All Policies and Procedures shall be made available to OIG upon request.

3. **Records Retention and Access.** Post Acute Medical shall retain and make available to OIG, upon request, the Focus Arrangements Tracking System and all supporting documentation of the Focus Arrangements subject to this Section and, to the extent available, all non-privileged communications related to the Focus Arrangements and the actual performance of the duties under the Focus Arrangements.
E. Review Procedures

1. General Description.
   
a. Engagement of Independent Review Organization. Within 90 days after the Effective Date, Post Acute Medical shall engage a law or consulting firm, or lawyer (hereinafter “Independent Review Organization” or “IRO”), to perform the reviews listed in this Section III.E. The applicable requirements relating to the IRO are outlined in Appendix A to this CIA, which is incorporated by reference.

c. Responsibilities and Liabilities. d. Access to Records and Personnel. Post Acute Medical shall ensure that the IRO has access to all records and personnel necessary to complete the reviews listed in this Section III.E and that all records furnished to the IRO are accurate and complete.

2. Arrangements Review. The IRO shall perform an Arrangements Review and prepare an Arrangements Review Report as outlined in Appendix B to this CIA, which is incorporated by reference.

3. Independence and Objectivity Certification. The IRO shall include in its report(s) to Post Acute Medical a certification that the IRO (a) has not previously
represented or been employed or engaged by Post Acute Medical and (b) does not have a relationship to Post Acute Medical or its owners, officers, or members that would cause a reasonable person to question the IRO’s objectivity.

F. Risk Assessment and Internal Review Process

Within 90 days after the Effective Date, Post Acute Medical shall develop and implement a centralized annual risk assessment and internal review process to identify and address risks associated with Arrangements (as defined in Section II.C.1 above) and Post Acute Medical’s participation in the Federal health care programs, including but not limited to the risks associated with the submission of claims for items and services furnished to Medicare and Medicaid program beneficiaries. The risk assessment and internal review process shall require compliance, legal and department leaders, at least annually, to: (1) identify and prioritize risks, (2) develop internal audit work plans related to the identified risk areas, (3) implement the internal audit work plans, (4) develop corrective action plans in response to the results of any internal audits performed, and (5) track the implementation of the corrective action plans in order to assess the effectiveness of such plans. Within 90 days after the Effective Date, Post Acute Medical shall establish a Disclosure Program that includes a mechanism (e.g., a toll-free compliance telephone line) to enable individuals to disclose, to the Compliance Officer or some other person who is not in the disclosing individual’s chain of command, any identified issues or questions associated with Post Acute Medical’s policies, conduct, practices, or procedures with respect to a Federal health care program believed by the individual to be a potential violation of criminal, civil, or administrative law. Post Acute Medical shall appropriately publicize the existence of the disclosure mechanism (e.g., via periodic e-mails to employees or by posting the information in prominent common areas).

The Disclosure Program shall emphasize a nonretribution, nonretaliation policy, and shall include a reporting mechanism for anonymous communications for which appropriate confidentiality shall be maintained. The Disclosure Program also shall include a requirement that all of Post Acute Medical’s Covered Persons shall be expected to report suspected violations of any Federal health care program requirements to the

Post Acute Medical CIA
Compliance Officer or other appropriate individual designated by Post Acute Medical. Upon receipt of a disclosure, the Compliance Officer (or designee) shall gather all relevant information from the disclosing individual. The Compliance Officer (or designee) shall make a preliminary, good faith inquiry into the allegations set forth in every disclosure to ensure that he or she has obtained all of the information necessary to determine whether a further review should be conducted. For any disclosure that is sufficiently specific so that it reasonably: (1) permits a determination of the appropriateness of the alleged improper practice; and (2) provides an opportunity for taking corrective action, Post Acute Medical shall conduct an internal review of the allegations set forth in the disclosure and ensure that proper follow-up is conducted.

The Compliance Officer (or designee) shall maintain a disclosure log and shall record each disclosure in the disclosure log within two business days of receipt of the disclosure. The disclosure log shall include a summary of each disclosure received (whether anonymous or not), the status of the respective internal reviews, and any corrective action taken in response to the internal reviews.

