required under this
Section III.D and (b) concluded that it is, in fact, independent and objective, in accordance with the requirements specified in Appendix A to this CIA. The IRO’s certification shall include a summary of all current and prior engagements between MB2 Dental and the IRO.

E. Risk Assessment and Internal Review Process

Within 90 days after the Effective Date, MB2 Dental shall develop and implement a centralized annual risk assessment and internal review process to identify and address risks associated with MB2 Dental’s participation in the Federal health care programs, including but not limited to the risks associated with the submission of claims for items and services furnished to Federal health care program beneficiaries. The risk assessment and internal review process shall require compliance, legal, and department leaders, at least annually, to: (1) identify and prioritize risks, (2) develop internal audit work plans related to the identified risk areas, (3) implement the internal audit work plans, (4) develop corrective action plans in response to the results of any internal audits performed, and (5) track the implementation of the corrective action plans in order to assess the effectiveness of such plans. MB2 Dental shall maintain the risk assessment and internal review process for the term of the CIA.

F. Disclosure Program

Within 90 days after the Effective Date, MB2 Dental shall establish a Disclosure Program that includes a mechanism (e.g., a toll-free compliance telephone line) to enable individuals to disclose, to the Compliance Officer or some other person who is not in the disclosing individual’s chain of command, any identified issues or questions associated with MB2 Dental’s policies, conduct, practices, or procedures with respect to a Federal health care program believed by the individual to be a potential violation of criminal, civil, or administrative law. MB2 Dental shall appropriately publicize the existence of the disclosure mechanism (e.g., via periodic e-mails to employees or by posting the information in prominent common areas).

The Disclosure Program shall emphasize a nonretribution, nonretaliation policy and shall include a reporting mechanism for anonymous communications for which appropriate confidentiality shall be maintained. The Disclosure Program also shall include a requirement that all of MB2 Dental’s Covered Persons shall be expected to report suspected violations of any Federal health care program requirements to the Compliance Officer or other appropriate individual designated by MB2 Dental. Upon receipt of a disclosure, the Compliance Officer (or designee) shall gather all relevant
information from the disclosing individual. The Compliance Officer (or designee) shall make a preliminary, good faith inquiry into the allegations set forth in every disclosure to ensure that he or she has obtained all of the information necessary to determine whether a further review should be conducted. For any disclosure that is sufficiently specific so that it reasonably: (1) permits a determination of the appropriateness of the alleged improper practice; and (2) provides an opportunity for taking corrective action, MB2 Dental shall conduct an internal review of the allegations set forth in the disclosure and ensure that proper follow-up is conducted.

The Compliance Officer (or designee) shall maintain a disclosure log and shall record each disclosure in the disclosure log within two business days of receipt of the disclosure. The disclosure log shall include a summary of each disclosure received (whether anonymous or not), the status of the respective internal reviews, and any corrective action taken in response to the internal reviews.

G. Ineligible Persons

1. Definitions. For purposes of this CIA:

   a. an “Ineligible Person” shall include an individual or entity who:

      i. is currently excluded from participation in any Federal health care program; or

      ii. has been convicted of a criminal offense that falls within the scope of 42 U.S.C. § 1320a-7(a), but has not yet been excluded.

   b. “Exclusion List” means the HHS/OIG List of Excluded Individuals/Entities (LEIE) (available through the Internet at [http://www.oig.hhs.gov](http://www.oig.hhs.gov)).

2. Screening Requirements. MB2 Dental shall ensure that all prospective and current Covered Persons are not Ineligible Persons, by implementing the following screening requirements.

   a. MB2 Dental shall screen all prospective Covered Persons against the Exclusion List prior to engaging their services and, as part of the hiring or contracting process, shall require
such Covered Persons to disclose whether they are Ineligible Persons.

b. MB2 Dental shall screen all current Covered Persons against the Exclusion List within 90 days after the Effective Date and on a monthly basis thereafter.

c. MB2 Dental shall implement a policy requiring all Covered Persons to disclose immediately if they become an Ineligible Person.

Nothing in this Section III.G affects MB2 Dental’s responsibility to refrain from (and liability for) billing Federal health care programs for items or services furnished, ordered, or prescribed by an excluded person. MB2 Dental understands that items or services furnished, ordered, or prescribed by excluded persons are not payable by Federal health care programs and that MB2 Dental may be liable for overpayments and/or criminal, civil, and administrative sanctions for employing or contracting with an excluded person regardless of whether MB2 Dental meets the requirements of Section III.G.

