Each one-year period, beginning with the one-year period following the Effective Date, shall be referred to as a “Reporting Period.”

B. Sections VII, X, and XI shall expire no later than 120 days after OIG’s receipt of: (1) NI-PLI-Kellermann’s final annual report; or (2) any additional materials submitted by NI-PLI-Kellermann pursuant to OIG’s request, whichever is later.

2. "Relevant Covered Persons" includes Covered Persons involved in the delivery of items or services paid for by Federal health care programs and/or in the preparation or submission of claims for reimbursement from any Federal health care program.

The Compliance Officer shall be an employee and a member of senior management of NI-PLI-Kellermann, shall report directly to the Chief Executive Officer of NI-PLI-Kellermann, and shall not be or be subordinate to the General Counsel or Chief Financial Officer or have any responsibilities that involve acting in any capacity as legal counsel or supervising legal counsel functions for NI-PLI-Kellermann. - c. monitoring the day-to-day compliance activities engaged in by NI-PLI-Kellermann as well as for any reporting obligations created under this CIA.

Any noncompliance job responsibilities of the Compliance Officer shall be limited and must not interfere with the Compliance Officer's ability to perform the duties outlined in this CIA.

NI-PLI-Kellermann shall report to OIG, in writing, any changes in the identity or position description of the Compliance Officer, or any actions or changes that would affect the Compliance Officer's ability to perform the duties necessary to meet the obligations in this CIA, within five days after such a change.

2. *Management Certifications.* In addition to the responsibilities set forth in this CIA for all Covered Persons, certain NI-PLI-Kellermann employees (Certifying Employees) are specifically expected to monitor and oversee activities within their areas of authority and shall annually certify that the applicable NI-PLI-Kellermann department is in compliance with applicable Federal health care program requirements and with the obligations of this CIA. These Certifying Employees shall include, at a minimum, the following: Chief Executive Officers, Chief Financial Officers, and Billing Department Supervisors. For each Reporting Period, each Certifying Employee shall sign a certification that states:

"I have been trained on and understand the compliance requirements and responsibilities as they relate to [insert name of department], an area under my supervision. My job responsibilities include ensuring compliance with regard to the [insert name of department] with all applicable Federal health

care program requirements, obligations of the Corporate Integrity Agreement, and NI-PLI-Kellermann policies, and I have taken steps to promote such compliance. To the best of my knowledge, the [insert name of department] of NI-PLI-Kellermann is in compliance with all applicable Federal health care program requirements and the obligations of the Corporate Integrity Agreement. I understand that this certification is being provided to and relied upon by the United States.”

If any Certifying Employee is unable to provide such a certification, the Certifying Employee shall provide a written explanation of the reasons why he or she is unable to provide the certification outlined above.

B. Policies and Procedures

Within 90 days after the Effective Date, NI-PLI-Kellermann shall develop and implement written policies and procedures regarding the operation of its compliance program, including the compliance program requirements outlined in this CIA and NI-PLI-Kellermann’s compliance with Federal health care program requirements (Policies and Procedures).

- a. NI-PLI-Kellermann’s commitment to full compliance with all Federal health care program requirements, including its commitment to prepare and submit accurate claims consistent with such requirements;
- b. NI-PLI-Kellermann’s requirement that all of its Covered Persons shall be expected to comply with all Federal health care program requirements and with NI-PLI-Kellermann’s own Policies and Procedures;
- c. the requirement that all of NI-PLI-Kellermann’s Covered Persons shall be expected to report to the Compliance Officer, or other appropriate individual designated by NI-PLI-Kellermann, suspected violations of any Federal health care program requirements or of NI-PLI-Kellermann’s own Policies and Procedures; and

- d. the right of all individuals to use the Disclosure Program described in Section III.G, and NI-PLI-Kellermann's commitment to nonretaliation and to maintain, as appropriate, confidentiality and anonymity with respect to such disclosures.

Throughout the term of this CIA, NI-PLI-Kellermann shall enforce and comply with its Policies and Procedures and shall make such compliance an element of evaluating the performance of all employees.

Within 90 days after the Effective Date, the Policies and Procedures shall be distributed to all Covered Persons. Appropriate and knowledgeable staff shall be available to explain the Policies and Procedures.

At least annually (and more frequently, if appropriate), NI-PLI-Kellermann shall assess and update, as necessary, the Policies and Procedures. Within 30 days after the effective date of any revisions or addition of new Policies and Procedures, a description of the revisions shall be communicated to all affected Covered Persons and any revised or new Policies and Procedures shall be made available to all Covered Persons.

C. Posting of Notice

Within 30 days after the Effective Date, NI-PLI-Kellermann shall post in a prominent place accessible to all patients and Covered Persons a notice that provides the name and phone number of the Compliance Officer and the HHS OIG Fraud Hotline telephone number (1-800-HHS-TIPS) as a confidential means by which suspected fraud or abuse in the Federal health care programs may be reported.

D. Training and Education

1. *Training.* All Covered Persons, with the exception of those individuals employed solely as custodians or in facility maintenance, shall receive at least three hours of training during the first Reporting Period, including at least one hour of training within 90 days after the Effective Date. Training may be completed in-person or on-line. These training requirements may be satisfied only by the completion of courses provided by the Centers for Medicare and Medicaid Services (CMS) Medicare Learning Network (MLN), NI-PLI-Kellermann's Medicare contractor, or other training courses that are submitted to the OIG, prior to registration for the training course, for review and

approval. At a minimum, the required training sessions must include the following topics: (a) all Covered Persons receive adequate training regarding NI-PLI-Kellermann's CIA requirements and Compliance Program and (b) all Relevant Covered Persons receive adequate training regarding: (i) the Federal health care program requirements regarding the accurate coding and submission of claims; (ii) policies, procedures, and other requirements applicable to the documentation of medical records; (iii) the personal obligation of each individual involved in the claims submission process to ensure that such claims are accurate; (iv) applicable reimbursement statutes, regulations, and program requirements and directives; (v) the legal sanctions for violations of the Federal health care program requirements; and (vi) examples of proper and improper claims submission practices.

New Covered Persons shall receive at least three hours of training within 45 days after becoming a Covered Person. A new Covered Person, with the exception of those individuals employed solely as custodians or in facility maintenance, shall work under the direct supervision of a Covered Person who has received such training, to the extent that the work relates to the delivery of patient care items or services and/or the preparation or submission of claims for reimbursement from any Federal health care program, until such time as the New Covered Person completes the training.

The OIG may, in its discretion, require that Covered Persons complete up to three additional hours of training regarding the topics identified above, or additional topics, in each of the second through fifth years of the CIA. The OIG shall provide notice to NI-PLI-Kellermann of such additional required training at least 180 days prior to the required completion date for such training.

