DEPARTMENT OF HEALTH AND HUMAN SERVICES
AND
TOCCOA CLINIC MEDICAL ASSOCIATES, LLP, MARGARET KOPCHICK, M.D., AND RUSSELL R. BURKEN, M.D.

I.  PREAMBLE

Toccoa Clinic Medical Associates, LLP, Margaret Kopchick, M.D. (Kopchick), and Russell R. Burken, M.D. (Burken) (collectively, “Toccoa”) hereby enter into this Corporate Integrity Agreement (CIA) with the Office of Inspector General (OIG) of the United States Department of Health and Human Services (HHS) to promote compliance with the statutes, regulations, and written directives of Medicare, Medicaid, and all other Federal health care programs (as defined in 42 U.S.C. § 1320a-7b(f)) (Federal health care program requirements). Contemporaneously with this CIA, Toccoa is entering into a Settlement Agreement with the United States.

II.  TERM AND SCOPE OF THE CIA

A. The period of the compliance obligations assumed by Toccoa under this CIA shall be five years from the effective date of this CIA. The “Effective Date” shall be the date on which the final signatory of this CIA executes this CIA. Each one-year period, beginning with the one-year period following the Effective Date, shall be referred to as a “Reporting Period.”

B. Sections VII, X, and XI shall expire no later than 120 days after OIG’s receipt of: (1) Toccoa’s final annual report; or (2) any additional materials submitted by Toccoa pursuant to OIG’s request, whichever is later.

C. The scope of this CIA shall be governed by the following definitions:

1. “Covered Persons” includes:

   a. all owners, officers, directors, and employees of Toccoa; and

   b. all contractors, subcontractors, agents, and other persons who furnish patient care items or services or who perform billing or coding functions on behalf of Toccoa, excluding vendors.
whose sole connection with Toccoa is selling or otherwise providing medical supplies or equipment to Toccoa.

Notwithstanding the above, this term does not include part-time or per diem employees, contractors, subcontractors, agents, and other persons who are not reasonably expected to work more than 160 hours during a Reporting Period, except that any such individuals shall become “Covered Persons” at the point when they work more than 160 hours during a Reporting Period.

III. CORPORATE INTEGRITY OBLIGATIONS

Toccoa shall establish and maintain a Compliance Program that includes the following elements:

A. Compliance Officer and Committee

1. Compliance Officer. Within 90 days after the Effective Date, Toccoa shall appoint a Compliance Officer and shall maintain a Compliance Officer for the term of the CIA. The Compliance Officer shall be an employee and a member of senior management of Toccoa, shall report directly to the Executive Committee of Toccoa, and shall not be subordinate to the General Counsel or Chief Financial Officer or have any responsibilities that involve acting in any capacity as legal counsel or supervising legal counsel functions for Toccoa. The Compliance Officer shall be responsible for, without limitation:

   a. developing and implementing policies, procedures, and practices designed to ensure compliance with the requirements set forth in this CIA and with Federal health care program requirements;

   b. making periodic (at least quarterly) reports regarding compliance matters directly to the Executive Committee of Toccoa, and shall be authorized to report on such matters to the Board of Directors at any time. Written documentation of the Compliance Officer’s reports to the Executive Committee and/or Board of Directors shall be made available to OIG upon request; and

   c. monitoring the day-to-day compliance activities engaged in by Toccoa as well as for any reporting obligations created under this CIA.
Any noncompliance job responsibilities of the Compliance Officer shall be limited and must not interfere with the Compliance Officer’s ability to perform the duties outlined in this CIA.

Toccoa shall report to OIG, in writing, any changes in the identity or position description of the Compliance Officer, or any actions or changes that would affect the Compliance Officer’s ability to perform the duties necessary to meet the obligations in this CIA, within five days after such a change.

2. **Compliance Committee.** Within 90 days after the Effective Date, Toccoa shall appoint a Compliance Committee. The Compliance Committee shall, at a minimum, include the Compliance Officer and other members of senior management necessary to meet the requirements of this CIA (e.g., senior executives of relevant departments, such as billing, clinical, human resources, audit, and operations). The Compliance Officer shall chair the Compliance Committee and the Committee shall support the Compliance Officer in fulfilling his/her responsibilities (e.g., shall assist in the analysis of Toccoa’s risk areas and shall oversee monitoring of internal and external audits and investigations). The Compliance Committee shall meet at least quarterly. The minutes of the Compliance Committee meetings shall be made available to OIG upon request.

Toccoa shall report to OIG, in writing, any changes in the composition of the Compliance Committee, or any actions or changes that would affect the Compliance Committee’s ability to perform the duties necessary to meet the obligations in this CIA, within 15 days after such a change.

3. **Executive Committee Compliance Obligations.** The Executive Committee of the Board of Directors of Toccoa shall be responsible for the review and oversight of matters related to compliance with Federal health care program requirements and the obligations of this CIA.

The Executive Committee shall, at a minimum, be responsible for the following:

a. meeting at least quarterly to review and oversee Toccoa’s compliance program, including but not limited to the performance of the Compliance Officer and Compliance Committee;

b. submitting to the OIG a description of the documents and other materials it reviewed, as well as any additional steps
taken, such as the engagement of an independent advisor or other third party resources, in its oversight of the compliance program and in support of making the resolution below during each Reporting Period; and

c. for each Reporting Period of the CIA, the entire Board of Directors of Toccoa shall adopt a resolution, signed by each member of the Board summarizing the Executive Committee’s review and oversight of Toccoa’s compliance with Federal health care program requirements and the obligations of this CIA.

At minimum, the resolution shall include the following language:

“The Board of Directors has made a reasonable inquiry into the operations of Toccoa’s Compliance Program including the performance of the Compliance Officer and the Compliance Committee. Based on its inquiry and review, the Board has concluded that, to the best of its knowledge, Toccoa has implemented an effective Compliance Program to meet Federal health care program requirements and the obligations of the CIA.”

If the Board is unable to provide such a conclusion in the resolution, the Board shall include in the resolution a written explanation of the reasons why it is unable to provide the conclusion and the steps it is taking to implement an effective Compliance Program at Toccoa.

Toccoa shall report to OIG, in writing, any changes in the composition of the Board, or any actions or changes that would affect the Board’s ability to perform the duties necessary to meet the obligations in this CIA, within 15 days after such a change.

4. Management Certifications. In addition to the responsibilities set forth in this CIA for all Covered Persons, certain Toccoa employees are specifically expected to monitor and oversee activities within their areas of authority and shall annually certify that the applicable Toccoa department is in compliance with applicable Federal health care program requirements and with the obligations of this CIA. My job responsibilities include ensuring compliance with regard to the [insert name of department] with all applicable Federal health care program requirements, obligations of the Corporate Integrity Agreement, and Toccoa policies, and I have taken steps to promote such compliance. To the best of my knowledge, the [insert name of department] of Toccoa is in compliance with all applicable Federal health care program requirements and the obligations of the Corporate Integrity Agreement. I understand that this certification is being provided to and relied upon by the United States.”

