Critz, M.D. (Critz) (collectively the “CIA Parties”) hereby enter into this Integrity Agreement (IA) with the Office of Inspector General (OIG) of the United States Department of Health and Human Services (HHS) to promote compliance with the statutes, regulations, program requirements, and written directives of Medicare, Medicaid, and all other Federal health care programs (as defined in 42 U.S.C. § 1320a-7b(f)) (Federal health care program requirements). This IA applies to the CIA Parties, any entity in which the CIA Parties have an ownership or control interest at any time during the term of the IA, as defined in 42 U.S.C. § 1320a-3(a)(3), and any other Covered Persons as defined in Section II.C. Notwithstanding the above, this IA does not apply to Vantage Oncology, LLC, Radiotherapy Clinics of Kentuckiana, LLC, Radiotherapy Clinics of Kentuckiana-2, LLC, or their respective subsidiaries. Contemporaneously with this IA, the CIA Parties are entering into a Settlement Agreement with the United States.

II. TERM AND SCOPE OF THE IA

A. The period of compliance obligations assumed by the CIA Parties under this IA shall be five years from the Effective Date of this IA. The “Effective Date” shall be the date on which the final signatory of this IA executes this IA. Each one-year period, beginning with the one-year period following the Effective Date, shall be referred to as a “Reporting Period.”

B. Sections VII, X, and XI shall expire no later than 120 days from OIG's receipt of: (1) the CIA Parties' final Annual Report; or (2) any additional materials submitted by the CIA Parties pursuant to OIG's request, whichever is later.

C. The term "Covered Persons" includes:

1. all owners, officers, directors, and employees of the CIA Parties;
2. all contractors, agents, and other persons who provide patient care items or services or who perform billing or coding functions on behalf of the CIA Parties; and
3. all employees of any entity in which the CIA Parties have an ownership or control interest at any time during the term of this IA (as defined in 42 U.S.C. §1320a-3(a)(3)) (Owned Entities) and any contractors, agents, or other persons who provide patient care items or services or who perform billing or coding functions on behalf of such entity.

Notwithstanding the above, the terms "Covered Person" and "Owned Entities" do not include Vantage Oncology, LLC, Radiotherapy Clinics of Kentuckiana, LLC, Radiotherapy Clinics of Kentuckiana-2, LLC, or their respective subsidiaries. Except that any employees of Vantage Oncology, LLC, Radiotherapy Clinics of Kentuckiana, LLC, Radiotherapy Clinics of Kentuckiana-2, LLC, or their respective subsidiaries who also fit the definition of Covered Person in II.C.1 or II.C.2 above, will be considered a Covered Person.

III. INTEGRITY OBLIGATIONS

The CIA Parties shall establish and maintain a Compliance Program that includes the following elements:

A. Compliance Contact

Within 30 days after the Effective Date, the CIA Parties shall designate a Covered Person to be responsible for compliance activities (Compliance Contact). The CIA Parties shall maintain a Compliance Contact for the term of this IA. The Compliance Contact shall be responsible for: (1) monitoring the CIA Parties' day-to-day compliance activities; (2) meeting all reporting obligations created under this IA; and (3) responding

to questions and concerns from Covered Persons and the OIG regarding compliance with the IA.

The CIA Parties shall report to OIG, in writing, any changes in the identity or job responsibilities of the Compliance Contact, or any actions or changes that would affect the Compliance Contact's ability to perform the duties necessary to meet the obligations in this IA within five days after such change.

B. Posting of Notice; Disclosure Log

Within 90 days after the Effective Date, the CIA Parties shall post in a prominent place at each of their locations and accessible to all patients and Covered Persons a notice detailing their commitment to comply with all Federal health care program requirements in the conduct of their business.

This notice shall include the following information: (i) a means (e.g., telephone number or address) by which billing concerns and other issues may be reported anonymously; (ii) the CIA Parties' commitment to maintain the confidentiality of the report; and (iii) notification that reporting concerns and issues will not result in retribution or retaliation by the CIA Parties. The Compliance Contact shall maintain a disclosure log, which shall include a record and summary of each disclosure received (whether anonymous or not), the status of the Compliance Contact's review of each disclosure, and any corrective action taken in response to the disclosure.

This notice shall also include the HHS OIG Fraud Hotline telephone number (1-800-HHS-TIPS) as a confidential means by which suspected fraud or abuse in the Federal health care programs may be reported.

C. Billing, Claims Submission and Medical Record Documentation Procedures

Within 120 days after the Effective Date, the CIA Parties shall implement and distribute to all Covered Persons written procedures and requirements for (i) preparing and submitting claims to Federal health care programs on behalf of the CIA Parties and (ii) the proper documentation of medical records and billing information for services furnished on behalf of the CIA Parties. Within 120 days after the Effective Date, each Covered Person shall certify in writing that he or she has received, read, understood, and shall abide by these procedures. New Covered Persons shall receive and review the

written procedures and shall complete the required certification within 30 days after becoming a Covered Person or within 120 days after the Effective Date, whichever is later.

At least annually (and more frequently if appropriate), the CIA Parties shall assess and update, as necessary, these billing and claims submission and medical record documentation procedures. Within 30 days after the effective date of any revisions, any such revised procedures shall be distributed to all Covered Persons.

D. Training and Education

1. *Training.* Within 120 days after the Effective Date, all Covered Persons shall receive at least three hours of training from an individual or entity, other than the CIA Parties or another Covered Person. In each Reporting Period following the first Reporting Period, all Covered Persons shall receive at least two hours of training. Training may be received from a variety of sources (e.g., CME classes, hospitals, associations, Medicare contractors).

