CORPORATE INTEGRITY AGREEMENT
BETWEEN THE
OFFICE OF INSPECTOR GENERAL
OF THE
DEPARTMENT OF HEALTH AND HUMAN SERVICES
AND
NORTH AMERICAN HEALTH CARE, INC.

I. PREAMBLE

North American Health Care, Inc. hereby enters into this Corporate Integrity Agreement (CIA) with the Office of Inspector General (OIG) of the United States Department of Health and Human Services (HHS) to promote compliance with the statutes, regulations, and written directives of Medicare, Medicaid, and all other Federal health care programs (as defined in 42 U.S.C. § 1320a-7b(f)) (Federal health care program requirements). This CIA shall cover North American Health Care, Inc. and all skilled nursing facilities owned, operated, affiliated with or managed by North American Health Care, Inc. (collectively “NAHC”). Contemporaneously with this CIA, NAHC is entering into a Settlement Agreement with the United States.

Prior to the execution of this CIA, NAHC established a voluntary corporate compliance program (“Compliance Program”). The Compliance Program includes a Compliance Officer, written policies and procedures, educational and training initiatives, an audit program, and a confidential Disclosure Program that allows for the disclosure and investigation of potential compliance violations. NAHC shall continue the Compliance Program throughout the term of this CIA and shall do so in accordance with the terms set forth below. NAHC may modify the Compliance Program as appropriate, but, at a minimum, NAHC will ensure that the Compliance Program satisfies the obligations set forth herein during the term of this CIA.

II. TERM AND SCOPE OF THE CIA

A. The period of the compliance obligations assumed by NAHC under this CIA shall be five years from the effective date of this CIA. The “Effective Date” shall be the date on which the final signatory of this CIA executes this CIA. Each one-year period, beginning with the one-year period following the Effective Date, shall be referred to as a “Reporting Period.”
B. Sections VII, X, and XI shall expire no later than 120 days after OIG’s receipt of: (1) NAHC’s final Annual Report or (2) any additional materials submitted by NAHC pursuant to OIG’s request, whichever is later.

C. For purposes of this CIA, the term “Covered Persons” includes: (1) all owners, officers, directors, and employees of NAHC; (2) all contractors, subcontractors, agents, and other persons who furnish patient care items or services or who perform billing or coding functions on behalf of NAHC, excluding vendors whose sole connection with NAHC is selling or otherwise providing medical supplies or equipment to NAHC; and (3) all physicians and other non-physician practitioners who are members of NAHC’s active medical staff.

III. CORPORATE INTEGRITY OBLIGATIONS

NAHC shall establish and maintain a Compliance Program that includes the following elements:

A. Compliance Officer and Committee, Board of Directors, and Management Compliance Obligations

1. Compliance Officer. Within 90 days after the Effective Date, NAHC shall appoint a Compliance Officer and shall maintain a Compliance Officer for the term of the CIA. The Compliance Officer shall be an employee and a member of senior management of NAHC, shall report directly to the Chief Executive Officer of NAHC, and shall not be or be subordinate to the General Counsel or Chief Financial Officer or have any responsibilities that involve acting in any capacity as legal counsel or supervising legal counsel functions for NAHC. The Compliance Officer shall be responsible for, without limitation:

a. developing and implementing policies, procedures, and practices designed to ensure compliance with the requirements set forth in this CIA and with Federal health care program requirements;

b. making periodic (at least quarterly) reports regarding compliance matters directly to the Board of Directors of NAHC and shall be authorized to report on such matters to the Board of Directors at any time. Written documentation of
the Compliance Officer’s reports to the Board of Directors shall be made available to OIG upon request; and

c. monitoring the day-to-day compliance activities engaged in by NAHC as well as any reporting obligations created under this CIA.

Any noncompliance job responsibilities of the Compliance Officer shall be limited and must not interfere with the Compliance Officer’s ability to perform the duties outlined in this CIA.

NAHC shall report to OIG, in writing, any changes in the identity of the Compliance Officer, or any actions or changes that would affect the Compliance Officer’s ability to perform the duties necessary to meet the obligations in this CIA, within five days after such a change.

2. Compliance Committee. Within 90 days after the Effective Date, NAHC shall appoint a Compliance Committee. The Compliance Committee shall, at a minimum, include the Compliance Officer and other members of senior management necessary to meet the requirements of this CIA (e.g., senior executives of relevant departments, such as billing, clinical, human resources, audit, and operations). The Compliance Officer shall chair the Compliance Committee and the Committee shall support the Compliance Officer in fulfilling his/her responsibilities (e.g., shall assist in the analysis of NAHC’s risk areas and shall oversee monitoring of internal and external audits and investigations). The Compliance Committee shall meet at least quarterly. The minutes of the Compliance Committee meetings shall be made available to OIG upon request.

NAHC shall report to OIG, in writing, any actions or changes that would affect the Compliance Committee’s ability to perform the duties necessary to meet the obligations in this CIA, within 15 days after such a change.

3. Board of Directors Compliance Obligations. The Board of Directors (or a committee of the Board) of NAHC (Board) shall be responsible for the review and oversight of matters related to compliance with Federal health care program requirements and the obligations of this CIA. The Board must include independent (i.e., non-executive) members.

The Board shall, at a minimum, be responsible for the following:
a. meeting at least quarterly to review and oversee NAHC’s compliance program, including but not limited to the performance of the Compliance Officer and Compliance Committee;

b. submitting to OIG a description of the documents and other materials it reviewed, as well as any additional steps taken, such as the engagement of an independent advisor or other third party resources, in its oversight of the compliance program and in support of making the resolution below during each Reporting Period; and

c. for each Reporting Period of the CIA, adopting a resolution, signed by each member of the Board summarizing its review and oversight of NAHC’s compliance with Federal health care program requirements and the obligations of this CIA.

d. for each Reporting Period of the CIA, the Board shall retain an individual or entity with expertise in compliance with Federal health care program requirements (Compliance Expert) to perform a review of the effectiveness of NAHC’s Compliance Program (Compliance Program Review). The Compliance Expert shall create a work plan for the Compliance Program Review and prepare a written report about the Compliance Program Review. The written report (Compliance Program Review Report) shall include a description of the Compliance Program Review and any recommendations with respect to NAHC’s compliance program. The Board shall review the Compliance Program Review Report as part of its review and oversight of NAHC’s compliance program. A copy of the Compliance Program Review report shall be provided to OIG in each Annual Report submitted by NAHC. In addition, copies of any materials provided to the Board by the Compliance Expert, along with minutes of any meetings between the Compliance Expert and the Board, shall be made available to OIG upon request.
At minimum, the resolution shall include the following language:

“The Board of Directors has made a reasonable inquiry into the operations of NAHC’s Compliance Program, including the performance of the Compliance Officer and the Compliance Committee. Based on its inquiry and review, the Board has concluded that, to the best of its knowledge, NAHC has implemented an effective Compliance Program to meet Federal health care program requirements and the obligations of the CIA.”