If any Certifying Employee is unable to provide such a certification, the Certifying Employee shall provide a written explanation of the reasons why he or she is unable to provide the certification outlined above.

B. Written Standards

1. Code of Conduct. Within 90 days after the Effective Date, Toccoa shall develop, implement, and distribute a written Code of Conduct to all Covered Persons. Toccoa shall make the performance of job responsibilities in a manner consistent with the Code of Conduct an element in evaluating the performance of all employees. The Code of Conduct shall, at a minimum, set forth:

   a. Toccoa’s commitment to full compliance with all Federal health care program requirements, including its commitment to prepare and submit accurate claims consistent with such requirements;

   b. Toccoa’s requirement that all of its Covered Persons shall be expected to comply with all Federal health care program requirements and with Toccoa’s policies and procedures;

nonretaliation and to maintain, as appropriate, confidentiality and anonymity with respect to such disclosures.

Toccoa shall review the Code of Conduct at least annually to determine if revisions are appropriate and shall make any necessary revisions based on such review. The Code of Conduct shall be distributed at least annually to all Covered Persons.

2. Policies and Procedures. Within 90 days after the Effective Date, Toccoa shall develop and implement written policies and procedures regarding the operation of its compliance program, including the compliance program requirements outlined in this CIA and Toccoa’s compliance with Federal health care program requirements (Policies and Procedures). Throughout the term of this CIA, Toccoa shall enforce and comply with its Policies and Procedures and shall make such compliance an element of evaluating the performance of all employees.

Within 90 days after the Effective Date, the Policies and Procedures shall be distributed to all Covered Persons. Appropriate and knowledgeable staff shall be available to explain the Policies and Procedures.

At least annually (and more frequently, if appropriate), Toccoa shall assess and update, as necessary, the Policies and Procedures. Within 30 days after the effective date of any revisions or addition of new Policies and Procedures, a description of the revisions shall be communicated to all affected Covered Persons and any revised or new Policies and Procedures shall be made available to all Covered Persons.

C. Training and Education

1. Training Plan. Within 90 days after the Effective Date, Toccoa shall develop a written plan (Training Plan) that outlines the steps Toccoa will take to ensure that: (a) all Covered Persons receive adequate training regarding Toccoa’s CIA requirements and Compliance Program, including the Code of Conduct and (b) all Relevant Covered Persons receive adequate training regarding: (i) the Federal health care program requirements regarding the accurate coding and submission of claims, including evaluation and management codes; (ii) policies, procedures, and other requirements applicable to the documentation of medical records; (iii) the personal obligation of each individual involved in the claims submission process to ensure that such claims are accurate; (iv) applicable reimbursement statutes, regulations, and program requirements and directives; (v) the legal sanctions for violations of the Federal health care program requirements; and (vi) examples of proper and improper claims submission practices.
The Training Plan shall include information regarding the training topics, the categories of Covered Persons and Relevant Covered Persons required to attend each training session, the length of the training, the schedule for training, and the format of the training. Within 30 days of the OIG’s receipt of Toccoa’s Training Plan, OIG will notify Toccoa of any comments or objections to the Training Plan. Absent notification by the OIG that the Training Plan is unacceptable, Toccoa may implement its Training Plan. Toccoa shall furnish training to its Covered Persons and Relevant Covered Persons pursuant to the Training Plan during each Reporting Period.

2. **Board Member Training.** Within 90 days after the Effective Date, Toccoa shall provide at least two hours of training to each member of the Board of Directors. This training shall address the Toccoa’s CIA requirements and Compliance Program (including the Code of Conduct), the corporate governance responsibilities of board members, and the responsibilities of board members with respect to review and oversight of the Compliance Program. Specifically, the training shall address the unique responsibilities of health care Board members, including the risks, oversight areas, and strategic approaches to conducting oversight of a health care entity. This training may be conducted by an outside compliance expert hired by the Board and should include a discussion of the OIG’s guidance on Board member responsibilities.

New members of the Board of Directors shall receive the Board Member Training described above within 30 days after becoming a member or within 90 days after the Effective Date, whichever is later.

3. **Certification.** Each individual who is required to attend training shall certify, in writing or in electronic form, that he or she has received the required training. The certification shall specify the type of training received and the date received. The Compliance Officer (or designee) shall retain the certifications, along with all course materials.

4. **Qualifications of Trainer.** Persons providing the training shall be knowledgeable about the subject area.

5. **Update of Training Plan.** Toccoa shall review the Training Plan annually, and, where appropriate, update the Training Plan to reflect changes in Federal health care program requirements, any issues discovered during internal audits or the Claims Review, and any other relevant information. Any updates to the Training Plan must be reviewed and approved by the OIG prior to the implementation of the revised Training Plan. Within 30 days of OIG’s receipt of any updates or revisions to Toccoa’s Training Plan, OIG will notify Toccoa of any comments or objections to the revised
Training Plan. Absent notification from the OIG that the revised Training Plan is unacceptable, Toccoa may implement the revised Training Plan.

6. **Computer-based Training.** Toccoa may provide the training required under this CIA through appropriate computer-based training approaches. If Toccoa chooses to provide computer-based training, it shall make available appropriately qualified and knowledgeable staff or trainers to answer questions or provide additional information to the individuals receiving such training.

D. **Review Procedures**

1. **General Description**

   a. *Engagement of Independent Review Organization.* Within 90 days after the Effective Date, Toccoa shall engage an entity (or entities), such as an accounting, auditing, or consulting firm (hereinafter “Independent Review Organization” or “IRO”), to perform the reviews listed in this Section III.D. The applicable requirements relating to the IRO are outlined in Appendix A to this CIA, which is incorporated by reference.

   b. *Retention of Records.* The IRO and Toccoa shall retain and make available to OIG, upon request, all work papers, supporting documentation, correspondence, and draft reports (those exchanged between the IRO and Toccoa) related to the reviews.

2. **Claims Review.** The IRO shall review Toccoa’s coding, billing, and claims submission to the Medicare and state Medicaid programs and the reimbursement received (Claims Review) and shall prepare a Claims Review Report, as outlined in Appendix B to this CIA, which is incorporated by reference.

3. **Validation Review.** In the event OIG has reason to believe that: (a) any Claims Review fails to conform to the requirements of this CIA; or (b) the IRO’s findings or Claims Review results are inaccurate, OIG may, at its sole discretion, conduct its own review to determine whether the Claims Review complied with the requirements of the CIA and/or the findings or Claims Review results are inaccurate (Validation Review). Toccoa shall pay for the reasonable cost of any such review performed by OIG or any of its designated agents. Any Validation Review of a Claims Review submitted as
part of Toccoa’s final Annual Report shall be initiated no later than one year after Toccoa’s final submission (as described in Section II) is received by OIG.

