a. developing and implementing policies, procedures, and practices designed to ensure compliance with the requirements set forth in this CIA and with Federal health care program requirements; and

b. monitoring the day-to-day compliance activities engaged in by Radeas as well as any reporting requirements created under this CIA.

Any noncompliance job responsibilities of the Compliance Officer shall be limited and must not interfere with the Compliance Officer’s ability to perform the duties outlined in this CIA.

At least annually (and more frequently, if appropriate), Radeas shall assess and update, as necessary, the Policies and Procedures. Any revised or new Policies and Procedures shall be made available to all Covered Persons.

All Policies and Procedures shall be made available to OIG upon request.

   a. Engagement of Independent Review Organization. Within 90 days after the Effective Date, Radeas shall engage an entity (or entities), such as an accounting, auditing or consulting firm, to perform the claims review described in Section III.E.3 and, within 90 days after the Effective Date, Radeas shall engage a law or consulting firm or a lawyer to perform the arrangements review described in Section III.E.2. The entity (or entities) engaged to perform the claims review and the arrangements review are referred to hereinafter as the “Independent Review Organization” or “IRO.” The applicable requirements relating to the IRO are outlined in Appendix A to this CIA, which is incorporated by reference.

   b. Retention of Records. The IRO and Radeas shall retain and make available to OIG, upon request, all work papers, supporting documentation, correspondence, and draft reports (those exchanged between the IRO and Radeas) related to the reviews.

   c. Responsibilities and Liabilities. Nothing in this Section III.E affects Radeas’s responsibilities or liabilities under any criminal, civil, or administrative laws or regulations applicable to any Federal health care program including, but not limited to, the Anti-Kickback Statute and/or the Stark Law.

   d. Access to Records and Personnel. Radeas shall ensure that the IRO has access to all records and personnel necessary to
complete the reviews listed in this Section III.E and that all records furnished to the IRO are accurate and complete.

2. **Arrangements Review.** The IRO shall perform an Arrangements Review and prepare an Arrangements Review Report as outlined in Appendix B to this CIA, which is incorporated by reference.

3. **Claims Review.** The IRO shall review claims submitted by Radeas and reimbursed by the Medicare and Medicaid programs, to determine whether the items and services furnished were medically necessary and appropriately documented and whether the claims were correctly coded, submitted and reimbursed (Claims Review) and shall prepare a Claims Review Report, as outlined in Appendix C to this CIA, which is incorporated by reference.

4. **Certifications.** The IRO for the Claims Review shall include in its report(s) to Radeas a certification that the IRO has (a) evaluated its professional independence and objectivity with respect to the reviews required under this Section III.E and (b) concluded that it is, in fact, independent and objective, in accordance with the requirements specified in Appendix A to this CIA. The IRO’s certification for the Claims Review shall include a summary of all current and prior engagements between Radeas and the IRO. The IRO for the Arrangements Review shall include in its report(s) to Radeas a certification that the IRO has (a) does not currently represent or is not currently employed or engaged by Radeas and (b) does not have a current or prior relationship to Radeas or its owners, officers, or directors that would cause a reasonable person to question the IRO’s objectivity in performing the reviews required by Section III.E. The IRO’s certification for the Arrangements Review shall include a summary of any current and prior relationships between Radeas or its owners, officers, or directors and the IRO.

F. **Risk Assessment and Internal Review Process**

Within 90 days after the Effective Date, Radeas shall develop and implement a centralized annual risk assessment and internal review process to identify and address risks associated with Arrangements (as defined in Section II.C.1 above) and Radeas’s participation in the Federal health care programs, including but not limited to the risks associated with the submission of claims for items and services furnished to Medicare and Medicaid program beneficiaries. The Compliance Committee shall be responsible
for implementation and oversight of the risk assessment and internal review process. The risk assessment and internal review process shall be conducted at least annually and shall require Radeas to: (1) identify and prioritize risks, (2) develop internal audit work plans related to the identified risk areas, (3) implement the internal audit work plans, (4) develop corrective action plans in response to the results of any internal audits performed, and (5) track the implementation of the corrective action plans in order to assess the effectiveness of such plans. Radeas shall maintain the risk assessment and internal review process for the term of the CIA.

G. Disclosure Program

Within 90 days after the Effective Date, Radeas shall establish a Disclosure Program that includes a mechanism (e.g., a toll-free compliance telephone line) to enable individuals to disclose, to the Compliance Officer or some other person who is not in the disclosing individual’s chain of command, any identified issues or questions associated with Radeas’s policies, conduct, practices, or procedures with respect to a Federal health care program believed by the individual to be a potential violation of criminal, civil, or administrative law. Radeas shall appropriately publicize the existence of the disclosure mechanism (e.g., via periodic e-mails to employees or by posting the information in prominent common areas).

