OFFICE OF INSPECTOR GENERAL
OF THE
DEPARTMENT OF HEALTH AND HUMAN SERVICES
AND
UNIVERSITY OF MIAMI

I. PREAMBLE

Contemporaneously with this CIA, University of Miami is entering into a Settlement Agreement with the United States.

The obligations of the CIA shall extend to University of Miami Health System (UHealth), its healthcare facilities, clinics, and/or clinical locations owned and/or operated by UHealth, and other health care entities owned and/or operated by UHealth that furnish items or services payable by the Federal health care programs during the term of this CIA.

UHealth represents that it has an established corporate compliance program (Compliance Program) which preceded the execution of this CIA, and which applies in all aspects to UHealth. The Compliance Program includes a Compliance Officer, written policies and procedures, education and training programs, and a disclosure program. UHealth will continue to operate its Compliance Program throughout the term of this CIA, and shall ensure that UHealth complies with each requirement herein.

II. TERM AND SCOPE OF THE CIA

A. The period of the compliance obligations assumed by UHealth under this CIA shall be five years from the effective date of this CIA. The “Effective Date” shall be the date on which the final signatory of this CIA executes this CIA. Each one-year period, beginning with the one-year period following the Effective Date, shall be referred to as a “Reporting Period.”

University of Miami
Corporate Integrity Agreement
B. Sections VII, X, and XI shall expire no later than 120 days after OIG’s receipt of: (1) UHealth’s final Annual Report or (2) any additional materials submitted by UHealth pursuant to OIG’s request, whichever is later.

For purposes of this CIA, the term “Covered Persons” includes: (1) all owners, officers, directors, and employees of UHealth; (2) all contractors, subcontractors, agents, and other persons who furnish patient care items or services or who perform billing or coding functions on behalf of UHealth, excluding vendors whose sole connection with UHealth is selling or otherwise providing medical supplies or equipment to UHealth; and (3) all physicians and other non-physician practitioners who are members of UHealth’s active medical staff.

Notwithstanding the above, this term does not include part time or per diem employees, contractors or subcontractors, agents, and other persons who are not reasonably expected to work more than 160 hours during a Reporting Period, except that any such individuals shall become “Covered Persons” at the point when they work more than 160 hours during a Reporting Period.

c. monitoring the day-to-day compliance activities engaged in by UHealth as well as any reporting obligations created under this CIA.

Any noncompliance job responsibilities of the Compliance Officer shall be limited and must not interfere with the Compliance Officer’s ability to perform the duties outlined in this CIA.

UHealth shall report to OIG, in writing, any changes in the identity of the Compliance Officer, or any actions or changes that would affect the Compliance Officer’s ability to perform the duties necessary to meet the obligations in this CIA, within five business days after such a change.

health care program requirements and the obligations of this CIA. The Board must include independent (i.e., non-employee and non-executive) members.

The Board shall, at a minimum, be responsible for the following:

a. meeting at least quarterly to review and oversee UHealth’s compliance program, including but not limited to the performance of the Compliance Officer and Compliance Committee;

The written report (Compliance Program Review Report) shall include a description of the Compliance Program Review and any recommendations with respect to UHealth’s compliance program. The Board shall review the Compliance Program Review Report as part of its review and oversight of UHealth’s compliance program. At minimum, the resolution shall include the following language:

“The Board has made a reasonable inquiry into the operations of UHealth’s Compliance Program, including the performance of the Compliance Officer and the Compliance Committee. Based on its inquiry and review, the Board has concluded that, to the best of its knowledge, UHealth has implemented an effective Compliance Program to meet Federal health care program requirements and obligations of the CIA.”

If the Board is unable to provide such a conclusion in the resolution, the Board shall include in the resolution a written explanation of the reasons why it is unable to provide the conclusion and the steps it is taking to implement an effective Compliance Program at UHealth.

UHealth shall report to OIG, in writing, any changes in the composition of the Board, or any actions or changes that would affect the Board’s ability to perform the duties necessary to meet the obligations in this CIA, within 15 business days after such a change.

4. **Management Certifications.** In addition to the responsibilities set forth in this CIA for all Covered Persons, certain employees of UHealth (Certifying Employees) are expected to monitor and oversee activities within their areas of authority and shall annually certify that the applicable UHealth department or division is in compliance with applicable Federal health care program requirements and the obligations of this CIA. To the best of my knowledge, the [insert name of department] of UHealth is in compliance with all applicable Federal health care program requirements and the obligations of the Corporate Integrity Agreement. I understand that this certification is being provided to and relied upon by the United States.”

If any Certifying Employee is unable to provide such a certification, the Certifying Employee shall provide a written explanation of the reasons why he or she is unable to provide the certification outlined above.

Within 150 days after the Effective Date, UHealth shall develop and implement a written process for Certifying Employees to follow for the purpose of completing the certification required by this section (e.g., reports that must be reviewed, assessments that must be completed, sub-certifications that must be obtained, etc. prior to the Certifying Employee making the required certification).

B. Written Standards

Within 150 days after the Effective Date, UHealth shall develop and implement written policies and procedures regarding the operation of its compliance program, including the compliance program requirements outlined in this CIA and UHealth compliance with Federal health care program requirements (Policies and Procedures). Throughout the term of this CIA, UHealth shall enforce its Policies and Procedures and shall make compliance with its Policies and Procedures an element of evaluating the performance of all employees. The Policies and Procedures shall be made available to all Covered Persons.

At least annually (and more frequently, if appropriate), UHealth shall assess and update, as necessary, the Policies and Procedures. Any new or revised Policies and Procedures shall be made available to all Covered Persons.

All Policies and Procedures shall be made available to OIG upon request.

