Contemporaneously with this CIA, VITAS is entering into a Settlement Agreement with the United States.

VITAS represents that it has an established corporate compliance program (“Compliance Program”), which preceded the execution of this CIA, and which applies in all aspects to VITAS. The Compliance Program includes written policies and procedures, education and training programs, ongoing compliance monitoring mechanisms and auditing functions for employees and agents to report incidents of noncompliance in an anonymous and confidential manner, disciplinary actions for individuals violating VITAS’ policies and procedures, and oversight by VITAS’ Chief Compliance Officer and its Compliance Committee. II. TERM AND SCOPE OF THE CIA

A. The period of the compliance obligations assumed by VITAS under this CIA shall be five years from the effective date of this CIA. The “Effective Date” shall be the date on which the final signatory of this CIA executes this CIA. Each one-year period, beginning with the one-year period following the Effective Date, shall be referred to as a “Reporting Period.”

B. Sections VII, X, and XI shall expire no later than 120 days after OIG’s receipt of: (1) VITAS’ final Annual Report or (2) any additional materials submitted by VITAS pursuant to OIG’s request, whichever is later.

Notwithstanding the above, this term does not include part-time or per diem employees, contractors, subcontractors, agents, and other persons who are not reasonably expected to work more than 160 hours during a Reporting Period, except that any such individuals shall become “Covered Persons” at the point when they work more than 160 hours during a Reporting Period.

At minimum, the resolution shall include the following language:

knowledge, VITAS has implemented an effective Compliance Program to meet Federal health care program requirements and the obligations of the CIA.”

If the Governing Body is unable to provide such a conclusion in the resolution, the Governing Body shall include in the resolution a written explanation of the reasons why it is unable to provide the conclusion and the steps it is taking to implement an effective Compliance Program at VITAS.

VITAS shall report to OIG, in writing, any changes in the composition of the Governing Body, or any actions or changes that would affect the Governing Body’s ability to perform the duties necessary to meet the obligations in this CIA, within 15 days after such a change.

4. **Management Certifications.** In addition to the responsibilities set forth in this CIA for all Covered Persons, certain VITAS employees (Certifying Employees) are expected to monitor and oversee activities within their areas of authority and shall annually certify that the applicable VITAS department is in compliance with applicable Federal health care program requirements and the obligations of this CIA. Within 90 days after the Effective Date, VITAS shall develop and implement a written process for Certifying Employees to follow for the purpose of completing the certification required by this section (e.g., reports that must be reviewed, assessments that must be completed, sub-certifications that must be obtained, etc. prior to the Certifying Employee making the required certification).

5. **Chemed Corporation Executive Certifications.** For each Reporting Period of the CIA, each Chemed Corporation Executive shall certify that VITAS is in compliance with Federal health care program requirements and the obligations of this CIA as follows:

   a. Engagement of Independent Review Organization. Within 120 days after the Effective Date, VITAS shall engage an entity (or entities), such as an accounting, auditing, or consulting firm (hereinafter “Independent Review Organization” or “IRO”), to perform the reviews listed in this Section III.D. The applicable requirements relating to the IRO are outlined in Appendix A to this CIA, which is incorporated by reference.

   b. Retention of Records. The IRO and VITAS shall retain and make available to OIG, upon request, all work papers, supporting documentation, correspondence, and draft reports (those exchanged between the IRO and VITAS) related to the reviews.

2. Claims Review. The IRO shall review claims submitted by VITAS and reimbursed by the Medicare and Medicaid programs, to determine whether the items and services furnished were medically necessary and appropriately documented and whether the claims were correctly coded, submitted and reimbursed (Claims Review) and shall prepare a Claims Review Report, as outlined in Appendix B to this CIA, which is incorporated by reference.

3. Independence and Objectivity Certification. The IRO shall include in its report(s) to VITAS a certification that the IRO has (a) evaluated its professional independence and objectivity with respect to the reviews required under this Section III.D and (b) concluded that it is, in fact, independent and objective, in accordance with the requirements specified in Appendix A to this CIA. The IRO’s certification shall include a summary of all current and prior engagements between VITAS and the IRO.

E. Risk Assessment and Internal Review Process

Within 90 days after the Effective Date, VITAS shall develop and implement a centralized annual risk assessment and internal review process to identify and address risks associated with VITAS’ participation in the Federal health care programs, including but not limited to the risks associated with the submission of claims for items and services furnished to Medicare and Medicaid program beneficiaries. The risk assessment
and internal review process shall require compliance, legal, and department leaders, at least annually, to: (1) identify and prioritize risks, (2) develop internal audit work plans related to the identified risk areas, (3) implement the internal audit work plans, (4) develop corrective action plans in response to the results of any internal audits performed, and (5) track the implementation of the corrective action plans in order to assess the effectiveness of such plans. VITAS shall maintain the risk assessment and internal review process for the term of the CIA.

F. Disclosure Program

Within 90 days after the Effective Date, VITAS shall establish a Disclosure Program that includes a mechanism (e.g., a toll-free compliance telephone line) to enable individuals to disclose, to the Compliance Officer or some other person who is not in the disclosing individual’s chain of command, any identified issues or questions associated with VITAS’ policies, conduct, practices, or procedures with respect to a Federal health care program believed by the individual to be a potential violation of criminal, civil, or administrative law. VITAS shall appropriately publicize the existence of the disclosure mechanism (e.g., via periodic e-mails to employees or by posting the information in prominent common areas).

