This IA applies to OGCC Behavioral Health Services, Inc. and Dionne Huffman and any entity in which OGCC Behavioral Health Services, Inc. or Dionne Huffman have an ownership or control interest at any time during the term of the IA, as defined in 42 U.S.C. § 1320a-3(a)(3), and any other Covered Persons as defined in Section II.C. Contemporaneously with this IA, OGCC is entering into a Settlement Agreement with the United States.

II. TERM AND SCOPE OF THE IA

A. The Effective Date of this IA shall be the date on which the final signatory signs this IA. The term of this IA shall be three years from the Effective Date. Each one-year period, beginning with the one-year period following the Effective Date, shall be referred to as a “Reporting Period.”

B. Sections VII, X, and XI shall expire no later than 120 days after OIG’s receipt of: (1) OGCC’s final annual report; or (2) any additional materials submitted by OGCC pursuant to OIG’s request, whichever is later.

C. The term “Covered Persons” includes: (1) all owners and employees of OGCC; (2) all contractors, agents, and other persons who furnish patient care items or services or who perform billing or coding functions on behalf of OGCC, except that the employees of any third party billing company that submits claims to the Federal health care programs on behalf of OGCC shall not be considered Covered Persons, provided that OGCC and the third party billing company provide the certifications required by Section III.J; and (3) all owners and employees of any entity in which OGCC Behavioral Health Services, Inc. and Dionne Huffman

OGCC Behavioral Health Services, Inc. and Dionne Huffman
Integrity Agreement
Health Services, Inc. or Dionne Huffman have an ownership or control interest at any
time during the term of this IA (as defined in 42 U.S.C. § 1320a-3(a)(3)) and contractors,
agents, or other persons who provide patient care items or services or who perform
billing or coding functions on behalf of such entity.

III. COMPLIANCE PROGRAM REQUIREMENTS

OGCC shall establish and maintain a compliance program that includes the
following elements:

A. Compliance Contact

Within 90 days after the Effective Date, OGCC shall designate a Compliance
Contact and shall maintain a Compliance Contact for the term of the IA. The
Compliance Contact shall be responsible for: (1) monitoring OGCC’s day-to-day
compliance activities, (2) meeting any reporting requirements created under this IA, and
(3) responding to questions and concerns from OIG regarding OGCC’s compliance with
the IA. The Compliance Contact shall make periodic (at least quarterly) reports
regarding compliance matters to the Chief Executive Officer of OGCC. Written
documentation of the Compliance Contact’s reports to the Chief Executive Officer shall
be made available to OIG upon request. The Compliance Contact shall not have any
responsibilities that involve acting in any capacity as legal counsel or supervising legal
functions for OGCC and any non-compliance job responsibilities shall not involve
billing, coding, or claim submission (or oversight for those functions) for OGCC.

OGCC shall report to OIG, in writing, any changes in the identity or job
responsibilities of the Compliance Contact, or any actions or changes that would affect
the Compliance Contact’s ability to perform the duties necessary to meet the
requirements in this IA, within five business days after such a change.

B. Policies and Procedures

Within 90 days after the Effective Date, OGCC shall develop and implement
written policies and procedures regarding appropriate billing and medical record
documentation for compliance with Federal health care program requirements (Policies
and Procedures). Throughout the term of this IA, OGCC shall enforce its Policies and
Procedures and shall make such compliance an element of evaluating the performance of
all employees.

The Policies and Procedures shall be made available to all Covered Persons.
At least annually (and more frequently, if appropriate), OGCC shall assess and update, as necessary, the Policies and Procedures. Any revised or new Policies and Procedures shall be made available to all Covered Persons. All Policies and Procedures shall be made available to OIG upon request.

C. Posting of Notice

Within 90 days after the Effective Date, OGCC shall post in a prominent place accessible to all patients and Covered Persons a notice that provides the name and phone number of the Compliance Officer and the HHS OIG Fraud Hotline telephone number (1-800-HHS-TIPS) as a confidential means by which suspected fraud or abuse in the Federal health care programs may be reported.

D. Training and Education

1. Covered Persons Training. All Covered Persons shall receive at least three hours of training during the first Reporting Period. Any individuals who become Covered Persons after the Effective Date and during the term of this IA shall receive at least three hours of training within 90 days of becoming a Covered Person.

Training may be completed in-person or online. These training requirements may be satisfied only by the completion of training courses that are submitted to OIG, prior to registration for the training course, for review and approval.