The Disclosure Program shall emphasize a nonretribution, nonretaliation policy, and shall include a reporting mechanism for anonymous communications for which appropriate confidentiality shall be maintained. The Disclosure Program also shall include a requirement that all of Radeas’s Covered Persons shall be expected to report suspected violations of any Federal health care program requirements to the Compliance Officer or other appropriate individual designated by Radeas. Upon receipt of a disclosure, the Compliance Officer (or designee) shall gather all relevant information from the disclosing individual. The Compliance Officer (or designee) shall make a preliminary, good faith inquiry into the allegations set forth in every disclosure to ensure that he or she has obtained all of the information necessary to determine whether a further review should be conducted. For any disclosure that is sufficiently specific so that it reasonably: (1) permits a determination of the appropriateness of the alleged improper practice; and (2) provides an opportunity for taking corrective action, Radeas shall conduct an internal review of the allegations set forth in the disclosure and ensure that proper follow-up is conducted.
The Compliance Officer (or designee) shall maintain a disclosure log and shall record all disclosures, whether or not related to a potential violation of criminal, civil, or administrative law related to the Federal health care programs, in the disclosure log within two business days of receipt of the disclosure. The disclosure log shall include a summary of each disclosure received (whether anonymous or not), the individual or department responsible for reviewing the disclosure, the status of the review, and any corrective action taken in response to the review.

1. Definitions. For purposes of this CIA:
   a. an “Ineligible Person” shall include an individual or entity who:
      i. is currently excluded from participation in any Federal health care program; or
      ii. has been convicted of a criminal offense that falls within the scope of 42 U.S.C. § 1320a-7(a), but has not yet been excluded.

2. Screening Requirements. Radeas shall ensure that all prospective and current Covered Persons are not Ineligible Persons, by implementing the following screening requirements.

b. Radeas shall screen all current Covered Persons against the Exclusion List within 90 days after the Effective Date and on a monthly basis thereafter.

c. Radeas shall implement a policy requiring all Covered Persons to disclose immediately if they become an Ineligible Person.

Nothing in this Section III.H affects Radeas’s responsibility to refrain from (and liability for) billing Federal health care programs for items or services furnished, ordered, or prescribed by an excluded person. Radeas understands that items or services furnished, ordered, or prescribed by excluded persons are not payable by Federal health care programs and that Radeas may be liable for overpayments and/or criminal, civil, and administrative sanctions for employing or contracting with an excluded person regardless of whether Radeas meets the requirements of Section III.H.

3. Removal Requirement. If Radeas has actual notice that a Covered Person has become an Ineligible Person, Radeas shall remove such Covered Person from responsibility for, or involvement with, Radeas’s business operations related to the Federal health care program(s) from which such Covered Person has been excluded and shall remove such Covered Person from any position for which the Covered Person’s compensation or the items or services furnished, ordered, or prescribed by the Covered Person are paid in whole or part, directly or indirectly, by any Federal health care program(s) from which the Covered Person has been excluded at least until such time as the Covered Person is reinstated into participation in such Federal health care program(s).

4. Pending Charges and Proposed Exclusions. If Radeas has actual notice that a Covered Person is charged with a criminal offense that falls within the scope of 42 U.S.C. §§ 1320a-7(a), 1320a-7(b)(1)-(3), or is proposed for exclusion during the Covered Person’s employment or contract term or during the term of a physician’s or other practitioner’s medical staff privileges, Radeas shall take all appropriate actions to ensure that the responsibilities of that Covered Person have not and shall not adversely affect the quality of care rendered to any beneficiary or the accuracy of any claims submitted to any Federal health care program.

I. Notification of Government Investigation or Legal Proceeding
Within 30 days after discovery, Radeas shall notify OIG, in writing, of any ongoing investigation or legal proceeding known to Radeas conducted or brought by a governmental entity or its agents involving an allegation that Radeas has committed a crime or has engaged in fraudulent activities. This notification shall include a description of the allegation, the identity of the investigating or prosecuting agency, and the status of such investigation or legal proceeding. Radeas shall also provide written notice to OIG within 30 days after the resolution of the matter, and shall provide OIG with a description of the findings and/or results of the investigation or proceeding, if any.

J. Overpayments

1. Definition of Overpayments. An “Overpayment” means any funds that Radeas receives or retains under any Federal health care program to which Radeas, after applicable reconciliation, is not entitled to under such Federal health care program.

2. Overpayment Policies and Procedures. Within 90 days after the Effective Date, Radeas shall develop and implement written policies and procedures regarding the identification, quantification and repayment of Overpayments received from any Federal health care program.

A Reportable Event may be the result of an isolated event or a series of occurrences.

2. **Reporting of Reportable Events.** If Radeas determines (after a reasonable opportunity to conduct an appropriate review or investigation of the allegations) through any means that there is a Reportable Event, Radeas shall notify OIG, in writing, within 30 days after making the determination that the Reportable Event exists.