3. **Removal Requirement.** If MB2 Dental has actual notice that a Covered Person has become an Ineligible Person, MB2 Dental shall remove such Covered Person from responsibility for, or involvement with, MB2 Dental’s business operations related to the Federal health care program(s) from which such Covered Person has been excluded and shall remove such Covered Person from any position for which the Covered Person’s compensation or the items or services furnished, ordered, or prescribed by the Covered Person are paid in whole or part, directly or indirectly, by any Federal health care program(s) from which the Covered Person has been excluded at least until such time as the Covered Person is reinstated into participation in such Federal health care program(s).

4. **Pending Charges and Proposed Exclusions.** If MB2 Dental has actual notice that a Covered Person is charged with a criminal offense that falls within the scope of 42 U.S.C. §§ 1320a-7(a), 1320a-7(b)(1)-(3), or is proposed for exclusion during the Covered Person’s employment or contract term or during the term of a physician’s or other practitioner’s medical staff privileges, MB2 Dental shall take all appropriate actions to ensure that the responsibilities of that Covered Person have not and shall not adversely affect the quality of care rendered to any beneficiary or the accuracy of any claims submitted to any Federal health care program.
H. Notification of Government Investigation or Legal Proceeding

Within 30 days after discovery, MB2 Dental shall notify OIG, in writing, of any ongoing investigation or legal proceeding known to MB2 Dental conducted or brought by a governmental entity or its agents involving an allegation that MB2 Dental has committed a crime or has engaged in fraudulent activities. This notification shall include a description of the allegation, the identity of the investigating or prosecuting agency, and the status of such investigation or legal proceeding. MB2 Dental also shall provide written notice to OIG within 30 days after the resolution of the matter and a description of the findings and/or results of the investigation or proceeding, if any.

I. Overpayments

1. Definition of Overpayment. An “Overpayment” means any funds that MB2 Dental receives or retains under any Federal health care program to which MB2 Dental, after applicable reconciliation, is not entitled under such Federal health care program.

2. Overpayment Policies and Procedures. Within 90 days after the Effective Date, MB2 Dental shall develop and implement written policies and procedures regarding the identification, quantification, and repayment of Overpayments received from any Federal health care program.

J. Reportable Events

1. Definition of Reportable Event. For purposes of this CIA, a “Reportable Event” means anything that involves:
   a. a substantial Overpayment;
   b. a matter that a reasonable person would consider a probable violation of criminal, civil, or administrative laws applicable to any Federal health care program for which penalties or exclusion may be authorized;
   c. the employment of or contracting with a Covered Person who is an Ineligible Person as defined by Section III.G.1.a; or
   d. the filing of a bankruptcy petition by MB2 Dental.
A Reportable Event may be the result of an isolated event or a series of occurrences.

2. **Reporting of Reportable Events.** If MB2 Dental determines (after a reasonable opportunity to conduct an appropriate review or investigation of the allegations) through any means that there is a Reportable Event, MB2 Dental shall notify OIG, in writing, within 30 days after making the determination that the Reportable Event exists.

3. **Reportable Events under Section III.J.1.a and III.J.1.b.** For Reportable Events under Section III.J.1.a and b, the report to OIG shall include:

   a. a complete description of all details relevant to the Reportable Event, including, at a minimum, the types of claims, transactions or other conduct giving rise to the Reportable Event; the period during which the conduct occurred; and the names of individuals and entities believed to be implicated, including an explanation of their roles in the Reportable Event;

   b. a statement of the Federal criminal, civil or administrative laws that are probably violated by the Reportable Event, if any;

   c. the Federal health care programs affected by the Reportable Event;

   d. a description of the steps taken by MB2 Dental to identify and quantify any Overpayments; and

   e. a description of MB2 Dental’s actions taken to correct the Reportable Event and prevent it from recurring.

If the Reportable Event involves an Overpayment, within 60 days of identification of the Overpayment, MB2 Dental shall repay the Overpayment, in accordance with the requirements of 42 U.S.C. § 1320a-7k(d) and 42 C.F.R. § 401.301-305 (and any applicable CMS guidance) and provide OIG with a copy of the notification and repayment.