At a minimum, the required training sessions must include the following topics:

   a. the Federal health care program billing, coding and claim submission statutes, regulations, and program requirements and directives relating to the items or services furnished by OGCC;

   b. the Federal health care program medical record documentation requirements relating to items or services furnished by OGCC; and

   c. the personal obligation of each individual involved in the medical record documentation and claims submission processes to ensure that medical records and claims are accurate.
The OIG may, in its discretion, require that all Covered Persons complete additional hours of training regarding the topics identified above, or additional topics, in the second or third years of the IA. The OIG shall provide notice to OGCC of such additional required training at least 180 days prior to the required completion date for such training.

2. Training Records. OGCC shall maintain written documentation (e.g., written or electronic certificates of completion from the training provider) that all Covered Persons required to receive training have in fact completed such training. The documentation shall specify the type of training received, the individual who completed the training, and the date received.

E. Review Procedures

1. General Description.

a. Engagement of Independent Review Organization. Within 90 days after the Effective Date, OGCC shall engage an individual or entity, such as an accounting, auditing, or consulting firm (hereinafter “Independent Review Organization” or “IRO”), to perform the reviews listed in this Section III.E. The applicable requirements relating to the IRO are outlined in Appendix A to this IA, which is incorporated by reference.

b. Retention of Records. The IRO and OGCC shall retain and make available to OIG, upon request, all work papers, supporting documentation, correspondence, and draft reports (those exchanged between the IRO and OGCC) related to the reviews.

c. Access to Records and Personnel. OGCC shall ensure that the IRO has access to all records and personnel necessary to complete the reviews listed in this Section III.E and that all records furnished to the IRO are accurate and complete.

2. Claims Review. The IRO shall conduct a review of OGCC’s claims submitted to and reimbursed by the Medicare, Medicaid, and Medicaid Managed Care programs to determine whether the items and services furnished were medically necessary and appropriately documented and whether the claims were correctly coded, submitted, and reimbursed, for each three-month period during the term of this IA.
(Quarterly Claims Review) and shall prepare a Quarterly Claims Review Report, as outlined in Appendix B to this IA, which is incorporated by reference. The first three-month period for purposes of the Quarterly Claims Review requirement shall begin 30 days after the Effective Date. Each Quarterly Claims Review Report shall be submitted to OIG within 60 days following the end of the three-month period covered by the Quarterly Claims Review.

3. **Independence and Objectivity Certification**. Prior to performing the first Quarterly Claims Review, and annually thereafter, the IRO shall submit to OGCC a certification that the IRO has (a) evaluated its professional independence and objectivity with respect to the reviews required under this Section III.E and (b) concluded that it is, in fact, independent and objective, in accordance with the requirements specified in Appendix A to this IA. The IRO’s certification shall include a summary of all current and prior engagements between OGCC and the IRO.

F. **Ineligible Persons**

1. **Definitions.** For purposes of this IA:

   a. an “Ineligible Person” shall include an individual or entity who:

   i. is currently excluded from participation in any Federal health care program; or

   ii. has been convicted of (a) a criminal offense that is related to the delivery of an item or service under Medicare or any state health care program; (b) a criminal offense relating to neglect or abuse of patients; (c) a felony criminal offense relating to fraud, theft, embezzlement, breach of fiduciary responsibility, or other financial misconduct in connection with the delivery of a health care item or service or with respect to a government funded health care program (other than Medicare or a state health care program); or (d) a felony criminal offense relating to the unlawful manufacture, distribution, prescription or dispensing of a controlled substance, but has not yet been excluded, debarred, suspended, or otherwise declared ineligible.

2. **Screening Requirements.** OGCC shall ensure that all prospective and current Covered Persons are not Ineligible Persons, by implementing the following screening requirements.

a. OGCC shall screen all prospective Covered Persons against the Exclusion List prior to engaging their services and, as part of the hiring or contracting process, shall require such Covered Persons to disclose whether they are Ineligible Persons.

b. OGCC shall screen all current Covered Persons against the Exclusion List within 30 days after the Effective Date and on a monthly basis thereafter.

c. OGCC shall require all Covered Persons to immediately disclose immediately if they become an Ineligible Person.

OGCC shall maintain documentation in order to demonstrate that OGCC: (1) has checked the Exclusion List (i.e., a print screen of the search results) and determined that its Covered Persons are not Ineligible Persons; and (2) has required its Covered Persons to disclose if they are an Ineligible Person.

Nothing in this Section III.F affects OGCC’s responsibility to refrain from (and liability for) billing Federal health care programs for items or services furnished, ordered, or prescribed by an excluded person. OGCC understands that items or services furnished by excluded persons are not payable by Federal health care programs and that OGCC may be liable for overpayments and/or criminal, civil, and administrative sanctions for employing or contracting with an excluded person regardless of whether OGCC meets the requirements of Section III.F.