Prior to initiating a Validation Review, OIG shall notify Toccoa in writing of its intent to do so and provide an explanation of the reasons OIG has determined a Validation Review is necessary. Toccoa shall have 30 days following the date of the OIG’s written notice to submit a written response to OIG that includes any additional or relevant information to clarify the results of the Claims Review or to correct the inaccuracy of the Claims Review and/or propose alternatives to the proposed Validation Review. The final determination as to whether or not to proceed with a Validation Review shall be made at the sole discretion of OIG.

4. Independence and Objectivity Certification. The IRO shall include in its report(s) to Toccoa a certification that the IRO has (a) evaluated its professional independence and objectivity with respect to the reviews required under this Section III.D and (b) concluded that it is, in fact, independent and objective, in accordance with the requirements specified in Appendix A to this CIA.

E. Risk Assessment and Internal Review Process

Within 90 days after the Effective Date, Toccoa shall develop and implement a centralized annual risk assessment and internal review process to identify and address risks associated with the submission of claims for items and services furnished to Medicare and Medicaid program beneficiaries. The risk assessment and internal review process should require compliance, legal, and department leaders, at least annually, to: (1) identify and prioritize risks, (2) develop internal audit work plans related to the identified risk areas, (3) implement the internal audit work plans, (4) develop corrective action plans in response to the results of any internal audits performed, and (5) track the implementation of the corrective action plans in order to assess the effectiveness of such plans. Toccoa shall maintain the risk assessment and internal review process for the term of the CIA.

F. Disclosure Program

Within 90 days after the Effective Date, Toccoa shall establish a Disclosure Program that includes a mechanism (e.g., a toll-free compliance telephone line) to enable individuals to disclose, to the Compliance Officer or some other person who is not in the disclosing individual’s chain of command, any identified issues or questions associated with Toccoa’s policies, conduct, practices, or procedures with respect to a Federal health care program believed by the individual to be a potential violation of criminal, civil, or administrative law. Toccoa shall appropriately publicize the existence of the disclosure

_corporate Integrity Agreement_
mechanism (e.g., via periodic e-mails to employees or by posting the information in prominent common areas).

The Disclosure Program shall emphasize a nonretribution, nonretaliation policy, and shall include a reporting mechanism for anonymous communications for which appropriate confidentiality shall be maintained. Upon receipt of a disclosure, the Compliance Officer (or designee) shall gather all relevant information from the disclosing individual. The Compliance Officer (or designee) shall make a preliminary, good faith inquiry into the allegations set forth in every disclosure to ensure that he or she has obtained all of the information necessary to determine whether a further review should be conducted. For any disclosure that is sufficiently specific so that it reasonably: (1) permits a determination of the appropriateness of the alleged improper practice; and (2) provides an opportunity for taking corrective action, Toccoa shall conduct an internal review of the allegations set forth in the disclosure and ensure that proper follow-up is conducted.

The Compliance Officer (or designee) shall maintain a disclosure log and shall record each disclosure in the disclosure log within two business days of the Compliance Officer’s (or designee’s) receipt of the disclosure. The disclosure log shall include a summary of each disclosure received (whether anonymous or not), the status of the respective internal reviews, and any corrective action taken in response to the internal reviews.

G. Ineligible Persons

1. Definitions. For purposes of this CIA:

   a. an “Ineligible Person” shall include an individual or entity who:

   i. is currently excluded, debarred, or suspended from participation in the Federal health care programs or in Federal procurement or nonprocurement programs; or

i. the HHS/OIG List of Excluded Individuals/Entities (LEIE) (available through the Internet at [http://www.oig.hhs.gov]; and

ii. the General Services Administration’s System for Award Management (SAM) (available through the Internet at [http://www.sam.gov]).

2. Screening Requirements. Toccoa shall ensure that all prospective and current Covered Persons are not Ineligible Persons, by implementing the following screening requirements.

   a. Toccoa shall screen all prospective Covered Persons against the Exclusion Lists prior to engaging their services and, as part of the hiring or contracting process, shall require such Covered Persons to disclose whether they are Ineligible Persons.

   b. Toccoa shall screen all current Covered Persons against the Exclusion Lists within 90 days after the Effective Date and thereafter shall screen against the LEIE on a monthly basis and screen against SAM on an annual basis.

   c. Toccoa shall implement a policy requiring all Covered Persons to disclose immediately any debarment, exclusion, or suspension.

   Nothing in this Section III.G affects Toccoa’s responsibility to refrain from (and liability for) billing Federal health care programs for items or services furnished, ordered, or prescribed by an excluded person. Toccoa understands that items or services furnished, ordered, or prescribed by excluded persons are not payable by Federal health care programs and that Toccoa may be liable for overpayments and/or criminal, civil, and administrative sanctions for employing or contracting with an excluded person regardless of whether Toccoa meets the requirements of Section III.G.

3. Removal Requirement. If Toccoa has actual notice that a Covered Person has become an Ineligible Person, Toccoa shall remove such Covered Person from responsibility for, or involvement with, Toccoa’s business operations related to the Federal health care programs and shall remove such Covered Person from any position for which the Covered Person’s compensation or the items or services furnished, ordered, or prescribed by the Covered Person are paid in whole or part, directly or indirectly, by

Federal health care programs or otherwise with Federal funds at least until such time as the Covered Person is reinstated into participation in the Federal health care programs.

4. **Pending Charges and Proposed Exclusions.** If Toccoa has actual notice that a Covered Person is charged with a criminal offense that falls within the scope of 42 U.S.C. §§ 1320a-7(a), 1320a-7(b)(1)-(3), or is proposed for exclusion during the Covered Person’s employment or contract term or, Toccoa shall take all appropriate actions to ensure that the responsibilities of that Covered Person have not and shall not adversely affect the quality of care rendered to any beneficiary or the accuracy of any claims submitted to any Federal health care program.

H. **Notification of Government Investigation or Legal Proceeding**

Within 30 days after discovery, Toccoa shall notify OIG, in writing, of any ongoing investigation or legal proceeding known to Toccoa conducted or brought by a governmental entity or its agents involving an allegation that Toccoa has committed a crime or has engaged in fraudulent activities. This notification shall include a description of the allegation, the identity of the investigating or prosecuting agency, and the status of such investigation or legal proceeding. Toccoa shall also provide written notice to OIG within 30 days after the resolution of the matter, and shall provide OIG with a description of the findings and/or results of the investigation or proceeding, if any.

I. **Overpayments**

1. **Definition of Overpayments.** For purposes of this CIA, an “Overpayment” shall mean the amount of money Toccoa has received in excess of the amount due and payable under any Federal health care program requirements.

