The Compliance Committee shall, at a minimum, include the Corporate Compliance Officer, Divisional Compliance Directors, and other members of senior management necessary to meet the requirements of this CIA (e.g., senior executives of relevant departments, such as billing, clinical, human resources, audit, and operations). The Corporate Compliance Officer shall chair the Compliance Committee and the Committee shall support the Corporate Compliance Officer in fulfilling his/her responsibilities (e.g., shall assist in the analysis of Prime’s risk areas and shall oversee monitoring of internal and external audits and investigations). At minimum, the resolution shall include the following language:

“The Board of Directors has made a reasonable inquiry into the operations of Prime’s Compliance Program, including the performance of the Compliance Officer and the Compliance Committee. Based on its inquiry and review, the Board has concluded that, to the best of its knowledge, Prime has implemented an effective Compliance Program to meet Federal health care program requirements and the obligations of the CIA.”

If the Board is unable to provide such a conclusion in the resolution, the Board shall include in the resolution a written explanation of the reasons why it is unable to provide the conclusion and the steps it is taking to implement an effective Compliance Program at Prime.

Prime shall report to OIG, in writing, any changes in the composition of the Board, or any actions or changes that would affect the Board’s ability to perform the duties necessary to meet the obligations in this CIA, within 15 days after such a change.

My job responsibilities include ensuring compliance with regard to the [insert name of department] with all applicable Federal health care program requirements, obligations of the Corporate Integrity Agreement, and Prime policies, and I have taken steps to promote such compliance. To the best of my knowledge, the [insert name of department] of Prime is in compliance with all applicable Federal health care program requirements and the obligations of the Corporate Integrity Agreement. I understand that this certification is being provided to and relied upon by the United States.”

If any Certifying Employee is unable to provide such a certification, the Certifying Employee shall provide a written explanation of the reasons why he or she is unable to provide the certification outlined above.

Within 90 days after the Effective Date, Prime shall develop and implement a written process for Certifying Employees to follow for the purpose of completing the certification required by this section (e.g., reports that must be reviewed, assessments that must be completed, sub-certifications that must be obtained, etc. prior to the Certifying Employee making the required certification).

B. Written Standards

Within 90 days after the Effective Date, Prime shall develop and implement written policies and procedures regarding the operation of its compliance program, including the compliance program requirements outlined in this CIA and Prime’s compliance with Federal health care program requirements (Policies and Procedures). Throughout the term of this CIA, Prime shall enforce its Policies and Procedures and shall make compliance with its Policies and Procedures an element of evaluating the
performance of all employees. The Policies and Procedures shall be made available to all Covered Persons.

At least annually (and more frequently, if appropriate), Prime shall assess and update, as necessary, the Policies and Procedures. Any new or revised Policies and Procedures shall be made available to all Covered Persons.

All Policies and Procedures shall be made available to OIG upon request.

D. Review Procedures

1. General Description

   a. Engagement of Independent Review Organization. Within 120 days after the Effective Date, Prime shall engage an entity (or entities), such as an accounting, auditing, or consulting firm (hereinafter “Independent Review Organization” or “IRO”), to perform the reviews listed in this Section III.D. The applicable requirements relating to the IRO are outlined in Appendix A to this CIA, which is incorporated by reference.

   b. Retention of Records. The IRO and Prime shall retain and make available to OIG, upon request, all work papers, supporting documentation, correspondence, and draft reports (those exchanged between the IRO and Prime) related to the reviews.

   c. Access to Records and Personnel. Prime shall ensure that the IRO has access to all records and personnel necessary to complete the reviews listed in this Section III.D and that all records furnished to the IRO are accurate and complete.

2. Claims Review. The IRO shall review claims submitted by Prime and reimbursed by the Medicare program, to determine whether the items and services furnished were medically necessary and appropriately documented and whether the claims were correctly coded, submitted and reimbursed (Claims Review) and shall prepare a Claims Review Report, as outlined in Appendix B to this CIA, which is incorporated by reference.

3. Inpatient Medical Necessity Review. The IRO shall evaluate and analyze Prime’s inpatient admissions and relevant lengths of stay to determine if such admissions and lengths of stay were medically necessary and appropriate under the applicable Medicare program requirements (Inpatient Medical Necessity Review) and shall prepare an Inpatient Medical Necessity Review Report, as outlined in Appendix C to this CIA, which is incorporated by reference.

4. Independence and Objectivity Certification. The IRO shall include in its report(s) to Prime a certification that the IRO has (a) evaluated its professional
independence and objectivity with respect to the reviews required under this Section III.D and (b) concluded that it is, in fact, independent and objective, in accordance with the requirements specified in Appendix A to this CIA. The IRO’s certification shall include a summary of all current and prior engagements between Prime and the IRO.

E. **Risk Assessment and Internal Review Process**

Within 90 days after the Effective Date, Prime shall develop and implement a centralized annual risk assessment and internal review process to identify and address potential risks associated with Prime’s participation in the Federal health care programs, including but not limited to the risks associated with the submission of claims for items and services furnished to Medicare and Medicaid program beneficiaries. The risk assessment and internal review process shall require compliance, legal, and department leaders, at least annually, to: (1) identify and prioritize potential risks, (2) develop internal audit work plans related to the identified potential risk areas, (3) implement the internal audit work plans, (4) as appropriate, develop corrective action plans in response to the results of any internal audits performed, and (5) track the implementation of any corrective action plans in order to assess the effectiveness of such plans. Prime shall maintain the risk assessment and internal review process for the term of the CIA.

F. **Disclosure Program**

Within 90 days after the Effective Date, Prime shall establish a Disclosure Program that includes a mechanism (e.g., a toll-free compliance telephone line) to enable individuals to disclose, to the Compliance Officer or some other person who is not in the disclosing individual’s chain of command, any identified issues or questions associated with Prime’s policies, conduct, practices, or procedures with respect to a Federal health care program believed by the individual to be a potential violation of criminal, civil, or administrative law. Prime shall appropriately publicize the existence of the disclosure mechanism (e.g., via periodic e-mails to employees or by posting the information in prominent common areas).