C. Training and Education

The Training Plan shall include information regarding the following: training topics, categories of Covered Persons required to attend each training session, length of the training session(s), schedule for training, and format of the training. UHealth shall furnish training to its Covered Persons pursuant to the Training Plan during each Reporting Period.

2. **Board Training.** In addition to the training described in Section III.C.1, within 90 days after the Effective Date, each member of the Board shall receive training regarding the corporate governance responsibilities of board members and the responsibilities of board members with respect to review and oversight of the Compliance Program. Specifically, the training shall address the unique responsibilities of health care Board members, including the risks, oversight areas, and strategic approaches to conducting oversight of a health care entity. This training may be conducted by an outside compliance expert hired by the Board and should include a discussion of the OIG’s guidance on Board member responsibilities.

   New members of the Board shall receive the Board training described above within 30 days after becoming a member or within 150 days after the Effective Date, whichever is later.

3. **Training Records.** UHealth shall make available to OIG, upon request, training materials and records verifying that the training described in Sections III.C.1 and III.C.2 has been provided as required.

4. **Computer-based Training.** UHealth may provide the training required under this CIA through appropriate computer-based training approaches. If UHealth chooses to provide computer-based training, it shall make available appropriately qualified and knowledgeable staff or trainers to answer questions or provide additional information to the individuals receiving such training.

D. **Review Procedures**

1. **General Description**
a. *Engagement of Independent Review Organization.* Within 150 days after the Effective Date, UHealth shall engage an entity (or entities), such as an accounting, auditing, or consulting firm (hereinafter “Independent Review Organization” or “IRO”), to perform the reviews listed in this Section III.D. The applicable requirements relating to the IRO are outlined in Appendix A to this CIA, which is incorporated by reference.

b. *Retention of Records.* The IRO and UHealth shall retain and make available to OIG, upon request, all work papers, supporting documentation, correspondence, and draft reports (those exchanged between the IRO and UHealth) related to the reviews.

2. *Claims Review.* The IRO shall review claims submitted by UHealth and reimbursed by the Medicare and state Medicaid programs, to determine whether the items and services furnished were medically necessary and appropriately documented and whether the claims were correctly coded, submitted and reimbursed (Claims Review) and shall prepare a Claims Review Report, as outlined in Appendix B to this CIA, which is incorporated by reference.

3. *Independence and Objectivity Certification.* The IRO shall include in its report(s) to UHealth a certification that the IRO has (a) evaluated its professional independence and objectivity with respect to the reviews required under this Section III.D and (b) concluded that it is, in fact, independent and objective, in accordance with the requirements specified in Appendix A to this CIA. The IRO’s certification shall include a summary of all current and prior engagements between UHealth and the IRO.

E. **Risk Assessment and Internal Review Process**

Within 150 days after the Effective Date, UHealth shall develop and implement a centralized annual risk assessment and internal review process to identify and address risks associated with UHealth’s participation in the Federal health care programs,
including but not limited to the risks associated with the submission of claims for items and services furnished to Federal health care program beneficiaries. The Compliance Committee shall be responsible for implementation and oversight of the risk assessment and internal review process. The risk assessment and internal review process shall be conducted at least annually and shall require UHealth to: (1) identify and prioritize risks, (2) develop internal audit work plans related to the identified risk areas, (3) implement the internal audit work plans, (4) develop corrective action plans in response to the results of any internal audits performed, and (5) track the implementation of the corrective action plans in order to assess the effectiveness of such plans. UHealth shall maintain the risk assessment and internal review process for the term of the CIA.

F. Disclosure Program

Within 150 days after the Effective Date, UHealth shall establish a Disclosure Program that includes a mechanism (e.g., a toll-free compliance telephone line) to enable individuals to disclose, to the Compliance Officer or some other person who is not in the disclosing individual’s chain of command, any identified issues or questions associated with UHealth’s policies, conduct, practices, or procedures with respect to a Federal health care program believed by the individual to be a potential violation of criminal, civil, or administrative law. UHealth shall appropriately publicize the existence of the disclosure mechanism (e.g., via periodic e-mails to employees or by posting the information in prominent common areas).

The Disclosure Program shall emphasize a nonretribution, nonretaliation policy and shall include a reporting mechanism for anonymous communications for which appropriate confidentiality shall be maintained. The Disclosure Program also shall include a requirement that all of UHealth’s Covered Persons shall be expected to report suspected violations of any Federal health care program requirements to the Compliance Officer or other appropriate individual designated by UHealth. Upon receipt of a disclosure, the Compliance Officer (or designee) shall gather all relevant information from the disclosing individual. The Compliance Officer (or designee) shall make a preliminary, good faith inquiry into the allegations set forth in every disclosure to ensure that he or she has obtained all of the information necessary to determine whether a further review should be conducted. For any disclosure that is sufficiently specific so that it reasonably: (1) permits a determination of the appropriateness of the alleged improper practice; and (2) provides an opportunity for taking corrective action, UHealth shall conduct an internal review of the allegations set forth in the disclosure and ensure that proper follow-up is conducted.

*University of Miami
Corporate Integrity Agreement*
The Compliance Officer (or designee) shall maintain a disclosure log and shall record all disclosures, whether or not related to a potential violation of criminal, civil, or administrative law related to the Federal health care programs, in the disclosure log within two business days of receipt of the disclosure. The disclosure log shall include a summary of each disclosure received (whether anonymous or not), the individual or department responsible for reviewing the disclosure, the status of the review, and any corrective action taken in response to the review.