If the Board is unable to provide such a conclusion in the resolution, the Board shall include in the resolution a written explanation of the reasons why it is unable to provide the conclusion and the steps it is taking to implement an effective Compliance Program at NAHC.

NAHC shall report to OIG, in writing, any changes in the composition of the Board, or any actions or changes that would affect the Board’s ability to perform the duties necessary to meet the obligations in this CIA, within 15 days after such a change.

4. Management Certifications. In addition to the responsibilities set forth in this CIA for all Covered Persons, certain NAHC employees (Certifying Employees) are expected to monitor and oversee activities within their areas of authority and shall annually certify that the applicable NAHC department is in compliance with applicable Federal health care program requirements and the obligations of this CIA. These Certifying Employees shall include, at a minimum, the following: Executive Chairman; Chief Executive Officer; President; Sr. Vice President of Operations; Vice Presidents of Operations (all regions); Director of Operations; Chief Clinical Officer; Vice President of Clinical Services; Chief Business Development Officer; Regional Director of Business Development; Sr. Vice President of Ancillary Services; Director of CQI Services; CQI Surveyor Director; Director of QAPI Services; Vice President of Reimbursement; Directors of Reimbursement (all regions); and Sr. Vice President Reimbursement Analysis.

My job responsibilities include ensuring compliance with regard to the [insert name of department] with all applicable Federal health care program requirements.”

To the best of my knowledge, the [insert name of department] of NAHC is in compliance with all applicable Federal health care program requirements and the obligations of the Corporate Integrity Agreement. I understand that this certification is being provided to and relied upon by the United States.”

If any Certifying Employee is unable to provide such a certification, the Certifying Employee shall provide a written explanation of the reasons why he or she is unable to provide the certification outlined above.

Within 90 days after the Effective Date, NAHC shall develop and implement a written process for Certifying Employees to follow for the purpose of completing the certification required by this section (e.g., reports that must be reviewed, assessments that must be completed, sub-certifications that must be obtained, etc. prior to the Certifying Employee making the required certification).

B. Written Standards

Within 90 days after the Effective Date, NAHC shall develop and implement written policies and procedures regarding the operation of its compliance program, including the compliance program requirements outlined in this CIA and NAHC’s compliance with Federal health care program requirements (Policies and Procedures). Throughout the term of this CIA, NAHC shall enforce its Policies and Procedures and shall make compliance with its Policies and Procedures an element of evaluating the performance of all employees. The Policies and Procedures shall be made available to all Covered Persons.

At least annually (and more frequently, if appropriate), NAHC shall assess and update, as necessary, the Policies and Procedures. Any new or revised Policies and Procedures shall be made available to all Covered Persons.

All Policies and Procedures shall be made available to OIG upon request.

C. Training and Education

1. Covered Persons Training. Within 90 days after the Effective Date, NAHC shall develop a written plan (Training Plan) that outlines the steps NAHC will
take to ensure that all Covered Persons receive at least annual training regarding NAHC’s CIA requirements and Compliance Program and the applicable Federal health care program requirements, including the requirements of the Anti-Kickback Statute and the Stark Law. The Training Plan shall include information regarding the following: training topics, categories of Covered Persons required to attend each training session, length of the training session(s), schedule for training, and format of the training. NAHC shall furnish training to its Covered Persons pursuant to the Training Plan during each Reporting Period.

2. **Board Member Training.** Within 90 days after the Effective Date, each member of the Board of Directors shall receive at least two hours of training. This training shall address the corporate governance responsibilities of board members, and the responsibilities of board members with respect to review and oversight of the Compliance Program. Specifically, the training shall address the unique responsibilities of health care Board members, including the risks, oversight areas, and strategic approaches to conducting oversight of a health care entity. This training may be conducted by an outside compliance expert hired by the Board and should include a discussion of the OIG’s guidance on Board member responsibilities.

New members of the Board of Directors shall receive the Board Member Training described above within 30 days after becoming a member or within 90 days after the Effective Date, whichever is later.

3. **Training Records.** NAHC shall make available to OIG, upon request, training materials and records verifying that Covered Persons and Board members have timely received the training required under this section.

D. **Review Procedures**

1. **General Description**

   a. *Engagement of Independent Review Organization.* Within 90 days after the Effective Date, NAHC shall engage an entity (or entities), such as an accounting, auditing, or consulting firm (hereinafter “Independent Review Organization” or “IRO”), to perform the reviews listed in this Section III.D. The applicable requirements relating to the IRO are outlined in Appendix A to this CIA, which is incorporated by reference.
b. **Retention of Records.** The IRO and NAHC shall retain and make available to OIG, upon request, all work papers, supporting documentation, correspondence, and draft reports (those exchanged between the IRO and NAHC) related to the reviews.

c. **Selection of Facilities.** For each Reporting Period, OIG will select five facilities for the IRO to access and review. The five facilities selected for the Reporting Period shall be known as the “Subject Facilities.”

2. **MDS Review.** The IRO shall review coding, billing, and claims submitted by NAHC and reimbursed by Medicare Part A, to determine whether the items and services furnished were medically necessary and appropriately documented and whether the claims were correctly coded, submitted and reimbursed (MDS Review) and shall prepare a MDS Review Report, as outlined in Appendix B to this CIA, which is incorporated by reference.

3. **Therapy Systems Assessment.** For each Reporting Period, the IRO shall assess the effectiveness, reliability, and thoroughness of NAHC’s oversight of therapy services as outlined in Appendix C to this CIA, which is incorporated by reference.

4. **Independence and Objectivity Certification.** The IRO shall include in its report(s) to NAHC a certification that the IRO has (a) evaluated its professional independence and objectivity with respect to the reviews required under this Section III.D and (b) concluded that it is, in fact, independent and objective, in accordance with the requirements specified in Appendix A to this CIA. The IRO’s certification shall include a summary of all current and prior engagements between NAHC and the IRO.

