a. an “Ineligible Person” shall include an individual or entity who:

i. is currently excluded from participation in any Federal health care program; or

ii. has been convicted of (a) a criminal offense that is related to the delivery of an item or service under Medicare or any state health care program; (b) a criminal offense relating to neglect or abuse of patients; (c) a felony criminal offense relating to fraud, theft, embezzlement, breach of fiduciary responsibility, or other financial misconduct in connection with the delivery of a health care item or service or with respect to a government funded health care program (other than Medicare or a state health care program); or (d) a felony criminal offense relating to the unlawful manufacture, distribution, prescription or dispensing of a controlled substance, but has not yet been excluded, debarred, suspended, or otherwise declared ineligible.

2. Screening Requirements. Norman shall ensure that all prospective and current Covered Persons are not Ineligible Persons, by implementing the following screening requirements.

a. Norman shall screen all prospective Covered Persons against the Exclusion List prior to engaging their services and, as part of the hiring or contracting process, shall require such Covered Persons to disclose whether they are Ineligible Persons.
b. Norman shall screen all current Covered Persons against the Exclusion List within 30 days after the Effective Date and on a monthly basis thereafter.

c. Norman shall require all Covered Persons to immediately disclose immediately if they become an Ineligible Person.

Norman shall maintain documentation demonstrating that Norman: (1) has checked the Exclusion List (e.g., print screens from search results) and determined that its Covered Persons are not Ineligible Persons; and (2) has required its Covered Persons to disclose if they are an Ineligible Person.

Nothing in this Section III.F affects Norman’s responsibility to refrain from (and liability for) billing Federal health care programs for items or services furnished, ordered, or prescribed by an excluded person. Norman understands that items or services furnished by excluded persons are not payable by Federal health care programs and that Norman may be liable for overpayments and/or criminal, civil, and administrative sanctions for employing or contracting with an excluded person regardless of whether Norman meets the requirements of Section III.F.

3. **Removal Requirement.** If Norman has actual notice that a Covered Person has become an Ineligible Person, Norman shall remove such Covered Person from responsibility for, or involvement with, Norman’s business operations related to the Federal health care program(s) from which such Covered Person has been excluded and shall remove such Covered Person from any position for which the Covered Person’s compensation or the items or services furnished, ordered, or prescribed by the Covered Person are paid in whole or part, directly or indirectly, by any Federal health care program(s) from which the Covered Person has been excluded at least until such time as the Covered Person is reinstated into participation in such Federal health care program(s).

4. **Pending Charges and Proposed Exclusions.** If Norman has actual notice that a Covered Person is charged with a criminal offense that falls within the scope of 42 U.S.C. §§ 1320a-7(a), 1320a-7(b)(1)-(3), or is proposed for exclusion during the Covered Person’s employment or contract term, Norman shall take all appropriate actions to ensure that the responsibilities of that Covered Person have not and shall not adversely affect the quality of care rendered to any beneficiary or the accuracy of any claims submitted to any Federal health care program.

to any Federal health care program for which penalties or exclusion may be authorized;

c. the employment of or contracting with a Covered Person who is an Ineligible Person as defined by Section III.F.1.a; or

d. the filing of a bankruptcy petition by Norman.

A Reportable Event may be the result of an isolated event or a series of occurrences.

2. **Reporting of Reportable Events.** If Norman determines (after a reasonable opportunity to conduct an appropriate review or investigation of the allegations) through any means that there is a Reportable Event, Norman shall notify OIG, in writing, within 30 days after making the determination that the Reportable Event exists.

3. **Reportable Events under Section III.I.1.a. and III.I.1.b.** For Reportable Events under Section III.I.1.a and b, the report to OIG shall include:

4. **Reportable Events under Section III.I.1.c.** For Reportable Events under Section III.I.1.c, the report to OIG shall include:

   a. the identity of the Ineligible Person and the job duties performed by that individual;
   
   b. the dates of the Ineligible Person’s employment or contractual relationship;
   
   c. a description of the Exclusion List screening that Norman completed before and/or during the Ineligible Person’s employment or contract and any flaw or breakdown in the screening process that led to the hiring or contracting with the Ineligible Person;
   
   d. a description of how the Ineligible Person was identified; and
   
   e. a description of any corrective action implemented to prevent future employment or contracting with an Ineligible Person.