3. **Reportable Events under Section III.K.1.a and III.K.1.b.** For Reportable Events under Section III.K.1.a and b, the report to OIG shall include:

a. a complete description of all details relevant to the Reportable Event, including, at a minimum, the types of claims, transactions, or other conduct giving rise to the Reportable Event; the period during which the conduct occurred; and the names of entities and individuals believed to be implicated, including an explanation of their roles in the Reportable Event;

b. a statement of the Federal criminal, civil or administrative laws that are probably violated by the Reportable Event, if any;

c. the Federal health care programs affected by the Reportable Event;

d. a description of the steps taken by Radeas to identify and quantify any Overpayments; and

e. a description of Radeas’s actions taken to correct the Reportable Event and prevent it from recurring.

If the Reportable Event involves an Overpayment, within 60 days of identification of the Overpayment, Radeas shall repay the Overpayment, in accordance with the requirements of 42 U.S.C. § 1320a-7k(d) and any applicable regulations and Centers for Medicare and Medicaid (CMS) guidance and provide OIG with a copy of the notification and repayment.

   a. the identity of the Ineligible Person and the job duties performed by that individual;

   b. the dates of the Ineligible Person’s employment or contractual relationship;

   c. a description of the Exclusion List screening that Radeas completed before and/or during the Ineligible Person’s employment or contract or medical staff membership and any flaw or breakdown in the Ineligible Persons screening process that led to the hiring or contracting with or credentialing the Ineligible Person;

   d. a description of how the Ineligible Person was identified; and

   e. a description of any corrective action implemented to prevent future employment or contracting with or credentialing an Ineligible Person.

5. **Reportable Events under Section III.K.1.d.** For Reportable Events under Section III.K.1.d, the report to the OIG shall include documentation of the bankruptcy filing and a description of any Federal health care program authorities implicated.

6. **Reportable Events Involving the Stark Law.** Notwithstanding the reporting requirements outlined above, any Reportable Event that involves solely a probable violation of the Stark Law should be submitted by Radeas to the Centers for Medicare & Medicaid Services (CMS) through the self-referral disclosure protocol (SRDP), with a copy to the OIG. If Radeas identifies a probable violation of the Stark Law and repays the applicable Overpayment directly to the CMS contractor, then Radeas is not required by this Section III.K to submit the Reportable Event to CMS through the SRDP.

**IV. SUCCESSOR LIABILITY**

*Radeas LLC Corporate Integrity Agreement*
In the event that, after the Effective Date, Radeas proposes to (a) sell any or all of its business, business units, or locations (whether through a sale of assets, sale of stock, or other type of transaction) relating to the furnishing of items or services that may be reimbursed by a Federal health care program; or (b) purchase or establish a new business, business unit, or location relating to the furnishing of items or services that may be reimbursed by a Federal health care program, the CIA shall be binding on the purchaser of any business, business unit, or location and any new business, business unit, or location (and all Covered Persons at each new business, business unit, or location) shall be subject to the applicable requirements of this CIA, unless otherwise determined and agreed to in writing by OIG. Radeas shall give notice of such sale or purchase to OIG within 30 days following the closing of the transaction.

If, in advance of a proposed sale or proposed purchase, Radeas wishes to obtain a determination by OIG that the proposed purchaser or the proposed acquisition will not be subject to the requirements of the CIA, Radeas must notify OIG in writing of the proposed sale or purchase at least 30 days in advance. Radeas shall refrain from identifying any information as exempt from disclosure if that information does not meet the criteria for exemption from disclosure under FOIA.

VI. **NOTIFICATIONS AND SUBMISSION OF REPORTS**

Unless otherwise stated in writing after the Effective Date, all notifications and reports required under this CIA shall be submitted to the following entities:

**OIG:**

*Radeas LLC Corporate Integrity Agreement*
Unless otherwise specified, all notifications and reports required by this CIA may be made by overnight mail, hand delivery, or other means, provided that there is proof that such notification was received. For purposes of this requirement, internal facsimile confirmation sheets do not constitute proof of receipt. Upon request by OIG, Radeas may be required to provide OIG with an additional copy of each notification or report required by this CIA, in OIG’s requested format (electronic or paper).

Furthermore, for purposes of this provision, OIG or its duly authorized representative(s) may interview any of Radeas’s owners, employees, contractors, and directors who consent to be interviewed at the individual’s place of business during normal business hours or at such other place and time as may be mutually agreed upon between the individual and OIG. Radeas shall assist OIG or its duly authorized representative(s) in contacting and arranging interviews with such individuals upon OIG’s request. Radeas’s owners, employees, contractors, and directors may elect to be interviewed with or without a representative of Radeas present.

VIII. DOCUMENT AND RECORD RETENTION

Radeas shall maintain for inspection all documents and records relating to reimbursement from the Federal health care programs and to compliance with this CIA for six years (or longer if otherwise required by law) from the Effective Date.

IX. DISCLOSURES

Consistent with HHS’s FOIA procedures, set forth in 45 C.F.R. Part 5, OIG shall make a reasonable effort to notify Radeas prior to any release by OIG of information submitted by Radeas pursuant to its requirements under this CIA and identified upon submission by Radeas as trade secrets, or information that is commercial or financial and privileged or confidential, under the FOIA rules. With respect to such releases, Radeas shall have the rights set forth at 45 C.F.R. § 5.42(a).