The Disclosure Program shall emphasize a nonretribution, nonretaliation policy and shall include a reporting mechanism for anonymous communications for which appropriate confidentiality shall be maintained. The Disclosure Program also shall include a requirement that all of Prime’s Covered Persons shall be expected to report suspected violations of any Federal health care program requirements to the Compliance Officer or other appropriate individual designated by Prime. Upon receipt of a disclosure, the Compliance Officer (or designee) shall gather all relevant information from the disclosing individual. The Compliance Officer (or designee) shall make a
preliminary, good faith inquiry into the allegations set forth in every disclosure to ensure that he or she has obtained all of the information necessary to determine whether a further review should be conducted. For any disclosure that is sufficiently specific so that it reasonably: (1) permits a determination of the appropriateness of the alleged improper practice; and (2) provides an opportunity for taking corrective action, Prime shall conduct an internal review of the allegations set forth in the disclosure and ensure that proper follow-up is conducted.

The Compliance Officer (or designee) shall maintain a disclosure log and shall record each disclosure in the disclosure log within two business days of receipt of the disclosure. The disclosure log shall include a summary of each disclosure received (whether anonymous or not), the status of the respective internal reviews, and any corrective action taken in response to the internal reviews.

G. **Ineligible Persons**

   a. an “Ineligible Person” shall include an individual or entity who:

      i. is currently excluded from participation in any Federal health care program; or

2. **Screening Requirements.** Prime shall ensure that all prospective and current Covered Persons are not Ineligible Persons, by implementing the following screening requirements.

Covered Persons to disclose whether they are Ineligible Persons.

b. Prime shall screen all current Covered Persons against the Exclusion List within 120 days after the Effective Date and on a monthly basis thereafter.

c. Prime shall implement a policy requiring all Covered Persons to disclose immediately if they become an Ineligible Person.

Nothing in this Section III.G affects Prime’s responsibility to refrain from (and liability for) billing Federal health care programs for items or services furnished, ordered, or prescribed by an excluded person. Prime understands that items or services furnished, ordered, or prescribed by excluded persons are not payable by Federal health care programs and that Prime may be liable for overpayments and/or criminal, civil, and administrative sanctions for employing or contracting with an excluded person regardless of whether Prime meets the requirements of Section III.G.

3. Removal Requirement. If Prime has actual notice that a Covered Person has become an Ineligible Person, Prime shall remove such Covered Person from responsibility for, or involvement with, Prime’s business operations related to the Federal health care program(s) from which such Covered Person has been excluded and shall remove such Covered Person from any position for which the Covered Person’s compensation or the items or services furnished, ordered, or prescribed by the Covered Person are paid in whole or part, directly or indirectly, by any Federal health care program(s) from which the Covered Person has been excluded at least until such time as the Covered Person is reinstated into participation in such Federal health care program(s).

4. Pending Charges and Proposed Exclusions. If Prime has actual notice that a Covered Person is charged with a criminal offense that falls within the scope of 42 U.S.C. §§ 1320a-7(a), 1320a-7(b)(1)-(3), or is proposed for exclusion during the Covered Person’s employment or contract term or during the term of a physician’s or other practitioner’s medical staff privileges, Prime shall take all appropriate actions to ensure that the responsibilities of that Covered Person have not and shall not adversely affect the quality of care rendered to any beneficiary or the accuracy of any claims submitted to any Federal health care program.
H. Notification of Government Investigation or Legal Proceeding

Within 30 days after discovery, Prime shall notify OIG, in writing, of any ongoing investigation or legal proceeding known to Prime conducted or brought by a governmental entity or its agents involving an allegation that Prime has committed a crime or has engaged in fraudulent activities. This notification shall include a description of the allegation, the identity of the investigating or prosecuting agency, and the status of such investigation or legal proceeding. Prime also shall provide written notice to OIG within 30 days after the resolution of the matter and a description of the findings and/or results of the investigation or proceeding, if any.

I. Overpayments

1. Definition of Overpayment. An “Overpayment” means any funds that Prime receives or retains under any Federal health care program to which Prime, after applicable reconciliation, is not entitled under such Federal health care program.

2. Overpayment Policies and Procedures. Within 90 days after the Effective Date, Prime shall develop and implement written policies and procedures regarding the identification, quantification, and repayment of Overpayments received from any Federal health care program.

J. Reportable Events

1. Definition of Reportable Event. For purposes of this CIA, a “Reportable Event” means anything that involves:

Prime
2. **Reporting of Reportable Events.** If Prime determines (after a reasonable opportunity to conduct an appropriate review or investigation of the allegations) through any means that there is a Reportable Event, Prime shall notify OIG, in writing, within 30 days after making the determination that the Reportable Event exists.

3. **Reportable Events under Section III.J.1.a. and III.J.1.b.** For Reportable Events under Section III.J.1.a and b, the report to OIG shall include:

   a. a complete description of all details relevant to the Reportable Event, including, at a minimum, the types of claims, transactions or other conduct giving rise to the Reportable Event; the period during which the conduct occurred; and the names of individuals and entities believed to be implicated, including an explanation of their roles in the Reportable Event;

   b. a statement of the Federal criminal, civil or administrative laws that are probably violated by the Reportable Event, if any;

   c. the Federal health care programs affected by the Reportable Event;

   d. a description of the steps taken by Prime to identify and quantify any Overpayments; and

   e. a description of Prime’s actions taken to correct the Reportable Event and prevent it from recurring.

   If the Reportable Event involves an Overpayment, within 60 days of identification of the Overpayment, Prime shall repay the Overpayment, in accordance with the requirements of 42 U.S.C. § 1320a-7k(d) and 42 C.F.R. § 401.301-305 (and any applicable CMS guidance) and provide OIG with a copy of the notification and repayment.

4. **Reportable Events under Section III.J.1.c.** For Reportable Events under Section III.J.1.c, the report to OIG shall include:

performed by that individual;

b. the dates of the Ineligible Person’s employment or contractual
relationship;

c. a description of the Exclusion List screening that Prime
completed before and/or during the Ineligible Person’s
employment or contract and any flaw or breakdown in the
screening process that led to the hiring or contracting with the
Ineligible Person;

d. a description of how the Ineligible Person was identified; and

e. a description of any corrective action implemented to prevent
future employment or contracting with an Ineligible Person.