G. Ineligible Persons

1. Definitions. For purposes of this CIA:

   a. an “Ineligible Person” shall include an individual or entity who:

      i. is currently excluded from participation in any Federal health care program; or

2. Screening Requirements. UHealth shall ensure that all prospective and current Covered Persons are not Ineligible Persons, by implementing the following screening requirements.

   a. UHealth shall screen all prospective Covered Persons against the Exclusion List prior to engaging their services and, as part of the hiring or contracting process or medical staff credentialing process, shall require such Covered Persons to disclose whether they are Ineligible Persons.

   b. UHealth shall screen all current Covered Persons against the Exclusion List within 90 days after the Effective Date and on a monthly basis thereafter.

University of Miami
Corporate Integrity Agreement
c. UHealth shall implement a policy requiring all Covered Persons to disclose immediately if they become an Ineligible Person.

Nothing in this Section III.G affects UHealth’s responsibility to refrain from (and liability for) billing Federal health care programs for items or services furnished, ordered, or prescribed by an excluded person. UHealth understands that items or services furnished, ordered, or prescribed by excluded persons are not payable by Federal health care programs and that UHealth may be liable for overpayments and/or criminal, civil, and administrative sanctions for employing or contracting with an excluded person regardless of whether UHealth meets the requirements of Section III.G.

3. **Removal Requirement.** If UHealth has actual notice that a Covered Person has become an Ineligible Person, UHealth shall remove such Covered Person from responsibility for, or involvement with, UHealth’s business operations related to the Federal health care program(s) from which such Covered Person has been excluded and shall remove such Covered Person from any position for which the Covered Person’s compensation or the items or services furnished, ordered, or prescribed by the Covered Person are paid in whole or part, directly or indirectly, by any Federal health care program(s) from which the Covered Person has been excluded at least until such time as the Covered Person is reinstated into participation in such Federal health care program(s).

4. **Pending Charges and Proposed Exclusions.** If UHealth has actual notice that a Covered Person is charged with a criminal offense that falls within the scope of 42 U.S.C. §§ 1320a-7(a), 1320a-7(b)(1)-(3), or is proposed for exclusion during the Covered Person’s employment or contract term or during the term of a physician’s or other practitioner’s medical staff privileges, UHealth shall take all appropriate actions to ensure that the responsibilities of that Covered Person have not and shall not adversely affect the quality of care rendered to any beneficiary or the accuracy of any claims submitted to any Federal health care program.

H. **Notification of Government Investigation or Legal Proceeding**

Within 30 days after discovery, UHealth shall notify OIG, in writing, of any ongoing investigation or legal proceeding known to UHealth conducted or brought by a governmental entity or its agents involving an allegation that UHealth has committed a crime or has engaged in fraudulent activities. This notification shall include a description of the allegation, the identity of the investigating or prosecuting agency, and the status of such investigation or legal proceeding. UHealth also shall provide written notice to OIG
within 30 days after the resolution of the matter and a description of the findings and/or results of the investigation or proceeding, if any.

I. Overpayments

1. Definition of Overpayment. An “Overpayment” means any funds that UHealth receives or retains under any Federal health care program to which UHealth, after applicable reconciliation, is not entitled under such Federal health care program.

2. Overpayment Policies and Procedures. Within 90 days after the Effective Date, UHealth shall develop and implement written policies and procedures regarding the identification, quantification, and repayment of Overpayments received from any Federal health care program.

   c. the employment of or contracting with or having as a member of the active medical staff a Covered Person who is an Ineligible Person as defined by Section III.G.1.a; or

   d. the filing of a bankruptcy petition by UHealth.

A Reportable Event may be the result of an isolated event or a series of occurrences.

2. Reporting of Reportable Events. If UHealth determines (after a reasonable opportunity to conduct an appropriate review or investigation of the allegations) through any means that there is a Reportable Event, UHealth shall notify OIG, in writing, within 30 days after making the determination that the Reportable Event exists.
3. **Reportable Events under Section III.J.1.a. and III.J.1.b.** For Reportable Events under Section III.J.1.a and b, the report to OIG shall include:

   a. a complete description of all details relevant to the Reportable Event, including, at a minimum, the types of claims, transactions or other conduct giving rise to the Reportable Event; the period during which the conduct occurred; and the names of individuals and entities believed to be implicated, including an explanation of their roles in the Reportable Event;

   b. a statement of the Federal criminal, civil or administrative laws that are probably violated by the Reportable Event, if any;

   c. the Federal health care programs affected by the Reportable Event;

   d. a description of the steps taken by UHealth to identify and quantify any Overpayments; and

   e. a description of UHealth’s actions taken to correct the Reportable Event and prevent it from recurring.

   If the Reportable Event involves an Overpayment, within 60 days of identification of the Overpayment, UHealth shall repay the Overpayment, in accordance with the requirements of 42 U.S.C. § 1320a-7k(d) and any applicable regulations and Centers for Medicare and Medicaid Services (CMS) guidance and provide OIG with a copy of the notification and repayment.

c. a description of the Exclusion List screening that UHealth completed before and/or during the Ineligible Person’s employment or contract or medical staff membership and any flaw or breakdown in the screening process that led to the hiring or contracting with or credentialing the Ineligible Person;

d. a description of how the Ineligible Person was identified; and

e. a description of any corrective action implemented to prevent future employment or contracting with or credentialing an Ineligible Person.

5. Reportable Events under Section III.J.1.d. For Reportable Events under Section III.J.1.d, the report to OIG shall include documentation of the bankruptcy filing and a description of any Federal health care program requirements implicated.

6. Reportable Events Involving the Stark Law. Notwithstanding the reporting requirements outlined above, any Reportable Event that involves solely a probable violation of section 1877 of the Social Security Act, 42 U.S.C. §1395nn (the Stark Law) should be submitted by UHealth to CMS through the self-referral disclosure protocol (SRDP), with a copy to the OIG. If UHealth identifies a probable violation of the Stark Law and repays the applicable Overpayment directly to the CMS contractor, then UHealth is not required by this Section III.J to submit the Reportable Event to CMS through the SRDP.