E. **Risk Assessment and Internal Review Process**

Within 90 days after the Effective Date, NAHC shall develop and implement a centralized annual risk assessment and internal review process to identify and address risks associated with NAHC’s participation in the Federal health care programs, including but not limited to the risks associated with the submission of claims for items and services furnished to Medicare and Medicaid program beneficiaries. The risk assessment and internal review process shall require compliance, legal, and department
leaders, at least annually, to: (1) identify and prioritize risks, (2) develop internal audit work plans related to the identified risk areas, (3) implement the internal audit work plans, (4) develop corrective action plans in response to the results of any internal audits performed, and (5) track the implementation of the corrective action plans in order to assess the effectiveness of such plans. NAHC shall maintain the risk assessment and internal review process for the term of the CIA.

F. Disclosure Program

Within 90 days after the Effective Date, NAHC shall establish a Disclosure Program that includes a mechanism (e.g., a toll-free compliance telephone line) to enable individuals to disclose, to the Compliance Officer or some other person who is not in the disclosing individual’s chain of command, any identified issues or questions associated with NAHC’s policies, conduct, practices, or procedures with respect to a Federal health care program believed by the individual to be a potential violation of criminal, civil, or administrative law. NAHC shall appropriately publicize the existence of the disclosure mechanism (e.g., via periodic e-mails to employees or by posting the information in prominent common areas).

The Disclosure Program shall emphasize a nonretribution, nonretaliation policy and shall include a reporting mechanism for anonymous communications for which appropriate confidentiality shall be maintained. The Disclosure Program also shall include a requirement that all of NAHC’s Covered Persons shall be expected to report suspected violations of any Federal health care program requirements to the Compliance Officer or other appropriate individual designated by NAHC. Upon receipt of a disclosure, the Compliance Officer (or designee) shall gather all relevant information from the disclosing individual. The Compliance Officer (or designee) shall make a preliminary, good faith inquiry into the allegations set forth in every disclosure to ensure that he or she has obtained all of the information necessary to determine whether a further review should be conducted. For any disclosure that is sufficiently specific so that it reasonably: (1) permits a determination of the appropriateness of the alleged improper practice; and (2) provides an opportunity for taking corrective action, NAHC shall conduct an internal review of the allegations set forth in the disclosure and ensure that proper follow-up is conducted.

The Compliance Officer (or designee) shall maintain a disclosure log and shall record each disclosure in the disclosure log within two business days of receipt of the disclosure. The disclosure log shall include a summary of each disclosure received.
(whether anonymous or not), the status of the respective internal reviews, and any corrective action taken in response to the internal reviews.

G. Ineligible Persons

1. Definitions. For purposes of this CIA:

a. an “Ineligible Person” shall include an individual or entity who:
   
i. is currently excluded from participation in any Federal health care program; or

   ii. has been convicted of a criminal offense that falls within the scope of 42 U.S.C. § 1320a-7(a), but has not yet been excluded.

2. Screening Requirements. NAHC shall ensure that all prospective and current Covered Persons are not Ineligible Persons, by implementing the following screening requirements.

a. NAHC shall screen all prospective Covered Persons against the Exclusion List prior to engaging their services and, as part of the hiring or contracting process, shall require such Covered Persons to disclose whether they are Ineligible Persons.

b. NAHC shall screen all current Covered Persons against the Exclusion List within 90 days after the Effective Date and on a monthly basis thereafter.

c. NAHC shall implement a policy requiring all Covered Persons to disclose immediately if they become an Ineligible Person.
Nothing in this Section III.G affects NAHC’s responsibility to refrain from (and liability for) billing Federal health care programs for items or services furnished, ordered, or prescribed by an excluded person. NAHC understands that items or services furnished, ordered, or prescribed by excluded persons are not payable by Federal health care programs and that NAHC may be liable for overpayments and/or criminal, civil, and administrative sanctions for employing or contracting with an excluded person regardless of whether NAHC meets the requirements of Section III.G.

3. **Removal Requirement.** If NAHC has actual notice that a Covered Person has become an Ineligible Person, NAHC shall remove such Covered Person from responsibility for, or involvement with, NAHC’s business operations related to the Federal health care program(s) from which such Covered Person has been excluded and shall remove such Covered Person from any position for which the Covered Person’s compensation or the items or services furnished, ordered, or prescribed by the Covered Person are paid in whole or part, directly or indirectly, by any Federal health care program(s) from which the Covered Person has been excluded at least until such time as the Covered Person is reinstated into participation in such Federal health care program(s). If a physician or other non-physician practitioner with staff privileges at NAHC is determined to be an Ineligible Person, NAHC shall ensure that (i) the medical staff member does not furnish, order, or prescribe any items or services payable in whole or in part by any Federal health care program from which the medical staff member has been excluded; and (ii) the medical staff member is not “on call” at NAHC.

4. **Pending Charges and Proposed Exclusions.** If NAHC has actual notice that a Covered Person is charged with a criminal offense that falls within the scope of 42 U.S.C. §§ 1320a-7(a), 1320a-7(b)(1)-(3), or is proposed for exclusion during the Covered Person’s employment or contract term, during the term of a physician’s or other practitioner’s medical staff privileges, NAHC shall take all appropriate actions to ensure that the responsibilities of that Covered Person have not and shall not adversely affect the quality of care rendered to any beneficiary or the accuracy of any claims submitted to any Federal health care program.

H. **Notification of Government Investigation or Legal Proceeding**

Within 30 days after discovery, NAHC shall notify OIG, in writing, of any ongoing investigation or legal proceeding known to NAHC conducted or brought by a governmental entity or its agents involving an allegation that NAHC has committed a crime or has engaged in fraudulent activities. This notification shall include a description
of the allegation, the identity of the investigating or prosecuting agency, and the status of such investigation or legal proceeding. NAHC also shall provide written notice to OIG within 30 days after the resolution of the matter and a description of the findings and/or results of the investigation or proceeding, if any.

I. Overpayments

1. **Definition of Overpayment.** For purposes of this CIA, an “Overpayment” shall mean the amount of money NAHC has received in excess of the amount due and payable under any Federal health care program requirements.

2. **Overpayment Policies and Procedures.** Within 90 days after the Effective Date, NAHC shall develop and implement written policies and procedures regarding the identification, quantification, and repayment of Overpayments received from any Federal health care program.

J. Reportable Events

1. **Definition of Reportable Event.** For purposes of this CIA, a “Reportable Event” means anything that involves:

   a. a substantial Overpayment;

   b. a matter that a reasonable person would consider a probable violation of criminal, civil, or administrative laws applicable to any Federal health care program for which penalties or exclusion may be authorized;

   c. the employment of or contracting with a Covered Person who is an Ineligible Person as defined by Section III.G.1.a; or

   d. the filing of a bankruptcy petition by NAHC.

A Reportable Event may be the result of an isolated event or a series of occurrences.