H. **Ineligible Persons**

   a. an “Ineligible Person” shall include an individual or entity who:

      i. is currently excluded from participation in any Federal health care program; or

      ii. has been convicted of a criminal offense that falls within the scope of 42 U.S.C. § 1320a-7(a), but has not yet been excluded.

2. **Screening Requirements.** Post Acute Medical shall ensure that all prospective and current Covered Persons are not Ineligible Persons, by implementing the following screening requirements.

   a. Post Acute Medical shall screen all prospective Covered Persons against the Exclusion List prior to engaging their services and, as part of the hiring or contracting process, shall require such Covered Persons to disclose whether they are Ineligible Persons.

   b. Post Acute Medical shall screen all current Covered Persons against the Exclusion List within 90 days after the Effective Date and on a monthly basis thereafter.

   c. Post Acute Medical shall implement a policy requiring all Covered Persons to disclose immediately if they become an Ineligible Person.

   Nothing in this Section III.H affects Post Acute Medical’s responsibility to refrain from (and liability for) billing Federal health care programs for items or services furnished, ordered, or prescribed by an excluded person. Post Acute Medical understands that items or services furnished, ordered, or prescribed by excluded persons are not payable by Federal health care programs and that Post Acute Medical may be liable for overpayments and/or criminal, civil, and administrative sanctions for employing or contracting with an excluded person regardless of whether Post Acute Medical meets the requirements of Section III.H.

3. **Removal Requirement.** If Post Acute Medical has actual notice that a Covered Person has become an Ineligible Person, Post Acute Medical shall remove such Covered Person from responsibility for, or involvement with, Post Acute Medical’s business operations related to the Federal health care program(s) from which such Covered Person has been excluded and shall remove such Covered Person from any position for which the Covered Person’s compensation or the items or services furnished, ordered, or prescribed by the Covered Person are paid in whole or part, directly or indirectly, by any Federal health care program(s) from which the Covered Person has been excluded at least until such time as the Covered Person is reinstated into participation in such Federal health care program(s).

*Post Acute Medical CIA*
4. **Pending Charges and Proposed Exclusions.** If Post Acute Medical has actual notice that a Covered Person is charged with a criminal offense that falls within the scope of 42 U.S.C. §§ 1320a-7(a), 1320a-7(b)(1)-(3), or is proposed for exclusion during the Covered Person’s employment or contract term or during the term of a physician’s or other practitioner’s medical staff privileges, Post Acute Medical shall take all appropriate actions to ensure that the responsibilities of that Covered Person have not and shall not adversely affect the quality of care rendered to any beneficiary or the accuracy of any claims submitted to any Federal health care program.

I. **Notification of Government Investigation or Legal Proceeding**

Within 30 days after discovery, Post Acute Medical shall notify OIG, in writing, of any ongoing investigation or legal proceeding known to Post Acute Medical conducted or brought by a governmental entity or its agents involving an allegation that Post Acute Medical has committed a crime or has engaged in fraudulent activities. This notification shall include a description of the allegation, the identity of the investigating or prosecuting agency, and the status of such investigation or legal proceeding. Post Acute Medical shall also provide written notice to OIG within 30 days after the resolution of the matter, and shall provide OIG with a description of the findings and/or results of the investigation or proceeding, if any.

J. **Overpayments**

1. **Definition of Overpayments.** An “Overpayment” means any funds that Post Acute Medical receives or retains under any Federal health care program to which Post Acute Medical, after applicable reconciliation, is not entitled to under such Federal health care program.

2. **Overpayment Policies and Procedures.** Within 90 days after the Effective Date, Post Acute Medical shall develop and implement written policies and procedures regarding the identification, quantification and repayment of Overpayments received from any Federal health care program.
K. Reportable Events

1. Definition of Reportable Event. For purposes of this CIA, a “Reportable Event” means anything that involves:

   a. a substantial Overpayment;

   b. a matter that a reasonable person would consider a probable violation of criminal, civil, or administrative laws applicable to any Federal health care program for which penalties or exclusion may be authorized;

   c. the employment of or contracting with a Covered Person who is an Ineligible Person as defined by Section III.H.1.a; or

   d. the filing of a bankruptcy petition by Post Acute Medical.