2. *Certification.* Each individual who is required to attend training shall certify, in writing or in electronic form, that he or she has received the required training. The certification shall specify the type of training received and the date received. The Compliance Officer (or designee) shall retain the certifications, along with all course materials.

3. *Qualifications of Trainer.* Persons providing the training shall be knowledgeable about the subject area.

5. *Computer-based Training.* NI-PLI-Kellermann may provide the training required under this CIA through appropriate computer-based training approaches. If NI-PLI-Kellermann chooses to provide computer-based training, it shall

make available appropriately qualified and knowledgeable staff or trainers to answer questions or provide additional information to the individuals receiving such training.

E. Review Procedures

1. *General Description*

- a. *Engagement of Independent Review Organization.* Within 90 days after the Effective Date, NI-PLI-Kellermann shall engage an individual or entity, such as an accounting, auditing, or consulting firm (hereinafter “Independent Review Organization” or “IRO”), to perform the reviews listed in this Section III.E. The applicable requirements relating to the IRO are outlined in Appendix A to this CIA, which is incorporated by reference.
- b. *Retention of Records.* The IRO and NI-PLI-Kellermann shall retain and make available to OIG, upon request, all work papers, supporting documentation, correspondence, and draft reports (those exchanged between the IRO and NI-PLI-Kellermann) related to the reviews.

2. *Claims Review.* The IRO shall review NI-PLI-Kellermann’s coding, billing, and claims submission to the Medicare and state Medicaid programs and the reimbursement received (Claims Review) and shall prepare a Claims Review Report, as outlined in Appendix B to this CIA, which is incorporated by reference.

3. *Validation Review.* In the event OIG has reason to believe that: (a) any Claims Review fails to conform to the requirements of this CIA; or (b) the IRO’s findings or Claims Review results are inaccurate, OIG may, at its sole discretion, conduct its own review to determine whether the Claims Review complied with the requirements of the CIA and/or the findings or Claims Review results are inaccurate (Validation Review). NI-PLI-Kellermann shall pay for the reasonable cost of any such review performed by OIG or any of its designated agents. Any Validation Review of a Claims Review submitted as part of NI-PLI-Kellermann’s final Annual Report shall be initiated no later than one year after NI-PLI-Kellermann’s final submission (as described in Section II) is received by OIG.

Prior to initiating a Validation Review, OIG shall notify NI-PLI-Kellermann in writing of its intent to do so and provide an explanation of the reasons OIG has determined a Validation Review is necessary. NI-PLI-Kellermann shall have 30 days following the date of the OIG's written notice to submit a written response to OIG that includes any additional or relevant information to clarify the results of the Claims Review or to correct the inaccuracy of the Claims Review and/or propose alternatives to the proposed Validation Review. The final determination as to whether or not to proceed with a Validation Review shall be made at the sole discretion of OIG.

4. *Independence and Objectivity Certification.* The IRO shall include in its report(s) to NI-PLI-Kellermann a certification that the IRO has (a) evaluated its professional independence and objectivity with respect to the reviews required under this Section III.E and (b) concluded that it is, in fact, independent and objective, in accordance with the requirements specified in Appendix A to this CIA.

F. Risk Assessment and Internal Review Process

Within 90 days after the Effective Date, NI-PLI-Kellermann shall develop and implement a centralized annual risk assessment and internal review process to identify and address risks associated with the submission of claims for items and services furnished to Medicare and Medicaid program beneficiaries. The risk assessment and internal review process should require compliance, legal, and department leaders, at least annually, to: (1) identify and prioritize risks, (2) develop internal audit work plans related to the identified risk areas, (3) implement the internal audit work plans, (4) develop corrective action plans in response to the results of any internal audits performed, and (5) track the implementation of the corrective action plans in order to assess the effectiveness of such plans. NI-PLI-Kellermann shall maintain the risk assessment and internal review process for the term of the CIA.

G. Disclosure Program

Within 90 days after the Effective Date, NI-PLI-Kellermann shall establish a Disclosure Program that includes a mechanism (e.g., a toll-free compliance telephone line) to enable individuals to disclose, to the Compliance Officer or some other person who is not in the disclosing individual's chain of command, any identified issues or questions associated with NI-PLI-Kellermann's policies, conduct, practices, or procedures with respect to a Federal health care program believed by the individual to be a potential violation of criminal, civil, or administrative law. NI-PLI-Kellermann shall

appropriately publicize the existence of the disclosure mechanism (e.g., via periodic e-mails to employees or by posting the information in prominent common areas).

The Disclosure Program shall emphasize a nonretribution, nonretaliation policy, and shall include a reporting mechanism for anonymous communications for which appropriate confidentiality shall be maintained. Upon receipt of a disclosure, the Compliance Officer (or designee) shall gather all relevant information from the disclosing individual. The Compliance Officer (or designee) shall make a preliminary, good faith inquiry into the allegations set forth in every disclosure to ensure that he or she has obtained all of the information necessary to determine whether a further review should be conducted. For any disclosure that is sufficiently specific so that it reasonably: (1) permits a determination of the appropriateness of the alleged improper practice; and (2) provides an opportunity for taking corrective action, NI-PLI-Kellermann shall conduct an internal review of the allegations set forth in the disclosure and ensure that proper follow-up is conducted.

The Compliance Officer (or designee) shall maintain a disclosure log and shall record each disclosure in the disclosure log within two business days of receipt of the disclosure. The disclosure log shall include a summary of each disclosure received (whether anonymous or not), the status of the respective internal reviews, and any corrective action taken in response to the internal reviews.

H. Ineligible Persons

1. *Definitions.* For purposes of this CIA:

- a. an “Ineligible Person” shall include an individual or entity who:
 - i. is currently excluded, debarred, or suspended from participation in the Federal health care programs or in Federal procurement or nonprocurement programs; or
 - ii. has been convicted of a criminal offense that falls within the scope of 42 U.S.C. § 1320a-7(a), but has not yet been excluded, debarred, or suspended.

- b. "Exclusion Lists" include:
 - i. the HHS/OIG List of Excluded Individuals/Entities (LEIE) (available through the Internet at <http://www.oig.hhs.gov>); and
 - ii. the General Services Administration's System for Award Management (SAM) (available through the Internet at <http://www.sam.gov>).

2. *Screening Requirements.* NI-PLI-Kellermann shall ensure that all prospective and current Covered Persons are not Ineligible Persons, by implementing the following screening requirements.

- a. NI-PLI-Kellermann shall screen all prospective Covered Persons against the Exclusion Lists prior to engaging their services and, as part of the hiring or contracting process, shall require such Covered Persons to disclose whether they are Ineligible Persons.
- b. NI-PLI-Kellermann shall screen all current Covered Persons against the Exclusion Lists within 90 days after the Effective Date and thereafter shall screen against the LEIE on a monthly basis and screen against SAM on an annual basis.
- c. NI-PLI-Kellermann shall implement a policy requiring all Covered Persons to disclose immediately any debarment, exclusion, or suspension.