B. Timely Written Requests for Extensions

Radeas may, in advance of the due date, submit a timely written request for an extension of time to perform any act or file any notification or report required by this CIA. If OIG grants the timely written request with respect to an act, notification, or report, Stipulated Penalties for failure to perform the act or file the notification or report shall not begin to accrue until one day after Radeas fails to meet the revised deadline set by OIG. If OIG denies such a timely written request, Stipulated Penalties for failure to perform the act or file the notification or report shall not begin to accrue until three business days after Radeas receives OIG’s written denial of such request or the original due date, whichever is later. A “timely written request” is defined as a request in writing received by OIG at least five days prior to the date by which any act is due to be performed or any notification or report is due to be filed.

C. Payment of Stipulated Penalties

1. Demand Letter. If OIG determines that a basis for Stipulated Penalties under Section X.A exists, OIG shall notify Radeas of: (a) Radeas’s failure to comply; and (b) OIG’s demand for payment of Stipulated Penalties. (This notification shall be referred to as the “Demand Letter.”)

2. Response to Demand Letter. Within 15 business days after the date of the Demand Letter, Radeas shall either: (a) pay the applicable Stipulated Penalties or (b) request a hearing before an HHS administrative law judge (ALJ) to dispute OIG’s determination of noncompliance, pursuant to the agreed upon provisions set forth below in Section X.E.

3. Form of Payment. Payment of the Stipulated Penalties shall be made by electronic funds transfer to an account specified by OIG in the Demand Letter.

D. Exclusion for Material Breach of this CIA

Radeas LLC Corporate Integrity Agreement
1. **Definition of Material Breach.** A material breach of this CIA means:

   a. failure to comply with any of the requirements of this CIA for which OIG has previously issued a demand for Stipulated Penalties under X.C;

   b. failure to comply with Section III.A.1;

   c. failure to comply with Section III.D;

   d. failure to comply with Section III.E;

   e. failure to comply with Section III.K;

   f. failure to comply with Section V;

   g. failure to respond to a Demand Letter in accordance with Section X.C.;

   h. failure to pay Stipulated Penalties within 20 days after an ALJ issues a decision ordering Radeas to pay the Stipulated Penalties or within 20 days after the HHS Departmental Appeals Board (DAB) issues a decision upholding the determination of OIG; or

   i. failure to come into compliance with a requirement for which the OIG has demanded Stipulated Penalties, pursuant to the deadlines listed in Section X.E.2.

2. **Notice of Material Breach and Intent to Exclude.** The parties agree that a material breach of this CIA by Radeas constitutes an independent basis for Radeas’s exclusion from participation in the Federal health care programs. The length of the exclusion shall be in the OIG’s discretion, but not more than five years for each material breach. Upon a preliminary determination by OIG that Radeas has materially breached this CIA, OIG shall notify Radeas of: (a) Radeas’s material breach; and (b)
OIG’s intent to exclude Radeas. (This notification shall be referred to as the “Notice of Material Breach and Intent to Exclude.”)

3. **Response to Notice.** Radeas shall have 30 days from the date of the Notice of Material Breach and Intent to Exclude to submit any information and documentation for OIG to consider before it makes a final determination regarding exclusion.

4. **Exclusion Letter.** If OIG determines that exclusion is warranted, OIG shall notify Radeas in writing of its determination to exclude Radeas. (This letter shall be referred to as the “Exclusion Letter.”) Subject to the Dispute Resolution provisions in Section X.E, below, the exclusion shall go into effect 30 days after the date of the Exclusion Letter. The exclusion shall have national effect. The effect of the exclusion shall be that no Federal health care program payment may be made for any items or services furnished, ordered, or prescribed by Radeas, including administrative and management services, except as stated in regulations found at 42 C.F.R. 1001.1901(c). Reinstatement to program participation is not automatic. At the end of the period of exclusion, Radeas may apply for reinstatement by submitting a written request for reinstatement in accordance with the provisions at 42 C.F.R. §§ 1001.3001-.3004.

E. **Dispute Resolution**

1. **Review Rights.** Upon OIG’s issuing a Demand Letter or Exclusion Letter to Radeas, and as an agreed-upon remedy for the resolution of disputes arising under this CIA, Radeas shall be afforded certain review rights comparable to the ones that are provided in 42 U.S.C. § 1320a-7(f) and 42 C.F.R. Part 1005. Specifically, OIG’s determination to demand payment of Stipulated Penalties or to seek exclusion shall be subject to review by an HHS ALJ and, in the event of an appeal, the DAB, in a manner consistent with the provisions in 42 C.F.R. § 1005.2-1005.21, but only to the extent this CIA does not provide otherwise. Notwithstanding the language in 42 C.F.R. § 1005: (a) the request for a hearing involving Stipulated Penalties shall be made within 15 business days after the date of the Demand Letter and the request for a hearing involving exclusion shall be made within 25 days after the date of the Exclusion Letter; and (b) no discovery shall be available to the parties. The procedures relating to the filing of a request for a hearing can be found at [http://www.hhs.gov/dab/divisions/civil/procedures/divisionprocedures.html](http://www.hhs.gov/dab/divisions/civil/procedures/divisionprocedures.html).