2. **Overpayment Policies and Procedures.** Within 90 days after the Effective Date, Toccoa shall develop and implement written policies and procedures regarding the identification, quantification and repayment of Overpayments received from any Federal health care program.

3. **Repayment of Overpayments.**

   a. If, at any time, Toccoa identifies any Overpayment, Toccoa shall repay the Overpayment to the appropriate payor (e.g., Medicare contractor) within 60 days after identification of the Overpayment and take remedial steps within 90 days after identification (or such additional time as may be agreed to by the payor) to correct the problem, including preventing the...
underlying problem and the Overpayment from recurring. If not yet quantified within 60 days after identification, Toccoa shall notify the payor of its efforts to quantify the Overpayment amount along with a schedule of when such work is expected to be completed. Notification and repayment to the payor shall be done in accordance with the payor’s policies.

b. Notwithstanding the above, notification and repayment of any Overpayment amount that routinely is reconciled or adjusted pursuant to policies and procedures established by the payor should be handled in accordance with such policies and procedures.

J. Reportable Events

1. Definition of Reportable Event. For purposes of this CIA, a “Reportable Event” means anything that involves:

   a. a substantial Overpayment;

   b. a matter that a reasonable person would consider a probable violation of criminal, civil, or administrative laws applicable to any Federal health care program for which penalties or exclusion may be authorized;

   c. the employment of or contracting with a Covered Person who is an Ineligible Person as defined by Section III.G.1.a; or

   d. the filing of a bankruptcy petition by Toccoa.

A Reportable Event may be the result of an isolated event or a series of occurrences.

2. Reporting of Reportable Events. If Toccoa determines (after a reasonable opportunity to conduct an appropriate review or investigation of the allegations) through any means that there is a Reportable Event, Toccoa shall notify OIG, in writing, within 30 days after making the determination that the Reportable Event exists.

   a. a complete description of all details relevant to the Reportable Event, including, at a minimum, the types of claims, transactions or other conduct giving rise to the Reportable Event; the period during which the conduct occurred; and the names of entities and individuals believed to be implicated, including an explanation of their roles in the Reportable Event;

   b. the Federal health care programs affected by the Reportable Event;

   c. a description of the steps taken by Toccoa to identify and quantify the Overpayment; and

   d. a description of Toccoa’s actions taken to correct the Reportable Event and prevent it from recurring.

Within 60 days of identification of the Overpayment, Toccoa shall provide OIG with a copy of the notification and repayment (if quantified) to the payor required in Section III.I.3.

4. **Reportable Events under Section III.J.1.b.** For Reportable Events under Section III.J.1.b, the report to OIG shall include:

   a. a complete description of all details relevant to the Reportable Event, including, at a minimum, the types of claims, transactions or other conduct giving rise to the Reportable Event; the period during which the conduct occurred; and the names of entities and individuals believed to be implicated, including an explanation of their roles in the Reportable Event;

   b. a statement of the Federal criminal, civil or administrative laws that are probably violated by the Reportable Event;

5. Reportable Events under Section III.J.1.c. For Reportable Events under Section III.J.1.c, the report to OIG shall include:

a. the identity of the Ineligible Person and the job duties performed by that individual;

b. the dates of the Ineligible Persons employment or contractual relationship;

d. a description of how the Reportable Event was discovered; and

e. a description of any corrective action implemented to prevent future employment or contracting with an Ineligible Person.

6. Reportable Events under Section III.J.1.d. For Reportable Events under Section III.J.1.d, the report to the OIG shall include documentation of the bankruptcy filing and a description of any Federal health care program authorities implicated.

7. Reportable Events Involving the Stark Law. Notwithstanding the reporting requirements outlined above, any Reportable Event that involves solely a probable violation of section 1877 of the Social Security Act, 42 U.S.C. §1395nn (the Stark Law) should be submitted by Toccoa to the Centers for Medicare & Medicaid Services (CMS) through the self-referral disclosure protocol (SRDP), with a copy to the OIG. The requirements of Section III.I.3 that require repayment to the payor of any identified Overpayment within 60 days shall not apply to any Overpayment that may
result from a probable violation of solely the Stark Law that is disclosed to CMS pursuant to the SRDP. If Toccoa identifies a probable violation of the Stark Law and repays the applicable Overpayment directly to the CMS contractor, then Toccoa is not required by this Section III.J to submit the Reportable Event to CMS through the SRDP.

IV. SUCCESSOR LIABILITY; CHANGES TO BUSINESS UNITS OR LOCATIONS

A. Sale of Business, Business Unit or Location

In the event that, after the Effective Date, Toccoa proposes to sell any or all of its business, business units or locations (whether through a sale of assets, sale of stock, or other type of transaction) that are subject to this CIA, Toccoa shall notify OIG of the proposed sale at least 30 days prior to the sale of its business, business unit or location. This notification shall include a description of the business, business unit or location to be sold, a brief description of the terms of the sale, and the name and contact information of the prospective purchaser. D. Designation of Information

Toccoa shall clearly identify any portions of its submissions that it believes are trade secrets, or information that is commercial or financial and privileged or confidential, and therefore potentially exempt from disclosure under the Freedom of Information Act (FOIA), 5 U.S.C. § 552. Toccoa shall refrain from identifying any information as exempt from disclosure if that information does not meet the criteria for exemption from disclosure under FOIA.

Unless otherwise specified, all notifications and reports required by this CIA may be made by certified mail, overnight mail, hand delivery, or other means, provided that there is proof that such notification was received. For purposes of this requirement, internal facsimile confirmation sheets do not constitute proof of receipt. Upon request by OIG, Toccoa may be required to provide OIG with an electronic copy of each notification or report required by this CIA in searchable portable document format (pdf), in addition to a paper copy.

VII. OIG INSPECTION, AUDIT, AND REVIEW RIGHTS

In addition to any other rights OIG may have by statute, regulation, or contract, OIG or its duly authorized representative(s) may examine and/or request copies of books, records, and other documents and supporting materials and/or conduct on-site reviews of any of Toccoa, Kopchick, or Burken’s locations for the purpose of verifying and evaluating: (a) his/her/its compliance with the terms of this CIA and (b) his/her/its compliance with the requirements of the Federal health care programs. The documentation described above shall be made available by Toccoa, Burken, or Kopchick to OIG or its duly authorized representative(s) at all reasonable times for inspection, audit, and/or reproduction. Toccoa, Burken, and Kopchick shall assist OIG or its duly authorized representative(s) in contacting and arranging interviews with such individuals upon OIG’s request. Toccoa, Burken, and Kopchick’s Covered Persons may elect to be interviewed with or without a representative of Toccoa, Burken or Kopchick present.

