My job responsibilities include ensuring [insert name of division or department]'s compliance with all applicable Federal health care program requirements, requirements of the Corporate Integrity Agreement, and TEN's policies and procedures. To the best of my knowledge, the [insert name of division or department] is in compliance with all applicable Federal health care

3. *Independence and Objectivity Certification.* The IRO shall include in its report(s) to TEN a certification that the IRO has (a) evaluated its professional independence and objectivity with respect to the reviews required under this Section III.D and (b) concluded that it is, in fact, independent and objective, in accordance with the requirements specified in Appendix A to this CIA. The Disclosure Program shall prohibit retaliation against Covered Persons relating to use of the Disclosure Program and TEN shall not retaliate against Covered Persons for use of the Disclosure Program. Items or services furnished, ordered, or prescribed by excluded persons are not payable by Federal health care programs and TEN may be liable for overpayments and/or criminal, civil, and administrative sanctions for employing or contracting with an excluded person regardless of whether TEN meets the requirements of Section III.G.

H. Notification of Government Investigation or Legal Proceeding. TEN shall notify OIG, in writing, of any ongoing investigation or legal proceeding by a governmental entity or its agents involving an allegation that TEN has committed a crime or has engaged in fraudulent activities, within 30 days of TEN receiving notice of such investigation or legal proceeding. TEN's owners, employees, and contractors may elect to be interviewed with or without a representative of TEN present.

VIII. DOCUMENT AND RECORD RETENTION

TEN shall maintain for inspection all documents and records relating to reimbursement from the Federal health care programs and to compliance with this CIA for six years (or longer if otherwise required by law) from the Effective Date.

IX. DISCLOSURES

Consistent with HHS's FOIA procedures, set forth in 45 C.F.R. Part 5, OIG shall make a reasonable effort to notify TEN prior to any release by OIG of information submitted by TEN pursuant to this CIA and identified upon submission by TEN as trade secrets, or information that is commercial or financial and privileged or confidential, under the FOIA rules. With respect to such releases, TEN shall have the rights set forth at 45 C.F.R. § 5.42(a).

X. BREACH AND DEFAULT PROVISIONS

A. Stipulated Penalties. OIG may assess:

1. A Stipulated Penalty of up to \$2,500 for each day TEN fails to comply with Section III.A;

15. A Stipulated Penalty of up to \$50,000 for each false certification or false statement made to OIG by or on behalf of TEN under this CIA.

B. Timely Written Requests for Extensions. TEN may, in advance of the due date, submit a timely written request for an extension of time to perform any act or file any notification or report required by this CIA. If OIG grants the timely written request with respect to an act, notification, or report, Stipulated Penalties for failure to perform the act or file the notification or report shall not begin to accrue until one day after TEN fails to meet the revised deadline set by OIG. If OIG denies such a timely written request, Stipulated Penalties for failure

to perform the act or file the notification or report shall not begin to accrue until three business days after TEN receives OIG's written denial of such request or the original due date, whichever is later. A "timely written request" is defined as a request in writing received by OIG at least five business days prior to the date by which any act is due to be performed or any notification or report is due to be filed.

C. Payment of Stipulated Penalties.

1. *Demand Letter.* If OIG determines that a basis for Stipulated Penalties under Section X.A exists, OIG shall notify TEN of: (a) TEN's failure to comply and (b) OIG's demand for payment of Stipulated Penalties. (This notification shall be referred to as the "Demand Letter.")

2. *Response to Demand Letter.* Within 15 business days after the date of the Demand Letter, TEN shall either: (a) pay the applicable Stipulated Penalties or (b) request a hearing before an HHS administrative law judge (ALJ) to dispute OIG's determination of noncompliance, pursuant to the agreed upon provisions set forth below in Section X.E.

3. *Form of Payment.* Payment of the Stipulated Penalties shall be made by electronic funds transfer to an account specified by OIG in the Demand Letter.

