E. **Review Procedures**

1. **General Description.**

   a. **Engagement of Independent Review Organization.** Within 90 days after the Effective Date, RMS shall engage an entity (or entities), such as an accounting, auditing, or consulting firm

b. *Retention of Records.* The IRO and RMS shall retain and make available to OIG, upon request, all work papers, supporting documentation, correspondence, and draft reports (those exchanged between the IRO and RMS) related to the reviews.

c. *Access to Records and Personnel.* RMS shall ensure the IRO has access to all records and personnel necessary to complete the reviews listed in this Section III.E., and that all records furnished to the IRO are accurate and complete.

2. *System, Transaction, and Additional Items Reviews.* As set forth more fully in Appendix B, the IRO reviews shall consist of three components: Systems Reviews and Transactions Reviews relating to the Covered Functions and an Additional Items Review.

a. *Systems Review.* The Systems Reviews shall assess RMS’s systems, processes, policies, and procedures relating to the Covered Functions. If there are no material changes in RMS’s relevant systems, processes, policies, and procedures, the Systems Reviews shall be performed for the first and fourth Reporting Periods. If RMS materially changes its relevant systems, processes, policies, and procedures, the IRO shall perform a Systems Review for the Reporting Period in which such changes were made in addition to conducting the Systems Review for the first and fourth Reporting Periods, as set forth more fully in Appendix B.

b. *Transactions Review.* The Transactions Reviews shall be performed annually and shall cover each of the five Reporting Periods. The IRO(s) shall perform all components of each annual Transaction Review. As set forth more fully in Appendix B, the Transactions Review shall include several components.
Additional Items Review. Each IRO review shall also include a review of up to three additional areas or practices of RMS identified by OIG in its discretion (hereafter “Additional Items”). For purposes of identifying the Additional Items to be included in the IRO review for a particular Reporting Period, OIG will consult with RMS and may consider internal audit and monitoring work conducted by RMS, the Government Reimbursed Product portfolio, the nature and scope of RMS’s promotional and other practices, the nature and scope of RMS’s arrangements with HCPs and HClIs, and other information known to OIG.

3. IRO Review Reports. The IRO shall prepare a report based upon each IRO review performed (IRO Review Report). Information to be included in the IRO Review Report is described in Appendices A-B.

4. Independence and Objectivity Certification. The IRO shall include in its report(s) to RMS a certification that the IRO has: (a) evaluated its professional independence and objectivity with respect to the reviews required under this Section III.E; and (b) concluded that it is, in fact, independent and objective in accordance with the requirements specified in Appendix A to this CIA. RMS shall appropriately publicize the existence of the Disclosure Program and the disclosure mechanism (e.g., via periodic e-mails to employees, or by posting the information in prominent common areas).

The Disclosure Program shall emphasize a nonretribution, nonretaliation policy and shall include a reporting mechanism for anonymous communications for which appropriate confidentiality shall be maintained. The Disclosure Program also shall

Ra Medical Systems, Inc. Corporate Integrity Agreement
include a requirement that all of RMS’s Covered Persons shall be expected to report suspected violations of any Federal health care program or FDA requirements to the Compliance Officer or other appropriate individual designated by RMS. Upon receipt of a disclosure, the Compliance Officer (or designee) shall gather all relevant information from the disclosing individual. The Compliance Officer (or designee) shall make a preliminary, good faith inquiry into the allegations set forth in every disclosure to ensure that he or she has obtained all of the information necessary to determine whether a further review should be conducted. For any disclosure that is sufficiently specific so that it reasonably: (1) permits a determination of the appropriateness of the alleged improper practice; and (2) provides an opportunity for taking corrective action, RMS shall conduct an internal review of the allegations set forth in the disclosure and ensure that proper follow-up is conducted.

The Compliance Officer (or designee) shall maintain a disclosure log and shall record all disclosures, whether or not related to a potential violation of criminal, civil or administrative law related to Federal health care programs or FDA requirements, in the disclosure log within two business days of receipt of the disclosure. The disclosure log shall include a summary of each disclosure received (whether anonymous or not), the individual or department responsible for reviewing the disclosure, the status of the review, and any corrective action taken in response to the review.

   b. RMS shall screen all current Covered Persons against the Exclusion List within 90 days after the Effective Date and on an annual basis thereafter.

   c. RMS shall maintain a policy requiring all Covered Persons to disclose immediately if they become an Ineligible Person.