VIII. DOCUMENT AND RECORD RETENTION
Toccoa shall maintain for inspection all documents and records relating to reimbursement from the Federal health care programs and to compliance with this CIA for six years (or longer if otherwise required by law) from the Effective Date.

IX. DISCLOSURES

Consistent with HHS’s FOIA procedures, set forth in 45 C.F.R. Part 5, OIG shall make a reasonable effort to notify Toccoa prior to any release by OIG of information submitted by Toccoa pursuant to its obligations under this CIA and identified upon submission by Toccoa as trade secrets, or information that is commercial or financial and privileged or confidential, under the FOIA rules. With respect to such releases, Toccoa shall have the rights set forth at 45 C.F.R. § 5.65(d).

X. BREACH AND DEFAULT PROVISIONS

Toccoa is expected to fully and timely comply with all of its CIA obligations.

A. Stipulated Penalties for Failure to Comply with Certain Obligations

As a contractual remedy, Toccoa and OIG hereby agree that failure to comply with certain obligations as set forth in this CIA may lead to the imposition of the following monetary penalties (hereinafter referred to as “Stipulated Penalties”) in accordance with the following provisions.

1. A Stipulated Penalty of $2,500 (which shall begin to accrue on the day after the date the obligation became due) for each day Toccoa fails to establish and implement any of the following obligations as described in Sections III and IV:

   a. a Compliance Officer;

   b. a Compliance Committee;

   c. the Executive Committee compliance obligations;

   d. the management certification obligations;

   e. a written Code of Conduct;

   f. written Policies and Procedures;
the development and/or implementation of a Training Plan for the training of Covered Persons, Relevant Covered Persons, and Board Members;

a risk assessment and internal review process as required by Section III.E;
a Disclosure Program;
Ineligible Persons screening and removal requirements;
notification of Government investigations or legal proceedings;
policies and procedures regarding the repayment of Overpayments;
the repayment of Overpayments as required by Section III.I and Appendix B;
reporting of Reportable Events; and
disclosure of changes to business units or locations or of new employment or contractual arrangements.

2. A Stipulated Penalty of $2,500 (which shall begin to accrue on the day after the date the obligation became due) for each day Toccoa fails to engage and use an IRO, as required by Section III.D, Appendix A, or Appendix B.

3. A Stipulated Penalty of $2,500 (which shall begin to accrue on the day after the date the obligation became due) for each day Toccoa fails to submit the Implementation Report or any Annual Reports to OIG in accordance with the requirements of Section V by the deadlines for submission.

4. A Stipulated Penalty of $2,500 (which shall begin to accrue on the day after the date the obligation became due) for each day Toccoa fails to submit any Claims Review Report in accordance with the requirements of Section III.D and Appendix B.
5. A Stipulated Penalty of $1,500 for each day Toccoa fails to grant access as required in Section VII. (This Stipulated Penalty shall begin to accrue on the date Toccoa fails to grant access.)

6. A Stipulated Penalty of $50,000 for each false certification submitted by or on behalf of Toccoa as part of its Implementation Report, any Annual Report, additional documentation to a report (as requested by the OIG), or otherwise required by this CIA.

7. A Stipulated Penalty of $1,000 for each day Toccoa fails to comply fully and adequately with any obligation of this CIA. OIG shall provide notice to Toccoa stating the specific grounds for its determination that Toccoa has failed to comply fully and adequately with the CIA obligation(s) at issue and steps Toccoa shall take to comply with the CIA. (This Stipulated Penalty shall begin to accrue 10 days after the date Toccoa receives this notice from OIG of the failure to comply.) A Stipulated Penalty as described in this Subsection shall not be demanded for any violation for which OIG has sought a Stipulated Penalty under Subsections 1-6 of this Section.

B. Timely Written Requests for Extensions

Toccoa may, in advance of the due date, submit a timely written request for an extension of time to perform any act or file any notification or report required by this CIA. Notwithstanding any other provision in this Section, if OIG grants the timely written request with respect to an act, notification, or report, Stipulated Penalties for failure to perform the act or file the notification or report shall not begin to accrue until one day after Toccoa fails to meet the revised deadline set by OIG. Notwithstanding any other provision in this Section, if OIG denies such a timely written request, Stipulated Penalties for failure to perform the act or file the notification or report shall not begin to accrue until three days after Toccoa receives OIG’s written denial of such request or the original due date, whichever is later. A “timely written request” is defined as a request in writing received by OIG at least five days prior to the date by which any act is due to be performed or any notification or report is due to be filed.

C. Payment of Stipulated Penalties

1. Demand Letter. Upon a finding that Toccoa has failed to comply with any of the obligations described in Section X.A and after determining that Stipulated Penalties are appropriate, OIG shall notify Toccoa of: (a) Toccoa’s failure to comply; and (b) OIG’s exercise of its contractual right to demand payment of the Stipulated Penalties. (This notification shall be referred to as the “Demand Letter.”)
2. **Response to Demand Letter.** Within 10 days after the receipt of the Demand Letter, Toccoa shall either: (a) cure the breach to OIG’s satisfaction and pay the applicable Stipulated Penalties or (b) request a hearing before an HHS administrative law judge (ALJ) to dispute OIG’s determination of noncompliance, pursuant to the agreed upon provisions set forth below in Section X.E. In the event Toccoa elects to request an ALJ hearing, the Stipulated Penalties shall continue to accrue until Toccoa cures, to OIG’s satisfaction, the alleged breach in dispute. Failure to respond to the Demand Letter in one of these two manners within the allowed time period shall be considered a material breach of this CIA and shall be grounds for exclusion under Section X.D.

3. **Form of Payment.** Payment of the Stipulated Penalties shall be made by electronic funds transfer to an account specified by OIG in the Demand Letter.

4. **Independence from Material Breach Determination.** Except as set forth in Section X.D.1.c, these provisions for payment of Stipulated Penalties shall not affect or otherwise set a standard for OIG’s decision that Toccoa has materially breached this CIA, which decision shall be made at OIG’s discretion and shall be governed by the provisions in Section X.D, below.

**D. Exclusion for Material Breach of this CIA**

1. **Definition of Material Breach.** A material breach of this CIA means:

   a. repeated violations or a flagrant violation of any of the obligations under this CIA, including, but not limited to, the obligations addressed in Section X.A;

   b. a willful failure by Toccoa to report a Reportable Event, take corrective action, or make the appropriate refunds, as required in Section III.J;

   c. a failure to respond to a Demand Letter concerning the payment of Stipulated Penalties in accordance with Section X.C; or

   d. a failure to engage and use an IRO in accordance with Section III.D, Appendix A, or Appendix B.