5. Reportable Events under Section III.J.1.d. For Reportable Events
under Section III.J.1.d, the report to OIG shall include documentation of the bankruptcy
filing and a description of any Federal health care program requirements implicated.

6. Reportable Events Involving the Stark Law. Notwithstanding the
reporting requirements outlined above, any Reportable Event that involves solely a
probable violation of section 1877 of the Social Security Act, 42 U.S.C. §1395nn (the
Stark Law) should be submitted by Prime to the Centers for Medicare & Medicaid
Services (CMS) through the self-referral disclosure protocol (SRDP), with a copy to the
OIG. If Prime identifies a probable violation of the Stark Law and repays the applicable
Overpayment directly to the CMS contractor, then Prime is not required by this Section
III.J to submit the Reportable Event to CMS through the SRDP.

IV. SUCCESSOR LIABILITY

In the event that, after the Effective Date, Prime proposes to (a) sell any or all of
its Covered Facilities (whether through a sale of assets, sale of stock, or other type of
transaction) relating to the furnishing of items or services that may be reimbursed by a
Federal health care program, or (b) purchase or establish a new acute care hospital, the
CIA shall be binding on the purchaser of the Covered Facility and any new Covered
Facility (and all Covered Persons at each new acute care hospital) shall be subject to the
applicable requirements of this CIA, unless otherwise determined and agreed to in

Corporate Integrity Agreement
Prime
writing by OIG. Prime shall give notice of such sale or purchase to OIG within 30 days following the closing of the transaction.

If, in advance of a proposed sale or a proposed purchase, Prime wishes to obtain a determination by OIG that the proposed purchaser or the proposed acquisition will not be subject to the requirements of the CIA, Prime must notify OIG in writing of the proposed sale or purchase at least 30 days in advance. This notification shall include a description of the Covered Facility to be sold or the acute care hospital to be purchased, a brief description of the terms of the transaction and, in the case of a proposed sale, the name and contact information of the prospective purchaser.

C. Certifications

1. **Certifying Employees.** In each Annual Report, Prime shall include the certifications of Certifying Employees required by Section III.A.5;

2. **Corporate Compliance Officer and Chief Executive Officer.** The Implementation Report and each Annual Report shall include a certification by the Corporate Compliance Officer and Chief Executive Officer that:
   
   a. to the best of his or her knowledge, except as otherwise described in the report, Prime has implemented and is in compliance with all of the requirements of this CIA;
   
   b. he or she has reviewed the report and has made reasonable inquiry regarding its content and believes that the information in the report is accurate and truthful; and
   
   c. he or she understands that the certification is being provided to and relied upon by the United States

3. **Chief Financial Officer.** The first Annual Report shall include a certification by the Chief Financial Officer that, to the best of his or her knowledge, Prime has complied with its obligations under the Settlement Agreement: (a) not to resubmit to any Federal health care program payors any previously denied claims related to the Covered Conduct addressed in the Settlement Agreement, and not to appeal any such denials of claims; (b) not to charge to or otherwise seek payment from federal or state payors for unallowable costs (as defined in the Settlement Agreement); and (c) to identify and adjust any past charges or claims for unallowable costs; and (d) he or she understands that the certification is being provided to and relied upon by the United States.

D. Designation of Information

Prime shall clearly identify any portions of its submissions that it believes are trade secrets, or information that is commercial or financial and privileged or confidential, and therefore potentially exempt from disclosure under the Freedom of Information Act (FOIA), 5 U.S.C. § 552. Prime shall refrain from identifying any information as exempt from disclosure if that information does not meet the criteria for exemption from disclosure under FOIA.

Upon request by OIG, Prime may be required to provide OIG with an electronic copy of each notification or report required by this CIA in addition to a paper copy.

VII. OIG INSPECTION, AUDIT, AND REVIEW RIGHTS

In addition to any other rights OIG may have by statute, regulation, or contract, OIG or its duly authorized representative(s) may conduct interviews, examine and/or request copies of or copy Prime’s books, records, and other documents and supporting materials, and conduct on-site reviews of any of Prime’s locations, for the purpose of verifying and evaluating: (a) Prime’s compliance with the terms of this CIA and (b)
Prime’s compliance with the requirements of the Federal health care programs. The documentation described above shall be made available by Prime to OIG or its duly authorized representative(s) at all reasonable times for inspection, audit, and/or reproduction. Furthermore, for purposes of this provision, OIG or its duly authorized representative(s) may interview any of Prime’s owners, employees, contractors, and directors who consent to be interviewed at the individual’s place of business during normal business hours or at such other place and time as may be mutually agreed upon between the individual and OIG. Prime shall assist OIG or its duly authorized representative(s) in contacting and arranging interviews with such individuals upon OIG’s request. Prime’s owners, employees, contractors, and directors may elect to be interviewed with or without a representative of Prime present.

VIII. DOCUMENT AND RECORD RETENTION

Prime shall maintain for inspection all documents and records relating to reimbursement from the Federal health care programs and to compliance with this CIA for six years (or longer if otherwise required by law) from the Effective Date.

IX. DISCLOSURES

Consistent with HHS’s FOIA procedures, set forth in 45 C.F.R. Part 5, OIG shall make a reasonable effort to notify Prime prior to any release by OIG of information submitted by Prime pursuant to its obligations under this CIA and identified upon submission by Prime as trade secrets, or information that is commercial or financial and privileged or confidential, under the FOIA rules. With respect to such releases, Prime shall have the rights set forth at 45 C.F.R. § 5.42(a).

X. BREACH AND DEFAULT PROVISIONS

Prime is expected to fully and timely comply with all of its CIA obligations.

A. Stipulated Penalties for Failure to Comply with Certain Obligations

As a contractual remedy, Prime and OIG hereby agree that failure to comply with certain obligations as set forth in this CIA may lead to the imposition of the following monetary penalties (hereinafter referred to as “Stipulated Penalties”) in accordance with the following provisions.