2. **Reporting of Reportable Events.** If NAHC determines (after a reasonable opportunity to conduct an appropriate review or investigation of the allegations) through any means that there is a Reportable Event, NAHC shall notify OIG,
in writing, within 30 days after making the determination that the Reportable Event exists.

3. **Reportable Events under Section III.J.1.a. and III.J.1.b.** For Reportable Events under Section III.J.1.a and b, the report to OIG shall include:

   a. a complete description of all details relevant to the Reportable Event, including, at a minimum, the types of claims, transactions or other conduct giving rise to the Reportable Event; the period during which the conduct occurred; and the names of individuals and entities believed to be implicated, including an explanation of their roles in the Reportable Event;

   b. a statement of the Federal criminal, civil or administrative laws that are probably violated by the Reportable Event, if any;

   c. the Federal health care programs affected by the Reportable Event;

   d. a description of the steps taken by NAHC to identify and quantify any Overpayments; and

   e. a description of NAHC’s actions taken to correct the Reportable Event and prevent it from recurring.

   If the Reportable Event involves an Overpayment, within 60 days of identification of the Overpayment, NAHC shall provide OIG with a copy of the notification and repayment (if quantified) to the appropriate payor.

4. **Reportable Events under Section III.J.1.c.** For Reportable Events under Section III.J.1.c, the report to OIG shall include:

   a. the identity of the Ineligible Person and the job duties performed by that individual;

   b. the dates of the Ineligible Person’s employment or contractual relationship;

*North American Health Care - Corporate Integrity Agreement*
c. a description of the Exclusion List screening that NAHC completed before and/or during the Ineligible Person’s employment or contract and any flaw or breakdown in the screening process that led to the hiring or contracting with the Ineligible Person;

d. a description of how the Ineligible Person was identified; and

e. a description of any corrective action implemented to prevent future employment or contracting with an Ineligible Person.

5. Reportable Events under Section III.J.1.d. For Reportable Events under Section III.J.1.d, the report to OIG shall include documentation of the bankruptcy filing and a description of any Federal health care program requirements implicated.

6. Reportable Events Involving the Stark Law. Notwithstanding the reporting requirements outlined above, any Reportable Event that involves solely a probable violation of section 1877 of the Social Security Act, 42 U.S.C. §1395nn (the Stark Law) should be submitted by NAHC to the Centers for Medicare & Medicaid Services (CMS) through the self-referral disclosure protocol (SRDP), with a copy to the OIG. If NAHC identifies a probable violation of the Stark Law and repays the applicable Overpayment directly to the CMS contractor, then NAHC is not required by this Section III.J to submit the Reportable Event to CMS through the SRDP.

IV. SUCCESSOR LIABILITY

In the event that, after the Effective Date, NAHC proposes to (a) sell any or all of its business, business units, or locations (whether through a sale of assets, sale of stock, or other type of transaction) relating to the furnishing of items or services that may be reimbursed by a Federal health care program, or (b) purchase or establish a new business, business unit, or location relating to the furnishing of items or services that may be reimbursed by a Federal health care program, the CIA shall be binding on the purchaser of any business, business unit, or location and any new business, business unit, or location (and all Covered Persons at each new business, business unit, or location) shall be subject to the applicable requirements of this CIA, unless otherwise determined and agreed to in writing by OIG.

North American Health Care - Corporate Integrity Agreement
If, in advance of a proposed sale or a proposed purchase, NAHC wishes to obtain a determination by OIG that the proposed purchaser or the proposed acquisition will not be subject to the requirements of the CIA, NAHC must notify OIG in writing of the proposed sale or purchase at least 30 days in advance. This notification shall include a description of the business, business unit, or location to be sold or purchased, a brief description of the terms of the transaction and, in the case of a proposed sale, the name and contact information of the prospective purchaser.

Unless otherwise stated in writing after the Effective Date, all notifications and reports required under this CIA shall be submitted to the following entities:

**OIG:**

Administrative and Civil Remedies Branch  
Office of Counsel to the Inspector General  
Office of Inspector General  
U.S. Department of Health and Human Services  
Cohen Building, Room 5527

*North American Health Care - Corporate Integrity Agreement*
Unless otherwise specified, all notifications and reports required by this CIA shall be made by electronic mail, overnight mail, hand delivery, or other means, provided that there is proof that such notification was received. Upon request by OIG, NAHC may be required to provide OIG with an electronic copy of each notification or report required by this CIA in addition to a paper copy.

VII. OIG INSPECTION, AUDIT, AND REVIEW RIGHTS

In addition to any other rights OIG may have by statute, regulation, or contract, OIG or its duly authorized representative(s) may conduct interviews, examine and/or request copies of or copy NAHC’s books, records, and other documents and supporting materials, and conduct on-site reviews of any of NAHC’s locations, for the purpose of verifying and evaluating: (a) NAHC’s compliance with the terms of this CIA and (b) NAHC’s compliance with the requirements of the Federal health care programs. The documentation described above shall be made available by NAHC to OIG or its duly authorized representative(s) at all reasonable times for inspection, audit, and/or reproduction. Furthermore, for purposes of this provision, OIG or its duly authorized representative(s) may interview any of NAHC’s owners, employees, contractors, and directors who consent to be interviewed at the individual’s place of business during normal business hours or at such other place and time as may be mutually agreed upon between the individual and OIG. NAHC shall assist OIG or its duly authorized representative(s) in contacting and arranging interviews with such individuals upon OIG’s request. NAHC’s owners, employees, contractors, and directors may elect to be interviewed with or without a representative of NAHC present.
VIII. DOCUMENT AND RECORD RETENTION

NAHC shall maintain for inspection all documents and records relating to reimbursement from the Federal health care programs and to compliance with this CIA for six years (or longer if otherwise required by law) from the Effective Date.

IX. DISCLOSURES

Consistent with HHS’s FOIA procedures, set forth in 45 C.F.R. Part 5, OIG shall make a reasonable effort to notify NAHC prior to any release by OIG of information submitted by NAHC pursuant to its obligations under this CIA and identified upon submission by NAHC as trade secrets, or information that is commercial or financial and privileged or confidential, under the FOIA rules. With respect to such releases, NAHC shall have the rights set forth at 45 C.F.R. § 5.65(d).

X. BREACH AND DEFAULT PROVISIONS

NAHC is expected to fully and timely comply with all of its CIA obligations.

A. Stipulated Penalties for Failure to Comply with Certain Obligations

As a contractual remedy, NAHC and OIG hereby agree that failure to comply with certain obligations as set forth in this CIA may lead to the imposition of the following monetary penalties (hereinafter referred to as “Stipulated Penalties”) in accordance with the following provisions.