D. Exclusion for Material Breach.

1. *Definition of Material Breach.* A material breach of this CIA means:

- a. failure to comply with any of the requirements of this CIA for which OIG has previously issued a demand for Stipulated Penalties under Section X.C, unless such Stipulated Penalty was overturned by an ALJ on appeal pursuant to the procedures described in Section X.E below;
- b. failure to comply with Section III.A.1;
- c. failure to comply with Section III.D;
- d. failure to comply with Section III.I;
- e. failure to comply with Section V;
- f. failure to respond to a Demand Letter in accordance with Section X.C;
- g. a false statement or false certification made to OIG by or on behalf of TEN under this CIA;

- h. failure to pay Stipulated Penalties within 20 days after an ALJ issues a decision ordering TEN to pay the Stipulated Penalties or within 20 days after the HHS Departmental Appeals Board (DAB) issues a decision upholding the determination of OIG; or
- i. failure to come into compliance with a requirement of this CIA for which OIG has demanded Stipulated Penalties, pursuant to the deadlines listed in Section X.E.2.

2. *Notice of Material Breach and Intent to Exclude.* The parties agree that a material breach of this CIA by TEN constitutes an independent basis for TEN's exclusion from participation in the Federal health care programs. The length of the exclusion shall be in the OIG's discretion, but not more than five years for each material breach. Upon a preliminary determination by OIG that TEN has materially breached this CIA, OIG shall notify TEN of: (a) TEN's material breach and (b) OIG's intent to exclude TEN. (This notification shall be referred to as the "Notice of Material Breach and Intent to Exclude.")

3. *Response to Notice.* TEN shall have 30 days from the date of the Notice of Material Breach and Intent to Exclude to submit any information and documentation for OIG to consider before it makes a final determination regarding exclusion.

4. *Exclusion Letter.* If OIG determines that exclusion is warranted, OIG shall notify TEN in writing of its determination to exclude TEN. (This letter shall be referred to as the "Exclusion Letter.") Subject to the Dispute Resolution provisions in Section X.E, below, the exclusion shall go into effect 30 days after the date of the Exclusion Letter. The effect of the exclusion shall be that no Federal health care program payment may be made for any items or services furnished, ordered, or prescribed by TEN, including administrative and management services, except as stated in regulations found at 42 C.F.R. §1001.1901(c). The exclusion shall have national effect. Reinstatement to program participation is not automatic. At the end of the period of exclusion, TEN may apply for reinstatement by submitting a written request for reinstatement in accordance with the provisions at 42 C.F.R. §§ 1001.3001-.3004.

E. Dispute Resolution.

1. *Review Rights.* Upon OIG's issuing a Demand Letter or Exclusion Letter to TEN, and as an agreed-upon remedy for the resolution of disputes arising under this CIA, TEN shall be afforded certain review rights comparable to the ones that are provided in 42 U.S.C. § 1320a-7(f) and 42 C.F.R. Part 1005. Specifically, OIG's determination to demand payment of Stipulated Penalties or to seek exclusion shall be subject to review by an HHS ALJ and, in the event of an appeal, the DAB, in a manner consistent with the provisions in 42 C.F.R. § 1005.2-1005.21, but only to the extent this CIA does not provide otherwise. Notwithstanding the language in 42 C.F.R. § 1005: (a) the request for a hearing involving Stipulated Penalties shall be made within 15 business days after the date of the Demand Letter and the request for a hearing involving exclusion shall be made within 25 days after the date of the Exclusion Letter and (b) no discovery shall be available to the parties. The procedures relating to the filing of a

request for a hearing can be found at
<http://www.hhs.gov/dab/divisions/civil/procedures/divisionprocedures.html>

2. *Stipulated Penalties Review.* Notwithstanding any provision of Title 42 of the United States Code or Title 42 of the Code of Federal Regulations, the only issues in a proceeding for Stipulated Penalties under this CIA shall be: (a) whether TEN was in full and timely compliance with the requirements of this CIA for which OIG demands payment and (b) the period of noncompliance. TEN shall have the burden of proving its full and timely compliance. If the ALJ upholds the OIG's determination that TEN has breached this CIA and orders TEN to pay Stipulated Penalties, TEN must (a) come into compliance with the requirement(s) that resulted in the OIG imposing Stipulated Penalties and (b) pay the Stipulated Penalties within 20 days after the ALJ issues a decision, unless TEN properly and timely requests review of the ALJ decision by the DAB. If the ALJ decision is properly and timely appealed to the DAB and the DAB upholds the determination of OIG, TEN must (a) come into compliance with the requirement(s) that resulted in the OIG imposing Stipulated Penalties and (b) pay the Stipulated Penalties within 20 days after the DAB issues its decision.