The Disclosure Program shall emphasize a nonretribution, nonretaliation policy and shall include a reporting mechanism for anonymous communications for which appropriate confidentiality shall be maintained. The Disclosure Program also shall include a requirement that all of VITAS’ Covered Persons shall be expected to report suspected violations of any Federal health care program requirements to the Compliance Officer or other appropriate individual designated by VITAS. Upon receipt of a disclosure, the Compliance Officer (or designee) shall gather all relevant information from the disclosing individual. The Compliance Officer (or designee) shall make a preliminary, good faith inquiry into the allegations set forth in every disclosure to ensure that he or she has obtained all of the information necessary to determine whether a further review should be conducted. For any disclosure that is sufficiently specific so that it reasonably: (1) permits a determination of the appropriateness of the alleged improper practice; and (2) provides an opportunity for taking corrective action, VITAS shall conduct an internal review of the allegations set forth in the disclosure and ensure that proper follow-up is conducted.

The Compliance Officer (or designee) shall maintain a disclosure log and shall record each disclosure in the disclosure log within two business days of receipt of the disclosure. The disclosure log shall include a summary of each disclosure received.
(whether anonymous or not), the status of the respective internal reviews, and any corrective action taken in response to the internal reviews.

G. Ineligible Persons

a. an “Ineligible Person” shall include an individual or entity who:

   i. is currently excluded from participation in any Federal health care program; or
   
   ii. has been convicted of a criminal offense that falls within the scope of 42 U.S.C. § 1320a-7(a), but has not yet been excluded.

2. Screening Requirements. VITAS shall ensure that all prospective and current Covered Persons are not Ineligible Persons, by implementing the following screening requirements.

a. VITAS shall screen all prospective Covered Persons against the Exclusion List prior to engaging their services and, as part of the hiring or contracting process, shall require such Covered Persons to disclose whether they are Ineligible Persons.

b. VITAS shall screen all current Covered Persons against the Exclusion List within 90 days after the Effective Date and on a monthly basis thereafter.

c. VITAS shall implement a policy requiring all Covered Persons to disclose immediately if they become an Ineligible Person.
Nothing in this Section III.G affects VITAS’ responsibility to refrain from (and liability for) billing Federal health care programs for items or services furnished, ordered, or prescribed by an excluded person. VITAS understands that items or services furnished, ordered, or prescribed by excluded persons are not payable by Federal health care programs and that VITAS may be liable for overpayments and/or criminal, civil, and administrative sanctions for employing or contracting with an excluded person regardless of whether VITAS meets the requirements of Section III.G.

3. **Removal Requirement.** If VITAS has actual notice that a Covered Person has become an Ineligible Person, VITAS shall remove such Covered Person from responsibility for, or involvement with, VITAS’ business operations related to the Federal health care program(s) from which such Covered Person has been excluded and shall remove such Covered Person from any position for which the Covered Person’s compensation or the items or services furnished, ordered, or prescribed by the Covered Person are paid in whole or part, directly or indirectly, by any Federal health care program(s) from which the Covered Person has been excluded at least until such time as the Covered Person is reinstated into participation in such Federal health care program(s).

4. **Pending Charges and Proposed Exclusions.** If VITAS has actual notice that a Covered Person is charged with a criminal offense that falls within the scope of 42 U.S.C. §§ 1320a-7(a), 1320a-7(b)(1)-(3), or is proposed for exclusion during the Covered Person’s employment or contract term, or during the term of a physician’s or other practitioner’s medical staff privileges, VITAS shall take all appropriate actions to ensure that the responsibilities of that Covered Person have not and shall not adversely affect the quality of care rendered to any beneficiary or the accuracy of any claims submitted to any Federal health care program.

H. **Notification of Government Investigation or Legal Proceeding**

Within 30 days after discovery, VITAS shall notify OIG, in writing, of any ongoing investigation or legal proceeding known to VITAS conducted or brought by a governmental entity or its agents involving an allegation that VITAS has committed a crime or has engaged in fraudulent activities. This notification shall include a description of the allegation, the identity of the investigating or prosecuting agency, and the status of such investigation or legal proceeding. VITAS also shall provide written notice to OIG within 30 days after the resolution of the matter and a description of the findings and/or results of the investigation or proceeding, if any.

   d. the filing of a bankruptcy petition by VITAS.

A Reportable Event may be the result of an isolated event or a series of occurrences.

2. **Reporting of Reportable Events.** If VITAS determines (after a reasonable opportunity to conduct an appropriate review or investigation of the allegations) through any means that there is a Reportable Event, VITAS shall notify OIG, in writing, within 30 days after making the determination that the Reportable Event exists.

3. **Reportable Events under Section III.J.1.a and III.J.1.b.** For Reportable Events under Section III.J.1.a and b, the report to OIG shall include:
a. a complete description of all details relevant to the Reportable Event, including, at a minimum, the types of claims, transactions or other conduct giving rise to the Reportable Event; the period during which the conduct occurred; and the names of individuals and entities believed to be implicated, including an explanation of their roles in the Reportable Event;

b. a statement of the Federal criminal, civil or administrative laws that are probably violated by the Reportable Event, if any;

c. the Federal health care programs affected by the Reportable Event;

d. a description of the steps taken by VITAS to identify and quantify any Overpayments; and

e. a description of VITAS’ actions taken to correct the Reportable Event and prevent it from recurring.