5. **Reportable Events under Section III.I.1.d.** If the Reportable Event involves the filing of a bankruptcy petition, the report to the OIG shall include documentation of the bankruptcy filing and a description of any Federal health care program requirements implicated.

6. **Reportable Events Involving the Stark Law.** Notwithstanding the reporting requirements outlined above, any Reportable Event that involves solely a probable violation of section 1877 of the Social Security Act, 42 U.S.C. §1395nn (the Stark Law) should be submitted by Norman to CMS through the self-referral disclosure protocol (SRDP), with a copy to the OIG. If Norman identifies a probable violation of the Stark Law and repays the applicable Overpayment directly to the CMS contractor, then Norman is not required by this Section III.I to submit the Reportable Event to CMS through the SRDP.

   f. notify OIG of a government investigation or legal proceeding, in accordance with the requirements of Section III.G;
   
   g. establish policies and procedures regarding the repayment of Overpayments;
   
   h. repay any Overpayments as required by Section III.H and Appendix B;
   
   i. report a Reportable Event in accordance with Section III.I; or
   
   j. provide to OIG the certifications required by Section III.K relating to any third party biller engaged by Norman during the term of the IA.

2. A Stipulated Penalty of $1,500 (which shall begin to accrue on the day after the date the obligation became due) for each day Norman fails to engage and use an IRO, as required by Section III.E, Appendix A or Appendix B.

3. A Stipulated Penalty of $1,500 (which shall begin to accrue on the day after the date the obligation became due) for each day Norman fails to submit a complete Implementation Report, Annual Report, or any certification to OIG in accordance with the requirements of Section V by the deadlines for submission.

4. A Stipulated Penalty of $1,500 (which shall begin to accrue on the day after the date the obligation became due) for each day Norman fails to submit any Quarterly Claims Review Report in accordance with the requirements of Section III.D and Appendix B or fails to repay any Overpayment identified by the IRO, as required by Appendix B.

5. A Stipulated Penalty of $1,000 for each day Norman fails to grant access as required in Section VII. (This Stipulated Penalty shall begin to accrue on the date Norman fails to grant access.)

6. A Stipulated Penalty of $50,000 for each false certification submitted by or on behalf of Norman as part of its Implementation Report, any Annual Report, additional documentation to a report (as requested by OIG), or as otherwise required by this IA.

7. A Stipulated Penalty of $1,000 for each day Norman fails to grant the IRO access to all records and personnel necessary to complete the reviews listed in Section III.E, and for each day Norman fails to furnish complete and accurate records to the IRO, as required by Section III.E and Appendix A.

8. A Stipulated Penalty of $1,000 for each day Norman fails to comply fully and adequately with any obligation of this IA. OIG shall provide notice to Norman stating the specific grounds for its determination that Norman has failed to comply fully and adequately with the IA obligation(s) at issue and steps the Norman shall take to comply with the IA. (This Stipulated Penalty shall begin to accrue 10 days after the date Norman receives this notice from OIG of the failure to comply.) A Stipulated Penalty as described in this Subsection shall not be demanded for any violation for which OIG has sought a Stipulated Penalty under Subsections 1-7 of this Section.
B. **Timely Written Requests for Extensions**

Norman may, in advance of the due date, submit a timely written request for an extension of time to perform any act or file any notification or report required by this IA. Notwithstanding any other provision in this Section, if OIG grants the timely written request with respect to an act, notification, or report, Stipulated Penalties for failure to perform the act or file the notification or report shall not begin to accrue until one day after Norman fails to meet the revised deadline set by OIG. Notwithstanding any other provision in this Section, if OIG denies such a timely written request, Stipulated Penalties for failure to perform the act or file the notification or report shall not begin to accrue until three business days after Norman receives OIG’s written denial of such request or the original due date, whichever is later. A “timely written request” is defined as a request in writing received by OIG at least five days prior to the date by which any act is due to be performed or any notification or report is due to be filed.