4. **Reportable Events under Section III.J.1.c.** For Reportable Events under Section III.J.1.c, the report to OIG shall include:

MB2 Dental Corporate Integrity Agreement
a. the identity of the Ineligible Person and the job duties performed by that individual;

b. the dates of the Ineligible Person’s employment or contractual relationship;

c. a description of the Exclusion List screening that MB2 Dental completed before and/or during the Ineligible Person’s employment or contract and any flaw or breakdown in the screening process that led to the hiring or contracting with the Ineligible Person;

d. a description of how the Ineligible Person was identified; and

e. a description of any corrective action implemented to prevent future employment or contracting with an Ineligible Person.

5. Reportable Events under Section III.J.1.d. For Reportable Events under Section III.J.1.d, the report to OIG shall include documentation of the bankruptcy filing and a description of any Federal health care program requirements implicated.

6. Reportable Events Involving the Stark Law. Notwithstanding the reporting requirements outlined above, any Reportable Event that involves solely a probable violation of section 1877 of the Social Security Act, 42 U.S.C. §1395nn (the Stark Law) should be submitted by MB2 Dental to the Centers for Medicare & Medicaid Services (CMS) through the self-referral disclosure protocol (SRDP), with a copy to the OIG. If MB2 Dental identifies a probable violation of the Stark Law and repays the applicable Overpayment directly to the CMS contractor, then MB2 Dental is not required by this Section III.J to submit the Reportable Event to CMS through the SRDP.

IV. SUCCESSOR LIABILITY

In the event that, after the Effective Date, MB2 Dental proposes to (a) sell any or all of its business, business units, or locations (whether through a sale of assets, sale of stock, or other type of transaction) relating to the furnishing of items or services that may be reimbursed by a Federal health care program, or (b) purchase or establish a new business, business unit, or location relating to the furnishing of items or services that may be reimbursed by a Federal health care program, the CIA shall be binding on the purchaser of any business, business unit, or location and any new business, business unit, or location (and all Covered Persons at each new business, business unit, or location)
shall be subject to the applicable requirements of this CIA, unless otherwise determined and agreed to in writing by OIG.

If, in advance of a proposed sale or a proposed purchase, MB2 Dental wishes to obtain a determination by OIG that the proposed purchaser or the proposed acquisition will not be subject to the requirements of the CIA, MB2 Dental must notify OIG in writing of the proposed sale or purchase at least 30 days in advance. This notification shall include a description of the business, business unit, or location to be sold or purchased, a brief description of the terms of the transaction and, in the case of a proposed sale, the name and contact information of the prospective purchaser.

complete Implementation Report, Annual Report or any certification to OIG in accordance with the requirements of Section V by the deadlines for submission.

4. A Stipulated Penalty of $2,500 (which shall begin to accrue on the day after the date the obligation became due) for each day MB2 Dental fails to submit any Claims Review Report in accordance with the requirements of Section III.D and Appendix B or fails to repay any Overpayment identified by the IRO, as required by Appendix B.

5. A Stipulated Penalty of $1,500 for each day MB2 Dental fails to grant access as required in Section VII. (This Stipulated Penalty shall begin to accrue on the date MB2 Dental fails to grant access.)

6. A Stipulated Penalty of $50,000 for each false certification submitted by or on behalf of MB2 Dental as part of its Implementation Report, any Annual Report, additional documentation to a report (as requested by the OIG), or otherwise required by this CIA.

7. A Stipulated Penalty of $1,000 for each day MB2 Dental fails to comply fully and adequately with any obligation of this CIA. OIG shall provide notice to MB2 Dental stating the specific grounds for its determination that MB2 Dental has failed to comply fully and adequately with the CIA obligation(s) at issue and steps MB2 Dental shall take to comply with the CIA. (This Stipulated Penalty shall begin to accrue 10 days after the date MB2 Dental receives this notice from OIG of the failure to comply.) A Stipulated Penalty as described in this Subsection shall not be demanded for any violation for which OIG has sought a Stipulated Penalty under Subsections 1-6 of this Section.

B. Timely Written Requests for Extensions

MB2 Dental may, in advance of the due date, submit a timely written request for an extension of time to perform any act or file any notification or report required by this CIA. Notwithstanding any other provision in this Section, if OIG grants the timely written request with respect to an act, notification, or report, Stipulated Penalties for failure to perform the act or file the notification or report shall not begin to accrue until one day after MB2 Dental fails to meet the revised deadline set by OIG. Notwithstanding any other provision in this Section, if OIG denies such a timely written request, Stipulated Penalties for failure to perform the act or file the notification or report shall not begin to accrue until three days after MB2 Dental receives OIG’s written denial of such request or the original due date, whichever is later. A “timely written request” is defined
as a request in writing received by OIG at least five days prior to the date by which any act is due to be performed or any notification or report is due to be filed.