If the Reportable Event involves an Overpayment, within 60 days of identification of the Overpayment, VITAS shall repay the Overpayment, in accordance with the requirements of 42 U.S.C. § 1320a-7k(d) and 42 C.F.R. § 401.301-305 (and any applicable CMS guidance) and provide OIG with a copy of the notification and repayment.

d. a description of how the Ineligible Person was identified; and

e. a description of any corrective action implemented to prevent future employment or contracting with an Ineligible Person.

5. Reportable Events under Section III.J.1.d. For Reportable Events under Section III.J.1.d, the report to OIG shall include documentation of the bankruptcy filing and a description of any Federal health care program requirements implicated.

6. Reportable Events Involving the Stark Law. Notwithstanding the reporting requirements outlined above, any Reportable Event that involves solely a probable violation of section 1877 of the Social Security Act, 42 U.S.C. §1395nn (the Stark Law) should be submitted by VITAS to the Centers for Medicare & Medicaid Services (CMS) through the self-referral disclosure protocol (SRDP), with a copy to the OIG. If VITAS identifies a probable violation of the Stark Law and repays the applicable Overpayment directly to the CMS contractor, then VITAS is not required by this Section III.J to submit the Reportable Event to CMS through the SRDP.

IV. SUCCESSOR LIABILITY

In the event that, after the Effective Date, VITAS proposes to (a) sell any or all of its business, business units, or locations (whether through a sale of assets, sale of stock, or other type of transaction) relating to the furnishing of items or services that may be reimbursed by a Federal health care program, or (b) purchase or establish a new business, business unit, or location relating to the furnishing of items or services that may be reimbursed by a Federal health care program, the CIA shall be binding on the purchaser of any business, business unit, or location and any new business, business unit, or location (and all Covered Persons at each new business, business unit, or location) shall be subject to the applicable requirements of this CIA, unless otherwise determined and agreed to in writing by OIG.

If, in advance of a proposed sale or a proposed purchase, VITAS wishes to obtain a determination by OIG that the proposed purchaser or the proposed acquisition will not be subject to the requirements of the CIA, VITAS must notify OIG in writing of the proposed sale or purchase at least 30 days in advance. This notification shall include a description of the business, business unit, or location to be sold or purchased, a brief

Unless otherwise specified, all notifications and reports required by this CIA shall be made by electronic mail, overnight mail, hand delivery, or other means, provided that there is proof that such notification was received. Upon request by OIG, VITAS may be required to provide OIG with an electronic copy of each notification or report required by this CIA in addition to a paper copy.

VII. OIG INSPECTION, AUDIT, AND REVIEW RIGHTS

In addition to any other rights OIG may have by statute, regulation, or contract, OIG or its duly authorized representative(s) may conduct interviews, examine and/or request copies of or copy VITAS’ books, records, and other documents and supporting materials, and conduct on-site reviews of any of VITAS’ locations, for the purpose of verifying and evaluating: (a) VITAS’ compliance with the terms of this CIA and (b) VITAS’ compliance with the requirements of the Federal health care programs. The documentation described above shall be made available by VITAS to OIG or its duly authorized representative(s) at all reasonable times for inspection, audit, and/or reproduction. Furthermore, for purposes of this provision, OIG or its duly authorized representative(s) may interview any of VITAS’ owners who are natural persons (other than shareholders who: (1) have an ownership interest of less than 5% and (2) acquired the ownership interest through public trading), employees, contractors, and directors who consent to be interviewed at the individual’s place of business during normal business hours or at such other place and time as may be mutually agreed upon between the individual and OIG. VITAS shall assist OIG or its duly authorized representative(s) in contacting and arranging interviews with such individuals upon OIG’s request. VITAS’ owners, employees, contractors, and directors may elect to be interviewed with or without a representative of VITAS present.

VIII. DOCUMENT AND RECORD RETENTION

VITAS shall maintain for inspection all documents and records relating to reimbursement from the Federal health care programs and to compliance with this CIA for six years (or longer if otherwise required by law) from the Effective Date.

IX. DISCLOSURES

Consistent with HHS’s FOIA procedures, set forth in 45 C.F.R. Part 5, OIG shall make a reasonable effort to notify VITAS prior to any release by OIG of information submitted by VITAS pursuant to its obligations under this CIA and identified upon submission by VITAS as trade secrets, or information that is commercial or financial and
privileged or confidential, under the FOIA rules. With respect to such releases, VITAS shall have the rights set forth at 45 C.F.R. § 5.65(d).

X. **BREACH AND DEFAULT PROVISIONS**

VITAS is expected to fully and timely comply with all of its CIA obligations.

A. **Stipulated Penalties for Failure to Comply with Certain Obligations**

As a contractual remedy, VITAS and OIG hereby agree that failure to comply with certain obligations as set forth in this CIA may lead to the imposition of the following monetary penalties (hereinafter referred to as “Stipulated Penalties”) in accordance with the following provisions.