Nothing in this Section III.H affects NI-PLI-Kellermann's responsibility to refrain from (and liability for) billing Federal health care programs for items or services furnished, ordered, or prescribed by an excluded person. NI-PLI-Kellermann understands that items or services furnished, ordered, or prescribed by excluded persons are not payable by Federal health care programs and that NI-PLI-Kellermann may be liable for overpayments and/or criminal, civil, and administrative sanctions for employing or contracting with an excluded person regardless of whether NI-PLI-Kellermann meets the requirements of Section III.H.

3. NI-PLI-Kellermann shall maintain documentation demonstrating the NI-PLI-Kellermann: (1) has checked the Exclusion Lists (e.g., print screens from search results) and determined that such individuals or entities are not Ineligible Persons; and (2) has required individuals and entities to disclose if they are an Ineligible Person (e.g., employment applications).

4. *Removal Requirement.* If NI-PLI-Kellermann has actual notice that a Covered Person has become an Ineligible Person, NI-PLI-Kellermann shall remove such Covered Person from responsibility for, or involvement with, NI-PLI-Kellermann's business operations related to the Federal health care programs and shall remove such Covered Person from any position for which the Covered Person's compensation or the items or services furnished, ordered, or prescribed by the Covered Person are paid in whole or part, directly or indirectly, by Federal health care programs or otherwise with Federal funds at least until such time as the Covered Person is reinstated into participation in the Federal health care programs.

5. *Pending Charges and Proposed Exclusions.* If NI-PLI-Kellermann has actual notice that a Covered Person is charged with a criminal offense that falls within the scope of 42 U.S.C. §§ 1320a-7(a), 1320a-7(b)(1)-(3), or is proposed for exclusion during the Covered Person's employment or contract term or, NI-PLI-Kellermann shall take all appropriate actions to ensure that the responsibilities of that Covered Person have not and shall not adversely affect the quality of care rendered to any beneficiary or the accuracy of any claims submitted to any Federal health care program.

I. Notification of Government Investigation or Legal Proceeding

Within 30 days after discovery, NI-PLI-Kellermann shall notify OIG, in writing, of any ongoing investigation or legal proceeding known to NI-PLI-Kellermann, or any of them, conducted or brought by a governmental entity or its agents involving an allegation that NI-PLI-Kellermann, or any of them, has committed a crime or has engaged in fraudulent activities. This notification shall include a description of the allegation, the identity of the investigating or prosecuting agency, and the status of such investigation or legal proceeding. NI-PLI-Kellermann shall also provide written notice to OIG within 30 days after the resolution of the matter, and shall provide OIG with a description of the findings and/or results of the investigation or proceeding, if any.

J. Overpayments

1. *Definition of Overpayments.* For purposes of this CIA, an “Overpayment” shall mean the amount of money NI-PLI-Kellermann, or any of them, has received in excess of the amount due and payable under any Federal health care program requirements.

2. *Overpayment Policies and Procedures.* Within 90 days after the Effective Date, NI-PLI-Kellermann shall develop and implement written policies and procedures regarding the identification, quantification and repayment of Overpayments received from any Federal health care program.

3. *Repayment of Overpayments.*

- a. If, at any time, NI-PLI-Kellermann, or any of them, identifies any Overpayment, NI-PLI-Kellermann shall repay the Overpayment to the appropriate payor (e.g., Medicare contractor) within 60 days after identification of the Overpayment and take remedial steps within 90 days after identification (or such additional time as may be agreed to by the payor) to correct the problem, including preventing the underlying problem and the Overpayment from recurring. If not yet quantified within 60 days after identification, NI-PLI-Kellermann shall notify the payor of its efforts to quantify the Overpayment amount along with a schedule of when such work is expected to be completed. Notification and repayment to the payor shall be done in accordance with the payor’s policies.
- b. Notwithstanding the above, notification and repayment of any Overpayment amount that routinely is reconciled or adjusted pursuant to policies and procedures established by the payor should be handled in accordance with such policies and procedures.

K. Reportable Events

1. *Definition of Reportable Event.* For purposes of this CIA, a “Reportable Event” means anything that involves:

- a. a substantial Overpayment;
- b. a matter that a reasonable person would consider a probable violation of criminal, civil, or administrative laws applicable to any Federal health care program for which penalties or exclusion may be authorized;
- c. the employment of or contracting with a Covered Person who is an Ineligible Person as defined by Section III.H.1.a; or
- d. the filing of a bankruptcy petition by NI-PLI-Kellermann.

A Reportable Event may be the result of an isolated event or a series of occurrences.

2. *Reporting of Reportable Events.* If NI-PLI-Kellermann, or any of them, determines (after a reasonable opportunity to conduct an appropriate review or investigation of the allegations) through any means that there is a Reportable Event, NI-PLI-Kellermann shall notify OIG, in writing, within 30 days after making the determination that the Reportable Event exists.

3. *Reportable Events under Section III.K.1.a.* For Reportable Events under Section III.K.1.a, the report to OIG shall be made within 30 days after making a determination that a substantial Overpayment exists and shall include:

- a. a complete description of all details relevant to the Reportable Event, including, at a minimum, the types of claims, transactions or other conduct giving rise to the Reportable Event; the period during which the conduct occurred; and the names of entities and individuals believed to be implicated, including an explanation of their roles in the Reportable Event;

- b. the Federal health care programs affected by the Reportable Event;
- c. a description of the steps taken by NI-PLI-Kellermann to identify and quantify the Overpayment; and
- d. a description of NI-PLI-Kellermann's actions taken to correct the Reportable Event and prevent it from recurring.

Within 60 days of identification of the Overpayment, NI-PLI-Kellermann shall provide OIG with a copy of the notification and repayment (if quantified) to the payor required in Section III.J.3.

4. *Reportable Events under Section III.K.1.b.* For Reportable Events under Section III.K.1.b, the report to OIG shall include:

- a. a complete description of all details relevant to the Reportable Event, including, at a minimum, the types of claims, transactions or other conduct giving rise to the Reportable Event; the period during which the conduct occurred; and the names of entities and individuals believed to be implicated, including an explanation of their roles in the Reportable Event;

- c. the Federal health care programs affected by the Reportable Event;
- d. a description of NI-PLI-Kellermann's actions taken to correct the Reportable Event and prevent it from recurring; and
- e. if the Reportable Event has resulted in an Overpayment, a description of the steps taken by NI-PLI-Kellermann to identify and quantify the Overpayment.