Corporate Integrity Agreement
Prime
1. A Stipulated Penalty of $2,500 (which shall begin to accrue on the day after the date the obligation became due) for each day Prime fails to establish, implement or comply with any of the following obligations as described in Section III:

   a. a Corporate Compliance Officer;

   b. Divisional Compliance Directors;

   c. a Compliance Committee;

   d. the Board of Directors compliance obligations as required by Section III.A.4.;

   e. the management certification obligations and the development and implementation of a written process for Certifying Employees, as required by Section III.A.5.;

   f. written Policies and Procedures;

   g. the development of a written training plan and the training and education of Covered Persons and Board Members;

   h. a risk assessment and internal review process;

   i. a Disclosure Program;

   j. Ineligible Persons screening and removal requirements;

   k. notification of Government investigations or legal proceedings;

   l. policies and procedures regarding the repayment of Overpayments; and

   m. reporting of Reportable Events.

2. A Stipulated Penalty of $2,500 (which shall begin to accrue on the day after the date the obligation became due) for each day Prime fails to engage and use an IRO, as required by Section III.D, Appendix A, or Appendix B.
3. A Stipulated Penalty of $2,500 (which shall begin to accrue on the day after the date the obligation became due) for each day Prime fails to submit a complete Implementation Report, Annual Report or any certification to OIG in accordance with the requirements of Section V by the deadlines for submission.

4. A Stipulated Penalty of $2,500 (which shall begin to accrue on the day after the date the obligation became due) for each day Prime fails to submit any Claims Review Report in accordance with the requirements of Section III.D and Appendix B or fails to repay any Overpayment identified by the IRO, as required by Appendix B.

5. A Stipulated Penalty of $1,500 for each day Prime fails to grant access as required in Section VII (This Stipulated Penalty shall begin to accrue on the date Prime fails to grant access.).

6. A Stipulated Penalty of $50,000 for each false certification submitted by or on behalf of Prime as part of its Implementation Report, any Annual Report, additional documentation to a report (as requested by OIG), or otherwise required by this CIA.

7. A Stipulated Penalty of $2,500 for each day Prime fails to grant the IRO access to all records and personnel necessary to complete the reviews listed in Section III.D, and for each day Prime fails to furnish accurate and complete records to the IRO, as required by Section III.D and Appendix A.

8. A Stipulated Penalty of $1,000 for each day Prime fails to comply fully and adequately with any obligation of this CIA. OIG shall provide notice to Prime stating the specific grounds for its determination that Prime has failed to comply fully and adequately with the CIA obligation(s) at issue and steps Prime shall take to comply with the CIA. (This Stipulated Penalty shall begin to accrue 10 days after the date Prime receives this notice from OIG of the failure to comply.) A Stipulated Penalty as described in this Subsection shall not be demanded for any violation for which OIG has sought a Stipulated Penalty under Subsections 1-7 of this Section.

B. Timely Written Requests for Extensions

Prime may, in advance of the due date, submit a timely written request for an extension of time to perform any act or file any notification or report required by this CIA. Notwithstanding any other provision in this Section, if OIG grants the timely written request with respect to an act, notification, or report, Stipulated Penalties for

Corporate Integrity Agreement
Prime

23
failure to perform the act or file the notification or report shall not begin to accrue until one day after Prime fails to meet the revised deadline set by OIG. Notwithstanding any other provision in this Section, if OIG denies such a timely written request, Stipulated Penalties for failure to perform the act or file the notification or report shall not begin to accrue until three days after Prime receives OIG’s written denial of such request or the original due date, whichever is later. A “timely written request” is defined as a request in writing received by OIG at least five days prior to the date by which any act is due to be performed or any notification or report is due to be filed.

C. Payment of Stipulated Penalties

1. Demand Letter. Upon a finding that Prime has failed to comply with any of the obligations described in Section X.A and after determining that Stipulated Penalties are appropriate, OIG shall notify Prime of: (a) Prime’s failure to comply; and (b) OIG’s exercise of its contractual right to demand payment of the Stipulated Penalties. (This notification shall be referred to as the “Demand Letter.”)

2. Response to Demand Letter. Within 10 days after the receipt of the Demand Letter, Prime shall either: (a) cure the breach to OIG’s satisfaction and pay the applicable Stipulated Penalties or (b) request a hearing before an HHS administrative law judge (ALJ) to dispute OIG’s determination of noncompliance, pursuant to the agreed upon provisions set forth below in Section X.E. In the event Prime elects to request an ALJ hearing, the Stipulated Penalties shall continue to accrue until Prime cures, to OIG’s satisfaction, the alleged breach in dispute. Failure to respond to the Demand Letter in one of these two manners within the allowed time period shall be considered a material breach of this CIA and shall be grounds for exclusion under Section X.D.

3. Form of Payment. Payment of the Stipulated Penalties shall be made by electronic funds transfer to an account specified by OIG in the Demand Letter.

4. Independence from Material Breach Determination. Except as set forth in Section X.D.1.c, these provisions for payment of Stipulated Penalties shall not affect or otherwise set a standard for OIG’s decision that Prime has materially breached this CIA, which decision shall be made at OIG’s discretion and shall be governed by the provisions in Section X.D, below.

D. Exclusion for Material Breach of this CIA

1. Definition of Material Breach. A material breach of this CIA means:

*Corporate Integrity Agreement*

Prime

24
a. repeated violations or a flagrant violation of any of the obligations under this CIA, including, but not limited to, the obligations addressed in Section X.A;

b. a failure by Prime to report a Reportable Event, take corrective action, or make the appropriate refunds, as required in Section III.J;

c. a failure to respond to a Demand Letter concerning the payment of Stipulated Penalties in accordance with Section X.C; or

d. a failure to engage and use an IRO in accordance with Section III.D, Appendix A, or Appendix B.

2. Notice of Material Breach and Intent to Exclude. The parties agree that a material breach of this CIA by Prime constitutes an independent basis for Prime’s exclusion from participation in the Federal health care programs. The length of the exclusion shall be in the OIG’s discretion, but not more than five years per material breach. Upon a determination by OIG that Prime has materially breached this CIA and that exclusion is the appropriate remedy, OIG shall notify Prime of: (a) Prime’s material breach; and (b) OIG’s intent to exercise its contractual right to impose exclusion. (This notification shall be referred to as the “Notice of Material Breach and Intent to Exclude.”)