3. **Removal Requirement.** If OGCC has actual notice that a Covered Person has become an Ineligible Person, OGCC shall remove such Covered Person from responsibility for, or involvement with, OGCC’s business operations related to the Federal health care program(s) from which such Covered Person has been excluded and shall remove such Covered Person from any position for which the Covered Person’s compensation or the items or services furnished, ordered, or prescribed by the Covered Person are paid in whole or part, directly or indirectly, by any Federal health care
program(s) from which the Covered Person has been excluded at least until such time as the Covered Person is reinstated into participation in such Federal health care program(s).

4. **Pending Charges and Proposed Exclusions.** If OGCC has actual notice that a Covered Person is charged with a criminal offense that falls within the scope of 42 U.S.C. §§ 1320a-7(a), 1320a-7(b)(1)-(3), or is proposed for exclusion during the Covered Person’s employment or contract term, OGCC shall take all appropriate actions to ensure that the responsibilities of that Covered Person have not and shall not adversely affect the quality of care rendered to any beneficiary or the accuracy of any claims submitted to any Federal health care program.

G. **Notification of Government Investigation or Legal Proceeding**

Within 30 days after discovery, OGCC shall notify OIG, in writing, of any ongoing investigation or legal proceeding known to OGCC conducted or brought by a governmental entity or its agents involving an allegation that OGCC has committed a crime or has engaged in fraudulent activities. This notification shall include a description of the allegation, the identity of the investigating or prosecuting agency, and the status of such investigation or legal proceeding. OGCC shall also provide written notice to OIG within 30 days after the resolution of the matter, and shall provide OIG with a description of the findings and/or results of the investigation or proceeding, if any.

H. **Overpayments**

1. **Definition of Overpayments.** An “Overpayment” means any funds that OGCC receives or retains under any Federal health care program to which OGCC, after applicable reconciliation, is not entitled under such Federal health care program.

2. **Overpayment Policies and Procedures.** Within 90 days after the Effective Date, OGCC shall develop and implement written policies and procedures regarding the identification, quantification and repayment of Overpayments received from any Federal health care program.

3. **Repayment of Overpayments.** If, at any time, OGCC identifies any Overpayment, OGCC shall repay the Overpayment to the appropriate payor (e.g., Medicare contractor) in accordance with the requirements of 42 U.S.C. § 1320a-7k(d) and any applicable regulations and guidance from the Centers for Medicare and Medicaid Services (CMS). OGCC should follow the payor’s policies regarding the form of notification and the repayment process for any Overpayment refunds. Any questions regarding the repayment process should be directed to the payor.
I. Reportable Events

1. Definition of Reportable Event. For purposes of this IA, a “Reportable Event” means anything that involves:

   a. a substantial Overpayment;

   b. a matter that a reasonable person would consider a probable violation of criminal, civil, or administrative laws applicable to any Federal health care program for which penalties or exclusion may be authorized;

   c. the employment of or contracting with a Covered Person who is an Ineligible Person as defined by Section III.F.1.a; or

   d. the filing of a bankruptcy petition by OGCC.

A Reportable Event may be the result of an isolated event or a series of occurrences.

2. Reporting of Reportable Events. If OGCC determines (after a reasonable opportunity to conduct an appropriate review or investigation of the allegations) through any means that there is a Reportable Event, OGCC shall notify OIG, in writing, within 30 days after making the determination that the Reportable Event exists.

3. Reportable Events under Section III.I.1.a and III.I.1.b. For Reportable Events under Section III.I.1.a and b, the report to OIG shall include:

   a. a complete description of all details relevant to the Reportable Event, including, at a minimum, the types of claims, transactions or other conduct giving rise to the Reportable Event; the period during which the conduct occurred; and the names of entities and individuals believed to be implicated, including an explanation of their roles in the Reportable Event;

   b. a statement of the Federal criminal, civil or administrative laws that are probably violated by the Reportable Event, if any;
c. the Federal health care programs affected by the Reportable Event;

d. a description of the steps taken by OGCC to identify and quantify any Overpayments; and

e. a description of OGCC’s actions taken to correct the Reportable Event and prevent it from recurring.

If the Reportable Event involves an Overpayment, within 60 days of identification of the Overpayment, OGCC shall repay the Overpayment, in accordance with the requirements of 42 U.S.C. §1320a-7k(d) and any applicable regulations and Centers for Medicare and Medicaid Services (CMS) guidance and provide OIG with a copy of the notification and repayment.