5. *Reportable Events under Section III.K.1.c.* For Reportable Events under Section III.K.1.c, the report to OIG shall include:

- a. the identity of the Ineligible Person and the job duties performed by that individual;
- b. the dates of the Ineligible Persons employment or contractual relationship;
- c. a description of the Exclusion Lists screening that NI-PLI-Kellermann completed before and/or during the Ineligible Person's employment or contract and any flaw or breakdown in the Ineligible Persons screening process that led to the hiring or contracting with the Ineligible Person;
- d. a description of how the Reportable Event was discovered; and
- e. a description of any corrective action implemented to prevent future employment or contracting with an Ineligible Person.

6. *Reportable Events under Section III.K.1.d.* For Reportable Events under Section III.K.1.d, the report to the OIG shall include documentation of the bankruptcy filing and a description of any Federal health care program authorities implicated.

7. *Reportable Events Involving the Stark Law.* Notwithstanding the reporting requirements outlined above, any Reportable Event that involves solely a probable violation of section 1877 of the Social Security Act, 42 U.S.C. §1395nn (the Stark Law) should be submitted by NI-PLI-Kellermann to the Centers for Medicare & Medicaid Services (CMS) through the self-referral disclosure protocol (SRDP), with a copy to the OIG. The requirements of Section III.J.3 that require repayment to the payor of any identified Overpayment within 60 days shall not apply to any Overpayment that may result from a probable violation of solely the Stark Law that is disclosed to CMS pursuant to the SRDP. If NI-PLI-Kellermann, or any of them, identifies a probable violation of the Stark Law and repays the applicable Overpayment directly to the CMS contractor, then NI-PLI-Kellermann is not required by this Section III.K to submit the Reportable Event to CMS through the SRDP.

13. a description of any changes to the Overpayment policies and procedures required by Section III.J, including the reasons for such changes;

14. a report of the aggregate Overpayments that have been returned to the Federal health care programs during the Reporting Period. Overpayment amounts shall be broken down into the following categories: Medicare, Medicaid (report each applicable state separately, if applicable), and other Federal health care programs. C. Certifications

1. *Certifying Employees.* In each Annual Report, NI-PLI-Kellermann shall include the certifications of Certifying Employees as required by Section III.A.2;

2. *Compliance Officer and Chief Executive Officer.* The Implementation Report and each Annual Report shall include a certification by the Compliance Officer and Chief Executive Officer that:

- b. he or she has reviewed the report and has made reasonable inquiry regarding its content and believes that the information in the report is accurate and truthful.

3. *Chief Financial Officer.* The first Annual Report shall include a certification by the Chief Financial Officer that, to the best of his or her knowledge, NI-PLI-Kellermann has complied with its obligations under the Settlement Agreement: (a) not to resubmit to any Federal health care program payors any previously denied claims related to the Covered Conduct addressed in the Settlement Agreement, and not to appeal any such denials of claims; (b) not to charge to or otherwise seek payment from federal or state payors for unallowable costs (as defined in the Settlement Agreement); and (c) to identify and adjust any past charges or claims for unallowable costs.

D. Designation of Information

NI-PLI-Kellermann shall clearly identify any portions of its submissions that it believes are trade secrets, or information that is commercial or financial and privileged or confidential, and therefore potentially exempt from disclosure under the Freedom of

Information Act (FOIA), 5 U.S.C. § 552. NI-PLI-Kellermann shall refrain from identifying any information as exempt from disclosure if that information does not meet the criteria for exemption from disclosure under FOIA.

VII. OIG INSPECTION, AUDIT, AND REVIEW RIGHTS

In addition to any other rights OIG may have by statute, regulation, or contract, OIG or its duly authorized representative(s) may examine and/or request copies of NI-PLI-Kellermann's books, records, and other documents and supporting materials and/or conduct on-site reviews of any of NI-PLI-Kellermann's locations for the purpose of verifying and evaluating: (a) NI-PLI-Kellermann's compliance with the terms of this CIA and (b) NI-PLI-Kellermann's compliance with the requirements of the Federal health care programs. The documentation described above shall be made available by NI-PLI-Kellermann to OIG or its duly authorized representative(s) at all reasonable times for inspection, audit, and/or reproduction. Furthermore, for purposes of this provision, OIG or its duly authorized representative(s) may interview any of NI-PLI-Kellermann's Covered Persons who consent to be interviewed at the individual's place of business during normal business hours or at such other place and time as may be mutually agreed upon between the individual and OIG. NI-PLI-Kellermann shall assist OIG or its duly authorized representative(s) in contacting and arranging interviews with such individuals upon OIG's request. NI-PLI-Kellermann's Covered Persons may elect to be interviewed with or without a representative of NI-PLI-Kellermann present.

VIII. DOCUMENT AND RECORD RETENTION

NI-PLI-Kellermann shall maintain for inspection all documents and records relating to reimbursement from the Federal health care programs and to compliance with this CIA for six years (or longer if otherwise required by law) from the Effective Date.

IX. DISCLOSURES

Consistent with HHS's FOIA procedures, set forth in 45 C.F.R. Part 5, OIG shall make a reasonable effort to notify NI-PLI-Kellermann prior to any release by OIG of information submitted by NI-PLI-Kellermann pursuant to its obligations under this CIA and identified upon submission by NI-PLI-Kellermann as trade secrets, or information that is commercial or financial and privileged or confidential, under the FOIA rules. With respect to such releases, NI-PLI-Kellermann shall have the rights set forth at 45 C.F.R. § 5.65(d).

X. BREACH AND DEFAULT PROVISIONS

NI-PLI-Kellermann is expected to fully and timely comply with all of its CIA obligations. All references to NI-PLI-Kellermann in this Section X shall mean NI-PLI-Kellermann, or any of them.

A. Stipulated Penalties for Failure to Comply with Certain Obligations

As a contractual remedy, NI-PLI-Kellermann and OIG hereby agree that failure to comply with certain obligations as set forth in this CIA may lead to the imposition of the following monetary penalties (hereinafter-referred to as “Stipulated Penalties”) in accordance with the following provisions.

1. A Stipulated Penalty of \$2,500 (which shall begin to accrue on the day after the date the obligation became due) for each day NI-PLI-Kellermann fails to establish and implement any of the following obligations as described in Sections III and IV:

- a. a Compliance Officer, as required by Section III.A;
- b. the management certification obligations, as required by Section III.A.2;
- c. written Policies and Procedures, as required by Section III.B;
- d. post a Notice in accordance with the requirements of Section III.C
- e. complete the training and maintain training certifications, in accordance with the requirements of Section III.D;
- f. a risk assessment and internal review process as required by Section III.F;
- g. a Disclosure Program, in accordance with the requirements of Section III.G;

- i. Ineligible Persons screening and removal requirements, in accordance with the requirements of Section III.H;
- j. notification of Government investigations or legal proceedings, in accordance with the requirements of Section III.I;
- k. policies and procedures regarding the repayment of Overpayments;
- l. the repayment of Overpayments as required by Section III.J and Appendix B;
- m. reporting of Reportable Events, in accordance with Section III.K; and
- n. disclosure of changes to business units or locations under Section IV.