3. Opportunity to Cure. Prime shall have 30 days from the date of receipt of the Notice of Material Breach and Intent to Exclude to demonstrate that:

   a. the alleged material breach has been cured; or

   b. the alleged material breach cannot be cured within the 30 day period, but that: (i) Prime has begun to take action to cure the material breach; (ii) Prime is pursuing such action with due diligence; and (iii) Prime has provided to OIG a reasonable timetable for curing the material breach.

4. Exclusion Letter. If, at the conclusion of the 30 day period, Prime fails to satisfy the requirements of Section X.D.3, OIG may exclude Prime from participation in the Federal health care programs. OIG shall notify Prime in writing of its determination to exclude Prime. (This letter shall be referred to as the “Exclusion Letter.”) Subject to the Dispute Resolution provisions in Section X.E, below, the

Corporate Integrity Agreement
Prime

25
exclusion shall go into effect 30 days after the date of Prime’s receipt of the Exclusion Letter. The exclusion shall have national effect. Reinstatement to program participation is not automatic. At the end of the period of exclusion, Prime may apply for reinstatement by submitting a written request for reinstatement in accordance with the provisions at 42 C.F.R. §§ 1001.3001-.3004.

E. Dispute Resolution

1. Review Rights. Upon OIG’s delivery to Prime of its Demand Letter or of its Exclusion Letter, and as an agreed-upon contractual remedy for the resolution of disputes arising under this CIA, Prime shall be afforded certain review rights comparable to the ones that are provided in 42 U.S.C. § 1320a-7(f) and 42 C.F.R. Part 1005 as if they applied to the Stipulated Penalties or exclusion sought pursuant to this CIA. Specifically, OIG’s determination to demand payment of Stipulated Penalties or to seek exclusion shall be subject to review by an HHS ALJ and, in the event of an appeal, the HHS Departmental Appeals Board (DAB), in a manner consistent with the provisions in 42 C.F.R. § 1005.2-1005.21. Notwithstanding the language in 42 C.F.R. § 1005.2(c), the request for a hearing involving Stipulated Penalties shall be made within 10 days after receipt of the Demand Letter and the request for a hearing involving exclusion shall be made within 25 days after receipt of the Exclusion Letter. The procedures relating to the filing of a request for a hearing can be found at http://www.hhs.gov/dab/divisions/civil/procedures/divisionprocedures.html

2. Stipulated Penalties Review. Notwithstanding any provision of Title 42 of the United States Code or Title 42 of the Code of Federal Regulations, the only issues in a proceeding for Stipulated Penalties under this CIA shall be: (a) whether Prime was in full and timely compliance with the obligations of this CIA for which OIG demands payment; and (b) the period of noncompliance. Prime shall have the burden of proving its full and timely compliance and the steps taken to cure the noncompliance, if any. OIG shall not have the right to appeal to the DAB an adverse ALJ decision related to Stipulated Penalties. If the ALJ agrees with OIG with regard to a finding of a breach of this CIA and orders Prime to pay Stipulated Penalties, such Stipulated Penalties shall become due and payable 20 days after the ALJ issues such a decision unless Prime requests review of the ALJ decision by the DAB. If the ALJ decision is properly appealed to the DAB and the DAB upholds the determination of OIG, the Stipulated Penalties shall become due and payable 20 days after the DAB issues its decision.

3. Exclusion Review. Notwithstanding any provision of Title 42 of the United States Code or Title 42 of the Code of Federal Regulations, the only issues in a
proceeding for exclusion based on a material breach of this CIA shall be whether Prime was in material breach of this CIA and, if so, whether:

a. Prime cured such breach within 30 days of its receipt of the Notice of Material Breach; or

b. the alleged material breach could not have been cured within the 30 day period, but that, during the 30 day period following Prime’s receipt of the Notice of Material Breach:
   (i) Prime had begun to take action to cure the material breach;
   (ii) Prime pursued such action with due diligence; and (iii) Prime provided to OIG a reasonable timetable for curing the material breach.

For purposes of the exclusion herein, exclusion shall take effect only after an ALJ decision favorable to OIG, or, if the ALJ rules for Prime, only after a DAB decision in favor of OIG. Prime’s election of its contractual right to appeal to the DAB shall not abrogate OIG’s authority to exclude Prime upon the issuance of an ALJ’s decision in favor of OIG. If the ALJ sustains the determination of OIG and determines that exclusion is authorized, such exclusion shall take effect 20 days after the ALJ issues such a decision, notwithstanding that Prime may request review of the ALJ decision by the DAB. If the DAB finds in favor of OIG after an ALJ decision adverse to OIG, the exclusion shall take effect 20 days after the DAB decision. Prime shall waive its right to any notice of such an exclusion if a decision upholding the exclusion is rendered by the ALJ or DAB. If the DAB finds in favor of Prime, Prime shall be reinstated effective on the date of the original exclusion.

4. **Finality of Decision.** The review by an ALJ or DAB provided for above shall not be considered to be an appeal right arising under any statutes or regulations. Consequently, the parties to this CIA agree that the DAB’s decision (or the ALJ’s decision if not appealed) shall be considered final for all purposes under this CIA.

XI. **EFFECTIVE AND BINDING AGREEMENT**

Prime and OIG agree as follows:

A. This CIA shall become final and binding on the date the final signature is obtained on the CIA.

*Corporate Integrity Agreement*

*Prime*
B. This CIA constitutes the complete agreement between the parties and may not be amended except by written consent of the parties to this CIA.

C. OIG may agree to a suspension of Prime’s obligations under this CIA based on a certification by Prime that it is no longer providing health care items or services that will be billed to any Federal health care program and it does not have any ownership or control interest, as defined in 42 U.S.C. §1320a-3, in any entity that bills any Federal health care program. If Prime is relieved of its CIA obligations, Prime shall be required to notify OIG in writing at least 30 days in advance if Prime plans to resume providing health care items or services that are billed to any Federal health care program or to obtain an ownership or control interest in any entity that bills any Federal health care program. At such time, OIG shall evaluate whether the CIA will be reactivated or modified.