1. A Stipulated Penalty of $2,500 (which shall begin to accrue on the day after the date the obligation became due) for each day VITAS fails to establish, implement or comply with any of the following obligations as described in Section III:

   a. a Compliance Officer;
   
   b. a Compliance Committee;
   
   c. the Governing Body compliance obligations;
   
   d. the management certification obligations;
   
   e. written Policies and Procedures;
   
   f. training and education of Covered Persons and Governing Body Members;
   
   g. a risk assessment and internal review process;
   
   h. a Disclosure Program;
   
   i. Ineligible Persons screening and removal requirements;
   
   j. notification of Government investigations or legal proceedings;

k. policies and procedures regarding the repayment of Overpayments; and

l. reporting of Reportable Events.

2. A Stipulated Penalty of $2,500 (which shall begin to accrue on the day after the date the obligation became due) for each day VITAS fails to engage and use an IRO, as required by Section III.D, Appendix A, or Appendix B.

3. A Stipulated Penalty of $2,500 (which shall begin to accrue on the day after the date the obligation became due) for each day VITAS fails to submit a complete Implementation Report, Annual Report or any certification to OIG in accordance with the requirements of Section V by the deadlines for submission.

4. A Stipulated Penalty of $2,500 (which shall begin to accrue on the day after the date the obligation became due) for each day VITAS fails to submit any Claims Review Report in accordance with the requirements of Section III.D and Appendix B or fails to repay any Overpayment identified by the IRO, as required by Appendix B.

5. A Stipulated Penalty of $1,500 for each day VITAS fails to grant access as required in Section VII. (This Stipulated Penalty shall begin to accrue on the date VITAS fails to grant access.)

6. A Stipulated Penalty of $50,000 for each false certification submitted by or on behalf of VITAS as part of its Implementation Report, any Annual Report, additional documentation to a report (as requested by the OIG), or otherwise required by this CIA.

7. A Stipulated Penalty of $1,000 for each day VITAS fails to comply fully and adequately with any obligation of this CIA. OIG shall provide notice to VITAS stating the specific grounds for its determination that VITAS has failed to comply fully and adequately with the CIA obligation(s) at issue and steps VITAS shall take to comply with the CIA. (This Stipulated Penalty shall begin to accrue 10 days after the date VITAS receives this notice from OIG of the failure to comply.) A Stipulated Penalty as described in this Subsection shall not be demanded for any violation for which OIG has sought a Stipulated Penalty under Subsections 1- 6 of this Section.
B. Timely Written Requests for Extensions

VITAS may, in advance of the due date, submit a timely written request for an extension of time to perform any act or file any notification or report required by this CIA. Notwithstanding any other provision in this Section, if OIG grants the timely written request with respect to an act, notification, or report, Stipulated Penalties for failure to perform the act or file the notification or report shall not begin to accrue until one day after VITAS fails to meet the revised deadline set by OIG. Notwithstanding any other provision in this Section, if OIG denies such a timely written request, Stipulated Penalties for failure to perform the act or file the notification or report shall not begin to accrue until three days after VITAS receives OIG’s written denial of such request or the original due date, whichever is later. A “timely written request” is defined as a request in writing received by OIG at least five days prior to the date by which any act is due to be performed or any notification or report is due to be filed.

C. Payment of Stipulated Penalties

1. Demand Letter. Upon a finding that VITAS has failed to comply with any of the obligations described in Section X.A and after determining that Stipulated Penalties are appropriate, OIG shall notify VITAS of: (a) VITAS’ failure to comply; and (b) OIG’s exercise of its contractual right to demand payment of the Stipulated Penalties. (This notification shall be referred to as the “Demand Letter.”)

2. Response to Demand Letter. Within 10 days after the receipt of the Demand Letter, VITAS shall either: (a) cure the breach to OIG’s satisfaction and pay the applicable Stipulated Penalties or (b) request a hearing before an HHS administrative law judge (ALJ) to dispute OIG’s determination of noncompliance, pursuant to the agreed upon provisions set forth below in Section X.E. In the event VITAS elects to request an ALJ hearing, the Stipulated Penalties shall continue to accrue until VITAS cures, to OIG’s satisfaction, the alleged breach in dispute. Failure to respond to the Demand Letter in one of these two manners within the allowed time period shall be considered a material breach of this CIA and shall be grounds for exclusion under Section X.D.

3. Form of Payment. Payment of the Stipulated Penalties shall be made by electronic funds transfer to an account specified by OIG in the Demand Letter.

4. Independence from Material Breach Determination. Except as set forth in Section X.D.1.c, these provisions for payment of Stipulated Penalties shall not affect or otherwise set a standard for OIG’s decision that VITAS has materially breached...
this CIA, which decision shall be made at OIG’s discretion and shall be governed by the provisions in Section X.D, below.

D. Exclusion for Material Breach of this CIA

1. Definition of Material Breach. A material breach of this CIA means:

   a. repeated violations or a flagrant violation of any of the obligations under this CIA, including, but not limited to, the obligations addressed in Section X.A;

   b. a failure by VITAS to report a Reportable Event, take corrective action, or make the appropriate refunds, as required in Section III.J;

   c. a failure to respond to a Demand Letter concerning the payment of Stipulated Penalties in accordance with Section X.C; or

   d. a failure to engage and use an IRO in accordance with Section III.D, Appendix A, or Appendix B.