*Radeas LLC Corporate Integrity Agreement*
2. **Stipulated Penalties Review.** Notwithstanding any provision of Title 42 of the United States Code or Title 42 of the Code of Federal Regulations, the only issues in a proceeding for Stipulated Penalties under this CIA shall be: (a) whether Radeas was in full and timely compliance with the requirements of this CIA for which OIG demands payment; and (b) the period of noncompliance. Radeas shall have the burden of proving its full and timely compliance. If the ALJ upholds the OIG’s determination that Radeas has breached this CIA and orders Radeas to pay Stipulated Penalties, Radeas must (a) come into compliance with the requirement(s) of this CIA that resulted in the OIG imposing Stipulated Penalties and (b) pay the Stipulated Penalties within 20 days after the ALJ issues a decision, unless Radeas properly and timely requests review of the ALJ decision by the DAB. If the ALJ decision is properly and timely appealed to the DAB and the DAB upholds the determination of OIG, Radeas must (a) come into compliance with the requirement(s) that resulted in the OIG imposing Stipulated Penalties and (b) pay the Stipulated Penalties within 20 days after the DAB issues its decision.

3. **Exclusion Review.** Notwithstanding any provision of Title 42 of the United States Code or Title 42 of the Code of Federal Regulations, the only issues in a proceeding for exclusion based on a material breach of this CIA shall be whether Radeas was in material breach of this CIA. If the ALJ sustains the OIG’s determination of material breach, the exclusion shall take effect 20 days after the ALJ issues the decision. If the DAB finds in favor of OIG after an ALJ decision adverse to OIG, the exclusion shall take effect 20 days after the DAB decision. Radeas shall waive its right to any notice by OIG of the exclusion if a decision upholding the exclusion is rendered by the ALJ or DAB. If the DAB finds in favor of Radeas, Radeas shall be reinstated effective on the date of the exclusion.

4. **Finality of Decision.** The review by an ALJ or DAB provided for above shall not be considered to be an appeal right arising under any statutes or regulations. The parties to this CIA agree that the DAB’s decision (or the ALJ’s decision if not appealed) shall be considered final for all purposes under this CIA and Radeas agrees not to seek additional review of the DAB’s decision (or the ALJ’s decision if not appealed) in any judicial forum.

XI. **EFFECTIVE AND BINDING AGREEMENT**

Radeas and OIG agree as follows:

30

*Radeas LLC Corporate Integrity Agreement*
A. This CIA shall become final and binding on the date the final signature is obtained on the CIA.

B. This CIA constitutes the complete agreement between the parties and may not be amended except by written consent of the parties to this CIA.

C. OIG may agree to a suspension of Radeas’s requirements under this CIA based on a certification by Radeas that it is no longer providing health care items or services that will be billed to any Federal health care program and it does not have any ownership or control interest, as defined in 42 U.S.C. §1320a-3, in any entity that bills any Federal health care program. If Radeas is relieved of its CIA requirements, Radeas shall be required to notify OIG in writing at least 30 days in advance if Radeas plans to resume providing health care items or services that are billed to any Federal health care program or to obtain an ownership or control interest in any entity that bills any Federal health care program. At such time, OIG shall evaluate whether the CIA will be reactivated or modified.

D. All requirements and remedies set forth in this CIA are in addition to and do not affect (1) Radeas’s responsibility to follow all applicable Federal health care program requirements or (2) the government’s right to impose appropriate remedies for failure to follow applicable Federal health care program requirements.

E. The undersigned Radeas signatories represent and warrant that they are authorized to execute this CIA. The undersigned OIG signatories represent that they are signing this CIA in their official capacities and that they are authorized to execute this CIA.

F. This CIA may be executed in counterparts, each of which constitutes an original and all of which constitute one and the same CIA. Electronically-transmitted copies of Facsimiles of signatures shall constitute acceptable, binding signatures for purposes of this CIA.

A.  IRO Engagement

1.  Radeas shall engage an IRO to perform the Claims Review that possesses the qualifications set forth in Paragraph B, below, to perform the responsibilities in Paragraph C, below.  The IRO shall conduct the Claims Review in a professionally independent and objective fashion, as set forth in Paragraph E.

2.  Radeas shall engage an IRO to perform the Arrangements Review that possesses the qualifications set forth in Paragraph B, below, to perform the responsibilities in Paragraph C, below.  The IRO shall not have a prohibited relationship to Radeas as set forth in Paragraph F.

3.  Within 30 days after OIG receives the information identified in Section V.A.7 of the CIA or any additional information submitted by Radeas in response to a request by OIG, whichever is later, OIG will notify Radeas if the IRO is unacceptable.  Absent notification from OIG that the IRO is unacceptable, Radeas may continue to engage the IRO.