4. **Reportable Events under Section III.I.1.c.** For Reportable Events under Section III.I.1.c, the report to OIG shall include:

   a. the identity of the Ineligible Person and the job duties performed by that individual;

   b. the dates of the Ineligible Person’s employment or contractual relationship;

   c. a description of the Exclusion List screening that OGCC completed before and/or during the Ineligible Person’s employment or contract and any flaw or breakdown in the screening process that led to the hiring or contracting with the Ineligible Person;

   d. a description of how the Ineligible Person was identified; and

   e. a description of any corrective action implemented to prevent future employment or contracting with an Ineligible Person.

5. **Reportable Events under Section III.I.1.d.** If the Reportable Event involves the filing of a bankruptcy petition, the report to the OIG shall include documentation of the bankruptcy filing and a description of any Federal health care program requirements implicated.
6. **Reportable Events Involving the Stark Law.** Notwithstanding the reporting requirements outlined above, any Reportable Event that involves solely a probable violation of section 1877 of the Social Security Act, 42 U.S.C. §1395nn (the Stark Law) should be submitted by OGCC to CMS through the self-referral disclosure protocol (SRDP), with a copy to the OIG. If OGCC identifies a probable violation of the Stark Law and repays the applicable Overpayment directly to the CMS contractor, then OGCC is not required by this Section III.I to submit the Reportable Event to CMS through the SRDP.

J. **Third Party Billing**

If, prior to the Effective Date or at any time during the term of this IA OGCC contracts with a third party billing company to submit claims to the Federal health care programs on behalf of OGCC, OGCC must certify to OIG that it does not have an ownership or control interest (as defined in 42 U.S.C. § 1320a-3(a)(3)) in the third party billing company.

OGCC also shall obtain (as applicable) a certification from any third party billing company that the company: (1) has a policy of not employing any person who is excluded from participation in any Federal health care program to perform any duties related directly or indirectly to the preparation or submission of claims to Federal health care programs; (2) screens its prospective and current employees against the Exclusion List; and (3) provides training in the applicable requirements of the Federal health care programs to those employees involved in the preparation and submission of claims to Federal health care programs.

If applicable, a copy of these certifications shall be included in OGCC’s Implementation Report and each Annual Report required by Section V below.

**IV. SUCCESSOR LIABILITY; CHANGES TO LOCATIONS OR BUSINESS**

In the event that, after the Effective Date, OGCC proposes to (a) sell any or all of its locations or businesses that are subject to this IA (whether through a sale of assets, sale of stock, or other type of transaction), or (b) purchase or establish a new location or business related to the furnishing of items or services that may be reimbursed by any Federal health care program, the IA shall be binding on the purchaser of any such location or business and any new location or business (and all Covered Persons at each new location or business) shall be subject to the requirements of this IA, unless otherwise
determined and agreed to in writing by OIG. OGCC shall give notice of such sale or purchase to OIG within 30 days following the closing of the transaction.

If, in advance of a proposed sale or proposed purchase, OGCC wishes to obtain a determination by OIG that the proposed purchaser or the proposed acquisition will not be subject to the requirements of the IA, OGCC must notify OIG in writing of the proposed sale or purchase at least 30 days in advance. This notification shall include a description of the location or business to be sold or purchased, a brief description of the terms of the transaction and, in the case of a proposed sale, the name and contact information of the prospective purchaser.

   e. failure to comply with Section V;

   f. failure to respond to a Demand Letter for Stipulated Penalties in accordance with Section X.C;

   g. failure to pay Stipulated Penalties within 20 days after an ALJ issues a decision ordering OGCC to pay the Stipulated Penalties or within 20 days after the HHS Departmental Appeals Board (DAB) issues a decision upholding the determination of OIG; or

   h. failure to come into compliance with a requirement for which OIG has demanded Stipulated Penalties, pursuant to the deadlines listed in Section X.E.2.

2. **Notice of Material Breach and Intent to Exclude.** The parties agree that a material breach of this IA by OGCC constitutes an independent basis for OGCC’s exclusion from participation in the Federal health care programs. The length of the exclusion shall be in the OIG’s discretion, but not more than three years for each material breach. Upon a preliminary determination by OIG that OGCC has materially breached this IA, OIG shall notify OGCC of: (a) OGCC’s material breach; and (b) OIG’s intent to

3. Response to Notice. OGCC shall have 30 days from the date of the Notice of Material Breach and Intent to Exclude to submit any information and documentation for OIG to consider before it makes a final determination regarding exclusion.