2. Notice of Material Breach and Intent to Exclude. The parties agree that a material breach of this CIA by VITAS constitutes an independent basis for VITAS’ exclusion from participation in the Federal health care programs. The length of the exclusion shall be in the OIG’s discretion, but not more than five years per material breach. Upon a determination by OIG that VITAS has materially breached this CIA and that exclusion is the appropriate remedy, OIG shall notify VITAS of: (a) VITAS’ material breach; and (b) OIG’s intent to exercise its contractual right to impose exclusion. (This notification shall be referred to as the “Notice of Material Breach and Intent to Exclude.”)

3. Opportunity to Cure. VITAS shall have 30 days from the date of receipt of the Notice of Material Breach and Intent to Exclude to demonstrate that:

   a. the alleged material breach has been cured; or

   b. the alleged material breach cannot be cured within the 30 day period, but that: (i) VITAS has begun to take action to cure
the material breach; (ii) VITAS is pursuing such action with
due diligence; and (iii) VITAS has provided to OIG a
reasonable timetable for curing the material breach.

4. **Exclusion Letter.** If, at the conclusion of the 30 day period, VITAS
fails to satisfy the requirements of Section X.D.3, OIG may exclude VITAS from
participation in the Federal health care programs. OIG shall notify VITAS in writing of
its determination to exclude VITAS. (This letter shall be referred to as the “Exclusion
Letter.”) Subject to the Dispute Resolution provisions in Section X.E, below, the
exclusion shall go into effect 30 days after the date of VITAS’ receipt of the Exclusion
Letter. The exclusion shall have national effect. Reinstatement to program participation
is not automatic. At the end of the period of exclusion, VITAS may apply for
reinstatement by submitting a written request for reinstatement in accordance with the
provisions at 42 C.F.R. §§ 1001.3001-.3004.

E. **Dispute Resolution**

1. **Review Rights.** Upon OIG’s delivery to VITAS of its Demand
Letter or of its Exclusion Letter, and as an agreed-upon contractual remedy for the
resolution of disputes arising under this CIA, VITAS shall be afforded certain review
rights comparable to the ones that are provided in 42 U.S.C. § 1320a-7(f) and 42 C.F.R.
Part 1005 as if they applied to the Stipulated Penalties or exclusion sought pursuant to
this CIA. Specifically, OIG’s determination to demand payment of Stipulated Penalties
or to seek exclusion shall be subject to review by an HHS ALJ and, in the event of an
appeal, the HHS Departmental Appeals Governing Body (DAB), in a manner consistent
with the provisions in 42 C.F.R. § 1005.2-1005.21. Notwithstanding the language in 42
C.F.R. § 1005.2(c), the request for a hearing involving Stipulated Penalties shall be made
within 10 days after receipt of the Demand Letter and the request for a hearing involving
exclusion shall be made within 25 days after receipt of the Exclusion Letter. The
procedures relating to the filing of a request for a hearing can be found at
http://www.hhs.gov/dab/divisions/civil/procedures/divisionprocedures.html

2. **Stipulated Penalties Review.** Notwithstanding any provision of Title
42 of the United States Code or Title 42 of the Code of Federal Regulations, the only
issues in a proceeding for Stipulated Penalties under this CIA shall be: (a) whether
VITAS was in full and timely compliance with the obligations of this CIA for which OIG
demands payment; and (b) the period of noncompliance. VITAS shall have the burden of
proving its full and timely compliance and the steps taken to cure the noncompliance, if
any. OIG shall not have the right to appeal to the DAB an adverse ALJ decision related

*VITAS Corporate Integrity Agreement*
to Stipulated Penalties. If the ALJ agrees with OIG with regard to a finding of a breach of this CIA and orders VITAS to pay Stipulated Penalties, such Stipulated Penalties shall become due and payable 20 days after the ALJ issues such a decision unless VITAS requests review of the ALJ decision by the DAB. If the ALJ decision is properly appealed to the DAB and the DAB upholds the determination of OIG, the Stipulated Penalties shall become due and payable 20 days after the DAB issues its decision.

3. **Exclusion Review.** Notwithstanding any provision of Title 42 of the United States Code or Title 42 of the Code of Federal Regulations, the only issues in a proceeding for exclusion based on a material breach of this CIA shall be whether VITAS was in material breach of this CIA and, if so, whether:

   a. VITAS cured such breach within 30 days of its receipt of the Notice of Material Breach; or

   b. the alleged material breach could not have been cured within the 30 day period, but that, during the 30 day period following VITAS’ receipt of the Notice of Material Breach: (i) VITAS had begun to take action to cure the material breach; (ii) VITAS pursued such action with due diligence; and (iii) VITAS provided to OIG a reasonable timetable for curing the material breach.

   For purposes of the exclusion herein, exclusion shall take effect only after an ALJ decision favorable to OIG, or, if the ALJ rules for VITAS, only after a DAB decision in favor of OIG. VITAS’ election of its contractual right to appeal to the DAB shall not abrogate OIG’s authority to exclude VITAS upon the issuance of an ALJ’s decision in favor of OIG. If the ALJ sustains the determination of OIG and determines that exclusion is authorized, such exclusion shall take effect 20 days after the ALJ issues such a decision, notwithstanding that VITAS may request review of the ALJ decision by the DAB. If the DAB finds in favor of OIG after an ALJ decision adverse to OIG, the exclusion shall take effect 20 days after the DAB decision. VITAS shall waive its right to any notice of such an exclusion if a decision upholding the exclusion is rendered by the ALJ or DAB. If the DAB finds in favor of VITAS, VITAS shall be reinstated effective on the date of the original exclusion.