New Covered Persons shall receive the training described above within 30 days after becoming a Covered Person or within 120 days after the Effective Date, whichever is later. A new Covered Person shall work under the direct supervision of a Covered Person who has received such training, to the extent that the work relates to the delivery of patient care items or services and/or the preparation or submission of claims for reimbursement from any Federal health care program, until such time as the new Covered Person completes the training.

At a minimum, the initial, annual, and new Covered Person training sessions shall include the following topics:

- a. the requirements of this IA;
- b. the accurate coding and submission of claims for services rendered and/or items provided to Federal health care program beneficiaries;
- c. applicable reimbursement statutes, regulations, and program requirements and directives;

- d. the policies, procedures, and other requirements applicable to the documentation of medical records;
- e. the personal obligation of each individual involved in the coding and claims submission process to ensure that such claims are accurate;
- f. the legal sanctions for the submission of improper claims or violations of the Federal health care program requirements; and
- g. examples of proper and improper coding and claims submission practices.

2. *Certification.* Each individual who is required to receive training shall certify, in writing or in electronic form, that he or she has received the required training. The certification shall specify the type of training received and the date received. The CIA Parties shall retain the certifications along with all training materials.

3. *Qualifications of Trainer(s).* Persons providing the training shall be knowledgeable about the subject area.

4. *Update of Training.* The training required by this section shall be updated as necessary to reflect changes in Federal health care program requirements, any issues discovered during the Claims Review, and any other relevant information.

5. *Computer-Based Training.* The CIA Parties may provide the training required under this IA through appropriate computer-based training approaches. If the CIA Parties choose to provide computer-based training, they shall make available appropriately qualified and knowledgeable staff or trainers to answer questions or provide additional information to the individuals receiving such training. In addition, if the CIA Parties make use of computer-based training, all applicable requirements to provide a number of “hours” of training in this Section III.C may be met by providing the required number of “normative” hours as that term is used in the computer-based training industry.

E. Review Procedures

1. *General Description.*

- a. *Engagement of Independent Review Organization.* Within 90 days after the Effective Date, the CIA Parties shall engage an individual or entity, such as an accounting, auditing, or consulting firm (hereinafter “Independent Review Organization” or “IRO”), to perform the reviews listed in this Section III.E. The applicable requirements relating to the IRO are outlined in Appendix A to this IA, which is incorporated by reference.
- b. *Retention of Records.* The IRO and the CIA Parties shall retain and make available to OIG, upon request, all work papers, supporting documentation, correspondence, and draft reports (those exchanged between the IRO and the CIA Parties) related to the reviews.

2. *Claims Review.* The IRO shall review the CIA Parties’ coding, billing, and claims submission to the Federal health care programs and the reimbursement received (Claims Review) and shall prepare a Claims Review Report, as outlined in Appendix B to this IA, which is incorporated by reference.

3. *Validation Review.* In the event OIG has reason to believe that: (a) the Claims Review fails to conform to the requirements of this IA; or (b) the IRO’s findings or Claims Review results are inaccurate, OIG may, at its sole discretion, conduct its own review to determine whether the Claims Review complied with the requirements of the IA and/or the findings or Claims Review results are inaccurate (Validation Review). The CIA Parties shall pay for the reasonable cost of any Validation Review performed by OIG or any of its designated agents so long as it is initiated within one year after the CIA Parties’ final submission (as described in Section II) is received by OIG.

Prior to initiating a Validation Review, OIG shall notify the CIA Parties of its intent to do so and provide a written explanation of why OIG believes the Validation Review is necessary. To resolve any concerns raised by OIG, the CIA Parties may request a meeting with OIG to: (a) discuss the results of any Claims Review submissions or findings; (b) present any additional or relevant information to clarify the results of the

Claims Review to correct the inaccuracy of the Claims Review; and/or (c) propose alternatives to the proposed Validation Review. The CIA Parties agree to provide any additional information requested by OIG under this Section III.E.3 in an expedited manner. OIG will attempt in good faith to resolve any Claims Review issues with the CIA Parties prior to conducting a Validation Review. However, the final determination as to whether or not to proceed with a Validation Review shall be made at the sole discretion of OIG.

4. *Independence and Objectivity Certification.* The IRO shall include in its report(s) to the CIA Parties a certification that the IRO has (a) evaluated its professional independence and objectivity with respect to the reviews required under this Section III.E and (b) concluded that it is, in fact, independent and objective, in accordance with the requirements specified in Appendix A to this IA.

F. Ineligible Persons

1. *Definitions.* For purposes of this IA:

a. an “Ineligible Person” shall include an individual or entity who:

i. is currently excluded, debarred, suspended, or otherwise ineligible to participate in the Federal health care programs or in Federal procurement or nonprocurement programs; or

ii. has been convicted of a criminal offense that falls within the scope of 42 U.S.C. § 1320a-7(a), but has not yet been excluded, debarred, suspended, or otherwise declared ineligible.

b. “Exclusion Lists” include:

i. the HHS/OIG List of Excluded Individuals/Entities (available through the Internet at <http://www.oig.hhs.gov>); and

ii. the General Services Administration's List of Parties Excluded from Federal Programs (available through the Internet at <http://www.epls.gov>)

2. *Screening Requirements.* The CIA Parties shall ensure that all prospective and current Covered Persons are not Ineligible Persons, by implementing the following screening requirements.

- a. The CIA Parties shall screen all prospective Covered Persons against the Exclusion Lists prior to engaging their services and, as part of the hiring or contracting process, shall require Covered Persons to disclose whether they are Ineligible Persons.
- b. The CIA Parties shall screen all current Covered Persons against the Exclusion Lists within 90 days after the Effective Date and on an annual basis thereafter.
- c. The CIA Parties shall require all Covered Persons to immediately disclose any debarment, exclusion, suspension, or other event that makes that Covered Person an Ineligible Person.