4. Exclusion Letter. If OIG determines that exclusion is warranted, OIG shall notify OGCC in writing of its determination to exclude OGCC. (This letter shall be referred to as the “Exclusion Letter.”) Subject to the Dispute Resolution provisions in Section X.E, below, the exclusion shall go into effect 30 days after the date of the Exclusion Letter. The exclusion shall have national effect. The effect of the exclusion shall be that no Federal health care program payment may be made for any items or services furnished, ordered, or prescribed by OGCC, including administrative and management services, except as stated in regulations found at 42 C.F.R. 1001.1901(c). Reinstatement to program participation is not automatic. At the end of the period of exclusion, OGCC may apply for reinstatement, by submitting a written request for reinstatement in accordance with the provisions at 42 C.F.R. §§ 1001.3001-.3004.

E. Dispute Resolution

1. Review Rights. Upon OIG’s issuing a Demand Letter or Exclusion Letter, and as an agreed-upon remedy for the resolution of disputes arising under this IA, OGCC shall be afforded certain review rights comparable to the ones that are provided in 42 U.S.C. § 1320a-7(f) and 42 C.F.R. Part 1005. Specifically, OIG’s determination to demand payment of Stipulated Penalties or to seek exclusion shall be subject to review by an HHS ALJ and, in the event of an appeal, the DAB, in a manner consistent with the provisions in 42 C.F.R. § 1005.2-1005.21, but only to the extent this IA does not provide otherwise. Notwithstanding the language in 42 C.F.R. § 1005: (a) the request for a hearing involving Stipulated Penalties shall be made within 15 days after the date of the Demand Letter and the request for a hearing involving exclusion shall be made within 25 days after the date of the Exclusion Letter; and (b) no discovery shall be available to the parties. The procedures relating to the filing of a request for a hearing can be found at http://www.hhs.gov/dab/divisions/civil/procedures/divisionprocedures.html.

2. Stipulated Penalties Review. Notwithstanding any provision of Title 42 of the United States Code or Title 42 of the Code of Federal Regulations, the only issues in a proceeding for Stipulated Penalties under this IA shall be: (a) whether OGCC was in full and timely compliance with the requirements of this IA for which OIG demands payment; and (b) the period of noncompliance. OGCC shall have the burden of
proving its full and timely compliance. If the ALJ upholds the OIG’s determination that OGCC has breached this IA and orders OGCC to pay Stipulated Penalties, OGCC must (a) come into compliance with the requirement(s) that resulted in the OIG imposing Stipulated Penalties and (b) pay the Stipulated Penalties within 20 days after the ALJ issues a decision, unless OGCC properly and timely requests review of the ALJ decision by the DAB. If the ALJ decision is properly and timely appealed to the DAB and the DAB upholds the determination of OIG, OGCC must (a) come into compliance with the requirement(s) that resulted in the OIG imposing Stipulated Penalties and (b) pay the Stipulated Penalties within 20 days after the DAB issues its decision.

3. **Exclusion Review.** Notwithstanding any provision of Title 42 of the United States Code or Title 42 of the Code of Federal Regulations, the only issues in a proceeding for exclusion based on a material breach of this IA shall be whether OGCC was in material breach of this IA. If the ALJ sustains the OIG’s determination of material breach, the exclusion shall take effect 20 days after the ALJ issues the decision. If the DAB finds in favor of OIG after an ALJ decision adverse to OIG, the exclusion shall take effect 20 days after the DAB decision. OGCC shall waive its right to any notice by OIG of the exclusion if a decision upholding the exclusion is rendered by the ALJ or DAB. If the DAB finds in favor of OGCC, OGCC shall be reinstated effective on the date of the exclusion.

4. **Finality of Decision.** The review by an ALJ or DAB provided for above shall not be considered to be an appeal right arising under any statutes or regulations. The parties to this IA agree that the DAB’s decision (or the ALJ’s decision if not appealed) shall be considered final for all purposes under this IA and OGCC agrees not to seek additional review of the DAB’s decision (or the ALJ’s decision if not appealed) in any judicial forum.

XI. **EFFECTIVE AND BINDING AGREEMENT**

OGCC and OIG agree as follows:

A. This IA shall become final and binding on the date the final signature is obtained on the IA.

B. This IA constitutes the complete agreement between the parties and may not be amended except by written consent of the parties to this IA.