2. **Notice of Material Breach and Intent to Exclude.** The parties agree that a material breach of this CIA by Toccoa constitutes an independent basis for
Toccoa’s exclusion from participation in the Federal health care programs. The length of the exclusion shall be in the OIG’s discretion, but not more than five years per material breach. Upon a determination by OIG that Toccoa has materially breached this CIA and that exclusion is the appropriate remedy, OIG shall notify Toccoa of: (a) Toccoa’s material breach; and (b) OIG’s intent to exercise its contractual right to impose exclusion. (This notification shall be referred to as the “Notice of Material Breach and Intent to Exclude.”)

3. **Opportunity to Cure.** Toccoa shall have 30 days from the date of receipt of the Notice of Material Breach and Intent to Exclude to demonstrate that:
   a. the alleged material breach has been cured; or
   b. the alleged material breach cannot be cured within the 30 day period, but that: (i) Toccoa has begun to take action to cure the material breach; (ii) Toccoa is pursuing such action with due diligence; and (iii) Toccoa has provided to OIG a reasonable timetable for curing the material breach.

4. **Exclusion Letter.** If, at the conclusion of the 30 day period, Toccoa fails to satisfy the requirements of Section X.D.3, OIG may exclude Toccoa from participation in the Federal health care programs. OIG shall notify Toccoa in writing of its determination to exclude Toccoa. (This letter shall be referred to as the “Exclusion Letter.”) Subject to the Dispute Resolution provisions in Section X.E, below, the exclusion shall go into effect 30 days after the date of Toccoa’s receipt of the Exclusion Letter. The exclusion shall have national effect. Reinstatement to program participation is not automatic. At the end of the period of exclusion, Toccoa may apply for reinstatement by submitting a written request for reinstatement in accordance with the provisions at 42 C.F.R. §§ 1001.3001-.3004.

E. **Dispute Resolution**

1. **Review Rights.** Upon OIG’s delivery to Toccoa of its Demand Letter or of its Exclusion Letter, and as an agreed-upon contractual remedy for the resolution of disputes arising under this CIA, Toccoa shall be afforded certain review rights comparable to the ones that are provided in 42 U.S.C. § 1320a-7(f) and 42 C.F.R. Part 1005 as if they applied to the Stipulated Penalties or exclusion sought pursuant to this CIA. Specifically, OIG’s determination to demand payment of Stipulated Penalties or to seek exclusion shall be subject to review by an HHS ALJ and, in the event of an appeal, the HHS Departmental Appeals Board (DAB), in a manner consistent with the provisions in 42 C.F.R. § 1005.2-1005.21. Notwithstanding the language in 42 C.F.R. §
1005.2(c), the request for a hearing involving Stipulated Penalties shall be made within 10 days after receipt of the Demand Letter and the request for a hearing involving exclusion shall be made within 25 days after receipt of the Exclusion Letter. The procedures relating to the filing of a request for a hearing can be found at http://www.hhs.gov/dab/divisions/civil/procedures/divisionprocedures.html.

2. **Stipulated Penalties Review.** Notwithstanding any provision of Title 42 of the United States Code or Title 42 of the Code of Federal Regulations, the only issues in a proceeding for Stipulated Penalties under this CIA shall be: (a) whether Toccoa was in full and timely compliance with the obligations of this CIA for which OIG demands payment; and (b) the period of noncompliance. Toccoa shall have the burden of proving its full and timely compliance and the steps taken to cure the noncompliance, if any. OIG shall not have the right to appeal to the DAB an adverse ALJ decision related to Stipulated Penalties. If the ALJ agrees with OIG with regard to a finding of a breach of this CIA and orders Toccoa to pay Stipulated Penalties, such Stipulated Penalties shall become due and payable 20 days after the ALJ issues such a decision unless Toccoa requests review of the ALJ decision by the DAB. If the ALJ decision is properly appealed to the DAB and the DAB upholds the determination of OIG, the Stipulated Penalties shall become due and payable 20 days after the DAB issues its decision.

3. **Exclusion Review.** Notwithstanding any provision of Title 42 of the United States Code or Title 42 of the Code of Federal Regulations, the only issues in a proceeding for exclusion based on a material breach of this CIA shall be whether Toccoa was in material breach of this CIA and, if so, whether:

   a. Toccoa cured such breach within 30 days of its receipt of the Notice of Material Breach; or

   b. the alleged material breach could not have been cured within the 30 day period, but that, during the 30 day period following Toccoa’s receipt of the Notice of Material Breach: (i) Toccoa had begun to take action to cure the material breach; (ii) Toccoa pursued such action with due diligence; and (iii) Toccoa provided to OIG a reasonable timetable for curing the material breach.

   For purposes of the exclusion herein, exclusion shall take effect only after an ALJ decision favorable to OIG, or, if the ALJ rules for Toccoa, only after a DAB decision in favor of OIG. Toccoa’s election of its contractual right to appeal to the DAB shall not abrogate OIG’s authority to exclude Toccoa upon the issuance of an ALJ’s decision in favor of OIG. If the ALJ sustains the determination of OIG and determines that

---

*Toccoa Clinic Medical Associates, LLP, Margaret Kopchick, M.D., and Russell R. Burken, M.D.*

*Corporate Integrity Agreement*
exclusion is authorized, such exclusion shall take effect 20 days after the ALJ issues such a decision, notwithstanding that Toccoa may request review of the ALJ decision by the DAB. If the DAB finds in favor of OIG after an ALJ decision adverse to OIG, the exclusion shall take effect 20 days after the DAB decision. Toccoa shall waive its right to any notice of such an exclusion if a decision upholding the exclusion is rendered by the ALJ or DAB. If the DAB finds in favor of Toccoa, Toccoa shall be reinstated effective on the date of the original exclusion.

4. **Finality of Decision.** The review by an ALJ or DAB provided for above shall not be considered to be an appeal right arising under any statutes or regulations. Consequently, the parties to this CIA agree that the DAB’s decision (or the ALJ’s decision if not appealed) shall be considered final for all purposes under this CIA.

**XI. EFFECTIVE AND BINDING AGREEMENT**

Toccoa and OIG agree as follows:

A. This CIA shall become final and binding on the date the final signature is obtained on the CIA.

B. This CIA constitutes the complete agreement between the parties and may not be amended except by written consent of the parties to this CIA.

C. OIG may agree to a suspension of Toccoa’s obligations under this CIA based on a certification by Toccoa that it is no longer providing health care items or services that will be billed to any Federal health care program and it does not have any ownership or control interest, as defined in 42 U.S.C. §1320a-3, in any entity that bills any Federal health care program. If Toccoa is relieved of its CIA obligations, Toccoa shall be required to notify OIG in writing at least 30 days in advance if Toccoa plans to resume providing health care items or services that are billed to any Federal health care program or to obtain an ownership or control interest in any entity that bills any Federal health care program. At such time, OIG shall evaluate whether the CIA will be reactivated or modified.

D. All requirements and remedies set forth in this CIA are in addition to and do not affect (1) Toccoa’s responsibility to follow all applicable Federal health care program requirements or (2) the government’s right to impose appropriate remedies for failure to follow applicable Federal health care program requirements.

