OF THE
DEPARTMENT OF HEALTH AND HUMAN SERVICES
AND
RANDY KELLERMAN, D.C.,
WALDO WELLNESS GROUP, P.C., AND
WALDO MEDICAL, L.L.C.**

I. PREAMBLE

Randy Kellerman, D.C., Waldo Wellness Group, P.C., and Waldo Medical, L.L.C. (collectively “Kellerman-Waldo”) hereby enter into this Integrity Agreement (IA) with the Office of Inspector General (OIG) of the United States Department of Health and Human Services (HHS) to promote compliance with the statutes, regulations, program requirements, and written directives of Medicare, Medicaid, and all other Federal health care programs (as defined in 42 U.S.C. § 1320a-7b(f)) (Federal health care program requirements). This CIA applies to Kellerman-Waldo, any entity, as described in 42 U.S.C. §§ 1320a-3(a)(2)(A)-(C), in which Randy Kellerman, D.C., Waldo Wellness Group, P.C., and Waldo Medical, L.L.C., or any of them, has an ownership or control interest at any time during the term of the CIA, as defined in 42 U.S.C. § 1320a-3(a)(3), and all Covered Persons as defined in Section II.C. Contemporaneously with this IA, Kellerman-Waldo is entering into a Settlement Agreement with the United States.

II. TERM AND SCOPE OF THE IA

A. This IA shall have a term of three years from the Effective Date. The Effective Date shall be the date on which the final signatory signs this IA. Each one-year period, beginning with the one-year period following the Effective Date, shall be referred to as a “Reporting Period.”

B. Sections VII, X, and XI shall expire no later than 120 days from OIG’s receipt of: (1) Kellerman-Waldo’s final Annual Report; or (2) any additional materials submitted by Kellerman-Waldo pursuant to OIG’s request, whichever is later.

C. The term “Covered Persons” includes:

1. Kellerman-Waldo and all owners and employees of Kellerman-Waldo;
2. all employees of any entity in which Kellerman-Waldo, or any of them, has an ownership or control interest, as described above in Paragraph I;
3. all contractors, agents, and other persons who furnish patient care items or services or who perform billing or coding functions on behalf of Kellerman-Waldo, or on behalf of any entity in which Kellerman-Waldo, or any of them, has an ownership or control interest, as described above in Paragraph I. (The employees of any third party billing company that submits claims to Federal health care programs on behalf of Kellerman-Waldo or on behalf of any entity in which Kellerman-Waldo, or any of them has an ownership or control interest, as described in Paragraph I, shall not be considered Covered Persons, provided that Kellerman-Waldo and the third party billing company provide the certifications required by Section III.H.)

III. INTEGRITY OBLIGATIONS

Kellerman-Waldo shall establish and maintain a Compliance Program that includes the following elements:

A. Posting of Notice

Within 60 days after the Effective Date, Kellerman-Waldo shall post in a prominent place accessible to all patients and Covered Persons a notice that provides the HHS OIG Fraud Hotline telephone number (1-800-HHS-TIPS) as a confidential means by which suspected fraud or abuse in the Federal health care programs may be reported.

B. Training and Education

1. *Training.* All Covered Persons shall receive at least three hours of training during the first Reporting Period, including at least one hour of training to be completed within 60 days after the Effective Date. Training may be completed in-person or on-line. These training requirements may be satisfied only by the completion of courses provided by the Centers for Medicare & Medicaid Services (CMS) Medicare

Learning Network (MLN), Kellerman-Waldo's Medicare contractor, or other training courses that are submitted to OIG, prior to registration for the training course, for review and approval.

At a minimum, the required training sessions must include the following topics:

- a. the Federal health care program billing, coding and claim submission statutes, regulations, and program requirements and directives relating to the items or services furnished by Kellerman-Waldo; and
- b. the Federal health care program medical record documentation requirements relating to items or services furnished by Kellerman-Waldo.

New Covered Persons shall receive at least three hours of training within 45 days after becoming a Covered Person.

The OIG may, in its discretion, require that Kellerman-Waldo and other Covered Persons complete additional hours of training regarding the topics identified above, or additional topics, in the second and third years of the IA. The OIG shall provide notice to Kellerman-Waldo of such additional required training at least 180 days prior to the required completion date for such training.

2. *Certification.* Kellerman-Waldo shall maintain written documentation (e.g., written or electronic certificates of completion from the training provider) that all Covered Persons required to receive training have in fact completed such training. The documentation shall specify the type of training received, the individual who completed the training, and the date received.

C. Review Procedures

1. *General Description.*

- a. *Engagement of Independent Review Organization.* Within 60 days after the Effective Date, Kellerman-Waldo shall engage an individual or entity, such as an accounting, auditing, or

consulting firm (hereinafter “Independent Review Organization” or “IRO”), to perform the reviews listed in this Section III.C. The applicable requirements relating to the IRO are outlined in Appendix A to this IA, which is incorporated by reference.

- b. *Retention of Records.* The IRO and Kellerman-Waldo shall retain and make available to OIG, upon request, all work papers, supporting documentation, correspondence, and draft reports (those exchanged between the IRO and Kellerman-Waldo) related to the reviews.

2. *Claims Review.* The IRO shall conduct a review of Kellerman-Waldo’s coding, billing, and claims submission to the Medicare and state Medicaid programs and the reimbursement received for each three-month period during the term of this IA (Quarterly Claims Review) and shall prepare a Quarterly Claims Review Report, as outlined in Appendix B to this IA, which is incorporated by reference. The first three-month period for purposes of the Quarterly Claims Review requirement shall begin 30 days after the Effective Date. Each Quarterly Claims Review Report shall be submitted to OIG within 60 days following the end of the three-month period covered by the Quarterly Claims Review.