A Reportable Event may be the result of an isolated event or a series of occurrences.

2. Reporting of Reportable Events. If Post Acute Medical determines (after a reasonable opportunity to conduct an appropriate review or investigation of the allegations) through any means that there is a Reportable Event, Post Acute Medical shall notify OIG, in writing, within 30 days after making the determination that the Reportable Event exists.

3. Reportable Events under Section III.K.1.a and III.K.1.b. For Reportable Events under Section III.K.1.a and b, the report to OIG shall include:

   a. a complete description of all details relevant to the Reportable Event, including, at a minimum, the types of claims, transactions, or other conduct giving rise to the Reportable Event; the period during which the conduct occurred; and the names of entities and individuals believed to be implicated, including an explanation of their roles in the Reportable Event;
b. a statement of the Federal criminal, civil or administrative laws that are probably violated by the Reportable Event, if any;

c. the Federal health care programs affected by the Reportable Event;

d. a description of the steps taken by Post Acute Medical to identify and quantify any Overpayments; and

e. a description of Post Acute Medical’s actions taken to correct the Reportable Event and prevent it from recurring.

If the Reportable Event involves an Overpayment, within 60 days of identification of the Overpayment, Post Acute Medical shall repay the Overpayment, in accordance with the requirements of 42 U.S.C. § 1320a-7k(d) and 42 C.F.R. § 401.301-305 (and any applicable CMS guidance) and provide OIG with a copy of the notification and repayment.

4. **Reportable Events under Section III.K.1.c.** For Reportable Events under Section III.K.1.c, the report to OIG shall include:

a. the identity of the Ineligible Person and the job duties performed by that individual;

b. the dates of the Ineligible Person’s employment or contractual relationship;

c. a description of the Exclusion List screening that Post Acute Medical completed before and/or during the Ineligible Person’s employment or contract and any flaw or breakdown in the Ineligible Persons screening process that led to the hiring or contracting with the Ineligible Person;

d. a description of how the Ineligible Person was identified; and
e. a description of any corrective action implemented to prevent future employment or contracting with an Ineligible Person.

5. **Reportable Events under Section III.K.1.d.** For Reportable Events under Section III.K.1.d, the report to the OIG shall include documentation of the bankruptcy filing and a description of any Federal health care program authorities implicated.

6. **Reportable Events Involving the Stark Law.** Notwithstanding the reporting requirements outlined above, any Reportable Event that involves solely a probable violation of the Stark Law should be submitted by Post Acute Medical to the Centers for Medicare & Medicaid Services (CMS) through the self-referral disclosure protocol (SRDP), with a copy to the OIG. If Post Acute Medical identifies a probable violation of the Stark Law and repays the applicable Overpayment directly to the CMS contractor, then Post Acute Medical is not required by this Section III.K to submit the Reportable Event to CMS through the SRDP.

### IV. SUCCESSOR LIABILITY

In the event that, after the Effective Date, Post Acute Medical proposes to (a) sell any or all of its business, business units, or locations (whether through a sale of assets, sale of stock, or other type of transaction) relating to the furnishing of items or services that may be reimbursed by a Federal health care program, or (b) purchase or establish a new business, business unit, or location relating to the furnishing of items or services that may be reimbursed by a Federal health care program, the CIA shall be binding on the purchaser of any business, business unit, or location and any new business, business unit, or location (and all Covered Persons at each new business, business unit, or location) shall be subject to the applicable requirements of this CIA, unless otherwise determined and agreed to in writing by OIG. Post Acute Medical shall give notice of such sale or purchase to OIG within 30 days following the closing of the transaction.