D. All requirements and remedies set forth in this CIA are in addition to and do not affect (1) Prime’s responsibility to follow all applicable Federal health care program requirements or (2) the government’s right to impose appropriate remedies for failure to follow applicable Federal health care program requirements.

E. The undersigned Prime signatories represent and warrant that they are authorized to execute this CIA. The undersigned OIG signatories represent that they are signing this CIA in their official capacities and that they are authorized to execute this CIA.

F. This CIA may be executed in counterparts, each of which constitutes an original and all of which constitute one and the same CIA. Electronically-transmitted copies of signatures shall constitute acceptable, binding signatures for purposes of this CIA.

APPENDIX A

INDEPENDENT REVIEW ORGANIZATION

This Appendix contains the requirements relating to the Independent Review Organization (IRO) required by Section III.D of the CIA.

A. IRO Engagement

1. Prime shall engage an IRO(s) that possesses the qualifications set forth in Paragraph B, below, to perform the responsibilities in Paragraph C, below. The IRO shall conduct the review in a professionally independent and objective fashion, as set forth in Paragraph D. Within 30 days after OIG receives the information identified in Section V.A.9 of the CIA or any additional information submitted by Prime in response to a request by OIG, whichever is later, OIG will notify Prime if the IRO is unacceptable. Absent notification from OIG that the IRO is unacceptable, Prime may continue to engage the IRO.

2. If Prime engages a new IRO during the term of the CIA, that IRO must also meet the requirements of this Appendix. If a new IRO is engaged, Prime shall submit the information identified in Section V.A.9 of the CIA to OIG within 30 days of engagement of the IRO. Within 30 days after OIG receives this information or any additional information submitted by Prime at the request of OIG, whichever is later, OIG will notify Prime if the IRO is unacceptable. Absent notification from OIG that the IRO is unacceptable, Prime may continue to engage the IRO.

B. IRO Qualifications

The IRO shall:

1. assign individuals to conduct the Claims Review and Inpatient Medical Necessity Review who have expertise in the Medicare program requirements applicable to the claims being reviewed;

2. assign individuals to design and select the Claims Review and Inpatient Medical Necessity Review samples who are knowledgeable about the appropriate statistical sampling techniques;

3. assign individuals to conduct the coding review portions of the Claims Review who have a nationally recognized coding certification and who have maintained this certification (e.g., completed applicable continuing education requirements);
4. assign licensed nurses or physicians with relevant education, training and specialized expertise (or other licensed health care professionals acting within their scope of practice and specialized expertise) to make the medical necessity determinations required by the Claims Review and Inpatient Medical Necessity Review; and

5. have sufficient staff and resources to conduct the reviews required by the CIA on a timely basis.

C. IRO Responsibilities

The IRO shall:

1. perform each Claims Review and Inpatient Medical Necessity Review in accordance with the specific requirements of the CIA;

2. follow all applicable Medicare program rules and reimbursement guidelines in making assessments in the Claims Review and Inpatient Medical Necessity Review;

3. request clarification from the appropriate authority (e.g., Medicare contractor), if in doubt of the application of a particular Medicare program policy or regulation;

4. respond to all OIG inquires in a prompt, objective, and factual manner; and

5. prepare timely, clear, well-written reports that include all the information required by Appendix B to the CIA.

D. Prime Responsibilities

Prime shall ensure that the IRO has access to all records and personnel necessary to complete the reviews listed in III.D of this CIA and that all records furnished to the IRO are accurate and complete.

E. IRO Independence and Objectivity

The IRO must perform the Claims Review and Inpatient Medical Necessity Review in a professionally independent and objective fashion, as defined in the most recent Government Auditing Standards issued by the U.S. Government Accountability Office.
F. IRO Removal/Termination

1. **Prime and IRO.** If Prime terminates its IRO or if the IRO withdraws from the engagement during the term of the CIA, Prime must submit a notice explaining (a) its reasons for termination of the IRO or (b) the IRO’s reasons for its withdrawal to OIG, no later than 30 days after termination or withdrawal. Prime must engage a new IRO in accordance with Paragraph A of this Appendix and within 60 days of termination or withdrawal of the IRO.

2. **OIG Removal of IRO.** In the event OIG has reason to believe the IRO does not possess the qualifications described in Paragraph B, is not independent and objective as set forth in Paragraph E, or has failed to carry out its responsibilities as described in Paragraph C, OIG shall notify Prime in writing regarding OIG’s basis for determining that the IRO has not met the requirements of this Appendix. Prime shall have 30 days from the date of OIG’s written notice to provide information regarding the IRO’s qualifications, independence or performance of its responsibilities in order to resolve the concerns identified by OIG. If, following OIG’s review of any information provided by Prime regarding the IRO, OIG determines that the IRO has not met the requirements of this Appendix, OIG shall notify Prime in writing that Prime shall be required to engage a new IRO in accordance with Paragraph A of this Appendix. Prime must engage a new IRO within 60 days of its receipt of OIG’s written notice. The final determination as to whether or not to require Prime to engage a new IRO shall be made at the sole discretion of OIG.
A. Claims Review. The IRO shall perform the Claims Review annually to cover each of the five Reporting Periods. The IRO shall perform all components of each Claims Review. In the first, third, and fifth Reporting Periods, the Claims Review shall be conducted at 4 Covered Facilities or 7.5% of Prime’s Covered Facilities, whichever is greater. In the second and fourth Reporting Periods, the Claims Review shall be conducted at 3 Covered Facilities or 5% of Prime’s Covered Facilities, whichever is greater. The facilities selected in each Reporting Period shall be called the Selected Facilities. The IRO shall propose Selected Facilities for review in each Reporting Period which will be subject to approval by OIG.