IV. SUCCESSOR LIABILITY

In the event that, after the Effective Date, UHealth proposes to (a) sell any or all of its business, business units, or locations (whether through a sale of assets, sale of stock, or other type of transaction) relating to the furnishing of items or services that may be reimbursed by a Federal health care program; or (b) purchase or establish a new business, business unit, or location relating to the furnishing of items or services that may be reimbursed by a Federal health care program, the CIA shall be binding on the purchaser of any business, business unit, or location and any new business, business unit, or location (and all Covered Persons at each new business, business unit, or location) shall be subject to the applicable requirements of this CIA, unless otherwise determined and agreed to in writing by OIG. UHealth shall give notice of such sale or purchase to OIG within 30 days following the closing of the transaction.

University of Miami
Corporate Integrity Agreement

   b. he or she has reviewed the report and has made reasonable inquiry regarding its content and believes that the information in the report is accurate and truthful; and

   c. he or she understands that the certification is being provided to and relied upon by the United States

3. **Chief Financial Officer.** The first Annual Report shall include a certification by the Chief Financial Officer that, to the best of his or her knowledge, UHealth has complied with its obligations under the Settlement Agreement: (a) not to resubmit to any Federal health care program payors any previously denied claims related to the Covered Conduct addressed in the Settlement Agreement, and not to appeal any such denials of claims; (b) not to charge to or otherwise seek payment from federal or state payors for unallowable costs (as defined in the Settlement Agreement); and (c) to identify and adjust any past charges or claims for unallowable costs; and (d) he or she understands that the certification is being provided to and relied upon by the United States.

D. **Designation of Information**

UHealth shall clearly identify any portions of its submissions that it believes are trade secrets, or information that is commercial or financial and privileged or confidential, and therefore potentially exempt from disclosure under the Freedom of Information Act (FOIA), 5 U.S.C. § 552. UHealth shall refrain from identifying any information as exempt from disclosure if that information does not meet the criteria for exemption from disclosure under FOIA.

reproduction. Furthermore, for purposes of this provision, OIG or its duly authorized representative(s) may interview any of UHealth’s owners, employees, contractors, and directors who consent to be interviewed at the individual’s place of business during normal business hours or at such other place and time as may be mutually agreed upon between the individual and OIG. UHealth shall assist OIG or its duly authorized representative(s) in contacting and arranging interviews with such individuals upon OIG’s request. UHealth’s owners, employees, contractors, and directors may elect to be interviewed with or without a representative of UHealth present.

VIII. DOCUMENT AND RECORD RETENTION

UHealth shall maintain for inspection all documents and records relating to reimbursement from the Federal health care programs and to compliance with this CIA for six years (or longer if otherwise required by law) from the Effective Date.

IX. DISCLOSURES

Consistent with HHS’s FOIA procedures, set forth in 45 C.F.R. Part 5, OIG shall make a reasonable effort to notify UHealth prior to any release by OIG of information submitted by UHealth pursuant to its obligations under this CIA and identified upon submission by UHealth as trade secrets, or information that is commercial or financial and privileged or confidential, under the FOIA rules. With respect to such releases, UHealth shall have the rights set forth at 45 C.F.R. § 5.42(a).

X. BREACH AND DEFAULT PROVISIONS

UHealth is expected to fully and timely comply with all of its CIA obligations.

A. Stipulated Penalties for Failure to Comply with Certain Obligations

As a contractual remedy, UHealth and OIG hereby agree that failure to comply with certain obligations as set forth in this CIA may lead to the imposition of the following monetary penalties (hereinafter referred to as “Stipulated Penalties”) in accordance with the following provisions.

1. A Stipulated Penalty of $2,500 (which shall begin to accrue on the day after the date the obligation became due) per obligation for each day UHealth fails to establish, implement or comply with any of the following obligations as described in Section III:

University of Miami
Corporate Integrity Agreement
a. a Compliance Officer;

b. a Compliance Committee;

c. the Board compliance obligations and the engagement of a Compliance Expert, the performance of a Compliance Program Review and the preparation of a Compliance Program Review Report, as required by Section III.A.3.

d. the management certification obligations and the development and implementation of a written process for Certifying Employees, as required by Section III.A.4;

e. written Policies and Procedures;

f. the development of a written training plan and the training and education of Covered Persons and Board members;

g. a risk assessment and internal review process;

h. a Disclosure Program;

i. Ineligible Persons screening and removal requirements;

j. notification of Government investigations or legal proceedings;

k. policies and procedures regarding the repayment of Overpayments; and

l. reporting of Reportable Events.

2. A Stipulated Penalty of $2,500 (which shall begin to accrue on the day after the date the obligation became due) for each day UHealth fails to engage and use an IRO, as required by Section III.D, Appendix A, or Appendix B.

3. A Stipulated Penalty of $2,500 (which shall begin to accrue on the day after the date the obligation became due) for each day UHealth fails to timely submit (a) a complete Implementation Report or Annual Report, (b) a certification to OIG in
accordance with the requirements of Section V, or (c) a complete response to any request for information from OIG.

4. A Stipulated Penalty of $2,500 (which shall begin to accrue on the day after the date the obligation became due) for each day UHealth fails to submit any Claims Review Report in accordance with the requirements of Section III.D and Appendix B or fails to repay any Overpayment identified by the IRO, as required by Appendix B.

5. A Stipulated Penalty of $1,500 for each day UHealth fails to grant access as required in Section VII (This Stipulated Penalty shall begin to accrue on the date UHealth fails to grant access.).