2. A Stipulated Penalty of \$2,500 (which shall begin to accrue on the day after the date the obligation became due) for each day NI-PLI-Kellermann fails to engage and use an IRO, as required by Section III.E, Appendix A, or Appendix B.

3. A Stipulated Penalty of \$2,500 (which shall begin to accrue on the day after the date the obligation became due) for each day NI-PLI-Kellermann fails to submit the Implementation Report or any Annual Reports to OIG in accordance with the requirements of Section V by the deadlines for submission.

4. A Stipulated Penalty of \$2,500 (which shall begin to accrue on the day after the date the obligation became due) for each day NI-PLI-Kellermann fails to submit any Claims Review Report in accordance with the requirements of Section III.E and Appendix B.

5. A Stipulated Penalty of \$1,500 for each day NI-PLI-Kellermann fails to grant access as required in Section VII. (This Stipulated Penalty shall begin to accrue on the date NI-PLI-Kellermann fails to grant access.)

6. A Stipulated Penalty of \$50,000 for each false certification submitted by or on behalf of NI-PLI-Kellermann as part of its Implementation Report, any Annual Report, additional documentation to a report (as requested by the OIG), or otherwise required by this CIA.

7. A Stipulated Penalty of \$1,000 for each day NI-PLI-Kellermann fails to comply fully and adequately with any obligation of this CIA. OIG shall provide notice to NI-PLI-Kellermann stating the specific grounds for its determination that NI-PLI-Kellermann has failed to comply fully and adequately with the CIA obligation(s) at issue and steps NI-PLI-Kellermann shall take to comply with the CIA. (This Stipulated Penalty shall begin to accrue 10 days after the date NI-PLI-Kellermann receives this notice from OIG of the failure to comply.) A Stipulated Penalty as described in this Subsection shall not be demanded for any violation for which OIG has sought a Stipulated Penalty under Subsections 1- 6 of this Section.

B. Timely Written Requests for Extensions

NI-PLI-Kellermann may, in advance of the due date, submit a timely written request for an extension of time to perform any act or file any notification or report required by this CIA. Notwithstanding any other provision in this Section, if OIG grants the timely written request with respect to an act, notification, or report, Stipulated Penalties for failure to perform the act or file the notification or report shall not begin to accrue until one day after NI-PLI-Kellermann fails to meet the revised deadline set by OIG. Notwithstanding any other provision in this Section, if OIG denies such a timely written request, Stipulated Penalties for failure to perform the act or file the notification or report shall not begin to accrue until three days after NI-PLI-Kellermann receives OIG's written denial of such request or the original due date, whichever is later. A "timely written request" is defined as a request in writing received by OIG at least five days prior to the date by which any act is due to be performed or any notification or report is due to be filed.

C. Payment of Stipulated Penalties

1. *Demand Letter.* Upon a finding that NI-PLI-Kellermann has failed to comply with any of the obligations described in Section X.A and after determining that Stipulated Penalties are appropriate, OIG shall notify NI-PLI-Kellermann of: (a) NI-PLI-Kellermann's failure to comply; and (b) OIG's exercise of its contractual right to demand

payment of the Stipulated Penalties. (This notification shall be referred to as the “Demand Letter.”)

2. *Response to Demand Letter.* Within 10 days after the receipt of the Demand Letter, NI-PLI-Kellermann shall either: (a) cure the breach to OIG’s satisfaction and pay the applicable Stipulated Penalties or (b) request a hearing before an HHS administrative law judge (ALJ) to dispute OIG’s determination of noncompliance, pursuant to the agreed upon provisions set forth below in Section X.E. In the event NI-PLI-Kellermann elects to request an ALJ hearing, the Stipulated Penalties shall continue to accrue until NI-PLI-Kellermann cures, to OIG’s satisfaction, the alleged breach in dispute. Failure to respond to the Demand Letter in one of these two manners within the allowed time period shall be considered a material breach of this CIA and shall be grounds for exclusion under Section X.D.

3. *Form of Payment.* Payment of the Stipulated Penalties shall be made by electronic funds transfer to an account specified by OIG in the Demand Letter.

4. *Independence from Material Breach Determination.* Except as set forth in Section X.D.1.c, these provisions for payment of Stipulated Penalties shall not affect or otherwise set a standard for OIG’s decision that NI-PLI-Kellermann has materially breached this CIA, which decision shall be made at OIG’s discretion and shall be governed by the provisions in Section X.D, below.

D. Exclusion for Material Breach of this CIA

1. *Definition of Material Breach.* A material breach of this CIA means:

- a. repeated violations or a flagrant violation of any of the obligations under this CIA, including, but not limited to, the obligations addressed in Section X.A;
- b. a failure by NI-PLI-Kellermann to report a Reportable Event, take corrective action, or make the appropriate refunds, as required in Section III.K;

- c. a failure to respond to a Demand Letter concerning the payment of Stipulated Penalties in accordance with Section X.C; or
- d. a failure to engage and use an IRO in accordance with Section III.E, Appendix A, or Appendix B.

2. *Notice of Material Breach and Intent to Exclude.* The parties agree that a material breach of this CIA by NI-PLI-Kellermann constitutes an independent basis for NI-PLI-Kellermann's exclusion from participation in the Federal health care programs. The length of the exclusion shall be in the OIG's discretion, but not more than five years per material breach. Upon a determination by OIG that NI-PLI-Kellermann has materially breached this CIA and that exclusion is the appropriate remedy, OIG shall notify NI-PLI-Kellermann of: (a) NI-PLI-Kellermann's material breach; and (b) OIG's intent to exercise its contractual right to impose exclusion. (This notification shall be referred to as the "Notice of Material Breach and Intent to Exclude.")

3. *Opportunity to Cure.* NI-PLI-Kellermann shall have 30 days from the date of receipt of the Notice of Material Breach and Intent to Exclude to demonstrate that:

- a. the alleged material breach has been cured; or
- b. the alleged material breach cannot be cured within the 30 day period, but that: (i) NI-PLI-Kellermann has begun to take action to cure the material breach; (ii) NI-PLI-Kellermann is pursuing such action with due diligence; and (iii) NI-PLI-Kellermann has provided to OIG a reasonable timetable for curing the material breach.