1. A Stipulated Penalty of $2,500 (which shall begin to accrue on the day after the date the obligation became due) for each day NAHC fails to establish, implement or comply with any of the following obligations as described in Section III:

   a. a Compliance Officer;

   b. a Compliance Committee;

   c. the Board of Directors compliance obligations; and the engagement of a Compliance Expert, the performance of a Compliance Program Review and the preparation of a Compliance Program Review Report, as required by Section III.A.3.
d. the management certification obligations;
e. written Policies and Procedures;
f. training and education of Covered Persons and Board Members;
g. a risk assessment and internal review process;
h. a Disclosure Program;
i. Ineligible Persons screening and removal requirements;
j. notification of Government investigations or legal proceedings;
k. policies and procedures regarding the repayment of Overpayments; and
l. reporting of Reportable Events.

2. A Stipulated Penalty of $2,500 (which shall begin to accrue on the day after the date the obligation became due) for each day NAHC fails to engage and use an IRO, as required by Section III.D, Appendix A, Appendix B, or Appendix C.

3. A Stipulated Penalty of $2,500 (which shall begin to accrue on the day after the date the obligation became due) for each day NAHC fails to submit a complete Implementation Report, Annual Report or any certification to OIG in accordance with the requirements of Section V by the deadlines for submission.

4. A Stipulated Penalty of $2,500 (which shall begin to accrue on the day after the date the obligation became due) for each day NAHC fails to submit any MDS Review Report Therapy Systems Assessment Report in accordance with the requirements of Section III.D, Appendix B, and Appendix C or fails to repay any Overpayment identified by the IRO, as required by Appendix B.

5. A Stipulated Penalty of $1,500 for each day NAHC fails to grant access as required in Section VII. (This Stipulated Penalty shall begin to accrue on the date NAHC fails to grant access.)
6. A Stipulated Penalty of $50,000 for each false certification submitted by or on behalf of NAHC as part of its Implementation Report, any Annual Report, additional documentation to a report (as requested by the OIG), or otherwise required by this CIA.

7. A Stipulated Penalty of $1,000 for each day NAHC fails to comply fully and adequately with any obligation of this CIA. OIG shall provide notice to NAHC stating the specific grounds for its determination that NAHC has failed to comply fully and adequately with the CIA obligation(s) at issue and steps NAHC shall take to comply with the CIA. (This Stipulated Penalty shall begin to accrue 10 days after the date NAHC receives this notice from OIG of the failure to comply.) A Stipulated Penalty as described in this Subsection shall not be demanded for any violation for which OIG has sought a Stipulated Penalty under Subsections 1-6 of this Section.

B. Timely Written Requests for Extensions

NAHC may, in advance of the due date, submit a timely written request for an extension of time to perform any act or file any notification or report required by this CIA. Notwithstanding any other provision in this Section, if OIG grants the timely written request with respect to an act, notification, or report, Stipulated Penalties for failure to perform the act or file the notification or report shall not begin to accrue until one day after NAHC fails to meet the revised deadline set by OIG. Notwithstanding any other provision in this Section, if OIG denies such a timely written request, Stipulated Penalties for failure to perform the act or file the notification or report shall not begin to accrue until three days after NAHC receives OIG’s written denial of such request or the original due date, whichever is later. A “timely written request” is defined as a request in writing received by OIG at least five days prior to the date by which any act is due to be performed or any notification or report is due to be filed.

C. Payment of Stipulated Penalties

1. **Demand Letter.** Upon a finding that NAHC has failed to comply with any of the obligations described in Section X.A and after determining that Stipulated Penalties are appropriate, OIG shall notify NAHC of: (a) NAHC’s failure to comply; and (b) OIG’s exercise of its contractual right to demand payment of the Stipulated Penalties. (This notification shall be referred to as the “Demand Letter.”)
2. **Response to Demand Letter.** Within 10 days after the receipt of the Demand Letter, NAHC shall either: (a) cure the breach to OIG’s satisfaction and pay the applicable Stipulated Penalties or (b) request a hearing before an HHS administrative law judge (ALJ) to dispute OIG’s determination of noncompliance, pursuant to the agreed upon provisions set forth below in Section X.E. In the event NAHC elects to request an ALJ hearing, the Stipulated Penalties shall continue to accrue until NAHC cures, to OIG’s satisfaction, the alleged breach in dispute. Failure to respond to the Demand Letter in one of these two manners within the allowed time period shall be considered a material breach of this CIA and shall be grounds for exclusion under Section X.D.

3. **Form of Payment.** Payment of the Stipulated Penalties shall be made by electronic funds transfer to an account specified by OIG in the Demand Letter.

4. **Independence from Material Breach Determination.** Except as set forth in Section X.D.1.c, these provisions for payment of Stipulated Penalties shall not affect or otherwise set a standard for OIG’s decision that NAHC has materially breached this CIA, which decision shall be made at OIG’s discretion and shall be governed by the provisions in Section X.D, below.

D. **Exclusion for Material Breach of this CIA**

1. **Definition of Material Breach.** A material breach of this CIA means:

   a. repeated violations or a flagrant violation of any of the obligations under this CIA, including, but not limited to, the obligations addressed in Section X.A;

   b. a failure by NAHC to report a Reportable Event, take corrective action, or make the appropriate refunds, as required in Section III.I;

   c. a failure to respond to a Demand Letter concerning the payment of Stipulated Penalties in accordance with Section X.C; or

   d. a failure to engage and use an IRO in accordance with Section III.D, Appendix A, Appendix B or Appendix C.
2. **Notice of Material Breach and Intent to Exclude.** The parties agree that a material breach of this CIA by NAHC constitutes an independent basis for NAHC’s exclusion from participation in the Federal health care programs. The length of the exclusion shall be in the OIG’s discretion, but not more than five years per material breach. Upon a determination by OIG that NAHC has materially breached this CIA and that exclusion is the appropriate remedy, OIG shall notify NAHC of: (a) NAHC’s material breach; and (b) OIG’s intent to exercise its contractual right to impose exclusion. (This notification shall be referred to as the “Notice of Material Breach and Intent to Exclude.”) The exclusion may be directed at one or more of NAHC’s facilities or corporate entities, depending upon the facts of the breach.

3. **Opportunity to Cure.** NAHC shall have 30 days from the date of receipt of the Notice of Material Breach and Intent to Exclude to demonstrate that:

   a. the alleged material breach has been cured; or

   b. the alleged material breach cannot be cured within the 30 day period, but that: (i) NAHC has begun to take action to cure the material breach; (ii) NAHC is pursuing such action with due diligence; and (iii) NAHC has provided to OIG a reasonable timetable for curing the material breach.