C. Payment of Stipulated Penalties

1. **Demand Letter.** Upon a finding that MB2 Dental has failed to comply with any of the obligations described in Section X.A and after determining that Stipulated Penalties are appropriate, OIG shall notify MB2 Dental of: (a) MB2 Dental’s failure to comply; and (b) OIG’s exercise of its contractual right to demand payment of the Stipulated Penalties. (This notification shall be referred to as the “Demand Letter.”)

2. **Response to Demand Letter.** Within 10 days after the receipt of the Demand Letter, MB2 Dental shall either: (a) cure the breach to OIG’s satisfaction and pay the applicable Stipulated Penalties or (b) request a hearing before an HHS administrative law judge (ALJ) to dispute OIG’s determination of noncompliance, pursuant to the agreed upon provisions set forth below in Section X.E. In the event MB2 Dental elects to request an ALJ hearing, the Stipulated Penalties shall continue to accrue until MB2 Dental cures, to OIG’s satisfaction, the alleged breach in dispute. Failure to respond to the Demand Letter in one of these two manners within the allowed time period shall be considered a material breach of this CIA and shall be grounds for exclusion under Section X.D.

3. **Form of Payment.** Payment of the Stipulated Penalties shall be made by electronic funds transfer to an account specified by OIG in the Demand Letter.

4. **Independence from Material Breach Determination.** Except as set forth in Section X.D.1.c, these provisions for payment of Stipulated Penalties shall not affect or otherwise set a standard for OIG’s decision that MB2 Dental has materially breached this CIA, which decision shall be made at OIG’s discretion and shall be governed by the provisions in Section X.D, below.

D. **Exclusion for Material Breach of this CIA**

1. **Definition of Material Breach.** A material breach of this CIA means:

   a. repeated violations or a flagrant violation of any of the obligations under this CIA, including, but not limited to, the obligations addressed in Section X.A;

MB2 Dental Corporate Integrity Agreement
b. a failure by MB2 Dental to report a Reportable Event, take corrective action, or make the appropriate refunds, as required in Section III.J;

c. a failure to respond to a Demand Letter concerning the payment of Stipulated Penalties in accordance with Section X.C; or

d. a failure to engage and use an IRO in accordance with Section III.D, Appendix A, or Appendix B.

2. **Notice of Material Breach and Intent to Exclude.** The parties agree that a material breach of this CIA by MB2 Dental constitutes an independent basis for MB2 Dental’s exclusion from participation in the Federal health care programs. The length of the exclusion shall be in the OIG’s discretion, but not more than five years per material breach. Upon a determination by OIG that MB2 Dental has materially breached this CIA and that exclusion is the appropriate remedy, OIG shall notify MB2 Dental of: (a) MB2 Dental’s material breach; and (b) OIG’s intent to exercise its contractual right to impose exclusion. (This notification shall be referred to as the “Notice of Material Breach and Intent to Exclude.”)

3. **Opportunity to Cure.** MB2 Dental shall have 30 days from the date of receipt of the Notice of Material Breach and Intent to Exclude to demonstrate that:

   a. the alleged material breach has been cured; or

   b. the alleged material breach cannot be cured within the 30 day period, but that: (i) MB2 Dental has begun to take action to cure the material breach; (ii) MB2 Dental is pursuing such action with due diligence; and (iii) MB2 Dental has provided to OIG a reasonable timetable for curing the material breach.

4. **Exclusion Letter.** If, at the conclusion of the 30 day period, MB2 Dental fails to satisfy the requirements of Section X.D.3, OIG may exclude MB2 Dental from participation in the Federal health care programs. OIG shall notify MB2 Dental in writing of its determination to exclude MB2 Dental. (This letter shall be referred to as the “Exclusion Letter.”) Subject to the Dispute Resolution provisions in Section X.E, below, the exclusion shall go into effect 30 days after the date of MB2 Dental’s receipt of the Exclusion Letter. The exclusion shall have national effect. Reinstatement to program participation is not automatic. At the end of the period of exclusion, MB2 Dental may
E. Dispute Resolution