3. *Validation Review.* In the event OIG has reason to believe that: (a) any Quarterly Claims Review fails to conform to the requirements of this IA; or (b) the IRO’s findings or Quarterly Claims Review results are inaccurate, OIG may, at its sole discretion, conduct its own review to determine whether the Quarterly Claims Review complied with the requirements of the IA and/or the findings or Quarterly Claims Review results are inaccurate (Validation Review). Kellerman-Waldo shall pay for the reasonable cost of any such review performed by OIG or any of its designated agents. Any Validation Review of a Quarterly Claims Review performed in the final Reporting Period of this IA shall be initiated within one year after Kellerman-Waldo’s final submission (as described in Section II) is received by OIG.

Prior to initiating a Validation Review, OIG shall notify Kellerman-Waldo in writing of its intent to do so and provide an explanation of the reasons OIG has determined a Validation Review is necessary. Kellerman-Waldo shall have 30 days following the date of the OIG’s written notice to submit a written response to OIG that

includes any additional or relevant information to clarify the results of the Quarterly Claims Review or to correct the inaccuracy of the Quarterly Claims Review and/or to propose alternatives to the proposed Validation Review. The final determination as to whether or not to proceed with a Validation Review shall be made at the sole discretion of OIG.

4. *Independence and Objectivity Certification.* Prior to performing the first Quarterly Claims Review, and annually thereafter, the IRO shall provide to Kellerman-Waldo a certification that the IRO has (a) evaluated its professional independence and objectivity with respect to the reviews required under this Section III.C and (b) concluded that it is, in fact, independent and objective, in accordance with the requirements specified in Appendix A to this IA.

D. Ineligible Persons

1. *Definitions.* For purposes of this IA:

- a. an “Ineligible Person” shall include an individual or entity who:
 - i. is currently excluded, debarred, suspended, or otherwise ineligible to participate in the Federal health care programs or in Federal procurement or nonprocurement programs; or
 - ii. has been convicted of (a) a criminal offense that is related to the delivery of an item or service under Medicare or any state health care program; (b) a criminal offense relating to neglect or abuse of patients; (c) a felony criminal offense relating to fraud, theft, embezzlement, breach of fiduciary responsibility, or other financial misconduct in connection with the delivery of a health care item or service or with respect to a government funded health care program (other than Medicare or a state health care program); or (d) a felony criminal offense relating to the unlawful manufacture, distribution, prescription

or dispensing of a controlled substance, but has not yet been excluded, debarred, suspended, or otherwise declared ineligible.

- b. "Exclusion Lists" include:
 - i. the HHS/OIG List of Excluded Individuals/Entities (available through the Internet at <http://www.oig.hhs.gov>); and
 - ii. the General Services Administration's System for Award Management (available through the Internet at <http://www.sam.gov>)

2. *Screening Requirements.* Kellerman-Waldo shall ensure that all prospective and current Covered Persons are not Ineligible Persons, by implementing the following screening requirements.

- a. Kellerman-Waldo shall screen all prospective Covered Persons against the Exclusion Lists prior to engaging their services and, as part of the hiring or contracting process, shall require Covered Persons to disclose whether they are Ineligible Persons.
- b. Kellerman-Waldo shall screen all current Covered Persons against the Exclusion Lists within 30 days after the Effective Date and thereafter shall screen against the LEIE on a monthly basis and screen against SAM on an annual basis.
- c. Kellerman-Waldo shall require all Covered Persons to immediately disclose any debarment, exclusion, or suspension.

Kellerman-Waldo shall maintain documentation demonstrating that Kellerman-Waldo: (1) has checked the Exclusion Lists (e.g., print screens from search results) and determined that such individuals or entities are not Ineligible Persons; and (2) has

required individuals and entities to disclose if they are an Ineligible Person (e.g., employment applications).

Nothing in this Section affects Kellerman-Waldo's responsibility to refrain from (and liability for) billing Federal health care programs for items or services furnished, ordered, or prescribed by excluded persons. Kellerman-Waldo understands that items or services furnished by excluded persons are not payable by Federal health care programs and that Kellerman-Waldo may be liable for overpayments and/or criminal, civil, and administrative sanctions for employing or contracting with an excluded person regardless of whether Kellerman-Waldo meets the requirements of Section III.D.

3. *Removal Requirement.* If Kellerman-Waldo has actual notice that a Covered Person has become an Ineligible Person, Kellerman-Waldo shall remove such Covered Person from responsibility for, or involvement with, Kellerman-Waldo's business operations related to the Federal health care programs and shall remove such Covered Person from any position for which the Covered Person's compensation or the items or services furnished, ordered, or prescribed by the Covered Person are paid in whole or part, directly or indirectly, by Federal health care programs or otherwise with Federal funds at least until such time as the Covered Person is reinstated into participation in the Federal health care programs.

4. *Pending Charges and Proposed Exclusions.* If Kellerman-Waldo has actual notice that a Covered Person is charged with a criminal offense that falls within the scope of 42 U.S.C. §§ 1320a-7(a), 1320a-7(b)(1)-(3), or is proposed for exclusion during the Covered Person's employment or contract term, Kellerman-Waldo shall take all appropriate actions to ensure that the responsibilities of that Covered Person have not and shall not adversely affect the quality of care rendered to any beneficiary or the accuracy of any claims submitted to any Federal health care program.