If, in advance of a proposed sale or proposed purchase, Post Acute Medical wishes to obtain a determination by OIG that the proposed purchaser or the proposed acquisition will not be subject to the requirements of the CIA, Post Acute Medical must notify OIG in writing of the proposed sale or purchase at least 30 days in advance. This notification shall include a description of the business, business unit, or location to be sold or

*Post Acute Medical CIA*
Unless otherwise specified, all notifications and reports required by this CIA shall be made by overnight mail, hand delivery, or other means, provided that there is proof that such notification was received. VII. OIG INSPECTION, AUDIT, AND REVIEW RIGHTS

In addition to any other rights OIG may have by statute, regulation, or contract, OIG or its duly authorized representative(s) may conduct interviews, examine and/or request copies of Post Acute Medical’s books, records, and other documents and supporting materials, and conduct on-site reviews of any of Post Acute Medical’s locations for the purpose of verifying and evaluating: (a) Post Acute Medical’s compliance with the terms of this CIA; and (b) Post Acute Medical’s compliance with the requirements of the Federal health care programs. IX. DISCLOSURES

Consistent with HHS’s FOIA procedures, set forth in 45 C.F.R. Part 5, OIG shall make a reasonable effort to notify Post Acute Medical prior to any release by OIG of information submitted by Post Acute Medical pursuant to its obligations under this CIA and identified upon submission by Post Acute Medical as trade secrets, or information that is commercial or financial and privileged or confidential, under the FOIA rules. With respect to such releases, Post Acute Medical shall have the rights set forth at 45 C.F.R. § 5.42(a).

X. BREACH AND DEFAULT PROVISIONS

Post Acute Medical is expected to fully and timely comply with all of its CIA obligations.

A. Stipulated Penalties for Failure to Comply with Certain Obligations

As a contractual remedy, Post Acute Medical and OIG hereby agree that failure to comply with certain obligations as set forth in this CIA may lead to the imposition of the following monetary penalties (hereinafter referred to as “Stipulated Penalties”) in accordance with the following provisions.

1. A Stipulated Penalty of $2,500 (which shall begin to accrue on the day after the date the obligation became due) for each day Post Acute Medical fails to establish, implement or comply with any of the following obligations as described in Sections III:

   a. a Compliance Officer;
b. a Compliance Committee;

c. the Manager’s compliance obligations;

d. the management certification obligations and the development and implementation of a written process for Certifying Employees, as required by Section III.A.4;

e. written Policies and Procedures;

f. the development of a written training plan and the training and education of Covered Persons, Arrangements Covered Persons, and Manager;

g. the Focus Arrangements Procedures and/or Focus Arrangements Requirements;

h. a risk assessment and internal review process;

i. a Disclosure Program;

j. Ineligible Persons screening and removal requirements;

k. notification of Government investigations or legal proceedings;

l. policies and procedures regarding the repayment of Overpayments; and

m. reporting of Reportable Events.

2. A Stipulated Penalty of $2,500 (which shall begin to accrue on the day after the date the obligation became due) for each day Post Acute Medical fails to engage and use an IRO, as required by Section III.E, Appendix A, or Appendix B.
3. A Stipulated Penalty of $2,500 (which shall begin to accrue on the day after the date the obligation became due) for each day Post Acute Medical fails to submit a complete Implementation Report, Annual Report, or any certification to OIG in accordance with the requirements of Section V by the deadlines for submission.

4. A Stipulated Penalty of $2,500 (which shall begin to accrue on the day after the date the obligation became due) for each day Post Acute Medical fails to submit any Arrangements Review Report in accordance with the requirements of Section III.E and Appendix B.

5. A Stipulated Penalty of $1,500 for each day Post Acute Medical fails to grant access as required in Section VII. (This Stipulated Penalty shall begin to accrue on the date Post Acute Medical fails to grant access.)

6. A Stipulated Penalty of $50,000 for each false certification submitted by or on behalf of Post Acute Medical as part of its Implementation Report, any Annual Report, additional documentation to a report (as requested by the OIG), or otherwise required by this CIA.

7. A Stipulated Penalty of $2,500 for each day Post Acute Medical fails to grant the IRO access to all records and personnel necessary to complete the reviews listed in Section III.D, and for each day Post Acute Medical fails to furnish to the IRO accurate and complete records, as required by Section III.E and Appendix A.