4.  If Radeas engages a new IRO during the term of the CIA, that IRO must also meet the requirements of this Appendix.  If a new IRO is engaged, Radeas shall submit the information identified in Section V.A.7 of the CIA to OIG within 30 days of engagement of the IRO.  Within 30 days after OIG receives this information or any additional information submitted by Radeas at the request of OIG, whichever is later, OIG will notify Radeas if the IRO is unacceptable.  Absent notification from OIG that the IRO is unacceptable, Radeas may continue to engage the IRO.

B.  IRO Qualifications

The IRO shall:

1.  assign individuals to conduct the Arrangements Review who are knowledgeable in the requirements of the Anti-Kickback Statute and the Stark Law and the regulations and other guidance documents related to these statutes;
2. possess expertise in fair market valuation issues or have the ability to associate a valuation firm to assist in conducting the transactions review component of the Arrangements Review;

3. assign individuals to conduct the Claims Review who have expertise in the Medicare and state Medicaid program requirements applicable to the claims being reviewed;

4. assign individuals to design and select the Claims Review sample who are knowledgeable about the appropriate statistical sampling techniques;

5. assign individuals to conduct the coding review portions of the Claims Review who have a nationally recognized coding certification and who have maintained this certification (e.g., completed applicable continuing education requirements);

6. assign licensed nurses or physicians with relevant education, training and specialized expertise (or other licensed health care professionals acting within their scope of practice and specialized expertise) to make the medical necessity determinations required by the Claims Review; and

7. have sufficient staff and resources to conduct the reviews required by the CIA on a timely basis.

C. IRO Responsibilities

The IRO shall:

1. perform each Arrangements Review and Claims Review in accordance with the specific requirements of the CIA;

2. follow all applicable Medicare and state Medicaid program rules and reimbursement guidelines in making assessments in the Claims Review;

3. request clarification from the appropriate authority (e.g., Medicare contractor), if in doubt of the application of a particular Medicare or state Medicaid program policy or regulation;

4. respond to all OIG inquires in a prompt, objective, and factual manner; and

5. prepare timely, clear, well-written reports that include all the information required by Appendix B and Appendix C (as applicable) to the CIA.
D. Radeas’s Responsibilities

Radeas shall ensure that the IRO has access to all records and personnel necessary to complete the reviews listed in Section III.E of this CIA and that all records furnished to the IRO are accurate and complete.

E. IRO Independence and Objectivity

The IRO engaged to perform the Claims Review must perform the Claims Review in a professionally independent and objective fashion, as defined in the most recent Government Auditing Standards issued by the U.S. Government Accountability Office.

F. IRO Relationship to Radeas

The IRO engaged to perform the Arrangements Review shall not (1) currently represent or currently be employed or engaged by Radeas or (2) have a current or prior relationship to Radeas or its owners, officers, or directors that would cause a reasonable person to question the IRO’s objectivity in performing the Arrangements Review.

G. Assertions of Privilege

Radeas shall not assert claims of attorney-client privilege in order to avoid disclosing to OIG information related to or resulting from the IRO’s engagement to perform the Arrangements Review. Radeas’s engagement letter with the IRO shall include a provision stating that the IRO agrees not to assert claims of work product privilege in order to avoid disclosing to OIG information related to or resulting from its engagement.

H. IRO Removal/Termination

1. Radeas and IRO. If Radeas terminates its IRO or if the IRO withdraws from the engagement during the term of the CIA, Radeas must submit a notice explaining (a) its reasons for termination of the IRO or (b) the IRO’s reasons for its withdrawal to OIG, no later than 30 days after termination or withdrawal. Radeas must engage a new IRO in accordance with Paragraph A of this Appendix and within 60 days of termination or withdrawal of the IRO.

2. OIG Removal of IRO. In the event OIG has reason to believe that the IRO does not possess the qualifications described in Paragraph B, is not independent and objective as set forth in Paragraph E or has a prohibited relationship as set forth in paragraph F (as applicable), or has failed to carry out its responsibilities as described in Paragraph C, OIG shall notify Radeas in writing regarding OIG’s basis for determining that the IRO has not met the requirements of this Appendix. Radeas shall have 30 days
from the date of OIG’s written notice to provide information regarding the IRO’s qualifications, independence, relationship to Radeas or performance of its responsibilities in order to resolve the concerns identified by OIG. If, following OIG’s review of any information provided by Radeas regarding the IRO, OIG determines that the IRO has not met the requirements of this Appendix, OIG shall notify Radeas in writing that Radeas shall be required to engage a new IRO in accordance with Paragraph A of this Appendix. Radeas must engage a new IRO within 60 days of its receipt of OIG’s written notice. The final determination as to whether or not to require Radeas to engage a new IRO shall be made at the sole discretion of OIG.
APPENDIX B

The Arrangements Transactions Review shall be performed annually and shall cover each of the five Reporting Periods.