1. Definitions. For the purposes of the Claims Review, the following definitions shall be used:

   a. Overpayment: The amount of money Prime has received in excess of the amount due and payable under Medicare fee-for-service program requirements, as determined by the IRO in connection with the Claims Review performed under this Appendix B.

   b. Paid Claim: A claim submitted by Prime and for which Prime has received reimbursement from the Medicare fee-for-service program.

   c. Population: The Population shall be defined as all Paid Claims during the 12-month period covered by the Claims Review. In OIG’s discretion, OIG may limit the Population to one or more subset(s) of Paid Claims to be reviewed and shall notify Prime and the IRO of its selection of the Population at least 30 days prior to the end of each Reporting Period. In connection with limiting the Population, OIG also may select the Prime Covered Facilities that will be subject to the Claims Review in each Reporting Period. In order to facilitate OIG’s selection, at least 90 days prior to the end of the Reporting Period, Prime shall furnish to OIG the following information for each Prime Covered Facility for the prior calendar year: (1) Federal health care program revenues, (2) Federal health care program patient census, and (2) Federal health care program payor mix.

Prime, or its IRO on behalf of Prime, may submit proposals identifying suggestions for the subset(s) of Paid Claims to be reviewed and the Prime Covered Facilities to be reviewed at least 90 days prior to the end of each Reporting Period. In connection with
limiting the Population, OIG may consider (1) proposals submitted by Prime or its IRO or (2) information furnished to OIG regarding the results of Prime’s internal risk assessment and internal auditing. The determination of whether, and in what manner, to limit the Population shall be made at the sole discretion of OIG.

2. Claims Review Sample. The IRO shall randomly select and review a sample of 100 Paid Claims (Claims Review Sample) at each Selected Facility. The Paid Claims shall be reviewed based on the supporting documentation available at Prime’s office or under Prime’s control and applicable Medicare program requirements to determine whether the items and services furnished were medically necessary and appropriately documented and whether the claim was correctly coded, submitted, and reimbursed. For each Paid Claim in the Claims Review Sample that results in an Overpayment, the IRO shall review the system(s) and process(es) that generated the Paid Claim and identify any problems or weaknesses that may have resulted in the identified Overpayments. The IRO shall provide its observations and recommendations on suggested improvements to the system(s) and the process(es) that generated the Paid Claim.

3. Other Requirements.
   a. Supplemental Materials. The IRO shall request all documentation and materials required for its review of the Paid Claims in the Claims Review Sample and Prime shall furnish such documentation and materials to the IRO prior to the IRO initiating its review of the Claims Review Sample. If the IRO accepts any supplemental documentation or materials from Prime after the IRO has completed its initial review of the Claims Review Sample (Supplemental Materials), the IRO shall identify in the Claims Review Report the Supplemental Materials, the date the Supplemental Materials were accepted, and the relative weight the IRO gave to the Supplemental Materials in its review. In addition, the IRO shall include a narrative in the Claims Review Report describing the process by which the Supplemental Materials were accepted and the IRO’s reasons for accepting the Supplemental Materials.

   b. Paid Claims without Supporting Documentation. Any Paid Claim for which Prime cannot produce documentation shall be considered an error and the total reimbursement received by Prime for such Paid Claim shall be deemed an Overpayment. Replacement sampling for Paid Claims with missing documentation is not permitted.
c. Use of First Samples Drawn. For the purposes of the Claims Review Sample discussed in this Appendix, the first set of Paid Claims selected shall be used (i.e., it is not permissible to generate more than one list of random samples and then select one for use with the Claims Review Sample).

4. Repayment of Identified Overpayments. Prime shall repay within 60 days any Overpayment(s) identified by the IRO in the Claims Review Sample, in accordance with the requirements of 42 U.S.C. § 1320a-7k(d) and 42 C.F.R § 401.301-305 (and any applicable CMS guidance) (the “CMS overpayment rule”). If Prime determines that the CMS overpayment rule requires that an extrapolated Overpayment be repaid, Prime shall repay that amount at the mean point estimate as calculated by the IRO. Prime shall make available to OIG all documentation that reflects the refund of any Overpayment(s) to the payor. OIG, in its sole discretion, may refer the findings of the Claims Review Sample (and any related work papers) received from Prime to the appropriate Medicare program contractor for appropriate follow up by that payor.

B. Claims Review Report. The IRO shall prepare a Claims Review Report as described in this Appendix for each Claims Review performed. The following information shall be included in the Claims Review Report.

   b. Claims Review Objective. A clear statement of the objective intended to be achieved by the Claims Review.

   c. Source of Data. A description of (1) the process used to identify Paid Claims in the Population and (2) the specific documentation relied upon by the IRO when performing the Claims Review (e.g., medical records, physician orders, certificates of medical necessity, requisition forms, local medical review policies (including title and policy number), CMS program memoranda (including title and issuance number), Medicare carrier or intermediary manual or bulletins (including issue and date), other policies, regulations, or directives).

   d. Review Protocol. A narrative description of how the Claims Review was conducted and what was evaluated.

   e. Supplemental Materials. A description of any Supplemental Materials as required by Section A.3.a., above.
2. **Statistical Sampling Documentation.**
   a. A copy of the printout of the random numbers generated by the “Random Numbers” function of the statistical sampling software used by the IRO.
   b. A description or identification of the statistical sampling software package used by the IRO.

3. **Claims Review Findings.**
   a. **Narrative Results.**
      i. A description of Prime’s billing and coding system(s), including the identification, by position description, of the personnel involved in coding and billing.
      ii. A description of controls in place at Prime to ensure that all items and services billed to Medicare are medically necessary and appropriately documented.
      iii. A narrative explanation of the IRO’s findings and supporting rationale (including reasons for errors, patterns noted, etc.) regarding the Claims Review, including the results of the Claims Review Sample.
   b. **Quantitative Results.**
      i. Total number and percentage of instances in which the IRO determined that the coding of the Paid Claims submitted by Prime differed from what should have been the correct coding and in which such difference resulted in an Overpayment to Prime.
      ii. Total number and percentage of instances in which the IRO determined that a Paid Claim was not appropriately documented and in which such documentation errors resulted in an Overpayment to Prime.
      iii. Total number and percentage of instances in which the IRO determined that a Paid Claim was for items or services that
were not medically necessary and resulted in an Overpayment to Prime.

iv. Total dollar amount of all Overpayments in the Claims Review Sample.