The CIA Parties shall maintain documentation demonstrating that they: (1) have checked the Exclusion Lists (e.g., print screens from search results) and determined that such individuals or entities are not Ineligible Persons; and (2) have required individuals and entities to disclose if they are an Ineligible Person (e.g., employment applications).

Nothing in this Section affects the CIA Parties' responsibility to refrain from (and liability for) billing Federal health care programs for items or services furnished, ordered, or prescribed by excluded persons. The CIA Parties understand that items or services furnished by excluded persons are not payable by Federal health care programs and that the CIA Parties may be liable for overpayments and/or criminal, civil, and administrative sanctions for employing or contracting with an excluded person regardless of whether the CIA Parties meet the requirements of Section III.F.

3. *Removal Requirement.* If the CIA Parties have actual notice that a Covered Person has become an Ineligible Person, the CIA Parties shall remove such Covered Person from responsibility for, or involvement with, the CIA Parties' business operations related to the Federal health care programs and shall remove such Covered Person from any position for which the Covered Person's compensation or the items or services rendered, ordered, or prescribed by the Covered Person are paid in whole or part, directly or indirectly, by Federal health care programs or otherwise with Federal funds at least until such time as the Covered Person is reinstated into participation in the Federal health care programs.

4. *Pending Charges and Proposed Exclusions.* If the CIA Parties have actual notice that a Covered Person is charged with a criminal offense that falls within the scope of 42 U.S.C. §§ 1320a-7(a), 1320a-7(b)(1)-(3), or is proposed for exclusion during the Covered Person's employment or contract term, the CIA Parties shall take all appropriate actions to ensure that the responsibilities of that Covered Person have not and shall not adversely affect the quality of care rendered to any beneficiary, patient, or resident, or the accuracy of any claims submitted to any Federal health care program.

G. Notification of Government Investigation or Legal Proceedings

Within 30 days after discovery, the CIA Parties shall notify OIG, in writing, of any ongoing investigation or legal proceeding known to the CIA Parties conducted or brought by a governmental entity or its agents involving an allegation that the CIA Parties have committed a crime or have engaged in fraudulent activities. This notification shall include a description of the allegation, the identity of the investigating or prosecuting agency, and the status of such investigation or legal proceeding. The CIA Parties shall also provide written notice to OIG within 30 days after the resolution of the matter, and shall provide OIG with a description of the findings and/or results of the proceedings, if any.

H. Repayment of Overpayments

1. *Definition of Overpayments.* For purposes of this IA, an "Overpayment" shall mean the amount of money the CIA Parties have received in excess of the amount due and payable under any Federal health care program requirements.

2. *Reporting of Overpayments.*

- a. If, at any time, the CIA Parties identify or learn of any Overpayment, the CIA Parties shall repay the Overpayment to the appropriate payor (e.g., Medicare fiscal intermediary or carrier) within 30 days after identification of the Overpayment and take remedial steps within 60 days after identification (or such additional time as may be agreed to by the payor) to correct the problem, including preventing the underlying problem and the Overpayment from recurring. If not yet quantified within 30 days after identification, the CIA Parties shall notify the payor at that time of their efforts to quantify the Overpayment amount and provide a schedule of when such work is expected to be completed. Notification and repayment to the payor shall be done in accordance with the payor's policies.
- b. Notwithstanding the above, notification and repayment of any Overpayment amount that routinely is reconciled or adjusted pursuant to policies and procedures established by the payor should be handled in accordance with such policies and procedures.

I. Reportable Events

1. *Definition of Reportable Event.* For purposes of this IA, a "Reportable Event" means anything that involves:

- b. a matter that a reasonable person would consider a probable violation of criminal, civil, or administrative laws applicable to any Federal health care program for which penalties or exclusion may be authorized;
- c. the employment of or contracting with a Covered Person who is an Ineligible Person as defined by Section III.F.1.a; or

- d. the filing of a bankruptcy petition by the CIA Parties.

A Reportable Event may be the result of an isolated event or a series of occurrences.

2. *Reporting of Reportable Events.* If the CIA Parties determine (after a reasonable opportunity to conduct an appropriate review or investigation of the allegations) through any means that there is a Reportable Event, the CIA Parties shall notify OIG, in writing, within 30 days after making the determination that the Reportable Event exists.

3. *Reportable Events under Section III.I.1.a.* For Reportable Events under Section III.I.1.a, the report to OIG shall be made at the same time as the repayment to the payor required in Section III.H., and shall include:

- a. a complete description of the Reportable Event, including the relevant facts, persons involved, and legal and Federal health care program authorities implicated;

- b. a description of the CIA Parties' actions taken to correct the Reportable Event; and
- c. any further steps the CIA Parties plan to take to address the Reportable Event and prevent it from recurring; and
- d. if the Reportable Event has resulted in an Overpayment, a description of the steps taken by the CIA Parties to identify and quantify the Overpayment.

5. *Reportable Events under Section III.I.1.d.* If the Reportable Event involves the filing of a bankruptcy petition, the report to the OIG shall include documentation of the bankruptcy filing and a description of any Federal health care program authorities implicated.

J. Third Party Billing

If, prior to the Effective Date or at any time during the term of this IA the CIA Parties contract with a third party billing company to submit claims to the Federal health care programs on behalf of the CIA Parties, the CIA Parties must certify to OIG that they do not have an ownership or control interest (as defined in 42 U.S.C. § 1320a-3(a)(3)) in the third party billing company and are not employed by, and do not act as a consultant to, the third party billing company.