Nothing in this Section III.G affects RMS’s responsibility to refrain from (and liability for) billing Federal health care programs for items or services furnished, ordered, or prescribed by an excluded person. RMS understands that items or services furnished, ordered, or prescribed by excluded persons are not payable by Federal health care programs and that RMS may be liable for overpayments and/or criminal, civil, and administrative sanctions for employing or contracting with an excluded person regardless of whether RMS meets the requirements of Section III.G.

3. **Removal Requirement.** If RMS has actual notice that a Covered Person has become an Ineligible Person, RMS shall remove such Covered Person from responsibility for, or involvement with, RMS’s business operations related to the Federal health care program(s) from which such Covered Person has been excluded and shall remove such Covered Person from any position for which the Covered Person’s compensation is paid in whole or part, directly or indirectly, by any Federal health care program(s) from which the Covered Person has been excluded at least until such time as the Covered Person is reinstated into participation in such Federal health care program(s).

4. **Pending Charges and Proposed Exclusions.** If RMS has actual notice that a Covered Person is charged with a criminal offense that falls within the scope of 42 U.S.C. §§ 1320a-7(a), 1320a-7(b)(1)-(3), or is proposed for exclusion during the Covered Person’s employment or contract term, RMS shall take all appropriate actions to ensure that the responsibilities of that Covered Person have not and shall not adversely

affect the quality of care rendered to any beneficiary, or the accuracy of any claims submitted to any Federal health care program.

H. Notification of Government Investigation or Legal Proceeding

Within 30 days after discovery, RMS shall notify OIG, in writing, of any ongoing investigation or legal proceeding known to RMS conducted or brought by a governmental entity or its agents involving an allegation that RMS has committed a crime or has engaged in fraudulent activities. This notification shall include a description of the allegation, the identity of the investigating or prosecuting agency, and the status of such investigation or legal proceeding. RMS also shall provide written notice to OIG within 30 days after the resolution of the matter and describe the findings and/or results of the investigation or proceeding, if any.

I. Reportable Events

1. Definition of Reportable Event. For purposes of this CIA, a “Reportable Event” means anything that involves:

   a. a matter that a reasonable person would consider a probable violation of criminal, civil, or administrative laws applicable to any Federal health care program for which penalties or exclusion may be authorized;

   b. a matter that a reasonable person would consider a probable violation of FDA requirements relating to the promotion of Government Reimbursed Products, unless otherwise reported to the FDA in accordance with Section III.J below;

   c. the employment of or contracting with a Covered Person who is an Ineligible Person as defined by Section III.G.1.a; or

Ra Medical Systems, Inc. Corporate Integrity Agreement

15
in writing, within 30 days after making the determination that the Reportable Event exists.

3. **Reportable Events under Sections III.I.1.a and III.I.1.b.** For Reportable Events under Sections III.I.1.a and b, the report to OIG shall include:

   a. a complete description of all details relevant to the Reportable Event, including, at a minimum, the types of claims, transactions or other conduct giving rise to the Reportable Event, the period during which the conduct occurred, and the names of individuals and entities believed to be implicated, including an explanation of their roles in the Reportable Event;

   b. a statement of the Federal criminal, civil or administrative laws that are probably violated by the Reportable Event, if any;

   c. the Federal health care programs affected by the Reportable Event, if any;

   d. a statement of the FDA requirements probably violated by the Reportable Event, if any; and

   e. a description of RMS’s actions taken to correct the Reportable Event and prevent it from recurring.

4. **Reportable Events under Section III.I.1.c.** For Reportable Events under Section III.I.1.c, the report to OIG shall include:

   a. the identity of the Ineligible Person and the job duties performed by that individual;

   b. the dates of the Ineligible Person’s employment or contractual relationship;

screening process that led to the hiring or contracting with the Ineligible Person;

d. a description of how the Ineligible Person was identified; and

e. a description of any corrective action implemented to prevent future employment or contracting with an Ineligible Person.

J. Notification of Communications with FDA

Within 30 days after the date of any written or electronic report, correspondence, or communication between RMS and the FDA that materially discusses RMS’s or a Covered Person’s actual or potential unlawful or improper promotion of RMS’s products (including any improper dissemination of information about off-label indications) or that involves adverse events required to be reported to the FDA under 21 C.F.R. Part 803, RMS shall provide a copy of the report, correspondence, or communication to OIG. RMS shall also provide written notice to OIG within 30 days after the resolution of any such disclosed improper promotional matter, and shall provide OIG with a description of the findings and/or results of the matter, if any.