1. Review Rights. Upon OIG’s delivery to MB2 Dental of its Demand Letter or of its Exclusion Letter, and as an agreed-upon contractual remedy for the resolution of disputes arising under this CIA, MB2 Dental shall be afforded certain review rights comparable to the ones that are provided in 42 U.S.C. § 1320a-7(f) and 42 C.F.R. Part 1005 as if they applied to the Stipulated Penalties or exclusion sought pursuant to this CIA. Specifically, OIG’s determination to demand payment of Stipulated Penalties or to seek exclusion shall be subject to review by an HHS ALJ and, in the event of an appeal, the HHS Departmental Appeals Board (DAB), in a manner consistent with the provisions in 42 C.F.R. § 1005.2-1005.21. Notwithstanding the language in 42 C.F.R. § 1005.2(c), the request for a hearing involving Stipulated Penalties shall be made within 10 days after receipt of the Demand Letter and the request for a hearing involving exclusion shall be made within 25 days after receipt of the Exclusion Letter. The procedures relating to the filing of a request for a hearing can be found at http://www.hhs.gov/dab/divisions/civil/procedures/divisionprocedures.html

2. Stipulated Penalties Review. Notwithstanding any provision of Title 42 of the United States Code or Title 42 of the Code of Federal Regulations, the only issues in a proceeding for Stipulated Penalties under this CIA shall be: (a) whether MB2 Dental was in full and timely compliance with the obligations of this CIA for which OIG demands payment; and (b) the period of noncompliance. MB2 Dental shall have the burden of proving its full and timely compliance and the steps taken to cure the noncompliance, if any. OIG shall not have the right to appeal to the DAB an adverse ALJ decision related to Stipulated Penalties. If the ALJ agrees with OIG with regard to a finding of a breach of this CIA and orders MB2 Dental to pay Stipulated Penalties, such Stipulated Penalties shall become due and payable 20 days after the ALJ issues such a decision unless MB2 Dental requests review of the ALJ decision by the DAB. If the ALJ decision is properly appealed to the DAB and the DAB upholds the determination of OIG, the Stipulated Penalties shall become due and payable 20 days after the DAB issues its decision.

3. Exclusion Review. Notwithstanding any provision of Title 42 of the United States Code or Title 42 of the Code of Federal Regulations, the only issues in a proceeding for exclusion based on a material breach of this CIA shall be whether MB2 Dental was in material breach of this CIA and, if so, whether:

MB2 Dental Corporate Integrity Agreement

22
a. MB2 Dental cured such breach within 30 days of its receipt of the Notice of Material Breach; or

b. the alleged material breach could not have been cured within the 30 day period, but that, during the 30 day period following MB2 Dental’s receipt of the Notice of Material Breach: (i) MB2 Dental had begun to take action to cure the material breach; (ii) MB2 Dental pursued such action with due diligence; and (iii) MB2 Dental provided to OIG a reasonable timetable for curing the material breach.

For purposes of the exclusion herein, exclusion shall take effect only after an ALJ decision favorable to OIG, or, if the ALJ rules for MB2 Dental, only after a DAB decision in favor of OIG. MB2 Dental’s election of its contractual right to appeal to the DAB shall not abrogate OIG’s authority to exclude MB2 Dental upon the issuance of an ALJ’s decision in favor of OIG. If the ALJ sustains the determination of OIG and determines that exclusion is authorized, such exclusion shall take effect 20 days after the ALJ issues such a decision, notwithstanding that MB2 Dental may request review of the ALJ decision by the DAB. If the DAB finds in favor of OIG after an ALJ decision adverse to OIG, the exclusion shall take effect 20 days after the DAB decision. MB2 Dental shall waive its right to any notice of such an exclusion if a decision upholding the exclusion is rendered by the ALJ or DAB. If the DAB finds in favor of MB2 Dental, MB2 Dental shall be reinstated effective on the date of the original exclusion.

4. **Finality of Decision.** The review by an ALJ or DAB provided for above shall not be considered to be an appeal right arising under any statutes or regulations. Consequently, the parties to this CIA agree that the DAB’s decision (or the ALJ’s decision if not appealed) shall be considered final for all purposes under this CIA.