The CIA Parties also shall obtain (as applicable) a certification from any third party billing company that the company: (i) has a policy of not employing any person who is excluded, debarred, suspended or otherwise ineligible to participate in Medicare or other Federal health care programs to perform any duties related directly or indirectly to the preparation or submission of claims to Federal health care programs; (ii) screens its prospective and current employees against the HHS/OIG List of Excluded Individuals/Entities and the General Services Administration's List of Parties Excluded from Federal Programs; and (iii) provides training in the applicable requirements of the Federal health care programs to those employees involved in the preparation and submission of claims to Federal health care programs.

This notification shall include the address of the new business unit or location, phone number, fax number, Medicare and state Medicaid program provider identification number and/or supplier number, and the name and address of each Medicare and state Medicaid program contractor to which the CIA Parties currently submit claims. Each new business unit or location and all Covered Persons at each new business unit or location shall be subject to the applicable requirements of this IA.

C. Sale of Unit or Location. In the event that, after the Effective Date, the CIA Parties propose to sell any or all of their business units or locations that are subject to this IA, the CIA Parties shall notify OIG of the proposed sale at least 30 days prior to the sale of such business unit or location. A. Stipulated Penalties for Failure to Comply with Certain Obligations. As a contractual remedy, the CIA Parties and OIG hereby agree that failure to comply with certain obligations set forth in this IA (unless a timely written request for an extension has been submitted and approved in accordance with Section B below) may lead to the imposition of the following monetary penalties (hereinafter referred to as "Stipulated Penalties") in accordance with the following provisions.

1. A Stipulated Penalty of \$750 (which shall begin to accrue on the day after the date the obligation became due) for each day the CIA Parties fail to:
 - a. designate and maintain a Compliance Contact in accordance with the requirements of Section III.A;
 - b. establish and/or post a notice in accordance with the requirements of Section III.B;

- c. implement, distribute, or update the policies and procedures required by Section III.C;
- d. establish and implement a training program in accordance with the requirements of Section III.D;
- e. engage and use an IRO in accordance with the requirements of Section III.E, Appendix A, and Appendix B;
- f. submit the IRO's annual Claims Review Report in accordance with the requirements of Section III.E and Appendix B;
- g. obtain and maintain the following documentation: written policies and procedures certifications in accordance with the requirements of Section III.C, training certification(s) in accordance with the requirements of Section III.D, and documentation of screening and disclosure requirements in accordance with the requirements of Section III.F;
- h. screen Covered Persons in accordance with the requirements of Section III.F; or require Covered Persons to disclose if they are debarred, excluded, suspended or are otherwise considered an Ineligible Person in accordance with the requirements of Section III.F;
- i. notify OIG of a government investigation or legal proceeding, in accordance with the requirements of Section III.G;
- j. provide to OIG the certifications required by Section III.J relating to any third party biller engaged by the CIA Parties during the term of the IA; or
- k. report a Reportable Event.

2. A Stipulated Penalty of \$1,000 (which shall begin to accrue on the day after the date the obligation became due) for each day the CIA Parties fail to submit

the Implementation Report or the Annual Reports to OIG in accordance with the requirements of Section V by the deadlines for submission.

3. A Stipulated Penalty of \$750 for each day the CIA Parties fail to grant access as required in Section VII. (This Stipulated Penalty shall begin to accrue on the date the CIA Parties fail to grant access.)

4. A Stipulated Penalty of \$5,000 for each false certification submitted by or on behalf of the CIA Parties as part of their Implementation Report, Annual Reports, additional documentation to a report (as requested by OIG), or as otherwise required by this IA.

5. A Stipulated Penalty of \$750 for each day the CIA Parties fail to comply fully and adequately with any obligation of this IA. OIG shall provide notice to the CIA Parties stating the specific grounds for its determination that the CIA Parties have failed to comply fully and adequately with the IA obligation(s) at issue and steps the CIA Parties shall take to comply with the IA. (This Stipulated Penalty shall begin to accrue 10 days after the date the CIA Parties receive this notice from OIG of the failure to comply.) A Stipulated Penalty as described in this Subsection shall not be demanded for any violation for which OIG has sought a Stipulated Penalty under Subsections 1-4 of this Section.

B. Timely Written Requests for Extensions. The CIA Parties may, in advance of the due date, submit a timely written request for an extension of time to perform any act or file any notification or Report required by this IA. Notwithstanding any other provision in this Section, if OIG grants the timely written request with respect to an act, notification, or Report, Stipulated Penalties for failure to perform the act or file the notification or Report shall not begin to accrue until one day after the CIA Parties fail to meet the revised deadline set by OIG. Notwithstanding any other provision in this Section, if OIG denies such a timely written request, Stipulated Penalties for failure to perform the act or file the notification or Report shall not begin to accrue until three business days after the CIA Parties receive OIG's written denial of such request or the original due date, whichever is later. A "timely written request" is defined as a request in writing received by OIG at least five business days prior to the date by which any act is due to be performed or any notification or report is due to be filed.

C. Payment of Stipulated Penalties.

1. *Demand Letter.* Upon a finding that the CIA Parties have failed to comply with any of the obligations described in Section X.A and after determining that Stipulated Penalties are appropriate, OIG shall notify the CIA Parties of: (a) the CIA Parties' failure to comply; and (b) OIG's intent to exercise its contractual right to demand payment of the Stipulated Penalties. (This notification shall be referred to as the "Demand Letter.")