E. The undersigned Toccoa signatories represent and warrant that they are authorized to execute this CIA. The undersigned OIG signatories represent that they are
signing this CIA in their official capacities and that they are authorized to execute this CIA.

F. This CIA may be executed in counterparts, each of which constitutes an original and all of which constitute one and the same CIA. Facsimiles of signatures shall constitute acceptable, binding signatures for purposes of this CIA.

APPENDIX A

INDEPENDENT REVIEW ORGANIZATION

A. IRO Engagement

1. Toccoa shall engage an IRO that possesses the qualifications set forth in Paragraph B, below, to perform the responsibilities in Paragraph C, below. The IRO shall conduct the review in a professionally independent and objective fashion, as set forth in Paragraph D. Within 30 days after OIG receives the information identified in Section V.A.8 of the CIA or any additional information submitted by Toccoa in response to a request by OIG, whichever is later, OIG will notify Toccoa if the IRO is unacceptable. Absent notification from OIG that the IRO is unacceptable, Toccoa may continue to engage the IRO.

2. If Toccoa engages a new IRO during the term of the CIA, that IRO must also meet the requirements of this Appendix. If a new IRO is engaged, Toccoa shall submit the information identified in Section V.A.8 of the CIA to OIG within 30 days of engagement of the IRO. Within 30 days after OIG receives this information or any additional information submitted by Toccoa at the request of OIG, whichever is later, OIG will notify Toccoa if the IRO is unacceptable. Absent notification from OIG that the IRO is unacceptable, Toccoa may continue to engage the IRO.

B. IRO Qualifications

The IRO shall:

1. assign individuals to conduct the Claims Review who have expertise in the billing, coding, claims submission and other applicable Medicare and state Medicaid program requirements;

2. assign individuals to design and select the Claims Review sample who are knowledgeable about the appropriate statistical sampling techniques;

3. assign individuals to conduct the coding review portions of the Claims Review who have a nationally recognized coding certification and who have maintained this certification (e.g., completed applicable continuing education requirements); and

4. have sufficient staff and resources to conduct the reviews required by the CIA on a timely basis.
C. **IRO Responsibilities**

The IRO shall:

1. perform each Claims Review in accordance with the specific requirements of the CIA;

2. follow all applicable Medicare and state Medicaid program rules and reimbursement guidelines in making assessments in the Claims Review;

3. request clarification from the appropriate authority (e.g., Medicare contractor), if in doubt of the application of a particular Medicare or state Medicaid program policy or regulation;

4. respond to all OIG inquires in a prompt, objective, and factual manner; and

5. prepare timely, clear, well-written reports that include all the information required by Appendix B to the CIA.

D. **IRO Independence and Objectivity**

The IRO must perform the Claims Review in a professionally independent and objective fashion, as defined in the most recent Government Auditing Standards issued by the U.S. Government Accountability Office.

E. **IRO Removal/Termination**

1. **Toccoa and IRO.** If Toccoa terminates its IRO or if the IRO withdraws from the engagement during the term of the CIA, Toccoa must submit a notice explaining (a) its reasons for termination of the IRO or (b) the IRO’s reasons for its withdrawal to OIG, no later than 30 days after termination or withdrawal. Toccoa must engage a new IRO in accordance with Paragraph A of this Appendix and within 60 days of termination or withdrawal of the IRO.

2. **OIG Removal of IRO.** In the event OIG has reason to believe the IRO does not possess the qualifications described in Paragraph B, is not independent and objective as set forth in Paragraph D, or has failed to carry out its responsibilities as described in Paragraph C, OIG shall notify Toccoa in writing regarding OIG’s basis for determining that the IRO has not met the requirements of this Appendix. Toccoa shall have 30 days from the date of OIG’s written notice to provide information regarding the IRO’s
qualifications, independence or performance of its responsibilities in order to resolve the concerns identified by OIG. If, following OIG’s review of any information provided by Toccoa regarding the IRO, OIG determines that the IRO has not met the requirements of this Appendix, OIG shall notify Toccoa in writing that Toccoa shall be required to engage a new IRO in accordance with Paragraph A of this Appendix. Toccoa must engage a new IRO within 60 days of its receipt of OIG’s written notice. The final determination as to whether or not to require Toccoa to engage a new IRO shall be made at the sole discretion of OIG.

APPENDIX B

CLAIMS REVIEW

A. Claims Review. The IRO shall perform the Claims Review annually to cover each of the five Reporting Periods. The IRO shall perform all components of each Claims Review.

1. Definitions. For the purposes of the Claims Review, the following definitions shall be used:

   a. **Overpayment**: The amount of money Toccoa has received in excess of the amount due and payable under Medicare or any state Medicaid program requirements, as determined by the IRO in connection with the claims reviews performed under this Appendix B, including any extrapolated Overpayments determined in accordance with Section A.3 of this Appendix B.

   b. **Paid Claim**: A claim submitted by Toccoa and for which Toccoa has received reimbursement from the Medicare program or a state Medicaid program.

   c. **Population**: The Population shall be defined as all Paid Claims during the 12-month period covered by the Claims Review.

   d. **Error Rate**: The Error Rate shall be the percentage of net Overpayments identified in the sample. The net Overpayments shall be calculated by subtracting all underpayments identified in the sample from all gross Overpayments identified in the sample. (Note: Any potential cost settlements or other supplemental payments should not be included in the net Overpayment calculation. Rather, only underpayments identified as part of the Discovery Sample shall be included as part of the net Overpayment calculation.)

   The Error Rate is calculated by dividing the net Overpayment identified in the sample by the total dollar amount associated with the Paid Claims in the sample.

2. Discovery Sample.
a. **Discovery Sample 1:** The IRO shall randomly select and review a sample of 75 Paid Claims for dermatology services, including but not limited to claims with procedures coded as 99211-99215 (Discovery Sample 1).

b. **Discovery Sample 2:** The IRO shall randomly select and review a sample of 75 Paid Claims from a medical specialty other than dermatology (Discovery Sample 2).

For the first Reporting Period, the IRO shall randomly select the medical specialty for the Discovery Sample 2 Claims Review. For the second through fifth Reporting Periods, OIG shall select the medical specialty for the Discovery Sample 2 Claims Review. As part of its internal risk assessment and monitoring activities, the Compliance Committee shall recommend one or more medical specialties for the IRO to review (e.g., cardiology, ophthalmology, orthopedics, etc.). At least 30 days prior to the end of the Reporting Period, Toccoa shall provide to OIG: (1) the medical specialty(ies) that the Compliance Committee proposes for review by the IRO in Discovery Sample 2 and (2) the Compliance Committee’s basis for recommending the medical specialty(ies). Within 30 days of receiving Toccoa’s recommendation, OIG shall select a medical specialty to be reviewed by the IRO in Discovery Sample 2 during the applicable Reporting Period and notify Toccoa of OIG’s selection. OIG may, in its sole discretion, select a medical specialty recommended by Toccoa or another medical specialty for the Discovery Sample 2 Claims Review.