4. *Exclusion Letter.* If, at the conclusion of the 30 day period, NI-PLI-Kellermann fails to satisfy the requirements of Section X.D.3, OIG may exclude NI-PLI-Kellermann from participation in the Federal health care programs. OIG shall notify NI-PLI-Kellermann in writing of its determination to exclude NI-PLI-Kellermann. (This letter shall be referred to as the "Exclusion Letter.") Subject to the Dispute Resolution provisions in Section X.E, below, the exclusion shall go into effect 30 days after the date of NI-PLI-Kellermann's receipt of the Exclusion Letter. The exclusion shall have national effect. Reinstatement to program participation is not automatic. At the end of

the period of exclusion, NI-PLI-Kellermann may apply for reinstatement by submitting a written request for reinstatement in accordance with the provisions at 42 C.F.R. §§ 1001.3001-.3004.

E. Dispute Resolution

1. *Review Rights.* Upon OIG's delivery to NI-PLI-Kellermann of its Demand Letter or of its Exclusion Letter, and as an agreed-upon contractual remedy for the resolution of disputes arising under this CIA, NI-PLI-Kellermann shall be afforded certain review rights comparable to the ones that are provided in 42 U.S.C. § 1320a-7(f) and 42 C.F.R. Part 1005 as if they applied to the Stipulated Penalties or exclusion sought pursuant to this CIA. Specifically, OIG's determination to demand payment of Stipulated Penalties or to seek exclusion shall be subject to review by an HHS ALJ and, in the event of an appeal, the HHS Departmental Appeals Board (DAB), in a manner consistent with the provisions in 42 C.F.R. § 1005.2-1005.21. Notwithstanding the language in 42 C.F.R. § 1005.2(c), the request for a hearing involving Stipulated Penalties shall be made within 10 days after receipt of the Demand Letter and the request for a hearing involving exclusion shall be made within 25 days after receipt of the Exclusion Letter. The procedures relating to the filing of a request for a hearing can be found at <http://www.hhs.gov/dab/divisions/civil/procedures/divisionprocedures.html>.

2. *Stipulated Penalties Review.* Notwithstanding any provision of Title 42 of the United States Code or Title 42 of the Code of Federal Regulations, the only issues in a proceeding for Stipulated Penalties under this CIA shall be: (a) whether NI-PLI-Kellermann was in full and timely compliance with the obligations of this CIA for which OIG demands payment; and (b) the period of noncompliance. NI-PLI-Kellermann shall have the burden of proving its full and timely compliance and the steps taken to cure the noncompliance, if any. OIG shall not have the right to appeal to the DAB an adverse ALJ decision related to Stipulated Penalties. If the ALJ agrees with OIG with regard to a finding of a breach of this CIA and orders NI-PLI-Kellermann to pay Stipulated Penalties, such Stipulated Penalties shall become due and payable 20 days after the ALJ issues such a decision unless NI-PLI-Kellermann requests review of the ALJ decision by the DAB. If the ALJ decision is properly appealed to the DAB and the DAB upholds the determination of OIG, the Stipulated Penalties shall become due and payable 20 days after the DAB issues its decision.

3. *Exclusion Review.* Notwithstanding any provision of Title 42 of the United States Code or Title 42 of the Code of Federal Regulations, the only issues in a

proceeding for exclusion based on a material breach of this CIA shall be whether NI-PLI-Kellermann was in material breach of this CIA and, if so, whether:

- a. NI-PLI-Kellermann cured such breach within 30 days of its receipt of the Notice of Material Breach; or
- b. the alleged material breach could not have been cured within the 30 day period, but that, during the 30 day period following NI-PLI-Kellermann's receipt of the Notice of Material Breach: (i) NI-PLI-Kellermann had begun to take action to cure the material breach; (ii) NI-PLI-Kellermann pursued such action with due diligence; and (iii) NI-PLI-Kellermann provided to OIG a reasonable timetable for curing the material breach.

For purposes of the exclusion herein, exclusion shall take effect only after an ALJ decision favorable to OIG, or, if the ALJ rules for NI-PLI-Kellermann, only after a DAB decision in favor of OIG. NI-PLI-Kellermann's election of its contractual right to appeal to the DAB shall not abrogate OIG's authority to exclude NI-PLI-Kellermann upon the issuance of an ALJ's decision in favor of OIG. If the ALJ sustains the determination of OIG and determines that exclusion is authorized, such exclusion shall take effect 20 days after the ALJ issues such a decision, notwithstanding that NI-PLI-Kellermann may request review of the ALJ decision by the DAB. If the DAB finds in favor of OIG after an ALJ decision adverse to OIG, the exclusion shall take effect 20 days after the DAB decision. NI-PLI-Kellermann shall waive its right to any notice of such an exclusion if a decision upholding the exclusion is rendered by the ALJ or DAB. If the DAB finds in favor of NI-PLI-Kellermann, NI-PLI-Kellermann shall be reinstated effective on the date of the original exclusion.

4. *Finality of Decision.* The review by an ALJ or DAB provided for above shall not be considered to be an appeal right arising under any statutes or regulations. Consequently, the parties to this CIA agree that the DAB's decision (or the ALJ's decision if not appealed) shall be considered final for all purposes under this CIA.

XI. EFFECTIVE AND BINDING AGREEMENT

NI-PLI-Kellermann and OIG agree as follows:

A. This CIA shall become final and binding on the date the final signature is obtained on the CIA.

B. This CIA constitutes the complete agreement between the parties and may not be amended except by written consent of the parties to this CIA.

C. OIG may agree to a suspension of NI-PLI-Kellermann's obligations under this CIA based on a certification by NI-PLI-Kellermann that it is no longer providing health care items or services that will be billed to any Federal health care program and it does not have any ownership or control interest, as defined in 42 U.S.C. §1320a-3, in any entity that bills any Federal health care program. If NI-PLI-Kellermann is relieved of its CIA obligations, NI-PLI-Kellermann shall be required to notify OIG in writing at least 30 days in advance if NI-PLI-Kellermann plans to resume providing health care items or services that are billed to any Federal health care program or to obtain an ownership or control interest in any entity that bills any Federal health care program. At such time, OIG shall evaluate whether the CIA will be reactivated or modified.

D. All requirements and remedies set forth in this CIA are in addition to and do not affect (1) NI-PLI-Kellermann's responsibility to follow all applicable Federal health care program requirements or (2) the government's right to impose appropriate remedies for failure to follow applicable Federal health care program requirements.

E. The undersigned NI-PLI-Kellermann signatories represent and warrant that they are authorized to execute this CIA. The undersigned OIG signatories represent that they are signing this CIA in their official capacities and that they are authorized to execute this CIA.

F. This CIA may be executed in counterparts, each of which constitutes an original and all of which constitute one and the same CIA. Facsimiles of signatures shall constitute acceptable, binding signatures for purposes of this CIA.

APPENDIX A

INDEPENDENT REVIEW ORGANIZATION

This Appendix contains the requirements relating to the Independent Review Organization (IRO) required by Section III.E of the CIA.