2. *Response to Demand Letter.* Within 10 days of the receipt of the Demand Letter, the CIA Parties shall either: (a) cure the breach to OIG's satisfaction and pay the applicable Stipulated Penalties; or (b) send in writing to OIG a request for a hearing before an HHS administrative law judge (ALJ) to dispute OIG's determination of noncompliance, pursuant to the agreed upon provisions set forth below in Section X.E. In the event the CIA Parties elect to request an ALJ hearing, the Stipulated Penalties shall continue to accrue until the CIA Parties cure, to OIG's satisfaction, the alleged breach in dispute. Failure to respond to the Demand Letter in one of these two manners within the allowed time period shall be considered a material breach of this IA and shall be grounds for exclusion under Section X.D.

3. *Form of Payment.* Payment of the Stipulated Penalties shall be made by electronic funds transfer to an account specified by OIG in the Demand Letter.

4. *Independence from Material Breach Determination.* Except as set forth in Section X.D.1.c, these provisions for payment of Stipulated Penalties shall not affect or otherwise set a standard for OIG's decision that the CIA Parties have materially breached this IA, which decision shall be made at OIG's discretion and shall be governed by the provisions in Section X.D, below.

D. Exclusion for Material Breach of this IA.

1. *Definition of Material Breach.* A material breach of this IA means:
- a. a failure by the CIA Parties to report a Reportable Event, take corrective action and make the appropriate refunds, as required in Section III.I;

- b. a repeated or flagrant violation of the obligations under this IA, including, but not limited to, the obligations addressed in Section X.A;
- c. a failure to respond to a Demand Letter concerning the payment of Stipulated Penalties in accordance with Section X.C;
- d. a failure to engage and use an IRO in accordance with Section III.E, Appendix A, and Appendix B; or

2. *Notice of Material Breach and Intent to Exclude.* The parties agree that a material breach of this IA by the CIA Parties constitutes an independent basis for the CIA Parties' exclusion from participation in the Federal health care programs. Upon a determination by OIG that the CIA Parties have materially breached this IA and that exclusion is the appropriate remedy, OIG shall notify the CIA Parties of: (a) the CIA Parties' material breach; and (b) OIG's intent to exercise its contractual right to impose exclusion. (This notification shall be referred to as the "Notice of Material Breach and Intent to Exclude.")

3. *Opportunity to Cure.* The CIA Parties shall have 30 days from the date of receipt of the Notice of Material Breach and Intent to Exclude to demonstrate to OIG's satisfaction that:

- a. The CIA Parties are in compliance with the obligations of the IA cited by OIG as being the basis for the material breach;
- b. the alleged material breach has been cured; or
- c. the alleged material breach cannot be cured within the 30-day period, but that: (i) the CIA Parties have begun to take action to cure the material breach; (ii) the CIA Parties are pursuing such action with due diligence; and (iii) the CIA Parties have provided to OIG a reasonable timetable for curing the material breach.

4. *Exclusion Letter.* If, at the conclusion of the 30 day period, the CIA Parties fail to satisfy the requirements of Section X.D.3, OIG may exclude the CIA

Parties from participation in the Federal health care programs. OIG shall notify the CIA Parties in writing of its determination to exclude the CIA Parties. (This letter shall be referred to as the “Exclusion Letter.”) Subject to the Dispute Resolution provisions in Section X.E, below, the exclusion shall go into effect 30 days after the date of the CIA Parties’ receipt of the Exclusion Letter. The exclusion shall have national effect and shall also apply to all other Federal procurement and nonprocurement programs. Reinstatement to program participation is not automatic. At the end of the period of exclusion, may apply for reinstatement, by submitting a written request for reinstatement in accordance with the provisions at 42 C.F.R. §§ 1001.3001-.3004.

E. Dispute Resolution.

1. *Review Rights.* Upon OIG’s delivery to the CIA Parties of its Demand Letter or of its Exclusion Letter, and as an agreed-upon contractual remedy for the resolution of disputes arising under this IA, the CIA Parties shall be afforded certain review rights comparable to the ones that are provided in 42 U.S.C. § 1320a-7(f) and 42 C.F.R. Part 1005 as if they applied to the Stipulated Penalties or exclusion sought pursuant to this IA. Specifically, OIG’s determination to demand payment of Stipulated Penalties or to seek exclusion shall be subject to review by an HHS ALJ and, in the event of an appeal, the HHS Departmental Appeals Board (DAB), in a manner consistent with the provisions in 42 C.F.R. § 1005.2-1005.21. Notwithstanding the language in 42 C.F.R. § 1005.2(c), the request for a hearing involving Stipulated Penalties shall be made within 10 days after the receipt of the Demand Letter and the request for a hearing involving exclusion shall be made within 25 days after receipt of the Exclusion Letter.

2. *Stipulated Penalties Review.* Notwithstanding any provision of Title 42 of the United States Code or Chapter 42 of the Code of Federal Regulations, the only issues in a proceeding for Stipulated Penalties under this IA shall be: (a) whether the CIA Parties were in full and timely compliance with the obligations of this IA for which OIG demands payment; and (b) the period of noncompliance. The CIA Parties shall have the burden of proving its full and timely compliance and the steps taken to cure the noncompliance, if any. OIG shall not have the right to appeal to the DAB an adverse ALJ decision related to Stipulated Penalties. If the ALJ agrees with OIG with regard to a finding of a breach of this IA and orders the CIA Parties to pay Stipulated Penalties, such Stipulated Penalties shall become due and payable 20 days after the ALJ issues such a decision unless the CIA Parties request review of the ALJ decision by the DAB. If the ALJ decision is properly appealed to the DAB and the DAB upholds the determination of

OIG, the Stipulated Penalties shall become due and payable 20 days after the DAB issues its decision.