6. A Stipulated Penalty of $50,000 for each false certification submitted by or on behalf of UHealth as part of its Implementation Report, any Annual Report, additional documentation to a report (as requested by OIG), or otherwise required by this CIA.

7. A Stipulated Penalty of $2,500 for each day UHealth fails to grant the IRO access to all records and personnel necessary to complete the reviews listed in Section III.D, and for each day UHealth fails to furnish accurate and complete records to the IRO, as required by Section III.D and Appendix A.

8. A Stipulated Penalty of $1,000 for each day UHealth fails to comply fully and adequately with any obligation of this CIA. OIG shall provide notice to UHealth stating the specific grounds for its determination that UHealth has failed to comply fully and adequately with the CIA obligation(s) at issue and steps UHealth shall take to comply with the CIA. (This Stipulated Penalty shall begin to accrue 10 business days after the date UHealth receives this notice from OIG of the failure to comply.) A Stipulated Penalty as described in this Subsection shall not be demanded for any violation for which OIG has sought a Stipulated Penalty under Subsections 1-7 of this Section.

B. Timely Written Requests for Extensions

UHealth may, in advance of the due date, submit a timely written request for an extension of time to perform any act or file any notification or report required by this CIA. Notwithstanding any other provision in this Section, if OIG grants the timely written request with respect to an act, notification, or report, Stipulated Penalties for failure to perform the act or file the notification or report shall not begin to accrue until

University of Miami
Corporate Integrity Agreement
one day after UHealth fails to meet the revised deadline set by OIG. Notwithstanding any other provision in this Section, if OIG denies such a timely written request, Stipulated Penalties for failure to perform the act or file the notification or report shall not begin to accrue until three business days after UHealth receives OIG’s written denial of such request or the original due date, whichever is later. A “timely written request” is defined as a request in writing received by OIG at least five business days prior to the date by which any act is due to be performed or any notification or report is due to be filed.

C. Payment of Stipulated Penalties

1. Demand Letter. Upon a finding that UHealth has failed to comply with any of the obligations described in Section X.A and after determining that Stipulated Penalties are appropriate, OIG shall notify UHealth of: (a) UHealth’s failure to comply; and (b) OIG’s exercise of its contractual right to demand payment of the Stipulated Penalties. (This notification shall be referred to as the “Demand Letter.”)

2. Response to Demand Letter. Within 10 business days after the receipt of the Demand Letter, UHealth shall either: (a) cure the breach to OIG’s satisfaction and pay the applicable Stipulated Penalties or (b) request a hearing before an HHS administrative law judge (ALJ) to dispute OIG’s determination of noncompliance, pursuant to the agreed upon provisions set forth below in Section X.E. In the event UHealth elects to request an ALJ hearing, the Stipulated Penalties shall continue to accrue until UHealth cures, to OIG’s satisfaction, the alleged breach in dispute. Failure to respond to the Demand Letter in one of these two manners within the allowed time period shall be considered a material breach of this CIA and shall be grounds for exclusion under Section X.D.

3. Form of Payment. Payment of the Stipulated Penalties shall be made by electronic funds transfer to an account specified by OIG in the Demand Letter.

4. Independence from Material Breach Determination. Except as set forth in Section X.D.1.c, these provisions for payment of Stipulated Penalties shall not affect or otherwise set a standard for OIG’s decision that UHealth has materially breached this CIA, which decision shall be made at OIG’s discretion and shall be governed by the provisions in Section X.D, below.
D. Exclusion for Material Breach of this CIA

1. Definition of Material Breach. A material breach of this CIA means:

   a. repeated violations or a flagrant violation of any of the obligations under this CIA, including, but not limited to, the obligations addressed in Section X.A;
   
   b. a failure by UHealth to report a Reportable Event, take corrective action, or make the appropriate refunds, as required in Section III.J;
   
   c. a failure to respond to a Demand Letter concerning the payment of Stipulated Penalties in accordance with Section X.C; or
   
   d. a failure to engage and use an IRO in accordance with Section III.D, Appendix A, or Appendix B.

2. Notice of Material Breach and Intent to Exclude. The parties agree that a material breach of this CIA by UHealth constitutes an independent basis for UHealth’s exclusion from participation in the Federal health care programs. The length of the exclusion shall be in the OIG’s discretion, but not more than five years per material breach. Upon a determination by OIG that UHealth has materially breached this CIA and that exclusion is the appropriate remedy, OIG shall notify UHealth of: (a) UHealth’s material breach; and (b) OIG’s intent to exercise its contractual right to impose exclusion. (This notification shall be referred to as the “Notice of Material Breach and Intent to Exclude.”)

3. Opportunity to Cure. UHealth shall have 30 days from the date of receipt of the Notice of Material Breach and Intent to Exclude to demonstrate that:

   a. the alleged material breach has been cured; or
   
   b. the alleged material breach cannot be cured within the 30 day period, but that: (i) UHealth has begun to take action to cure the material breach; (ii) UHealth is pursuing such action with
due diligence; and (iii) UHealth has provided to OIG a reasonable timetable for curing the material breach.

4. **Exclusion Letter.** If, at the conclusion of the 30-day period, UHealth fails to satisfy the requirements of Section X.D.3, OIG may exclude UHealth from participation in the Federal health care programs. OIG shall notify UHealth in writing of its determination to exclude UHealth. (This letter shall be referred to as the “Exclusion Letter.”) Subject to the Dispute Resolution provisions in Section X.E, below, the exclusion shall go into effect 30 days after the date of UHealth’s receipt of the Exclusion Letter. The exclusion shall have national effect. Reinstatement to program participation is not automatic. At the end of the period of exclusion, UHealth may apply for reinstatement by submitting a written request for reinstatement in accordance with the provisions at 42 C.F.R. §§ 1001.3001-.3004.