4. **Finality of Decision.** The review by an ALJ or DAB provided for above shall not be considered to be an appeal right arising under any statutes or regulations. Consequently, the parties to this CIA agree that the DAB’s decision (or the ALJ’s decision if not appealed) shall be considered final for all purposes under this CIA.

*VITAS Corporate Integrity Agreement*
XI. EFFECTIVE AND BINDING AGREEMENT

VITAS and OIG agree as follows:

A. This CIA shall become final and binding on the date the final signature is obtained on the CIA.

B. This CIA constitutes the complete agreement between the parties and may not be amended except by written consent of the parties to this CIA.

C. OIG may agree to a suspension of VITAS’ obligations under this CIA based on a certification by VITAS that it is no longer providing health care items or services that will be billed to any Federal health care program and it does not have any ownership or control interest, as defined in 42 U.S.C. §1320a-3, in any entity that bills any Federal health care program. If VITAS is relieved of its CIA obligations, VITAS shall be required to notify OIG in writing at least 30 days in advance if VITAS plans to resume providing health care items or services that are billed to any Federal health care program or to obtain an ownership or control interest in any entity that bills any Federal health care program. At such time, OIG shall evaluate whether the CIA will be reactivated or modified.

D. All requirements and remedies set forth in this CIA are in addition to and do not affect (1) VITAS’ responsibility to follow all applicable Federal health care program requirements or (2) the government’s right to impose appropriate remedies for failure to follow applicable Federal health care program requirements.

E. The undersigned VITAS signatories represent and warrant that they are authorized to execute this CIA. The undersigned OIG signatories represent that they are signing this CIA in their official capacities and that they are authorized to execute this CIA.

F. This CIA may be executed in counterparts, each of which constitutes an original and all of which constitute one and the same CIA. Electronically-transmitted copies of signatures shall constitute acceptable, binding signatures for purposes of this CIA.

APPENDIX A

INDEPENDENT REVIEW ORGANIZATION

This Appendix contains the requirements relating to the Independent Review Organization (IRO) required by Section III.D of the CIA.

A. IRO Engagement

1. VITAS shall engage an IRO that possesses the qualifications set forth in Paragraph B, below, to perform the responsibilities in Paragraph C, below. The IRO shall conduct the review in a professionally independent and objective fashion, as set forth in Paragraph D. Within 30 days after OIG receives the information identified in Section V.A.7 of the CIA or any additional information submitted by VITAS in response to a request by OIG, whichever is later, OIG will notify VITAS if the IRO is unacceptable. Absent notification from OIG that the IRO is unacceptable, VITAS may continue to engage the IRO.

2. If VITAS engages a new IRO during the term of the CIA, that IRO must also meet the requirements of this Appendix. If a new IRO is engaged, VITAS shall submit the information identified in Section V.A.7 of the CIA to OIG within 30 days of engagement of the IRO. Within 30 days after OIG receives this information or any additional information submitted by VITAS at the request of OIG, whichever is later, OIG will notify VITAS if the IRO is unacceptable. Absent notification from OIG that the IRO is unacceptable, VITAS may continue to engage the IRO.

B. IRO Qualifications

The IRO shall:

1. assign individuals to conduct the Claims Review who have expertise in the Medicare and state Medicaid program requirements applicable to the claims being reviewed;

2. assign individuals to design and select the Claims Review sample who are knowledgeable about the appropriate statistical sampling techniques;

3. assign individuals to conduct the coding review portions of the Claims Review who have experience in providing healthcare services under the Medicare Hospice Benefit, including making eligibility and level of care decisions;

4. assign licensed nurses or physicians with relevant education, training and specialized expertise (or other licensed health care professionals acting within their scope
of practice and specialized expertise) to make the medical necessity determinations required by the Claims Review; and

5. have sufficient staff and resources to conduct the reviews required by the CIA on a timely basis.

C. IRO Responsibilities

The IRO shall:

1. perform each Claims Review in accordance with the specific requirements of the CIA;

2. follow all applicable Medicare and state Medicaid program rules and reimbursement guidelines in making assessments in the Claims Review;

3. request clarification from the appropriate authority (e.g., Medicare contractor), if in doubt of the application of a particular Medicare or state Medicaid program policy or regulation;

4. respond to all OIG inquires in a prompt, objective, and factual manner; and

5. prepare timely, clear, well-written reports that include all the information required by Appendix B to the CIA.

D. IRO Independence and Objectivity

The IRO must perform the Claims Review in a professionally independent and objective fashion, as defined in the most recent Government Auditing Standards issued by the U.S. Government Accountability Office.

E. IRO Removal/Termination

1. **VITAS and IRO.** If VITAS terminates its IRO or if the IRO withdraws from the engagement during the term of the CIA, VITAS must submit a notice explaining (a) its reasons for termination of the IRO or (b) the IRO’s reasons for its withdrawal to OIG, no later than 30 days after termination or withdrawal. VITAS must engage a new IRO in accordance with Paragraph A of this Appendix and within 60 days of termination or withdrawal of the IRO.