3. *Exclusion Review.* Notwithstanding any provision of Title 42 of the United States Code or Chapter 42 of the Code of Federal Regulations, the only issues in a proceeding for exclusion based on a material breach of this IA shall be:

- a. whether the CIA Parties were in material breach of this IA;
- b. whether such breach was continuing on the date of the Exclusion Letter; and
- c. whether the alleged material breach could not have been cured within the 30 day period, but that: (i) the CIA Parties had begun to take action to cure the material breach within that period; (ii) the CIA Parties have pursued and are pursuing such action with due diligence; and (iii) the CIA Parties provided to OIG within that period a reasonable timetable for curing the material breach and the CIA Parties have followed the timetable.

For purposes of the exclusion herein, exclusion shall take effect only after an ALJ decision favorable to OIG, or, if the ALJ rules for the CIA Parties, only after a DAB decision in favor of OIG. The CIA Parties' election of their contractual right to appeal to the DAB shall not abrogate OIG's authority to exclude the CIA Parties upon the issuance of an ALJ's decision in favor of OIG. If the ALJ sustains the determination of OIG and determines that exclusion is authorized, such exclusion shall take effect 20 days after the ALJ issues such a decision, notwithstanding that the CIA Parties may request review of the ALJ decision by the DAB. If the DAB finds in favor of OIG after an ALJ decision adverse to OIG, the exclusion shall take effect 20 days after the DAB decision. The CIA Parties shall waive their right to any notice of such an exclusion if a decision upholding the exclusion is rendered by the ALJ or DAB. If the DAB finds in favor of the CIA Parties, the CIA Parties shall be reinstated effective the date of the original exclusion.

4. *Finality of Decision.* The review by an ALJ or DAB provided for above shall not be considered to be an appeal right arising under any statutes or regulations. Consequently, the parties to this IA agree that the DAB's decision (or the ALJ's decision if not appealed) shall be considered final for all purposes under this IA.

XI. EFFECTIVE AND BINDING AGREEMENT

The CIA Parties and OIG agree as follows:

- A. This IA shall become final and binding on the date the final signature is obtained on the IA.
- B. This IA constitutes the complete agreement between the parties and may not be amended except by prior written consent of the parties to this IA.
- C. This IA shall be binding on the successors, assigns, and transferees of the CIA Parties.
- D. OIG may agree to a suspension of the CIA Parties' obligations under this IA based on a certification by the CIA Parties that they are no longer providing health care items or services that will be billed to any Federal health care programs and they do not have any ownership or control interest, as defined in 42 U.S.C. § 1320a-3, in any entity that bills any Federal health care program. If the CIA Parties are relieved of their IA obligations, the CIA Parties shall be required to notify OIG in writing at least 30 days in advance if the CIA Parties plan to resume providing health care items or services that are billed to any Federal health care program or to obtain an ownership or control interest in any entity that bills any Federal health care program. At such time, the OIG shall evaluate whether the IA will be reactivated or modified.
- E. All requirements and remedies set forth in this IA are in addition to, and do not affect (1) the CIA Parties' responsibility to follow all applicable Federal health care program requirements or (2) the Government's right to impose appropriate remedies for failure to follow applicable program requirements.
- F. The undersigned CIA Parties signatories represent and warrant that they are authorized to execute this IA. The undersigned OIG signatory represents that he is signing this IA in his official capacity and that he is authorized to execute this IA.
- G. This IA may be executed in counterparts, each of which constitutes an original and all of which constitute one and the same IA. Facsimiles of signatures shall constitute acceptable, binding signatures for purposes of this IA.

APPENDIX A

INDEPENDENT REVIEW ORGANIZATION

This Appendix contains the requirements relating to the Independent Review Organization (IRO) required by Section III.E of the IA.

A. IRO Engagement

1. The CIA Parties shall engage an IRO that possesses the qualifications set forth in Paragraph B, below, to perform the responsibilities in Paragraph C, below. The IRO shall conduct the review in a professionally independent and objective fashion, as set forth in Paragraph D. Within 30 days after OIG receives the information identified in Section V.A. 5 of the IA or any additional information submitted by the CIA Parties in response to a request by OIG, whichever is later, OIG will notify the CIA Parties if the IRO is unacceptable. Absent notification from OIG that the IRO is unacceptable, the CIA Parties may continue to engage the IRO.

2. If the CIA Parties engage a new IRO during the term of the IA, this IRO shall also meet the requirements of this Appendix. If a new IRO is engaged, the CIA Parties shall submit the information identified in Section V.A.5 of the IA to OIG within 30 days of engagement of the IRO. Within 30 days after OIG receives this information, or any additional information submitted by the CIA Parties at the request of OIG, whichever is later, OIG will notify the CIA Parties if the IRO is unacceptable. Absent notification from OIG that the IRO is unacceptable, the CIA Parties may continue to engage the IRO.

B. IRO Qualifications

The IRO shall:

1. assign individuals to conduct the Claims Review who have expertise in the billing, coding, reporting, and other requirements of radiation oncology and in the general requirements of the Federal health care program(s) from which the CIA Parties seek reimbursement;

2. assign individuals to design and select the Claims Review sample who are knowledgeable about the appropriate statistical sampling techniques;

3. assign individuals to conduct the coding review portions of the Claims Review who have a nationally recognized coding certification and who have maintained this certification (e.g., completed applicable continuing education requirements); and

4. have sufficient staff and resources to conduct the reviews required by the IA on a timely basis.

C. IRO Responsibilities

The IRO shall:

1. perform each Claims Review in accordance with the specific requirements of the IA;

2. follow all applicable Medicare rules and reimbursement guidelines in making assessments in the Claims Review;

3. if in doubt of the application of a particular Medicare policy or regulation, request clarification from the appropriate authority (e.g., fiscal intermediary or carrier);

4. respond to all OIG inquiries in a prompt, objective, and factual manner; and

5. prepare timely, clear, well-written reports that include all the information required by Appendix B to the IA.