3. *Exclusion Review.* Notwithstanding any provision of Title 42 of the United States Code or Title 42 of the Code of Federal Regulations, the only issues in a proceeding for exclusion based on a material breach of this CIA shall be whether TEN was in material breach of this CIA. If the ALJ sustains the OIG's determination of material breach, the exclusion shall take effect 20 days after the ALJ issues the decision. If the DAB finds in favor of OIG after an ALJ decision adverse to OIG, the exclusion shall take effect 20 days after the DAB decision. TEN shall waive its right to any notice of such an exclusion if a decision upholding the exclusion is rendered by the ALJ or DAB. If the DAB finds in favor of TEN, TEN shall be reinstated effective on the date of the original exclusion.

4. *Finality of Decision.* The review by an ALJ or DAB provided for above shall not be considered to be an appeal right arising under any statutes or regulations. The parties to this CIA agree that the DAB's decision (or the ALJ's decision if not appealed) shall be considered final for all purposes under this CIA and TEN agrees not to seek additional review of the DAB's decision (or the ALJ's decision if not appealed) in any judicial forum.

XI. EFFECTIVE AND BINDING AGREEMENT

TEN and OIG agree as follows:

A. This CIA constitutes the complete agreement between the parties and may not be amended except by written consent of the parties to this CIA.

B. All requirements and remedies set forth in this CIA are in addition to and do not affect (1) TEN's responsibility to follow all applicable Federal health care program requirements or (2) the government's right to impose appropriate remedies for failure to follow applicable Federal health care program requirements.

C. The undersigned TEN signatories represent and warrant that they are authorized to execute this CIA. The undersigned OIG signatories represent that they are signing this CIA in their official capacities and that they are authorized to execute this CIA.

D. This CIA may be executed in counterparts, each of which constitutes an original and all of which constitute one and the same CIA. Electronically transmitted copies of signatures shall constitute acceptable, binding signatures for purposes of this CIA.

APPENDIX A

INDEPENDENT REVIEW ORGANIZATION

This Appendix contains the requirements relating to the Independent Review Organization (IRO) required by Section III.D of the CIA.

A. IRO Engagement

1. TEN shall engage an IRO that possesses the qualifications set forth in Paragraph B, below, to perform the responsibilities in Paragraph C, below. The IRO shall conduct the review in a professionally independent and objective fashion, as set forth in Paragraph E. Within 30 days after OIG receives the information identified in Section V.A.6 of the CIA or any additional information submitted by TEN in response to a request by OIG, whichever is later, OIG will notify TEN if the IRO is unacceptable. Absent notification from OIG that the IRO is unacceptable, TEN may continue to engage the IRO.

2. If TEN engages a new IRO during the term of the CIA, that IRO must also meet the requirements of this Appendix. If a new IRO is engaged, TEN shall submit the information identified in Section V.A.6 of the CIA to OIG within 30 days of engagement of the IRO. Within 30 days after OIG receives this information or any additional information submitted by TEN at the request of OIG, whichever is later, OIG will notify TEN if the IRO is unacceptable. Absent notification from OIG that the IRO is unacceptable, TEN may continue to engage the IRO.

B. IRO Qualifications

The IRO shall:

1. assign individuals to conduct the Claims Review who have expertise in the Federal health care program requirements applicable to the claims being reviewed;

2. assign individuals to design and select the Claims Review sample who are knowledgeable about the appropriate statistical sampling techniques;

3. assign individuals to conduct the coding review portions of the Claims Review who have a nationally recognized coding certification and who have maintained this certification (e.g., completed applicable continuing education requirements);

4. assign licensed nurses or physicians with relevant education, training and specialized expertise (or other licensed health care professionals acting within their scope of practice and specialized expertise) to make the medical necessity determinations required by the Claims Review; and

5. have sufficient staff and resources to conduct the reviews required by the CIA on a timely basis.

C. IRO Responsibilities

The IRO shall:

1. perform each Claims Review in accordance with the specific requirements of the CIA;
2. follow all applicable Federal health care program rules and reimbursement guidelines in making assessments in the Claims Review;
3. request clarification from the applicable Federal health care program if in doubt of the application of a particular program policy or regulation;
4. respond to all OIG inquiries in a prompt, objective, and factual manner; and
5. prepare timely, clear, well-written reports that include all the information required by Appendix B to the CIA.

D. TEN Responsibilities

TEN shall ensure that the IRO has access to all records and personnel necessary to complete the reviews listed in III.D of this CIA and that all records furnished to the IRO are accurate and complete.