2. a detailed description of Radeas’s systems, policies, processes, and procedures relating to the items identified in Section A.1-11 above;

3. findings and supporting rationale regarding weaknesses in Radeas’s systems, policies, processes, and procedures relating to Arrangements described in Section A.1-11 above; and

C. Arrangements Transactions Review. The Arrangements Transactions Review shall consist of a review by the IRO of 25 randomly selected Focus Arrangements that were entered into or renewed by Radeas during the Reporting Period. The IRO shall assess whether Radeas has complied with the Focus Arrangements Procedures and the Focus Arrangements Requirements described in Sections III.D.1 and III.D.2 of the CIA, with respect to the selected Focus Arrangements.

1. The IRO’s assessment with respect to each Focus Arrangement that is subject to review shall include:

d. verifying that the business need or business rationale for the Focus Arrangement is specified and is consistent with Radeas’s policies and procedures;

e. verifying that the service and activity logs are properly completed and reviewed (if applicable);

2. For any Focus Arrangement for which the IRO cannot verify compliance with each of the applicable requirements specified in Section C.1 above, the IRO shall identify and review the system(s) and process(es) that resulted in the identified non-compliance and recommend improvements to such system(s) and process(es). The IRO may need to review additional documentation and/or interview personnel to identify the system(s) and process(es) that resulted in the identified non-compliance.

3. If the IRO cannot verify compliance with each of the applicable requirements specified in Section C.1 above with respect to at least 90% of the Focus Arrangements subject to the Arrangements Transactions Review, then, at its discretion, within 60 days of receipt of the Arrangements Transactions Review Report, the OIG may require the IRO to select an additional sample of Focus Arrangements, not to exceed the number of Focus Arrangements initially reviewed by the IRO, that will be subject to the Arrangements Transactions Review (Additional Transactions Review) and complete and submit to Radeas and OIG an Additional Transactions Review Report that includes the information specified in Section D below, within 60 days of the date the OIG notifies Radeas and its IRO that an Additional Transactions Review will be required.
D. **Arrangements Transactions Review Report.** The IRO shall prepare a report based on each Arrangements Transactions Review performed. The Arrangements Transactions Review Report shall include the following information:

If the IRO accepts any supplemental documentation or materials from Radeas after the IRO has completed its initial review of the Focus Arrangements (Supplemental Materials), the IRO shall identify in the Arrangements Transactions Review Report the Supplemental Materials, the date the Supplemental Materials were accepted, and the relative weight the IRO gave to the Supplemental Materials in its review. In addition, the IRO shall include a narrative in the Arrangements Transactions Review Report describing the process by which the Supplemental Materials were accepted and the IRO’s reasons for accepting the Supplemental Materials.

2. **Review Findings.** The IRO’s findings with respect to whether Radeas has complied with the Focus Arrangements Procedures and Focus Arrangements Requirements with respect to each of the randomly selected Focus Arrangements reviewed by the IRO, including findings for each item listed in Sections C.1.a-g above. APPENDIX C

CLAIMS REVIEW

A. Claims Review. The IRO shall perform the Claims Review annually to cover each of the five Reporting Periods. The IRO shall perform all components of each Claims Review.

1. Definitions. For the purposes of the Claims Review, the following definitions shall be used:

   a. Overpayment: The amount of money Radeas has received in excess of the amount due and payable under Medicare or any state Medicaid program requirements, as determined by the IRO in connection with the Claims Review performed under this Appendix C.

   b. Paid Claim: A claim submitted by Radeas and for which Radeas has received reimbursement from the Medicare program or a state Medicaid program.

   c. Population: The Population shall be defined as all Paid Claims during the 12-month period covered by the Claims Review.

2. Claims Review Sample. The IRO shall randomly select and review a sample of 100 Paid Claims (Claims Review Sample). The Paid Claims shall be reviewed based on the supporting documentation available at Radeas’s office or under Radeas’s control and applicable Medicare and state Medicaid program requirements to determine whether the items and services furnished were medically necessary and appropriately documented, and whether the claim was correctly coded, submitted, and reimbursed. For each Paid Claim in the Claims Review Sample that results in an Overpayment, the IRO shall review the system(s) and process(es) that generated the Paid Claim and identify any problems or weaknesses that may have resulted in the identified Overpayments. The IRO shall provide its observations and recommendations on suggested improvements to the system(s) and the process(es) that generated the Paid Claim.