8. A Stipulated Penalty of $1,000 for each day Post Acute Medical fails to comply fully and adequately with any obligation of this CIA. OIG shall provide notice to Post Acute Medical stating the specific grounds for its determination that Post Acute Medical has failed to comply fully and adequately with the CIA obligation(s) at issue and steps Post Acute Medical shall take to comply with the CIA. (This Stipulated Penalty shall begin to accrue 10 days after the date Post Acute Medical receives this notice from OIG of the failure to comply.) A Stipulated Penalty as described in this Subsection shall not be demanded for any violation for which OIG has sought a Stipulated Penalty under Subsections 1-7 of this Section.

B. Timely Written Requests for Extensions
Post Acute Medical may, in advance of the due date, submit a timely written request for an extension of time to perform any act or file any notification or report required by this CIA. Notwithstanding any other provision in this Section, if OIG grants the timely written request with respect to an act, notification, or report, Stipulated Penalties for failure to perform the act or file the notification or report shall not begin to accrue until one day after Post Acute Medical fails to meet the revised deadline set by OIG. Notwithstanding any other provision in this Section, if OIG denies such a timely written request, Stipulated Penalties for failure to perform the act or file the notification or report shall not begin to accrue until three days after Post Acute Medical receives OIG’s written denial of such request or the original due date, whichever is later. A “timely written request” is defined as a request in writing received by OIG at least five days prior to the date by which any act is due to be performed or any notification or report is due to be filed.

C. Payment of Stipulated Penalties

1. Demand Letter. Upon a finding that Post Acute Medical has failed to comply with any of the obligations described in Section X.A and after determining that Stipulated Penalties are appropriate, OIG shall notify Post Acute Medical of: (a) Post Acute Medical’s failure to comply; and (b) OIG’s exercise of its contractual right to demand payment of the Stipulated Penalties. (This notification shall be referred to as the “Demand Letter.”)

2. Response to Demand Letter. Within 10 days after the receipt of the Demand Letter, Post Acute Medical shall either: (a) cure the breach to OIG’s satisfaction and pay the applicable Stipulated Penalties or (b) request a hearing before an HHS administrative law judge (ALJ) to dispute OIG’s determination of noncompliance, pursuant to the agreed upon provisions set forth below in Section X.E. In the event Post Acute Medical elects to request an ALJ hearing, the Stipulated Penalties shall continue to accrue until Post Acute Medical cures, to OIG’s satisfaction, the alleged breach in dispute. Failure to respond to the Demand Letter in one of these two manners within the allowed time period shall be considered a material breach of this CIA and shall be grounds for exclusion under Section X.D.

3. Form of Payment. Payment of the Stipulated Penalties shall be made by electronic funds transfer to an account specified by OIG in the Demand Letter.
4. *Independence from Material Breach Determination.* Except as set forth in Section X.D.1.c, these provisions for payment of Stipulated Penalties shall not affect or otherwise set a standard for OIG’s decision that Post Acute Medical has materially breached this CIA, which decision shall be made at OIG’s discretion and shall be governed by the provisions in Section X.D, below.

D. **Exclusion for Material Breach of this CIA**

1. **Definition of Material Breach.** A material breach of this CIA means:

   a. a failure by Post Acute Medical to report a Reportable Event, take corrective action, or make the appropriate refunds, as required in Section III.K;

   b. repeated violations or a flagrant violation of any of the obligations under this CIA, including, but not limited to, the obligations addressed in Section X.A;

   c. a failure to respond to a Demand Letter concerning the payment of Stipulated Penalties in accordance with Section X.C; or

   d. a failure to engage and use an IRO in accordance with Section III.E, Appendix A, or Appendix B.