E. IRO Independence and Objectivity

The IRO must perform the Claims Review in a professionally independent and objective fashion, as defined in the most recent Government Auditing Standards issued by the U.S. Government Accountability Office.

F. IRO Removal/Termination

1. *TEN and IRO.* If TEN terminates its IRO or if the IRO withdraws from the engagement during the term of the CIA, TEN must submit a notice explaining (a) its reasons for termination of the IRO or (b) the IRO's reasons for its withdrawal to OIG, no later than 30 days after termination or withdrawal. TEN must engage a new IRO in accordance with Paragraph A of this Appendix and within 60 days of termination or withdrawal of the IRO.

2. *OIG Removal of IRO.* In the event OIG has reason to believe the IRO does not possess the qualifications described in Paragraph B, is not independent and objective as set forth in Paragraph E, or has failed to carry out its responsibilities as described in Paragraph C, OIG

shall notify TEN in writing regarding OIG's basis for determining that the IRO has not met the requirements of this Appendix. TEN shall have 30 days from the date of OIG's written notice to provide information regarding the IRO's qualifications, independence or performance of its responsibilities in order to resolve the concerns identified by OIG. If, following OIG's review of any information provided by TEN regarding the IRO, OIG determines that the IRO has not met the requirements of this Appendix, OIG shall notify TEN in writing that TEN shall be required to engage a new IRO in accordance with Paragraph A of this Appendix. TEN must engage a new IRO within 60 days of its receipt of OIG's written notice. The final determination as to whether or not to require TEN to engage a new IRO shall be made at the sole discretion of OIG.

APPENDIX B

CLAIMS REVIEW

A. Claims Review. The IRO shall perform the Claims Review for each of the five Reporting Periods.

1. *Definitions*.

- a. “Paid Claim” means a fee for service claim submitted by TEN and for which TEN has received reimbursement from the Medicare or Medicaid programs.
- b. “Population” means all Paid Claims during the 12-month period covered by the Claims Review. In OIG’s discretion, OIG may limit the Population to one or more subset(s) of Paid Claims to be reviewed and shall notify TEN and the IRO of its selection of the Population at least 30 days prior to the end of each Reporting Period. TEN, or its IRO on behalf of TEN, may submit proposals identifying suggestions for the subset(s) of Paid Claims to be reviewed at least 120 days prior to the end of each Reporting Period. In connection with limiting the Population, OIG may consider (1) proposals submitted by TEN or its IRO, (2) information furnished to OIG regarding the results of TEN’s internal risk assessment and internal auditing, or (3) other information obtained by OIG. The determination of whether, and in what manner, to limit the Population shall be made at the sole discretion of OIG.
- c. “Overpayment” means the amount of money TEN has received in excess of the amount due and payable under Medicare and Medicaid program requirements, as determined by the IRO in connection with the Claims Review performed under this Appendix.
- d. “Error Rate” means the percentage of net Overpayments identified in the Claims Review Sample. The net Overpayment shall be calculated by subtracting all underpayments identified in the Claims Review Sample from all Overpayments identified in the Claims Review Sample. The Error Rate is calculated by dividing the net Overpayment by the total dollar amount associated with the Paid Claims in the Claims Review Sample.

2. *Claims Review Sample*. The IRO shall select a random sample of 100 Medicare Paid Claims and a random sample of 100 Medicaid Paid Claims (Claims Review Sample). The IRO shall review the Paid Claims based on documentation under TEN’s control and the applicable Medicare and Medicaid program requirements to determine whether the items and

services furnished were medically necessary and appropriately documented, and whether the claim was correctly coded, submitted, and reimbursed.

3. *Other Requirements.*

- a. Supplemental Materials. The IRO shall request all documentation required for its review of the Paid Claims in the Claims Review Sample and TEN shall furnish such documentation to the IRO prior to the IRO initiating its review of the Claims Review Sample. If the IRO accepts any supplemental documentation from TEN after the IRO has completed its initial review of the Claims Review Sample (Supplemental Materials), the IRO shall include the following in the Claims Review Report: (i) a description of the Supplemental Materials, (ii) the date the Supplemental Materials were accepted, (iii) the IRO's reason(s) for accepting the Supplemental Materials, and (iv) the relative weight the IRO gave to the Supplemental Materials in its review.
- b. Paid Claims without Supporting Documentation. Any Paid Claim for which TEN cannot produce documentation shall be considered an error and the total reimbursement received by TEN for such Paid Claim shall be deemed an Overpayment. Replacement sampling for Paid Claims without documentation is not permitted.
- c. Use of First Sample Drawn. The first set of Paid Claims selected shall be used for the Claims Review Sample (i.e., it is not permissible to generate more than one list of random samples and then select one for use).