E. Notification of Government Investigation or Legal Proceeding

Within 30 days after discovery, Kellerman-Waldo shall notify OIG, in writing, of any ongoing investigation or legal proceeding known to Kellerman-Waldo conducted or brought by a governmental entity or its agents involving an allegation that Kellerman-Waldo has committed a crime or has engaged in fraudulent activities. This notification shall include a description of the allegation, the identity of the investigating or prosecuting agency, and the status of such investigation or legal proceeding. Kellerman-

Waldo shall also provide written notice to OIG within 30 days after the resolution of the matter, and shall provide OIG with a description of the findings and/or results of the proceedings, if any.

F. Overpayments

1. *Definition of Overpayments.* For purposes of this IA, an “Overpayment” shall mean the amount of money Kellerman-Waldo, or any of them, has received in excess of the amount due and payable under any Federal health care program requirements.

2. *Reporting of Overpayments.* If, at any time, Kellerman-Waldo, or any of them, identifies any Overpayment, Kellerman-Waldo shall repay the Overpayment to the appropriate payor (e.g., Medicare contractor) within 60 days after identification of the Overpayment and take steps to correct the problem and prevent the Overpayment from recurring within 90 days after identification (or such additional time as may be agreed to by the payor). If not yet quantified within 60 days after identification, Kellerman-Waldo shall notify the payor at that time of its efforts to quantify the Overpayment amount and provide a schedule of when such work is expected to be completed. Kellerman-Waldo should follow the payor’s policies regarding the form of notification and the repayment process for any Overpayment refunds. Any questions regarding the repayment process should be directed to the payor.

G. Reportable Events

1. *Definition of Reportable Event.* For purposes of this IA, a “Reportable Event” means anything that involves:

- a. a substantial Overpayment;
- b. a matter that a reasonable person would consider a probable violation of criminal, civil, or administrative laws applicable to any Federal health care program for which penalties or exclusion may be authorized;
- c. the employment of or contracting with a Covered Person who is an Ineligible Person as defined by Section III.D.1.a; or

- d. the filing of a bankruptcy petition by Kellerman-Waldo.

A Reportable Event may be the result of an isolated event or a series of occurrences.

2. *Reporting of Reportable Events.* If Kellerman-Waldo, or any of them, determines (after a reasonable opportunity to conduct an appropriate review or investigation of the allegations) through any means that there is a Reportable Event, Kellerman-Waldo shall notify OIG, in writing, within 30 days after making the determination that the Reportable Event exists.

3. *Reportable Events under Section III.G.1.a.* For Reportable Events under Section III.G.1.a, the report to OIG shall be made within 30 days after making the determination that a substantial Overpayment exists, and shall include:

- a. a complete description of all details relevant to the Reportable Event, including, at minimum, the types of claims, transactions or other conduct giving rise to the Reportable Event; the period during which the conduct occurred; and the names of entities and individuals believed to be implicated, including an explanation of their roles in the Reportable Event;
- b. the Federal health care programs affected by the Reportable Event;
- c. a description of the steps taken by Kellerman-Waldo to identify and quantify the Overpayment; and
- d. a description of Kellerman-Waldo's actions taken to correct the Reportable Event and prevent it from recurring.

Within 60 days of identification of the Overpayment, Kellerman-Waldo shall send to OIG a copy of the notification and repayment (if quantified) to the payor required by Section III.F.2.

4. *Reportable Events under Section III.G.1.b.* For Reportable Events under Section III.G.1.b, the report to the OIG shall include:

- a. a complete description of all details relevant to the Reportable Event, including, at minimum, the types of claims, transactions or other conduct giving rise to the Reportable Event; the period during which the conduct occurred; and the names of entities and individuals believed to be implicated, including an explanation of their roles in the Reportable Event;
- b. a statement of the Federal criminal, civil or administrative laws that are probably violated by the Reportable Event;
- c. the Federal health care programs affected by the Reportable Event;
- d. a description of Kellerman-Waldo's actions taken to correct the Reportable Event and prevent it from recurring; and
- e. if the Reportable Event has resulted in an Overpayment, a description of the steps taken by Kellerman-Waldo to identify and quantify the Overpayment.

5. *Reportable Events under Section III.G.1.c.* For Reportable Events under Section III.G.1.c, the report to OIG shall include:

- a. the identity of the Ineligible Person and the job duties performed by that individual;
- b. the dates of the Ineligible Persons employment or contractual relationship;
- c. a description of the Exclusion Lists screening that Kellerman-Waldo completed before and/or during the Ineligible Person's employment or contract and any flaw or breakdown in the Ineligible Persons screening process that led to the hiring or

contracting with the Ineligible Person;

- d. a description of how the Reportable Event was discovered; and
- e. a description of any corrective action implemented to prevent future employment or contracting with an Ineligible Person.

6. *Reportable Events under Section III.G.1.d.* If the Reportable Event involves the filing of a bankruptcy petition, the report to the OIG shall include documentation of the bankruptcy filing and a description of any Federal health care program authorities implicated.

7. *Reportable Events Involving the Stark Law.* Notwithstanding the reporting requirements outlined above, any Reportable Event that involves solely a probable violation of section 1877 of the Social Security Act, 42 U.S.C. §1395nn (the Stark Law) should be submitted by Kellerman-Waldo to the Centers for Medicare & Medicaid Services (CMS) through the self-referral disclosure protocol (SRDP), with a copy to the OIG. The requirements of Section III.F.2 that require repayment to the payor of any identified Overpayment within 60 days shall not apply to any Overpayment that may result from a probable violation of solely the Stark Law that is disclosed to CMS pursuant to the SRDP. If Kellerman-Waldo, or any of them, identifies a probable violation of the Stark Law and repays the applicable Overpayment directly to the CMS contractor, then Kellerman-Waldo is not required by this Section III.F to submit the Reportable Event to CMS through the SRDP.