**XI. EFFECTIVE AND BINDING AGREEMENT**

MB2 Dental and OIG agree as follows:

A. This CIA shall become final and binding on the date the final signature is obtained on the CIA.

B. This CIA constitutes the complete agreement between the parties and may not be amended except by written consent of the parties to this CIA.
C. OIG may agree to a suspension of MB2 Dental’s obligations under this CIA based on a certification by MB2 Dental that it is no longer providing health care items or services that will be billed to any Federal health care program and it does not have any ownership or control interest, as defined in 42 U.S.C. §1320a-3, in any entity that bills any Federal health care program. If MB2 Dental is relieved of its CIA obligations, MB2 Dental shall be required to notify OIG in writing at least 30 days in advance if MB2 Dental plans to resume providing health care items or services that are billed to any Federal health care program or to obtain an ownership or control interest in any entity that bills any Federal health care program. At such time, OIG shall evaluate whether the CIA will be reactivated or modified.

D. All requirements and remedies set forth in this CIA are in addition to and do not affect (1) MB2 Dental’s responsibility to follow all applicable Federal health care program requirements or (2) the government’s right to impose appropriate remedies for failure to follow applicable Federal health care program requirements.

E. The undersigned MB2 Dental signatories represent and warrant that they are authorized to execute this CIA. The undersigned OIG signatories represent that they are signing this CIA in their official capacities and that they are authorized to execute this CIA.

F. This CIA may be executed in counterparts, each of which constitutes an original and all of which constitute one and the same CIA. Electronically-transmitted copies of signatures shall constitute acceptable, binding signatures for purposes of this CIA.

APPENDIX A

INDEPENDENT REVIEW ORGANIZATION

This Appendix contains the requirements relating to the Independent Review Organization (IRO) required by Section III.D of the CIA.

A. IRO Engagement

1. MB2 Dental shall engage an IRO that possesses the qualifications set forth in Paragraph B, below, to perform the responsibilities in Paragraph C, below. The IRO shall conduct the review in a professionally independent and objective fashion, as set forth in Paragraph D. Within 30 days after OIG receives the information identified in Section V.A.6 of the CIA or any additional information submitted by MB2 Dental in response to a request by OIG, whichever is later, OIG will notify MB2 Dental if the IRO is unacceptable. Absent notification from OIG that the IRO is unacceptable, MB2 Dental may continue to engage the IRO.

2. If MB2 Dental engages a new IRO during the term of the CIA, that IRO must also meet the requirements of this Appendix. If a new IRO is engaged, MB2 Dental shall submit the information identified in Section V.A.6 of the CIA to OIG within 30 days of engagement of the IRO. Within 30 days after OIG receives this information or any additional information submitted by MB2 Dental at the request of OIG, whichever is later, OIG will notify MB2 Dental if the IRO is unacceptable. Absent notification from OIG that the IRO is unacceptable, MB2 Dental may continue to engage the IRO.

B. IRO Qualifications

The IRO shall:

1. assign individuals to conduct the Claims Review who have expertise in the billing, coding, reporting and other requirements of dental services claims and in the general requirements of the Federal health care programs applicable to the claims being reviewed;

2. assign individuals to design and select the Claims Review sample who are knowledgeable about the appropriate statistical sampling techniques;

3. assign individuals to conduct the coding review portions of the Claims Review who have a nationally recognized coding certification and who have maintained this certification (e.g., completed applicable continuing education requirements); and
4. have sufficient staff and resources to conduct the reviews required by the CIA on a timely basis.

C. IRO Responsibilities

The IRO shall:

1. perform each Claims Review in accordance with the specific requirements of the CIA;

2. follow all applicable Federal health care program rules and reimbursement guidelines in making assessments in the Claims Review;

3. request clarification from the appropriate authority (e.g., Medicare contractor), if in doubt of the application of a particular Federal health care program policy or regulation;

4. respond to all OIG inquiries in a prompt, objective, and factual manner; and

5. prepare timely, clear, well-written reports that include all the information required by Appendix B to the CIA.

D. IRO Independence and Objectivity

The IRO must perform the Claims Review in a professionally independent and objective fashion, as defined in the most recent Government Auditing Standards issued by the U.S. Government Accountability Office.

E. IRO Removal/Termination

1. MB2 Dental and IRO. If MB2 Dental terminates its IRO or if the IRO withdraws from the engagement during the term of the CIA, MB2 Dental must submit a notice explaining (a) its reasons for termination of the IRO or (b) the IRO’s reasons for its withdrawal to OIG, no later than 30 days after termination or withdrawal. MB2 Dental must engage a new IRO in accordance with Paragraph A of this Appendix and within 60 days of termination or withdrawal of the IRO.