C. OIG may agree to a suspension of OGCC’s requirements under this IA based on a certification by OGCC that it is no longer providing health care items or services that will be billed to any Federal health care program and it does not have any

ownership or control interest, as defined in 42 U.S.C. § 1320a-3, in any entity that bills any Federal health care program. If OGCC is relieved of its IA requirements, OGCC shall be required to notify OIG in writing at least 30 days in advance if OGCC plans to resume providing health care items or services that are billed to any Federal health care program or to obtain an ownership or control interest in any entity that bills any Federal health care program. At such time, OIG shall evaluate whether the IA will be reactivated or modified.

D. All requirements and remedies set forth in this IA are in addition to and do not affect (1) OGCC’s responsibility to follow all applicable Federal health care program requirements or (2) the government’s right to impose appropriate remedies for failure to follow applicable Federal health care program requirements.

E. The undersigned OGCC signatories represent and warrant that they are authorized to execute this IA. The undersigned OIG signatories represent that they are signing this IA in their official capacity and that they are authorized to execute this IA.

F. This IA may be executed in counterparts, each of which constitutes an original and all of which constitute one and the same IA. Electronically-transmitted copies of signatures shall constitute acceptable, binding signatures for purposes of this IA.

APPENDIX A
INDEPENDENT REVIEW ORGANIZATION

This Appendix contains the requirements relating to the Independent Review Organization (IRO) required by Section III.E of the IA.

A. IRO Engagement

1. OGCC shall engage an IRO that possesses the qualifications set forth in Paragraph B, below, to perform the responsibilities in Paragraph C, below. The IRO shall conduct the review in a professionally independent and objective fashion, as set forth in Paragraph E. Within 30 days after OIG receives the information identified in Section V.A.4 of the IA or any additional information submitted by OGCC in response to a request by OIG, whichever is later, OIG will notify OGCC if the IRO is unacceptable. Absent notification from OIG that the IRO is unacceptable, OGCC may continue to engage the IRO.

2. If OGCC engages a new IRO during the term of the IA, that IRO must also meet the requirements of this Appendix. If a new IRO is engaged, OGCC shall submit the information identified in Section V.A.4 of the IA to OIG within 30 days of engagement of the IRO. Within 30 days after OIG receives this information or any additional information submitted by OGCC at the request of OIG, whichever is later, OIG will notify OGCC if the IRO is unacceptable. Absent notification from OIG that the IRO is unacceptable, OGCC may continue to engage the IRO.

B. IRO Qualifications

The IRO shall:

1. assign individuals to conduct the Quarterly Claims Review who have expertise in the billing, coding, claims submission and other applicable Medicare, state Medicaid, and Medicaid Managed Care program requirements;

2. assign individuals to design and select the Quarterly Claims Review sample who are knowledgeable about the appropriate statistical sampling techniques;

3. assign individuals to conduct the coding review portions of the Quarterly Claims Review who have a nationally recognized coding certification and who have maintained this certification (e.g., completed applicable continuing education requirements);
4. assign licensed nurses or physicians with relevant education, training, and specialized expertise (or other licensed health care professionals acting within their scope of practice and specialized expertise) to make the medical necessity determinations required by the Quarterly Claims Review; and

5. have sufficient staff and resources to conduct the reviews required by the IA on a timely basis.

C. IRO Responsibilities

The IRO shall:

1. perform each Quarterly Claims Review in accordance with the specific requirements of the IA;

2. follow all applicable Medicare, state Medicaid, and Medicaid Managed Care program rules and reimbursement guidelines in making assessments in the Claims Review;

3. request clarification from the appropriate authority (e.g., Medicare contractor), if in doubt of the application of a particular Medicare, state Medicaid, or Medicaid Managed Care program policy or regulation;

4. respond to all OIG inquires in a prompt, objective, and factual manner; and

5. prepare timely, clear, well-written reports that include all the information required by Appendix B to the IA.

D. OGCC Responsibilities

OGCC shall ensure that the IRO has access to all records and personnel necessary to complete the reviews listed in Section III.E of this IA and that all records furnished to the IRO are accurate and complete.

E. IRO Independence and Objectivity

The IRO must perform the Quarterly Claims Review in a professionally independent and objective fashion, as defined in the most recent Government Auditing Standards issued by the U.S. Government Accountability Office.
F. IRO Removal/Termination

1. **OGCC and IRO.** If OGCC terminates its IRO or if the IRO withdraws from the engagement during the term of the IA, OGCC must submit a notice explaining (a) its reasons for termination of the IRO or (b) the IRO’s reasons for its withdrawal to OIG, no later than 30 days after termination or withdrawal. OGCC must engage a new IRO in accordance with Paragraph A of this Appendix and within 60 days of termination or withdrawal of the IRO.