H. Third Party Billing

If, prior to the Effective Date or at any time during the term of this IA Kellerman-Waldo, or any of them, contracts with a third party billing company to submit claims to the Federal health care programs on behalf of Kellerman-Waldo, Kellerman-Waldo must certify to OIG that Kellerman-Waldo does not have an ownership or control interest (as defined in 42 U.S.C. § 1320a-3(a)(3)) in the third party billing company and is not employed by, and does not act as a consultant to, the third party billing company.

Kellerman-Waldo also shall obtain (as applicable) a certification from any third party billing company that the company: (i) has a policy of not employing any person

who is excluded, debarred, suspended or otherwise ineligible to participate in Medicare or other Federal health care programs to perform any duties related directly or indirectly to the preparation or submission of claims to Federal health care programs; (ii) screens its prospective and current employees against the HHS/OIG List of Excluded Individuals/Entities and the General Services Administration's System for Award Management; and (iii) provides training in the applicable requirements of the Federal health care programs to those employees involved in the preparation and submission of claims to Federal health care programs.

In addition, prior to Kellerman-Waldo becoming an employee or contractor with another party related to the furnishing of items or services that may be reimbursed by Federal health care programs, Kellerman-Waldo shall notify that party of this IA. This notification shall include a copy of the IA and a statement indicating the remaining term of the IA.  - c. screen Covered Persons in accordance with the requirements of Section III.D; or require Covered Persons to disclose if they are debarred, excluded, or suspended in accordance with the requirements of Section III.D; and maintain documentation of screening and disclosure requirements in accordance with the requirements of Section III.D;
 - d. notify OIG of a government investigation or legal proceeding, in accordance with the requirements of Section III.E;
 - e. repay any Overpayments as required by Section III.F and Appendix B;
 - f. report a Reportable Event in accordance with Section III.G.;

- g. disclose any changes to locations or business under Section IV; or
- h. provide to OIG the certifications required by Section III.H relating to any third party biller engaged by Kellerman-Waldo during the term of the IA.

2. A Stipulated Penalty of \$1,500 (which shall begin to accrue on the day after the date the obligation became due) for each day Kellerman-Waldo fails to engage and use an IRO, as required by Section III.C, Appendix A, or Appendix B.

3. A Stipulated Penalty of \$1,500 (which shall begin to accrue on the day after the date the obligation became due) for each day Kellerman-Waldo fails to submit the Implementation Report, any Quarterly Claims Review Report or any Annual Report to OIG in accordance with the requirements of Section V by the deadlines for submission.

4. A Stipulated Penalty of \$1,000 for each day Kellerman-Waldo fails to grant access as required in Section VII. (This Stipulated Penalty shall begin to accrue on the date Kellerman-Waldo fails to grant access.)

5. A Stipulated Penalty of \$50,000 for each false certification submitted by or on behalf of Kellerman-Waldo as part of the Implementation Report, any Annual Report, additional documentation to a report (as requested by OIG), or as otherwise required by this IA.

6. A Stipulated Penalty of \$1,000 for each day Kellerman-Waldo fails to comply fully and adequately with any obligation of this IA. OIG shall provide notice to Kellerman-Waldo stating the specific grounds for its determination that Kellerman-Waldo has failed to comply fully and adequately with the IA obligation(s) at issue and steps the Kellerman-Waldo shall take to comply with the IA. (This Stipulated Penalty shall begin to accrue 10 days after the date Kellerman-Waldo receives this notice from OIG of the failure to comply.) A Stipulated Penalty as described in this Subsection shall not be demanded for any violation for which OIG has sought a Stipulated Penalty under Subsections 1-5 of this Section.

B. Timely Written Requests for Extensions

Kellerman-Waldo may, in advance of the due date, submit a timely written request for an extension of time to perform any act or file any notification or report required by this IA. Notwithstanding any other provision in this Section, if OIG grants the timely written request with respect to an act, notification, or report, Stipulated Penalties for failure to perform the act or file the notification or report shall not begin to accrue until one day after Kellerman-Waldo fails to meet the revised deadline set by OIG. Notwithstanding any other provision in this Section, if OIG denies such a timely written request, Stipulated Penalties for failure to perform the act or file the notification or report shall not begin to accrue until three business days after Kellerman-Waldo receives OIG's written denial of such request or the original due date, whichever is later. A "timely written request" is defined as a request in writing received by OIG at least five days prior to the date by which any act is due to be performed or any notification or report is due to be filed.

C. Payment of Stipulated Penalties

1. *Demand Letter.* Upon a finding that Kellerman-Waldo has failed to comply with any of the obligations described in Section X.A and after determining that Stipulated Penalties are appropriate, OIG shall notify Kellerman-Waldo of: (a) Kellerman-Waldo's failure to comply; and (b) OIG's intent to exercise its contractual right to demand payment of the Stipulated Penalties. (This notification shall be referred to as the "Demand Letter.")

2. *Response to Demand Letter.* Within 10 days of the receipt of the Demand Letter, Kellerman-Waldo shall either: (a) cure the breach to OIG's satisfaction and pay the applicable Stipulated Penalties; or (b) send in writing to OIG a request for a hearing before an HHS administrative law judge (ALJ) to dispute OIG's determination of noncompliance, pursuant to the agreed upon provisions set forth below in Section X.E. In the event Kellerman-Waldo elects to request an ALJ hearing, the Stipulated Penalties shall continue to accrue until Kellerman-Waldo cures, to OIG's satisfaction, the alleged breach in dispute. Failure to respond to the Demand Letter in one of these two manners within the allowed time period shall be considered a material breach of this IA and shall be grounds for exclusion under Section X.D.