2. OIG Removal of IRO. In the event OIG has reason to believe the IRO does not possess the qualifications described in Paragraph B, is not independent and objective as set forth in Paragraph D, or has failed to carry out its responsibilities as described in Paragraph C, OIG shall notify MB2 Dental in writing regarding OIG’s basis for determining that the IRO has not met the requirements of this Appendix. MB2 Dental shall have 30 days from the date of OIG’s written notice to provide information regarding
the IRO’s qualifications, independence or performance of its responsibilities in order to resolve the concerns identified by OIG. If, following OIG’s review of any information provided by MB2 Dental regarding the IRO, OIG determines that the IRO has not met the requirements of this Appendix, OIG shall notify MB2 Dental in writing that MB2 Dental shall be required to engage a new IRO in accordance with Paragraph A of this Appendix. MB2 Dental must engage a new IRO within 60 days of its receipt of OIG’s written notice. The final determination as to whether or not to require MB2 Dental to engage a new IRO shall be made at the sole discretion of OIG.
APPENDIX B

CLAIMS REVIEW

A. Claims Review. The IRO shall perform the Claims Review annually to cover each of the five Reporting Periods. The IRO shall perform all components of each Claims Review.

1. Definitions. For the purposes of the Claims Review, the following definitions shall be used:

   a. Overpayment: The amount of money MB2 Dental has received in excess of the amount due and payable under any Federal health care program requirements, as determined by the IRO in connection with the Claims Review performed under this Appendix B.

   b. Paid Claim: A claim submitted by MB2 Dental and for which MB2 Dental has received reimbursement from the Federal health care programs.

   c. Population: The Population shall be defined as all Paid Claims during the 12-month period covered by the Claims Review.

2. Claims Review Samples. The IRO shall randomly select and annually review the following categories of Paid Claims: (1) a sample of 25 Paid Claims submitted for items and services provided at clinics owned by Trung Tang, D.D.S.; (2) a sample of 25 Paid Claims submitted for items and services provided at clinics owned by Chris Villanueva, D.D.S.; (3) a sample of 25 Paid Claims submitted for items and services provided at clinics owned by Mauricio Dardano, D.D.S.; (4) a sample of 25 Paid Claims submitted for items and services provided at clinics owned by Gabriel Shahwan, D.D.S.; (5) a sample of 25 Paid Claims submitted for items and services provided at clinics owned by Akhil Reddy, D.D.S.; and (6) a sample of 25 Paid Claims submitted for items and services that are not included in the previous five categories (Claims Review Samples). In the event one of the individuals identified in categories (1) through (5) above no longer owns any clinics, the respective allotment of 25 Paid Claims shall be assigned to category (6). The Paid Claims shall be reviewed based on the supporting documentation available at MB2 Dental’s office or under MB2 Dental’s control and applicable Federal health care program requirements to determine whether the items and services furnished were medically necessary and appropriately documented, and whether the claim was correctly coded, submitted, and reimbursed. For each Paid Claim in the Claims Review Samples that results in an Overpayment, the IRO shall review the system(s) and process(es) that generated the Paid Claim and identify any problems or weaknesses that may have resulted in the identified Overpayments. The IRO shall
provide its observations and recommendations on suggested improvements to the system(s) and the process(es) that generated the Paid Claim.

3. Other Requirements.

a. Supplemental Materials. The IRO shall request all documentation and materials required for its review of the Paid Claims in the Claims Review Samples and MB2 Dental shall furnish such documentation and materials to the IRO prior to the IRO initiating its review of the Claims Review Samples. If the IRO accepts any supplemental documentation or materials from MB2 Dental after the IRO has completed its initial review of the Claims Review Samples (Supplemental Materials), the IRO shall identify in the Claims Review Report the Supplemental Materials, the date the Supplemental Materials were accepted, and the relative weight the IRO gave to the Supplemental Materials in its review. In addition, the IRO shall include a narrative in the Claims Review Report describing the process by which the Supplemental Materials were accepted and the IRO’s reasons for accepting the Supplemental Materials.

b. Paid Claims without Supporting Documentation. Any Paid Claim for which MB2 Dental cannot produce documentation shall be considered an error and the total reimbursement received by MB2 Dental for such Paid Claim shall be deemed an Overpayment. Replacement sampling for Paid Claims with missing documentation is not permitted.

c. Use of First Samples Drawn. For the purposes of the Claims Review Samples discussed in this Appendix, the first set of Paid Claims selected shall be used (i.e., it is not permissible to generate more than one list of random samples and then select one for use with the Claims Review Samples).