C. **Payment of Stipulated Penalties**

1. **Demand Letter.** Upon a finding that Norman has failed to comply with any of the obligations described in Section X.A and after determining that Stipulated Penalties are appropriate, OIG shall notify Norman of: (a) Norman’s failure to comply; and (b) OIG’s exercise of its contractual right to demand payment of the Stipulated Penalties. (This notification shall be referred to as the “Demand Letter.”)

2. **Response to Demand Letter.** Within 10 days after the receipt of the Demand Letter, Norman shall either: (a) cure the breach to OIG’s satisfaction and pay the applicable Stipulated Penalties; or (b) request a hearing before an HHS administrative law judge (ALJ) to dispute OIG’s determination of noncompliance, pursuant to the agreed upon provisions set forth below in Section X.E. In the event Norman elects to request an ALJ hearing, the Stipulated Penalties shall continue to accrue until Norman cures, to OIG’s satisfaction, the alleged breach in dispute. Failure to respond to the Demand Letter in one of these two manners within the allowed time period shall be considered a material breach of this IA and shall be grounds for exclusion under Section X.D.

3. **Form of Payment.** Payment of the Stipulated Penalties shall be made by electronic funds transfer to an account specified by OIG in the Demand Letter.

4. **Independence from Material Breach Determination.** Except as set forth in Section X.D.1.c, these provisions for payment of Stipulated Penalties shall not affect or otherwise set a standard for OIG’s decision that Norman has materially breached Integrity Agreement

*Robert A. Norman, D.O., Carol Norman, Dermatology Healthcare, LLC, and Robert A. Norman, D.O., P.A.*
this IA, which decision shall be made at OIG’s discretion and shall be governed by the provisions in Section X.D, below.

D. **Exclusion for Material Breach of this IA**

1. **Definition of Material Breach.** A material breach of this IA means:
   
   a. a failure by Norman to report a Reportable Event, take corrective action, or make the appropriate refunds, as required in Section III.I;
   
   b. repeated violations or a flagrant violation of any of the obligations under this IA, including, but not limited to, the obligations addressed in Section X.A;
   
   c. a failure to respond to a Demand Letter concerning the payment of Stipulated Penalties in accordance with Section X.C; or
   
   d. a failure to engage and use an IRO in accordance with Section III.E, Appendix A, or Appendix B.

2. **Notice of Material Breach and Intent to Exclude.** The parties agree that a material breach of this IA by Norman constitutes an independent basis for Norman’s exclusion from participation in the Federal health care programs. The length of the exclusion shall be in the OIG’s discretion, but not more than three years per material breach. Upon a determination by OIG that Norman has materially breached this IA and that exclusion is the appropriate remedy, OIG shall notify Norman of: (a) Norman’s material breach; and (b) OIG’s intent to exercise its contractual right to impose exclusion. (This notification shall be referred to as the “Notice of Material Breach and Intent to Exclude.”)

3. **Opportunity to Cure.** Norman shall have 30 days from the date of receipt of the Notice of Material Breach and Intent to Exclude to demonstrate that:

   a. the alleged material breach has been cured; or

   b. the alleged material breach cannot be cured within the 30 day period, but that: (i) Norman has begun to take action to cure the material breach; (ii) Norman is pursuing such action with

4. **Exclusion Letter.** If, at the conclusion of the 30 day period, Norman fails to satisfy the requirements of Section X.D.3, OIG may exclude Norman from participation in the Federal health care programs. OIG shall notify Norman in writing of its determination to exclude Norman. (This letter shall be referred to as the “Exclusion Letter.”) Subject to the Dispute Resolution provisions in Section X.E, below, the exclusion shall go into effect 30 days after the date of Norman’s receipt of the Exclusion Letter. The exclusion shall have national effect. Reinstatement to program participation is not automatic. At the end of the period of exclusion, Norman may apply for reinstatement, by submitting a written request for reinstatement in accordance with the provisions at 42 C.F.R. §§ 1001.3001-.3004.