3. *Form of Payment.* Payment of the Stipulated Penalties shall be made by electronic funds transfer to an account specified by OIG in the Demand Letter.

4. *Independence from Material Breach Determination.* Except as set forth in Section X.D.1.c, these provisions for payment of Stipulated Penalties shall not affect or otherwise set a standard for OIG's decision that Kellerman-Waldo has materially breached this IA, which decision shall be made at OIG's discretion and shall be governed by the provisions in Section X.D, below.

D. Exclusion for Material Breach of this IA

1. *Definition of Material Breach.* A material breach of this IA means:

- a. a failure by Kellerman-Waldo to report a Reportable Event, take corrective action, or make the appropriate refunds, as required in Section III.G;
- b. repeated violations or a flagrant violation of any of the obligations under this IA, including, but not limited to, the obligations addressed in Section X.A;
- c. a failure to respond to a Demand Letter concerning the payment of Stipulated Penalties in accordance with Section X.C; or
- d. a failure to engage and use an IRO in accordance with Section III.C, Appendix A, or Appendix B.

2. *Notice of Material Breach and Intent to Exclude.* The parties agree that a material breach of this IA by Kellerman-Waldo constitutes an independent basis for Kellerman-Waldo's exclusion from participation in the Federal health care programs. The length of the exclusion shall be in the OIG's discretion, but not more than three years per material breach. Upon a determination by OIG that Kellerman-Waldo has materially breached this IA and that exclusion is the appropriate remedy, OIG shall notify Kellerman-Waldo of: (a) Kellerman-Waldo's material breach; and (b) OIG's intent to

exercise its contractual right to impose exclusion. (This notification shall be referred to as the “Notice of Material Breach and Intent to Exclude.”)

3. *Opportunity to Cure.* Kellerman-Waldo shall have 30 days from the date of receipt of the Notice of Material Breach and Intent to Exclude to demonstrate that:

- a. the alleged material breach has been cured; or
- b. the alleged material breach cannot be cured within the 30 day period, but that: (i) Kellerman-Waldo has begun to take action to cure the material breach; (ii) Kellerman-Waldo is pursuing such action with due diligence; and (iii) Kellerman-Waldo has provided to OIG a reasonable timetable for curing the material breach.

4. *Exclusion Letter.* If, at the conclusion of the 30 day period, Kellerman-Waldo fails to satisfy the requirements of Section X.D.3, OIG may exclude Kellerman-Waldo from participation in the Federal health care programs. OIG shall notify Kellerman-Waldo in writing of its determination to exclude Kellerman-Waldo. (This letter shall be referred to as the “Exclusion Letter.”) Subject to the Dispute Resolution provisions in Section X.E, below, the exclusion shall go into effect 30 days after the date of Kellerman-Waldo’s receipt of the Exclusion Letter. The exclusion shall have national effect. Reinstatement to program participation is not automatic. At the end of the period of exclusion, Kellerman-Waldo may apply for reinstatement, by submitting a written request for reinstatement in accordance with the provisions at 42 C.F.R. §§ 1001.3001-.3004.

E. Dispute Resolution

1. *Review Rights.* Upon OIG’s delivery to Kellerman-Waldo of its Demand Letter or of its Exclusion Letter, and as an agreed-upon contractual remedy for the resolution of disputes arising under this IA, Kellerman-Waldo shall be afforded certain review rights comparable to the ones that are provided in 42 U.S.C. § 1320a-7(f) and 42 C.F.R. Part 1005 as if they applied to the Stipulated Penalties or exclusion sought pursuant to this IA. Specifically, OIG’s determination to demand payment of Stipulated Penalties or to seek exclusion shall be subject to review by an HHS ALJ and, in the event

of an appeal, the HHS Departmental Appeals Board (DAB), in a manner consistent with the provisions in 42 C.F.R. § 1005.2-1005.21. Notwithstanding the language in 42 C.F.R. § 1005.2(c), the request for a hearing involving Stipulated Penalties shall be made within 10 days after the receipt of the Demand Letter and the request for a hearing involving exclusion shall be made within 25 days after receipt of the Exclusion Letter. The procedures relating to the filing of a request for a hearing can be found at <http://www.hhs.gov/dab/divisions/civil/procedures/divisionprocedures.html>.

2. *Stipulated Penalties Review.* Notwithstanding any provision of Title 42 of the United States Code or Title 42 of the Code of Federal Regulations, the only issues in a proceeding for Stipulated Penalties under this IA shall be: (a) whether Kellerman-Waldo was in full and timely compliance with the obligations of this IA for which OIG demands payment; and (b) the period of noncompliance. Kellerman-Waldo shall have the burden of proving its full and timely compliance and the steps taken to cure the noncompliance, if any. OIG shall not have the right to appeal to the DAB an adverse ALJ decision related to Stipulated Penalties. If the ALJ agrees with OIG with regard to a finding of a breach of this IA and orders Kellerman-Waldo to pay Stipulated Penalties, such Stipulated Penalties shall become due and payable 20 days after the ALJ issues such a decision unless Kellerman-Waldo requests review of the ALJ decision by the DAB. If the ALJ decision is properly appealed to the DAB and the DAB upholds the determination of OIG, the Stipulated Penalties shall become due and payable 20 days after the DAB issues its decision.