4. *Repayment of Estimated Overpayment.* The findings of the Claims Review Sample shall be used by the IRO to estimate the actual Overpayment in the Population with the point estimate and a two-sided 90% confidence interval. Within 60 days of receipt of the Claims Review Report, TEN shall repay the lower limit of the two-sided 90% confidence interval (Estimated Overpayment) to the applicable payors. Documentation of TEN's refund of the Estimated Overpayment to the applicable payors shall be submitted to OIG with TEN's Annual Report. OIG, in its sole discretion, may refer the findings of the Claims Review Sample to the applicable payors for appropriate follow up.

B. Claims Review Report. The IRO shall prepare a Claims Review Report for each Claims Review that includes the following information:

1. *Claims Review Methodology.*

- a. Claims Review Objective. A statement of the objective intended to be achieved by the Claims Review.

- b. Claims Review Population. A description of the Population subject to the Claims Review.
 - c. Source of Data. A description of (1) the process used to identify Paid Claims in the Population and (2) the specific documentation and other information sources relied on by the IRO when performing the Claims Review (e.g., medical records, physician orders, certificates of medical necessity, requisition forms, local medical review policies (including title and policy number), CMS program memoranda (including title and issuance number), Medicare carrier or intermediary manual or bulletins (including issue and date), other policies, regulations, or directives).
 - d. Review Protocol. A narrative description of how the Claims Review was conducted and what was evaluated.
 - e. Supplemental Materials. The information regarding any Supplemental Materials required by A.3.a., above.
2. *Statistical Sampling Documentation.*
- a. A copy of the printout of the random numbers generated by the “Random Numbers” function of the statistical sampling software used by the IRO.
 - b. A description or identification of the statistical sampling software package used by the IRO.
3. *Claims Review Findings.*
- a. Narrative Results.
 - i. A description of TEN’s billing and coding system(s), including the identification, by position description, of the personnel involved in coding and billing.
 - ii. A description of controls in place at TEN to ensure that all items and services furnished by TEN are correctly coded, appropriately documented, and medically necessary.
 - iii. A narrative explanation of the results of the IRO’s review of the Claims Review Sample, including an explanation of all errors identified by the IRO.
 - b. Quantitative Results.

- i. Total number and percentage of instances in which the IRO determined that the coding of the Paid Claims submitted by TEN differed from what should have been the correct coding.
- ii. Total number and percentage of instances in which the IRO determined that a Paid Claim was not appropriately documented.
- iii. Total number and percentage of instances in which the IRO determined that a Paid Claim was for items or services that were not medically necessary.
- iv. Total dollar amount of Paid Claims included in the Claims Review Sample and the net Overpayment associated with the Claims Review Sample.
- v. Error Rate in the Claims Review Sample.
- vii. An estimate of the actual Overpayment in the Population with the point estimate and a two-sided 90% confidence interval.
- viii. A spreadsheet of the Claims Review results that includes the following information for each Paid Claim:
 - 1. Federal health care program billed;
 - 2. Beneficiary health insurance claim number;
 - 3. Date of service;
 - 4. Code submitted (e.g., DRG, CPT code, etc.);
 - 5. Code reimbursed;
 - 6. Allowed amount reimbursed by payor;
 - 7. Correct code (as determined by the IRO);
 - 8. Correct allowed amount (as determined by the IRO);
 - 9. Whether the item or service was medically necessary;
 - 10. Whether the item or service was appropriately documented; and
 - 11. The dollar difference between allowed amount reimbursed by payor and the correct allowed amount.
- c. Recommendations. The IRO's report shall include any recommendations for improvements to TEN's billing and coding system or to TEN's controls for ensuring that all items and services billed to the Medicare program by TEN are correctly coded, appropriately documented, and medically necessary, based on the findings of the Claims Review.

4. *Credentials.* The names and credentials of the individuals who: (1) designed the statistical sampling procedures and the review methodology utilized for the Claims Review and (2) performed the Claims Review.