D. IRO Independence and Objectivity

The IRO must perform the Claims Review in a professionally independent and objective fashion, as defined in the Government Auditing Standards (July 2007 Revision) issued by the United States Government Accountability Office.

E. IRO Removal/Termination

1. *Practitioner and IRO.* If the CIA Parties terminate their IRO or the IRO withdraws from the engagement during the term of the IA, the CIA Parties must submit a notice explaining their reasons for termination or the reason for withdrawal to OIG no later than 30 days after termination or withdrawal. The CIA Parties must engage

a new IRO in accordance with Paragraph A of this Appendix and within 60 days of termination or withdrawal of the prior IRO or at least 60 days prior to the end of the current Reporting Period, whichever is earlier.

2. *OIG Removal of IRO.* In the event OIG has reason to believe the IRO does not possess the qualifications described in Paragraph B, is not independent and objective as set forth in Paragraph D, or has failed to carry out its responsibilities as described in Paragraph C, OIG may, at its sole discretion, require the CIA Parties to engage a new IRO in accordance with Paragraph A of this Appendix. The CIA Parties must engage a new IRO within 60 days of termination of the prior IRO or at least 60 days prior to the end of the current Reporting Period, whichever is earlier.

Prior to requiring the CIA Parties to engage a new IRO, OIG shall notify the CIA Parties of its intent to do so and provide a written explanation of why OIG believes such a step is necessary. To resolve any concerns raised by OIG, the CIA Parties may present additional information regarding the IRO's qualifications, independence or performance of its responsibilities. OIG will attempt in good faith to resolve any differences regarding the IRO with the CIA Parties prior to requiring the CIA Parties to terminate the IRO. However, the final determination as to whether or not to require the CIA Parties to engage a new IRO shall be made at the sole discretion of OIG.

APPENDIX B

CLAIMS REVIEW

A. Claims Review. The IRO shall perform the Claims Review annually to cover each of the five Reporting Periods. The IRO shall perform all components of each Claims Review.

1. *Definitions*. For the purposes of the Claims Review, the following definitions shall be used:

- a. Overpayment: The amount of money the CIA Parties have received in excess of the amount due and payable under any Federal health care program requirements.
- b. Paid Claim: A claim submitted by the CIA Parties and for which the CIA Parties have received reimbursement from the Medicare program.
- c. Population: The Population shall be defined as all Paid Claims during the 12-month period covered by the Claims Review.
- d. Error Rate: The Error Rate shall be the percentage of net Overpayments identified in the sample. The net Overpayments shall be calculated by subtracting all underpayments identified in the sample from all gross Overpayments identified in the sample. (Note: Any potential cost settlements or other supplemental payments should not be included in the net Overpayment calculation. Rather, only underpayments identified as part of the Discovery Sample shall be included as part of the net Overpayment calculation.)

The Error Rate is calculated by dividing the net Overpayment identified in the sample by the total dollar amount associated with the Items in the sample.

2. *Discovery Sample*. The IRO shall randomly select and review a sample of 50 Paid Claims submitted by or on behalf of the CIA Parties (Discovery Sample). The Paid Claims shall be reviewed based on the supporting documentation available at the CIA Parties' office or under the CIA Parties' control and applicable

billing and coding regulations and guidance to determine whether the claim submitted was correctly coded, submitted, and reimbursed.

If the Error Rate (as defined above) for the Discovery Sample is less than 5%, no additional sampling is required, nor is the Systems Review required. (Note: The guidelines listed above do not imply that this is an acceptable error rate. Accordingly, the CIA Parties should, as appropriate, further analyze any errors identified in the Discovery Sample. The CIA Parties recognize that OIG or other HHS component, in its discretion, and as authorized by statute, regulation, or other appropriate authority, may also analyze or review Paid Claims included, or errors identified, in the Discovery Sample or any other segment of the universe.)

3. *Full Sample.* If the Discovery Sample indicates that the Error Rate is 5% or greater, the IRO shall select an additional sample of Paid Claims (Full Sample) using commonly accepted sampling methods. The Full Sample shall be designed to: (1) estimate the actual Overpayment in the population with a 90% confidence level and with a maximum relative precision of 25% of the point estimate; and (2) conform with the Centers for Medicare and Medicaid Services' statistical sampling for overpayment estimation guidelines. The Paid Claims selected for the Full Sample shall be reviewed based on supporting documentation available at the CIA Parties' office or under the CIA Parties' control and applicable billing and coding regulations and guidance to determine whether the claim submitted was correctly coded, submitted, and reimbursed. For purposes of calculating the size of the Full Sample, the Discovery Sample may serve as the probe sample, if statistically appropriate. Additionally, the IRO may use the Paid Claims sampled as part of the Discovery Sample, and the corresponding findings for those Paid Claims, as part of its Full Sample, if: (1) statistically appropriate and (2) the IRO selects the Full Sample Paid Claims using the seed number generated by the Discovery Sample. OIG, in its sole discretion, may refer the findings of the Full Sample (and any related workpapers) received from the CIA Parties to the appropriate Federal health care program payor, including the Medicare contractor (e.g., carrier, fiscal intermediary, or DMERC), for appropriate follow-up by that payor.