3. *Exclusion Review.* Notwithstanding any provision of Title 42 of the United States Code or Title 42 of the Code of Federal Regulations, the only issues in a proceeding for exclusion based on a material breach of this IA shall be whether Kellerman-Waldo was in material breach of this IA and, if so, whether:

- a. Kellerman-Waldo cured such breach within 30 days of its receipt of the Notice of Material Breach; or
- b. the alleged material breach could not have been cured within the 30 day period, but that, during the 30 day period following Kellerman-Waldo's receipt of the Notice of Material Breach: (i) Kellerman-Waldo had begun to take action to cure the material breach; (ii) Kellerman-Waldo pursued such action with due diligence; and (iii) Kellerman-

Waldo provided to OIG a reasonable timetable for curing the material breach.

For purposes of the exclusion herein, exclusion shall take effect only after an ALJ decision favorable to OIG, or, if the ALJ rules for Kellerman-Waldo, only after a DAB decision in favor of OIG. Kellerman-Waldo's election of its contractual right to appeal to the DAB shall not abrogate OIG's authority to exclude Kellerman-Waldo upon the issuance of an ALJ's decision in favor of OIG. If the ALJ sustains the determination of OIG and determines that exclusion is authorized, such exclusion shall take effect 20 days after the ALJ issues such a decision, notwithstanding that Kellerman-Waldo may request review of the ALJ decision by the DAB. If the DAB finds in favor of OIG after an ALJ decision adverse to OIG, the exclusion shall take effect 20 days after the DAB decision. Kellerman-Waldo shall waive his/their right to any notice of such an exclusion if a decision upholding the exclusion is rendered by the ALJ or DAB. If the DAB finds in favor of Kellerman-Waldo, Kellerman-Waldo shall be reinstated effective the date of the original exclusion.

4. *Finality of Decision.* The review by an ALJ or DAB provided for above shall not be considered to be an appeal right arising under any statutes or regulations. Consequently, the parties to this IA agree that the DAB's decision (or the ALJ's decision if not appealed) shall be considered final for all purposes under this IA.

XI. EFFECTIVE AND BINDING AGREEMENT

Kellerman-Waldo and OIG agree as follows:

A. This IA shall become final and binding on the date the final signature is obtained on the IA.

B. This IA constitutes the complete agreement between the parties and may not be amended except by written consent of the parties to this IA.

C. OIG may agree to a suspension of Kellerman-Waldo's obligations under this IA based on a certification by Kellerman-Waldo that he/they are no longer providing health care items or services that will be billed to any Federal health care programs and he/they do not have any ownership or control interest, as defined in 42 U.S.C. §1320a-3, in any entity that bills any Federal health care program. If Kellerman-Waldo is relieved

of his/their IA obligations, Kellerman-Waldo shall be required to notify OIG in writing at least 30 days in advance if Kellerman-Waldo plans to resume providing health care items or services that are billed to any Federal health care program or to obtain an ownership or control interest in any entity that bills any Federal health care program. At such time, the OIG shall evaluate whether the IA will be reactivated or modified.

D. All requirements and remedies set forth in this IA are in addition to and do not affect: (1) Kellerman-Waldo's responsibility to follow all applicable Federal health care program requirements or (2) the government's right to impose appropriate remedies for failure to follow applicable Federal health care program requirements.

E. The undersigned Kellerman-Waldo signatories represent and warrant that they are authorized to execute this IA. The undersigned OIG signatories represent that they are signing this IA in their official capacity and that they are authorized to execute this IA.

F. This IA may be executed in counterparts, each of which constitutes an original and all of which constitute one and the same IA. Facsimiles of signatures shall constitute acceptable, binding signatures for purposes of this IA.

APPENDIX A

INDEPENDENT REVIEW ORGANIZATION

This Appendix contains the requirements relating to the Independent Review Organization (IRO) required by Section III.C of the IA.

A. IRO Engagement

1. Kellerman-Waldo shall engage an IRO that possesses the qualifications set forth in Paragraph B, below, to perform the responsibilities in Paragraph C, below. The IRO shall conduct the review in a professionally independent and objective fashion, as set forth in Paragraph D. Within 30 days after OIG receives the information identified in Section V.A.3 of the IA or any additional information submitted by Kellerman-Waldo in response to a request by OIG, whichever is later, OIG will notify Kellerman-Waldo if the IRO is unacceptable. Absent notification from OIG that the IRO is unacceptable, Kellerman-Waldo may continue to engage the IRO.

2. If Kellerman-Waldo engages a new IRO during the term of the IA, that IRO must also meet the requirements of this Appendix. If a new IRO is engaged, Kellerman-Waldo shall submit the information identified in Section V.A.3 of the IA to OIG within 30 days of engagement of the IRO. Within 30 days after OIG receives this information, or any additional information submitted by Kellerman-Waldo at the request of OIG, whichever is later, OIG will notify Kellerman-Waldo if the IRO is unacceptable. Absent notification from OIG that the IRO is unacceptable, Kellerman-Waldo may continue to engage the IRO.

B. IRO Qualifications

The IRO shall:

1. assign individuals to conduct the Claims Review who have expertise in the billing, coding, claims submission and other applicable Medicare and state Medicaid program requirements;

2. assign individuals to design and select the Claims Review sample who are knowledgeable about the appropriate statistical sampling techniques;

3. assign individuals to conduct the coding review portions of the Claims Review who have a nationally recognized coding certification and who have maintained this certification (e.g., completed applicable continuing education requirements); and

4. have sufficient staff and resources to conduct the reviews required by the IA on a timely basis.