APPENDIX C

INPATIENT MEDICAL NECESSITY REVIEW

A. Inpatient Medical Necessity Review. The IRO shall perform the Inpatient Medical Necessity Review in the second and fourth Reporting Periods. The IRO shall perform all components of each Inpatient Medical Necessity Review. The Inpatient Medical Necessity Review shall be conducted at 4 Covered Facilities or 7.5% of Prime’s Covered Facilities, whichever is greater (Selected Facilities), for each applicable Reporting Period. For each Inpatient Medical Necessity Review the IRO shall evaluate and analyze Prime’s inpatient admissions and relevant lengths of stay to determine if such admissions and lengths of stay were medically necessary and appropriate under the applicable Medicare program requirements.

1. Selection of Covered Facilities to be Reviewed. At least 60 days prior to the end of each applicable Reporting Period, Prime shall provide OIG and the IRO with the following information for each Covered Facility for the prior calendar year: (1) Total dollar amount of Paid Claims for inpatient discharges; and (2) the percentage of Medicare fee-for-service reimbursement received by the Covered Facility compared to the Covered Facility’s total revenue. Based on this information, the IRO will recommend 4 Covered Facilities for the Inpatient Medical Necessity Review to OIG. Within 30 days after OIG receives the IRO’s recommendations, OIG will notify Prime and the IRO if the recommendations are unacceptable. Absent notification from OIG that the recommendations are unacceptable, the IRO may proceed with the Inpatient Medical Necessity Review.

2. Definitions. For the purposes of the Inpatient Medical Necessity Review, the following definitions shall be used:

a. Overpayment: The amount of money Prime has received in excess of the amount due and payable under any Federal health care program requirements, as determined by the IRO in connection with the Inpatient Medical Necessity Reviews performed under this Appendix C.

b. Paid Claim: A claim submitted by Prime and for which Prime has received reimbursement from the Medicare fee-for-service program, limited to the following categories of claims:

   i. “Zero-day” inpatient admissions, i.e., claims bearing the same calendar date for both the admission and the discharge date; and
ii. “One-day” inpatient admissions, i.e., claims bearing an admission date followed by a discharge date one calendar day later.

c. Population: The Population shall be defined as all Medicare fee-for-service Inpatient Admission Paid Claims during the 12-month period covered by the Inpatient Medical Necessity Review.

3. Claims Review Sample. The IRO shall randomly select and review a sample of 100 Paid Claims (Claims Review Sample) at each Selected Facility. The Paid Claims shall be reviewed based on the supporting documentation available at Prime’s office or under Prime’s control to determine whether the inpatient admission and length of stay were medically necessary and appropriate under the applicable Medicare program requirements. For each Paid Claim in the Claims Review Sample that results in an Overpayment, the IRO shall review the system(s) and process(es) that generated the Paid Claim and identify any problems or weaknesses that resulted in the identified Overpayment. The IRO shall provide its observations and recommendations on suggested improvements to the relevant system(s) and the process(es).

4. Other Requirements

a. Supplemental Materials. The IRO shall request all documentation and materials required for its review of the Paid Claims in the Claims Review Sample and Prime shall furnish such documentation and materials to the IRO prior to the IRO initiating its review of the Claims Review Sample. If the IRO accepts any supplemental documentation or materials from Prime after the IRO has completed its initial review of the Claims Review Sample (Supplemental Materials), the IRO shall identify in the Inpatient Medical Necessity Review Report the Supplemental Materials, the date the Supplemental Materials were accepted, and the relative weight the IRO gave to the Supplemental Materials in its review. In addition, the IRO shall include a narrative in the Inpatient Medical Necessity Review Report describing the process by which the Supplemental Materials were accepted and the IRO’s reasons for accepting the Supplemental Materials.

b. Paid Claims without Supporting Documentation. Any Paid Claim for which Prime cannot produce documentation shall be considered an error and the total reimbursement received by Prime for such Paid Claim shall be deemed an Overpayment. Replacement sampling for Paid Claims with missing documentation is not permitted.
c. **Use of First Samples Drawn.** For the purposes of the Claims Review Sample discussed in this Appendix, the Paid Claims selected in each first sample shall be used (i.e., it is not permissible to generate more than one list of random samples and then select one for use with the Claims Review Sample).

5. **Repayment of Identified Overpayments.** Prime shall repay within 60 days any Overpayment(s) identified by the IRO in the Claims Review Sample, in accordance with the requirements of 42 U.S.C. §1320-7k(d) and 42 C.F.R. §§ 401.301-305 (and any applicable CMS guidance) (the “CMS overpayment rule”). If Prime determines that the CMS overpayment rule requires that an extrapolated Overpayment be repaid, Prime shall repay that amount at the mean point estimate calculated by the IRO. Prime shall make available to OIG all documentation that reflects the refund of the Overpayment(s) to the payor. OIG, in its sole discretion, may refer the findings of the Claims Review Sample (and any related workpapers) received from Prime to the appropriate Medicare contractor for appropriate follow up by that payer.

B. **Inpatient Medical Necessity Review Report.** The IRO shall prepare an Inpatient Medical Necessity Review Report as described in this Appendix for each Inpatient Medical Necessity Review performed. The following information shall be included in the Inpatient Medical Necessity Review Report.

1. **Inpatient Medical Necessity Review Methodology**
   
a. **Inpatient Medical Necessity Review Population.** A description of the Population subject to the Inpatient Medical Necessity Review.

   ii. A narrative explanation of the IRO’s findings and supporting rationale (including reasons for errors, patterns noted, etc.) regarding the Inpatient Medical Necessity Review, including the results of the Claims Review Sample.

b. **Quantitative Results**
   
i. Total number and percentage of instances in which the IRO determined that a Paid Claim was for an inpatient admission that was not medically necessary and resulted in an Overpayment to Prime.

   ii. Total dollar amount of all Overpayments in the Claims Review Sample.

   iii. Total dollar amount of Paid Claims included in the Claims Review Sample.

   iv. Error Rate in the Claims Review Sample. The Error Rate shall be calculated by dividing the Overpayment in the