2. **OIG Removal of IRO.** In the event OIG has reason to believe the IRO does not possess the qualifications described in Paragraph B, is not independent and objective as set forth in Paragraph D, or has failed to carry out its responsibilities as described in
Paragraph C, OIG shall notify VITAS in writing regarding OIG’s basis for determining that the IRO has not met the requirements of this Appendix. VITAS shall have 30 days from the date of OIG’s written notice to provide information regarding the IRO’s qualifications, independence or performance of its responsibilities in order to resolve the concerns identified by OIG. If, following OIG’s review of any information provided by VITAS regarding the IRO, OIG determines that the IRO has not met the requirements of this Appendix, OIG shall notify VITAS in writing that VITAS shall be required to engage a new IRO in accordance with Paragraph A of this Appendix. VITAS must engage a new IRO within 60 days of its receipt of OIG’s written notice. The final determination as to whether or not to require VITAS to engage a new IRO shall be made at the sole discretion of OIG.
APPENDIX B

CLAIMS REVIEW

A. Claims Review. The Claims Review shall consist of two components, the Eligibility Review and the Appropriate Level of Services Review. The IRO shall perform the Eligibility Review and the Appropriate Level of Services Review annually to cover each of the five Reporting Periods.

1. Definitions. For the purposes of the Claims Review, the following definitions shall be used:

   a. **Claim Period**: The period of time covered by a complete election period as defined at 42 C.F.R. 418.21, for which claims were submitted to Medicare by VITAS for services provided to a beneficiary.

   b. **Overpayment**: The amount of money VITAS has received in excess of the amount due and payable under Medicare requirements, as determined by the IRO in connection with the reviews performed under this Appendix B.

   c. **Hospice Population**: All hospices owned and/or operated by VITAS at any time during the Reporting Period. Each VITAS hospice provider number is to be considered a separate “Hospice.”

   d. **Beneficiary Population**: The Beneficiary Population shall be defined as all Medicare beneficiaries who received uninterrupted services from VITAS for 210 days or more at any time during the Reporting Period at a Hospice and for whom VITAS submitted a claim and received reimbursement.

   e. **Beneficiary Sample**: A Beneficiary Sample shall consist of a statistically valid random sample of 30 Medicare beneficiaries drawn from the Beneficiary Population at a Hospice.

   f. **Eligibility Review Error Rate**: The Eligibility Review Error Rate shall be calculated by dividing the Overpayment in the Eligibility Review by the total dollar amount associated with hospice services reimbursed during the Reporting Period by Medicare for beneficiaries in the Beneficiary Population included in the Eligibility Review.
### g. Level of Services

One of the four categories of care reimbursed under the Medicare hospice benefit, which consist of:

i. **Routine Home Care** – when a patient is at home and is not receiving Continuous Care services;

ii. **Continuous Care** – when a patient is at home and receives services that consist predominantly of nursing care on a continuous basis for brief periods of crisis and as necessary to maintain the terminally ill at home. See 42 C.F.R. § 418.204;

iii. **Inpatient Respite Care** – when a patient receives care at an approved facility on a short term basis for respite; and

iv. **General Inpatient Care** – when a patient receives care in an inpatient facility for pain control or acute or chronic symptom management that cannot be managed in other settings.

### h. Appropriate Level of Services Review Error Rate

The Error Rate for the Appropriate Level of Services Review shall be calculated by dividing the Overpayment in the Appropriate Level of Services Review by the total dollar amount associated with hospice services reimbursed during the Reporting Period by Medicare for beneficiaries in the Beneficiary Population included in the Appropriate Level of Services Review.

### 2. Selection of Hospices for Review

The OIG shall select 10% of the Hospices, or three Hospices, whichever is greater, from the Hospice Population and provide the identities of those Hospices to the IRO at least 30 days before the end of the Reporting Period. The IRO shall perform a separate Eligibility Review and Appropriate Level of Services Review for each Hospice selected.

### 3. Description of Reviews

a. **Eligibility Review**. The IRO shall select a Beneficiary Sample. For each Medicare beneficiary in the Beneficiary Sample, the IRO shall randomly select a Claim Period to be reviewed (Selected Claim Period). The IRO shall review the
medical records of each Medicare beneficiary in the Beneficiary Sample based on the supporting documentation available at VITAS’s offices or under VITAS’s control and applicable billing and coding regulations and guidance to determine whether the beneficiary was eligible for hospice services for the Selected Claim Period.

For any beneficiary in the Beneficiary Sample that results in a determination by the IRO that the beneficiary was not eligible for the hospice benefit during the Selected Claim Period, the IRO shall review all claims for hospice services billed by VITAS for that beneficiary to determine whether the beneficiary was eligible for hospice services. The IRO shall submit a supplemental report no later than 90 days after the IRO completes its report. VITAS shall refund any Overpayments identified as a result of this additional review and documentation of the refund of any identified Overpayments shall be made available to OIG upon request.