4. *Systems Review.* If the CIA Parties' Discovery Sample identifies an Error Rate of 5% or greater, the CIA Parties' IRO shall also conduct a Systems Review. The Systems Review shall consist of the following:

- a. a review of the CIA Parties' billing and coding systems and processes relating to claims submitted to Federal health care programs (including, but not limited to, the operation of the billing system, the process by which claims are coded, safeguards to ensure proper coding, claims submission and

billing; and procedures to identify and correct inaccurate coding and billing);

- b. For each claim in the Discovery Sample and Full Sample that resulted in an Overpayment, the IRO shall review the system(s) and process(es) that generated the claim and identify any problems or weaknesses that may have resulted in the identified Overpayments. The IRO shall provide its observations and recommendations on suggested improvements to the system(s) and the process(es) that generated the claim.

5. *Other Requirements*

- a. Supplemental Materials. The IRO shall request all documentation and materials required for its review of the Paid Claims selected as part of the Discovery Sample or Full Sample (if applicable), and the CIA Parties shall furnish such documentation and materials to the IRO, prior to the IRO initiating its review of the Discovery Sample or Full Sample (if applicable). If the IRO accepts any supplemental documentation or materials from the CIA Parties after the IRO has completed its initial review of the Discovery Sample or Full Sample (if applicable) (Supplemental Materials), the IRO shall identify in the Claims Review Report the Supplemental Materials, the date the Supplemental Materials were accepted, and the relative weight the IRO gave to the Supplemental Materials in its review. In addition, the IRO shall include a narrative in the Claims Review Report describing the process by which the Supplemental Materials were accepted and the IRO's reasons for accepting the Supplemental Materials.
- b. Paid Claims without Supporting Documentation. Any Paid Claim for which the CIA Parties cannot produce documentation sufficient to support the Paid Claim shall be considered an error and the total reimbursement received by the CIA Parties for such Paid Claim shall be deemed an Overpayment. Replacement sampling for Paid Claims with missing documentation is not permitted.

- c. Use of First Samples Drawn. For the purposes of all samples (Discovery Sample(s) and Full Sample(s)) discussed in this Appendix, the Paid Claims selected in each first sample shall be used (*i.e.*, it is not permissible to generate more than one list of random samples and then select one for use with the Discovery Sample or Full Sample).

6. *Repayment of Identified Overpayments.* The CIA Parties shall repay within 30 days any Overpayment(s) identified in the Discovery Sample or the Full Sample (if applicable), regardless of the Error Rate, to the appropriate payor and in accordance with payor refund policies. The CIA Parties shall make available to OIG all documentation that reflects the refund of the Overpayment(s) to the payor.

B. Claims Review Report. The IRO shall prepare a Claims Review Report as described in this Appendix for each Claims Review Report performed. The following information shall be included in the Claims Review Report for each Discovery Sample and Full Sample (if applicable).

1. *Claims Review Methodology*

- a. Claims Review Population. A description of the Population subject to the Claims Review.
- b. Claims Review Objective. A clear statement of the objective intended to be achieved by the Claims Review.
- c. Source of Data. A description of the specific documentation relied upon by the IRO when performing the Claims Review (*e.g.*, medical records, physician orders, certificates of medical necessity, requisition forms, local medical review policies (including title and policy number), CMS program memoranda (including title and issuance number), Medicare carrier or intermediary manual or bulletins (including issue and date), other policies, regulations, or directives).
- d. Review Protocol. A narrative description of how the Claims Review was conducted and what was evaluated.
- e. Supplemental Materials. A description of any Supplemental Materials as required by A.5.a., above.

2. *Statistical Sampling Documentation*

- a. A copy of the printout of the random numbers generated by the “Random Numbers” function of the statistical sampling software used by the IRO.
- b. A copy of the statistical software printout(s) estimating how many Paid Claims are to be included in the Full Sample, if applicable.
- c. A description or identification of the statistical sampling software package used to select the sample and determine the Full Sample size, if applicable.

3. *Claims Review Findings*

a. Narrative Results

i. A description of the CIA Parties’ billing and coding system(s), including the identification, by position description, of the personnel involved in coding and billing.

ii. A narrative explanation of the IRO’s findings and supporting rationale (including reasons for errors, patterns noted, etc.) regarding the Claims Review, including the results of the Discovery Sample, and the results of the Full Sample (if any).

b. Quantitative Results.

i. Total number and percentage of instances in which the IRO determined that the Paid Claims submitted by the CIA Parties (Claim Submitted) differed from what should have been the correct claim (Correct Claim), regardless of the effect on the payment.

ii. Total number and percentage of instances in which the Claim Submitted differed from the Correct Claim and in which such difference resulted in an Overpayment to the CIA Parties.

- iii. Total dollar amount of all Overpayments in the sample.
- iv. Total dollar amount of Paid Claims included in the sample and the net Overpayment associated with the sample.
- v. Error Rate in the sample.
- vi. A spreadsheet of the Claims Review results that includes the following information for each Paid Claim: Federal health care program billed, beneficiary health insurance claim number, date of service, procedure code submitted, procedure code reimbursed, allowed amount reimbursed by payor, correct procedure code (as determined by the IRO), correct allowed amount (as determined by the IRO), dollar difference between allowed amount reimbursed by payor and the correct allowed amount.
- c. Recommendations. The IRO's report shall include any recommendations for improvements to the CIA Parties' billing and coding system based on the findings of the Claims Review.

4. *Systems Review Findings*. The IRO shall prepare a Systems Review Report based on the Systems Review performed (if applicable) that shall include the IRO's observations, findings, and recommendations regarding:

- a. the strengths and weaknesses in the CIA Parties' billing systems and processes;
- b. the strengths and weaknesses in the CIA Parties' coding systems and processes; and
- c. possible improvements to the CIA Parties' billing and coding systems and processes to address the specific problems or weaknesses that resulted in the identified Overpayments.

5. *Credentials*. The names and credentials of the individuals who: (1) designed the statistical sampling procedures and the review methodology utilized for the Claims Review and (2) performed the Claims Review.