E. **Dispute Resolution**

1. **Review Rights.** Upon OIG’s delivery to Norman of its Demand Letter or of its Exclusion Letter, and as an agreed-upon contractual remedy for the resolution of disputes arising under this IA, Norman shall be afforded certain review rights comparable to the ones that are provided in 42 U.S.C. § 1320a-7(f) and 42 C.F.R. Part 1005 as if they applied to the Stipulated Penalties or exclusion sought pursuant to this IA. Specifically, OIG’s determination to demand payment of Stipulated Penalties or to seek exclusion shall be subject to review by an HHS ALJ and, in the event of an appeal, the HHS Departmental Appeals Board (DAB), in a manner consistent with the provisions in 42 C.F.R. § 1005.2-1005.21. Notwithstanding the language in 42 C.F.R. § 1005.2(c), the request for a hearing involving Stipulated Penalties shall be made within 10 days after receipt of the Demand Letter and the request for a hearing involving exclusion shall be made within 25 days after receipt of the Exclusion Letter. The procedures relating to the filing of a request for a hearing can be found at [http://www.hhs.gov/dab/divisions/civil/procedures/divisionprocedures.html](http://www.hhs.gov/dab/divisions/civil/procedures/divisionprocedures.html).

2. **Stipulated Penalties Review.** Notwithstanding any provision of Title 42 of the United States Code or Title 42 of the Code of Federal Regulations, the only issues in a proceeding for Stipulated Penalties under this IA shall be: (a) whether Norman was in full and timely compliance with the obligations of this IA for which OIG demands payment; and (b) the period of noncompliance. Norman shall have the burden of proving its full and timely compliance and the steps taken to cure the noncompliance, if any. OIG shall not have the right to appeal to the DAB an adverse ALJ decision related to Stipulated Penalties. If the ALJ agrees with OIG with regard to a finding of a breach of this IA and orders Norman to pay Stipulated Penalties, such Stipulated Penalties shall be paid into the United States Treasury.

**Integrity Agreement**

Robert A. Norman, D.O., Carol Norman, Dermatology Healthcare, LLC, and Robert A. Norman, D.O., P.A.
Penalties shall become due and payable 20 days after the ALJ issues such a decision unless Norman requests review of the ALJ decision by the DAB. If the ALJ decision is properly appealed to the DAB and the DAB upholds the determination of OIG, the Stipulated Penalties shall become due and payable 20 days after the DAB issues its decision.

3. **Exclusion Review.** Notwithstanding any provision of Title 42 of the United States Code or Title 42 of the Code of Federal Regulations, the only issues in a proceeding for exclusion based on a material breach of this IA shall be whether Norman was in material breach of this IA and, if so, whether:

a. Norman cured such breach within 30 days of its receipt of the Notice of Material Breach; or

b. the alleged material breach could not have been cured within the 30 day period, but that, during the 30 day period following Norman’s receipt of the Notice of Material Breach: (i) Norman had begun to take action to cure the material breach; (ii) Norman pursued such action with due diligence; and (iii) Norman provided to OIG a reasonable timetable for curing the material breach.

For purposes of the exclusion herein, exclusion shall take effect only after an ALJ decision favorable to OIG, or, if the ALJ rules for Norman, only after a DAB decision in favor of OIG. Norman’s election of its contractual right to appeal to the DAB shall not abrogate OIG’s authority to exclude Norman upon the issuance of an ALJ’s decision in favor of OIG. If the ALJ sustains the determination of OIG and determines that exclusion is authorized, such exclusion shall take effect 20 days after the ALJ issues such a decision, notwithstanding that Norman may request review of the ALJ decision by the DAB. If the DAB finds in favor of OIG after an ALJ decision adverse to OIG, the exclusion shall take effect 20 days after the DAB decision. Robert A. Norman, D.O., Carol Norman, Dermatology Healthcare, LLC, and Robert A. Norman, D.O., P.A. shall waive their right to any notice of such an exclusion if a decision upholding the exclusion is rendered by the ALJ or DAB. If the DAB finds in favor of Norman, Norman shall be reinstated effective on the date of the original exclusion.