The Paid Claims for both Discovery Samples shall be reviewed based on the supporting documentation available at Toccoa’s office or under Toccoa’s control and applicable billing and coding regulations and guidance to determine whether the claim was correctly coded, submitted, and reimbursed.

If the Error Rate (as defined above) for either Discovery Sample is less than 5%, no additional sampling is required, nor is the Systems Review required. (Note: The guidelines listed above do not imply that this is an acceptable error rate. Accordingly, Toccoa should, as appropriate, further analyze any errors identified in the Discovery Samples. Toccoa recognizes that OIG or other HHS component, in its discretion and as authorized by statute, regulation, or other appropriate authority may also analyze or review Paid Claims included, or errors identified, in the Discovery Samples or any other segment of the universe.)

3. **Full Sample.** If either Discovery Sample indicates that the Error Rate is 5% or greater, the IRO shall select an additional sample of Paid Claims relating to that Discovery Sample (Full Sample) using commonly accepted sampling methods. The Paid
Claims selected for the Full Sample shall be reviewed based on supporting
documentation available at Toccoa or under Toccoa’s control and applicable billing and
coding regulations and guidance to determine whether the claim was correctly coded,
submitted, and reimbursed. For purposes of calculating the size of the Full Sample, the
Discovery Sample may serve as the probe sample, if statistically appropriate.
Additionally, the IRO may use the Paid Claims sampled as part of the Discovery Sample,
and the corresponding findings for those Paid Claims, as part of its Full Sample, if: (1)
statistically appropriate and (2) the IRO selects the Full Sample Paid Claims using the
seed number generated by the Discovery Sample. The findings of the Full Sample shall
be used by the IRO to estimate the actual Overpayment in the Population with a 90%
confidence level and with a maximum relative precision of 25% of the point estimate.
OIG, in its sole discretion, may refer the findings of the Full Sample (and any related
workpapers) received from Toccoa to the appropriate Federal health care program payor
(e.g., Medicare contractor), for appropriate follow-up by that payor.

4. **Systems Review.** If either of Toccoa’s Discovery Samples identifies an
Error Rate of 5% or greater, Toccoa’s IRO shall also conduct a Systems Review relating
to that Discovery Sample. The Systems Review shall consist of the following:

   a. a review of Toccoa’s billing and coding systems and processes
      relating to claims submitted to Federal health care programs
      (including, but not limited to, the operation of the billing system, the
      process by which claims are coded, safeguards to ensure proper
      coding, claims submission and billing; and procedures to identify
      and correct inaccurate coding and billing);

   b. for each claim in the Discovery Sample and Full Sample that
      resulted in an Overpayment, the IRO shall review the system(s) and
      process(es) that generated the claim and identify any problems or
      weaknesses that may have resulted in the identified Overpayments.
      The IRO shall provide its observations and recommendations on
      suggested improvements to the system(s) and the process(es) that
      generated the claim.

5. **Other Requirements.**

   a. **Supplemental Materials.** The IRO shall request all documentation
      and materials required for its review of the Paid Claims selected as
      part of the Discovery Sample or Full Sample (if applicable), and
      Toccoa shall furnish such documentation and materials to the IRO
      prior to the IRO initiating its review of the Discovery Sample or Full

Sample (if applicable). If the IRO accepts any supplemental documentation or materials from Toccoa after the IRO has completed its initial review of the Discovery Sample or Full Sample (if applicable) (Supplemental Materials), the IRO shall identify in the Claims Review Report the Supplemental Materials, the date the Supplemental Materials were accepted, and the relative weight the IRO gave to the Supplemental Materials in its review. In addition, the IRO shall include a narrative in the Claims Review Report describing the process by which the Supplemental Materials were accepted and the IRO’s reasons for accepting the Supplemental Materials.

b. **Paid Claims without Supporting Documentation.** Any Paid Claim for which Toccoa cannot produce documentation sufficient to support the Paid Claim shall be considered an error and the total reimbursement received by Toccoa for such Paid Claim shall be deemed an Overpayment. Replacement sampling for Paid Claims with missing documentation is not permitted.

c. **Use of First Samples Drawn.** For the purposes of all samples (Discovery Sample(s) and Full Sample(s)) discussed in this Appendix, the Paid Claims selected in each first sample shall be used (i.e., it is not permissible to generate more than one list of random samples and then select one for use with the Discovery Sample or Full Sample).

6. **Repayment of Identified Overpayments.** Toccoa shall repay within 30 days any Overpayment(s) identified in either Discovery Sample, regardless of the Error Rate, and (if applicable) the Full Sample, including the IRO’s estimate of the actual Overpayment in the Population as determined in accordance with Section A.3 above, in accordance with payor refund policies. Toccoa shall make available to OIG all documentation that reflects the refund of the Overpayment(s) to the payor.

B. **Claims Review Report.** The IRO shall prepare a Claims Review Report as described in this Appendix for each Claims Review performed. The following information shall be included in the Claims Review Report for each Discovery Sample and Full Sample (if applicable).

1. **Claims Review Methodology.**
a. **Claims Review Population.** A description of the Population subject to the Claims Review.

b. **Claims Review Objective.** A clear statement of the objective intended to be achieved by the Claims Review.

c. **Source of Data.** A description of the specific documentation relied upon by the IRO when performing the Claims Review (e.g., medical records, physician orders, certificates of medical necessity, requisition forms, local medical review policies (including title and policy number), CMS program memoranda (including title and issuance number), Medicare carrier or intermediary manual or bulletins (including issue and date), other policies, regulations, or directives).

d. **Review Protocol.** A narrative description of how the Claims Review was conducted and what was evaluated.

e. **Supplemental Materials.** A description of any Supplemental Materials as required by A.5.a., above.

2. **Statistical Sampling Documentation.**

a. A copy of the printout of the random numbers generated by the “Random Numbers” function of the statistical sampling software used by the IRO.

b. A copy of the statistical software printout(s) estimating how many Paid Claims are to be included in the Full Sample, if applicable.

c. A description or identification of the statistical sampling software package used to select the sample and determine the Full Sample size, if applicable.

3. **Claims Review Findings.**

a. **Narrative Results.**

   i. A description of Toccoa’s billing and coding system(s), including the identification, by position description, of the personnel involved in coding and billing.

b. Quantitative Results.

i. Total number and percentage of instances in which the IRO determined that the Paid Claims submitted by Toccoa (Claim Submitted) differed from what should have been the correct claim (Correct Claim), regardless of the effect on the payment.