E. **Dispute Resolution**

1. **Review Rights.** Upon OIG’s delivery to UHealth of its Demand Letter or of its Exclusion Letter, and as an agreed-upon contractual remedy for the resolution of disputes arising under this CIA, UHealth shall be afforded certain review rights comparable to the ones that are provided in 42 U.S.C. § 1320a-7(f) and 42 C.F.R. Part 1005 as if they applied to the Stipulated Penalties or exclusion sought pursuant to this CIA. Specifically, OIG’s determination to demand payment of Stipulated Penalties or to seek exclusion shall be subject to review by an HHS ALJ and, in the event of an appeal, the HHS Departmental Appeals Board (DAB), in a manner consistent with the provisions in 42 C.F.R. § 1005.2-1005.21. Notwithstanding the language in 42 C.F.R. § 1005.2(c), the request for a hearing involving Stipulated Penalties shall be made within 10 days after receipt of the Demand Letter and the request for a hearing involving exclusion shall be made within 25 days after receipt of the Exclusion Letter. The procedures relating to the filing of a request for a hearing can be found at [http://www.hhs.gov/dab/divisions/civil/procedures/divisionprocedures.html](http://www.hhs.gov/dab/divisions/civil/procedures/divisionprocedures.html)

2. **Stipulated Penalties Review.** Notwithstanding any provision of Title 42 of the United States Code or Title 42 of the Code of Federal Regulations, the only issues in a proceeding for Stipulated Penalties under this CIA shall be: (a) whether UHealth was in full and timely compliance with the obligations of this CIA for which OIG demands payment; and (b) the period of noncompliance. UHealth shall have the burden of proving its full and timely compliance and the steps taken to cure the noncompliance, if any. OIG shall not have the right to appeal to the DAB an adverse ALJ decision related to Stipulated Penalties. If the ALJ agrees with OIG with regard to a

*University of Miami*
*Corporate Integrity Agreement*
finding of a breach of this CIA and orders UHealth to pay Stipulated Penalties, such Stipulated Penalties shall become due and payable 20 days after the ALJ issues such a decision unless UHealth requests review of the ALJ decision by the DAB. If the ALJ decision is properly appealed to the DAB and the DAB upholds the determination of OIG, the Stipulated Penalties shall become due and payable 20 days after the DAB issues its decision.

3. Exclusion Review. Notwithstanding any provision of Title 42 of the United States Code or Title 42 of the Code of Federal Regulations, the only issues in a proceeding for exclusion based on a material breach of this CIA shall be whether UHealth was in material breach of this CIA and, if so, whether:

a. UHealth cured such breach within 30 days of its receipt of the Notice of Material Breach; or

b. the alleged material breach could not have been cured within the 30 day period, but that, during the 30 day period following UHealth’s receipt of the Notice of Material Breach: (i) UHealth had begun to take action to cure the material breach; (ii) UHealth pursued such action with due diligence; and (iii) UHealth provided to OIG a reasonable timetable for curing the material breach.

For purposes of the exclusion herein, exclusion shall take effect only after an ALJ decision favorable to OIG, or, if the ALJ rules for UHealth, only after a DAB decision in favor of OIG. UHealth’s election of its contractual right to appeal to the DAB shall not abrogate OIG’s authority to exclude UHealth upon the issuance of an ALJ’s decision in favor of OIG. If the ALJ sustains the determination of OIG and determines that exclusion is authorized, such exclusion shall take effect 20 days after the ALJ issues such a decision, notwithstanding that UHealth may request review of the ALJ decision by the DAB. If the DAB finds in favor of OIG after an ALJ decision adverse to OIG, the exclusion shall take effect 20 days after the DAB decision. UHealth shall waive its right to any notice of such an exclusion if a decision upholding the exclusion is rendered by the ALJ or DAB. If the DAB finds in favor of UHealth, UHealth shall be reinstated effective on the date of the original exclusion.

4. Finality of Decision. The review by an ALJ or DAB provided for above shall not be considered to be an appeal right arising under any statutes or

XI. EFFECTIVE AND BINDING AGREEMENT

UHealth and OIG agree as follows:

A. This CIA shall become final and binding on the date the final signature is obtained on the CIA.

B. This CIA constitutes the complete agreement between the parties and may not be amended except by written consent of the parties to this CIA.

C. OIG may agree to a suspension of UHealth’s obligations under this CIA based on a certification by UHealth that it is no longer providing health care items or services that will be billed to any Federal health care program and it does not have any ownership or control interest, as defined in 42 U.S.C. §1320a-3, in any entity that bills any Federal health care program. If UHealth is relieved of its CIA obligations, UHealth shall be required to notify OIG in writing at least 30 days in advance if UHealth plans to resume providing health care items or services that are billed to any Federal health care program or to obtain an ownership or control interest in any entity that bills any Federal health care program. At such time, OIG shall evaluate whether the CIA will be reactivated or modified.

D. All requirements and remedies set forth in this CIA are in addition to and do not affect (1) UHealth’s responsibility to follow all applicable Federal health care program requirements or (2) the government’s right to impose appropriate remedies for failure to follow applicable Federal health care program requirements.

E. The undersigned UHealth signatories represent and warrant that they are authorized to execute this CIA. The undersigned OIG signatories represent that they are signing this CIA in their official capacities and that they are authorized to execute this CIA.

F. This CIA may be executed in counterparts, each of which constitutes an original and all of which constitute one and the same CIA. Electronically transmitted copies of signatures shall constitute acceptable, binding signatures for purposes of this CIA.

APPENDIX A

INDEPENDENT REVIEW ORGANIZATION

This Appendix contains the requirements relating to the Independent Review Organization (IRO) required by Section III.D of the CIA.