4. Repayment of Identified Overpayments. MB2 Dental shall repay within 60 days the Overpayment(s) identified by the IRO in the Claims Review Samples, in accordance with the requirements of 42 U.S.C. § 1320a-7k(d) and 42 C.F.R. § 401.301-305 (and any applicable CMS guidance) (the “CMS overpayment rule”). If MB2 Dental determines that the CMS overpayment rule requires that an extrapolated Overpayment be repaid, MB2 Dental shall repay that amount at the mean point estimate as calculated by the IRO. MB2 Dental shall make available to OIG all documentation that reflects the refund of the Overpayment(s) to the payor. OIG, in its sole discretion, may refer the findings of the Claims Review Samples (and any related work papers) received from
MB2 Dental to the appropriate Federal health care program contractor for appropriate follow up by the payor.

B. Claims Review Report. The IRO shall prepare a Claims Review Report as described in this Appendix for each Claims Review performed. The following information shall be included in the Claims Review Report.

1. **Claims Review Methodology.**
   
a. **Claims Review Population.** A description of the Population subject to the Claims Review.

b. **Claims Review Objective.** A clear statement of the objective intended to be achieved by the Claims Review.

c. **Source of Data.** A description of (1) the process used to identify Paid Claims in the Population and (2) the specific documentation relied upon by the IRO when performing the Claims Review (e.g., medical records, physician orders, certificates of medical necessity, requisition forms, local medical review policies (including title and policy number), CMS program memoranda (including title and issuance number), Medicare carrier or intermediary manual or bulletins (including issue and date), other policies, regulations, or directives).

d. **Review Protocol.** A narrative description of how the Claims Review was conducted and what was evaluated.

e. **Supplemental Materials.** A description of any Supplemental Materials as required by A.3.a., above.

2. **Statistical Sampling Documentation.**

a. A copy of the printout of the random numbers generated by the “Random Numbers” function of the statistical sampling software used by the IRO.

b. A description or identification of the statistical sampling software package used by the IRO.

3. **Claims Review Findings.**

a. **Narrative Results.**
i. A description of MB2 Dental’s billing and coding system(s), including the identification, by position description, of the personnel involved in coding and billing.

ii. A description of controls in place at MB2 Dental to ensure that all items and services billed to any Federal health care program are medically necessary and appropriately documented.

iii. A narrative explanation of the IRO’s findings and supporting rationale (including reasons for errors, patterns noted, etc.) regarding the Claims Review, including the results of the Claims Review Samples.

b. **Quantitative Results.**

i. Total number and percentage of instances in which the IRO determined that the coding of the Paid Claims submitted by MB2 Dental differed from what should have been the correct coding and in which such difference resulted in an Overpayment to MB2 Dental.

ii. Total number and percentage of instances in which the IRO determined that a Paid Claim was not appropriately documented and in which such documentation errors resulted in an Overpayment to MB2 Dental.

iii. Total number and percentage of instances in which the IRO determined that a Paid Claim was for items or services that were not medically necessary and resulted in an Overpayment to MB2 Dental.

iv. Total dollar amount of all Overpayments in the Claims Review Samples.

v. Total dollar amount of Paid Claims included in the Claims Review Samples.

vi. Error Rate in the Claims Review Samples. The Error Rate shall be calculated by dividing the Overpayment in the Claims Review Samples by the total dollar amount associated with the Paid Claims in the Claims Review Samples.
vii. An estimate of the actual Overpayment in the Population at the mean point estimate.

viii. A spreadsheet of the Claims Review results that includes the following information for each Paid Claim: Federal health care program billed, beneficiary health insurance claim number, date of service, code submitted (e.g., DRG, CPT code, etc.), code reimbursed, allowed amount reimbursed by payor, correct code (as determined by the IRO), correct allowed amount (as determined by the IRO), dollar difference between allowed amount reimbursed by payor and the correct allowed amount.

c. **Recommendations.** The IRO’s report shall include any recommendations for improvements to MB2 Dental’s billing and coding system or to MB2 Dental’s controls for ensuring that all items and services billed to any Federal health care program are medically necessary and appropriately documented, based on the findings of the Claims Review.

4. **Credentials.** The names and credentials of the individuals who: (1) designed the statistical sampling procedures and the review methodology utilized for the Claims Review and (2) performed the Claims Review.