3. Other Requirements.

   a. Supplemental Materials. The IRO shall request all documentation and materials required for its review of the Paid Claims in the Claims Review Sample and Radeas shall furnish such documentation and materials to the IRO prior to the IRO initiating its review of the Claims Review Sample. If the IRO accepts any supplemental documentation or materials from Radeas after the IRO
has completed its initial review of the Claims Review Sample (Supplemental Materials), the IRO shall identify in the Claims Review Report the Supplemental Materials, the date the Supplemental Materials were accepted, and the relative weight the IRO gave to the Supplemental Materials in its review. In addition, the IRO shall include a narrative in the Claims Review Report describing the process by which the Supplemental Materials were accepted and the IRO’s reasons for accepting the Supplemental Materials.

b. **Paid Claims without Supporting Documentation.** Any Paid Claim for which Radeas cannot produce documentation shall be considered an error and the total reimbursement received by Radeas for such Paid Claim shall be deemed an Overpayment. Replacement sampling for Paid Claims with missing documentation is not permitted.

c. **Use of First Samples Drawn.** For the purposes of the Claims Review Sample discussed in this Appendix, the first set of Paid Claims selected shall be used (i.e., it is not permissible to generate more than one list of random samples and then select one for use with the Claims Review Sample).

4. **Repayment of Identified Overpayments.** Radeas shall repay within 60 days the Overpayment(s) identified by the IRO in the Claims Review Sample, in accordance with the requirements of 42 U.S.C. § 1320a-7k(d) and any applicable regulations or Centers for Medicare and Medicaid Services (CMS) guidance (the “CMS overpayment rule”). If Radeas determines that the CMS overpayment rule requires that an extrapolated Overpayment be repaid, Radeas shall repay that amount at the mean point estimate as calculated by the IRO. Radeas shall make available to OIG all documentation that reflects the refund of the Overpayment(s) to the payor. OIG, in its sole discretion, may refer the findings of the Claims Review Sample (and any related work papers) received from Radeas to the appropriate Medicare or state Medicaid program contractor for appropriate follow up by the payor.

B. **Claims Review Report.** The IRO shall prepare a Claims Review Report as described in this Appendix for each Claims Review performed. The following information shall be included in the Claims Review Report.

1. **Claims Review Methodology.**

   a. **Claims Review Population.** A description of the Population subject to the Claims Review.
b. **Claims Review Objective.** A clear statement of the objective intended to be achieved by the Claims Review.

c. **Source of Data.** A description of (1) the process used to identify Paid Claims in the Population and (2) the specific documentation relied upon by the IRO when performing the Claims Review (e.g., medical records, physician orders, certificates of medical necessity, requisition forms, local medical review policies (including title and policy number), CMS program memoranda (including title and issuance number), Medicare carrier or intermediary manual or bulletins (including issue and date), other policies, regulations, or directives).

d. **Review Protocol.** A narrative description of how the Claims Review was conducted and what was evaluated.

e. **Supplemental Materials.** A description of any Supplemental Materials as required by A.3.a., above.

2. **Statistical Sampling Documentation.**

   a. A copy of the printout of the random numbers generated by the “Random Numbers” function of the statistical sampling software used by the IRO.

   b. A description or identification of the statistical sampling software package used by the IRO.

3. **Claims Review Findings.**

   a. **Narrative Results.**

      i. A description of Radeas’s billing and coding system(s), including the identification, by position description, of the personnel involved in coding and billing.

      ii. A description of controls in place at Radeas to ensure that all items and services billed to Medicare or a state Medicaid program are medically necessary and appropriately documented.

      iii. A narrative explanation of the IRO’s findings and supporting rationale (including reasons for errors, patterns noted, etc.)
regarding the Claims Review, including the results of the Claims Review Sample.

b. Quantitative Results.

i. Total number and percentage of instances in which the IRO determined that the coding of the Paid Claims submitted by Radeas differed from what should have been the correct coding and in which such difference resulted in an Overpayment to Radeas.

ii. Total number and percentage of instances in which the IRO determined that a Paid Claim was not appropriately documented and in which such documentation errors resulted in an Overpayment to Radeas.

iii. Total number and percentage of instances in which the IRO determined that a Paid Claim was for items or services that were not medically necessary and resulted in an Overpayment to Radeas.

iv. Total dollar amount of all Overpayments in the Claims Review Sample.

v. Total dollar amount of Paid Claims included in the Claims Review Sample.

vi. Error Rate in the Claims Review Sample. The Error Rate shall be calculated by dividing the Overpayment in the Claims Review Sample by the total dollar amount associated with the Paid Claims in the Claims Review Sample.

vii. An estimate of the actual Overpayment in the Population at the mean point estimate.

viii. A spreadsheet of the Claims Review results that includes the following information for each Paid Claim: Federal health care program billed, beneficiary health insurance claim number, date of service, code submitted (e.g., DRG, CPT code, etc.), code reimbursed, allowed amount reimbursed by payor, correct code (as determined by the IRO), correct allowed amount (as determined by the IRO), dollar difference between allowed amount reimbursed by payor and the correct allowed amount.
c. **Recommendations.** The IRO’s report shall include any recommendations for improvements to Radeas’s billing and coding system or to Radeas’s controls for ensuring that all items and services billed to Medicare or a state Medicaid program are medically necessary and appropriately documented, based on the findings of the Claims Review.

4. **Credentials.** The names and credentials of the individuals who: (1) designed the statistical sampling procedures and the review methodology utilized for the Claims Review and (2) performed the Claims Review.