K. Field Force Monitoring and Review Efforts

Within 90 days after the Effective Date, RMS shall establish a comprehensive Field Force Monitoring Program (FFMP) to evaluate and monitor its sales personnel’s interactions with HCPs and HCIs. The FFMP shall be a formalized process designed to directly and indirectly observe the appropriateness of sales personnel’s interactions with HCPs and HCIs and to identify potential off-label promotional activities or other improper conduct. As described in more detail below, the FFMP shall include: (1) direct field observations (Observations) of sales personnel and (2) the monitoring and review of other records relating to sales personnel’s interactions with HCPs and HCIs (Records Reviews).

2. Records Reviews. As a component of the FFMP, RMS shall also review various types of records to assess sales representatives’ interactions with HCPs and HCIs and to identify potential or actual compliance violations.

a. For each Reporting Period, RMS shall develop and implement a plan for conducting Records Reviews associated with at least 2 Government Reimbursed Products. The

1. **Speaker Programs.** To the extent that RMS engages in Speaker Programs, RMS shall establish and implement the following requirements:

   a. A process to require all speakers to complete training and enter written agreements that describe the scope of work to be performed, the speaker fees to be paid, and compliance obligations for the speakers (including requirements regarding the use of RMS approved materials and requirements that speakers may not directly or indirectly promote the product for off-label uses).

   b. A centralized, electronic system to initiate and track all Speaker Programs that includes controls designed to ensure that Speaker Programs are used for legitimate and lawful purposes in accordance with all applicable Federal health care program and FDA requirements.

   c. A process to ensure speakers are paid according to a centrally managed, pre-set rate structure determined based on an independent fair-market value analysis.

   d. A comprehensive list of Speaker Program attendees through its centralized system. In addition, RMS shall use its centralized system to handle all logistics and spending associated with Speaker Programs, including the tracking and review of the aggregate amount (including speaker fees, travel, and other expenses) paid to each speaker in connection with Speaker Programs.

   e. A requirement for certifications by sales representatives or other RMS personnel that a Speaker Program complied with RMS requirements, or in the event of non-compliance, RMS shall require the identification of the policy violation and ensure appropriate follow up activity to address the violation.
2. **Consulting Arrangement Activities.** To the extent that RMS engages HCPs for services other than for speaker programs (e.g., training and education services, product development activities, presentations, consultant task force meetings, advisory boards, ad hoc advisory activities, research and research-related activities, authorship activities, and any other financial engagement or arrangement with an HCP), such HCPs shall be referred to herein as Consultants. Within 90 days of the Effective Date, RMS shall:

a. Require all Consultants to enter written agreements describing the scope of work to be performed, the consultant fees to be paid, and compliance obligations for the Consultants. Consultants shall be paid according to a centrally managed, pre-set rate structure that is determined based on an independent fair-market value analysis.

b. Establish a process to develop an annual budgeting plan that specifies (i) the business needs for, and the estimated numbers of, the various Consultant engagements and activities to occur during the following year and (ii) the budgeted amounts to be spent on Consultant-related activities. RMS compliance personnel shall be involved in the review and approval of such plans, including any subsequent modification of an approved plan, for the purpose of ensuring that Consultant arrangements and related events are used for legitimate and lawful purposes in accordance with applicable Federal health care program and FDA requirements and RMS Policies and Procedures.

c. Establish a process to ensure that a needs assessment has been completed to justify the retention of a Consultant prior to the retention of the Consultant. The needs assessment shall identify the business need for the retention of the Consultant and provide specific details about the consulting arrangement (e.g., information about the numbers and qualifications of the HCPs and HCIs to be engaged, the agenda for any proposed meeting, and a description of the proposed work to be done and the type of work product to be generated).    b. Establish a process to review requests for Grants and Contributions according to standardized, objective criteria developed by RMS (such as based upon the qualifications of the requestor, or the quality of the program funded by the Grant or Contribution) and to ensure that Grants or Contributions are provided only pursuant to a written agreement with the funding recipient and that payments to the funding recipient are consistent with the written agreement. X. **BREACH AND DEFAULT PROVISIONS**

RMS is expected to fully and timely comply with all of its CIA obligations.