C. IRO Responsibilities

The IRO shall:

1. perform each Claims Review in accordance with the specific requirements of the IA;

2. follow all applicable Medicare and state Medicaid program rules and reimbursement guidelines in making assessments in the Claims Review;

3. request clarification from the appropriate authority (e.g., Medicare contractor), if in doubt of the application of a particular Medicare or state Medicaid program policy or regulation;

4. respond to all OIG inquiries in a prompt, objective, and factual manner; and

5. prepare timely, clear, well-written reports that include all the information required by Appendix B to the IA.

D. IRO Independence and Objectivity

The IRO must perform the Claims Review in a professionally independent and objective fashion, as defined in the most recent Government Auditing Standards issued by the U.S. Government Accountability Office.

E. IRO Removal/Termination

1. *Kellerman-Waldo and IRO.* If Kellerman-Waldo terminates its IRO or if the IRO withdraws from the engagement during the term of the IA, Kellerman-Waldo must submit a notice explaining (a) its reasons for termination of the IRO or (b) the IRO's reasons for its withdrawal to OIG no later than 30 days after termination or withdrawal. Kellerman-Waldo must engage a new IRO in accordance with Paragraph A of this Appendix and within 60 days of termination or withdrawal of the IRO.

2. *OIG Removal of IRO.* In the event OIG has reason to believe the IRO does not possess the qualifications described in Paragraph B, is not independent and objective as set forth in Paragraph D, or has failed to carry out its responsibilities as described in Paragraph C, OIG shall notify Kellerman-Waldo in writing regarding OIG's basis for determining that the IRO has not met the requirements of this Appendix. Kellerman-Waldo shall have 30 days from the date of OIG's written notice to provide information

regarding the IRO's qualifications, independence or performance of its responsibilities in order to resolve the concerns identified by OIG. If, following OIG's review of any information provided by Kellerman-Waldo regarding its IRO, OIG determines that the IRO has not met the requirements of this Appendix, OIG shall notify Kellerman-Waldo in writing that Kellerman-Waldo shall be required to engage a new IRO in accordance with Paragraph A of this Appendix. Kellerman-Waldo must engage a new IRO within 60 days of receipt of OIG's written notice. The final determination as to whether or not to require Kellerman-Waldo to engage a new IRO shall be made at the sole discretion of OIG.

APPENDIX B

CLAIMS REVIEW

A. Quarterly Claims Review. The IRO shall conduct a review of Kellerman-Waldo's coding, billing, and claims submission to the Federal health care programs, and the reimbursement received, for each three-month period during the term of this IA (Quarterly Claims Review) and prepare a report for each Quarterly Claims Review performed. The first three-month period shall begin 30 days following the Effective Date of this IA.

1. *Definitions*. For the purposes of this Appendix B, the following definitions shall be used:

- a. Overpayment: The amount of money Kellerman-Waldo has received in excess of the amount due and payable under Medicare or any state Medicaid program requirements, as determined by the IRO in connection with the claims reviews performed under this Appendix B, including any extrapolated Overpayments determined in accordance with Section A.3 of this Appendix B.
- b. Paid Claim: A claim submitted by Kellerman-Waldo and for which Kellerman-Waldo has received reimbursement from the Medicare program or a state Medicaid program.
- c. Population: The Population shall be defined as all Paid Claims during the three-month period covered by the Quarterly Claims Review.
- d. Error Rate: The Error Rate shall be the percentage of net Overpayments identified in the sample. The net Overpayments shall be calculated by subtracting all underpayments identified in the sample from all gross Overpayments identified in the sample.

The Error Rate is calculated by dividing the net Overpayment identified in the sample by the total dollar amount associated with the Paid Claims in the sample.

2. *Quarterly Claims Sample.*

- a. Within 15 days following the end of each three-month period during the term of the IA, the IRO shall randomly select a sample of 30 Paid Claims submitted by or on behalf of Kellerman-Waldo during the preceding three-month period (Quarterly Claims Sample). The sample must be selected through the use of OIG's Office of Audit Services' Statistical Sampling Software, also known as RAT-STATS, which is currently available at <https://oig.hhs.gov/compliance/rat-stats/index.asp>.
- b. Kellerman-Waldo shall provide the IRO with a list of all Kellerman-Waldo's Paid Claims for the three-month period covered by the Quarterly Claims Sample. The IRO should number each Paid Claim in the Population sequentially prior to generating the random numbers used to select the Quarterly Claims Sample. The IRO should generate 30 random numbers using RAT-STATS and then use the random numbers to identify the 30 Paid Claims in the Population that will be subject to review by the IRO.
- c. The randomly selected 30 Paid Claims shall be reviewed by the IRO based on the supporting documentation available at Kellerman-Waldo's office or under Kellerman-Waldo's control and applicable billing and coding regulations and guidance to determine whether each claim was correctly coded, submitted, and reimbursed.
- d. The IRO shall prepare a written report of its findings from the Quarterly Claims Sample, as described in Section C below (Quarterly Claims Review Report). The Quarterly Claims Review Report shall be submitted to the OIG within 60 days following the end of the three-month period covered by each Quarterly Claims Review.
- e. If the Error Rate (as defined above) for the Quarterly Claims Sample is less than 5%, no additional sampling or extrapolation is required. However, Kellerman-Waldo should, as appropriate, further analyze any errors identified in the Quarterly Claims Sample and must refund any Overpayments identified in the Quarterly Claims Sample, as provided in Section E below.