4. **Exclusion Letter.** If, at the conclusion of the 30 day period, NAHC fails to satisfy the requirements of Section X.D.3, OIG may exclude NAHC from participation in the Federal health care programs. OIG shall notify NAHC in writing of its determination to exclude NAHC. (This letter shall be referred to as the “Exclusion Letter.”) Subject to the Dispute Resolution provisions in Section X.E, below, the exclusion shall go into effect 30 days after the date of NAHC’s receipt of the Exclusion Letter. The exclusion shall have national effect. Reinstatement to program participation is not automatic. At the end of the period of exclusion, NAHC may apply for reinstatement by submitting a written request for reinstatement in accordance with the provisions at 42 C.F.R. §§ 1001.3001-.3004.

E. **Dispute Resolution**

   1. **Review Rights.** Upon OIG’s delivery to NAHC of its Demand Letter or of its Exclusion Letter, and as an agreed-upon contractual remedy for the resolution of disputes arising under this CIA, NAHC shall be afforded certain review rights comparable to the ones that are provided in 42 U.S.C. § 1320a-7(f) and 42 C.F.R. Part
1005 as if they applied to the Stipulated Penalties or exclusion sought pursuant to this CIA. Specifically, OIG’s determination to demand payment of Stipulated Penalties or to seek exclusion shall be subject to review by an HHS ALJ and, in the event of an appeal, the HHS Departmental Appeals Board (DAB), in a manner consistent with the provisions in 42 C.F.R. § 1005.2-1005.21. Notwithstanding the language in 42 C.F.R. § 1005.2(c), the request for a hearing involving Stipulated Penalties shall be made within 10 days after receipt of the Demand Letter and the request for a hearing involving exclusion shall be made within 25 days after receipt of the Exclusion Letter. The procedures relating to the filing of a request for a hearing can be found at http://www.hhs.gov/dab/divisions/civil/procedures/divisionprocedures.html

2. **Stipulated Penalties Review.** Notwithstanding any provision of Title 42 of the United States Code or Title 42 of the Code of Federal Regulations, the only issues in a proceeding for Stipulated Penalties under this CIA shall be: (a) whether NAHC was in full and timely compliance with the obligations of this CIA for which OIG demands payment; and (b) the period of noncompliance. NAHC shall have the burden of proving its full and timely compliance and the steps taken to cure the noncompliance, if any. OIG shall not have the right to appeal to the DAB an adverse ALJ decision related to Stipulated Penalties. If the ALJ agrees with OIG with regard to a finding of a breach of this CIA and orders NAHC to pay Stipulated Penalties, such Stipulated Penalties shall become due and payable 20 days after the ALJ issues such a decision unless NAHC requests review of the ALJ decision by the DAB. If the ALJ decision is properly appealed to the DAB and the DAB upholds the determination of OIG, the Stipulated Penalties shall become due and payable 20 days after the DAB issues its decision.

3. **Exclusion Review.** Notwithstanding any provision of Title 42 of the United States Code or Title 42 of the Code of Federal Regulations, the only issues in a proceeding for exclusion based on a material breach of this CIA shall be whether NAHC was in material breach of this CIA and, if so, whether:

a. NAHC cured such breach within 30 days of its receipt of the Notice of Material Breach; or

b. the alleged material breach could not have been cured within the 30 day period, but that, during the 30 day period following NAHC’s receipt of the Notice of Material Breach: (i) NAHC had begun to take action to cure the material breach; (ii) NAHC pursued such action with due diligence;
and (iii) NAHC provided to OIG a reasonable timetable for curing the material breach.

For purposes of the exclusion herein, exclusion shall take effect only after an ALJ decision favorable to OIG, or, if the ALJ rules for NAHC, only after a DAB decision in favor of OIG. NAHC’s election of its contractual right to appeal to the DAB shall not abrogate OIG’s authority to exclude NAHC upon the issuance of an ALJ’s decision in favor of OIG. If the ALJ sustains the determination of OIG and determines that exclusion is authorized, such exclusion shall take effect 20 days after the ALJ issues such a decision, notwithstanding that NAHC may request review of the ALJ decision by the DAB. If the DAB finds in favor of OIG after an ALJ decision adverse to OIG, the exclusion shall take effect 20 days after the DAB decision. NAHC shall waive its right to any notice of such an exclusion if a decision upholding the exclusion is rendered by the ALJ or DAB. If the DAB finds in favor of NAHC, NAHC shall be reinstated effective on the date of the original exclusion.

4.  **Finality of Decision.** The review by an ALJ or DAB provided for above shall not be considered to be an appeal right arising under any statutes or regulations. Consequently, the parties to this CIA agree that the DAB’s decision (or the ALJ’s decision if not appealed) shall be considered final for all purposes under this CIA.

**XI. EFFECTIVE AND BINDING AGREEMENT**

NAHC and OIG agree as follows:

A.  This CIA shall become final and binding on the date the final signature is obtained on the CIA.

B.  This CIA constitutes the complete agreement between the parties and may not be amended except by written consent of the parties to this CIA.

C.  OIG may agree to a suspension of NAHC’s obligations under this CIA based on a certification by NAHC that it is no longer providing health care items or services that will be billed to any Federal health care program and it does not have any ownership or control interest, as defined in 42 U.S.C. §1320a-3, in any entity that bills any Federal health care program. If NAHC is relieved of its CIA obligations, NAHC shall be required to notify OIG in writing at least 30 days in advance if NAHC plans to resume providing health care items or services that are billed to any Federal health care program or to obtain an ownership or control interest in any entity that bills any Federal
health care program. At such time, OIG shall evaluate whether the CIA will be reactivated or modified.

D. All requirements and remedies set forth in this CIA are in addition to and do not affect (1) NAHC’s responsibility to follow all applicable Federal health care program requirements or (2) the government’s right to impose appropriate remedies for failure to follow applicable Federal health care program requirements.

E. The undersigned NAHC signatory represents and warrants that they are authorized to execute this CIA. The undersigned OIG signatories represent that they are signing this CIA in their official capacities and that they are authorized to execute this CIA.

F. This CIA may be executed in counterparts, each of which constitutes an original and all of which constitute one and the same CIA. Electronically-transmitted copies of signatures shall constitute acceptable, binding signatures for purposes of this CIA.

APPENDIX A

INDEPENDENT REVIEW ORGANIZATION

This Appendix contains the requirements relating to the Independent Review Organization (IRO) required by Section III.D of the CIA.