A. **Stipulated Penalties for Failure to Comply with Certain Obligations**

As a contractual remedy, RMS and OIG hereby agree that failure to comply with certain obligations as set forth in this CIA may lead to the imposition of the following monetary penalties (hereinafter referred to as “Stipulated Penalties”) in accordance with the following provisions.

1. A Stipulated Penalty of $2,500 (which shall begin to accrue on the day after the date the obligation became due) per obligation for each day RMS fails to establish, implement or comply with any of the following obligations as described in Section III:

   a. a Compliance Officer;
   
   b. a Compliance Committee;
   
   c. the Board compliance obligations;
   
   d. the management certification obligations and the development and implementation of a written process for Certifying Employees, as required by Section III.A.4;
   
   e. written Policies and Procedures;
   
   f. the development of a written training plan and the training
and education of Covered Persons and Board members;

g. a risk assessment and internal review process;

h. a Disclosure Program;

i. Ineligible Persons screening and removal requirements;

j. notification of Government investigations or legal proceedings;

k. reporting of Reportable Events;

l. notification of written communications with FDA;

m. the FFMP;

n. the Requirements Relating to Certain Promotional and Non-Promotional Activities; and

o. posting of any Payment-related information.

2. A Stipulated Penalty of $2,500 (which shall begin to accrue on the day after the date the obligation became due) for each day RMS fails to engage and use an IRO as required by Section III.E and Appendix B.

3. A Stipulated Penalty of $2,500 (which shall begin to accrue on the day after the date the obligation became due) for each day RMS fails to timely submit (a) a complete Implementation Report or Annual Report, (b) a certification to OIG in accordance with the requirements of Section V, or (c) a complete response to any request for information from OIG.

4. A Stipulated Penalty of $2,500 (which shall begin to accrue on the day after the date the obligation became due) for each day RMS fails to submit any IRO Review report in accordance with the requirements of Section III.E and Appendix B.

5. A Stipulated Penalty of $1,500 for each day RMS fails to grant access as required in Section VII. (This Stipulated Penalty shall begin to accrue on the
date RMS fails to grant access.)

6. A Stipulated Penalty of $50,000 for each false certification submitted by or on behalf of RMS as part of its Implementation Report, any Annual Report, additional documentation to a report (as requested by OIG), or otherwise required by this CIA.

7. A Stipulated Penalty of $2,500 for each day RMS fails to grant the IRO access to all records and personnel necessary to complete the reviews required by Section III.E and for each day RMS fails to furnish accurate and complete records to the IRO, as required by Section III.E and Appendix B; and

8. A Stipulated Penalty of $1,000 for each day RMS fails to comply fully and adequately with any obligation of this CIA. OIG shall provide notice to RMS stating the specific grounds for its determination that RMS has failed to comply fully and adequately with the CIA obligation(s) at issue and steps RMS shall take to comply with the CIA. (This Stipulated Penalty shall begin to accrue 10 business days after the date RMS receives this notice from OIG of the failure to comply.) A Stipulated Penalty as described in this Subsection shall not be demanded for any violation for which OIG has sought a Stipulated Penalty under Subsections 1-7 of this Section.

B. Timely Written Requests for Extensions

RMS may, in advance of the due date, submit a timely written request for an extension of time to perform any act or file any notification or report required by this CIA. Notwithstanding any other provision in this Section, if OIG grants the timely written request with respect to an act, notification, or report, Stipulated Penalties for failure to perform the act or file the notification or report shall not begin to accrue until one day after RMS fails to meet the revised deadline set by OIG. Notwithstanding any other provision in this Section, if OIG denies such a timely written request, Stipulated Penalties for failure to perform the act or file the notification or report shall not begin to accrue until three business days after RMS receives OIG’s written denial of such request or the original due date, whichever is later. A “timely written request” is defined as a request in writing received by OIG at least five business days prior to the date by which any act is due to be performed or any notification or report is due to be filed.

C. Payment of Stipulated Penalties

Ra Medical Systems, Inc. Corporate Integrity Agreement

32
1. **Demand Letter.** Upon a finding that RMS has failed to comply with any of the obligations described in Section X.A and after determining that Stipulated Penalties are appropriate, OIG shall notify RMS of: (a) RMS’s failure to comply; and (b) OIG’s exercise of its contractual right to demand payment of the Stipulated Penalties (this notification is referred to as the “Demand Letter”).