2. **OIG Removal of IRO.** In the event OIG has reason to believe the IRO does not possess the qualifications described in Paragraph B, is not independent and objective as set forth in Paragraph E, or has failed to carry out its responsibilities as described in Paragraph C, OIG shall notify OGCC in writing regarding OIG’s basis for determining that the IRO has not met the requirements of this Appendix. OGCC shall have 30 days from the date of OIG’s written notice to provide information regarding the IRO’s qualifications, independence, or performance of its responsibilities in order to resolve the concerns identified by OIG. If, following OIG’s review of any information provided by OGCC regarding the IRO, OIG determines that the IRO has not met the requirements of this Appendix, OIG shall notify OGCC in writing that OGCC shall be required to engage a new IRO in accordance with Paragraph A of this Appendix. OGCC must engage a new IRO within 60 days of its receipt of OIG’s written notice. The final determination as to whether or not to require OGCC to engage a new IRO shall be made at the sole discretion of OIG.
APPENDIX B
QUARTERLY CLAIMS REVIEW

A. Quarterly Claims Review. The IRO shall conduct a review of OGCC’s claims submitted to and reimbursed by the Medicare, Medicaid, and Medicaid Managed Care programs, to determine whether the items and services furnished were medically necessary and appropriately documented, and whether the claims were correctly coded, billed, and reimbursed, for each three-month period during the term of this IA (Quarterly Claims Review) and prepare a report for each Quarterly Claims Review performed. The first three-month period shall begin 30 days following the Effective Date of this IA.

1. Definitions. For the purposes of this Appendix B, the following definitions shall be used:

a. Overpayment: The amount of money OGCC has received in excess of the amount due and payable under any Medicare, state Medicaid, or Medicaid Managed Care program requirements, as determined by the IRO in connection with the Claims Review performed under this Appendix B.

b. Paid Claim: A claim submitted by OGCC and for which OGCC has received reimbursement from the Medicare program, a state Medicaid program, or Medicaid Managed Care program.

c. Population: The Population shall be defined as all Paid Claims during the three-month period covered by the Quarterly Claims Review.

2. Quarterly Claims Sample.

a. Within 15 days following the end of each three-month period during the term of the IA, the IRO shall randomly select a sample of 30 Paid Claims submitted by or on behalf of OGCC during the preceding three-month period (Quarterly Claims Sample). The sample must be selected through the use of OIG’s Office of Audit Services’ Statistical Sampling Software, also known as RAT-STATS, which is currently available at https://oig.hhs.gov/compliance/rat-stats/index.asp.

b. OGCC shall provide the IRO with a list of all OGCC’s Paid Claims for the three-month period covered by the Quarterly Claims Sample.
The IRO should number each Paid Claim in the Population sequentially prior to generating the random numbers used to select the Quarterly Claims Sample. The IRO should generate 30 random numbers using RAT-STATS and then use the random numbers to identify the 30 Paid Claims in the Population that will be subject to review by the IRO.

c. The randomly selected 30 Paid Claims shall be reviewed by the IRO based on the supporting documentation available at OGCC’s office or under OGCC’s control and applicable Medicare, state Medicaid, and Medicaid Managed Care program requirements to determine whether the items and services furnished were medically necessary and appropriately documented, and whether the claim was correctly coded, submitted, and reimbursed.

d. The IRO shall prepare a written report of its findings from the Quarterly Claims Sample, as described in Section C below (Quarterly Claims Review Report). The Quarterly Claims Review Report shall be submitted to the OIG within 60 days following the end of the three-month period covered by each Quarterly Claims Review.

3. Repayment of Identified Overpayments. OGCC shall repay within 60 days any Overpayments identified by the IRO in the Quarterly Claims Sample, in accordance with the requirements of 42 U.S.C. § 1320a-7k(d) and any applicable regulations and Centers for Medicare and Medicaid Services (CMS) guidance (the “CMS overpayment rule”). If OGCC determines that the CMS overpayment rule requires that an extrapolated Overpayment be repaid, OGCC shall repay that amount at the mean point estimate as calculated by the IRO. OGCC shall make available to OIG all documentation that reflects the refund of the Overpayment(s) to the payor. OIG, in its sole discretion, may refer the findings of the Quarterly Claims Review Sample (and any related work papers) received from OGCC to the appropriate Medicare, state Medicaid, or Medicaid Managed Care program contractor for appropriate follow up by that payor.