4. **Finality of Decision.** The review by an ALJ or DAB provided for above shall not be considered to be an appeal right arising under any statutes or regulations. Consequently, the parties to this IA agree that the DAB’s decision (or the ALJ’s decision if not appealed) shall be considered final for all purposes under this IA.

XI. EFFECTIVE AND BINDING AGREEMENT

Norman and OIG agree as follows:

A. This IA shall become final and binding on the date the final signature is obtained on the IA.

B. This IA constitutes the complete agreement between the parties and may not be amended except by written consent of the parties to this IA.

C. OIG may agree to a suspension of Robert A. Norman, D.O.’s, Carol Norman’s, Dermatology Healthcare, LLC’s, and/or Robert A. Norman, D.O., P.A.’s obligations under this IA based on a certification by Robert A. Norman, D.O., Carol Norman, Dermatology Healthcare, LLC, and/or Robert A. Norman, D.O., P.A. that he/she/it is/are no longer providing health care items or services that will be billed to any Federal health care program and he/she/it do/does not have any ownership or control interest, as defined in 42 U.S.C. §1320a-3, in any entity that bills any Federal health care program. If Robert A. Norman, D.O., Carol Norman, Dermatology Healthcare, LLC, and/or Robert A. Norman, D.O., P.A. is relieved of his/her/its IA obligations, Robert A. Norman, D.O., Carol Norman, Dermatology Healthcare, LLC, and/or Robert A. Norman, D.O., P.A. shall be required to notify OIG in writing at least 30 days in advance if Robert A. Norman, D.O., Carol Norman, Dermatology Healthcare, LLC, and/or Robert A. Norman, D.O., P.A. plan(s) to resume providing health care items or services that are billed to any Federal health care program or to obtain an ownership or control interest in any entity that bills any Federal health care program. At such time, OIG shall evaluate whether the IA will be reactivated or modified.

D. All requirements and remedies set forth in this IA are in addition to and do not affect: (1) Norman’s responsibility to follow all applicable Federal health care program requirements or (2) the government’s right to impose appropriate remedies for failure to follow applicable Federal health care program requirements.

E. The undersigned Norman signatories represent and warrant that they are authorized to execute this IA. The undersigned OIG signatories represent that they are signing this IA in their official capacity and that they are authorized to execute this IA.

F. This IA may be executed in counterparts, each of which constitutes an original and all of which constitute one and the same IA. Electronically-transmitted copies of signatures shall constitute acceptable, binding signatures for purposes of this IA.

APPENDIX A

INDEPENDENT REVIEW ORGANIZATION

This Appendix contains the requirements relating to the Independent Review Organization (IRO) required by Section III.D of the IA.

A. IRO Engagement

1. Norman shall engage an IRO that possesses the qualifications set forth in Paragraph B, below, to perform the responsibilities in Paragraph C, below. The IRO shall conduct the review in a professionally independent and objective fashion, as set forth in Paragraph D. Within 30 days after OIG receives the information identified in Section V.A.4 of the IA or any additional information submitted by Norman in response to a request by OIG, whichever is later, OIG will notify Norman if the IRO is unacceptable. Absent notification from OIG that the IRO is unacceptable, Norman may continue to engage the IRO.

2. If Norman engages a new IRO during the term of the IA, that IRO must also meet the requirements of this Appendix. If a new IRO is engaged, Norman shall submit the information identified in Section V.A.4 of the IA to OIG within 30 days of engagement of the IRO. Within 30 days after OIG receives this information or any additional information submitted by Norman at the request of OIG, whichever is later, OIG will notify Norman if the IRO is unacceptable. Absent notification from OIG that the IRO is unacceptable, Norman may continue to engage the IRO.