A. IRO Engagement

1. UHealth shall engage an IRO that possesses the qualifications set forth in Paragraph B, below, to perform the responsibilities in Paragraph C, below. The IRO shall conduct the review in a professionally independent and objective fashion, as set forth in Paragraph E. Within 30 days after OIG receives the information identified in Section V.A.7 of the CIA or any additional information submitted by UHealth in response to a request by OIG, whichever is later, OIG will notify UHealth if the IRO is unacceptable. Absent notification from OIG that the IRO is unacceptable, UHealth may continue to engage the IRO.

2. If UHealth engages a new IRO during the term of the CIA, that IRO must also meet the requirements of this Appendix. If a new IRO is engaged, UHealth shall submit the information identified in Section V.A.7 of the CIA to OIG within 30 days of engagement of the IRO. Within 30 days after OIG receives this information or any additional information submitted by UHealth at the request of OIG, whichever is later, OIG will notify UHealth if the IRO is unacceptable. Absent notification from OIG that the IRO is unacceptable, UHealth may continue to engage the IRO.

B. IRO Qualifications

The IRO shall:

1. assign individuals to conduct the Claims Review who have expertise in the Medicare and state Medicaid program requirements applicable to the claims being reviewed;

2. assign individuals to design and select the Claims Review sample who are knowledgeable about the appropriate statistical sampling techniques;

3. assign individuals to conduct the coding review portions of the Claims Review who have a nationally recognized coding certification and who have maintained this certification (e.g., completed applicable continuing education requirements);

4. assign licensed nurses or physicians with relevant education, training and
specialized expertise (or other licensed health care professionals acting within their scope of practice and specialized expertise) to make the medical necessity determinations required by the Claims Review; and

5. have sufficient staff and resources to conduct the reviews required by the CIA on a timely basis.

C. IRO Responsibilities

The IRO shall:

1. perform each Claims Review in accordance with the specific requirements of the CIA;

2. follow all applicable Medicare and state Medicaid program rules and reimbursement guidelines in making assessments in the Claims Review;

3. request clarification from the appropriate authority (e.g., Medicare contractor), if in doubt of the application of a particular Medicare or state Medicaid program policy or regulation;

4. respond to all OIG inquires in a prompt, objective, and factual manner; and

5. prepare timely, clear, well-written reports that include all the information required by Appendix B to the CIA.

D. UHealth Responsibilities

UHealth shall ensure that the IRO has access to all records and personnel necessary to complete the reviews listed in III.D of this CIA and that all records furnished to the IRO are accurate and complete.

E. IRO Independence and Objectivity

The IRO must perform the Claims Review in a professionally independent and objective fashion, as defined in the most recent Government Auditing Standards issued by the U.S. Government Accountability Office.
F. IRO Removal/Termination

1. **UHealth and IRO.** If UHealth terminates its IRO or if the IRO withdraws from the engagement during the term of the CIA, UHealth must submit a notice explaining (a) its reasons for termination of the IRO or (b) the IRO’s reasons for its withdrawal to OIG, no later than 30 days after termination or withdrawal. UHealth must engage a new IRO in accordance with Paragraph A of this Appendix and within 60 days of termination or withdrawal of the IRO.

2. **OIG Removal of IRO.** In the event OIG has reason to believe the IRO does not possess the qualifications described in Paragraph B, is not independent and objective as set forth in Paragraph E, or has failed to carry out its responsibilities as described in Paragraph C, OIG shall notify UHealth in writing regarding OIG’s basis for determining that the IRO has not met the requirements of this Appendix. UHealth shall have 30 days from the date of OIG’s written notice to provide information regarding the IRO’s qualifications, independence or performance of its responsibilities in order to resolve the concerns identified by OIG. If, following OIG’s review of any information provided by UHealth regarding the IRO, OIG determines that the IRO has not met the requirements of this Appendix, OIG shall notify UHealth in writing that UHealth shall be required to engage a new IRO in accordance with Paragraph A of this Appendix. UHealth must engage a new IRO within 60 days of its receipt of OIG’s written notice. The final determination as to whether or not to require UHealth to engage a new IRO shall be made at the sole discretion of OIG.
APPENDIX B

CLAIMS REVIEW

A. Claims Review. The IRO shall perform the Claims Review annually to cover each of the five Reporting Periods. The IRO shall perform all components of each Claims Review.

1. Definitions. For the purposes of the Claims Review, the following definitions shall be used:

a. Overpayment: The amount of money UHealth has received in excess of the amount due and payable under Medicare or any state Medicaid program requirements, as determined by the IRO in connection with the Claims Review performed under this Appendix B.

b. Selected UHealth Division or Department: The following are identified as a Selected UHealth Division or Department: (1) University of Miami Medical Group (the faculty practice plan); (2) UHealth Tower; (3) Sylvester Comprehensive Cancer Center; (4) Bascom Palmer Eye Institute; and (5) UHealth Ambulatory Services Division (outpatient clinics).

c. Paid Claim: A claim submitted by a Selected UHealth Division or Department and for which the Selected UHealth Division or Department has received reimbursement from the Medicare or state Medicaid program.

d. Population: The Population shall be defined as all Paid Claims for a Selected UHealth Division or Department during the 12-month period covered by the Claims Review. In OIG’s discretion, OIG may limit the Population to one or more subset(s) of Paid Claims to be reviewed and shall notify UHealth and the IRO of its selection of the Population at least 30 days prior to the end of each Reporting Period.

UHealth, or its IRO on behalf of UHealth, may submit proposals identifying suggestions for the subset(s) of Paid Claims to be reviewed at least 90 days prior to the end of each Reporting Period. In connection with limiting the Population, OIG may consider (1) proposals submitted by UHealth or its IRO or (2) information furnished to OIG regarding the results of UHealth’s internal risk assessment and internal auditing. The determination of whether, and
in what manner, to limit the Population shall be made at the sole discretion of OIG.