3. *Additional Steps if Error Rate is 5% or Greater.*

- a. If the Error Rate (as defined above) for any Quarterly Claims Review performed is 5% or greater, the IRO shall estimate the actual Overpayment in the Population for that three-month period by identifying the point estimate. To identify the point estimate, the IRO shall extrapolate the Error Rate as determined in the Quarterly Claims Sample to the Population for the applicable Quarterly Claims Review.
- b. Kellerman-Waldo shall be required to repay the point estimate of the extrapolated Overpayment in accordance with Section E, below. OIG, in its sole discretion, may refer the findings of the Quarterly Claims Sample (and any related workpapers) to the appropriate Federal health care program payor for appropriate follow-up by that payor.
- c. The Quarterly Claims Review Report prepared by the IRO shall indicate the extrapolated Overpayment amount and the methodology used by the IRO to determine the extrapolated Overpayment amount.

C. Claims Review Report. The IRO shall prepare a Claims Review Report for each Quarterly Claims Review performed (Quarterly Claims Review Report). The following information shall be included in each Quarterly Claims Review Report.

1. *Claims Review Methodology.*

- a. Claims Review Population. A description of the Population subject to the Quarterly Claims Review.
- b. Source of Data. A description of the specific documentation relied upon by the IRO when performing the Quarterly Claims Review (e.g., medical records, physician orders, certificates of medical necessity, requisition forms, local medical review policies (including title and policy number), CMS program memoranda (including title and issuance number), Medicare contractor manual or bulletins (including issue and date), other policies, regulations, or directives).
- c. Review Protocol. A narrative description of how the Quarterly Claims Review was conducted and what was evaluated.

- d. Supplemental Materials. The IRO shall request all documentation and materials required for its review of the Paid Claims selected as part of each Quarterly Claims Sample and Kellerman-Waldo shall furnish such documentation and materials to the IRO, prior to the IRO initiating its review of the Quarterly Claims Sample. If the IRO accepts any supplemental documentation or materials from Kellerman-Waldo after the IRO has completed its initial review of the Quarterly Claims Sample (Supplemental Materials), the IRO shall identify in the Quarterly Claims Review Report the Supplemental Materials, the date the Supplemental Materials were accepted, and the relative weight the IRO gave to the Supplemental Materials in its review. In addition, the IRO shall include a narrative in the Quarterly Claims Review Report describing the process by which the Supplemental Materials were accepted and the IRO's reasons for accepting the Supplemental Materials.

2. *Statistical Sampling Documentation*. A copy of the printout of the random numbers generated by the "Random Numbers" function of RAT-STATS used by the IRO to select the Quarterly Claims Sample.

3. *Claims Review Findings*.

a. Narrative Results.

- i. For the first Quarterly Claims Review Report only, a description of Kellerman-Waldo's billing and coding system(s), including the identification, by position description, of the personnel involved in coding and billing. Subsequent Quarterly Claims Review Reports should describe any significant changes to Kellerman-Waldo's billing and coding system or, if no significant changes were made, state that the billing and coding systems remain the same as described in the prior Quarterly Claims Review Report.
- ii. A narrative explanation of the results of the Quarterly Claims Sample, including reasons for errors, patterns noted, etc.

- b. Quantitative Results.
- i. Total number and percentage of instances in which the IRO determined that the Paid Claims submitted by Kellerman-Waldo (Claim Submitted) differed from what should have been the correct claim (Correct Claim), regardless of the effect on the payment.
 - ii. Total number and percentage of instances in which the Claim Submitted differed from the Correct Claim and in which such difference resulted in an Overpayment to Kellerman-Waldo.
 - iii. Total dollar amount of all Overpayments in the sample.
 - iv. Total dollar amount of Paid Claims included in the sample and the net Overpayment associated with the sample.
 - v. Error Rate in the sample.
 - vi. A spreadsheet of the Quarterly Claims Sample results that includes the following information for each Paid Claim: Federal health care program billed, beneficiary health insurance claim number, date of service, procedure code submitted, procedure code reimbursed, allowed amount reimbursed by payor, correct procedure code (as determined by the IRO), correct allowed amount (as determined by the IRO), dollar difference between allowed amount reimbursed by payor and the correct allowed amount.
- c. Recommendations. The IRO's report shall include any recommendations for improvements to Kellerman-Waldo's billing and coding system based on the findings of the Quarterly Claims Review.
- d. Credentials. The names and credentials of the individuals who: (1) designed the review methodology utilized for the Quarterly Claims Review and (2) performed the Quarterly Claims Review.

D. Other Requirements. The following requirements apply to any Quarterly Claims Review performed pursuant to this Appendix B.

1. *Paid Claims without Supporting Documentation.* Any Paid Claim for which Kellerman-Waldo cannot produce documentation sufficient to support the Paid Claim shall be considered an error and the total reimbursement received by Kellerman-Waldo for such Paid Claim shall be deemed an Overpayment. Replacement sampling for Paid Claims with missing documentation is not permitted.

2. *Use of First Samples Drawn.* For the purposes of all samples discussed in this Appendix, the Paid Claims selected in each first sample shall be used (*i.e.*, it is not permissible to generate more than one list of random samples and then select one for use with the sample).

E. Repayment of Identified Overpayments. Kellerman-Waldo shall repay within 60 days any Overpayment(s) identified in each Quarterly Claims Sample (including any extrapolated amounts identified in accordance with Section A.3 of this Appendix), regardless of the Error Rate, to the appropriate payor and in accordance with payor refund policies. Kellerman-Waldo shall make available to OIG all documentation that reflects the refund of the Overpayment(s) to the payor.