B. IRO Qualifications

The IRO shall:

1. assign individuals to conduct the Quarterly Claims Review who have expertise in the billing, coding, claims submission and other applicable Medicare and state Medicaid program requirements;

2. assign individuals to design and select the Quarterly Claims Review sample who are knowledgeable about the appropriate statistical sampling techniques;

3. assign individuals to conduct the coding review portions of the Quarterly Claims Review who have a nationally recognized coding certification and who have

Integrity Agreement
Robert A. Norman, D.O., Carol Norman, Dermatology Healthcare, LLC, and Robert A. Norman, D.O., P.A.
maintained this certification (e.g., completed applicable continuing education requirements);

4. assign licensed nurses or physicians with relevant education, training and specialized expertise (or other licensed health care professionals acting within their scope of practice and specialized expertise) to make the medical necessity determinations required by the Quarterly Claims Review; and

5. have sufficient staff and resources to conduct the reviews required by the IA on a timely basis.

C. IRO Responsibilities

The IRO shall:

1. perform each Quarterly Claims Review in accordance with the specific requirements of the IA;

2. follow all applicable Medicare and state Medicaid program rules and reimbursement guidelines in making assessments in the Claims Review;

3. request clarification from the appropriate authority (e.g., Medicare contractor), if in doubt of the application of a particular Medicare or state Medicaid program policy or regulation;

4. respond to all OIG inquires in a prompt, objective, and factual manner; and

5. prepare timely, clear, well-written reports that include all the information required by Appendix B to the IA.

D. Norman Responsibilities

Norman shall ensure that the IRO has access to all records and personnel necessary to complete the reviews listed in Section III.E of this IA and that all records furnished to the IRO are accurate and complete.
E. **IRO Independence and Objectivity**

The IRO must perform the Quarterly Claims Review in a professionally independent and objective fashion, as defined in the most recent Government Auditing Standards issued by the U.S. Government Accountability Office.

F. **IRO Removal/Termination**

1. **Norman and IRO.** If Norman terminates its IRO or if the IRO withdraws from the engagement during the term of the IA, Norman must submit a notice explaining (a) its reasons for termination of the IRO or (b) the IRO’s reasons for its withdrawal to OIG, no later than 30 days after termination or withdrawal. Norman must engage a new IRO in accordance with Paragraph A of this Appendix and within 60 days of termination or withdrawal of the IRO.

2. **OIG Removal of IRO.** In the event OIG has reason to believe the IRO does not possess the qualifications described in Paragraph B, is not independent and objective as set forth in Paragraph D, or has failed to carry out its responsibilities as described in Paragraph C, OIG shall notify Norman in writing regarding OIG’s basis for determining that the IRO has not met the requirements of this Appendix. Norman shall have 30 days from the date of OIG’s written notice to provide information regarding the IRO’s qualifications, independence or performance of its responsibilities in order to resolve the concerns identified by OIG. If, following OIG’s review of any information provided by Norman regarding the IRO, OIG determines that the IRO has not met the requirements of this Appendix, OIG shall notify Norman in writing that Norman shall be required to engage a new IRO in accordance with Paragraph A of this Appendix. Norman must engage a new IRO within 60 days of its receipt of OIG’s written notice. The final determination as to whether or not to require Norman to engage a new IRO shall be made at the sole discretion of OIG.
APPENDIX B

QUARTERLY CLAIMS REVIEW

A. Quarterly Claims Review. The IRO shall conduct a review of Norman’s claims submitted to and reimbursed by the Medicare and Medicaid programs, to determine whether the items and services furnished were medically necessary, properly supervised, and appropriately documented, and whether the claims were correctly coded, billed, and reimbursed, for each three-month period during the term of this IA (Quarterly Claims Review) and prepare a report for each Quarterly Claims Review performed. The first three-month period shall begin 30 days following the Effective Date of this IA.