2. **Claims Review Sample.** OIG will identify two Selected UHealth Divisions or Departments that will be subject to the Claims Review in each Reporting Period. In order to facilitate OIG’s selection, at least 90 days prior to the end of the Reporting Period, UHealth shall furnish to OIG the following information for each Selected UHealth Division or Department for the prior fiscal year: (1) Federal health care program revenues, (2) Federal health care program patient census, and (2) Federal health care program payor mix. UHealth, or its IRO on behalf of UHealth, may submit proposals for the Selected UHealth Divisions or Departments to be subject to each Claims Review at the same time this information is provided to OIG; however, OIG retains the sole discretion to determine each Selected UHealth Division or Department.

The IRO shall randomly select and review a sample of 100 Paid Claims (Claims Review Sample) for each of the two Selected UHealth Divisions or Departments. The Paid Claims shall be reviewed based on the supporting documentation available at UHealth’s office or under UHealth’s control and applicable Medicare or state Medicaid program requirements to determine whether the items and services furnished were medically necessary and appropriately documented and whether the claim was correctly coded, submitted, and reimbursed, including a review of the accuracy of Place of Service coding. For each Paid Claim in the Claims Review Sample that results in an Overpayment, the IRO shall review the system(s) and process(es) that generated the Paid Claim and identify any problems or weaknesses that may have resulted in the identified Overpayments. The IRO shall provide its observations and recommendations on suggested improvements to the system(s) and the process(es) that generated the Paid Claim.

3. **Other Requirements.**

   a. **Supplemental Materials.** The IRO shall request all documentation and materials required for its review of the Paid Claims in the Claims Review Sample and UHealth shall furnish such documentation and materials to the IRO prior to the IRO initiating its review of the Claims Review Sample. If the IRO accepts any supplemental documentation or materials from UHealth after the IRO has completed its initial review of the Claims Review Sample (Supplemental Materials), the IRO shall identify in the Claims Review Report the Supplemental Materials, the date the Supplemental Materials were accepted, and the relative weight the IRO gave to the Supplemental Materials in its review. In addition, the IRO shall include a narrative in the Claims Review Report describing the process by which the Supplemental Materials were
accepted and the IRO’s reasons for accepting the Supplemental Materials.

b. **Paid Claims without Supporting Documentation.** Any Paid Claim for which UHealth cannot produce documentation shall be considered an error and the total reimbursement received by UHealth for such Paid Claim shall be deemed an Overpayment. Replacement sampling for Paid Claims with missing documentation is not permitted.

c. **Use of First Samples Drawn.** For the purposes of the Claims Review Sample discussed in this Appendix, the first set of Paid Claims selected shall be used (i.e., it is not permissible to generate more than one list of random samples and then select one for use with the Claims Review Sample).

4. **Repayment of Identified Overpayments.** UHealth shall repay within 60 days any Overpayment(s) identified by the IRO in the Claims Review Sample, in accordance with the requirements of 42 U.S.C. § 1320a-7k(d) and any applicable regulations and Centers for Medicare and Medicaid Services (CMS) guidance (the “CMS overpayment rule”). If UHealth determines that the CMS overpayment rule requires that an extrapolated Overpayment be repaid, UHealth shall repay that amount at the mean point estimate as calculated by the IRO. UHealth shall make available to OIG all documentation that reflects the refund of any Overpayment(s) to the payor. OIG, in its sole discretion, may refer the findings of the Claims Review Sample (and any related work papers) received from UHealth to the appropriate Medicare or state Medicaid program contractor for appropriate follow up by that payor.

B. **Claims Review Report.** The IRO shall prepare a Claims Review Report as described in this Appendix for each Claims Review performed. The following information shall be included in the Claims Review Report.

1. **Claims Review Methodology.**

   a. **Claims Review Population.** A description of the Population subject to the Claims Review.

   b. **Claims Review Objective.** A clear statement of the objective intended to be achieved by the Claims Review.

   c. **Source of Data.** A description of (1) the process used to identify Paid Claims in the Population and (2) the specific documentation relied upon by the IRO when performing the Claims Review (e.g., medical records, physician orders, certificates of medical necessity,
requisition forms, local medical review policies (including title and policy number), CMS program memoranda (including title and issuance number), Medicare or state Medicaid carrier or intermediary manual or bulletins (including issue and date), other policies, regulations, or directives).

d. Review Protocol. A narrative description of how the Claims Review was conducted and what was evaluated.

e. Supplemental Materials. A description of any Supplemental Materials as required by Section A.3.a., above.

2. Statistical Sampling Documentation.

a. A copy of the printout of the random numbers generated by the “Random Numbers” function of the statistical sampling software used by the IRO.

b. A description or identification of the statistical sampling software package used by the IRO.

a. Narrative Results.

i. A description of UHealth’s billing and coding system(s), including the identification, by position description, of the personnel involved in coding and billing.

ii. A description of controls in place at UHealth to ensure that all items and services billed to Medicare or state Medicaid program are medically necessary, appropriately documented, and correctly coded, submitted and reimbursed (including but not limited to a description of controls related to Place of Service coding).

iii. A narrative explanation of the IRO’s findings and supporting rationale (including reasons for errors, patterns noted, etc.) regarding the Claims Review, including the results of the Claims Review Sample.
b. **Quantitative Results.**

i. Total number and percentage of instances in which the IRO determined that the coding of the Paid Claims submitted by UHealth differed from what should have been the correct coding and in which such difference resulted in an Overpayment to UHealth.