2. **Response to Demand Letter.** Within 10 business days after the receipt of the Demand Letter, RMS shall either: (a) cure the breach to OIG’s satisfaction and pay the applicable Stipulated Penalties or (b) request a hearing before an HHS administrative law judge (ALJ) to dispute OIG’s determination of noncompliance, pursuant to the agreed upon provisions set forth below in Section X.E. In the event RMS elects to request an ALJ hearing, the Stipulated Penalties shall continue to accrue until RMS cures, to OIG’s satisfaction, the alleged breach in dispute. Failure to respond to the Demand Letter in one of these two manners within the allowed time period shall be considered a material breach of this CIA and shall be grounds for exclusion under Section X.D.

3. **Form of Payment.** Payment of the Stipulated Penalties shall be made by electronic funds transfer to an account specified by OIG in the Demand Letter.

4. **Independence from Material Breach Determination.** Except as set forth in Section X.D.1.d, these provisions for payment of Stipulated Penalties shall not affect or otherwise set a standard for OIG’s decision that RMS has materially breached this CIA, which decision shall be made at OIG’s discretion and shall be governed by the provisions in Section X.D, below.

D. **Exclusion for Material Breach of this CIA**

1. **Definition of Material Breach.** A material breach of this CIA means:

   a. repeated violations or a flagrant violation of any of the obligations under this CIA, including, but not limited to, the obligations addressed in Section X.A;

   b. a failure by RMS to report a Reportable Event and take corrective action as required in Section III.I;
c. a failure to engage and use an IRO in accordance with Section III.E and Appendix B; or

d. a failure to respond to a Demand Letter concerning the payment of Stipulated Penalties in accordance with Section X.C.

2. Notice of Material Breach and Intent to Exclude. The parties agree that a material breach of this CIA by RMS constitutes an independent basis for RMS’s exclusion from participation in the Federal health care programs. The length of the exclusion shall be in OIG’s discretion, but not more than five years per material breach. Upon a determination by OIG that RMS has materially breached this CIA and that exclusion is the appropriate remedy, OIG shall notify RMS of: (a) RMS’s material breach; and (b) OIG’s intent to exercise its contractual right to impose exclusion (this notification is hereinafter referred to as the “Notice of Material Breach and Intent to Exclude”).

3. Opportunity to Cure. RMS shall have 30 days from the date of receipt of the Notice of Material Breach and Intent to Exclude to demonstrate to OIG’s satisfaction that:

a. the alleged material breach has been cured; or

b. the alleged material breach cannot be cured within the 30 day period, but that: (i) RMS has begun to take action to cure the material breach; (ii) RMS is pursuing such action with due diligence; and (iii) RMS has provided to OIG a reasonable timetable for curing the material breach.

4. Exclusion Letter. If, at the conclusion of the 30 day period, RMS fails to satisfy the requirements of Section X.D.3, OIG may exclude RMS from participation in the Federal health care programs. OIG shall notify RMS in writing of its determination to exclude RMS (this letter shall be referred to hereinafter as the “Exclusion Letter”). Subject to the Dispute Resolution provisions in Section X.E, below, the exclusion shall go into effect 30 days after the date of RMS’s receipt of the Exclusion Letter. The exclusion shall have national effect. Reinstatement to program participation is not automatic. At the end of the period of exclusion, RMS may apply for reinstatement by submitting a written request for reinstatement in accordance with the provisions at 42 C.F.R. §§ 1001.3001-.3004.

*Ra Medical Systems, Inc. Corporate Integrity Agreement*
E.  Dispute Resolution

1.  Review Rights.  Upon OIG’s delivery to RMS of its Demand Letter or of its Exclusion Letter, and as an agreed-upon contractual remedy for the resolution of disputes arising under this CIA, RMS shall be afforded certain review rights comparable to the ones that are provided in 42 U.S.C. § 1320a-7(f) and 42 C.F.R. Part 1005 as if they applied to the Stipulated Penalties or exclusion sought pursuant to this CIA.  Specifically, OIG’s determination to demand payment of Stipulated Penalties or to seek exclusion shall be subject to review by an HHS ALJ and, in the event of an appeal, the HHS Departmental Appeals Board (DAB), in a manner consistent with the provisions in 42 C.F.R. § 1005.2-1005.21.  Notwithstanding the language in 42 C.F.R. § 1005.2(c), the request for a hearing involving Stipulated Penalties shall be made within 10 days after receipt of the Demand Letter and the request for a hearing involving exclusion shall be made within 25 days after receipt of the Exclusion Letter.  The procedures relating to the filing of a request for a hearing can be found at http://www.hhs.gov/dab/divisions/civil/procedures/divisionprocedures.html.