A. IRO Engagement

1. NI-PLI-Kellermann shall engage an IRO that possesses the qualifications set forth in Paragraph B, below, to perform the responsibilities in Paragraph C, below. The IRO shall conduct the review in a professionally independent and objective fashion, as set forth in Paragraph D. Within 30 days after OIG receives the information identified in Section V.A.5 of the CIA or any additional information submitted by NI-PLI-Kellermann in response to a request by OIG, whichever is later, OIG will notify NI-PLI-Kellermann if the IRO is unacceptable. Absent notification from OIG that the IRO is unacceptable, NI-PLI-Kellermann may continue to engage the IRO.

2. If NI-PLI-Kellermann engages a new IRO during the term of the CIA, that IRO must also meet the requirements of this Appendix. If a new IRO is engaged, NI-PLI-Kellermann shall submit the information identified in Section V.A.5 of the CIA to OIG within 30 days of engagement of the IRO. Within 30 days after OIG receives this information or any additional information submitted by NI-PLI-Kellermann at the request of OIG, whichever is later, OIG will notify NI-PLI-Kellermann if the IRO is unacceptable. Absent notification from OIG that the IRO is unacceptable, NI-PLI-Kellermann may continue to engage the IRO.

B. IRO Qualifications

The IRO shall:

1. assign individuals to conduct the Claims Review who have expertise in the billing, coding, claims submission and other applicable Medicare and state Medicaid program requirements;

2. assign individuals to design and select the Claims Review sample who are knowledgeable about the appropriate statistical sampling techniques;

3. assign individuals to conduct the coding review portions of the Claims Review who have a nationally recognized coding certification and who have maintained this certification (e.g., completed applicable continuing education requirements); and

4. have sufficient staff and resources to conduct the reviews required by the CIA on a timely basis.

C. IRO Responsibilities

The IRO shall:

1. perform each Claims Review in accordance with the specific requirements of the CIA;

2. follow all applicable Medicare and state Medicaid program rules and reimbursement guidelines in making assessments in the Claims Review;

3. request clarification from the appropriate authority (e.g., Medicare contractor), if in doubt of the application of a particular Medicare or state Medicaid program policy or regulation;

4. respond to all OIG inquiries in a prompt, objective, and factual manner; and

5. prepare timely, clear, well-written reports that include all the information required by Appendix B to the CIA.

D. IRO Independence and Objectivity

The IRO must perform the Claims Review in a professionally independent and objective fashion, as defined in the most recent Government Auditing Standards issued by the U.S. Government Accountability Office.

E. IRO Removal/Termination

1. *NI-PLI-Kellermann and IRO*. If NI-PLI-Kellermann terminates its IRO or if the IRO withdraws from the engagement during the term of the CIA, NI-PLI-Kellermann must submit a notice explaining (a) its reasons for termination of the IRO or (b) the IRO's reasons for its withdrawal to OIG, no later than 30 days after termination or withdrawal. NI-PLI-Kellermann must engage a new IRO in accordance with Paragraph

A of this Appendix and within 60 days of termination or withdrawal of the IRO.

2. *OIG Removal of IRO.* In the event OIG has reason to believe the IRO does not possess the qualifications described in Paragraph B, is not independent and objective as set forth in Paragraph D, or has failed to carry out its responsibilities as described in Paragraph C, OIG shall notify NI-PLI-Kellermann in writing regarding OIG's basis for determining that the IRO has not met the requirements of this Appendix. NI-PLI-Kellermann shall have 30 days from the date of OIG's written notice to provide information regarding the IRO's qualifications, independence or performance of its responsibilities in order to resolve the concerns identified by OIG. If, following OIG's review of any information provided by NI-PLI-Kellermann regarding the IRO, OIG determines that the IRO has not met the requirements of this Appendix, OIG shall notify NI-PLI-Kellermann in writing that NI-PLI-Kellermann shall be required to engage a new IRO in accordance with Paragraph A of this Appendix. NI-PLI-Kellermann must engage a new IRO within 60 days of its receipt of OIG's written notice. The final determination as to whether or not to require NI-PLI-Kellermann to engage a new IRO shall be made at the sole discretion of OIG.

APPENDIX B

CLAIMS REVIEW

A. Claims Review. The IRO shall perform the Claims Review annually to cover each of the five Reporting Periods. The IRO shall perform all components of each Claims Review.

1. *Definitions*. For the purposes of the Claims Review, the following definitions shall be used:

- a. Overpayment: The amount of money NI-PLI-Kellermann, or any of them, has received in excess of the amount due and payable under Medicare or any state Medicaid program requirements, as determined by the IRO in connection with the claims reviews performed under this Appendix B, including any extrapolated Overpayments determined in accordance with Section A.3 of this Appendix B.
- b. Paid Claim: A claim submitted by NI-PLI-Kellermann and for which NI-PLI-Kellermann has received reimbursement from the Medicare program or a state Medicaid program.
- c. Population: The Population shall be defined as all Paid Claims during the 12-month period covered by the Claims Review.
- d. Error Rate: The Error Rate shall be the percentage of net Overpayments identified in the sample. The net Overpayments shall be calculated by subtracting all underpayments identified in the sample from all gross Overpayments identified in the sample. (Note: Any potential cost settlements or other supplemental payments should not be included in the net Overpayment calculation. Rather, only underpayments identified as part of the Discovery Sample shall be included as part of the net Overpayment calculation.)

The Error Rate is calculated by dividing the net Overpayment identified in the sample by the total dollar amount associated with the Paid Claims in the sample.

2. *Discovery Sample.* The IRO shall randomly select and review a sample of 100 Paid Claims (Discovery Sample). The Paid Claims shall be reviewed based on the supporting documentation available at NI-PLI-Kellermann's office or under NI-PLI-Kellermann's control and applicable billing and coding regulations and guidance to determine whether the claim was correctly coded, submitted, and reimbursed.

If the Error Rate (as defined above) for the Discovery Sample is less than 5%, no additional sampling is required, nor is the Systems Review required. (Note: The guidelines listed above do not imply that this is an acceptable error rate. Accordingly, NI-PLI-Kellermann should, as appropriate, further analyze any errors identified in the Discovery Sample. NI-PLI-Kellermann recognizes that OIG or other HHS component, in its discretion and as authorized by statute, regulation, or other appropriate authority may also analyze or review Paid Claims included, or errors identified, in the Discovery Sample or any other segment of the universe.)