1. Definitions. For the purposes of this Appendix B, the following definitions shall be used:

   a. Overpayment: The amount of money Norman has received in excess of the amount due and payable under Medicare or any state Medicaid program requirements, as determined by the IRO in connection with the Claims Review performed under this Appendix B.

   b. Paid Claim: A claim submitted by Norman and for which Norman has received reimbursement from the Medicare program or a state Medicaid program.

   c. Population: The Population shall be defined as all Paid Claims during the three-month period covered by the Quarterly Claims Review.

2. Quarterly Claims Sample.

   a. Within 15 days following the end of each three-month period during the term of the IA, the IRO shall randomly select a sample of 30 Paid Claims submitted by or on behalf of Norman during the preceding three-month period (Quarterly Claims Sample). The sample must be selected through the use of OIG’s Office of Audit Services’ Statistical Sampling Software, also known as RAT-STATS, which is currently available at https://oig.hhs.gov/compliance/rat-stats/index.asp.

Integrity Agreement
Robert A. Norman, D.O., Carol Norman, Dermatology Healthcare, LLC, and Robert A. Norman, D.O., P.A.
b. Norman shall provide the IRO with a list of all Norman’s Paid Claims for the three-month period covered by the Quarterly Claims Sample. The IRO should number each Paid Claim in the Population sequentially prior to generating the random numbers used to select the Quarterly Claims Sample. The IRO should generate 30 random numbers using RAT-STATS and then use the random numbers to identify the 30 Paid Claims in the Population that will be subject to review by the IRO.

c. The randomly selected 30 Paid Claims shall be reviewed by the IRO based on the supporting documentation available at Norman’s office or under Norman’s control and applicable Medicare and state Medicaid program requirements to determine whether the items and services furnished were medically necessary, properly supervised, and appropriately documented, and whether the claim was correctly coded, submitted, and reimbursed.

d. The IRO shall prepare a written report of its findings from the Quarterly Claims Sample, as described in Section C below (Quarterly Claims Review Report). The Quarterly Claims Review Report shall be submitted to the OIG within 60 days following the end of the three-month period covered by each Quarterly Claims Review.

3. Repayment of Identified Overpayments. Norman shall repay within 60 days any Overpayments identified by the IRO in the Quarterly Claims Sample, in accordance with the requirements of 42 U.S.C. § 1320a-7k(d) and 42 C.F.R. §§ 401.301-305 (and any applicable CMS guidance) (the “CMS overpayment rule”). If Norman determines that the CMS overpayment rule requires that an extrapolated Overpayment be repaid, Norman shall repay that amount at the mean point estimate as calculated by the IRO. Norman shall make available to OIG all documentation that reflects the refund of the Overpayment(s) to the payor. OIG, in its sole discretion, may refer the findings of the Quarterly Claims Review Sample (and any related work papers) received from Norman to the appropriate Medicare or state Medicaid program contractor for appropriate follow up by that payor.

1. **Claims Review Methodology.**

   a. **Claims Review Population.** A description of the Population subject to the Quarterly Claims Review.

   b. **Source of Data.** A description of (1) the process used to identify claims in the Population, and (2) the specific documentation relied upon by the IRO when performing the Quarterly Claims Review (e.g., medical records, physician orders, certificates of medical necessity, requisition forms, local medical review policies (including title and policy number), CMS program memoranda (including title and issuance number), Medicare contractor manual or bulletins (including issue and date), other policies, regulations, or directives).

   c. **Review Protocol.** A narrative description of how the Quarterly Claims Review was conducted and what was evaluated.

   d. **Supplemental Materials.** The IRO shall request all documentation and materials required for its review of the Paid Claims in each Quarterly Claims Sample and Norman shall furnish such documentation and materials to the IRO, prior to the IRO initiating its review of the Quarterly Claims Sample. If the IRO accepts any supplemental documentation or materials from Norman after the IRO has completed its initial review of the Quarterly Claims Sample (Supplemental Materials), the IRO shall identify in the Quarterly Claims Review Report the Supplemental Materials, the date the Supplemental Materials were accepted, and the relative weight the IRO gave to the Supplemental Materials in its review. In addition, the IRO shall include a narrative in the Quarterly Claims Review Report describing the process by which the Supplemental Materials were accepted and the IRO’s reasons for accepting the Supplemental Materials.