2. **Notice of Material Breach and Intent to Exclude.** The parties agree that a material breach of this CIA by Post Acute Medical constitutes an independent basis for Post Acute Medical’s exclusion from participation in the Federal health care programs. The length of the exclusion shall be in the OIG’s discretion, but not more than five years per material breach. Upon a determination by OIG that Post Acute Medical has materially breached this CIA and that exclusion is the appropriate remedy, OIG shall notify Post Acute Medical of: (a) Post Acute Medical’s material breach; and (b) OIG’s intent to exercise its contractual right to impose exclusion. (This notification shall be referred to as the “Notice of Material Breach and Intent to Exclude.”)
3. **Opportunity to Cure.** Post Acute Medical shall have 30 days from the date of receipt of the Notice of Material Breach and Intent to Exclude to demonstrate that:

- a. the alleged material breach has been cured; or

- b. the alleged material breach cannot be cured within the 30-day period, but that: (i) Post Acute Medical has begun to take action to cure the material breach; (ii) Post Acute Medical is pursuing such action with due diligence; and (iii) Post Acute Medical has provided to OIG a reasonable timetable for curing the material breach.

4. **Exclusion Letter.** If, at the conclusion of the 30-day period, Post Acute Medical fails to satisfy the requirements of Section X.D.3, OIG may exclude Post Acute Medical from participation in the Federal health care programs. OIG shall notify Post Acute Medical in writing of its determination to exclude Post Acute Medical. (This letter shall be referred to as the “Exclusion Letter.”) Subject to the Dispute Resolution provisions in Section X.E, below, the exclusion shall go into effect 30 days after the date of Post Acute Medical’s receipt of the Exclusion Letter. The exclusion shall have national effect. Reinstatement to program participation is not automatic. At the end of the period of exclusion, Post Acute Medical may apply for reinstatement by submitting a written request for reinstatement in accordance with the provisions at 42 C.F.R. §§ 1001.3001-.3004.

E. **Dispute Resolution**

1. **Review Rights.** Upon OIG’s delivery to Post Acute Medical of its Demand Letter or of its Exclusion Letter, and as an agreed-upon contractual remedy for the resolution of disputes arising under this CIA, Post Acute Medical shall be afforded certain review rights comparable to the ones that are provided in 42 U.S.C. § 1320a-7(f) and 42 C.F.R. Part 1005 as if they applied to the Stipulated Penalties or exclusion sought pursuant to this CIA. Specifically, OIG’s determination to demand payment of Stipulated Penalties or to seek exclusion shall be subject to review by an HHS ALJ and, in the event of an appeal, the HHS Departmental Appeals Board (DAB), in a manner consistent with the provisions in 42 C.F.R. § 1005.2-1005.21. Notwithstanding the language in 42 C.F.R. § 1005.2(c), the request for a hearing involving Stipulated Penalties shall be made
within 10 days after receipt of the Demand Letter and the request for a hearing involving exclusion shall be made within 25 days after receipt of the Exclusion Letter. The procedures relating to the filing of a request for a hearing can be found at http://www.hhs.gov/dab/divisions/civil/procedures/divisionprocedures.html.

2. **Stipulated Penalties Review.** Notwithstanding any provision of Title 42 of the United States Code or Title 42 of the Code of Federal Regulations, the only issues in a proceeding for Stipulated Penalties under this CIA shall be: (a) whether Post Acute Medical was in full and timely compliance with the obligations of this CIA for which OIG demands payment; and (b) the period of noncompliance. Post Acute Medical shall have the burden of proving its full and timely compliance and the steps taken to cure the noncompliance, if any. OIG shall not have the right to appeal to the DAB an adverse ALJ decision related to Stipulated Penalties. If the ALJ agrees with OIG with regard to a finding of a breach of this CIA and orders Post Acute Medical to pay Stipulated Penalties, such Stipulated Penalties shall become due and payable 20 days after the ALJ issues such a decision unless Post Acute Medical requests review of the ALJ decision by the DAB. If the ALJ decision is properly appealed to the DAB and the DAB upholds the determination of OIG, the Stipulated Penalties shall become due and payable 20 days after the DAB issues its decision.