3. *Full Sample.* If the Discovery Sample indicates that the Error Rate is 5% or greater, the IRO shall select an additional sample of Paid Claims (Full Sample) using commonly accepted sampling methods. The Paid Claims selected for the Full Sample shall be reviewed based on supporting documentation available at NI-PLI-Kellermann or under NI-PLI-Kellermann's control and applicable billing and coding regulations and guidance to determine whether the claim was correctly coded, submitted, and reimbursed. For purposes of calculating the size of the Full Sample, the Discovery Sample may serve as the probe sample, if statistically appropriate. Additionally, the IRO may use the Paid Claims sampled as part of the Discovery Sample, and the corresponding findings for those Paid Claims, as part of its Full Sample, if: (1) statistically appropriate and (2) the IRO selects the Full Sample Paid Claims using the seed number generated by the Discovery Sample. The findings of the Full Sample shall be used by the IRO to estimate the actual Overpayment in the Population with a 90% confidence level and with a maximum relative precision of 25% of the point estimate. OIG, in its sole discretion, may refer the findings of the Full Sample (and any related workpapers) received from NI-PLI-Kellermann to the appropriate Federal health care program payor (e.g., Medicare contractor), for appropriate follow-up by that payor.

4. *Systems Review.* If NI-PLI-Kellermann's Discovery Sample identifies an Error Rate of 5% or greater, NI-PLI-Kellermann's IRO shall also conduct a Systems Review. The Systems Review shall consist of the following:

- a. a review of NI-PLI-Kellermann's billing and coding systems and processes relating to claims submitted to Federal health care programs (including, but not limited to, the operation of the billing system, the process by which claims are coded, safeguards to ensure

proper coding, claims submission and billing; and procedures to identify and correct inaccurate coding and billing);

- b. for each claim in the Discovery Sample and Full Sample that resulted in an Overpayment, the IRO shall review the system(s) and process(es) that generated the claim and identify any problems or weaknesses that may have resulted in the identified Overpayments. The IRO shall provide its observations and recommendations on suggested improvements to the system(s) and the process(es) that generated the claim.

5. *Other Requirements.*

- a. Supplemental Materials. The IRO shall request all documentation and materials required for its review of the Paid Claims selected as part of the Discovery Sample or Full Sample (if applicable), and NI-PLI-Kellermann shall furnish such documentation and materials to the IRO prior to the IRO initiating its review of the Discovery Sample or Full Sample (if applicable). If the IRO accepts any supplemental documentation or materials from NI-PLI-Kellermann after the IRO has completed its initial review of the Discovery Sample or Full Sample (if applicable) (Supplemental Materials), the IRO shall identify in the Claims Review Report the Supplemental Materials, the date the Supplemental Materials were accepted, and the relative weight the IRO gave to the Supplemental Materials in its review. In addition, the IRO shall include a narrative in the Claims Review Report describing the process by which the Supplemental Materials were accepted and the IRO's reasons for accepting the Supplemental Materials.
- b. Paid Claims without Supporting Documentation. Any Paid Claim for which NI-PLI-Kellermann cannot produce documentation sufficient to support the Paid Claim shall be considered an error and the total reimbursement received by NI-PLI-Kellermann for such Paid Claim shall be deemed an Overpayment. Replacement sampling for Paid Claims with missing documentation is not permitted.
- c. Use of First Samples Drawn. For the purposes of all samples (Discovery Sample(s) and Full Sample(s)) discussed in this Appendix, the Paid Claims selected in each first sample shall be

used (i.e., it is not permissible to generate more than one list of random samples and then select one for use with the Discovery Sample or Full Sample).

6. *Repayment of Identified Overpayments.* NI-PLI-Kellermann shall repay within 30 days any Overpayment(s) identified in the Discovery Sample, regardless of the Error Rate, and (if applicable) the Full Sample, including any extrapolated Overpayments determined by the IRO in accordance with Section A.3 above, in accordance with payor refund policies. NI-PLI-Kellermann shall make available to OIG all documentation that reflects the refund of the Overpayment(s) to the payor.

B. Claims Review Report. The IRO shall prepare a Claims Review Report as described in this Appendix for each Claims Review performed. The following information shall be included in the Claims Review Report for each Discovery Sample and Full Sample (if applicable).

1. *Claims Review Methodology.*
 - a. Claims Review Population. A description of the Population subject to the Claims Review.
 - b. Claims Review Objective. A clear statement of the objective intended to be achieved by the Claims Review.
 - c. Source of Data. A description of the specific documentation relied upon by the IRO when performing the Claims Review (e.g., medical records, physician orders, certificates of medical necessity, requisition forms, local medical review policies (including title and policy number), CMS program memoranda (including title and issuance number), Medicare carrier or intermediary manual or bulletins (including issue and date), other policies, regulations, or directives).
 - d. Review Protocol. A narrative description of how the Claims Review was conducted and what was evaluated.
 - e. Supplemental Materials. A description of any Supplemental Materials as required by Section A.5.a., above.

2. *Statistical Sampling Documentation.*

- a. A copy of the printout of the random numbers generated by the “Random Numbers” function of the statistical sampling software used by the IRO.
- b. A copy of the statistical software printout(s) estimating how many Paid Claims are to be included in the Full Sample, if applicable.
- c. A description or identification of the statistical sampling software package used to select the sample and determine the Full Sample size, if applicable.

3. *Claims Review Findings.*

a. Narrative Results.

- i. A description of NI-PLI-Kellermann’s billing and coding system(s), including the identification, by position description, of the personnel involved in coding and billing.
- ii. A narrative explanation of the IRO’s findings and supporting rationale (including reasons for errors, patterns noted, etc.) regarding the Claims Review, including the results of the Discovery Sample, and the results of the Full Sample (if any).

b. Quantitative Results.

- i. Total number and percentage of instances in which the IRO determined that the Paid Claims submitted by NI-PLI-Kellermann (Claim Submitted) differed from what should have been the correct claim (Correct Claim), regardless of the effect on the payment.
- ii. Total number and percentage of instances in which the Claim Submitted differed from the Correct Claim and in which such difference resulted in an Overpayment to NI-PLI-Kellermann.
- iii. Total dollar amount of all Overpayments in the Discovery Sample and the Full Sample (if applicable).

- iv. Total dollar amount of Paid Claims included in the Discovery Sample and the Full Sample and the net Overpayment associated with the Discovery Sample and the Full Sample.
 - v. Error Rate in the Discovery Sample and the Full Sample.
 - vi. A spreadsheet of the Claims Review results that includes the following information for each Paid Claim: Federal health care program billed, beneficiary health insurance claim number, date of service, code submitted (e.g., DRG, CPT code, etc.), code reimbursed, allowed amount reimbursed by payor, correct code (as determined by the IRO), correct allowed amount (as determined by the IRO), dollar difference between allowed amount reimbursed by payor and the correct allowed amount.
 - vii. If a Full Sample is performed, the methodology used by the IRO to estimate the actual Overpayment in the Population and the amount of such Overpayment.