b. **Source of Data.** A description of (1) the process used to identify
claims in the Population, and (2) the specific documentation relied
upon by the IRO when performing the Quarterly Claims Review
(e.g., medical records, physician or other practitioner orders,
certificates of medical necessity, requisition forms, local medical
review policies (including title and policy number), CMS program
memoranda (including title and issuance number), Medicare
contractor manual or bulletins (including issue and date), other
policies, regulations, or directives).

c. **Review Protocol.** A narrative description of how the Quarterly
Claims Review was conducted and what was evaluated.

d. **Supplemental Materials.** The IRO shall request all documentation
and materials required for its review of the Paid Claims in each
Quarterly Claims Sample and OGCC shall furnish such
documentation and materials to the IRO, prior to the IRO initiating
its review of the Quarterly Claims Sample. If the IRO accepts any
supplemental documentation or materials from OGCC after the IRO
has completed its initial review of the Quarterly Claims Sample
(Supplemental Materials), the IRO shall identify in the Quarterly
Claims Review Report the Supplemental Materials, the date the
Supplemental Materials were accepted, and the relative weight the
IRO gave to the Supplemental Materials in its review. In addition,
the IRO shall include a narrative in the Quarterly Claims Review
Report describing the process by which the Supplemental Materials
were accepted and the IRO’s reasons for accepting the Supplemental
Materials.

2. **Statistical Sampling Documentation.** A copy of the printout of the random
numbers generated by the “Random Numbers” function of RAT-STATS used by the IRO
to select the Quarterly Claims Sample.

3. **Claims Review Findings.**

   a. **Narrative Results.**

      i. For the first Quarterly Claims Review Report only, a
description of (a) OGCC’s billing and coding system(s),
including the identification, by position description, of the
personnel involved in coding and billing, and (b) a
description of controls in place to ensure that all items and services billed to a Medicare, state Medicaid, or Medicaid Managed Care program by OGCC are medically necessary and appropriately documented. Subsequent Quarterly Claims Review Reports should describe any significant changes to items (a) and (b) or, if no significant changes were made, state that the systems and controls remain the same as described in the prior Quarterly Claims Review Report.

ii. A narrative explanation of the results of the Quarterly Claims Sample, including reasons for errors, patterns noted, etc.

b. Quantitative Results.

i. Total number and percentage of instances in which the IRO determined that the coding of the Paid Claims submitted by OGCC differed from what should have been the correct coding and in which such difference resulted in an Overpayment to OGCC.

ii. Total number and percentage of instances in which the IRO determined that a Paid Claim was not appropriately documented and in which such documentation errors resulted in an Overpayment to OGCC.

iii. Total number and percentage of instances in which the IRO determined that a Paid Claim was for items or services that were not medically necessary and resulted in an Overpayment to OGCC.

iv. Total dollar amount of all Overpayments in the Quarterly Claims Review Sample.

v. Total dollar amount of Paid Claims included in the Quarterly Claims Review Sample.

vi. Error Rate in the Quarterly Claims Review Sample. The Error Rate shall be calculated by dividing the Overpayment in the Quarterly Claims Review Sample by the total dollar amount associated with the Paid Claims in the Quarterly Claims Review Sample.
vii. An estimate of the actual Overpayment in the Population at the mean point estimate.

viii. A spreadsheet of the Quarterly Claims Sample results that includes the following information for each Paid Claim: Federal health care program billed, beneficiary health insurance claim number, date of service, procedure code submitted, procedure code reimbursed, allowed amount reimbursed by payor, correct procedure code (as determined by the IRO), correct allowed amount (as determined by the IRO), dollar difference between allowed amount reimbursed by payor and the correct allowed amount.

c. Recommendations. The IRO’s report shall include any recommendations for improvements to OGCC’s billing and coding system or to OGCC’s controls for ensuring that all items and services billed to Medicare, a state Medicaid program, or a Medicaid Managed Care program are medically necessary and appropriately documented, based on the findings of the Quarterly Claims Review.

d. Credentials. The names and credentials of the individuals who: (1) designed the review methodology utilized for the Quarterly Claims Review and (2) performed the Quarterly Claims Review.

C. Other Requirements. The following requirements apply to any Quarterly Claims Review performed pursuant to this Appendix B.

1. Paid Claims without Supporting Documentation. Any Paid Claim for which OGCC cannot produce documentation shall be considered an error and the total reimbursement received by OGCC for such Paid Claim shall be deemed an Overpayment. Replacement sampling for Paid Claims with missing documentation is not permitted.

2. Use of First Samples Drawn. For the purposes of all samples discussed in this Appendix, the Paid Claims selected in each first sample shall be used (i.e., it is not permissible to generate more than one list of random samples and then select one for use with the sample).