A. IRO Engagement

1. NAHC shall engage an IRO that possesses the qualifications set forth in Paragraph B, below, to perform the responsibilities in Paragraph C, below. The IRO shall conduct the reviews in a professionally independent and objective fashion, as set forth in Paragraph D. Within 30 days after OIG receives the information identified in Section V.A.7 of the CIA or any additional information submitted by NAHC in response to a request by OIG, whichever is later, OIG will notify NAHC if the IRO is unacceptable. Absent notification from OIG that the IRO is unacceptable, NAHC may continue to engage the IRO.

2. If NAHC engages a new IRO during the term of the CIA, that IRO must also meet the requirements of this Appendix. If a new IRO is engaged, NAHC shall submit the information identified in Section V.A.7 of the CIA to OIG within 30 days of engagement of the IRO. Within 30 days after OIG receives this information or any additional information submitted by NAHC at the request of OIG, whichever is later, OIG will notify NAHC if the IRO is unacceptable. Absent notification from OIG that the IRO is unacceptable, NAHC may continue to engage the IRO.

B. IRO Qualifications

The IRO shall:

1. assign individuals to conduct the Minimum Data Set (MDS) Review who have expertise in the MDS requirements, Resource Utilization Group determination, claims submission, and other requirements of the Medicare Prospective Payment System for skilled nursing facilities and in the general requirements of the Federal health care program(s) from which NAHC seeks reimbursement;

2. assign individuals to design and select the MDS Review Sample who are knowledgeable about the appropriate statistical sampling techniques;

3. assign individuals to conduct the coding review portions of the MDS Review who have a nationally recognized MDS or Resident Assessment Instrument certification and who have maintained this certification (e.g., completed applicable continuing education requirements);
4. assign individuals to conduct the Therapy Systems Assessment who have expertise in the Medicare requirements relating to rehabilitation therapy in skilled nursing facilities and who have expertise in the established practice guidelines and generally accepted standards of medical practice for rehabilitation therapy (including those set forth by the American Academy of Physical Medicine and Rehabilitation, the American Physical Therapy Association, the American Occupational Therapy Association, and the American Speech-Language-Hearing Association) in the general requirements of the Federal health care program(s); and

5. have sufficient staff and resources to conduct the reviews required by the CIA on a timely basis.

C. IRO Responsibilities

The IRO shall:

1. perform each MDS Review and Therapy Systems Assessment in accordance with the specific requirements of the CIA;

2. follow all applicable Medicare rules and reimbursement guidelines in making assessments in the MDS Review and Therapy Systems Assessment;

3. request clarification from the appropriate authority (e.g., Medicare contractor), if in doubt of the application of a particular Medicare policy or regulation;

4. respond to all OIG inquiries in a prompt, objective, and factual manner; and

5. prepare timely, clear, well-written reports that include all the information required by Appendix B and Appendix C to the CIA.

D. IRO Independence and Objectivity

The IRO must perform the MDS Review and Therapy Systems Assessment in a professionally independent and objective fashion, as defined in the most recent Government Auditing Standards issued by the U.S. Government Accountability Office.

E. IRO Removal/Termination

1. **NAHC and IRO.** If NAHC terminates its IRO or if the IRO withdraws from the engagement during the term of the CIA, NAHC must submit a notice explaining (a) its reasons for termination of the IRO or (b) the IRO’s reasons for its withdrawal to OIG, no later than 30 days after termination or withdrawal. NAHC must engage a new IRO in
accordance with Paragraph A of this Appendix and within 60 days of termination or withdrawal of the IRO.

2. **OIG Removal of IRO.** In the event OIG has reason to believe the IRO does not possess the qualifications described in Paragraph B, is not independent and objective as set forth in Paragraph D, or has failed to carry out its responsibilities as described in Paragraph C, OIG shall notify NAHC in writing regarding OIG’s basis for determining that the IRO has not met the requirements of this Appendix. NAHC shall have 30 days from the date of OIG’s written notice to provide information regarding the IRO’s qualifications, independence or performance of its responsibilities in order to resolve the concerns identified by OIG. If, following OIG’s review of any information provided by NAHC regarding the IRO, OIG determines that the IRO has not met the requirements of this Appendix, OIG shall notify NAHC in writing that NAHC shall be required to engage a new IRO in accordance with Paragraph A of this Appendix. NAHC must engage a new IRO within 60 days of its receipt of OIG’s written notice. The final determination as to whether or not to require NAHC to engage a new IRO shall be made at the sole discretion of OIG.
APPENDIX B

MINIMUM DATA SET REVIEW

A. Minimum Data Set Review. The IRO shall perform the Minimum Data Set (MDS) Review annually to cover each of the five Reporting Periods. The MDS Review shall be conducted at five NAHC facilities selected by OIG (“Subject Facilities”) for each Reporting Period. The IRO shall perform all components of each MDS Review.

1. Definitions. For the purposes of the MDS Review, the following definitions shall be used:

   a. **Overpayment**: The amount of money NAHC has received in excess of the amount due and payable under Medicare program requirements, as determined by the IRO in connection with the MDS Reviews performed under this Appendix B.

   b. **Paid Claim**: A claim submitted by a Subject Facility and for which NAHC has received reimbursement from the Medicare Part A program.

   c. **Population**: The Population shall be defined as all Paid Claims during the 12-month period covered by the MDS Review. In OIG’s discretion, OIG may limit the Population to one or more subset(s) of Paid Claims to be reviewed at the Subject Facilities and shall notify NAHC and the IRO of its selection of the Population to be used to create the MDS Review Sample(s) at least 30 days prior to the end of each Reporting Period. NAHC, or its IRO on behalf of NAHC, may submit proposals identifying suggestions for the subset(s) of Paid Claims to be reviewed at least 90 days prior to the end of each Reporting Period.

   In connection with limiting the Population, OIG may consider (1) proposals submitted by NAHC or its IRO or (2) information furnished to OIG regarding the results of NAHC’s internal risk assessment or internal auditing required under Section III.A.2. The determination of whether, and in what manner, to limit the Population shall be made at the sole discretion of OIG.

   In order to facilitate the OIG’s selection of the Subject Facilities, at least 90 days prior to the end of the Reporting Period, NAHC shall furnish to OIG the following information for each NAHC facility for the prior calendar year: (1) Geographic location, (2) Federal health
care program patient census, (3) Medicare revenues, (4) Medicare Part A program Resource Utilization Group (RUG) levels, (5) patient lengths of stay, or (6) other factors determined by the OIG in its discretion.