3. **Exclusion Review.** Notwithstanding any provision of Title 42 of the United States Code or Title 42 of the Code of Federal Regulations, the only issues in a proceeding for exclusion based on a material breach of this CIA shall be whether Post Acute Medical was in material breach of this CIA and, if so, whether:

   a. Post Acute Medical cured such breach within 30 days of its receipt of the Notice of Material Breach; or
   
   b. the alleged material breach could not have been cured within the 30 day period, but that, during the 30 day period following Post Acute Medical’s receipt of the Notice of Material Breach: (i) Post Acute Medical had begun to take action to cure the material breach; (ii) Post Acute Medical pursued such action with due diligence; and (iii) Post Acute Medical provided to OIG a reasonable timetable for curing the material breach.
For purposes of the exclusion herein, exclusion shall take effect only after an ALJ decision favorable to OIG, or, if the ALJ rules for Post Acute Medical, only after a DAB decision in favor of OIG. Post Acute Medical’s election of its contractual right to appeal to the DAB shall not abrogate OIG’s authority to exclude Post Acute Medical upon the issuance of an ALJ’s decision in favor of OIG. If the ALJ sustains the determination of OIG and determines that exclusion is authorized, such exclusion shall take effect 20 days after the ALJ issues such a decision, notwithstanding that Post Acute Medical may request review of the ALJ decision by the DAB. If the DAB finds in favor of OIG after an ALJ decision adverse to OIG, the exclusion shall take effect 20 days after the DAB decision. Post Acute Medical shall waive its right to any notice of such an exclusion if a decision upholding the exclusion is rendered by the ALJ or DAB. If the DAB finds in favor of Post Acute Medical, Post Acute Medical shall be reinstated effective on the date of the original exclusion.

4. **Finality of Decision.** The review by an ALJ or DAB provided for above shall not be considered to be an appeal right arising under any statutes or regulations. Consequently, the parties to this CIA agree that the DAB’s decision (or the ALJ’s decision if not appealed) shall be considered final for all purposes under this CIA.

XI. **EFFECTIVE AND BINDING AGREEMENT**

Post Acute Medical and OIG agree as follows:

A. This CIA shall become final and binding on the date the final signature is obtained on the CIA.

B. This CIA constitutes the complete agreement between the parties and may not be amended except by written consent of the parties to this CIA.

C. OIG may agree to a suspension of Post Acute Medical’s obligations under this CIA based on a certification by Post Acute Medical that it is no longer providing health care items or services that will be billed to any Federal health care program and it does not have any ownership or control interest, as defined in 42 U.S.C. §1320a-3, in any entity that bills any Federal health care program. If Post Acute Medical is relieved of its CIA obligations, Post Acute Medical shall be required to notify OIG in writing at least 30 days in advance if Post Acute Medical plans to resume providing health care items or services that are billed to any Federal health care program or to obtain an ownership or control interest in any such entity.

Post Acute Medical CIA
control interest in any entity that bills any Federal health care program. At such time, OIG shall evaluate whether the CIA will be reactivated or modified.

D. All requirements and remedies set forth in this CIA are in addition to and do not affect (1) Post Acute Medical’s responsibility to follow all applicable Federal health care program requirements or (2) the government’s right to impose appropriate remedies for failure to follow applicable Federal health care program requirements.

E. The undersigned Post Acute Medical signatories represent and warrant that they are authorized to execute this CIA. The undersigned OIG signatories represent that they are signing this CIA in their official capacities and that they are authorized to execute this CIA.

F. This CIA may be executed in counterparts, each of which constitutes an original and all of which constitute one and the same CIA. Electronically-transmitted copies of Facsimiles of signatures shall constitute acceptable, binding signatures for purposes of this CIA.

INDEPENDENT REVIEW ORGANIZATION

This Appendix contains the requirements relating to the Independent Review Organization (IRO) required by Section III.E of the CIA.