2.  Stipulated Penalties Review.  Notwithstanding any provision of Title 42 of the United States Code or Title 42 of the Code of Federal Regulations, the only issues in a proceeding for Stipulated Penalties under this CIA shall be: (a) whether RMS was in full and timely compliance with the obligations of this CIA for which OIG demands payment; and (b) the period of noncompliance.  RMS shall have the burden of proving its full and timely compliance and the steps taken to cure the noncompliance, if any.  OIG shall not have the right to appeal to the DAB an adverse ALJ decision related to Stipulated Penalties.  If the ALJ agrees with OIG with regard to a finding of a breach of this CIA and orders RMS to pay Stipulated Penalties, such Stipulated Penalties shall become due and payable 20 days after the ALJ issues such a decision unless RMS requests review of the ALJ decision by the DAB.  If the ALJ decision is properly appealed to the DAB and the DAB upholds the determination of OIG, the Stipulated Penalties shall become due and payable 20 days after the DAB issues its decision.

3.  Exclusion Review.  Notwithstanding any provision of Title 42 of the United States Code or Title 42 of the Code of Federal Regulations, the only issues in a proceeding for exclusion based on a material breach of this CIA shall be whether RMS was in material breach of this CIA and, if so, whether:

   a.  RMS cured such breach within 30 days of its receipt of the Notice of Material Breach; or

Ra Medical Systems, Inc. Corporate Integrity Agreement

35
the alleged material breach could not have been cured within the 30 day period, but that, during the 30 day period following RMS’s receipt of the Notice of Material Breach: (i) RMS had begun to take action to cure the material breach within that period; (ii) RMS pursued such action with due diligence; and (iii) RMS provided to OIG within that period a reasonable timetable for curing the material breach.

For purposes of the exclusion herein, exclusion shall take effect only after an ALJ decision favorable to OIG, or, if the ALJ rules for RMS, only after a DAB decision in favor of OIG. RMS’s election of its contractual right to appeal to the DAB shall not abrogate OIG’s authority to exclude RMS upon the issuance of an ALJ’s decision in favor of OIG. If the ALJ sustains the determination of OIG and determines that exclusion is authorized, such exclusion shall take effect 20 days after the ALJ issues such a decision, notwithstanding that RMS may request review of the ALJ decision by the DAB. If the DAB finds in favor of OIG after an ALJ decision adverse to OIG, the exclusion shall take effect 20 days after the DAB decision. RMS shall waive its right to any notice of such an exclusion if a decision upholding the exclusion is rendered by the ALJ or DAB. If the DAB finds in favor of RMS, RMS shall be reinstated effective on the date of the original exclusion.

4. **Finality of Decision.** The review by an ALJ or DAB provided for above shall not be considered to be an appeal right arising under any statutes or regulations. Consequently, the parties to this CIA agree that the DAB’s decision (or the ALJ’s decision if not appealed) shall be considered final for all purposes under this CIA.

XI. **EFFECTIVE AND BINDING AGREEMENT**

RMS and OIG agree as follows:

A. This CIA shall become final and binding on the date the final signature is obtained on the CIA.

B. This CIA constitutes the complete agreement between the parties and may not be amended except by written consent of the parties to this CIA.
C. All requirements and remedies set forth in this CIA are in addition to and do not affect (1) RMS’s responsibility to follow all applicable Federal health care program and FDA requirements or (2) the government’s right to impose appropriate remedies for failure to follow applicable Federal health care program or FDA requirements.

D. The undersigned RMS signatories represent and warrant that they are authorized to execute this CIA. The undersigned OIG signatories represent that they are signing this CIA in their official capacity and that they are authorized to execute this CIA.

E. This CIA may be executed in counterparts, each of which constitutes an original and all of which constitute one and the same CIA. Electronically-transmitted signatures shall constitute acceptable, binding signatures for purposes of this CIA.