2. **MDS Review Sample.** The IRO shall randomly select and review a sample of 100 Paid Claims from each Subject Facility (each selection of claims at a Subject Facility shall be referred to as an “MDS Review Sample”) and conduct the MDS Review (as described below). The Paid Claims in each MDS Review Sample shall be reviewed based on the supporting documentation available at NAHC or under NAHC’s control and applicable Medicare Part A program requirements to determine whether the items and services furnished were medically necessary and appropriately documented, and whether the Paid Claim in each MDS Review Sample was correctly coded, submitted, and reimbursed. For each claim in any MDS Review Sample that results in an Overpayment, the IRO shall review the system(s) and process(es) that generated the Paid Claim and identify any problems or weaknesses that may have resulted in the identified Overpayments. The IRO shall provide its observations and recommendations on suggested improvements to the system(s) and the process(es) that generated the Paid Claim.

3. **MDS Review - Description.**

   a. The IRO shall obtain all appropriate medical records, billing records, and related supporting documentation.

   b. For each Paid Claim selected in the MDS Review Sample, the IRO shall review the MDS and the medical record documentation supporting the MDS. The review process shall consist of an evaluation of the MDS and verification that each MDS entry that affects the RUG code outcome for the MDS is supported by the medical record for the corresponding period of time consistent with the assessment reference date specified on the MDS.

   c. The IRO shall perform an evaluation of the data on the Paid Claim and determine whether the variables that affect the RUG assignment outcome for the MDS are supported by the medical record for the corresponding time period consistent with the assessment reference date specified in the MDS. This shall include the following issues:

      i. The accuracy of the MDS coding based on the documentation within the medical record.
ii. Verification of medical necessity in the medical record by verifying the presence of physician orders for the services reflected as necessary in the MDS.

iii. The accuracy of the associated Paid Claims. At a minimum, these shall be reviewed for the following:

A. Coverage Period;
B. Revenue Codes;
C. HIPPS codes (RUG categories and the modifiers for assessment type); and
D. Units of service.

d. In those cases where an incorrect MDS data point(s) has been identified, the IRO shall re-enter data from that MDS into the IRO’s grouper software to verify that the correct RUG code assignment was properly assigned on the Paid Claim. If an incorrect RUG code was assigned, this shall be considered an error.

e. If there is insufficient support for an MDS data point(s) that results in a downward change in RUG assignment, the IRO shall consider the dollar difference to be an overpayment.

f. If an incorrect RUG was used, but it did not result in an overpayment, it shall be noted in the MDS Review Report.

4. Repayment of Identified Overpayments. NAHC shall repay within 60 days the Overpayment(s) identified by the IRO in the MDS Review Sample, in accordance with the requirements of 42 U.S.C. § 1320a-7k(d) and 42 C.F.R. § 401.301-305 (and any applicable CMS guidance) (the “CMS overpayment rule”). If NAHC determines that the CMS overpayment rule requires that an extrapolated Overpayment be repaid, NAHC shall repay that amount at the mean point estimate as calculated by the IRO. NAHC shall make available to OIG all documentation that reflects the refund of the Overpayment(s) to the payor. OIG, in its sole discretion, may refer the findings of the MDS Review Sample (and any related work papers) received from NAHC to the appropriate Medicare contractor for appropriate follow up by the payor. OIG, in its sole discretion, may refer the findings of the MDS Review Sample (and any related work papers) received from NAHC to the appropriate Medicare contractor for appropriate follow up by the payor.

5. Other Requirements.

a. Supplemental Materials. The IRO shall request all documentation and materials required for its review of the Paid Claims in each
MDS Review Sample and NAHC shall furnish such documentation and materials to the IRO prior to the IRO initiating its review of the MDS Review Sample. If the IRO accepts any supplemental documentation or materials from NAHC after the IRO has completed its initial MDS review of the MDS Review Sample (Supplemental Materials), the IRO shall identify in the MDS Review Report the Supplemental Materials, the date the Supplemental Materials were accepted, and the relative weight the IRO gave to the Supplemental Materials in its review. In addition, the IRO shall include a narrative in the MDS Review Report describing the process by which the Supplemental Materials were accepted and the IRO’s reasons for accepting the Supplemental Materials.

b. **Paid Claims without Supporting Documentation.** Any Paid Claim for which NAHC cannot produce documentation shall be considered an error and the total reimbursement received by NAHC for such Paid Claim shall be deemed an Overpayment. Replacement sampling for Paid Claims with missing documentation is not permitted.

c. **Use of First Samples Drawn.** For the purposes of each MDS Review Sample discussed in this Appendix, the first set of Paid Claims selected for each Subject Facility shall be used (i.e., it is not permissible to generate more than one list of random samples and then select one for use with a MDS Review Sample).

B. **MDS Review Report.** The IRO shall prepare a MDS Review Report as described in this Appendix for each MDS Review performed. The following information shall be included in the MDS Review Report for each MDS Review Sample.

1. **MDS Review Methodology.**

   a. **Population.** A description of the Population subject to the MDS Review.

   b. **Review Objective.** A clear statement of the objective intended to be achieved by the MDS Review.

   c. **Source of Data.** A description of (1) the process used to identify Paid Claims in the Population, and (2) the specific documentation relied upon by the IRO when performing the MDS Review (e.g., medical records, physician orders, certificates of medical necessity, requisition forms, local medical review policies (including title and...
policy number), CMS program memoranda (including title and issuance number), Medicare carrier or intermediary manual or bulletins (including issue and date), other policies, regulations, or directives).

d. **Review Protocol.** A narrative description of how the MDS Review was conducted and what was evaluated.

e. **Supplemental Materials.** A description of any Supplemental Materials as required by A.5.a., above.

2. **Statistical Sampling Documentation.**

a. A copy of the printout of the random numbers generated by the “Random Numbers” function of the statistical sampling software used by the IRO.

b. A description or identification of the statistical sampling software package used by the IRO to select the MDS Review Sample.

3. **MDS Review Findings.**

a. **Narrative Results.**

i. A description of NAHC’s billing and coding system(s), for submission of claims to Medicare Part A, including the identification, by position description, of the personnel involved in coding and billing.

ii. A description of controls in place at NAHC to ensure that all items and services billed to Medicare Part A are medically necessary and appropriately documented.

iii. A narrative explanation of the IRO’s findings and supporting rationale (including reasons for errors, patterns noted, etc.) regarding the MDS Review, including the results of the MDS Review Sample.

b. **Quantitative Results.**

i. Total number and percentage of instances in which the IRO determined that the coding of the Paid Claims submitted by NAHC differed from what should have been the correct
coding and in which such difference resulted in an Overpayment to NAHC.