A. IRO Engagement

1. Post Acute Medical shall engage an IRO that possesses the qualifications set forth in Paragraph B, below, to perform the responsibilities in Paragraph C, below. The IRO shall not have a prohibited relationship to Post Acute Medical as set forth in Paragraph E. Within 30 days after OIG receives the information identified in Section V.A.8 of the CIA or any additional information submitted by Post Acute Medical in response to a request by OIG, whichever is later, OIG will notify Post Acute Medical if the IRO is unacceptable. Absent notification from OIG that the IRO is unacceptable, Post Acute Medical may continue to engage the IRO.

2. If Post Acute Medical engages a new IRO during the term of the CIA, that IRO must also meet the requirements of this Appendix. If a new IRO is engaged, Post Acute Medical shall submit the information identified in Section V.A.8 of the CIA to OIG within 30 days of engagement of the IRO. Within 30 days after OIG receives this information or any additional information submitted by Post Acute Medical at the request of OIG, whichever is later, OIG will notify Post Acute Medical if the IRO is unacceptable. Absent notification from OIG that the IRO is unacceptable, Post Acute Medical may continue to engage the IRO.

B. IRO Qualifications

The IRO shall:

1. assign individuals to conduct the Arrangements Review who are knowledgeable in the requirements of the Anti-Kickback Statute and the Stark Law and the regulations and other guidance documents related to these statutes;

2. possess expertise in fair market valuation issues or have the ability to associate a valuation firm to assist in conducting the transactions review component of the Arrangements Review; and

3. have sufficient staff and resources to conduct the reviews required by the CIA on a timely basis.
C. **IRO Responsibilities**

The IRO shall:

1. perform each Arrangements Review in accordance with the specific requirements of the CIA;

2. respond to all OIG inquiries in a prompt, objective, and factual manner; and

3. prepare timely, clear, well-written reports that include all the information required by Appendix B to the CIA.

D. **Post Acute Medical Responsibilities**

Post Acute Medical shall ensure that the IRO has access to all records and personnel necessary to complete the reviews listed in Section III.E of this CIA and that all records furnished to the IRO are accurate and complete.

E. **IRO Relationship to Post Acute Medical**

The IRO shall not (1) have previously represented or been employed or engaged by Post Acute Medical or (2) have a relationship to Post Acute Medical or its owners, officers, or members that would cause a reasonable person to question the IRO’s objectivity.

F. **Assertions of Privilege**

Post Acute Medical shall not assert claims of attorney-client privilege in order to avoid disclosing to OIG information related to or resulting from the IRO’s engagement. Post Acute Medical’s engagement letter with the IRO shall include a provision stating that the IRO agrees not to assert claims of work product privilege in order to avoid disclosing to OIG information related to or resulting from its engagement.

G. **IRO Removal/Termination**

1. Post Acute Medical and IRO. If Post Acute Medical terminates its IRO or if the IRO withdraws from the engagement during the term of the CIA, Post Acute Medical must submit a notice explaining (a) its reasons for termination of the IRO or (b) the IRO’s reasons for its withdrawal to OIG, no later than 30 days after termination or withdrawal. Post Acute Medical must engage a new IRO in accordance with Paragraph A of this Appendix and within 60 days of termination or withdrawal of the IRO.
2. **OIG Removal of IRO.** In the event OIG has reason to believe that the IRO does not possess the qualifications described in Paragraph B, has a prohibited relationship as set forth in Paragraph E, or has failed to carry out its responsibilities as described in Paragraph C, OIG shall notify Post Acute Medical in writing regarding OIG’s basis for determining that the IRO has not met the requirements of this Appendix. Post Acute Medical shall have 30 days from the date of OIG’s written notice to provide information regarding the IRO’s qualifications, relationship or performance of its responsibilities in order to resolve the concerns identified by OIG. If, following OIG’s review of any information provided by Post Acute Medical regarding the IRO, OIG determines that the IRO has not met the requirements of this Appendix, OIG shall notify Post Acute Medical in writing that Post Acute Medical shall be required to engage a new IRO in accordance with Paragraph A of this Appendix. Post Acute Medical must engage a new IRO within 60 days of its receipt of OIG’s written notice. The final determination as to whether or not to require Post Acute Medical to engage a new IRO shall be made at the sole discretion of OIG.
APPENDIX B