2. **Statistical Sampling Documentation.** A copy of the printout of the random numbers generated by the “Random Numbers” function of RAT-STATS used by the IRO to select the Quarterly Claims Sample.
3. **Claims Review Findings.**

a. **Narrative Results.**

1. i. For the first Quarterly Claims Review Report only, a description of (a) Norman’s billing and coding system(s), including the identification, by position description, of the personnel involved in coding and billing, and (b) a description of controls in place to ensure that all items and services billed to Medicare or a state Medicaid program by Norman are medically necessary, properly supervised, and appropriately documented. Subsequent Quarterly Claims Review Reports should describe any significant changes to items (a) and (b) or, if no significant changes were made, state that the systems and controls remain the same as described in the prior Quarterly Claims Review Report.

   ii. A narrative explanation of the results of the Quarterly Claims Sample, including reasons for errors, patterns noted, etc.

b. **Quantitative Results.**

   i. Total number and percentage of instances in which the IRO determined that the coding of the Paid Claims submitted by Norman differed from what should have been the correct coding and in which such difference resulted in an Overpayment to Norman.

   ii. Total number and percentage of instances in which the IRO determined that a Paid Claim was not appropriately documented and in which such documentation errors resulted in an Overpayment to Norman.

   iii. Total number and percentage of instances in which the IRO determined that a Paid Claim was for items or services that were not medically necessary and resulted in an Overpayment to Norman.

   iv. Total number and percentage of instances in which the IRO determined that a Paid Claim was for items or services that

were not properly supervised and resulted in an Overpayment to Norman.

v. Total dollar amount of all Overpayments in the Quarterly Claims Review Sample.

vi. Total dollar amount of Paid Claims included in the Quarterly Claims Review Sample.

vi. Error Rate in the Quarterly Claims Review Sample. The Error Rate shall be calculated by dividing the Overpayment in the Quarterly Claims Review Sample by the total dollar amount associated with the Paid Claims in the Quarterly Claims Review Sample.

vii. An estimate of the actual Overpayment in the Population at the mean point estimate.

viii. A spreadsheet of the Quarterly Claims Sample results that includes the following information for each Paid Claim: Federal health care program billed, beneficiary health insurance claim number, date of service, procedure code submitted, procedure code reimbursed, allowed amount reimbursed by payor, correct procedure code (as determined by the IRO), correct allowed amount (as determined by the IRO), dollar difference between allowed amount reimbursed by payor and the correct allowed amount.

c. Recommendations. The IRO’s report shall include any recommendations for improvements to Norman’s billing and coding system or to Norman’s controls for ensuring that all items and services billed to Medicare or a state Medicaid program are medically necessary, properly supervised, and appropriately documented, based on the findings of the Quarterly Claims Review.

d. Credentials. The names and credentials of the individuals who: (1) designed the review methodology utilized for the Quarterly Claims Review and (2) performed the Quarterly Claims Review.
C. **Other Requirements.** The following requirements apply to any Quarterly Claims Review performed pursuant to this Appendix B.

1. **Paid Claims without Supporting Documentation.** Any Paid Claim for which Norman cannot produce documentation shall be considered an error and the total reimbursement received by Norman for such Paid Claim shall be deemed an Overpayment. Replacement sampling for Paid Claims with missing documentation is not permitted.

2. **Use of First Samples Drawn.** For the purposes of all samples discussed in this Appendix, the Paid Claims selected in each first sample shall be used (i.e., it is not permissible to generate more than one list of random samples and then select one for use with the sample).