Additionally, the IRO shall perform a review of the system(s) and process(es) that resulted in VITAS’s erroneous determination that the beneficiary was eligible for the hospice benefit, to identify any problems or weaknesses that may have resulted in the identified error(s). The IRO shall provide its observations and recommendations on suggested improvements to the system(s) and the process(es) for determining eligibility for the hospice benefit.

b. **Appropriate Level of Services Review.** The Appropriate Level of Services Review shall consist of a review to ensure that the medical record supports the appropriateness of the Level of Services billed during the Selected Claim Period and that the claim was properly submitted to and reimbursed by Medicare. This review shall be completed for each beneficiary in the Beneficiary Sample who was determined to be eligible for hospice services during the Selected Claim Period. The IRO shall review medical records for the Medicare beneficiaries selected based on the supporting documentation available at VITAS’s offices or under VITAS’s control and applicable billing and coding regulations and guidance to determine the appropriateness of the Level of Services billed and reimbursed.
For any beneficiary in the Beneficiary Sample that results in a determination by the IRO that the Level of Services billed was not appropriate, the IRO shall review all claims for hospice services for that beneficiary where the Level of Services billed was above Routine Home Care. The IRO shall submit a supplemental report no later than 90 days after the IRO completes its report. VITAS shall refund any Overpayments identified as a result of this additional review and documentation of the refund of any identified Overpayments shall be made available to OIG upon request.

Additionally, the IRO shall perform a review of the system(s) and process(es) that resulted in VITAS’s erroneous determination that medical necessity existed for the Level of Services billed, to identify any problems or weaknesses that may have resulted in the identified error(s). The IRO shall provide its observations and recommendations on suggested improvements to the system(s) and the process(es) for determining medical necessity for the Level of Services provided.

4. Other Requirements.

a. Supplemental Materials. The IRO shall request all documentation and materials required for its review of the medical records of the Medicare beneficiaries selected as part of each Beneficiary Sample and VITAS shall furnish such documentation and materials to the IRO prior to the IRO initiating its review of each Beneficiary Sample. If the IRO accepts any supplemental documentation or materials from VITAS after the IRO has completed its initial review of any Beneficiary Sample (Supplemental Materials), the IRO shall identify in the Claims Review Report the Supplemental Materials, the date the Supplemental Materials were accepted, and the relative weight the IRO gave to the Supplemental Materials in its review. In addition, the IRO shall include a narrative in the Claims Review Report describing the process by which the Supplemental Materials were accepted and the IRO’s reasons for accepting the Supplemental Materials.

b. Claims without Supporting Documentation. If VITAS cannot produce documentation for the Selected Claim Period for any beneficiary selected as part of any Beneficiary Sample, then
the total reimbursement received by VITAS for hospice services furnished to such beneficiary during the Selected Claim Period shall be deemed an Overpayment. Replacement sampling for Medicare beneficiaries with missing documentation is not permitted.

c. **Use of First Samples Drawn.** For the purposes of all samples discussed in this Appendix, the Medicare beneficiaries selected in each first sample shall be used (i.e., it is not permissible to generate more than one list of random samples and then select one for use with a Beneficiary Sample).

5. **Repayment of Identified Overpayments.** VITAS shall repay within 60 days any Overpayment(s) identified by the IRO in each Beneficiary Sample, in accordance with the requirements of 42 U.S.C. § 1320a-7k(d) and 42 C.F.R. § 401.301-305 (and any applicable CMS guidance) (the “CMS overpayment rule”). If VITAS determines that the CMS overpayment rule requires that an extrapolated Overpayment be repaid, VITAS shall repay that amount at the mean point estimate as calculated by the IRO. VITAS shall make available to OIG all documentation that reflects the refund of the Overpayment(s) to the payor. OIG, in its sole discretion, may refer the findings of any Beneficiary Sample (and any related work papers) received from VITAS to the appropriate Federal health care program payor (e.g., Medicare contractor) for follow up by that payor.

**B. Claims Review Report.** The IRO shall prepare a Claims Review Report as described in this Appendix for each Claims Review performed. The following information shall be included in the Claims Review Report.

1. **Eligibility and Appropriate Level of Services Reviews Methodology.**
   b. **Review Objective.** A clear statement of the objective intended to be achieved by the Eligibility Review and the Appropriate Level of Services Review.
   c. **Source of Data.** A description of (1) the process used to identify the beneficiaries in each Beneficiary Population and (2) the specific documentation relied upon by the IRO when performing the Eligibility Review and the Appropriate Level of Services Review.
d. **Review Protocol.** A narrative description of how the Eligibility Review and the Appropriate Level of Services Review were conducted and what was evaluated.

e. **Supplemental Materials.** A description of any Supplemental Materials as required by A.4.a., above.

2. **Statistical Sampling Documentation.**

a. A copy of the printout of the random numbers generated by the “Random Numbers” function of the statistical sampling software used by the IRO.

b. A description or identification of the statistical sampling software package used to select the samples described in this Appendix.

3. **Claims Review Findings.**

a. **Narrative Results.**

i. A description of VITAS’s hospice eligibility certification, recertification, and determination of appropriate Level of Service processes, including the identification, by position description, of the personnel involved.

ii. A narrative explanation of the IRO’s findings and supporting rationale (including reasons for errors, patterns noted, concerns relating to the eligibility for hospice or appropriateness of hospice services, etc.) regarding the Eligibility Review and the Appropriate Level of Services Review.

b. **Quantitative Results.**
